1. Proclamation Telecommunicators

Proclamation

A PROCLAMATION OF THE CITY OF BROWNSVILLE TO RECOGNIZE THE FOLLOWING TELECOMMUNICATORS FOR THEIR OUTSTANDING PERFORMANCE OF THEIR DUTIES AND SUPPORT OF THEIR ACTIONS IN SERVING AND PROTECTING THE CITIZENS OF BROWNSVILLE, TEXAS.

WHEREAS, On May 7th, 2023, at 8:30 am., a mass causality event occurred in Brownsville, Texas. An intoxicated driver crashed into a large group of pedestrians, resulting in 8 persons killed and 11 seriously injured. A total of 67 fire, police, and EMS personnel responded to the scene. Although first responders often get acknowledged for their services, the coordination and communication for major events rest upon telecommunicators, the unsung heroes who play a vital role behind the scenes.

WHEREAS, Telecommunicators Ida Villarreal, Sarahi Benavides, Mary Blanco, and Officer Albert Buitureida were the telecommunicators on that day. Their teamwork and quick decision-making skills facilitated a coordinated response to this event; and

WHEREAS, the telecommunicators contacted multiple agencies so the proper resources could be routed to the scene, which included deploying an emergency response helicopter and patching communications with the ground units; and

WHEREAS, the telecommunicators' timely actions and coordinated response contributed to safeguarding life by assisting all public safety personnel in performing their duties.

NOW THEREFORE, BE IT RESOLVED and ordered that Telecommunicators Ida Villarreal, Sarahi Benavides, Mary Blanco, and Officer Albert Buitureida of the City of Brownsville, be recognized for their professional conduct and dedication to their profession as public safety telecommunicators.

Adopted this _____day of _____, 2023.

WORK SESSION(S)

As a governmental body, the City Commission will not vote or take any formal action on any items discussed in the work session portion of the agenda.

1) Brownsville Public Utilities Board (BPUB) North Regional Force Main Project. (Engineering and Public Works Department)

Doro Garcia, Engineering and Public Works Director, noted that this workshop was intended for the Brownsville Public Utilities Board (BPUB) to share the proposed construction of a force main from Interstate 69E to Robindale Road, approximately 10.48 miles. Mr. Garcia introduced Ann Witko, Senior Water Resources Project Manager. She noted that the proposed project would include connecting Lift Station No. 159 (LS 159) at the Brownsville Sports Park to the Robindale Wastewater Treatment Plant (Robindale WWTP) to reduce current overflow during peak sanitary sewer flow periods and to provide future capacity for undeveloped areas around northwest Brownsville. Upon completion of the project, all disturbances from the construction phase will be restored to existing conditions.

Commissioner Rose Gowen requested that the Parks and Recreation Department consider making signs about detours and placing them along the trail areas that are involved in this project.

Commissioner De los Santos wants to better inform the public about these initiatives and their potential effects on the designated affected areas.

Brief discussion ensued amongst the Commission and City staff.

2) Board and Commission Member Appointment and Eligibility Policy Workshop

Will Trevino, City Attorney, provided a brief presentation as a refresher and to inform the current and new members of the Commission about the Board Appointment Policy. He mentioned that the procedure for determining board members' qualifications and on how many boards a member can serve, had been implemented in 2018 and changed in 2020.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Bryan L. Martinez noted that every board member, in order to be in compliance and continue serving on the board, should complete the trainings for Open Meetings Act and Public Information Act and be reflected on the attendance record submitted to the Commission.

Commissioner Roy De los Santos recommended that the boards that fall under the Chapter 38, consider a policy that requires the meetings to be televised.

PRESENTATION(S)

City Manager's Update

Helen Ramirez, City Manager, provided a brief Economic Development update to the members of the Commission. Ms. Ramirez noted that she and Mayor Cowen were invited to the Space X Headquarters to discuss their expansion of their production and manufacturing. They added that they have a fantastic working relationship with the City of Brownsville and are enthusiastic about

the new Los Angeles route connecting Brownsville with the Hollywood Burbank Airport. Additionally, an invitation was extended to the community to participate in the Avelo Airlines inaugural flight to Las Vegas on September 8th.

PUBLIC HEARING(S)

1) **Public Hearing and ACTION on FIRST READING on Ordinance Number 235-2023-013, to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2) for 2.048 acres of land in Block 39, Share 27, El Jardin Subdivision, Cameron County, Texas, located at 290 North Central Avenue, Brownsville, Texas 78521, as shown in Exhibit "A". (District 2) (Planning & Redevelopment Department) (Continued from June 20, 2023 - Public Hearing)**

Martin Vega, Planning & Redevelopment Assistant Director noted that the proposed rezoning ordinance request is to establish a duplex subdivision on the subject property.

Commissioner Linda C. Macias voiced her concern about how the neighborhood will be affected by the rezoning of the area, since it was primarily made up of single-family homes. She suggested that the Planning Department communicate with the neighborhood more because it is crucial that the public be informed of any upcoming zoning changes in their community.

Mr. Vega provided a brief explanation of the process when notifying the owners of the property of any zoning changes that will take place in their neighborhood.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Roy De los Santos recommended approving the item on during this meeting since it was only the first reading.

Upon motion by Commissioner Bryan L. Martinez seconded by Commissioner Rose Gowen and carried unanimously, the public hearing was closed.

Upon motion by Commissioner Linda C. Macias seconded by Commissioner Rose Gowen the agenda item was tabled.

Commissioner Roy De los Santos noted that the ordinance had been tabled at a previous meeting and that no objections had been received from the public and that they would have another opportunity to voice any concerns at the next scheduled regular meeting.

After a brief discussion amongst the Commission and City staff, Commissioner Linda C. Macias withdrew her motion.

Commissioner Roy De los Santos moved that Ordinance Number 235-2023-013, be adopted at first reading. The motion was seconded by Commissioner Pedro Cardenas and carried unanimously.

2) **Public Hearing and ACTION on FIRST READING on Ordinance Number 2022-235.102, to amend the Unified Development Code (UDC), Sec. 5.3 - Signs, and dealing with related matters, as shown in Exhibit "A". (Planning & Redevelopment Department)**

Martin Vega, Planning & Redevelopment Assistant Director noted that sign regulations that are currently in place are intended to prevent visual clutter that is not harmful to automotive and pedestrian safety, property values, and the appearance of the city, while maintaining the effectiveness of signs as a visual medium. However, based on analysis of existing signage throughout the City and recent sign applications, staff have found that provisions within the mentioned ordinance should be more adequately tailored. Additionally, this amendment will adjust the height limitations for the various types of signs outlined in the UDC and will expand the list of zoning districts in which these are allowed.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Rose Gowen noted that before voting on the agenda item, she would like to see the complete data of the proposed ordinance.

Commissioner Roy De los Santos requested to see more specific data on the distance between signs since it will determine the conditions under the ordinance.

Ronald Kibler representative from Lamar Advertising briefly explained the process that is taken to determine the dimension and distance of their signs.

Upon motion by Commissioner Bryan L. Martinez seconded by Mayor John Cowen Jr. and carried unanimously, the public hearing was closed.

Upon motion by Commissioner Rose Gowen seconded by Commissioner Pedro Cardenas and carried unanimously, Ordinance Number 2022-235.102 was tabled.

3) Public Hearing and ACTION on Resolution Number 2023-086 for the Texas Parks and Wildlife "Local Park Grant Program", a resolution authorizing the application for a 50:50 matching grant certifying that the City of Brownsville is eligible to receive program assistance; certifying that the applicant's matching share is readily available; and dedicating the proposed La Posada Park site for a permanent public park and recreational uses. (Parks and Recreation Department)

Damaris McGlone, Parks and Recreation Director noted that the Local Park Non-Urban Outdoor Recreation Grant is one of five (5) individual programs in the Local Park Grant Program that assist local units of government with the acquisition and/or development of public recreation areas and facilities throughout the State of Texas. The application is due Aug 01, 2023, with a ceiling of $750,000.00 for the population size of Brownsville, Texas. The Program provides 50% matching grants on a reimbursement basis to eligible applicants. All grant assisted sites must be dedicated as parkland in perpetuity, properly maintained and open to the public.

Brief discussion ensued amongst the Commission and City staff.

Upon motion by Commissioner Roy De los Santos seconded by Commissioner Bryan L. Martinez and carried unanimously, the public hearing was closed.

Commissioner Roy De los Santos moved that Resolution Number 2023-086, be approved. The motion was seconded by Commissioner Bryan L. Martinez and carried unanimously.

Commissioner Rose Gowen stepped out and did not vote on Public Hearing #3

ITEMS FOR INDIVIDUAL CONSIDERATION(S)

At this time, Commissioner Linda C. Macias., stepped out and did not participate on Agenda Item # 1.

1) Consideration and ACTION on an agreement with the Brownsville Community Improvement Corporation (BCIC) accepting Airport Debt Payment assistance. (BCIC/City Manager's Office)

Michael Delmore Chief Financial Officer noted that the Brownsville Community Improvement Corporation (BCIC) board agreed to negotiate with the City an extension of a prior agreement of financial assistance for the payment of airport bonds for infrastructure improvements at the Brownsville South Padre Island International Airport.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Roy De los Santos moved that the agreement with the Brownsville Community Improvement Corporation (BCIC) accepting Airport Debt Payment assistance, be approved. The motion was seconded by Commissioner Rose Gowen and carried as follow:

Ayes: Mayor Cowen, Commissioners Villarreal, Gowen, Martinez, De los Santos, and Cardenas

Will Trevino, City Attorney noted that for the record, Commissioner Linda C. Macias will be abstaining from the agenda item, since she currently serves on the BCIC Board.

Commissioner Linda C. Macias returned to the meeting, after action was taken on the agenda item.

At this time, Mayor John Cowen Jr., stepped out, due to a conflict of interest and did not participate on Agenda Item # 2.

2) Consideration and ACTION to approve a contract for depository services for up to five years with one of the following banks, listed in alphabetical order: JPMorgan Chase, Lone Star National Bank, PlainsCapital Bank, PNC Bank, and/or Texas Regional Bank; and Authorize the City Manager to negotiate and execute the contract. (Financial Services Department)

Michael Delmore, Chief Financial Officer provided a recap of the meeting held on June 20, 2023, when finance staff presented the results of a request for proposals (RFP) for depository services. The respondents were JPMorgan Chase, Lone Star National Bank, Plains Capital Bank, PNC Bank, and/or Texas Regional Bank. Staff seeks authorization for the City Manager to negotiate and execute the contract for a 5-year term, which is the maximum allowed by state law, with one or more of the respondents.

Commissioner Roy De los Santos stated that he was not inclined to make a change for the long term while the process is still flawed and suggested thinking about awarding PNC another year for one more year or awarding PNC another five years because, if a year is awarded, it gives City staff the opportunity to tweak the process so that the presentation comes in earlier rather than later.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Roy De los Santos moved that the contract for depository services be awarded for one (1) year to PNC Bank. The motion was seconded by Commissioner Tino Villareal and carried unanimously.

Will Trevino, City Attorney noted that for the record, Mayor John Cowen, did not participate on the discussion or took action on the agenda item.

Mayor John Cowen Jr. returned to the meeting, after action was taken on the agenda item.

(Multimodal Transportation Department)

Joel Garza, Multimodal Director, noted that the TIGER Rehab Project is a 5-stage construction project that consists of replacing an underground storage tank (UST) system with a new aboveground storage tank (AST) system for fueling the Brownsville Metro Fleet and administrative vehicles at the Jose Colunga Maintenance yard. Other improvements include the purchase of a new Automated Bus Wash Fuel system and island, improve site storm sewer system including retention pond, new Billy Mitchell bus entrance, automated gate entry points with increased security and lighting. The proposal consists of repaving access drives and new parking areas for current bus fleet

with room for expansion. The existing equipment storage facility will be replaced for secure storage of peripheral equipment including lawn equipment, trailers and tools.

Brief discussion ensued amongst the Commission and City staff.

Commissioner Rose Gowen moved to approve and award contract number TRP-87-0923, to ZIWA Corporation. The motion was seconded by Commissioner Roy De los Santos and carried unanimously.

Commissioner Tino Villarreal and Commissioner Pedro Cardenas stepped out and did not vote on Agenda Item #3.

CITY OF BROWNSVILLE CONTRACT AGREEMENT FOR Drug and Alcohol Screening Services for the City of Brownsville
#DAS-48-0820

This Agreement is entered into as of Thursday, August 20, 2020 between The City of Brownsville, Texas, collectively hereinafter referred to as ("CITY") and Texas Alcohol and Drug Testing Service hereinafter referred to as ("CONTRACTOR").

1. **Documents**
   a. The following documents (collectively, "Contract Documents") are hereby incorporated into and made part of this Agreement.

      i. Scope of Services, Conditions and Additional Services (Exhibit A)
      ii. Term of Agreement (Exhibit B)
      iii. Compensation, Fees and Commissions (Exhibit C)
      iv. Insurance (Exhibit D)

2. **Scope of Services**
   a. Contractor shall perform the Services under this agreement upon written request orders by CITY. Unless otherwise specified in a project request, Contractor and CITY agree that the scope of work is deemed to include preliminary considerations and prerequisites, and all tasks which are an integral and inseparable part of the work described in the Contract Documents or by separate written request.
   b. Contractor will perform such Services in a diligent and workmanlike manner consistent with industry standards.
   c. By signing this Agreement, Contractor represents that it has thoroughly reviewed the Contract Documents incorporated into this Agreement, including but not limited to "Exhibit A" Scope of services and that it accepts the description of the Work and the conditions under which the Work is to be performed and completed.

3. **Independent Contractor; Personnel**
   a. Contractor enters into this Agreement as, and shall continue to be, an independent contractor. All Services shall be performed only by Contractor and Contractor's employees. Under no circumstances shall Contractor, or any of Contractor's employees, look to CITY as his/her employer, or as a partner, agent or principal. Neither Contractor, nor any of Contractor's employees, shall be entitled to any benefits accorded to CITY's employees, including without limitation worker's compensation, disability insurance, vacation or sick pay. Contractor shall be responsible for providing, at Contractor's expense, and in Contractor's name, unemployment, disability, worker's compensation and other insurance, as well as any and all licenses and permits usual or necessary for conducting the Services. Contractor shall be responsible for paying all applicable local, state and federal taxes.
   b. Contractor represents and warrants to CITY that its employees performing Work hereunder will have sufficient expertise, training, licensure (if applicable) and experience to accomplish the Services.

4. **Term of Agreement.**
   a. The initial contract period shall commence on the date of approval of this agreement by the Brownsville City Commission and shall end or be extended upon the terms specified in Contract Documents "Exhibit B". The term or any continuation of this Agreement shall be subject to both the appropriation and the availability of funds by CITY.

5. **Compensation**
   a. Contractor agrees that compensation for services shall be as specified in the Contract Documents "Exhibit C". It is acknowledged and agreed by Contractor that compensation as enumerated in

Exhibit C constitutes a limitation upon CITY's obligation to compensate Contractor for Contractor's services pursuant and related to this Agreement but it does not constitute a limitation of any sort upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services.

b. Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided. Notwithstanding any provision of this Agreement to the contrary, CITY may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the CITY's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by CITY.

6. Insurance

a. The Contractor shall furnish proof of insurance requirements as specified in Contract Documents "Exhibit D". The coverage is to remain in force at all times during the contract period and the minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Brownsville, Texas, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

b. The CITY shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

c. The Contractor's insurance must be provided by an A.M. Best's "A-"rated or better insurance company authorized to issue insurance policies in the State of Texas, subject to approval by the City of Brownsville Department of Safety and Risk Management. Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for work contemplated in this solicitation shall be deemed unacceptable, and shall be considered breach of contract.

7. Termination

a. *Termination for Cause.* The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. CITY may also terminate this Agreement upon such notice as the City of Brownsville's City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the CITY erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to CITY's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

b. *Termination for Convenience.* CITY reserves the right, in its best interest as determined by the City of Brownsville's City Manager, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed

to CITY's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable and sufficient consideration from CITY, the receipt and adequacy of which are hereby acknowledged by Contractor, for CITY's right to terminate this Agreement for convenience.

c. *Cancellation for Non-appropriated Funds.* CITY reserves the right, in its best interest as determined by the City of Brownsville's City Manager, to cancel this contract for non-appropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of CITY for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

d. *Force Majeure.* CITY and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

   i. The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;
   ii. The excuse of performance is of no greater scope and of no longer duration than is reasonably necessary when considered in light of the Force Majeure;
   iii. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and
   iv. The non-performing party uses its best efforts to remedy its inability to perform.
   v. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of sixty (60) days, provided that in extenuating circumstances, CITY may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

8. Materiality and Waiver of Breach.

a. CITY and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof. CITY's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement

9. Miscellaneous Provisions.

a. *Successors and Assigns.* All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

b. *Choice of Law.* The laws of the state of Texas shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

c. *No Waiver of Governmental Immunity.* NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED TO WAIVE CITY'S GOVERNMENTAL IMMUNITY FROM LAWSUIT, WHICH IMMUNITY IS EXPRESSLY RETAINED TO THE EXTENT IT IS NOT CLEARLY AND UNAMBIGUOUSLY WAIVED BY STATE LAW.

d. *Assignment.* Contractor shall not assign any of Contractor's rights under this Agreement, or delegate the performance of any of Contractor's duties hereunder, without the prior consent of CITY.

e. *Modification or Amendment.* No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties hereto.

f. *Venue.* This Agreement and any and all matters arising directly or indirectly herefrom shall be governed by and construed and enforced in accordance with the Laws of the State of Texas, in the Federal and State Courts of Cameron County, Texas having jurisdiction. (b) If at any time there is a dispute between or among the Parties with respect to any matter arising directly or indirectly from this Agreement (an "Agreement Matter"), the Parties agree that, prior to seeking judicial remedy, they will engage in face-to-face negotiations in an attempt to resolve such dispute and shall, upon failing to negotiate a mutually-satisfactory resolution, choose a mutually agreeable neutral third party to mediate such dispute. Mediation shall be non-binding and shall be confidential.

g. *Notices.* Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

If to Contractor: Texas Alcohol and Drug Testing Service
411 Lantern Bend Drive, Suite 210
Houston, Texas, 77090

If to CITY: City of Brownsville
1001 E. Elizabeth St.
Brownsville, Texas, 78521

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

h. *Entire Understanding.* This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

i. *Unenforceability of Provisions.* If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above.

1For grouped analytes (i.e., two or more analytes that are in the same drug class and have the same initial test cutoff):

Immunoassay: The test must be calibrated with one analyte from the group identified as the target analyte. The cross-reactivity of the immunoassay to the other analyte(s) within the group must be 80 percent or greater; if not, separate immunoassays must be used for the analytes within the group.

Alternate technology: Either one analyte or all analytes from the group must be used for calibration, depending on the technology. At least one analyte within the group must have a concentration equal to or greater than the initial test cutoff or, alternatively, the sum of the analytes present (i.e., equal to or greater than the laboratory's validated limit of quantification) must be equal to or greater than the initial test cutoff.

2An immunoassay must be calibrated with the target analyte, Δ-9-tetrahydrocannabinol-9-carboxylic acid (THCA).
3Alternate technology (THCA and Benzoylecgonine): When using an alternate technology initial test for the specific target analytes of THCA and Benzoylecgonine, the laboratory must use the same cutoff for the initial and confirmatory tests (i.e., 15 ng/mL for THCA and 100ng/mL for Benzoylecgonine).
4Methylenedioxymethamphetamine (MDMA).
5Methylenedioxyamphetamine (MDA).

That all drug testing laboratory results must be reviewed by a qualified MRO in accordance wit h the 49 CFR Subpart G, Part 40 and applicable DOT agency rules.

L. That the collection site to be used shall have at a minimum the following qualifications:

1. License to do laboratory services/business in the State of Texas.
2. Certification by the U.S. Department of Health & Human Services Substance Abuse and Mental Health Services Administration.
3. DOT approve to meet HHS laboratory certification standards of Subpart C of Mandatory Guidelines for Federal Workplace Drug Testing Programs (59 FR 29916, 29925).
4. Demonstrate ability to meet the response time specified.
5. Demonstrate ongoing implementation of HHS and DOT prescribed procedures and controls on accuracy and confidentiality of testing, reporting, record keeping a nd specimen handling.
6. Provide a Substance Abuse Professional (SAP) in accordance with DOT regulations procedures under 49 CFR Subpart O of Part 40.

I. Alcohol Screens/Breathalyzer

A. Conduct breath alcohol testing consistent with 49 CFR Part 40, Subparts J through N.
B. The initial screen test must be conducted using an evidential breath testing devic e (EBT) or a non- evidential alcohol screen device (ASD) using breath. The confirmatory test can only be conducted using an EBT as indicated below:

	INITIAL TEST LEVEL	CONFIRMATORY TEST LEVEL
ALCOHOL CONCENTRATION	0.00 – 0.019	None Required
	0.02 – 0.039	Perform
	0.04 +	Perform

C. EBTs (Evidential Breath Tester's) on the NHTSA (National Highway Traffic Safety Administration)
CPL (Conforming Products List) for evidential devices that meet the requirements o f paragraph (b) of EXHIBIT A of this section are the only devices you may use to conduct alcohol c onfirmation tests under this part. Note that, among devices on the CPL for EBTs, only

those devices listed without an asterisk (*) are authorized for use in confirmation testing in the DOT alcohol testing program.

1. To conduct a confirmation test, you must use an EBT that has the following capabilities:
2. Provides a printed triplicate result (or three consecutive identical copies of a result) of each breath test;
3. Assigns a unique number to each completed test, which the BAT and employee can read before each test and which is printed on each copy of the result;
4. Prints, on each copy of the result, the manufacturer's name for the device, its serial number, and the time of the test;
5. Distinguishes alcohol from acetone at the 0.02 alcohol concentration level;
6. Tests an air blank; and
7. EBTs (Evidential Breath Tester's) shall be calibrated every thirty (30) days and after every positive reading.

D. There must be 24 hour per day availability of drug screening and alcohol testing for random, reasonable suspicion and post-accident testing.

E. Upon request, qualified personnel will provide expert testimony for judicial and administrative proceedings. These personnel shall be able to testify to the following, and whether they were properly applied:

1. Qualifications of laboratory and its personnel;
2. Quality control procedures for each analytical method employed;
3. Overall laboratory policies and quality control procedures;
4. Procedure for transportation and storage of specimens;
5. Chain of custody of evidence;
6. Performance characteristics of each testing method used;
7. Detection limits for each methodology; and
8. Physiological and chemical factors that form the basis for reliability of the test(s) for the substance at issue;

II. Other Requirements

A. Provide substance abuse training to all covered employees and must include:

1. A general education component
2. Training for all safety-sensitive employees
3. Training for all City supervisors and/or other staff/officers authorized by the City to make reasonable suspicion determinations.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[Docket No. NHTSA–2017–0053]

Highway Safety Programs; Conforming Products List of Evidential Breath Alcohol Measurement Devices

AGENCY: National Highway Traffic Safety Administration, Department of Transportation.

ACTION: Notice.

SUMMARY: This notice updates the Conforming Products List (CPL) published in the **Federal Register** on June 14, 2012 (77 FR 35747) for instruments that conform to the Model Specifications for Evidential Breath Alcohol Measurement Devices dated, September 17, 1993 (58 FR 48705). This notice also informs the public that all future updates to the CPL will be posted on NHTSA's Web site.

DATES: Applicable November 2, 2017.

FOR FURTHER INFORMATION CONTACT: *For technical issues:* Dr. Randolph Atkins, Behavioral Research Division, NPD–310, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590; Telephone: (202) 366–5597.

For legal issues: Megan Brown, Office of Chief Counsel, NCC–300, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590; Telephone: (202) 366–1834.

SUPPLEMENTARY INFORMATION: On November 5, 1973, the National Highway Traffic Safety Administration (NHTSA) published the Standards for Devices to Measure Breath Alcohol (38 FR 30459). A Qualified Products List of Evidential Breath Measurement Devices comprised of instruments that met this standard was first issued on November 21, 1974 (39 FR 41399).

On December 14, 1984 (49 FR 48854), NHTSA converted this standard to Model Specifications for Evidential Breath Testing Devices (Model Specifications), and published a Conforming Products List (CPL) of instruments that were found to conform to the Model Specifications as Appendix D to that notice. Those instruments are identified on the CPL with an asterisk.

On September 17, 1993, NHTSA published a notice to amend the Model Specifications (58 FR 48705) and to update the CPL. That notice changed the alcohol concentration levels at which instruments are evaluated, from 0.000, 0.050, 0.101, and 0.151 BAC, to 0.000, 0.020, 0.040, 0.080, and 0.160 BAC, respectively. It also included a test for the presence of acetone and an expanded definition of alcohol to include other low molecular weight alcohols, *e.g.*, methyl or isopropyl. Since that time, the CPL has been annotated to indicate which instruments have been determined to meet the Model Specifications published in 1984, and which have been determined to meet the Model Specifications, as revised and published in 1993. Thereafter, NHTSA has periodically updated the CPL with those breath instruments found to conform to the Model Specifications. The most recent update to the CPL was published June 14, 2012 (77 FR 35747).

NHTSA published the 1974 Qualified Products List, the 1984 CPL and all succeeding updates to the CPL in the **Federal Register**. Future updates of the CPL will be posted on the NHTSA Web site (*https://www.nhtsa.dot.gov/drunk-driving/alcohol-measurement-devices*) rather than to the **Federal Register**. Online publication will make it easier for users to access the most recent CPL and will allow NHTSA to make more timely updates to the CPL. NHTSA will continue to publish any amendments to the Model Specifications in the **Federal Register**.

The CPL published today adds twelve (12) new instruments that have been evaluated and found to conform to the Model Specifications, as amended on September 17, 1993 for mobile and non-mobile use. One instrument is distributed by two different companies, so it has been listed twice. One manufacturer changed their legal name. One manufacturer added a new product option for USB and Ethernet connectivity. One manufacturer added a Bluetooth keyboard accessory to two (2) devices and a calibration accessory for seven (7) of its devices. These devices were found to conform with or without the accessories. Another seven (7) instruments are now being listed under a different distributer/manufacturer and those devices will be cross-referenced for legacy purposes. In alphabetical order by company, the new devices are:

(1) The "AlcoMate TS600" distributed by AK GlobalTech Corporation, Palisades Park, New Jersey. This device will be known as the Alcoscan ALP–1 outside of the U.S. The AlcoMate TS600 is a hand-held device with an electrochemical (EC) fuel cell sensor. This device is powered by internal batteries and is intended for mobile or stationary operations.

(2) The "Intoxilyzer 500" manufactured by CMI, Inc., Owensboro, Kentucky. This instrument is currently listed on the CPL for Alcohol Screening Devices and will be removed when that CPL is updated. Improvements to the device's sampling system allow it to conform as an EBT. It is a hand-held instrument intended for use in mobile or stationary operations. It uses a fuel cell sensor and is powered by an internal battery. The Intoxilyzer 500 is also distributed as the Lion Alcolmeter 500 by Lion Laboratories outside the U.S., so it has been listed twice on the CPL, once under each of its distributors/manufacturers.

(3) The "Intoxilyzer 9000" manufactured by CMI, Inc., Owensboro, Kentucky. This is a bench-top device that is intended for use in mobile or stationary operations. This device uses an infrared (IR) sensor to measure ethanol concentration. The Intoxilyzer 9000 can be powered by either 110 volts alternate current (AC) or 12 volts direct current (DC).

(4) The "Alcotest 3820" manufactured by Draeger, Inc., Irving, Texas. The Alcotest 3820 is a hand-held device that uses an electrochemical (EC) fuel cell sensor to measure ethanol concentration. This instrument is powered by internal batteries and is intended for use in stationary or mobile operations.

(5) The "Alcotest 5510" manufactured by Draeger, Inc., Irving, Texas. The Alcotest 5510 is a hand-held device that uses an electrochemical (EC) fuel cell senor to measure ethanol. This device is powered by internal batteries and is intended for use in mobile or stationary operations.

(6) The "Alcotest 5820" manufactured by Draeger, Inc., Irving, Texas. The Alcotest 5820 is a hand-held device that uses an electrochemical (EC) fuel cell senor to measure ethanol. This device is powered by internal batteries and is intended for use in mobile or stationary operations.

(7) The "Alcotest 6820" manufactured by Draeger, Inc., Irving, Texas. The Alcotest 6820 is a hand-held device that uses an electrochemical (EC) fuel cell senor to measure ethanol. This device is powered by internal batteries and is intended for use in mobile or stationary operations.

(8) The "AlcoQuant 6020 Plus" manufactured by EnviteC, Wismar, Germany and distributed by Honeywell GmbH, Fond du Lac, Wisconsin. The AlcoQuant 6020 Plus is a hand-held device with a fuel cell sensor. This device is powered by internal batteries and is intended for use in mobile and stationary operations.

(9) The Alco-Sensor FST manufactured by Intoximeters, Inc., Saint Louis, Missouri. The Alco-Sensor

FST is a hand-held Evidential Breath Tester that uses an electrochemical (EC) fuel cell sensor to measure ethanol concentration. This instrument is powered by internal batteries and is intended for use in stationary or mobile operations.

(10) The Intox DMT Dual Sensor manufactured by Intoximeters, Inc., Saint Louis, Missouri. The Intox DMT Dual Sensor is a bench-top Evidential Breath Tester that is intended for use in stationary or mobile operations. This device uses both an infrared (IR) sensor and an electrochemical (EC) fuel cell sensor. The Intox DMT Dual Sensor can be powered by either 110 volts AC or 12 volts DC.

(11) The "Intox EC/IR II.t" manufactured by Intoximeters, Inc, Saint Louis, Missouri. This is a bench-top device intended for use in mobile or stationary operations. This device uses both an electrochemical (EC) fuel cell sensor and an infrared (IR) sensor to measure ethanol concentrations. The Intox EC/IR II.t can be powered by either 110 volts AC or 12 volts DC.

(12) The "FC10Plus" manufactured by Lifeloc Technologies, Inc., Wheat Ridge, Colorado. This is a hand-held device that is intended for use in mobile or stationary operations. This device uses a fuel cell sensor and is powered by internal batteries.

This update indicates that two (2) devices (the Phoenix 6.0 and the FC20, manufactured by Lifeloc Technologies, Inc., Wheat Ridge, Colorado) come with Bluetooth keyboard support and five additional fields that users can use to enter additional information. With these features, these devices will be listed on the CPL as the "Phoenix 6.0BT" and the "FC20BT". This update indicates also that seven (7) devices manufactured by Lifeloc come with the EASYCAL calibration accessory. Those devices include the FC10, FC10Plus, FC20, FC20BT, EV30, Phoenix 6.0 and the Phoenix 6.0BT. The CPL specifies that each of these devices conforms to the model specifications "w/or without the EASYCAL accessory."

Intoximeters, Inc., Saint Louis, Missouri acquired the breath alcohol testing business of National Patent Analytical Systems, Inc. (NPAS). Since there have been no changes to the devices other than ownership and a device name change, all six devices previously listed under NPAS (BAC DataMaster (with or without the Delta-1 accessory), BAC Verifier DataMaster (w/or without the Delta-1 accessory), DataMaster cdm (w/or without the Delta-1 accessory), DataMaster DMT w/ Fuel Cell option, DataMaster DMT w/ Rev A Fuel Cell option, and DataMaster DMT) will now be listed under both Intoximeters and NPAS. The NPAS DataMaster DMT will now be known as the Intoximeters Intox DMT. Accordingly, this device will be listed under Intoximeters under both names.

The CPL has been updated to reflect that Draeger Safety Diagnostics, Inc. will begin operating under the name Draeger, Inc. effective July 1, 2017 in order to align all sales and service operations for Draeger in the United States.

In accordance with the foregoing, the CPL is updated, as set forth below.

DEPARTMENT OF THE TREASURY

Community Development Financial Institutions Fund

Funding Opportunity Title: Notice of Guarantee Availability (NOGA) Inviting Qualified Issuer Applications and Guarantee Applications for the Community Development Financial Institutions (CDFI) Bond Guarantee Program

Announcement Type: Announcement of opportunity to submit Qualified Issuer Applications and Guarantee Applications.

Catalog of Federal Domestic Assistance (CFDA) Number: 21.011.

Key Dates: Qualified Issuer Applications and Guarantee Applications may be submitted to the CDFI Fund starting on the date of publication of this NOGA. In order to be considered for the issuance of a Guarantee in FY 2018, Qualified Issuer Applications must be submitted by 11:59 p.m. Eastern Standard Time (EST) on January 9, 2018 and Guarantee Applications must be submitted by 11:59 p.m. EST on January 23, 2018. If applicable, CDFI Certification Applications must be received by the CDFI Fund by 11:59 p.m. EST on November 30, 2017. Under FY 2018 authority, which is contingent upon Congressional authorization, Bond Documents and Bond Loan documents must be executed, and Guarantees will be provided, in the order in which Guarantee Applications are approved or by such other criteria that the CDFI Fund may establish, in its sole discretion, and in any event by September 30, 2018.

Executive Summary: This NOGA is published in connection with the CDFI Bond Guarantee Program, administered by the Community Development Financial Institutions Fund (CDFI Fund), the U.S. Department of the Treasury (Treasury). Through this NOGA, the CDFI Fund announces the availability of $500 million of Guarantee Authority in FY 2018, contingent upon Congressional authorization. This NOGA explains application submission and evaluation requirements and processes, and provides agency contacts and information on CDFI Bond Guarantee Program outreach. Parties interested in being approved for a Guarantee under the CDFI Bond Guarantee Program must submit Qualified Issuer Applications and Guarantee Applications for consideration in accordance with this NOGA.

Capitalized terms used in this NOGA and not defined elsewhere are defined in the CDFI Bond Guarantee Program regulations (12 CFR 1808.102) and the CDFI Program regulations (12 CFR 1805.104).

I. Guarantee Opportunity Description

A. *Authority.* The CDFI Bond Guarantee Program was authorized by the Small Business Jobs Act of 2010 (Pub. L. 111–240; 12 U.S.C. 4713a) (the Act). Section 1134 of the Act amended the Riegle Community Development and Regulatory Improvement Act of 1994 (12 U.S.C. 4701, *et seq.*) to provide authority to the Secretary of the Treasury (Secretary) to establish and administer the CDFI Bond Guarantee Program.

B. *Bond Issue size; Amount of Guarantee authority.* In FY 2018, the Secretary may guarantee Bond Issues having a minimum Guarantee of $100 million each, up to an aggregate total of $500 million, contingent upon Congressional authorization.

C. *Program summary.* The purpose of the CDFI Bond Guarantee Program is to support CDFI lending by providing Guarantees for Bonds issued for Eligible Community or Economic Development Purposes, as authorized by section 1134 and 1703 of the Act. The Secretary, as the Guarantor of the Bonds, will provide a 100 percent Guarantee for the repayment of the Verifiable Losses of Principal, Interest, and Call Premium of Bonds issued by Qualified Issuers. Qualified Issuers, approved by the CDFI Fund, will issue Bonds that will be purchased by the Federal Financing Bank. The Qualified Issuer will use 100 percent of Bond Proceeds to provide Bond Loans to Eligible CDFIs, which will use Bond Loan proceeds for Eligible Community and Economic Development Purposes, including providing Secondary Loans to Secondary Borrowers.

D. *Review of Guarantee Applications, in general.*

1. Qualified Issuer Applications submitted with Guarantee Applications will have priority for review over Qualified Issuer Applications submitted without Guarantee Applications. With the exception of the aforementioned prioritized review, all Qualified Issuer Applications and Guarantees

EXHIBIT "B"

The term of this contract agreement consist of a two (2) year base period (Primary Term) that shall commence upon approval by the City Commission on October 1, 2020, and end on September 30, 2022. CITY OF BROWNSVILLE CONTRACT AGREEMENT FOR Term Contract for Pre-Employment Physical Exam Services for The City of Brownsville
PEP-49-0820

This Agreement is entered into as of Tuesday, September 1, 2020 between The City of Brownsville, Texas, collectively hereinafter referred to as ("CITY") and The Port Occupational and Medical Clinic hereinafter referred to as ("CONTRACTOR").

1. **Documents**
   a. The following documents (collectively, "Contract Documents") are hereby incorporated into and made part of this Agreement.

      i. Scope of Services, Conditions and Additional Services (Exhibit A)
      ii. Term of Agreement (Exhibit B)
      iii. Compensation, Fees and Commissions (Exhibit C)
      iv. Insurance (Exhibit D)

2. **Scope of Services**
   a. Contractor shall perform the Services under this agreement upon written request orders by CITY. Unless otherwise specified in a project request, Contractor and CITY agree that the scope of work is deemed to include preliminary considerations and prerequisites, and all tasks which are an integral and inseparable part of the work described in the Contract Documents or by separate written request.
   b. Contractor will perform such Services in a diligent and workmanlike manner consistent with industry standards.
   c. By signing this Agreement, Contractor represents that it has thoroughly reviewed the Contract Documents incorporated into this Agreement, including but not limited to "Exhibit A" Scope of services and that it accepts the description of the Work and the conditions under which the Work is to be performed and completed.

3. **Independent Contractor; Personnel**
   a. Contractor enters into this Agreement as, and shall continue to be, an independent contractor. All Services shall be performed only by Contractor and Contractor's employees. Under no circumstances shall Contractor, or any of Contractor's employees, look to CITY as his/her employer, or as a partner, agent or principal. Neither Contractor, nor any of Contractor's employees, shall be entitled to any benefits accorded to CITY's employees, including without limitation worker's compensation, disability insurance, vacation or sick pay. Contractor shall be responsible for providing, at Contractor's expense, and in Contractor's name, unemployment, disability, worker's compensation and other insurance, as well as any and all licenses and permits usual or necessary for conducting the Services. Contractor shall be responsible for paying all applicable local, state and federal taxes.
   b. Contractor represents and warrants to CITY that its employees performing Work hereunder will have sufficient expertise, training, licensure (if applicable) and experience to accomplish the Services.

4. **Term of Agreement.**
   a. The initial contract period shall commence on the date of approval of this agreement by the Brownsville City Commission and shall end or be extended upon the terms specified in Contract Documents "Exhibit B". The term or any continuation of this Agreement shall be subject to both the appropriation and the availability of funds by CITY.

5. **Compensation**
   a. Contractor agrees that compensation for services shall be as specified in the Contract Documents "Exhibit C". It is acknowledged and agreed by Contractor that compensation as enumerated in Exhibit C constitutes a limitation upon CITY's obligation to compensate Contractor for Contractor's services pursuant and related to this Agreement but it does not constitute a limitation of any sort

upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services.

b. Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided. Notwithstanding any provision of this Agreement to the contrary, CITY may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the CITY's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by CITY.

6. Insurance

a. The Contractor shall furnish proof of insurance requirements as specified in Contract Documents "Exhibit D". The coverage is to remain in force at all times during the contract period and the minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Brownsville, Texas, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

b. The CITY shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

c. The Contractor's insurance must be provided by an A.M. Best's "A-"rated or better insurance company authorized to issue insurance policies in the State of Texas, subject to approval by the City of Brownsville Department of Safety and Risk Management. Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for work contemplated in this solicitation shall be deemed unacceptable, and shall be considered breach of contract.

7. Termination

a. *Termination for Cause*. The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. CITY may also terminate this Agreement upon such notice as the City of Brownsville's City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the CITY erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to CITY's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

b. *Termination for Convenience*. CITY reserves the right, in its best interest as determined by the City of Brownsville's City Manager, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to CITY's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good,

valuable and sufficient consideration from CITY, the receipt and adequacy of which are hereby acknowledged by Contractor, for CITY's right to terminate this Agreement for convenience.

c. *Cancellation for Non-appropriated Funds.* CITY reserves the right, in its best interest as determined by the City of Brownsville's City Manager, to cancel this contract for non-appropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of CITY for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

d. *Force Majeure.* CITY and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

   i. The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;
   ii. The excuse of performance is of no greater scope and of no longer duration than is reasonably necessary when considered in light of the Force Majeure;
   iii. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and
   iv. The non-performing party uses its best efforts to remedy its inability to perform.
   v. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of sixty (60) days, provided that in extenuating circumstances, CITY may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

8. Materiality and Waiver of Breach.

a. CITY and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof. CITY's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement

9. Miscellaneous Provisions.

a. *Successors and Assigns.* All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

b. *Choice of Law.* The laws of the state of Texas shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

c. *No Waiver of Governmental Immunity.* NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED TO WAIVE CITY'S GOVERNMENTAL IMMUNITY FROM LAWSUIT, WHICH IMMUNITY IS EXPRESSLY RETAINED TO THE EXTENT IT IS NOT CLEARLY AND UNAMBIGUOUSLY WAIVED BY STATE LAW.

d. *Assignment*. Contractor shall not assign any of Contractor's rights under this Agreement, or delegate the performance of any of Contractor's duties hereunder, without the prior consent of CITY.

e. *Modification or Amendment*. No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties hereto.

f. *Venue.* This Agreement and any and all matters arising directly or indirectly herefrom shall be governed by and construed and enforced in accordance with the Laws of the State of Texas, in the Federal and State Courts of Cameron County, Texas having jurisdiction. (b) If at any time there is a dispute between or among the Parties with respect to any matter arising directly or indirectly from this Agreement (an "Agreement Matter"), the Parties agree that, prior to seeking judicial remedy, they will engage in face-to-face negotiations in an attempt to resolve such dispute and shall, upon failing to negotiate a mutually-satisfactory resolution, choose a mutually agreeable neutral third party to mediate such dispute. Mediation shall be non-binding and shall be confidential.

g. *Notices.* Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

If to Contractor:	The Port Occupational and Medical Clinic 20035 State Highway 48 Brownsville Tx, 78521
If to CITY:	City of Brownsville 1001 E. Elizabeth St. Brownsville, Texas, 78521

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

h. *Entire Understanding.* This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

i. *Unenforceability of Provisions.* If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above.

COOPERATIVE PURCHASE AGREEMENT

This Cooperative Purchase Agreement ("Agreement") is entered into by and between Doggett Heavy Machinery Services, LLC. ("Vendor") and the City of Brownsville, ("City"), a Texas home rule municipality.

The Cooperative Purchase Agreement includes the following documents which shall be construed in the order of precedence in which they are listed:

1. This Cooperative Purchase Agreement.
2. Exhibit A – [Proposal, Quote, or Contract];
3. Exhibit B – [Cooperative agency agreement]
4. Conflict of Interest Questionnaire.

Exhibits A, B, C, and D which are attached hereto and incorporated herein, are made a part of this Agreement for all purposes. Vendor agrees to provide City with the services and goods included in Exhibit A pursuant to the terms and conditions of this Cooperative Purchase Agreement, including all exhibits thereto.

City shall pay Vendor in accordance with the fee schedule in Exhibit A and in accordance with the provisions of this Agreement. Total payment made under this Agreement for the Direct purchase by City shall be in the amount of **$471,080.00.** Vendor shall not provide any additional items or services or bill for expenses incurred for City not specified by this Agreement unless City requests and approves in writing the additional costs for such services. City shall not be liable for any additional expenses of Vendor not specified by this Agreement unless City first approves such expenses in writing.

Vendor agrees that City shall, until the expiration of final payment under this Agreement, or the final conclusion of any audit commenced during the said three years, have access to and the right to examine at reasonable times any directly pertinent books, documents, papers and records, including, but not limited to, all electronic records, of Vendor involving transactions relating to this Agreement at no additional cost to City. Vendor agrees that City shall have access during normal working hours to all necessary Vendor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. City shall give Vendor reasonable advance notice of intended audits.

VENDOR ACKNOWLEDGES THAT CITY IS A GOVERNMENT ENTITY AND AS SUCH CANNOT INDEMNIFY OR HOLD HARMLESS A PARTY WITHOUT FIRST CREATING A SINKING FUND OR LEVYING A TAX. VENDOR FURTHER ACKNOWLEDGES THAT THE CITY HAS NO INTENTION OF CREATING SUCH A SINKING FUND OR LEVYING A TAX. THE PARTIES AGREE THAT ANY PROVISION CONTAINED WITHIN THE CONTRACT DOCUMENTS REQUIRING THE CITY TO INDEMNIFY OR HOLD HARMLESS THE VENDOR IS HEREBY STRICKEN.

Notices required pursuant to the provisions of this Agreement shall be conclusively determined to have been delivered when (1) hand-delivered to the other party, its agents, employees, servants or representatives, (2)

delivered by facsimile with electronic confirmation of the transmission, or (3) received by the other party by United States Mail, registered, return receipt requested, addressed as follows:

PURCHASE AGREEMENT:

ADDITIONAL TERMS AND CONDITIONS

READ CAFEULLY AS THESE TERMS CONTAINS INDEMNIFICATION REQUIREMENTS AND LIMITATIONS OF LIABILITY

1. As used in this Order the terms (a) "Dealer" shall mean the authorized Dealer to whom this Order is addressed and who shall become a party hereto by its acceptance hereof, (b) "Purchaser" shall mean the party executing this Order as such on the face hereof, and (c) Manufacturer shall mean the Corporation that manufactured the vehicle or chassis, it being understood by Purchaser and Dealer that Dealer is in no respect the agent of Manufacturer, that Dealer and Purchaser are the sole parties to this Order and that reference to Manufacturer herein is for the purpose of explaining generally that Deale does not manufacture motor vehicles and that certain contractual relationships exist between Dealer and Manufacturer with respect to new motor vehicles.

2. These Terms and Conditions shall govern the sale of motor vehicles ("Purchased Unit(s)") by Dealer to Purchaser. Dealer's performance and prices are expressly conditioned on these terms and conditions. This document shall be the final, complete, and exclusive agreement between the parties and may not be modified, amended, supplemented, explained, or waived by parol evidence, Purchaser's purchase order, a course of dealings, custom or trade usage, prior representations, Dealer's performance or delivery, Dealer's catalogs, circulars or other promotional material, or in any other way except in writing signed by Dealer's Authorized Representative. Dealer's Authorized Representative shall mean Dealer's Vice-President, General Counsel, Chief Financial Officer, or President.

3. Purchaser agrees to complete one of the following, and agrees that despite delivery of the Purchased Unit(s) to Purchaser, title to the Purchased Unit(s) shall remain with Dealer until Purchaser completes one of the following: (1) pay the balance due, as shown on this Order, in cash or (2) execute a Time Sales Agreement (Retail Installment Contract), or (3) execute a Loan Agreement for the purchase price of the Purchased Unit(s) plus additional charges shown herein, or (4) execute a lease agreement, on or before delivery of the Purchased Unit(s). Purchaser and Dealer agree that this Order is not a security agreement and that delivery of the Purchased Unit(s) to the Purchaser pursuant to this Order will not constitute possession of the Purchased Unit(s) by the Purchaser, as a debtor, for the purposes of the purchase money security provisions in any statutes relating to personal property security or its equivalent. Purchaser understands that its rights in connection with this purchaser are limited as set forth in this Order.

4. Manufacturer has reserved the right to change the price to Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicles of the series and body type ordered hereunder is changed by Manufacturer prior to delivery of the Purchased Unit(s) ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price (or any other pricing) of such motor vehicle to Purchaser accordingly. If such cash delivered price (or any other pricing) is increased by Dealer by five percent (5%) or more, Purchaser's sole remedy is to cancel this Order, in which event if a used motor vehicle has been traded in as a part of the consideration for such new Purchased Unit(s), such used motor vehicle shall be returned to Purchaser upon payment by Purchaser to Dealer of all storage and repair cost incurred or, if such used motor vehicle has been previously sold by Dealer, the amount received for such sale by Dealer, less a selling commission of 15% and any cost or expense incurred in storing, repairing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser. **Purchaser waives all other claims for any damages resulting from a manufacture's change in pricing and/or a related cancellation.**

5. If a used motor vehicle(s) which has been traded in as a part of the consideration for the motor vehicle ordered hereunder (such traded vehicle being a ("Trade In(s)"), is not to be delivered to Dealer until delivery to Purchaser of such Purchased Unit(s), the Trade In(s) shall be reappraised at that time and such reappraised value shall determine the allowance to be made for such Trade In(s). If such reappraised value is lower than the original allowance shown on the front of this Order, Purchaser may, if dissatisfied therewith, cancel only the trade; however, Purchaser shall nevertheless remain fully liable for the purchase of the Purchased Unit(s). Additionally, Dealer shall not be obligated to accept any Trade In(s) from Purchaser which are not reflected on this Order. In the event that Purchaser offers Trade Ins not reflected on this Order, Dealer shall have no obligation whatsoever to accept any such Trade Ins and Purchaser shall remain fully responsible for all obligations of Purchaser as set forth in this Order .

6. Purchaser agrees to deliver evidence satisfactory to Dealer of title to any Trade In(s) as a part of the consideration for the Purchased Unit(s) ordered hereunder in advance but in no case later than at the time of delivery of such Trade In(s) to Dealer. Purchaser warrants any such Trade In(s) to be owned wholly by Purchaser free and clear of all liens and encumbrances except as otherwise noted herein, and deemed acceptable by Dealer. Purchaser further warrants that for any Trade In, the Exhaust Emission System or any of its components have not been deleted, removed, or altered in any way from its factory-built state and that each Trade In will meet the emission standard in place as of the manufacture date. Purchaser understands that Dealer is relying on Purchaser's statement as a material representation, and thus **Purchaser hereby agrees to indemnify, defend and hold harmless Dealer from all damages, expenses, fees and costs (including attorney's fees) that Dealer incurs in the event that this representation is inaccurate or untrue.**

7. Unless this Order has been cancelled by Purchaser in accordance with the terms of this Agreement, Dealer shall have the right upon failure or refusal of Purchaser to accept delivery of the Purchased Unit(s) ordered in accordance with the terms herein, to seek all remedies provided to Dealer by law (including specific performance), in addition to Dealer's attorneys' fees and costs and expert fees. In addition, Dealer may assess Purchaser a restocking fee of twenty percent (20%) of the Purchased Unit(s) sales price which shall be due immediately. Additionally, in the event a Trade In(s) has been delivered to Dealer, such Trade In(s) may be sold by Dealer, and the proceeds of any such sale may then be used to reimburse Dealer for any payments due to Dealer (or any damages incurred by Dealer, if applicable).

8. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have the option, but no obligation to Purchaser, to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.

9. Dealer shall not be liable for failure to deliver or for any delay in delivering the Purchased Unit(s) covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the reasonable control of Dealer and which is not due solely to the willful misconduct of Dealer, including but not limited to situations where the manufacturer fails to timely deliver the Purchased Unit(s) due to supply chain constraints or otherwise, which situations Purchaser expressly acknowledges are beyond Dealer's reasonable control. Any such delays not caused solely by Dealer's willful misconduct shall affect a corresponding extension of Dealer's performance dates which are, in any event, understood to be approximate. If acts or omissions of Purchaser delay Dealer's performance, Purchaser shall reimburse Dealer for any increased costs or expenses resulting therefrom and extend the time of performance.

PURCHASER AGREES THAT IN NO EVENT SHALL DEALER BE LIABLE FOR ANY DAMAGES RELATED TO: LOSS OF USE OF THE PURCHASED VEHCLE(S), LOSS OF TIME, REPLACEMENT OR RENTAL VEHICLES, LODGING, OR ANY OTHER INCIDENTAL, RESEROVOIR, SPECIAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES FOR LATE PERFORMANCE OR FAILURE TO PERFORM WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, AND REGARDLESS OF WHETHER DEALER HAS BEENADVISED OF SUCH DAMAGES. ADDITIONALLY, notwithstanding any other provision to the contrary, IN NO EVENT SHALL DEALER'S LIABILITY TO PURCHASER EXCEED THE PURCHASE PRICE OF THE PURCHASED VEHICLE(S) REGARDLESS OF LEGAL THEORY UPON WHICH DEALER'S ALLEGED LIABILITY IS BASED (WHETHER SOUNDING IN TORT, CONTRACT, OR OTHERWISE).

10. Purchaser acknowledges and agrees that Dealer did not manufacture and therefore makes no implied or express warranty with regard to the Purchased Unit(s) and any service work or make-ready work shall not create any warranty of any nature whatsoever with respect to the Purchased Unit(s). Additionally, Purchaser agrees to use the Purchased Unit(s) and/or chassis at Purchaser's own risk and hereby releases Dealer, its principals, officers, directors, shareholders, members, agents, employees, successors and assigns, from any and all claims for any damages or injuries of any nature whatsoever to the full extent permitted by law.

11. The price for the Purchased Unit(s) specified on the face of this agreement does not include federal excise taxes, sales taxes, use taxes, or occupational taxes based on sales volume (Federal, State, or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such excise, sales, use, or occupational taxes imposed on or applicable to the transaction covered by the this Order, regardless of which party may have primary tax liability thereof. Dealer will accept a valid sales or use tax exemption certificate from Purchaser; however, if a previously accepted sales or use tax exemption certificate is ultimately disallowed by the applicable taxing agency for any reason, Purchaser agrees to immediately reimburse Dealer for any resulting taxes, penalties, and interest incurred by Dealer. Purchaser shall obtain and pay all permits, licenses and official inspections required other than those required to be obtained in the name of Dealer .

12. Purchaser grants Dealer a purchase money security interest in the Purchased Unit(s) as security for Purchaser's obligation to pay the purchase price, and Purchaser agrees to execute a financing statement or other instrument required to perfect such security interest. In the event that Purchaser fails or refuses to execute a required document, **Purchaser hereby appoints Dealer as its attorney-in-fact, coupled with an interest to execute the name on Purchaser's behalf and in Purchaser's stead.**

13. In the event Purchaser seeks to obtain financing to acquire a vehicle named on this Order, Purchaser represents that all statements made in the Purchaser's credit application , finance contracts and all information provided to Dealer and/or to the finance company are true and correct. Any misrepresentation by Purchaser in any of the aforementioned documents entitles Dealer to cancel this Agreement and Dealer shall be entitled to any damages incurred as a result. Should Purchaser or any finance company fail to tender the full contract price to Dealer, Dealer may cancel this Agreement. In the event of a misrepresentation by Purchaser or the full purchase price has not been tendered to Dealer in a prompt manner, Purchaser agrees to immediately return the vehicle and to reimburse Dealer for all costs and expenses incurred by Dealer as a result, including any mileage and /or restocking charge. Purchaser agrees to fully indemnify Dealer for any damages incurred by Dealer as a result of any misrepresentations or omissions made by Purchaser.

14. There are no warranties, expressed or implied, made by the Dealer herein, or the Manufacturer, on the vehicle or chassis described on the face hereof except in the case of a new vehicle or chassis and as provided exclusively by the Manufacturer. The printed new vehicle warranty issued by Manufacturer (and not Dealer) delivered to Purchaser with such vehicle or chassis is the only warranty applicable to such new vehicle or chassis and is expressly in lieu of all other warranties, expressed or implied including any implied warranty of merchantability or fitness for a particular purpose. In the case of a used vehicle or chassis, the applicability of an existing manufacturer's warranty thereon, if any, shall be determined solely by the terms of such warranty and not by Dealer.

15. With respect to any new motor vehicle(s) sold under this order, Purchaser acknowledges that Dealer is relying on Purchaser's representation that Purchaser is the intended owner/end-user of the motor vehicle(s). Accordingly, Purchaser agrees that as a condition of the sale, Purchaser will retain ownership of the motor vehicle(s) and hold title in Purchaser's name for a minimum of twelve (12) months from the date of sale. Purchaser further agrees and acknowledges that if Purchaser breaches this provision and Dealer incurs expenses, penalties, and/or chargebacks from the manufacturer as a result, Purchaser will be liable to Dealer for the amount of such expenses, penalties, and/or chargebacks.

16. Any used motor vehicle sold to Purchaser by Dealer must be inspected and investigated by Purchaser as all such sales are deemed "AS IS" and "WITH ALL FAULTS" at the time of delivery by Dealer without any guarantee or warranty of any nature, expressed or implied (including no warranty that the odometer reading on the Purchased Unit(s) represents the actual mileage traveled) or any implied warranty of merchantability or fitness for a particular purpose, as to its condition or the condition of any part thereof except as may be otherwise specifically provided in writing on the face of this order or in a separate writing furnished to Purchaser by Dealer. Purchaser agrees that Dealer has made no representation and that Purchaser has not relied on any representations made by Dealer, but rather is relying on its own investigation and inspection of the Purchased Unit(s).

17. The Purchaser, before or at the time of delivery of the motor vehicle covered by this Order will execute such other forms of agreement or documents as may be required by the terms and conditions of payment indicated on the front of this Order.

18. Waiver; Severability. No waiver of any term of this Order shall be valid unless it is in writing and signed by Dealer's authorized representative, notwithstanding any delays. If any provision or part of any provision of this Order shall be deemed to violate any applicable law or regulation, such invalid provision or part of a provision shall be inapplicable. BUT the Parties agree that the remaining part of that provision and the remainder of the Order shall continue to be binding and enforceable.

19. No Broker; Manufacturer Incentives. If at any time Dealer determines that Purchaser intends to engage in the resale of vehicles for profit, where such resale is not in conjunction with further manufacturing, Dealer reserves the right to cancel this Order. Certain manufacturer's incentives are intended to be used for retail customers at the location as identified by the Purchaser in this Order. Purchaser represents that it will register the Purchased Units(s) with its state motor vehicle department and is not purchasing the Purchased Units with the intent to resale same, except where such resale is in conjunction with further manufacturing. If at any time Dealer determines that the foregoing representations are not true, Dealer has the right to seek repayment of any manufacturer incentives that are paid.

20. This contract shall be governed by the laws of the State of Texas. Both Parties agree to present the other Party with notice of any claim relating to this Order at least five (5) business days before filing a petition or complaint relating thereto (in addition to any other applicable notice periods required by statute), during which time the Parties agree to negotiate in good faith to resolve their disputes. If the negotiations fail, the Parties hereby waive the right to trial by jury and agree to a trial by judge. The Parties agree that the mandatory venue for dispute resolution is the state courts of Harris County, Texas, unless otherwise required by law. Purchaser agrees it will bring any cause of action within one (1) year of the date of that causes' accrual, and that any causes of action or claims outside of that period are waived. The prevailing party in any disputes shall be entitled to recover reasonable attorney fees and expenses.

PURCHASER ACKNOWLEDGES THAT THE ADDITIONAL TERMS AND CONDITIONS HAVE BEEN READ AND AGREED TO.

COOPERATIVE PURCHASE AGREEMENT

This Cooperative Purchase Agreement ("Agreement") is entered into by and between Doggett Freightliner of South Texas, LLC. (Vendor") and the City of Brownsville, ("City"), a Texas home rule municipality.

The Cooperative Purchase Agreement includes the following documents which shall be construed in the order of precedence in which they are listed:

1. This Cooperative Purchase Agreement.
2. Exhibit A – Quote/Proposal.
3. Exhibit B – Cooperative Agency Contract Solicitation Number BuyBoard 601-19
4. Exhibit C – Original RFP -601-19, and Award of Contract.
5. Exhibit D – Renewal; and
6. Conflict of Interest Questionnaire.

Exhibits A, B, C, and D which are attached hereto and incorporated herein, are made a part of this Agreement for all purposes. Vendor agrees to provide City with the services and goods included in Exhibit A pursuant to the terms and conditions of this Cooperative Purchase Agreement, including all exhibits thereto.

City shall pay Vendor in accordance with the fee schedule in Exhibit A and in accordance with the provisions of this Agreement. Total payment made under this Agreement by the City shall Not exceed Three Hundred Thirty-Two Thousand Six Hundred and Sixty-Eight Dollars and Zero Cents ($332,668.00). Vendor shall not provide any additional items or services or bill for expenses incurred for City not specified by this Agreement unless City requests and approves in writing the additional costs for such services. City shall not be liable for any additional expenses of Vendor not specified by this Agreement unless City first approves such expenses in writing.

This Agreement shall be for the purchase and delivery of Three (3) Dump Tuck with Tarp and Pintle Hitch. Notwithstanding the foregoing, the parties understand and acknowledge that the BuyBoard cooperative contract the City is relying on for cooperative purchase expires on November 30, 2023 at which time the City's Agreement with Vendor shall also expire.

Vendor agrees that City shall, until the expiration of five (5) years after final payment under this Agreement, or the final conclusion of any audit commenced during the said three years, have access to and the right to examine at reasonable times any directly pertinent books, documents, papers and records, including, but not limited to, all electronic records, of Vendor involving transactions relating to this Agreement at no additional cost to City. Vendor agrees that City shall have access during normal working hours to all necessary Vendor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. City shall give Vendor reasonable advance notice of intended audits.

VENDOR ACKNOWLEDGES THAT CITY IS A GOVERNMENT ENTITY AND AS SUCH CANNOT INDEMNIFY OR HOLD HARMLESS A PARTY WITHOUT FIRST CREATING A SINKING FUND OR LEVYING A TAX. VENDOR FURTHER ACKNOWLEDGES THAT THE CITY HAS NO

INTENTION OF CREATING SUCH A SINKING FUND OR LEVYING A TAX. THE PARTIES AGREE THAT ANY PROVISION CONTAINED WITHIN THE CONTRACT DOCUMENTS REQUIRING THE CITY TO INDEMNIFY OR HOLD HARMLESS THE VENDOR IS HEREBY STRICKEN.

Notices required pursuant to the provisions of this Agreement shall be conclusively determined to have been delivered when (1) hand-delivered to the other party, its agents, employees, servants or representatives, (2) delivered by facsimile with electronic confirmation of the transmission, or (3) received by the other party by United States Mail, registered, return receipt requested, addressed as follows:

4. Manufacturer has reserved the right to change the price to Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicles of the series and body type ordered hereunder is changed by Manufacturer prior to delivery of the Purchased Unit(s) ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price (or any other pricing) of such motor vehicle to Purchaser accordingly. If such cash delivered price (or any other pricing) is increased by Dealer by five percent (5%) or more, Purchaser's sole remedy is to cancel this Order, in which event if a used motor vehicle has been traded in as a part of the consideration for such new Purchased Unit(s), such used motor vehicle shall be returned to Purchaser upon payment by Purchaser to Dealer of all storage and repair cost incurred or, if such used motor vehicle has been previously sold by Dealer, the amount received for such sale by Dealer, less a selling commission of 15% and any cost or expense incurred in storing, repairing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser. **Purchaser waives all other claims for any damages resulting from a manufacture's change in pricing and/or a related cancellation.**

5. If a used motor vehicle(s) which has been traded in as a part of the consideration for the motor vehicle ordered hereunder (such traded vehicle being a ("Trade In(s)"), is not to be delivered to Dealer until delivery to Purchaser of such Purchased Unit(s), the Trade In(s) shall be reappraised at that time and such reappraised value shall determine the allowance to be made for such Trade In(s). If such reappraised value is lower than the original allowance shown on the front of this Order, Purchaser may, if dissatisfied therewith, cancel only the trade; however, Purchaser shall nevertheless remain fully liable for the purchase of the Purchased Unit(s). Additionally, Dealer shall not be obligated to accept any Trade In(s) from Purchaser which are not reflected on this Order. In the event that Purchaser offers Trade Ins not reflected on this Order, Dealer shall have no obligation whatsoever to accept any such Trade Ins and Purchaser shall remain fully responsible for all obligations of Purchaser as set forth in this Order .

6. Purchaser agrees to deliver evidence satisfactory to Dealer of title to any Trade In(s) as a part of the consideration for the Purchased Unit(s) ordered hereunder in advance but in no case later than at the time of delivery of such Trade In(s) to Dealer. Purchaser warrants any such Trade In(s) to be owned wholly by Purchaser free and clear of all liens and encumbrances except as otherwise noted herein, and deemed acceptable by Dealer. Purchaser further warrants that for any Trade In, the Exhaust Emission System or any of its components have not been deleted, removed, or altered in any way from its factory-built state and that each Trade In will meet the emission standard in place as of the manufacture date. Purchaser understands that Dealer is relying on Purchaser's statement as a material representation, and thus **Purchaser hereby agrees to indemnify, defend and hold harmless Dealer from all damages, expenses, fees and costs (including attorney's fees) that Dealer incurs in the event that this representation is inaccurate or untrue.**

7. Unless this Order has been cancelled by Purchaser in accordance with the terms of this Agreement, Dealer shall have the right upon failure or refusal of Purchaser to accept delivery of the Purchased Unit(s) ordered in accordance with the terms herein, to seek all remedies provided to Dealer by law (including specific performance), in addition to Dealer's attorneys' fees and costs and expert fees. In addition, Dealer may assess Purchaser a restocking fee of twenty percent (20%) of the Purchased Unit(s) sales price which shall be due immediately. Additionally, in the event a Trade In(s) has been delivered to Dealer, such Trade In(s) may be sold by Dealer, and the proceeds of any such sale may then be used to reimburse Dealer for any payments due to Dealer (or any damages incurred by Dealer, if applicable).

8. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have the option, but no obligation to Purchaser, to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.

9. Dealer shall not be liable for failure to deliver or for any delay in delivering the Purchased Unit(s) covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the reasonable control of Dealer and which is not due solely to the willful misconduct of Dealer, including but not limited to situations where the manufacturer fails to timely deliver the Purchased Unit(s) due to supply chain constraints or otherwise, which situations Purchaser expressly acknowledges are beyond Dealer's reasonable control. Any such delays not caused solely by Dealer's willful misconduct shall affect a corresponding extension of Dealer's performance dates which are, in any event, understood to be approximate. If acts or omissions of Purchaser delay Dealer's performance, Purchaser shall reimburse Dealer for any increased costs or expenses resulting therefrom and extend the time of performance.

PURCHASER AGREES THAT IN NO EVENT SHALL DEALER BE LIABLE FOR ANY DAMAGES RELATED TO: LOSS OF USE OF THE PURCHASED VEHCLE(S), LOSS OF TIME, REPLACEMENT OR RENTAL VEHICLES, LODGING, OR ANY OTHER INCIDENTAL, RESEROVOIR, SPECIAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES FOR LATE PERFORMANCE OR FAILURE TO PERFORM WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, AND REGARDLESS OF WHETHER DEALER HAS BEENADVISED OF SUCH DAMAGES. ADDITIONALLY, notwithstanding any other provision to the contrary, IN NO EVENT SHALL DEALER'S LIABILITY TO PURCHASER EXCEED THE PURCHASE PRICE OF THE PURCHASED VEHICLE(S) REGARDLESS OF LEGAL THEORY UPON WHICH DEALER'S ALLEGED LIABILITY IS BASED (WHETHER SOUNDING IN TORT, CONTRACT, OR OTHERWISE).

10. Purchaser acknowledges and agrees that Dealer did not manufacture and therefore makes no implied or express warranty with regard to the Purchased Unit(s) and any service work or make-ready work shall not create any warranty of any nature whatsoever with respect to the Purchased Unit(s). Additionally, Purchaser agrees to use the Purchased Unit(s) and/or chassis at Purchaser's own risk and hereby releases Dealer, its principals, officers, directors, shareholders, members, agents, employees, successors and assigns, from any and all claims for any damages or injuries of any nature whatsoever to the full extent permitted by law.

11. The price for the Purchased Unit(s) specified on the face of this agreement does not include federal excise taxes, sales taxes, use taxes, or occupational taxes based on sales volume (Federal, State, or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such excise, sales, use, or occupational taxes imposed on or applicable to the transaction covered by the this Order, regardless of which party may have primary tax liability thereof. Dealer will accept a valid sales or use tax exemption certificate from Purchaser; however, if a previously accepted sales or use tax exemption certificate is ultimately disallowed by the applicable taxing agency for any reason, Purchaser agrees to immediately reimburse Dealer for any resulting taxes, penalties, and interest incurred by Dealer. Purchaser shall obtain and pay all permits, licenses and official inspections required other than those required to be obtained in the name of Dealer .

12. Purchaser grants Dealer a purchase money security interest in the Purchased Unit(s) as security for Purchaser's obligation to pay the purchase price, and Purchaser agrees to execute a financing statement or other instrument required to perfect such security interest. In the event that Purchaser fails or refuses to execute a required document, **Purchaser hereby appoints Dealer as its attorney-in-fact, coupled with an interest to execute the name on Purchaser's behalf and in Purchaser's stead.**

13. In the event Purchaser seeks to obtain financing to acquire a vehicle named on this Order, Purchaser represents that all statements made in the Purchaser's credit application, finance contracts and all information provided to Dealer and/or to the finance company are true and correct. Any misrepresentation by Purchaser in any of the aforementioned documents entitles Dealer to cancel this Agreement and Dealer shall be entitled to any damages incurred as a result. Should Purchaser or any finance company fail to tender the full contract price to Dealer, Dealer may cancel this Agreement. In the event of a misrepresentation by Purchaser or the full purchase price has not been tendered to Dealer in a prompt manner, Purchaser agrees to immediately return the vehicle and to reimburse Dealer for all costs and expenses incurred by Dealer as a result, including any mileage and /or restocking charge. Purchaser agrees to fully indemnify Dealer for any damages incurred by Dealer as a result of any misrepresentations or omissions made by Purchaser.

14. There are no warranties, expressed or implied, made by the Dealer herein, or the Manufacturer, on the vehicle or chassis described on the face hereof except in the case of a new vehicle or chassis and as provided exclusively by the Manufacturer. The printed new vehicle warranty issued by Manufacturer (and not Dealer) delivered to Purchaser with such vehicle or chassis is the only warranty applicable to such new vehicle or chassis and is expressly in lieu of all other warranties, expressed or implied including any implied warranty of merchantability or fitness for a particular purpose. In the case of a used vehicle or chassis, the applicability of an existing manufacturer's warranty thereon, if any, shall be determined solely by the terms of such warranty and not by Dealer.

15. With respect to any new motor vehicle(s) sold under this order, Purchaser acknowledges that Dealer is relying on Purchaser's representation that Purchaser is the intended owner/end-user of the motor vehicle(s). Accordingly, Purchaser agrees that as a condition of the sale, Purchaser will retain ownership of the motor vehicle(s) and hold title in Purchaser's name for a minimum of twelve (12) months from the date of sale. Purchaser further agrees and acknowledges that if Purchaser breaches this provision and Dealer incurs expenses, penalties, and/or chargebacks from the manufacturer as a result, Purchaser will be liable to Dealer for the amount of such expenses, penalties, and/or chargebacks.

16. Any used motor vehicle sold to Purchaser by Dealer must be inspected and investigated by Purchaser as all such sales are deemed "AS IS" and "WITH ALL FAULTS" at the time of delivery by Dealer without any guarantee or warranty of any nature, expressed or implied (including no warranty that the odometer reading on the Purchased Unit(s) represents the actual mileage traveled) or any implied warranty of merchantability or fitness for a particular purpose, as to its condition or the condition of any part thereof except as may be otherwise specifically provided in writing on the face of this order or in a separate writing furnished to Purchaser by Dealer. Purchaser agrees that Dealer has made no representation and that Purchaser has not relied on any representations made by Dealer, but rather is relying on its own investigation and inspection of the Purchased Unit(s).

17. The Purchaser, before or at the time of delivery of the motor vehicle covered by this Order will execute such other forms of agreement or documents as may be required by the terms and conditions of payment indicated on the front of this Order.

18. Waiver; Severability. No waiver of any term of this Order shall be valid unless it is in writing and signed by Dealer's authorized representative, notwithstanding any delays. If any provision or part of any provision of this Order shall be deemed to violate any applicable law or regulation, such invalid provision or part of a provision shall be inapplicable. BUT the Parties agree that the remaining part of that provision and the remainder of the Order shall continue to be binding and enforceable.

19. No Broker; Manufacturer Incentives. If at any time Dealer determines that Purchaser intends to engage in the resale of vehicles for profit, where such resale is not in conjunction with further manufacturing, Dealer reserves the right to cancel this Order. Certain manufacturer's incentives are intended to be used for retail customers at the location as identified by the Purchaser in this Order. Purchaser represents that it will register the Purchased Units(s) with its state motor vehicle department and is not purchasing the Purchased Units with the intent to resale same, except where such resale is in conjunction with further manufacturing. If at any time Dealer determines that the foregoing representations are not true, Dealer has the right to seek repayment of any manufacturer incentives that are paid.

20. This contract shall be governed by the laws of the State of Texas. Both Parties agree to present the other Party with notice of any claim relating to this Order at least five (5) business days before filing a petition or complaint relating thereto (in addition to any other applicable notice periods required by statute), during which time the Parties agree to negotiate in good faith to resolve their disputes. If the negotiations fail, the Parties hereby waive the right to trial by jury and agree to a trial by judge. The Parties agree that the mandatory venue for dispute resolution is the state courts of Harris County, Texas, unless otherwise required by law. Purchaser agrees it will bring any cause of action within one (1) year of the date of that causes' accrual, and that any causes of action or claims outside of that period are waived. The prevailing party in any disputes shall be entitled to recover reasonable attorney fees and expenses.

PURCHASER ACKNOWLEDGES THAT THE ADDITIONAL TERMS AND CONDITIONS HAVE BEEN READ AND AGREED TO.

Re: *Notice of The Local Government Purchasing Cooperative Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 601-19 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

1. Vendor Quick Reference Guide 2. BuyBoard License and Identity Standards

You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by email to info@buyboard.com any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please email the order info@buyboard.com and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas

Re: *Notice of National Purchasing Cooperative Piggy-Back Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The National Purchasing Cooperative (National Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. As provided for in the Proposal and your National Purchasing Cooperative Vendor Award Agreement, you are authorized to sell the goods and services awarded under the Proposal to National Cooperative members in states other than Texas through the BuyBoard. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals.

The National Cooperative membership list is available at our website www.buyboard.com/vendor. The list identifies the current members that may purchase awarded goods and services under your National Cooperative BuyBoard contract.

You are advised that receipt of a purchase order directly from a National Cooperative member is not within BuyBoard guidelines. Accepting purchase orders directly from Cooperative members may result in a violation of applicable competitive procurement law and termination of this National Cooperative BuyBoard contract. **Therefore, all purchase orders from National Cooperative members must be processed through the BuyBoard**. Please forward by e-mail to info@buyboard.com any order received directly from a National Cooperative member. If you inadvertently process a purchase order sent directly to you by a National Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the National Cooperative, we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff at 800-695-2919**.

Sincerely,

Arturo Salinas

FELONY CONVICTION DISCLOSURE AND DEBARMENT CERTIFICATION

FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

Please check (√) one of the following:

- ☐ My company is a publicly-held corporation. (Advance notice requirement does not apply to publicly-held corporation.)
- ☒ My company is not owned or operated by anyone who has been convicted of a felony.
- ☐ My company is owned/operated by the following individual(s) who has/have been convicted of a felony:

Name of Felon(s): _____

Details of Conviction(s): _____

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☒ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

N/A

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $ N/A or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☒ Yes ☐ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

Note: If REP does not wish to make this certification, return the blank form in lieu of a completed certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Effective September 1, 2017, Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature below, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. If you wish to designate multiple dealers, please duplicate this form as necessary.

TEXAS REGIONAL SERVICE DESIGNATION

The Cooperative (referred to as "Texas Cooperative" in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. ***If you propose to serve different regions for different products or services included in your proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies in the space provided at the end of this form. By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE/PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 25,000,000 + . (The period of the 12 month period is 8/31/2018 / 8/26/2019). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:
Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:
Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:
Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:
For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:
For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:
In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

PROPOSAL INVITATION QUESTIONNAIRE

The Cooperative will use your responses to the questions below in evaluating your Proposal and technical and financial resources to provide the goods and perform the services ("Work") under the BuyBoard contract contemplated by this Proposal Invitation ("Contract"). Proposers must fully answer each question, numbering your responses to correspond to the questions/numbers below. Proposers must complete below or attach your responses to this questionnaire, sign where indicated below, and submit the signed questionnaire and your responses to all questions in one document with your Proposal. **You must submit the signed questionnaire and responses with your Proposal or the Proposal will not be considered.**

1. List the number of years Proposer has been in business and former business names (if applicable). Note whether your company is currently for sale or involved in any transaction that would significantly alter its business or result in acquisition by another entity.

Doggett Freightliner of South Texas, LLC has been in operations since November of 2013. Doggett Freightliner of South Texas, LLC was established through the acquisition of Freightliner of San Antonio, LTD who was a Buyboard vendor for many years prior to acquisition. Doggett Freightliner is division of the Doggett group of companies who are Texas based and have in excess of $1B in revenue.

2. Describe the resources Proposer has to manage staff and successfully perform the Work contemplated under this Contract. State the number and summarize the experience of company personnel who may be utilized for the Work, including those who will be available to Cooperative members for assistance with project development, technical issues, and product selection for Work associated with this Contract.

The cooperative, term and government contracts are currently managed by Mike Crockett for truck, chassis and body sales and Paula Watts for the parts and service aspect of these contracts. Paula and Mike share more than 50 years of combined experience in the successful development, implementation and management of cooperative and government contracts. Doggett Freightliner of South Texas, LLC operates (7) Freightliner Truck Dealerships in Texas and Arkansas.

3. Describe Proposer's financial capability to perform the Contract. State or describe the firm's financial strength and rating, bonding capacity, and insurance coverage limits. State whether the firm, or any of the firm's past or present owners, principal shareholders or stockholders, or officers, have been a debtor party to a bankruptcy, receivership, or insolvency proceeding in the last 7 years, and identify any such debtor party by name and relationship to or position with your firm.

As a business unit of Leslie Doggett Industries, Doggett Freightliner shares the financial strength of a diversified, privately held, family owned business with annual sales exceeding $1B and 1400+ full time employees. Doggett Freightliner of South Texas, LLC can obtain bonding and/or financing if needed for very large projects and maintains substantial insurance coverage. In addition, the owner and principals have not been a debtor party to a bankruptcy, receivership or insolvency proceeding in the past 7 years.

4. Does your company have any outstanding financial judgments and/or is it currently in default on any loan or financing agreement? If so, provide detailed information on the nature of such items and prospects for resolution.

N/A - None - Doggett Freightliner of South Texas, LLC is not currently in default of any loan or financing agreement.

5. List all contracts, if any, in the last 10 years on which Proposer has defaulted, failed to complete or deliver the work, or that have been terminated for any reason. For each such contract, provide the project name, scope, value and date and the name of the procuring entity. Fully explain the circumstances of the default, failure to complete or deliver the work, or termination.

N/A - None

6. List all litigation or other legal proceedings (including arbitration proceedings), if any, in the last 10 years brought against your firm, or any of the firm's past or present owners, principal shareholders or stockholders, officers, agents or employees, that relates to or arises from a contract similar to this Contract or the work contemplated under this Contract. Provide the style of the lawsuit or proceeding (name of parties and court or tribunal in which filed), nature of the claim, and resolution or current status.

N/A - None

Doggett Freightliner of South Texas LLC has not been party to any legal proceedings related to a contract similar to the TASB BuyBoard contract 601-19.

By signature below, I certify that the information contained in and/or attached to this Proposal Invitation Questionnaire in response to the above questions is true and correct and that I am authorized by my company to make this certification.

THE LOCAL GOVERNMENT PURCHASING COOPERATIVE
ADDENDUM NO. 1

Proposal Invitation No. 601-19
Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

The following modifications are made to the above referenced Proposal Invitation and shall become a permanent part of the Proposal Invitation document:

I. Proposal Invitation Forms; Vendor Contact Information. On the Vendor Contact Information form, **Invoices**, the third included option for Vendors to authorize service fee invoices to be provided to Designated Dealers receiving purchase orders is **deleted**. Vendors must either accept invoices directly or designate one billing agent for receipt of service fee invoices. Vendors will no longer be permitted to have invoices directed to Designated Dealers. Therefore, when completing the Vendor Contact Information form, **Invoices** section, Vendor may only select and complete either the first option ("Service fee invoices and related communications should be provided directly to my company ...") or second option ("In lieu of my company, I request and authorize all service fee invoices to be provided directly to the following billing agent ...").

II. General Terms and Conditions, Section E.12, Service Fee. Section E.12 of the General Terms and Conditions (Service Fee) is revised to read as follows:

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) and billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor

shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

Please sign and return one copy of this addendum with your proposal as verification of your receipt and compliance with the information contained in this addendum.

Welcome to BuyBoard!

Re: *Notice of The Local Government Purchasing Cooperative Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 601-19 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

1. Vendor Quick Reference Guide 2. BuyBoard License and Identity Standards

You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by email to info@buyboard.com any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please email the order info@buyboard.com and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas
Department Director, Cooperative Procurement

FELONY CONVICTION DISCLOSURE AND DEBARMENT CERTIFICATION

FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

Please check (√) one of the following:

☐ My company is a publicly-held corporation. (Advance notice requirement does not apply to publicly-held corporation.)
☒ My company is not owned or operated by anyone who has been convicted of a felony.
☐ My company is owned/operated by the following individual(s) who has/have been convicted of a felony:

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☒ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☐ Yes ☒ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Effective September 1, 2017, Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature below, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. The Cooperative will consider any deviations in its contract award decision, and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. If you wish to designate multiple dealers, please duplicate this form as necessary.

TEXAS REGIONAL SERVICE DESIGNATION

The Cooperative (referred to as "Texas Cooperative" in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. ***If you propose to serve different regions for different products or services included in your proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies in the space provided at the end of this form. By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE / PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 11,000,000. (The period of the 12 month period is 7/1/18 / 6/30/19). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

CONFIDENTIAL/PROPRIETARY INFORMATION

A. Public Disclosure Laws

All Proposals, forms, documentation, or other materials submitted by Vendor to the Cooperative in response to this Proposal Invitation, including catalogs and pricelists, may be subject to the disclosure requirements of the Texas Public Information Act (Texas Government Code chapter 552.001, *et. seq.*) or similar disclosure law. Proposer must clearly identify on this form any information in its Proposal (including forms, documentation, or other materials submitted with the Proposal) that Proposer considers proprietary or confidential. If Proposer fails to properly identify the information, the Cooperative shall have no obligation to notify Vendor or seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure law. Proposer will be notified of any third party request for information in a Proposal that Proposer has identified in this form as proprietary or confidential.

Does your Proposal (including forms, documentation, or other materials submitted with the Proposal) contain information which Vendor considers proprietary or confidential?

Please check (√) one of the following:

☒ **NO**, I certify that none of the information included with this Proposal is considered confidential or proprietary.

☐ **YES**, I certify that this Proposal contains information considered confidential or proprietary and all such information is specifically identified on this form.

If you responded "YES", you must identify below the specific information you consider confidential or proprietary. List each page number, form number, or other information sufficient to make the information readily identifiable. The Cooperative and its Administrator will not be responsible for a Proposer's failure to clearly identify information considered confidential or proprietary. Further, by submitting a Proposal, Proposer acknowledges that the Cooperative and its Administrator will disclose information when required by law, even if such information has been identified herein as information the vendor considers confidential or proprietary.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:
Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:
Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:
Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:
For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:
For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:
In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

THE LOCAL GOVERNMENT PURCHASING COOPERATIVE
ADDENDUM NO. 1

Proposal Invitation No. 601-19
Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

The following modifications are made to the above referenced Proposal Invitation and shall become a permanent part of the Proposal Invitation document:

I. Proposal Invitation Forms; Vendor Contact Information. On the Vendor Contact Information form, **Invoices**, the third included option for Vendors to authorize service fee invoices to be provided to Designated Dealers receiving purchase orders is **deleted**. Vendors must either accept invoices directly or designate one billing agent for receipt of service fee invoices. Vendors will no longer be permitted to have invoices directed to Designated Dealers. Therefore, when completing the Vendor Contact Information form, **Invoices** section, Vendor may only select and complete either the first option ("Service fee invoices and related communications should be provided directly to my company ...") or second option ("In lieu of my company, I request and authorize all service fee invoices to be provided directly to the following billing agent ...").

II. General Terms and Conditions, Section E.12, Service Fee. Section E.12 of the General Terms and Conditions (Service Fee) is revised to read as follows:

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) and billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor

shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

Please sign and return one copy of this addendum with your proposal as verification of your receipt and compliance with the information contained in this addendum.

Proposal Invitation No. 601-19-Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor

(Manufacturer specification sheets and options pricelist must be submitted with proposal.[1])

NOTE 1: Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All vehicle ancillary fees to be charged for any purchase from this contract with the exception of delivery fees *(i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre delivery inspection, make ready, applicable state inspection, and manufacturer destination fees, etc.)* are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be allowed. The Cooperative service fee is not a "vehicle fee" and is not to be included in the base pricing.

NOTE 2: An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

NOTE 3: Franchise Motor Vehicle Dealer Certificate from Texas Department of Motor Vehicles. Manufacturer certificate from Texas Department of Motor Vehicles or, if vendor proposes to serve states outside of the State of Texas, the applicable dealer license(s) for such state(s).

NOTICE OF PROPOSAL INVITATION AND INSTRUCTIONS TO PROPOSERS

The Local Government Purchasing Cooperative (Cooperative), 12007 Research Blvd., Austin, Texas 78759 is a statewide purchasing cooperative for school districts, junior colleges, cities, counties, and other political subdivisions. The Texas Association of School Boards, Inc. (TASB), a Texas nonprofit corporation, 12007 Research Blvd., Austin, Texas 78759, assisted in the formation of the Cooperative, and TASB along with the Texas Municipal League (TML), a Texas unincorporated nonprofit association, 1821 Rutherford Lane, Austin, Texas 78754 and the Texas Association of Counties (TAC), a Texas nonprofit association, 1204 San Antonio, Austin, Texas 78701 all endorse the Cooperative.

The Cooperative's contracts for commodities and services will be available to the members of TASB, TML, and TAC, and other local governmental entities that are members of the Cooperative eligible to purchase through a government purchasing cooperative or interlocal contract. TASB, the Cooperative's administrator, provides the electronic commerce technology to the Cooperative to enable members' purchasing to be accomplished electronically.

Unless a different time period is stated in the General Information document for this Proposal Invitation, questions, requests for information or clarification, or comments regarding this Proposal Invitation, including the specifications, must be submitted in writing, addressed as indicated below, and received by the Cooperative no later than the 10th business day before the Proposal Due Date. The Cooperative will respond only to written questions.

The Local Government Purchasing Cooperative
Attn: Director of Cooperative Procurement
12007 Research Blvd.
Austin, TX 78759
Phone: 512-467-0222
Fax: 800-211-5454
E-Mail: bids@buyboard.com

Sealed proposals are being solicited for the products, supplies, services and/or equipment as set forth in this Proposal Invitation and are solicited on behalf of all present and future members of the Cooperative. There may be over 1,000 Texas public school districts and junior colleges, over 900 municipalities, 400 counties, and numerous other political subdivisions (i.e. river authorities, special districts, public housing authorities, etc.) participating in the Cooperative at any given time. Awarded products may also be available to the administrator's nonprofit entity BuyBoard subscribers and, in the event of a piggyback award, members of the National Purchasing Cooperative as further explained in the Proposal Invitation.

PROPOSAL SUBMISSION INSTRUCTIONS

Completed sealed proposals for **Proposal No. 601-19 for Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor must be received on or before 4:00 PM August 1, 2019,** either by submitting the Proposal electronically through the Cooperative's designated website or by hard copy submission as set out below. **Late proposals will not be accepted.**

Electronic Proposal Submission:

The Cooperative is now accepting electronic proposal submission and is requesting that Vendors submit proposals electronically via the following website:

buyboard.com/vendor

There is no cost to the Vendor to register or use the electronic proposal submission option.

Before you submit

- In order to submit proposals electronically, you must have a working registered vendor username and password to login. If you do not have a registered vendor user name and password, you may obtain one by registering at buyboard.com/vendor. ***Note to existing BuyBoard vendors: The registered vendor login used for electronic proposal submission is NOT the same as your existing login used to check purchase orders or similar vendor information under awarded contracts.*** Vendors are highly encouraged to ensure you have a working vendor login well in advance of the submission deadline.
- Vendor is responsible for ensuring it has the technical capability to submit its proposal via electronic submission. Browser requirements can be found at https://buyboard.ionwave.net/BrowserCompatibility.html.
- VENDOR SHALL BE SOLELY RESPONSIBLE FOR ENSURING TIMELY SUBMISSION OF VENDOR'S PROPOSAL. Neither the Cooperative nor its administrator shall be responsible for equipment or software failure, internet or website downtime, corrupt or unreadable data, or other technical issues that may cause delay or non-delivery of a Proposal or inaccessibility of the submitted data. Accordingly, Vendors are highly encouraged to prepare and allow for sufficient time to familiarize itself with the electronic submission requirements and to address any technical or data issues prior to the Proposal due date.

How to submit Proposal electronically

- Login using your registered vendor login at buyboard.com/vendor under the "Register/Login/Submit Proposal" link.
- The page will open to the list of "Available Bids."
- Click on the applicable Proposal Invitation number under the "My Invitations" or "Other Bid Opportunities" section to view this Proposal Invitation request.
- ***Review and follow all instructions on the webpage.***
- To upload a Proposal, select the "Response Attachments" tab to upload a ***signed, complete*** copy of your Proposal in ***searchable PDF format***, including all required proposal documents (forms, completed specifications, and any other documents required by the Proposal Invitation) and electronic catalogs/pricelists.
- Select the "Response Submission" tab to submit the proposal.
  - If an error or multiple errors occur, the system will display the location of the error(s).
  - Go to the problem area and correct the errors. You must go to the specific tab(s) that contain(s) the error(s) to review the error detail and correct the error(s). ***Your submission will not be accepted until all errors are corrected.***
  - Once all errors are corrected, proceed to the "Response Submission" tab to submit the response.
- **Electronic Catalogs/Pricelists must be submitted with the Proposal in the format required by these Proposal Instructions or it will not be considered.**

How to submit hard copy Proposal – Paper copies will NOT be accepted

While the Cooperative requests electronic submission of Proposals through the designated website, any vendor without the technical capability or wishing to submit a hard copy proposal, rather than utilizing electronic submission, may do so in accordance with the following instructions:

- Submit the signed, completed Proposal in a sealed envelope or carton properly marked with the Proposal Invitation number and Proposal submittal date and time and containing all required proposal documents (including forms, completed specifications, and any other documents required by the Proposal Invitation). The Proposal must be submitted in ***electronic, searchable PDF format on a USB flash drive, CD or DVD***. **Paper copies will NOT be accepted**.
- **Electronic Catalogs/Pricelists must be submitted with the Proposal in the format required by these Proposal Instructions or it will not be considered.**
- The hard copy electronic proposals must be delivered via hand delivery or U.S. Mail to the address below so as to be received on or before the Proposal submission deadline:

The Local Government Purchasing Cooperative
12007 Research Blvd.
Austin, TX 78759

VENDOR SHALL BE SOLELY RESPONSIBLE FOR ENSURING TIMELY SUBMISSION OF VENDOR'S PROPOSAL. Neither the Cooperative nor its administrator shall be responsible for proposals delivered late by the United States Postal Service or any other delivery or courier service. Further, neither the Cooperative nor its administrator shall be responsible for proposals delivered in a corrupt or unreadable electronic format.

Faxed and/or emailed Proposals will NOT be accepted.

REQUIREMENTS FOR VENDOR CATALOGS/PRICELISTS

Electronic catalogs/pricelists must be submitted in the required format with the Proposal (whether submitted electronically through the designated website or in hard copy format via mail or hand delivery) or the Proposal will not be considered. The following is required of all Vendor catalog(s)/pricelist(s) submitted to the Cooperative:

Vendors are required to submit catalog(s)/pricelist(s) in **searchable PDF electronic format ONLY**. No other format will be accepted. Further, no paper catalogs or manufacturer/vendor websites will be accepted.

Below is a sample chart, with examples of data for each field, showing the data fields that Vendors MUST include in each submitted pricelist/catalog:

BuyBoard Specification Category	Part/Item Number	Item Description	List Price
1	1234	Desk	$50.00
2	1235	Chair	$20.00

The catalogs/pricelists must include all listed data fields (BuyBoard specification category, part/item number, item description, and list price) or the Proposal will not be considered. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the Proposal, including catalogs or pricelists submitted with the Proposal, do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

INSTRUCTIONS FOR VENDORS PROPOSING MULTIPLE MANUFACTURER PRODUCT LINES:

Vendors proposing various manufacturer product lines per line item on the **Proposal Specification form** must submit the information as follows *or Vendor's proposal may not be considered*:

- Manufacturers shall be listed in alphabetical order
- Vendor's must list one specific percentage discount for each Manufacturer listed

If a vendor's response to the **Proposal Specification form** states "please see attachment," all manufacturers listed on the attachment sheet must indicate per manufacturer the line item that correlates to the **Proposal Specifications form** or Vendor's proposal may not be considered.

WITHDRAWAL OR MODIFICATION OF PROPOSALS

Proposals may be withdrawn or modified prior to the Proposal Due Date and time, but only in accordance with section B.11 (Withdrawal or Modification of Proposal) of the General Terms and Conditions in this Proposal Invitation.

GENERAL INFORMATION

Proposal Invitation No. 601-19 – Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

**Please make sure that you have either downloaded and/or printed all sections of this Proposal Invitation.*

1. **Notice of Proposal Invitation and Instructions to Proposers**
2. **General Information**
3. **Proposal Invitation Forms and Specifications**
4. **General Terms and Conditions**

PROPOSAL SUBMISSION INSTRUCTIONS

Proposal responses (including completed and signed Proposal Invitation forms, completed Proposal specifications, and pricelists/catalogs) must be submitted in electronic format in the manner prescribed in the Instructions to Proposers.

INTENT AND PURPOSE OF THE CONTRACT

The intent of this Proposal Invitation is to establish a contract for the purchase of various types of **Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor** that may be purchased by Cooperative members. Because individual members require different equipment, supplies, and/or services this Proposal Invitation is a request for the base price of each vehicle plus associated fees (with the exception of delivery), a discount off of catalog or pricelist for all options and upgrades, not-to-exceed hourly labor rates for installation and repair, and per mile delivery fees. Purchases can be made by a Cooperative member at any time during the contract term.

TERM OF CONTRACT

The term of this contract will be from December 1, 2019 through November 30, 2020, with two (2) possible one (1) year renewals.

An awarded Vendor has no right to or vested interest in contract renewal. The Cooperative will evaluate the contract award prior to the expiration of the then-current term on the basis of factors that may include the annual amount of business, performance and continued provision of best value to Cooperative members.

For purposes of this Proposal Invitation, a Vendor must generate a minimum of $15,000 through the contract during an annual contract term or may not be offered a renewal. A Vendor's failure to generate this minimum amount may also be considered by the Cooperative as part of vendor's past performance evaluation on future proposal invitations. A renewal must be mutually agreed upon by both parties.

VALUE OF CONTRACT

The estimated value of this contract is $362,234,943; however, this estimate is based on prior contracts for similar types of products and services and should not be construed to be a guaranty of either minimum or maximum since usage is dependent upon Cooperative members' actual needs and available funding.

An awarded Vendor must supply products and services at or below the awarded pricing for the duration of the contract and honor all Purchase Orders prepared by each individual Cooperative member.

SERVICE FEE

By submission of a response to this Proposal Invitation, it will be the vehicle dealer's responsibility to collect the BuyBoard Fee of **$400 per purchase order** from the purchasing entity **for all vehicles, including cab, chassis and options**. **This fee is NOT to be included in the price of the vehicles for the purpose of this proposal**; however, it must be shown as a line item price on the individual quotes to the purchaser.

An awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of **2% per Purchase Order for parts and repair/service labor** generated from any contract awarded under this Proposal Invitation, and the service fee is to be included in the price of parts and repair/service labor in the awarded pricing.

Vendor agrees to pay this service fee and remit the fee to the Cooperative in Austin, Texas, promptly upon payment by the Cooperative member for any Purchase Order(s) and within 30 days of the date of each service fee invoice. Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated from Vendor's contract(s) that Vendor receives directly from Cooperative members, or such other documentation regarding those purchase orders as the Cooperative's administrator may require in its reasonable discretion. Vendor further agrees that the Cooperative shall have the right, upon reasonable written notice, to review its records pertaining to purchases under any awarded contract to verify purchase history and the accuracy of service fees payable by Vendor.

CONFIDENTIAL INFORMATION

Any information submitted by Proposer that Proposer considers to be confidential must be clearly identified as such on the Confidential/Proprietary Information Form.

ADDITIONAL INFORMATION

An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold. An awarded Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).

All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line item price on individual quotes for any potential Cooperative member purchase.

The Proposal Invitation seeks base pricing for vehicles. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of order. All options are to be priced at standard government pricing. A COMPLETE LIST OF ALL OPTIONAL EQUIPMENT MUST BE SUBMITTED WITH PROPOSAL FOR PROPOSAL TO BE CONSIDERED. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Any option that has not been listed and priced in the response is considered to be an "Unpublished Option." Unpublished Options may be sold, but only in connection with the sale of an awarded base product item, and only if the

total cost of all "Unpublished Options" remains below twenty-five percent (25%) of the total cost of the base product plus any Published Options. No Published or Unpublished Option may be sold which essentially converts a Product such that it competes with a Product Item awarded to another Vendor.

AWARD AND EVALUATION

This contract will be awarded based on the evaluation and award criteria set out in Section C.2 of the General Terms and Conditions to provide best value to Cooperative members.

This Proposal Invitation requires Proposers to provide certain information that the Cooperative does not evaluate and is not included in the award criteria set out in Section C.2. The Cooperative requests the information, however, because it may be relevant to federal, state or local procurement law or other legal requirements that apply to various Cooperative members. The information, which will be made available to Cooperative members with respect to awarded Vendors, includes the following:

a) Proposer's status as a minority/woman-owned business enterprise, historically underutilized business, or service-disabled veteran;
b) Whether Proposer or its ultimate parent or majority owner has its principal place of business in Texas or employs at least 500 persons in Texas; and
c) Whether Proposer is a Texas resident or a non-resident business.

TYPE OF CONTRACT

This is a "sealed proposal" based on unit price and discount off catalog or price list and may contain a not-to-exceed hourly labor rate. Except as provided in section E.4 of the General Terms and Conditions or otherwise in this Proposal Invitation, Vendor shall hold its awarded pricing firm during the contract term. In the event of price decreases, such price decreases shall be allowed for all products. Catalogs/pricelists, where required by the Proposal specifications, must be submitted with the Proposal or your proposal will be deemed nonresponsive.

COMPLIANCE WITH APPLICABLE LAWS

By signing this Proposal, the Proposer certifies that Proposer has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever state or local jurisdiction is required, and Proposer has obtained, and will continue to maintain during the entire term of this contract, all permits, approvals, and/or licenses necessary for lawful performance of its obligations under this contract. Proposer further certifies that, if awarded, Proposer will comply with all applicable state, federal, and local laws, rules, and regulations in regards to awarded products and/or services.

Individual Cooperative members may in certain circumstances request background checks on an awarded Vendor's employees who will have direct contact with students, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history information.

BUYBOARD ADVISORY REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

The Cooperative issued the BuyBoard Procurement and Construction-Related Goods and Services Advisory for Texas Members, which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The advisory is available at https://www.buyboard.com/Vendor/Resources.aspx. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer must sign and submit the Construction Related-Goods and Services Affirmation form in the Proposal Invitation forms regardless of type of goods or services associated with this Proposal Invitation.

PROFESSIONAL ENGINEERING AND OTHER PROFESSIONAL SERVICES EXCLUDED

The scope of services in this Proposal Invitation and any resulting contract award do not include services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

DELIVERY RESPONSE

Unless otherwise noted in the Proposal (as a deviation) or the Purchase Order, routine delivery response to a Cooperative member shall be within ten (10) business days after receipt of a Purchase Order, and delivery shall be made during the ordering Cooperative member's normal business hours. Any Cooperative member may request emergency delivery. Awarded Vendors shall use their best efforts to comply with rush or emergency requests. However, if the Vendor cannot fulfill the emergency delivery requirements, the Cooperative member may procure the products or services from alternative sources without penalty.

WARRANTY/GUARANTY

All products purchased under this contract shall be **NEW** and free from defects.

ADDITIONAL REQUIREMENTS FOR PURCHASES USING FEDERAL GRANT FUNDS (2 C.F.R. 200 Uniform Guidance / EDGAR):

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete the EDGAR Vendor Certification Form contained in the Proposal Invitation forms regarding their willingness and ability to comply with certain requirements which may be applicable to specific Cooperative member purchases using federal grant funds. This information will not be used for evaluation purposes but will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

The proposing company ("you" or "your") hereby acknowledges and agrees as follows:

1. You have carefully examined and understand all Cooperative information and documentation associated with this Proposal Invitation, including the Instructions to Proposers, General Terms and Conditions, attachments/forms, item specifications, and line items (collectively "Requirements");

2. By your response ("Proposal") to this Proposal Invitation, you propose to supply the products or services submitted at the prices quoted in your Proposal and in strict compliance with the Requirements, unless specific deviations or exceptions are noted in the Proposal;

3. Any and all deviations and exceptions to the Requirements have been noted in your Proposal and no others will be claimed;

4. If the Cooperative accepts any part of your Proposal and awards you a contract, you will furnish all awarded products or services at the prices quoted and in strict compliance with the Requirements (unless specific exceptions are noted in the Proposal and accepted by the Cooperative), including without limitation the Requirements related to:
   a. conducting business with Cooperative members, including offering pricing to members that is the best you offer compared to similar customers;
   b. payment of a service fee in the amount specified and as provided for in this Proposal Invitation;
   c. the **possible** award of a piggy-back contract by another governmental entity or nonprofit entity, in which event you will offer the awarded goods and services in accordance with the Requirements; and
   d. submitting price sheets or catalogs in the proper format as required by the Cooperative as a prerequisite to activation of your contract;

5. You have clearly identified on the included form any information in your Proposal that you believe to be confidential or proprietary or that you do not consider to be public information subject to public disclosure under a Texas Public Information Act request or similar public information law;

6. The individual signing this Agreement is duly authorized to enter into the contractual relationship represented by this Proposal Invitation on your behalf and bind you to the Requirements, and such individual (and any individual signing a form) is authorized and has the requisite knowledge to provide the information and make the representations and certifications required in the Requirements;

7. You have carefully reviewed your Proposal, and certify that all information provided is true, complete and accurate, and you authorize the Cooperative to take such action as it deems appropriate to verify such information; and

8. Any misstatement, falsification, or omission in your Proposal, whenever or however discovered, may disqualify you from consideration for a contract award under this Proposal Invitation or result in termination of an award or any other remedy or action provided for in the General Terms and Conditions or by law.

FELONY CONVICTION DISCLOSURE AND DEBARMENT CERTIFICATION

FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

Please check (√) one of the following:

☐ My company is a publicly-held corporation. (Advance notice requirement does not apply to publicly-held corporation.)
☐ My company is not owned or operated by anyone who has been convicted of a felony.
☐ My company is owned/operated by the following individual(s) who has/have been convicted of a felony:

RESIDENT / NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☐ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

_____ _____
Company Name Address

_____ _____ _____
City State Zip Code

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☐ Yes ☐ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. The Cooperative will consider any deviations in its contract award decision, and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE / PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $_____. (The period of the 12 month period is _____/_____). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For <u>each</u> of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:

For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:

For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:

In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

Proposal Invitation No. 601-19-Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor

(Manufacturer specification sheets and options pricelist must be submitted with proposal.[1])

NOTE 1: Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All vehicle ancillary fees to be charged for any purchase from this contract with the exception of delivery fees *(i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre delivery inspection, make ready, applicable state inspection, and manufacturer destination fees, etc.)* are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be allowed. The Cooperative service fee is not a "vehicle fee" and is not to be included in the base pricing.

NOTE 2: An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

NOTE 3: Proposers responding to this Proposal Invitation must submit their Franchise Motor Vehicle Dealer Certificate from Texas Department of Motor Vehicles, Manufacturer certificate from Texas Department of Motor Vehicles or, if vendor proposes to serve states outside of the State of Texas, the applicable dealer license(s) for such state(s).

GENERAL TERMS AND CONDITIONS

A. General Provisions

1. Statement of Inclusion/Applicability

These General Terms and Conditions ("Terms and Conditions") apply to this Proposal Invitation and the proposing company's response to this Proposal Invitation, and are an integral part of any contract which is awarded or Purchase Order which is issued in association with this Proposal Invitation.

2. Organization and Section Titles

The provisions of these Terms and Conditions are generally organized according to the stages of the procurement process: proposal, evaluation, award and performance. This organization of and the section titles used in these Terms and Conditions are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document. Unless otherwise stated, any listing of factors or criteria in these Terms and Conditions does not constitute an order of preference or importance.

3. Definitions

As used in this Proposal Invitation and associated documentation, the following terms have the meanings set out below unless the context requires otherwise, regardless of whether initial capitalization is consistently used. Words used in the singular include the plural, and words used in the plural include the singular. To the extent terms are defined or used differently in different Proposal Invitation documents, substance prevails over form:

"BuyBoard®" means the internet-based electronic commerce technology provided by the Cooperative's administrator, the Texas Association of School Boards, Inc. (TASB), to enable Cooperative members to purchase awarded goods and services electronically.

"BuyBoard Administrator" means the Director of Cooperative Procurement identified in this Proposal Invitation (or his/her successor).

"Contract" means the contract between the Cooperative and the successful Proposer (Vendor), which gives Vendor the opportunity to serve Cooperative members based on the Cooperative's acceptance of all or part of the Proposer's Proposal, and is comprised collectively of the following:

a) This Proposal Invitation;
b) Proposer's Proposal;
c) Notice of Award issued to Proposer by the Cooperative; and
d) Purchase Order between a Cooperative member and Proposer, and any additional terms, conditions, or instructions agreed to by Proposer, that are consistent with these Terms and Conditions.

"Cooperative" means, collectively, The Local Government Purchasing Cooperative (which may also be referred to as "Texas Cooperative" herein) and its administrator, TASB, unless a distinction is made otherwise.

"Cooperative member" or "**member**" means a local governmental entity (e.g., school district, city or county) or other governmental entity that is a member of the Cooperative and is eligible to purchase through a governmental purchasing cooperative or interlocal contract. Although not eligible to be a member of the Cooperative, "Cooperative member" as used in these Terms and Conditions may include the Cooperative administrator's non-profit entity subscribers when used in relation to a purchase from a non-profit subscriber.

"Goods" or **"Products"** (which terms are used interchangeably) means the goods, products, equipment or other commodities that are the subject of this Proposal Invitation.

"Proposal Invitation" means this Proposal Invitation and all associated documentation, including without limitation, these Terms and Conditions and any amendments hereto, additional terms and conditions specific to this Proposal Invitation, instructions, exhibits or attachments, forms, agreements, certifications, item specifications, addenda, and supplements and/or clarifications.

"Proposal" means Proposer's complete and correct response to this Proposal Invitation, including all information, forms, agreements, certifications and other documentation required by this Proposal Invitation, properly signed by Proposer's duly authorized representative.

"Proposal Due Date" means the date and time specified in the Proposal Invitation, or any addenda thereto, by which Vendors are required to submit Proposals for this Proposal Invitation.

"Proposer" or **"Vendor"** means the company or firm that submits a Proposal or, depending on the context, the proposing company to which the Cooperative awards a contract under this Proposal Invitation. (For purposes of the forms associated with this Proposal Invitation, "you", "your", "I" or "my" refer to Proposer or Vendor, as applicable.)

"Purchase Order" means a Cooperative member's fiscal form or other instrument, including a record of an online order placed through a Vendor website or record of a purchasing card (P-card) purchase, which is used in making a purchase from Vendor under a BuyBoard contract.

B. Proposal Requirements

1. Specifications

Unless otherwise specified, the specifications are intended to be non-proprietary, and should be construed as such. Catalog numbers, brand names, or manufacturer product or reference numbers used in the item specifications in this Proposal Invitation are intended to be descriptive, not restrictive. These references, as well as "approved brands and/or models" listed, are intended to identify and indicate the type of product being sought and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or model number references.

In some cases, however, the Cooperative may find it advantageous in order to provide best value to Cooperative members to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these limited cases, preference will be given to the specific products identified as "approved brands and/or models," especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or models are identified, Proposer is encouraged to propose the exact item specified, in addition to an alternate brand or model with equal/equivalent functionality or features where appropriate or necessary.

In all cases, Proposals must identify the manufacturer, brand, model, etc., of the item being offered. For Proposals on "equal/equivalent" items other than the specified "approved brand and/or model," Proposer must supply a complete description and sufficient data for the Cooperative to properly analyze the product being proposed, including its functionality and features. In order to conduct such analysis, the Cooperative may request samples for items other than "approved brands and/or models." If the specification identifies a specific brand or model for any item and Proposer fails to identify the manufacturer, brand, model, etc., for that item, **the Cooperative will assume Proposer is proposing on the exact brand and model identified in the specification, and if awarded a contract, Vendor must furnish the exact brand name, model, etc., as specified. Substitutions will not be allowed after the contract is awarded,** except as provided for in section E.8 (Substitutions) of these Terms and Conditions.

The apparent silence of the specifications as to any detail, or the apparent omission from any specification of a detailed description concerning any point, will be interpreted to mean that only the best commercial practices will prevail, and the specification will be construed accordingly.

NOTE: Unless a different time period is stated in the General Information document of this Proposal Invitation, if Proposer discovers or suspects an error in any item specification in this Proposal Invitation, including that the specification is proprietary where not intended, Proposer must notify the BuyBoard Administrator of the error in writing immediately, but in no event later than the tenth (10^{th}) business day before the Proposal Due Date.

2. Pricing

A "Line Item" Proposal must be for a specific price for the unit of measure specified for that item. Proposer is responsible for clearly noting any differences in proposed packaging and/or units of measure as a deviation in accordance with section B.4 (Deviations from Item Specifications or General Terms and Conditions) of these Terms and Conditions. If this Proposal Invitation requires "discount from catalog" pricing, Proposer must quote a single discount percentage to be applied to all items in Proposer's published catalog. Proposer must submit the catalog or published pricelist with the Proposal in electronic format. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the catalogs or pricelists submitted do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

Proposer's pricing must be "equal to or better" than pricing Proposer offers other similar customers. Pricing that is not considered equal or better could result in the Proposal being determined non-competitive and not considered for award.

Unless specified otherwise in this Proposal Invitation:

a) A "cost plus" Proposal will not be accepted;
b) Proposer will not include freight, transportation and delivery charges or costs or sales tax in Proposal pricing (freight, transportation and delivery charges are to be pre-paid by the awarded Vendor and, subject to section E.5 (Packaging, Transportation, and Delivery) of these Terms and Conditions, included as a separate item on the invoice to the ordering Cooperative member);
c) Proposal pricing must include the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions; and
d) Proposal pricing must be firm for acceptance and the Cooperative's period for acceptance will be at least 120 calendar days from the Proposal Due Date.

3. Quality

Unless otherwise indicated in this Proposal Invitation, proposed products must be new and in first class condition, and must be warranted in the same manner and to the same extent as normally provided to other customers of Proposer. Additionally, proposed products must conform to the highest standards of manufacturing practice, including containers suitable for shipment and storage. Unless otherwise specified, "factory seconds," "refurbished", or otherwise inferior items are not acceptable.

4. Deviations from Item Specifications or General Terms and Conditions

Proposer must clearly note and explain in detail any and all limitations, exceptions, qualifications, special conditions, or other deviations (collectively "deviations") from these Terms and Conditions or any of the item specifications in the Proposal at the time the Proposal is submitted. The submission of any such deviation may place Proposer at a competitive disadvantage or otherwise prevent the Cooperative from considering the Proposal on the affected item(s).

The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

Other than any deviation submitted in writing with the Proposal and **accepted by the Cooperative**, the Cooperative will hold Proposer accountable to the Cooperative and Cooperative members to perform in strict accordance with these Terms and Conditions and the item specifications as written.

5. Addenda

Any interpretation, correction or change to this Proposal Invitation will be made by addendum, and updated information contained in an addendum will prevail over the information contained in the original Proposal Invitation or a previous addendum. The Cooperative is the sole authority for the issuance of any addendum, and any communication related to this Proposal Invitation that is not from the Cooperative is invalid. Although the Cooperative may provide electronic notification when an addendum has been issued and the changes will be flagged, it is Proposer's responsibility to monitor the BuyBoard vendor website for possible addenda and incorporate any posted addendum into the Proposal. Proposer must acknowledge each addendum in accordance with the instructions accompanying the addendum.

6. Samples

The Cooperative may request a product sample. Proposer must furnish the requested sample at no cost to the Cooperative, and, unless otherwise specified, the Cooperative must receive the sample within 72 hours of the request. The submitted sample must be labeled with the Proposal Invitation name and number, item number, product identification number, and Proposer's name. Proposer's failure to submit a sample when requested will result in the product in question not being considered for award to Proposer.

The Cooperative will retain samples for a sufficient length of time for proper evaluation. If not destroyed or consumed during examination or testing, the Cooperative will return samples to Proposer at Proposer's expense, provided that Proposer has included a written return request with the submitted samples. Notwithstanding the foregoing, the Cooperative may permanently retain samples submitted by awarded Proposers for the purpose of determining that the quality and workmanship of awarded products delivered to Cooperative members is comparable to the samples. The Cooperative is not liable for samples that are damaged, destroyed or consumed during examination or testing.

7. Proposal on All or Certain Items

Unless otherwise specified, Proposer may propose on any or all items. Proposer should answer all questions related to each item on which Proposer wishes to propose, and either leave the questions for other items unanswered (blank) or indicate "No Bid." The Cooperative will consider items individually and make awards on each item independently, except for "related" items for which "compatibility" will be an element of consideration. In such cases, small groups of items will be considered as a unit.

Vendor's Proposal shall specify the regions and/or states that Vendor proposes to serve by completing the appropriate Proposal forms. Vendor shall specify only those regions or states for which Vendor is authorized either under applicable law and/or by the manufacturer to sell the proposed products. If Vendor proposes multiple products, and the regions or states which the Vendor is able to serve and proposes to serve differ by product, Vendor must specify the specific regions or states by product in its Proposal. **A Vendor may not select a region or state in its Proposal where Vendor is unable or unauthorized to sell a proposed product. If it is determined that a Vendor is unable, unauthorized, or refuses to provide any awarded product(s) or service(s) in a region or state specified in Vendor's Proposal, such inability, lack of authorization, or refusal will be an event of default and grounds for termination of the Contract.**

8. "All or Nothing" Awards

Unless otherwise indicated in this Proposal Invitation, "all or nothing" Proposals are **not** acceptable and will be rejected. Proposer must be willing to accept a partial award for any combination of the items or services proposed, and must be willing to share the business with any other successful Proposers.

9. Confidential Information

Proposer must clearly identify information in the Proposal that Proposer considers proprietary or confidential by completing the Confidential/Proprietary Information form. The Cooperative will treat such information as confidential to the extent allowable under the Texas Public Information Act (Chapter 552 of the Texas Government Code) or similar disclosure law.

If Proposer fails to properly identify the information, the Cooperative shall have no obligation to seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure laws. The Cooperative and its Administrator will not be responsible for Proposer's failure to clearly identify information Proposer considers confidential or proprietary. Proposer will be notified of any third party request for information that Proposer has identified in the Confidential/Proprietary Information form as proprietary or confidential.

10. Certain Professional Services Excluded

Neither this Proposal Invitation nor any contract includes services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

11. Withdrawal or Modification of Proposal

Proposer may withdraw or modify a submitted Proposal **prior to the Proposal Due Date and time** specified in this Proposal Invitation. A Proposal may be withdrawn only in strict accordance with this section.

Electronic Proposals Submissions: A Proposal submitted electronically through a website designated by the Cooperative in the Proposal Invitation for submission of electronic proposals may be withdrawn or modified prior to the Proposal Due Date and time through the same electronic proposal submission website. Vendor's login to the electronic proposal submission website shall be used to verify Proposer's identity. Vendor shall be solely responsible for ensuring only authorized use of its login, following all website instructions, and ensuring that the Proposal is properly withdrawn or modified prior to the Proposal Due Date and time.

Hard Copy Submissions: If a Vendor submitted their Proposal in hard copy electronic format via mail or in person, rather than electronic submission through the designated website, Proposer must submit a written request to the Cooperative to withdraw the Proposal. The request to withdraw must be signed by an individual authorized to enter into contracts on Proposer's behalf and indicate the individual's title. If the BuyBoard Administrator has any question or doubt regarding Proposer's identity or the identity of its Proposal, withdrawal will not be allowed. If the Cooperative decides to allow the withdrawal, Proposer's duly authorized representative will be required to complete and sign a written receipt satisfactory to the BuyBoard Administrator before the proposal will be released. The decision of the BuyBoard Administrator relating to matters concerning withdrawal of a Proposal is final.

Proposer may resubmit the withdrawn Proposal, or submit a new Proposal, up until the Proposal Due Date and time, provided any new submission meets the requirements of this Proposal Invitation. If Proposer resubmits a Proposal that was withdrawn and makes any change to any document in the proposal package, the change must be made in accordance with the Cooperative's instructions for Proposal submissions, and Proposer will be deemed to have authorized such change.

Proposals that are in the Cooperative's possession (including Proposals submitted through an electronic proposal submission website designated by the Cooperative in the Proposal Invitation instructions) at the Proposal Due Date time shall be deemed final, conclusive, and irrevocable; and no Proposal will be subject to withdrawal, amendment, or correction by a Proposer after the Proposal Due Date and time specified in this Proposal Invitation. However, pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions), the Cooperative reserves the right, in its sole discretion, to seek clarification, communicate and resolve issues around deviations that were submitted in a Proposal, consistent with general procurement principles of fair competition.

12. Certifications

The Proposer's Agreement and Signature form, which is fundamental to and incorporated into this Proposal Invitation, requires Proposer to certify to certain matters. Pursuant to and in accordance with such Proposer's Agreement and Signature form, and in addition to the matters set forth therein, Proposer certifies to the following with respect to this Proposal Invitation, the Proposal, and any Contract awarded under this Proposal Invitation.

(a) Non-Collusion Certification

Proposer agrees and certifies to the following, and understands that the penalty for violating this non-collusion certification will be the immediate disqualification of Proposer's Proposal:

1) Neither Proposer nor any business entity represented by Proposer has received compensation for participation in the preparation of the item specifications or these Terms and Conditions related to this Proposal Invitation;
2) The Proposal has been arrived at independently and is submitted without collusion with any other Proposer, with any competitor or potential competitor, or with any other person or entity to obtain any information or gain any special treatment or favoritism that would in any way limit competition or give any Proposer an unfair advantage over any other Proposer with respect to the Proposal;
3) Proposer has not accepted, offered, conferred, or agreed to confer, and will not in the future accept, offer, confer, or agree to confer, any benefit or anything of value to any person or entity related to the Cooperative or any of its members in connection with any information or submission related to the Proposal, any recommendation, decision, vote, or award related to the Proposal, or the exercise of any influence or discretion concerning the sale, delivery, or performance of any product or service related to the Proposal;
4) Neither Proposer, nor any business entity represented by Proposer, nor anyone acting for such business entity, has violated the Federal Antitrust Laws or the antitrust laws of this State with regard to the Proposal, and the Proposal has not been knowingly disclosed, and will not be knowingly disclosed, to any other Proposer, competitor, or potential competitor prior to the opening of Proposals; and
5) No attempt has been or will be made to induce any other person or entity to submit or to not submit a Proposal.

(b) Certification Regarding Legal, Ethical, and Other Matters

Proposer agrees and certifies to the following:

1) Proposer has, or has the ability to obtain, such financial and other resources, including inventories, as may be required to fulfill all the responsibilities associated with the Proposal;
2) Proposer has a high degree of integrity and business ethics, and a satisfactory record of performance;
3) Proposer is an authorized dealer, distributor, or manufacturer for the products or services offered in the Proposal for each region or state Vendor proposes to serve in the Proposal;
4) Proposer has not been notified by any local, state, or federal agency with competent jurisdiction that its standing in any matters whatsoever would preclude it from submitting its Proposal and Proposer would in no other way whatsoever be disqualified to propose or receive any award or Contract related to this Proposal Invitation, and Proposer will comply with any reasonable request from the Cooperative to supply information sufficient to substantiate the foregoing representations;
5) Proposer has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever State or local jurisdiction is required, and Proposer has obtained, and will continue to maintain during the entire term of the Contract, all permits, approvals, or licenses necessary for lawful performance of its obligations under this Contract;

6) The prices, prompt payment discount terms, delivery terms, distribution allowances and the quality and/or performance (including warranties) of the product or services offered in the Proposal are and will remain the same or better than those offered Proposer's most favored customer under equivalent circumstances;
7) The Proposal complies with all federal, state, and local laws concerning these types of products or services, and Proposer will continue to comply with any applicable federal, state, and local laws related to Proposer's activities in connection with the Contract;
8) Proposer will comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon or state or local law, including Chapter 2258 of the Texas Government Code;
9) Proposer will maintain, at Proposer's expense, any insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Proposer or its employees or its agents of any service under the Contract; however, the existence of such insurance does not relieve Proposer of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided for by law; and
10) Any false statement contained in the Proposal is a material breach of contract which will void the Proposal or any resulting Contract, and subject Proposer to removal from all proposal lists, and possible criminal prosecution.

13. Proposal Signatures

Proposer must sign its Proposal in strict accordance with the Cooperative's instructions, including having an officer duly authorized by Proposer execute the Proposal. By signing, the signatory warrants that he or she has read and agrees to the terms of the Proposal and is authorized to execute same as a legally binding act of Proposer. A facsimile or imaged signature will be deemed an original.

14. No Reimbursement

Proposer understands and acknowledges the Cooperative will not reimburse or pay Proposer for any expenses Proposer incurs in preparing its Proposal or providing additional information required in connection with the Proposal.

C. Proposal Evaluation

1. General

A Proposal submitted in accordance with this Proposal Invitation will initially be considered for award; however, initial consideration of a Proposal will not constitute an assessment of its meeting the necessary qualifications, and a Proposal may be disqualified at any time during the evaluation process for failure to meet any other terms or conditions contained anywhere else in this Proposal Invitation.

2. Best Value Criteria

The Cooperative evaluates Proposals on the basis of best value to Cooperative members. In evaluating Proposals and determining best value for all Cooperative members, the Cooperative will consider the following criteria:

Best Value Criteria		Maximum Points
1	Price Competiveness	60
2	Vendor Past Performance	15

The Cooperative's evaluation will include Proposer's responses to the forms and other attachments included or associated with this Proposal Invitation, including but not limited to Proposer's responses to the Proposal Invitation Questionnaire. Only responsive Proposals will be evaluated. Failure to include all required information may result in a Proposal being deemed non-responsive.

As a general matter, the Cooperative makes competitive and indefinite quantity awards to Proposers that give the same or better discounts/pricing than they give their best governmental clients. Proposers should provide competitive pricing that is the same or better than the pricing provided their best governmental clients. Each Proposal is evaluated on its own merit and determined to be fair and reasonable by comparing the price/discounts that Vendor offers other governmental clients.

If this Proposal Invitation requires discount pricing, discount practices may be examined and evaluated, in the Cooperative's sole discretion, based on historical data, sales information, discounts granted to other governmental clients, and/or other market research techniques. The Cooperative may award Contracts to multiple Proposers supplying comparable products or services, also known as a multiple award schedule, or award the Contract to a single Proposer. The Cooperative's decision to make multiple awards or a single award will be based upon the Cooperative's sole discretion regarding the type of award that provides best value to all Cooperative members.

In regards to Vendor past performance, among other factors, the Cooperative may consider a Vendor's breach of contractual obligation on any other active or prior Cooperative contract awarded to Vendor including, but not limited to, nonpayment of service fees by Vendor, its parent company or affiliates and/or Vendor's failure to generate any minimum amount specified in a prior-awarded Cooperative contract.

3. Cooperative Board Decision

The Cooperative reserves the right to waive any or all irregularities, formalities, or other technicalities and to be the sole and independent judge of quality and suitability of any products or services offered. The Cooperative may accept or reject a Proposal in its entirety, or may reject any part of a Proposal without affecting the remainder of that proposal, and may award the individual items in this Proposal Invitation in any combination or in any way that provides best value to Cooperative members based on the criteria set out in section C.2 (Best Value Criteria) of these Terms and Conditions. The Cooperative may use all means at the collective disposal of the Cooperative and Cooperative members to evaluate Proposals. The final decision as to the best overall offer, including as to price and suitability of the proposed products or services to meet the needs of and provide best value to Cooperative members, rests solely with the Cooperative's Board of Trustees.

The Board's decision may be protested only in accordance with the Board's protest procedure policy, COOP-851, which is available from the BuyBoard Administrator upon request. Pursuant to COOP-851, a protest challenging the terms, conditions or form of notice of this Proposal Invitation and accompanying documentation must be received by the Cooperative no later than 5:00 p.m. CST the fifth (5^{th}) business day before the Proposal opening date, and a protest challenging an award decision, including bid evaluations, no later than 5:00 p.m. CST the fifth (5^{th}) business day after the award is posted on the BuyBoard vendor website.

D. Contract Award

1. Notice of Award and Related Matters

A Proposal is an offer by Proposer to contract with the Cooperative and Cooperative members in accordance with this Proposal Invitation, including without limitation the item specifications, and these Terms and Conditions. A Proposal does not become a Contract unless and until the Proposal is accepted by the Cooperative through the issuance of a written Notice of Award to the successful Proposer, whereupon the Contract becomes binding and enforceable. The Contract is then utilized by a Cooperative member by the member issuing a signed purchase order for the awarded products or services. Vendor must honor all purchase orders issued by Cooperative members during the Contract

term in accordance with these Terms and Conditions. The Cooperative may maintain Vendor's contract documents in electronic format for the duration of the Contract term.

The Cooperative reserves the right to allow awarded Vendors to add additional service regions, at the awarded pricing, to the Vendor's Contract during the Contract term.

As provided for in detail in section E.11 (The BuyBoard) of these Terms and Conditions, all Purchase Orders must be processed through the BuyBoard. All deliveries and financial transactions related to the Purchase Order will occur directly between Vendor and the ordering Cooperative member.

Cooperative members and Vendors do not have the authority to modify these Terms and Conditions. By submitting a Proposal, Vendor specifically agrees that these Terms and Conditions shall apply and that it shall not seek to impose on a Cooperative member additional terms and conditions or ancillary agreements that are inconsistent with, or intended to supersede these Terms and Conditions. Any attempt by a Vendor to impose terms and conditions on a Cooperative member that are inconsistent with or intended to supersede these Terms and Conditions which were not submitted by Vendor as a deviation with its Proposal and approved by the Cooperative shall be an event of default under the Contract and grounds for termination of Vendor's Contract. However, a Cooperative member may add terms to a Purchase Order that are consistent with these Terms and Conditions and are acceptable to Vendor, including negotiating a supplemental or ancillary agreement with Vendor containing additional terms and conditions for a specific purchase or purchases that are consistent with these Terms and Conditions. A Cooperative member may require a performance and/or payment bond from Vendor as may be required by law or deemed necessary or appropriate. Additionally, a Cooperative member may require Vendor to carry and provide proof of such insurance as may be required by state or local law or policy. Individual Cooperative members may in certain circumstances require background checks on Vendor employees who will have direct contact with students or staff, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history record information. To the extent of any conflict between these Terms and Conditions and requirements contained in any Cooperative member Purchase Order or supplemental/ancillary agreement, the stricter requirements on the Vendor shall apply. In the event of differing but equally stringent requirements, the Cooperative member Purchase Order or negotiated additional terms and conditions shall govern over the requirements in the Proposal Invitation.

2. Piggyback Contract and Other Entity Clause

It is the Cooperative's intent that other governmental entities throughout the United States, as well as administrator's nonprofit entity BuyBoard subscribers, have the opportunity to purchase the goods or services awarded under the Contract at the same pricing and according to these Terms and Conditions, subject to applicable state law, through a piggy-back award or similar agreement. To the extent applicable, Vendor must offer and sell the awarded goods and services to such other organizations and entities in accordance with Vendor's Proposal, including without limitation the State Service Designation form and the National Purchasing Cooperative Vendor Award Agreement.

E. Contract Performance

1. Contract Term

The term of the Contract is for the initial term stated in this Proposal Invitation, which term begins on the date specified in the Notice of Award. Unless otherwise stated in this Proposal Invitation, the Contract may be renewed for two (2) additional one (1)-year terms as provided for in this section E.1. A reference to "Contract term" in these Terms and Conditions means the initial term and any renewal term.

The Contract shall govern the Vendor's and the Cooperative member's rights and obligations with respect to any Purchase Order issued during the Contract term and afterwards, with respect to any Purchase Order or purchase bound by the Cooperative member for specified goods or services **before** the Contract award period ended.

Vendor has no right to or vested interest in a Contract renewal. The Cooperative will evaluate the Contract award prior to the expiration of the then current Contract term (initial or renewal), and reserves the right to not renew the Contract based on factors that may include, but are not limited to, the annual amount of business, Vendor's performance, and the continued provision of best value to Cooperative members. With respect to annual amount of business, Vendor must generate the minimum amount specified in the General Information document associated with this Proposal Invitation through the Contract, during both the initial and the first renewal term, or may not be offered a second renewal term. A vendor failure to generate this minimum amount may also be considered by the Cooperative as part of vendor's past performance evaluation on future proposal invitations. A renewal must be agreed to by the Cooperative and Vendor.

In the event the Contract term will expire before the Cooperative awards a successor contract for the categories of awarded products or services, the Contract may be extended beyond the expiration date on a month to month basis, or such other term as determined by the Cooperative, upon the agreement of the Cooperative and Vendor, provided that the awarded pricing does not increase during such extension.

2. Prevailing Wages, Bonding and Insurance Requirements

Vendor must comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon or state or local law, including Chapter 2258 of the Texas Government Code.

Vendor must provide any applicable performance and payment bonds as required by law, including Chapter 2253 of the Texas Government Code, or as requested by a Cooperative member. Vendor must maintain appropriate and sufficient insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect Vendor and the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Vendor or its employees or agents of any service under the Contract; however, the existence of such insurance does not relieve Vendor of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided by law.

3. Conformity to Item Specifications and Contract Award

Vendor warrants that the products or services Vendor provides under the Contract conform to the item specifications and other requirements of this Proposal Invitation (except to the extent and as specifically noted as deviations in Vendor's Proposal), and are free from all defects in material, workmanship and title. If Vendor deviates from an item specification, including delivering a product other than the specific brand and model of the product awarded, the ordering Cooperative member may reject the product when delivered and terminate the purchase order, at no cost or penalty to the member. Vendor further warrants that all products provided under the Contract meet applicable OSHA standards and regulations, and that any electrical items bear the appropriate listing from US, FMRC, NEMA, or UL Laboratories.

If awarded products are chemicals or other products that customarily require Material Safety Data Sheets (MSDS), Vendor must include the MSDS with the first shipment of the product to a Cooperative member during the Contract term. Vendor must provide additional MSDSs to Cooperative members upon request, promptly and at no additional cost.

4. Awarded Pricing

Awarded pricing may include line item pricing, discount off catalog or pricelist, not-to-exceed hourly labor rates, or other pricing structure as set forth in the Proposal Invitation. Except as provided in this section E.4 or otherwise in this Proposal Invitation, Vendor shall hold its awarded pricing firm during the Contract term.

For awards based on discount off catalog or pricelist, Vendor may submit updated pricelists or catalogs reflecting manufacturer or similar market-wide price increases that occur during the Contract term to the Cooperative, and shall provide upon request such supporting manufacturer documentation as the Cooperative may require. Such pricelists or catalogs must be provided in the same format required by the Proposal Invitation for catalogs and pricelists submitted

with Proposals. All pricelist or catalog changes must be supported by manufacturer price changes or similar market changes. The Cooperative reserves the right to reject any or all catalog or pricelist price changes as it deems to be in the best interest of and to provide best value to Cooperative members. Unless otherwise provided in the Proposal Invitation, no catalog or pricelist price increases, including website-based catalogs or pricelists, will be permitted or accepted within 180 days of Vendor's Proposal submission or within 180 days of submission of a prior revised catalog or pricelist. Updated pricelists or catalogs must be limited to awarded products or the pricelist or catalog may be rejected by the Cooperative in its entirety. Vendor must provide the Cooperative with prior notice of catalog and pricelist changes. Until such time as updated pricelists have been submitted to the Cooperative, or in the event the Cooperative rejects or determines further information is required before accepting a revised catalog or pricelist, Vendor shall be required to continue to apply the prior catalog or pricelist pricing, with applicable discount, to Cooperative members.

For awarded pricing based on hourly labor rates, Vendor may not exceed the awarded pricing during the Contract term unless changes to prevailing wage rates under state, local, or federal law applicable to the work to be performed require higher rates. In such event, the Vendor must notify the Cooperative and provide documentation supporting the required labor rate increase.

All awarded discounts must remain firm during the Contract term.

In the event Vendor decreases the price of awarded products or services for any or all of its other customers in similar market circumstances below the Contract price, Vendor must offer such decreased pricing to Cooperative members.

During the Contract term, Cooperative members may negotiate with Vendor, through the BuyBoard request for quotes (RFQ) function or otherwise, to obtain lower prices for awarded products or services based on volume or other factors.

If it is determined that a Vendor has sold products or services to Cooperative members through the Contract at a price higher than the applicable awarded pricing, Vendor shall be in default of its Contract and subject to termination.

Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the awarded pricing.

5. Packaging, Transportation, and Delivery

Unless otherwise provided for in this Proposal Invitation, all products must be packaged in containers that are new, appropriately designed for the product, and sturdy enough to protect the product during loading, transit, unloading, and storage, and be suitably packed to secure the lowest transportation costs. Products for which palletizing is appropriate must be delivered on standard 48" 4-way pallets in good, serviceable condition.

Vendor is responsible for paying all freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member, and for the risk of loss until the product is delivered to and accepted by the Cooperative member. Freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member are to be prepaid by Vendor. Vendor may collect the actual amount of such charges after delivery and acceptance, provided that the charges (a) were disclosed to the Cooperative member, if requested, and in all instances in which the charges exceed ten percent (10%) of the total cost of the order, prior to shipment; (b) are itemized and shown separately on the member's invoice; and (c) are supported by appropriate documentation submitted with the invoice.

Except for items that have hidden defects or that do not meet specifications, title and risk of loss to products pass to a Cooperative member upon the member's actual receipt and acceptance of the product at the point and time of delivery. Unless otherwise noted in the proposal (as a deviation) or the Purchase Order, Vendor must deliver or

provide awarded products or services within ten (10) business days after receipt of a Cooperative member's purchase order. Vendor must immediately notify the Cooperative member's primary contact of any anticipated or actual delay and document the notice in writing, and the member may extend the delivery time or cancel the order if the delay is unacceptable. If the Cooperative member has not received notice of the delay as required by this section, the member may, at its discretion, return to Vendor any items received after the due date, at Vendor's expense and without liability or penalty to the member. When the needs of a Cooperative member require immediate response, the right to pick up products on an "over the counter" basis must be available for the majority of the awarded products. In these circumstances, the Cooperative member's personnel may pick up the products at Vendor's warehouse location. Additionally, a Cooperative member may request emergency delivery, and Vendor must use its best efforts to comply with rush or emergency requests. If Vendor cannot fulfill the emergency delivery requirement, the member may procure the products or services from alternative sources without penalty. Time is of the essence in Vendor's performance of the Contract.

6. Packing Lists, Invoices and Payments

Packing lists or other suitable shipping documents must accompany each shipment and state: (a) Vendor's name and address; (b) Cooperative member's name and address or delivery location; (c) Cooperative member's Purchase Order number; (d) descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, and total number of containers; and (e) copies of all product warranties for the item(s) delivered. Vendor must submit separate invoices, in duplicate, on each purchase order after each delivery. Invoices must (a) contain the information stated above; (b) separately itemize any transportation and delivery charges, and include associated documentation; (c) include a properly signed copy of the delivery receipt; and (d) be mailed directly to the ordering Cooperative member. Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the awarded pricing and must not be separately itemized in the invoice.

Payment by the Cooperative member is due after a Cooperative member's receipt and acceptance of ordered products or services and the documentation identified above, including a complete and correct invoice, in accordance with the Prompt Payment Act (Chapter 2251 of the Texas Government Code.) A Cooperative member is not responsible for products delivered or invoiced without a valid purchase order number.

A Cooperative member's obligation to Vendor is payable only and solely from funds available for the purpose of the purchase. Lack of funds will render a member's purchase order null and void to the extent funds are not available and any delivered but unpaid product will be returned to Vendor. Neither the Cooperative nor TASB is liable or responsible for any payment owed Vendor by a Cooperative member under the Contract.

7. Product Inspection, Testing, and Defective Items

Products supplied under the Contract must be delivered in the best possible condition, be covered by the product warranties provided by Vendor and/or the product manufacturer to other customers, and are subject to inspection, testing, and approval by the Cooperative or a Cooperative member. Tests may be performed on samples taken from any regular shipment of the product. In the event a tested product fails to meet or exceed all requirements of the item specifications or these Terms and Conditions, Vendor must pay the cost of the samples and the testing. Upon receipt of notification from the Cooperative or Cooperative member, Vendor must pick up and replace the defective product within five (5) business days or on the next service date, whichever is sooner, without charge for the replacement or delivery. Additionally, the Cooperative or member may dispose of defective products that are not picked up and replaced by Vendor, without cost. Products damaged in shipment are considered defective for purposes of the foregoing. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance of such products. The Cooperative or Cooperative member must have access to Vendor's place of business during normal business hours for the purpose of inspecting any awarded product.

8. Substitutions

Vendor's Proposal must specify the products or services Vendor proposes to provide under each category of the Proposal Invitation specifications. Vendor shall only be permitted to provide those products or services specified for categories under which Vendor is awarded under the Contract. Except as provided in this section E.8, the Cooperative will not accept substitutions to any of the product(s) listed in the Proposal after a Notice of Award has been issued. If an awarded product or catalog of products is discontinued by the manufacturer and the same manufacturer offers an equivalent replacement product or catalog of products within the same Proposal Invitation specifications and category(ies) for which Vendor was awarded, Vendor may substitute the replacement product for the awarded product. Vendor shall submit supporting documentation to the Cooperative regarding any substitutions. The Cooperative reserves the right to reject, in its sole discretion, any substitution.

9. Product and Service Guarantees and Warranties

Vendor must not limit or exclude any implied warranties and shall extend such warranties on the awarded product, as well as the installation thereof if such installation is provided by Vendor, as are normally provided to other customers of Vendor. All services shall be performed in a good and workmanlike manner consistent with industry standards. Unless a deviation is submitted by the Vendor with its proposal and accepted by the Cooperative pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions) of these Terms and Conditions or unless a different warranty is required by a Cooperative member Purchase Order or supplemental contract, a minimum of a ninety (90)-day product or service guaranty or the manufacturer's standard commercial warranty, whichever is greater, will apply to all awarded products and services. At a minimum, all product warranties must provide for replacement of defective merchandise, parts, and labor, and include pick-up of the defective merchandise from the location specified by the Cooperative member and delivery of the replacement(s) to the same location. In addition, such warranty shall include curing any defects in connection with any Vendor installation of the product at no additional cost to the member. The warranty period is effective from the date the Cooperative member accepts the product or the date the service is completed and accepted by the Cooperative member.

Vendor shall respond to any reasonable requests for information from the Cooperative, its administrator, or a Cooperative member in regards to concerns regarding public health or safety regarding awarded products, including such documentation as may be reasonably requested. In the event of any product recalls affecting awarded products, as soon as practicable, Vendor shall notify in writing both the Cooperative and any Cooperative members who made purchases from Vendor for such recalled products of the recall and proposed action. At a minimum and without waiving any other requirements under law or Cooperative member purchase order, Vendor shall be required with respect to purchasing Cooperative members to take all action required by law or any greater remedy as may be offered by Vendor to other customers with respect to recalled products, including but not limited to, prompt replacement and/or refunds.

10. Multiple Distribution Centers, Single Point of Contact, and Designated Dealers

If Vendor delivers products out of more than one warehouse or distribution center, all warehouses or distribution centers involved in the distribution plan must carry or have timely access to all awarded items and must be able to respond to orders in a timely manner. Unless otherwise specified in this Proposal Invitation, product substitutions are not allowed, and the involvement of multiple distribution centers does not alter the restriction against product substitution.

The Cooperative and Cooperative members will have **one Vendor contact person** for overall contract management relative to the Contract, even if Vendor uses multiple distribution centers or designated dealers, and the Cooperative and its members will not be required to deal with multiple Vendor contacts for overall contract management.

If Vendor is a manufacturer that sells products through a dealer network, Vendor may request to designate a dealer or multiple dealers ("Designated Dealer" or "Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf by completing and submitting to the Cooperative's administrator the information required on the

Manufacturer Dealer Designation form contained in the Proposal Invitation, and/or such other form or information as the Cooperative's administrator may reasonably require.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

Further, Vendor acknowledges and agrees that, if Vendor opts to submit Designated Dealers under the Contract, Vendor is responsible for ensuring the accuracy of, maintaining, and updating the Designated Dealer information provided to the Cooperative and ensuring and confirming such information has been received by the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

11. The BuyBoard

The awarded Contract will be posted on the BuyBoard website as an online electronic catalog(s). **Except as expressly authorized in writing by the Cooperative's administrator, neither Vendor nor any Vendor Designated Dealer is authorized to process a Purchase Order received directly from a Cooperative member**, and a Cooperative member that wishes to procure goods or services under the Contract will initiate a Purchase Order through the BuyBoard, which will be transmitted to Vendor or Vendor's Designated Dealer(s). All Purchase Orders generated by or under the contract must be processed through the BuyBoard. To the extent that a Vendor or a Vendor Designated Dealer erroneously processes a Purchase Order received directly from a Cooperative member without express written authorization from the Cooperative's administrator, such actions may be considered in breach of Vendor's obligations under the Contract but shall not alter the nature of the transaction as a BuyBoard purchase or relieve Vendor of the obligation to pay the service fee on such purchase, the intent of the Cooperative member to purchase through the Cooperative contract being paramount. Vendor and any Vendor Designated Dealer must maintain the computer and telephone hardware necessary to provide for the electronic receipt of Purchase Orders, and pay such costs and fees as may be imposed by a supplier or service provider for the software, equipment and service required to use the BuyBoard. To the extent that a Vendor is authorized in writing by the Cooperative administrator to process a Purchase Order received directly from a Cooperative member, Vendor shall be required to comply with all conditions imposed by the Cooperative as a part of such authorization.

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) or billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf including, if Vendor is a manufacturer, any Designated Dealer(s) of Vendor's products. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

13. Disclaimer of Warranty and Limitation of Liability

THE COOPERATIVE AND TASB (BOTH D/B/A BUYBOARD) DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO THE AVAILABILITY, ACCURACY, CONTENT OR ANY OTHER ASPECT OF ANY INFORMATION, PRODUCT, OR SERVICE FURNISHED UNDER THE CONTRACT AWARD, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. WITH RESPECT TO ANY AND ALL CAUSES OF ACTION ARISING UNDER OR RELATED TO THE CONTRACT, NEITHER THE COOPERATIVE NOR TASB, NOR THEIR RESPECTIVE OFFICERS, BOARD MEMBERS, EMPLOYEES OR AGENTS, IS LIABLE TO VENDOR UNDER ANY CIRCUMSTANCES FOR LOST REVENUE, DATA OR PROFITS, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, EVEN IF THE COOPERATIVE AND/OR TASB HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY PROVIDED BY LAW, IN NO EVENT WILL THE COOPERATIVE AND/OR TASB'S TOTAL JOINT LIABILIY TO VENDOR EXCEED THE AMOUNT OF THE SERVICE FEE PAID BY VENDOR DURING THE TWELVE MONTHS IMMEDIATELY PRECEEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

Neither the Cooperative nor TASB is in any way liable to Vendor for a Cooperative member's performance or nonperformance of the member's obligations under the Contract or Purchase Order.

14. Sales Tax

Cooperative members are governmental entities which are generally exempt by law from the payment of state sales tax and federal excise tax. Vendor may request a Cooperative member to provide a tax exemption certificate, or the member may establish its tax exempt status by including tax exemption information or tax exemption certificate with the purchase order as authorized under law. Vendor is responsible for collecting such taxes, if any, as may be due from a Cooperative member and remitting payment to the appropriate taxing authority.

15. Use of Logo and Trade Name

The BuyBoard trade name and logo are proprietary to TASB and have been specifically licensed by TASB to the Cooperative. Vendor may not use, display, or otherwise distribute the BuyBoard logo or trade name except in strict accordance with the Cooperative's written guidelines posted on the BuyBoard website.

16. Indemnification

Vendor agrees to defend, indemnify, and hold harmless the Cooperative, TASB and Cooperative members, and their officers, board members, agents and employees, from and against all claims, actions, suits, demands, proceeding, costs, damages and liabilities, including court costs and attorney's fees, arising out of or resulting from any acts or omissions of Vendor or its agents, employees, suppliers or contractors or subcontractors in the execution of or performance under the Contract or a purchase order, as applicable.

17. Intellectual Property Infringement

Without limiting the scope of section E.16 (Indemnification) of these Terms and Condition, if any claim is asserted, or action or proceeding brought against the Cooperative or a Cooperative member that alleges that all or any part of the products supplied by Vendor, in the form supplied or modified by Vendor, or its subcontractors pursuant to Vendor's sole directions, infringes or misappropriates any United States intellectual property, intangible asset, or other proprietary right, title or interest (including, without limitation, any copyright or patent or any trade secret right, title, or interest), or violates any other contract, license, grant, or other proprietary right of any third party, the Cooperative, upon its awareness, shall give Vendor prompt written notice thereof. Vendor shall defend, and hold the Cooperative and the Cooperative member harmless, against any such claim or action and shall indemnify the Cooperative and Cooperative member against any liability, damages and costs resulting from such claim. In addition, if, in any such suit arising from such claim, the continued use of the product for the purpose intended is enjoined by any court of competent jurisdiction, Vendor shall, at its expense and option, either (a) procure for the Cooperative member the right to continue using the product; (b) modify the product so that it becomes non-infringing; (c) replace the product or portions thereof so that it becomes non-infringing; or (d) allow the Cooperative member to return the product and refund the purchase price (less reasonable depreciation for use.)

18. Remedies for Default and Termination of Contract

Except as otherwise provided for in these Terms and Conditions, either party may terminate the Contract in whole or in part in the event of the other party's substantial failure to fulfill its obligations under the Contract through no fault of the terminating party; provided, however, that the defaulting party is given at least ten (10) business days prior written notice of the default and intent to terminate (delivered by certified mail, return receipt requested, or other method that similarly documents receipt), and a ten (10) business day opportunity to remedy the default to the satisfaction of the terminating party (or, in the event of default based on Vendor's failure to timely remit the service fee due the Cooperative, such longer cure period as may be established by Cooperative policy.)

At the Cooperative's option and in addition to any other remedies it may have available, the Cooperative may terminate the Contract if Vendor fails to adhere to or violates any of the provisions of these Terms and Conditions, including the certifications. Without limiting the scope of the foregoing, one or more of the following constitute grounds for termination:

a) Delivery of product or services that fail to meet the item specifications;
b) Delivery of product or services that are defective or substandard or fail to pass product inspection;

c) Delivery of a product substitution, except as specifically authorized;
d) Failure to meet required delivery schedules;
e) Failure to timely supply the awarded products or services at the contract price;
f) Failure to timely remit any service fee due the Cooperative under the Contract or any other BuyBoard contract with Vendor, it parent company, or affiliates;
g) Failure to provide, within a reasonable time and where required by the Contract, information reasonably requested by the Cooperative including, but not limited to, information requested under section E.12 of these Terms and Conditions;
h) Processing a Purchase Order received directly from a Cooperative member, without prior written approval from the Cooperative's administrator;
i) Providing architectural or engineering services under the Contract that must be procured pursuant to the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code);
j) Selling non-awarded goods or services under the Contract or any other BuyBoard contract with Vendor; or
k) Vendor refusal, inability or loss of ability, to offer or provide awarded goods or services to Cooperative members in awarded regions or states unless caused by a Force Majeure event pursuant and subject to section E.19.

Notwithstanding any other provision of this section E.18, in the event of Vendor's default under or breach of any provision in the Contract, the Cooperative reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of the Cooperative or necessary or appropriate to protect or provide best value to Cooperative members. Without limiting the scope of the foregoing, the Cooperative or its administrator may temporarily inactivate (suspend) Vendor from the BuyBoard website and as a BuyBoard vendor, suspend or remove any Vendor Designated Dealer from the BuyBoard website, or require removal of an awarded product with or without prior notice to Vendor, if the Cooperative or its administrator determines that a breach under the Contract or any other BuyBoard contract with Vendor, including nonpayment of service fees, or a potential public health, policy or safety issue warrants such action, and the temporary inactivation will remain in effect pending further action or termination of the Contract by the Cooperative or its administrator. Vendor remains liable for all obligations and responsibilities incurred prior to and during any temporary inactivation and prior to termination, as applicable.

In the event the Cooperative terminates the Contract, in whole or in part, the Cooperative reserves the right to award the terminated Contract, or any portion thereof, to the next Proposer the Cooperative determines to provide best value to Cooperative members.

A Cooperative member has no authority to terminate the Contract at the Cooperative level for default, but may terminate a Purchase Order or refuse to accept delivery as provided for in these Terms and Conditions or for Vendor's material breach of a term or condition included in a member Purchase Order or supplemental contract. Additionally, the Cooperative and Cooperative members may sue for breach of contract and specific performance and, in addition to contract damages, recover attorneys' fees and costs.

Neither the Cooperative nor a Cooperative member will be liable to Vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on Vendor's default or breach of contract.

If any delay or failure of performance is caused by a Force Majeure event as described in section E.19 (Force Majeure) of these Terms and Conditions, the Cooperative may, in its sole discretion, terminate the Contract in whole or part, provided such termination complies with the procedures set out above. Any Contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future proposals from the defaulting Vendor.

In the event a Vendor's Contract is terminated under this section E.18, Vendor shall remain responsible for payment of all service fees to the Cooperative for products and services sold to Cooperative members prior to such termination.

19. Force Majeure

The term Force Majeure includes, but is not limited to, governmental restraints or decrees, provided they affect all companies in Vendor's industry equally and are not actions taken solely against Vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The Cooperative, Cooperative members, and Vendor are required to use due caution and preventive measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred rests on the party seeking relief under this section E.19. The claiming party must promptly notify the other party in writing, citing the details of the Force Majeure event, use due diligence to overcome obstacles to performance created by the Force Majeure event, and resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance of the Contract or a Purchase Order caused solely by a Force Majeure event will be excused for the period of delay caused solely by the Force Majeure event, provided the party claiming the event promptly notifies the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure. Neither the Cooperative nor a Cooperative member will be responsible for any cost incurred by Vendor because of the Force Majeure event unless the Cooperative member has requested, in writing, that Vendor incur such cost in connection with any delay or work stoppage caused by the Force Majeure event.

Notwithstanding any other provision of this section E.19, in the event Vendor's performance of its obligations under the Contract is delayed or stopped by a Force Majeure event, the Cooperative may, at its sole option, terminate the Contract in accordance with section E.18 (Remedies for Default and Termination of Contract) of these Terms and Conditions. This section E.19 does not limit or otherwise modify any of the Cooperative's rights as provided elsewhere in the Contract.

F. Miscellaneous

1. Assignment

Vendor may not sell, assign, transfer, convey or subcontract any responsibility or obligation created by the Contract in regards to the Cooperative without the Cooperative's prior written consent. A Vendor wishing to assign, transfer, or convey all or any portion of an awarded Contract shall submit a written request to the Cooperative, preferably at least 60 days before the projected effective date of the assignment and provide such information as the Cooperative may require to process and consider the request.

Approval or denial of an assignment request shall be within the sole discretion of the Cooperative, and a vendor not awarded a Contract through the Proposal Invitation process has no right or vested interest to assignment of an awarded Contract. In determining whether to consent, the Cooperative may consider any relevant factors, including whether the person to which the sale, assignment, transfer, conveyance or subcontract is proposed is bound to and will honor all obligations and responsibilities imposed on Vendor under the Contract, including awarded pricing, and the best interest of and value to Cooperative members. Vendor's attempted sale, assignment, transfer, conveyance or subcontracting of any part of the Contract except in compliance with this section F.1 is void and ineffective.

If Vendor ceases distribution of an awarded product for any reason during the Contract term, including ceasing distribution in one or more regions or states designated by Vendor in its Texas Regional Service Designation or State

Service Designation forms, and the Cooperative determines that continued availability of the product provides best value to Cooperative members, the Cooperative reserves the right to place the manufacturer of such product on the BuyBoard for the remainder of the Contract term for any or all regions or states in which Vendor has ceased distribution, in which event Vendor's Contract for such product will be deemed assigned to the product manufacturer.

2. Notices

Unless otherwise provided for in this Proposal Invitation, any written notice or other communication required by the Contract or by law will be conclusively deemed to have been given and received on the third business day after such written notice has been deposited in the U. S. Mail, properly addressed, and with sufficient postage affixed thereto, provided that actual notice may also be given in any other manner used in commerce.

If the conclusion of any time period provided for in these Terms and Conditions falls on a weekend or a federal holiday, the conclusion of such time period shall be deemed to be extended until the next business day. Otherwise, references to time periods measured by days shall mean calendar days unless business days are specifically designated.

3. Equal Employment Opportunity (EEO) Disclosures

Vendor agrees to abide by all applicable laws, regulations, and executive orders pertaining to equal employment opportunity, including federal laws and the laws of the state in which Vendor's primary place of business is located. In accordance with such laws, regulations and executive orders, Vendor agrees that no person in the United States shall, on the grounds of race, color, religion, national origin, sex, age, veteran status, disability or genetic information, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed by Vendor under the Contract. Upon request, Vendor will furnish information regarding its nondiscriminatory hiring and promotion policies.

4. Applicable Law, Venue and Dispute Resolution

The Contract is governed by and will be construed according to the laws of the State of Texas, including the Uniform Commercial Code (UCC) as adopted in the State of Texas as effective and in force on the date of the Contract. Venue for any litigation concerning the Cooperative or TASB lies in Austin, Travis County, Texas, and venue for any litigation between a Cooperative member and Vendor arising under the Contract lies in the home county of the member. The parties have the mutual affirmative duty to attempt to resolve any disputes that arise under the Contract in good faith at the least possible expense prior to the initiation of any type of judicial or administrative proceeding.

5. Waiver

No claim or right arising out of a breach of the Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. A party's failure to require strict performance of any provision of the Contract does not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision.

6. Interpretation – Parol Evidence

This writing is intended by the parties as a final expression of their agreement and a complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties and no usage of the trade is relevant to supplement or explain any terms used in the Contract. Acceptance or acquiescence in a course of performance rendered under the Contract is not relevant to and does not determine the meaning of the Contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection.

7. Right to Assurance

Whenever the Cooperative in good faith has reason to question Vendor's intent to perform, the Cooperative may demand that Vendor give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the Cooperative may treat the failure as an anticipatory repudiation of the Contract.

8. Non-Appropriations Clause
Texas law prohibits the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. A Cooperative member that is a governmental entity (a) reserves the right to rescind a multi-year purchase order or other agreement to purchase products or services under the Contract at the end of the member's fiscal year if it is determined that funding is not available to extend the agreement; and (b) will use its best efforts to attempt to obtain and appropriate funds for payment.

9. Invalid Term or Condition
If any term or condition of the Contract is held invalid or unenforceable, the remainder of the Contract will not be affected and will be valid and enforceable.

10. Remedies Cumulative
The remedies available to the Cooperative, a Cooperative member, or Vendor under this Contract are in addition to any other remedies that may be available under law or in equity.

11. Signatures
Except as required pursuant to section B.13 (Proposal Signatures) of these Terms and Conditions with respect to Proposals and related documentation or as otherwise specifically required in these Terms and Conditions, all notices, requests, amendments and other written documentation required or authorized under the Contract may be provided by facsimile or as an imaged document, and an electronic, facsimile or imaged signature shall be deemed an original.

12. Right of Setoff
Any indebtedness or obligation owed by Vendor or Vendor's affiliates to the Cooperative may be appropriated and applied by the Cooperative at any time, and from time to time, on any indebtedness or other obligation owed by the Cooperative to Vendor or Vendor's affiliates, whether such indebtedness or other obligations are now existing or hereafter arise, and whether under the Contract or otherwise. It is further understood and agreed that this right of setoff is in addition to, and not in lieu of, any other right, remedy or recourse which is available to the Cooperative either at law or equity, and that failure to exercise such right of setoff in any instance shall not constitute a waiver of such right.

Re: Vehicles, Heavy-Duty Trucks, Police Motorcycles, Parts, and Service Labor
BuyBoard Contract No. 601-19

The Local Government Purchasing Cooperative (BuyBoard) awarded your company a contract under Contract No. 601-19, Vehicles, Heavy-Duty Trucks, Police Motorcycles, Parts, and Service Labor, for which the current term is set to expire November 30, 2022. We previously notified you that, in accordance with the General Terms and Conditions of the Contract, BuyBoard intended to consider extensions to this contract on a month-to-month basis after the expiration of the current term until a successor contract is awarded.

We are writing to inform you that, at this time, BuyBoard is extending your contract on a month-to-month basis beginning December 1, 2022. All discounts, terms, and conditions of your contract will remain the same. If you agree to this extension, there is nothing you need to do. However, if you do not agree to this extension, you must notify me via email at connie.burkett@tasb.org on or before November 30, 2022.

BuyBoard expects to issue a new proposal invitation for Vehicles, Heavy-Duty Trucks, Police Motorcycles, Parts, and Service Labor in 2023. Please keep an eye out for the proposal invitation, as you must submit a proposal to have the opportunity to be considered for award on future contracts. You will be separately notified when your current contract (Contract No. 601-19) expires which in all events, regardless of whether notice is provided or received, shall be no later than the last day before the start date of the successor contract.

If you have questions, please contact me at connie.burkett@tasb.org. We appreciate your interest in The Local Government Purchasing Cooperative.

Sincerely,

Connie W. Burkett

The Local Government Purchasing Cooperative (BuyBoard) awarded your company a contract under Contract No. 601-19, Vehicles, Heavy-Duty Trucks, Police Motorcycles, Parts, and Service Labor, for which the current term is set to expire November 30, 2022. We are writing to inform you that, in accordance with the General Terms and Conditions of the Contract, BuyBoard intends to consider extensions to this contract on a month-to-month basis after the expiration of the current term until a successor contract is awarded.

This letter is not an extension of your contract. Final decisions regarding specific extensions will not be made until closer to contract expiration, and you will be informed at that time of any renewal decision regarding your company's contract. However, as we recognize that vendors may be anticipating release of a new BuyBoard proposal invitation for vehicles, heavy-duty trucks, police motorcycles, parts, and service labor soon, we wanted to reach out now to inform you that issuance of a new proposal invitation will be delayed. In the meantime, all discounts, terms, and conditions of your current contract, including minimum sales requirements for consideration for renewal, remain the same.

If you have questions, please contact me at connie.burkett@tasb.org. We appreciate your interest in The Local Government Purchasing Cooperative.

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

(A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;

(B) a transaction conducted at a price and subject to terms available to the public; or

(C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

***

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds $2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than $100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

COOPERATIVE PURCHASE AGREEMENT

This Cooperative Purchase Agreement ("Agreement") is entered into by and between Caldwell Country Chevrolet LLC. (Vendor") and the City of Brownsville, ("City"), a Texas home rule municipality.

The Cooperative Purchase Agreement includes the following documents which shall be construed in the order of precedence in which they are listed:

1. This Cooperative Purchase Agreement.
2. Exhibit A – Quote/Proposal.
3. Exhibit B – Cooperative Agency Contract Solicitation Number BuyBoard 601-19
4. Exhibit C – Original RFP -601-19, and Award of Contract.
5. Exhibit D – Renewal;

Exhibits A, B, C, and D which are attached hereto and incorporated herein, are made a part of this Agreement for all purposes. Vendor agrees to provide City with the services and goods included in Exhibit A pursuant to the terms and conditions of this Cooperative Purchase Agreement, including all exhibits thereto.

City shall pay Vendor in accordance with the fee schedule in Exhibit A and in accordance with the provisions of this Agreement. Total payment made under this Agreement by the City shall Not exceed One Hundred Fifty-One Thousand and Four Hundred and Fifty-Seven Dollars and Zero Cents ($151,457.00). Vendor shall not provide any additional items or services or bill for expenses incurred for City not specified by this Agreement unless City requests and approves in writing the additional costs for such services. City shall not be liable for any additional expenses of Vendor not specified by this Agreement unless City first approves such expenses in writing.

This Agreement shall be for the purchase and delivery of a 2024 Chevrolet 5500 Silverado Truck. Notwithstanding the foregoing, the parties understand and acknowledge that the BuyBoard cooperative contract the City is relying on for cooperative purchase expires on November 30, 2023 at which time the City's Agreement with Vendor shall also expire.

Vendor agrees that City shall, until the expiration of five (5) years after final payment under this Agreement, or the final conclusion of any audit commenced during the said three years, have access to and the right to examine at reasonable times any directly pertinent books, documents, papers and records, including, but not limited to, all electronic records, of Vendor involving transactions relating to this Agreement at no additional cost to City. Vendor agrees that City shall have access during normal working hours to all necessary Vendor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. City shall give Vendor reasonable advance notice of intended audits.

VENDOR ACKNOWLEDGES THAT CITY IS A GOVERNMENT ENTITY AND AS SUCH CANNOT INDEMNIFY OR HOLD HARMLESS A PARTY WITHOUT FIRST CREATING A SINKING FUND OR LEVYING A TAX. VENDOR FURTHER ACKNOWLEDGES THAT THE CITY HAS NO

INTENTION OF CREATING SUCH A SINKING FUND OR LEVYING A TAX. THE PARTIES AGREE THAT ANY PROVISION CONTAINED WITHIN THE CONTRACT DOCUMENTS REQUIRING THE CITY TO INDEMNIFY OR HOLD HARMLESS THE VENDOR IS HEREBY STRICKEN.

Notices required pursuant to the provisions of this Agreement shall be conclusively determined to have been delivered when (1) hand-delivered to the other party, its agents, employees, servants or representatives, (2) delivered by facsimile with electronic confirmation of the transmission, or (3) received by the other party by United States Mail, registered, return receipt requested, addressed as follows:

Re: *Notice of The Local Government Purchasing Cooperative Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 601-19 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

1. Vendor Quick Reference Guide 2. BuyBoard License and Identity Standards

You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by email to info@buyboard.com any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please email the order info@buyboard.com and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas

Re: *Notice of National Purchasing Cooperative Piggy-Back Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The National Purchasing Cooperative (National Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. As provided for in the Proposal and your National Purchasing Cooperative Vendor Award Agreement, you are authorized to sell the goods and services awarded under the Proposal to National Cooperative members in states other than Texas through the BuyBoard. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals.

The National Cooperative membership list is available at our website www.buyboard.com/vendor. The list identifies the current members that may purchase awarded goods and services under your National Cooperative BuyBoard contract.

You are advised that receipt of a purchase order directly from a National Cooperative member is not within BuyBoard guidelines. Accepting purchase orders directly from Cooperative members may result in a violation of applicable competitive procurement law and termination of this National Cooperative BuyBoard contract. **Therefore, all purchase orders from National Cooperative members must be processed through the BuyBoard**. Please forward by e-mail to info@buyboard.com any order received directly from a National Cooperative member. If you inadvertently process a purchase order sent directly to you by a National Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the National Cooperative, we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff at 800-695-2919**.

Sincerely,

Arturo Salinas

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☒ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☑ Yes ☐ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Effective September 1, 2017, Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature below, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. The Cooperative will consider any deviations in its contract award decision, and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. If you wish to designate multiple dealers, please duplicate this form as necessary.

TEXAS REGIONAL SERVICE DESIGNATION

The Cooperative (referred to as "Texas Cooperative" in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. ***If you propose to serve different regions for different products or services included in your proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies in the space provided at the end of this form. By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE/PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 19,867,477. (The period of the 12 month period is August 2018 / August 2019). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:
Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:
Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:
Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:
For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:
For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:
In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

PROPOSAL INVITATION QUESTIONNAIRE

The Cooperative will use your responses to the questions below in evaluating your Proposal and technical and financial resources to provide the goods and perform the services ("Work") under the BuyBoard contract contemplated by this Proposal Invitation ("Contract"). Proposers must fully answer each question, numbering your responses to correspond to the questions/numbers below. Proposers must complete below or attach your responses to this questionnaire, sign where indicated below, and submit the signed questionnaire and your responses to all questions in one document with your Proposal. **You must submit the signed questionnaire and responses with your Proposal or the Proposal will not be considered.**

1. List the number of years Proposer has been in business and former business names (if applicable). Note whether your company is currently for sale or involved in any transaction that would significantly alter its business or result in acquisition by another entity.

Caldwell Country Chevrolet has been in the Government Fleet business since 2004 and been in business to sell vehicles for many years before that. We are currently not involved in a sale or any transaction that would significantly alter our business.

2. Describe the resources Proposer has to manage staff and successfully perform the Work contemplated under this Contract. State the number and summarize the experience of company personnel who may be utilized for the Work, including those who will be available to Cooperative members for assistance with project development, technical issues, and product selection for Work associated with this Contract.

We currently have a team to manage all of our Municipal contracts. We have over 40 years in Government Fleet experience and have adapted and hired the staff to support all our customers needs. We have dedicated years to building the municipal side of the business and do whatever we can to keep all of our customers happy. As a company, we have been working with the Buyboard for over 20 years.

3. Describe Proposer's financial capability to perform the Contract. State or describe the firm's financial strength and rating, bonding capacity, and insurance coverage limits. State whether the firm, or any of the firm's past or present owners, principal shareholders or stockholders, or officers, have been a debtor party to a bankruptcy, receivership, or insolvency proceeding in the last 7 years, and identify any such debtor party by name and relationship to or position with your firm.

Caldwell Country Chevrolet delivers over 3500 Chevrolet vehicles to various governmental agencies all over the State and Country. We have the financial capability to preform this contract and the insurance to cover it. We have not had any officers or owners involved in an financial troubles.

4. Does your company have any outstanding financial judgments and/or is it currently in default on any loan or financing agreement? If so, provide detailed information on the nature of such items and prospects for resolution.

Caldwell Country Chevrolet does NOT have any outstanding financial judgements or any defaults on loans.

5. List all contracts, if any, in the last 10 years on which Proposer has defaulted, failed to complete or deliver the work, or that have been terminated for any reason. For each such contract, provide the project name, scope, value and date and the name of the procuring entity. Fully explain the circumstances of the default, failure to complete or deliver the work, or termination.

None.

6. List all litigation or other legal proceedings (including arbitration proceedings), if any, in the last 10 years brought against your firm, or any of the firm's past or present owners, principal shareholders or stockholders, officers, agents or employees, that relates to or arises from a contract similar to this Contract or the work contemplated under this Contract. Provide the style of the lawsuit or proceeding (name of parties and court or tribunal in which filed), nature of the claim, and resolution or current status.

None.

By signature below, I certify that the information contained in and/or attached to this Proposal Invitation Questionnaire in response to the above questions is true and correct and that I am authorized by my company to make this certification.

THE LOCAL GOVERNMENT PURCHASING COOPERATIVE
ADDENDUM NO. 1

Proposal Invitation No. 601-19
Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

The following modifications are made to the above referenced Proposal Invitation and shall become a permanent part of the Proposal Invitation document:

I. Proposal Invitation Forms; Vendor Contact Information. On the Vendor Contact Information form, **Invoices**, the third included option for Vendors to authorize service fee invoices to be provided to Designated Dealers receiving purchase orders is **deleted**. Vendors must either accept invoices directly or designate one billing agent for receipt of service fee invoices. Vendors will no longer be permitted to have invoices directed to Designated Dealers. Therefore, when completing the Vendor Contact Information form, **Invoices** section, Vendor may only select and complete either the first option ("Service fee invoices and related communications should be provided directly to my company ...") or second option ("In lieu of my company, I request and authorize all service fee invoices to be provided directly to the following billing agent ...").

II. General Terms and Conditions, Section E.12, Service Fee. Section E.12 of the General Terms and Conditions (Service Fee) is revised to read as follows:

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) and billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor

shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

Please sign and return one copy of this addendum with your proposal as verification of your receipt and compliance with the information contained in this addendum.

Proposal Invitation No. 601-19-Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor

(Manufacturer specification sheets and options pricelist must be submitted with proposal.[1])

NOTE 1: Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All vehicle ancillary fees to be charged for any purchase from this contract with the exception of delivery fees *(i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre delivery inspection, make ready, applicable state inspection, and manufacturer destination fees, etc.)* are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be allowed. The Cooperative service fee is not a "vehicle fee" and is not to be included in the base pricing.

NOTE 2: An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

NOTE 3: Franchise Motor Vehicle Dealer Certificate from Texas Department of Motor Vehicles. Manufacturer certificate from Texas Department of Motor Vehicles or, if vendor proposes to serve states outside of the State of Texas, the applicable dealer license(s) for such state(s).

RE: Letter of Supply

This Letter of Supply is in reference to the offer for Caldwell Country Chevrolet, Caldwell, TX to participate in the bid process for the BuyBoard contract.

GM affirms that Caldwell Country Chevrolet is a GM dealer and is authorized to perform sales, service and parts functions for the GM vehicles they represent. General Motors will supply the dealer product and parts consistent with all other dealers that bid and win state, local or federal government contracts in line with current planned production. Dealers are made aware of GM's production plans, anticipated shortages and interruptions in the normal course of business. GM places the sole responsibility upon GM dealers to communicate and respond to their customers in a timely manner when these interruptions occur, especially if the interruption will impact product that was bid and won for a government contract. In the event production schedules cannot be met, GM makes every effort to supply acceptable substitutions whenever possible.

Sincerely,

Yuri W. Tello

NOTICE OF PROPOSAL INVITATION AND INSTRUCTIONS TO PROPOSERS

The Local Government Purchasing Cooperative (Cooperative), 12007 Research Blvd., Austin, Texas 78759 is a statewide purchasing cooperative for school districts, junior colleges, cities, counties, and other political subdivisions. The Texas Association of School Boards, Inc. (TASB), a Texas nonprofit corporation, 12007 Research Blvd., Austin, Texas 78759, assisted in the formation of the Cooperative, and TASB along with the Texas Municipal League (TML), a Texas unincorporated nonprofit association, 1821 Rutherford Lane, Austin, Texas 78754 and the Texas Association of Counties (TAC), a Texas nonprofit association, 1204 San Antonio, Austin, Texas 78701 all endorse the Cooperative.

The Cooperative's contracts for commodities and services will be available to the members of TASB, TML, and TAC, and other local governmental entities that are members of the Cooperative eligible to purchase through a government purchasing cooperative or interlocal contract. TASB, the Cooperative's administrator, provides the electronic commerce technology to the Cooperative to enable members' purchasing to be accomplished electronically.

Unless a different time period is stated in the General Information document for this Proposal Invitation, questions, requests for information or clarification, or comments regarding this Proposal Invitation, including the specifications, must be submitted in writing, addressed as indicated below, and received by the Cooperative no later than the 10th business day before the Proposal Due Date. The Cooperative will respond only to written questions.

The Local Government Purchasing Cooperative
Attn: Director of Cooperative Procurement
12007 Research Blvd.
Austin, TX 78759
Phone: 512-467-0222
Fax: 800-211-5454
E-Mail: bids@buyboard.com

Sealed proposals are being solicited for the products, supplies, services and/or equipment as set forth in this Proposal Invitation and are solicited on behalf of all present and future members of the Cooperative. There may be over 1,000 Texas public school districts and junior colleges, over 900 municipalities, 400 counties, and numerous other political subdivisions (i.e. river authorities, special districts, public housing authorities, etc.) participating in the Cooperative at any given time. Awarded products may also be available to the administrator's nonprofit entity BuyBoard subscribers and, in the event of a piggyback award, members of the National Purchasing Cooperative as further explained in the Proposal Invitation.

PROPOSAL SUBMISSION INSTRUCTIONS

Completed sealed proposals for **Proposal No. 601-19 for Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor must be received on or before 4:00 PM August 1, 2019,** either by submitting the Proposal electronically through the Cooperative's designated website or by hard copy submission as set out below. **Late proposals will not be accepted.**

Electronic Proposal Submission:

The Cooperative is now accepting electronic proposal submission and is requesting that Vendors submit proposals electronically via the following website:

buyboard.com/vendor

There is no cost to the Vendor to register or use the electronic proposal submission option.

Before you submit

- In order to submit proposals electronically, you must have a working registered vendor username and password to login. If you do not have a registered vendor user name and password, you may obtain one by registering at buyboard.com/vendor. ***Note to existing BuyBoard vendors: The registered vendor login used for electronic proposal submission is NOT the same as your existing login used to check purchase orders or similar vendor information under awarded contracts.*** Vendors are highly encouraged to ensure you have a working vendor login well in advance of the submission deadline.
- Vendor is responsible for ensuring it has the technical capability to submit its proposal via electronic submission. Browser requirements can be found at https://buyboard.ionwave.net/BrowserCompatibility.html.
- VENDOR SHALL BE SOLELY RESPONSIBLE FOR ENSURING TIMELY SUBMISSION OF VENDOR'S PROPOSAL. Neither the Cooperative nor its administrator shall be responsible for equipment or software failure, internet or website downtime, corrupt or unreadable data, or other technical issues that may cause delay or non-delivery of a Proposal or inaccessibility of the submitted data. Accordingly, Vendors are highly encouraged to prepare and allow for sufficient time to familiarize itself with the electronic submission requirements and to address any technical or data issues prior to the Proposal due date.

How to submit Proposal electronically

- Login using your registered vendor login at buyboard.com/vendor under the "Register/Login/Submit Proposal" link.
- The page will open to the list of "Available Bids."
- Click on the applicable Proposal Invitation number under the "My Invitations" or "Other Bid Opportunities" section to view this Proposal Invitation request.
- ***Review and follow all instructions on the webpage.***
- To upload a Proposal, select the "Response Attachments" tab to upload a ***signed, complete*** copy of your Proposal in ***searchable PDF format***, including all required proposal documents (forms, completed specifications, and any other documents required by the Proposal Invitation) and electronic catalogs/pricelists.
- Select the "Response Submission" tab to submit the proposal.
  - If an error or multiple errors occur, the system will display the location of the error(s).
  - Go to the problem area and correct the errors. You must go to the specific tab(s) that contain(s) the error(s) to review the error detail and correct the error(s). ***Your submission will not be accepted until all errors are corrected.***
  - Once all errors are corrected, proceed to the "Response Submission" tab to submit the response.
- **Electronic Catalogs/Pricelists must be submitted with the Proposal in the format required by these Proposal Instructions or it will not be considered.**

How to submit hard copy Proposal – Paper copies will NOT be accepted

While the Cooperative requests electronic submission of Proposals through the designated website, any vendor without the technical capability or wishing to submit a hard copy proposal, rather than utilizing electronic submission, may do so in accordance with the following instructions:

- Submit the signed, completed Proposal in a sealed envelope or carton properly marked with the Proposal Invitation number and Proposal submittal date and time and containing all required proposal documents (including forms, completed specifications, and any other documents required by the Proposal Invitation). The Proposal must be submitted in ***electronic, searchable PDF format on a USB flash drive, CD or DVD***. **Paper copies will NOT be accepted**.
- **Electronic Catalogs/Pricelists must be submitted with the Proposal in the format required by these Proposal Instructions or it will not be considered.**
- The hard copy electronic proposals must be delivered via hand delivery or U.S. Mail to the address below so as to be received on or before the Proposal submission deadline:

The Local Government Purchasing Cooperative
12007 Research Blvd.
Austin, TX 78759

VENDOR SHALL BE SOLELY RESPONSIBLE FOR ENSURING TIMELY SUBMISSION OF VENDOR'S PROPOSAL. Neither the Cooperative nor its administrator shall be responsible for proposals delivered late by the United States Postal Service or any other delivery or courier service. Further, neither the Cooperative nor its administrator shall be responsible for proposals delivered in a corrupt or unreadable electronic format.

Faxed and/or emailed Proposals will NOT be accepted.

REQUIREMENTS FOR VENDOR CATALOGS/PRICELISTS

Electronic catalogs/pricelists must be submitted in the required format with the Proposal (whether submitted electronically through the designated website or in hard copy format via mail or hand delivery) or the Proposal will not be considered. The following is required of all Vendor catalog(s)/pricelist(s) submitted to the Cooperative:

Vendors are required to submit catalog(s)/pricelist(s) in **searchable PDF electronic format ONLY**. No other format will be accepted. Further, no paper catalogs or manufacturer/vendor websites will be accepted.

Below is a sample chart, with examples of data for each field, showing the data fields that Vendors MUST include in each submitted pricelist/catalog:

BuyBoard Specification Category	Part/Item Number	Item Description	List Price
1	1234	Desk	$50.00
2	1235	Chair	$20.00

The catalogs/pricelists must include all listed data fields (BuyBoard specification category, part/item number, item description, and list price) or the Proposal will not be considered. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the Proposal, including catalogs or pricelists submitted with the Proposal, do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

INSTRUCTIONS FOR VENDORS PROPOSING MULTIPLE MANUFACTURER PRODUCT LINES:

Vendors proposing various manufacturer product lines per line item on the **Proposal Specification form** must submit the information as follows *or Vendor's proposal may not be considered*:

- Manufacturers shall be listed in alphabetical order
- Vendor's must list one specific percentage discount for each Manufacturer listed

If a vendor's response to the **Proposal Specification form** states "please see attachment," all manufacturers listed on the attachment sheet must indicate per manufacturer the line item that correlates to the **Proposal Specifications form** or Vendor's proposal may not be considered.

WITHDRAWAL OR MODIFICATION OF PROPOSALS

Proposals may be withdrawn or modified prior to the Proposal Due Date and time, but only in accordance with section B.11 (Withdrawal or Modification of Proposal) of the General Terms and Conditions in this Proposal Invitation.

GENERAL INFORMATION

Proposal Invitation No. 601-19 – Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

**Please make sure that you have either downloaded and/or printed all sections of this Proposal Invitation.*

1. **Notice of Proposal Invitation and Instructions to Proposers**
2. **General Information**
3. **Proposal Invitation Forms and Specifications**
4. **General Terms and Conditions**

PROPOSAL SUBMISSION INSTRUCTIONS

Proposal responses (including completed and signed Proposal Invitation forms, completed Proposal specifications, and pricelists/catalogs) must be submitted in electronic format in the manner prescribed in the Instructions to Proposers.

INTENT AND PURPOSE OF THE CONTRACT

The intent of this Proposal Invitation is to establish a contract for the purchase of various types of **Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor** that may be purchased by Cooperative members. Because individual members require different equipment, supplies, and/or services this Proposal Invitation is a request for the base price of each vehicle plus associated fees (with the exception of delivery), a discount off of catalog or pricelist for all options and upgrades, not-to-exceed hourly labor rates for installation and repair, and per mile delivery fees. Purchases can be made by a Cooperative member at any time during the contract term.

TERM OF CONTRACT

The term of this contract will be from December 1, 2019 through November 30, 2020, with two (2) possible one (1) year renewals.

An awarded Vendor has no right to or vested interest in contract renewal. The Cooperative will evaluate the contract award prior to the expiration of the then-current term on the basis of factors that may include the annual amount of business, performance and continued provision of best value to Cooperative members.

For purposes of this Proposal Invitation, a Vendor must generate a minimum of $15,000 through the contract during an annual contract term or may not be offered a renewal. A Vendor's failure to generate this minimum amount may also be considered by the Cooperative as part of vendor's past performance evaluation on future proposal invitations. A renewal must be mutually agreed upon by both parties.

VALUE OF CONTRACT

The estimated value of this contract is $362,234,943; however, this estimate is based on prior contracts for similar types of products and services and should not be construed to be a guaranty of either minimum or maximum since usage is dependent upon Cooperative members' actual needs and available funding.

An awarded Vendor must supply products and services at or below the awarded pricing for the duration of the contract and honor all Purchase Orders prepared by each individual Cooperative member.

SERVICE FEE

By submission of a response to this Proposal Invitation, it will be the vehicle dealer's responsibility to collect the BuyBoard Fee of **$400 per purchase order** from the purchasing entity **for all vehicles, including cab, chassis and options**. **This fee is NOT to be included in the price of the vehicles for the purpose of this proposal**; however, it must be shown as a line item price on the individual quotes to the purchaser.

An awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of **2% per Purchase Order for parts and repair/service labor** generated from any contract awarded under this Proposal Invitation, and the service fee is to be included in the price of parts and repair/service labor in the awarded pricing.

Vendor agrees to pay this service fee and remit the fee to the Cooperative in Austin, Texas, promptly upon payment by the Cooperative member for any Purchase Order(s) and within 30 days of the date of each service fee invoice. Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated from Vendor's contract(s) that Vendor receives directly from Cooperative members, or such other documentation regarding those purchase orders as the Cooperative's administrator may require in its reasonable discretion. Vendor further agrees that the Cooperative shall have the right, upon reasonable written notice, to review its records pertaining to purchases under any awarded contract to verify purchase history and the accuracy of service fees payable by Vendor.

CONFIDENTIAL INFORMATION

Any information submitted by Proposer that Proposer considers to be confidential must be clearly identified as such on the Confidential/Proprietary Information Form.

ADDITIONAL INFORMATION

An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold. An awarded Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).

All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line item price on individual quotes for any potential Cooperative member purchase.

The Proposal Invitation seeks base pricing for vehicles. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of order. All options are to be priced at standard government pricing. A COMPLETE LIST OF ALL OPTIONAL EQUIPMENT MUST BE SUBMITTED WITH PROPOSAL FOR PROPOSAL TO BE CONSIDERED. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Any option that has not been listed and priced in the response is considered to be an "Unpublished Option." Unpublished Options may be sold, but only in connection with the sale of an awarded base product item, and only if the

total cost of all "Unpublished Options" remains below twenty-five percent (25%) of the total cost of the base product plus any Published Options. No Published or Unpublished Option may be sold which essentially converts a Product such that it competes with a Product Item awarded to another Vendor.

AWARD AND EVALUATION

This contract will be awarded based on the evaluation and award criteria set out in Section C.2 of the General Terms and Conditions to provide best value to Cooperative members.

This Proposal Invitation requires Proposers to provide certain information that the Cooperative does not evaluate and is not included in the award criteria set out in Section C.2. The Cooperative requests the information, however, because it may be relevant to federal, state or local procurement law or other legal requirements that apply to various Cooperative members. The information, which will be made available to Cooperative members with respect to awarded Vendors, includes the following:

a) Proposer's status as a minority/woman-owned business enterprise, historically underutilized business, or service-disabled veteran;
b) Whether Proposer or its ultimate parent or majority owner has its principal place of business in Texas or employs at least 500 persons in Texas; and
c) Whether Proposer is a Texas resident or a non-resident business.

TYPE OF CONTRACT

This is a "sealed proposal" based on unit price and discount off catalog or price list and may contain a not-to-exceed hourly labor rate. Except as provided in section E.4 of the General Terms and Conditions or otherwise in this Proposal Invitation, Vendor shall hold its awarded pricing firm during the contract term. In the event of price decreases, such price decreases shall be allowed for all products. Catalogs/pricelists, where required by the Proposal specifications, must be submitted with the Proposal or your proposal will be deemed nonresponsive.

COMPLIANCE WITH APPLICABLE LAWS

By signing this Proposal, the Proposer certifies that Proposer has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever state or local jurisdiction is required, and Proposer has obtained, and will continue to maintain during the entire term of this contract, all permits, approvals, and/or licenses necessary for lawful performance of its obligations under this contract. Proposer further certifies that, if awarded, Proposer will comply with all applicable state, federal, and local laws, rules, and regulations in regards to awarded products and/or services.

Individual Cooperative members may in certain circumstances request background checks on an awarded Vendor's employees who will have direct contact with students, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history information.

BUYBOARD ADVISORY REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

The Cooperative issued the BuyBoard Procurement and Construction-Related Goods and Services Advisory for Texas Members, which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The advisory is available at https://www.buyboard.com/Vendor/Resources.aspx. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer must sign and submit the Construction Related-Goods and Services Affirmation form in the Proposal Invitation forms regardless of type of goods or services associated with this Proposal Invitation.

PROFESSIONAL ENGINEERING AND OTHER PROFESSIONAL SERVICES EXCLUDED

The scope of services in this Proposal Invitation and any resulting contract award do not include services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

DELIVERY RESPONSE

Unless otherwise noted in the Proposal (as a deviation) or the Purchase Order, routine delivery response to a Cooperative member shall be within ten (10) business days after receipt of a Purchase Order, and delivery shall be made during the ordering Cooperative member's normal business hours. Any Cooperative member may request emergency delivery. Awarded Vendors shall use their best efforts to comply with rush or emergency requests. However, if the Vendor cannot fulfill the emergency delivery requirements, the Cooperative member may procure the products or services from alternative sources without penalty.

WARRANTY/GUARANTY

All products purchased under this contract shall be **NEW** and free from defects.

ADDITIONAL REQUIREMENTS FOR PURCHASES USING FEDERAL GRANT FUNDS (2 C.F.R. 200 Uniform Guidance / EDGAR):

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete the EDGAR Vendor Certification Form contained in the Proposal Invitation forms regarding their willingness and ability to comply with certain requirements which may be applicable to specific Cooperative member purchases using federal grant funds. This information will not be used for evaluation purposes but will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

   b. payment of a service fee in the amount specified and as provided for in this Proposal Invitation;
   c. the **possible** award of a piggy-back contract by another governmental entity or nonprofit entity, in which event you will offer the awarded goods and services in accordance with the Requirements; and
   d. submitting price sheets or catalogs in the proper format as required by the Cooperative as a prerequisite to activation of your contract;

5. You have clearly identified on the included form any information in your Proposal that you believe to be confidential or proprietary or that you do not consider to be public information subject to public disclosure under a Texas Public Information Act request or similar public information law;

6. The individual signing this Agreement is duly authorized to enter into the contractual relationship represented by this Proposal Invitation on your behalf and bind you to the Requirements, and such individual (and any individual signing a form) is authorized and has the requisite knowledge to provide the information and make the representations and certifications required in the Requirements;

7. You have carefully reviewed your Proposal, and certify that all information provided is true, complete and accurate, and you authorize the Cooperative to take such action as it deems appropriate to verify such information; and

8. Any misstatement, falsification, or omission in your Proposal, whenever or however discovered, may disqualify you from consideration for a contract award under this Proposal Invitation or result in termination of an award or any other remedy or action provided for in the General Terms and Conditions or by law.

FELONY CONVICTION DISCLOSURE AND DEBARMENT CERTIFICATION

FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

Please check (√) one of the following:

☐ My company is a publicly-held corporation. (Advance notice requirement does not apply to publicly-held corporation.)
☐ My company is not owned or operated by anyone who has been convicted of a felony.
☐ My company is owned/operated by the following individual(s) who has/have been convicted of a felony:

RESIDENT / NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☐ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

_____ _____
Company Name Address

_____ _____ _____
City State Zip Code

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☐ Yes ☐ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Effective September 1, 2017, Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature below, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. The Cooperative will consider any deviations in its contract award decision, and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

Please check (√) one of the following:

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. If you wish to designate multiple dealers, please duplicate this form as necessary.

TEXAS REGIONAL SERVICE DESIGNATION

The Cooperative (referred to as "Texas Cooperative" in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. ***If you propose to serve different regions for different products or services included in your proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies in the space provided at the end of this form. By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

☐ **I will service Texas Cooperative members statewide.**

☐ **I will not service Texas Cooperative members statewide. I will only service members in the regions checked below:**

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE / PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $_____. (The period of the 12 month period is _____/_____). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

CONFIDENTIAL/PROPRIETARY INFORMATION

A. Public Disclosure Laws

All Proposals, forms, documentation, or other materials submitted by Vendor to the Cooperative in response to this Proposal Invitation, including catalogs and pricelists, may be subject to the disclosure requirements of the Texas Public Information Act (Texas Government Code chapter 552.001, *et. seq.*) or similar disclosure law. Proposer must clearly identify on this form any information in its Proposal (including forms, documentation, or other materials submitted with the Proposal) that Proposer considers proprietary or confidential. If Proposer fails to properly identify the information, the Cooperative shall have no obligation to notify Vendor or seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure law. Proposer will be notified of any third party request for information in a Proposal that Proposer has identified in this form as proprietary or confidential.

Does your Proposal (including forms, documentation, or other materials submitted with the Proposal) contain information which Vendor considers proprietary or confidential?

Please check (√) one of the following:

☐ **NO**, I certify that none of the information included with this Proposal is considered confidential or proprietary.

☐ **YES**, I certify that this Proposal contains information considered confidential or proprietary and all such information is specifically identified on this form.

If you responded "YES", you must identify below the specific information you consider confidential or proprietary. List each page number, form number, or other information sufficient to make the information readily identifiable. EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For <u>each</u> of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:

For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:

For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:

In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

GENERAL TERMS AND CONDITIONS

A. General Provisions

1. Statement of Inclusion/Applicability

These General Terms and Conditions ("Terms and Conditions") apply to this Proposal Invitation and the proposing company's response to this Proposal Invitation, and are an integral part of any contract which is awarded or Purchase Order which is issued in association with this Proposal Invitation.

2. Organization and Section Titles

The provisions of these Terms and Conditions are generally organized according to the stages of the procurement process: proposal, evaluation, award and performance. This organization of and the section titles used in these Terms and Conditions are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document. Unless otherwise stated, any listing of factors or criteria in these Terms and Conditions does not constitute an order of preference or importance.

3. Definitions

As used in this Proposal Invitation and associated documentation, the following terms have the meanings set out below unless the context requires otherwise, regardless of whether initial capitalization is consistently used. Words used in the singular include the plural, and words used in the plural include the singular. To the extent terms are defined or used differently in different Proposal Invitation documents, substance prevails over form:

"BuyBoard®" means the internet-based electronic commerce technology provided by the Cooperative's administrator, the Texas Association of School Boards, Inc. (TASB), to enable Cooperative members to purchase awarded goods and services electronically.

"BuyBoard Administrator" means the Director of Cooperative Procurement identified in this Proposal Invitation (or his/her successor).

"Contract" means the contract between the Cooperative and the successful Proposer (Vendor), which gives Vendor the opportunity to serve Cooperative members based on the Cooperative's acceptance of all or part of the Proposer's Proposal, and is comprised collectively of the following:

a) This Proposal Invitation;
b) Proposer's Proposal;
c) Notice of Award issued to Proposer by the Cooperative; and
d) Purchase Order between a Cooperative member and Proposer, and any additional terms, conditions, or instructions agreed to by Proposer, that are consistent with these Terms and Conditions.

"Cooperative" means, collectively, The Local Government Purchasing Cooperative (which may also be referred to as "Texas Cooperative" herein) and its administrator, TASB, unless a distinction is made otherwise.

"Cooperative member" or "**member**" means a local governmental entity (e.g., school district, city or county) or other governmental entity that is a member of the Cooperative and is eligible to purchase through a governmental purchasing cooperative or interlocal contract. Although not eligible to be a member of the Cooperative, "Cooperative member" as used in these Terms and Conditions may include the Cooperative administrator's non-profit entity subscribers when used in relation to a purchase from a non-profit subscriber.

"Goods" or **"Products"** (which terms are used interchangeably) means the goods, products, equipment or other commodities that are the subject of this Proposal Invitation.

"Proposal Invitation" means this Proposal Invitation and all associated documentation, including without limitation, these Terms and Conditions and any amendments hereto, additional terms and conditions specific to this Proposal Invitation, instructions, exhibits or attachments, forms, agreements, certifications, item specifications, addenda, and supplements and/or clarifications.

"Proposal" means Proposer's complete and correct response to this Proposal Invitation, including all information, forms, agreements, certifications and other documentation required by this Proposal Invitation, properly signed by Proposer's duly authorized representative.

"Proposal Due Date" means the date and time specified in the Proposal Invitation, or any addenda thereto, by which Vendors are required to submit Proposals for this Proposal Invitation.

"Proposer" or **"Vendor"** means the company or firm that submits a Proposal or, depending on the context, the proposing company to which the Cooperative awards a contract under this Proposal Invitation. (For purposes of the forms associated with this Proposal Invitation, "you", "your", "I" or "my" refer to Proposer or Vendor, as applicable.)

"Purchase Order" means a Cooperative member's fiscal form or other instrument, including a record of an online order placed through a Vendor website or record of a purchasing card (P-card) purchase, which is used in making a purchase from Vendor under a BuyBoard contract.

B. Proposal Requirements

1. Specifications

Unless otherwise specified, the specifications are intended to be non-proprietary, and should be construed as such. Catalog numbers, brand names, or manufacturer product or reference numbers used in the item specifications in this Proposal Invitation are intended to be descriptive, not restrictive. These references, as well as "approved brands and/or models" listed, are intended to identify and indicate the type of product being sought and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or model number references.

In some cases, however, the Cooperative may find it advantageous in order to provide best value to Cooperative members to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these limited cases, preference will be given to the specific products identified as "approved brands and/or models," especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or models are identified, Proposer is encouraged to propose the exact item specified, in addition to an alternate brand or model with equal/equivalent functionality or features where appropriate or necessary.

In all cases, Proposals must identify the manufacturer, brand, model, etc., of the item being offered. For Proposals on "equal/equivalent" items other than the specified "approved brand and/or model," Proposer must supply a complete description and sufficient data for the Cooperative to properly analyze the product being proposed, including its functionality and features. In order to conduct such analysis, the Cooperative may request samples for items other than "approved brands and/or models." If the specification identifies a specific brand or model for any item and Proposer fails to identify the manufacturer, brand, model, etc., for that item, **the Cooperative will assume Proposer is proposing on the exact brand and model identified in the specification, and if awarded a contract, Vendor must furnish the exact brand name, model, etc., as specified. Substitutions will not be allowed after the contract is awarded,** except as provided for in section E.8 (Substitutions) of these Terms and Conditions.

The apparent silence of the specifications as to any detail, or the apparent omission from any specification of a detailed description concerning any point, will be interpreted to mean that only the best commercial practices will prevail, and the specification will be construed accordingly.

NOTE: Unless a different time period is stated in the General Information document of this Proposal Invitation, if Proposer discovers or suspects an error in any item specification in this Proposal Invitation, including that the specification is proprietary where not intended, Proposer must notify the BuyBoard Administrator of the error in writing immediately, but in no event later than the tenth (10^{th}) business day before the Proposal Due Date.

2. Pricing

A "Line Item" Proposal must be for a specific price for the unit of measure specified for that item. Proposer is responsible for clearly noting any differences in proposed packaging and/or units of measure as a deviation in accordance with section B.4 (Deviations from Item Specifications or General Terms and Conditions) of these Terms and Conditions. If this Proposal Invitation requires "discount from catalog" pricing, Proposer must quote a single discount percentage to be applied to all items in Proposer's published catalog. Proposer must submit the catalog or published pricelist with the Proposal in electronic format. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the catalogs or pricelists submitted do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

Proposer's pricing must be "equal to or better" than pricing Proposer offers other similar customers. Pricing that is not considered equal or better could result in the Proposal being determined non-competitive and not considered for award.

Unless specified otherwise in this Proposal Invitation:

a) A "cost plus" Proposal will not be accepted;
b) Proposer will not include freight, transportation and delivery charges or costs or sales tax in Proposal pricing (freight, transportation and delivery charges are to be pre-paid by the awarded Vendor and, subject to section E.5 (Packaging, Transportation, and Delivery) of these Terms and Conditions, included as a separate item on the invoice to the ordering Cooperative member);
c) Proposal pricing must include the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions; and
d) Proposal pricing must be firm for acceptance and the Cooperative's period for acceptance will be at least 120 calendar days from the Proposal Due Date.

3. Quality

Unless otherwise indicated in this Proposal Invitation, proposed products must be new and in first class condition, and must be warranted in the same manner and to the same extent as normally provided to other customers of Proposer. Additionally, proposed products must conform to the highest standards of manufacturing practice, including containers suitable for shipment and storage. Unless otherwise specified, "factory seconds," "refurbished", or otherwise inferior items are not acceptable.

4. Deviations from Item Specifications or General Terms and Conditions

Proposer must clearly note and explain in detail any and all limitations, exceptions, qualifications, special conditions, or other deviations (collectively "deviations") from these Terms and Conditions or any of the item specifications in the Proposal at the time the Proposal is submitted. The submission of any such deviation may place Proposer at a competitive disadvantage or otherwise prevent the Cooperative from considering the Proposal on the affected item(s).

The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

Other than any deviation submitted in writing with the Proposal and **accepted by the Cooperative**, the Cooperative will hold Proposer accountable to the Cooperative and Cooperative members to perform in strict accordance with these Terms and Conditions and the item specifications as written.

5. Addenda

Any interpretation, correction or change to this Proposal Invitation will be made by addendum, and updated information contained in an addendum will prevail over the information contained in the original Proposal Invitation or a previous addendum. The Cooperative is the sole authority for the issuance of any addendum, and any communication related to this Proposal Invitation that is not from the Cooperative is invalid. Although the Cooperative may provide electronic notification when an addendum has been issued and the changes will be flagged, it is Proposer's responsibility to monitor the BuyBoard vendor website for possible addenda and incorporate any posted addendum into the Proposal. Proposer must acknowledge each addendum in accordance with the instructions accompanying the addendum.

6. Samples

The Cooperative may request a product sample. Proposer must furnish the requested sample at no cost to the Cooperative, and, unless otherwise specified, the Cooperative must receive the sample within 72 hours of the request. The submitted sample must be labeled with the Proposal Invitation name and number, item number, product identification number, and Proposer's name. Proposer's failure to submit a sample when requested will result in the product in question not being considered for award to Proposer.

The Cooperative will retain samples for a sufficient length of time for proper evaluation. If not destroyed or consumed during examination or testing, the Cooperative will return samples to Proposer at Proposer's expense, provided that Proposer has included a written return request with the submitted samples. Notwithstanding the foregoing, the Cooperative may permanently retain samples submitted by awarded Proposers for the purpose of determining that the quality and workmanship of awarded products delivered to Cooperative members is comparable to the samples. The Cooperative is not liable for samples that are damaged, destroyed or consumed during examination or testing.

7. Proposal on All or Certain Items

Unless otherwise specified, Proposer may propose on any or all items. Proposer should answer all questions related to each item on which Proposer wishes to propose, and either leave the questions for other items unanswered (blank) or indicate "No Bid." The Cooperative will consider items individually and make awards on each item independently, except for "related" items for which "compatibility" will be an element of consideration. In such cases, small groups of items will be considered as a unit.

Vendor's Proposal shall specify the regions and/or states that Vendor proposes to serve by completing the appropriate Proposal forms. Vendor shall specify only those regions or states for which Vendor is authorized either under applicable law and/or by the manufacturer to sell the proposed products. If Vendor proposes multiple products, and the regions or states which the Vendor is able to serve and proposes to serve differ by product, Vendor must specify the specific regions or states by product in its Proposal. **A Vendor may not select a region or state in its Proposal where Vendor is unable or unauthorized to sell a proposed product. If it is determined that a Vendor is unable, unauthorized, or refuses to provide any awarded product(s) or service(s) in a region or state specified in Vendor's Proposal, such inability, lack of authorization, or refusal will be an event of default and grounds for termination of the Contract.**

8. "All or Nothing" Awards

Unless otherwise indicated in this Proposal Invitation, "all or nothing" Proposals are **not** acceptable and will be rejected. Proposer must be willing to accept a partial award for any combination of the items or services proposed, and must be willing to share the business with any other successful Proposers.

9. Confidential Information

Proposer must clearly identify information in the Proposal that Proposer considers proprietary or confidential by completing the Confidential/Proprietary Information form. The Cooperative will treat such information as confidential to the extent allowable under the Texas Public Information Act (Chapter 552 of the Texas Government Code) or similar disclosure law.

If Proposer fails to properly identify the information, the Cooperative shall have no obligation to seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure laws. The Cooperative and its Administrator will not be responsible for Proposer's failure to clearly identify information Proposer considers confidential or proprietary. Proposer will be notified of any third party request for information that Proposer has identified in the Confidential/Proprietary Information form as proprietary or confidential.

10. Certain Professional Services Excluded

Neither this Proposal Invitation nor any contract includes services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

11. Withdrawal or Modification of Proposal

Proposer may withdraw or modify a submitted Proposal **prior to the Proposal Due Date and time** specified in this Proposal Invitation. A Proposal may be withdrawn only in strict accordance with this section.

Electronic Proposals Submissions: A Proposal submitted electronically through a website designated by the Cooperative in the Proposal Invitation for submission of electronic proposals may be withdrawn or modified prior to the Proposal Due Date and time through the same electronic proposal submission website. Vendor's login to the electronic proposal submission website shall be used to verify Proposer's identity. Vendor shall be solely responsible for ensuring only authorized use of its login, following all website instructions, and ensuring that the Proposal is properly withdrawn or modified prior to the Proposal Due Date and time.

Hard Copy Submissions: If a Vendor submitted their Proposal in hard copy electronic format via mail or in person, rather than electronic submission through the designated website, Proposer must submit a written request to the Cooperative to withdraw the Proposal. The request to withdraw must be signed by an individual authorized to enter into contracts on Proposer's behalf and indicate the individual's title. If the BuyBoard Administrator has any question or doubt regarding Proposer's identity or the identity of its Proposal, withdrawal will not be allowed. If the Cooperative decides to allow the withdrawal, Proposer's duly authorized representative will be required to complete and sign a written receipt satisfactory to the BuyBoard Administrator before the proposal will be released. The decision of the BuyBoard Administrator relating to matters concerning withdrawal of a Proposal is final.

Proposer may resubmit the withdrawn Proposal, or submit a new Proposal, up until the Proposal Due Date and time, provided any new submission meets the requirements of this Proposal Invitation. If Proposer resubmits a Proposal that was withdrawn and makes any change to any document in the proposal package, the change must be made in accordance with the Cooperative's instructions for Proposal submissions, and Proposer will be deemed to have authorized such change.

Proposals that are in the Cooperative's possession (including Proposals submitted through an electronic proposal submission website designated by the Cooperative in the Proposal Invitation instructions) at the Proposal Due Date time shall be deemed final, conclusive, and irrevocable; and no Proposal will be subject to withdrawal, amendment, or correction by a Proposer after the Proposal Due Date and time specified in this Proposal Invitation. However, pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions), the Cooperative reserves the right, in its sole discretion, to seek clarification, communicate and resolve issues around deviations that were submitted in a Proposal, consistent with general procurement principles of fair competition.

12. Certifications

The Proposer's Agreement and Signature form, which is fundamental to and incorporated into this Proposal Invitation, requires Proposer to certify to certain matters. Pursuant to and in accordance with such Proposer's Agreement and Signature form, and in addition to the matters set forth therein, Proposer certifies to the following with respect to this Proposal Invitation, the Proposal, and any Contract awarded under this Proposal Invitation.

(a) Non-Collusion Certification

Proposer agrees and certifies to the following, and understands that the penalty for violating this non-collusion certification will be the immediate disqualification of Proposer's Proposal:

1) Neither Proposer nor any business entity represented by Proposer has received compensation for participation in the preparation of the item specifications or these Terms and Conditions related to this Proposal Invitation;
2) The Proposal has been arrived at independently and is submitted without collusion with any other Proposer, with any competitor or potential competitor, or with any other person or entity to obtain any information or gain any special treatment or favoritism that would in any way limit competition or give any Proposer an unfair advantage over any other Proposer with respect to the Proposal;
3) Proposer has not accepted, offered, conferred, or agreed to confer, and will not in the future accept, offer, confer, or agree to confer, any benefit or anything of value to any person or entity related to the Cooperative or any of its members in connection with any information or submission related to the Proposal, any recommendation, decision, vote, or award related to the Proposal, or the exercise of any influence or discretion concerning the sale, delivery, or performance of any product or service related to the Proposal;
4) Neither Proposer, nor any business entity represented by Proposer, nor anyone acting for such business entity, has violated the Federal Antitrust Laws or the antitrust laws of this State with regard to the Proposal, and the Proposal has not been knowingly disclosed, and will not be knowingly disclosed, to any other Proposer, competitor, or potential competitor prior to the opening of Proposals; and
5) No attempt has been or will be made to induce any other person or entity to submit or to not submit a Proposal.

(b) Certification Regarding Legal, Ethical, and Other Matters

Proposer agrees and certifies to the following:

1) Proposer has, or has the ability to obtain, such financial and other resources, including inventories, as may be required to fulfill all the responsibilities associated with the Proposal;
2) Proposer has a high degree of integrity and business ethics, and a satisfactory record of performance;
3) Proposer is an authorized dealer, distributor, or manufacturer for the products or services offered in the Proposal for each region or state Vendor proposes to serve in the Proposal;
4) Proposer has not been notified by any local, state, or federal agency with competent jurisdiction that its standing in any matters whatsoever would preclude it from submitting its Proposal and Proposer would in no other way whatsoever be disqualified to propose or receive any award or Contract related to this Proposal Invitation, and Proposer will comply with any reasonable request from the Cooperative to supply information sufficient to substantiate the foregoing representations;
5) Proposer has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever State or local jurisdiction is required, and Proposer has obtained, and will continue to maintain during the entire term of the Contract, all permits, approvals, or licenses necessary for lawful performance of its obligations under this Contract;

6) The prices, prompt payment discount terms, delivery terms, distribution allowances and the quality and/or performance (including warranties) of the product or services offered in the Proposal are and will remain the same or better than those offered Proposer's most favored customer under equivalent circumstances;
7) The Proposal complies with all federal, state, and local laws concerning these types of products or services, and Proposer will continue to comply with any applicable federal, state, and local laws related to Proposer's activities in connection with the Contract;
8) Proposer will comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon or state or local law, including Chapter 2258 of the Texas Government Code;
9) Proposer will maintain, at Proposer's expense, any insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Proposer or its employees or its agents of any service under the Contract; however, the existence of such insurance does not relieve Proposer of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided for by law; and
10) Any false statement contained in the Proposal is a material breach of contract which will void the Proposal or any resulting Contract, and subject Proposer to removal from all proposal lists, and possible criminal prosecution.

13. Proposal Signatures

Proposer must sign its Proposal in strict accordance with the Cooperative's instructions, including having an officer duly authorized by Proposer execute the Proposal. By signing, the signatory warrants that he or she has read and agrees to the terms of the Proposal and is authorized to execute same as a legally binding act of Proposer. A facsimile or imaged signature will be deemed an original.

14. No Reimbursement

Proposer understands and acknowledges the Cooperative will not reimburse or pay Proposer for any expenses Proposer incurs in preparing its Proposal or providing additional information required in connection with the Proposal.

C. Proposal Evaluation

1. General

A Proposal submitted in accordance with this Proposal Invitation will initially be considered for award; however, initial consideration of a Proposal will not constitute an assessment of its meeting the necessary qualifications, and a Proposal may be disqualified at any time during the evaluation process for failure to meet any other terms or conditions contained anywhere else in this Proposal Invitation.

2. Best Value Criteria

The Cooperative evaluates Proposals on the basis of best value to Cooperative members. In evaluating Proposals and determining best value for all Cooperative members, the Cooperative will consider the following criteria:

Best Value Criteria		Maximum Points
1	Price Competiveness	60
2	Vendor Past Performance	15
3	Vendor Reputation for Goods and Services	15
4	Financial and Technical Resources	5
5	Capability of Servicing Cooperative Members	3
6	Any other relevant factor or requirement listed in this Proposal Invitation	2
	TOTAL:	100

The Cooperative's evaluation will include Proposer's responses to the forms and other attachments included or associated with this Proposal Invitation, including but not limited to Proposer's responses to the Proposal Invitation Questionnaire. Only responsive Proposals will be evaluated. Failure to include all required information may result in a Proposal being deemed non-responsive.

As a general matter, the Cooperative makes competitive and indefinite quantity awards to Proposers that give the same or better discounts/pricing than they give their best governmental clients. Proposers should provide competitive pricing that is the same or better than the pricing provided their best governmental clients. Each Proposal is evaluated on its own merit and determined to be fair and reasonable by comparing the price/discounts that Vendor offers other governmental clients.

If this Proposal Invitation requires discount pricing, discount practices may be examined and evaluated, in the Cooperative's sole discretion, based on historical data, sales information, discounts granted to other governmental clients, and/or other market research techniques. The Cooperative may award Contracts to multiple Proposers supplying comparable products or services, also known as a multiple award schedule, or award the Contract to a single Proposer. The Cooperative's decision to make multiple awards or a single award will be based upon the Cooperative's sole discretion regarding the type of award that provides best value to all Cooperative members.

In regards to Vendor past performance, among other factors, the Cooperative may consider a Vendor's breach of contractual obligation on any other active or prior Cooperative contract awarded to Vendor including, but not limited to, nonpayment of service fees by Vendor, its parent company or affiliates and/or Vendor's failure to generate any minimum amount specified in a prior-awarded Cooperative contract.

3. Cooperative Board Decision

The Cooperative reserves the right to waive any or all irregularities, formalities, or other technicalities and to be the sole and independent judge of quality and suitability of any products or services offered. The Cooperative may accept or reject a Proposal in its entirety, or may reject any part of a Proposal without affecting the remainder of that proposal, and may award the individual items in this Proposal Invitation in any combination or in any way that provides best value to Cooperative members based on the criteria set out in section C.2 (Best Value Criteria) of these Terms and Conditions. The Cooperative may use all means at the collective disposal of the Cooperative and Cooperative members to evaluate Proposals. The final decision as to the best overall offer, including as to price and suitability of the proposed products or services to meet the needs of and provide best value to Cooperative members, rests solely with the Cooperative's Board of Trustees.

The Board's decision may be protested only in accordance with the Board's protest procedure policy, COOP-851, which is available from the BuyBoard Administrator upon request. Pursuant to COOP-851, a protest challenging the terms, conditions or form of notice of this Proposal Invitation and accompanying documentation must be received by the Cooperative no later than 5:00 p.m. CST the fifth (5^{th}) business day before the Proposal opening date, and a protest challenging an award decision, including bid evaluations, no later than 5:00 p.m. CST the fifth (5^{th}) business day after the award is posted on the BuyBoard vendor website.

D. Contract Award

1. Notice of Award and Related Matters

A Proposal is an offer by Proposer to contract with the Cooperative and Cooperative members in accordance with this Proposal Invitation, including without limitation the item specifications, and these Terms and Conditions. A Proposal does not become a Contract unless and until the Proposal is accepted by the Cooperative through the issuance of a written Notice of Award to the successful Proposer, whereupon the Contract becomes binding and enforceable. The Contract is then utilized by a Cooperative member by the member issuing a signed purchase order for the awarded products or services. Vendor must honor all purchase orders issued by Cooperative members during the Contract

term in accordance with these Terms and Conditions. The Cooperative may maintain Vendor's contract documents in electronic format for the duration of the Contract term.

The Cooperative reserves the right to allow awarded Vendors to add additional service regions, at the awarded pricing, to the Vendor's Contract during the Contract term.

As provided for in detail in section E.11 (The BuyBoard) of these Terms and Conditions, all Purchase Orders must be processed through the BuyBoard. All deliveries and financial transactions related to the Purchase Order will occur directly between Vendor and the ordering Cooperative member.

Cooperative members and Vendors do not have the authority to modify these Terms and Conditions. By submitting a Proposal, Vendor specifically agrees that these Terms and Conditions shall apply and that it shall not seek to impose on a Cooperative member additional terms and conditions or ancillary agreements that are inconsistent with, or intended to supersede these Terms and Conditions. Any attempt by a Vendor to impose terms and conditions on a Cooperative member that are inconsistent with or intended to supersede these Terms and Conditions which were not submitted by Vendor as a deviation with its Proposal and approved by the Cooperative shall be an event of default under the Contract and grounds for termination of Vendor's Contract. However, a Cooperative member may add terms to a Purchase Order that are consistent with these Terms and Conditions and are acceptable to Vendor, including negotiating a supplemental or ancillary agreement with Vendor containing additional terms and conditions for a specific purchase or purchases that are consistent with these Terms and Conditions. A Cooperative member may require a performance and/or payment bond from Vendor as may be required by law or deemed necessary or appropriate. Additionally, a Cooperative member may require Vendor to carry and provide proof of such insurance as may be required by state or local law or policy. Individual Cooperative members may in certain circumstances require background checks on Vendor employees who will have direct contact with students or staff, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history record information. To the extent of any conflict between these Terms and Conditions and requirements contained in any Cooperative member Purchase Order or supplemental/ancillary agreement, the stricter requirements on the Vendor shall apply. In the event of differing but equally stringent requirements, the Cooperative member Purchase Order or negotiated additional terms and conditions shall govern over the requirements in the Proposal Invitation.

2. Piggyback Contract and Other Entity Clause

It is the Cooperative's intent that other governmental entities throughout the United States, as well as administrator's nonprofit entity BuyBoard subscribers, have the opportunity to purchase the goods or services awarded under the Contract at the same pricing and according to these Terms and Conditions, subject to applicable state law, through a piggy-back award or similar agreement. To the extent applicable, Vendor must offer and sell the awarded goods and services to such other organizations and entities in accordance with Vendor's Proposal, including without limitation the State Service Designation form and the National Purchasing Cooperative Vendor Award Agreement.

E. Contract Performance

1. Contract Term

The term of the Contract is for the initial term stated in this Proposal Invitation, which term begins on the date specified in the Notice of Award. Unless otherwise stated in this Proposal Invitation, the Contract may be renewed for two (2) additional one (1)-year terms as provided for in this section E.1. A reference to "Contract term" in these Terms and Conditions means the initial term and any renewal term.

The Contract shall govern the Vendor's and the Cooperative member's rights and obligations with respect to any Purchase Order issued during the Contract term and afterwards, with respect to any Purchase Order or purchase bound by the Cooperative member for specified goods or services **before** the Contract award period ended.

Vendor has no right to or vested interest in a Contract renewal. The Cooperative will evaluate the Contract award prior to the expiration of the then current Contract term (initial or renewal), and reserves the right to not renew the Contract based on factors that may include, but are not limited to, the annual amount of business, Vendor's performance, and the continued provision of best value to Cooperative members. With respect to annual amount of business, Vendor must generate the minimum amount specified in the General Information document associated with this Proposal Invitation through the Contract, during both the initial and the first renewal term, or may not be offered a second renewal term. A vendor failure to generate this minimum amount may also be considered by the Cooperative as part of vendor's past performance evaluation on future proposal invitations. A renewal must be agreed to by the Cooperative and Vendor.

In the event the Contract term will expire before the Cooperative awards a successor contract for the categories of awarded products or services, the Contract may be extended beyond the expiration date on a month to month basis, or such other term as determined by the Cooperative, upon the agreement of the Cooperative and Vendor, provided that the awarded pricing does not increase during such extension.

2. Prevailing Wages, Bonding and Insurance Requirements

Vendor must comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon or state or local law, including Chapter 2258 of the Texas Government Code.

Vendor must provide any applicable performance and payment bonds as required by law, including Chapter 2253 of the Texas Government Code, or as requested by a Cooperative member. Vendor must maintain appropriate and sufficient insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect Vendor and the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Vendor or its employees or agents of any service under the Contract; however, the existence of such insurance does not relieve Vendor of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided by law.

3. Conformity to Item Specifications and Contract Award

Vendor warrants that the products or services Vendor provides under the Contract conform to the item specifications and other requirements of this Proposal Invitation (except to the extent and as specifically noted as deviations in Vendor's Proposal), and are free from all defects in material, workmanship and title. If Vendor deviates from an item specification, including delivering a product other than the specific brand and model of the product awarded, the ordering Cooperative member may reject the product when delivered and terminate the purchase order, at no cost or penalty to the member. Vendor further warrants that all products provided under the Contract meet applicable OSHA standards and regulations, and that any electrical items bear the appropriate listing from US, FMRC, NEMA, or UL Laboratories.

If awarded products are chemicals or other products that customarily require Material Safety Data Sheets (MSDS), Vendor must include the MSDS with the first shipment of the product to a Cooperative member during the Contract term. Vendor must provide additional MSDSs to Cooperative members upon request, promptly and at no additional cost.

4. Awarded Pricing

Awarded pricing may include line item pricing, discount off catalog or pricelist, not-to-exceed hourly labor rates, or other pricing structure as set forth in the Proposal Invitation. Except as provided in this section E.4 or otherwise in this Proposal Invitation, Vendor shall hold its awarded pricing firm during the Contract term.

For awards based on discount off catalog or pricelist, Vendor may submit updated pricelists or catalogs reflecting manufacturer or similar market-wide price increases that occur during the Contract term to the Cooperative, and shall provide upon request such supporting manufacturer documentation as the Cooperative may require. Such pricelists or catalogs must be provided in the same format required by the Proposal Invitation for catalogs and pricelists submitted

with Proposals. All pricelist or catalog changes must be supported by manufacturer price changes or similar market changes. The Cooperative reserves the right to reject any or all catalog or pricelist price changes as it deems to be in the best interest of and to provide best value to Cooperative members. Unless otherwise provided in the Proposal Invitation, no catalog or pricelist price increases, including website-based catalogs or pricelists, will be permitted or accepted within 180 days of Vendor's Proposal submission or within 180 days of submission of a prior revised catalog or pricelist. Updated pricelists or catalogs must be limited to awarded products or the pricelist or catalog may be rejected by the Cooperative in its entirety. Vendor must provide the Cooperative with prior notice of catalog and pricelist changes. Until such time as updated pricelists have been submitted to the Cooperative, or in the event the Cooperative rejects or determines further information is required before accepting a revised catalog or pricelist, Vendor shall be required to continue to apply the prior catalog or pricelist pricing, with applicable discount, to Cooperative members.

For awarded pricing based on hourly labor rates, Vendor may not exceed the awarded pricing during the Contract term unless changes to prevailing wage rates under state, local, or federal law applicable to the work to be performed require higher rates. In such event, the Vendor must notify the Cooperative and provide documentation supporting the required labor rate increase.

All awarded discounts must remain firm during the Contract term.

In the event Vendor decreases the price of awarded products or services for any or all of its other customers in similar market circumstances below the Contract price, Vendor must offer such decreased pricing to Cooperative members.

During the Contract term, Cooperative members may negotiate with Vendor, through the BuyBoard request for quotes (RFQ) function or otherwise, to obtain lower prices for awarded products or services based on volume or other factors.

If it is determined that a Vendor has sold products or services to Cooperative members through the Contract at a price higher than the applicable awarded pricing, Vendor shall be in default of its Contract and subject to termination.

Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the awarded pricing.

5. Packaging, Transportation, and Delivery

Unless otherwise provided for in this Proposal Invitation, all products must be packaged in containers that are new, appropriately designed for the product, and sturdy enough to protect the product during loading, transit, unloading, and storage, and be suitably packed to secure the lowest transportation costs. Products for which palletizing is appropriate must be delivered on standard 48" 4-way pallets in good, serviceable condition.

Vendor is responsible for paying all freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member, and for the risk of loss until the product is delivered to and accepted by the Cooperative member. Freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member are to be prepaid by Vendor. Vendor may collect the actual amount of such charges after delivery and acceptance, provided that the charges (a) were disclosed to the Cooperative member, if requested, and in all instances in which the charges exceed ten percent (10%) of the total cost of the order, prior to shipment; (b) are itemized and shown separately on the member's invoice; and (c) are supported by appropriate documentation submitted with the invoice.

Except for items that have hidden defects or that do not meet specifications, title and risk of loss to products pass to a Cooperative member upon the member's actual receipt and acceptance of the product at the point and time of delivery. Unless otherwise noted in the proposal (as a deviation) or the Purchase Order, Vendor must deliver or

provide awarded products or services within ten (10) business days after receipt of a Cooperative member's purchase order. Vendor must immediately notify the Cooperative member's primary contact of any anticipated or actual delay and document the notice in writing, and the member may extend the delivery time or cancel the order if the delay is unacceptable. If the Cooperative member has not received notice of the delay as required by this section, the member may, at its discretion, return to Vendor any items received after the due date, at Vendor's expense and without liability or penalty to the member. When the needs of a Cooperative member require immediate response, the right to pick up products on an "over the counter" basis must be available for the majority of the awarded products. In these circumstances, the Cooperative member's personnel may pick up the products at Vendor's warehouse location. Additionally, a Cooperative member may request emergency delivery, and Vendor must use its best efforts to comply with rush or emergency requests. If Vendor cannot fulfill the emergency delivery requirement, the member may procure the products or services from alternative sources without penalty. Time is of the essence in Vendor's performance of the Contract.

6. Packing Lists, Invoices and Payments

Packing lists or other suitable shipping documents must accompany each shipment and state: (a) Vendor's name and address; (b) Cooperative member's name and address or delivery location; (c) Cooperative member's Purchase Order number; (d) descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, and total number of containers; and (e) copies of all product warranties for the item(s) delivered. Vendor must submit separate invoices, in duplicate, on each purchase order after each delivery. Invoices must (a) contain the information stated above; (b) separately itemize any transportation and delivery charges, and include associated documentation; (c) include a properly signed copy of the delivery receipt; and (d) be mailed directly to the ordering Cooperative member. Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the awarded pricing and must not be separately itemized in the invoice.

Payment by the Cooperative member is due after a Cooperative member's receipt and acceptance of ordered products or services and the documentation identified above, including a complete and correct invoice, in accordance with the Prompt Payment Act (Chapter 2251 of the Texas Government Code.) A Cooperative member is not responsible for products delivered or invoiced without a valid purchase order number.

A Cooperative member's obligation to Vendor is payable only and solely from funds available for the purpose of the purchase. Lack of funds will render a member's purchase order null and void to the extent funds are not available and any delivered but unpaid product will be returned to Vendor. Neither the Cooperative nor TASB is liable or responsible for any payment owed Vendor by a Cooperative member under the Contract.

7. Product Inspection, Testing, and Defective Items

Products supplied under the Contract must be delivered in the best possible condition, be covered by the product warranties provided by Vendor and/or the product manufacturer to other customers, and are subject to inspection, testing, and approval by the Cooperative or a Cooperative member. Tests may be performed on samples taken from any regular shipment of the product. In the event a tested product fails to meet or exceed all requirements of the item specifications or these Terms and Conditions, Vendor must pay the cost of the samples and the testing. Upon receipt of notification from the Cooperative or Cooperative member, Vendor must pick up and replace the defective product within five (5) business days or on the next service date, whichever is sooner, without charge for the replacement or delivery. Additionally, the Cooperative or member may dispose of defective products that are not picked up and replaced by Vendor, without cost. Products damaged in shipment are considered defective for purposes of the foregoing. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance of such products. The Cooperative or Cooperative member must have access to Vendor's place of business during normal business hours for the purpose of inspecting any awarded product.

8. Substitutions

Vendor's Proposal must specify the products or services Vendor proposes to provide under each category of the Proposal Invitation specifications. Vendor shall only be permitted to provide those products or services specified for categories under which Vendor is awarded under the Contract. Except as provided in this section E.8, the Cooperative will not accept substitutions to any of the product(s) listed in the Proposal after a Notice of Award has been issued. If an awarded product or catalog of products is discontinued by the manufacturer and the same manufacturer offers an equivalent replacement product or catalog of products within the same Proposal Invitation specifications and category(ies) for which Vendor was awarded, Vendor may substitute the replacement product for the awarded product. Vendor shall submit supporting documentation to the Cooperative regarding any substitutions. The Cooperative reserves the right to reject, in its sole discretion, any substitution.

9. Product and Service Guarantees and Warranties

Vendor must not limit or exclude any implied warranties and shall extend such warranties on the awarded product, as well as the installation thereof if such installation is provided by Vendor, as are normally provided to other customers of Vendor. All services shall be performed in a good and workmanlike manner consistent with industry standards. Unless a deviation is submitted by the Vendor with its proposal and accepted by the Cooperative pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions) of these Terms and Conditions or unless a different warranty is required by a Cooperative member Purchase Order or supplemental contract, a minimum of a ninety (90)-day product or service guaranty or the manufacturer's standard commercial warranty, whichever is greater, will apply to all awarded products and services. At a minimum, all product warranties must provide for replacement of defective merchandise, parts, and labor, and include pick-up of the defective merchandise from the location specified by the Cooperative member and delivery of the replacement(s) to the same location. In addition, such warranty shall include curing any defects in connection with any Vendor installation of the product at no additional cost to the member. The warranty period is effective from the date the Cooperative member accepts the product or the date the service is completed and accepted by the Cooperative member.

Vendor shall respond to any reasonable requests for information from the Cooperative, its administrator, or a Cooperative member in regards to concerns regarding public health or safety regarding awarded products, including such documentation as may be reasonably requested. In the event of any product recalls affecting awarded products, as soon as practicable, Vendor shall notify in writing both the Cooperative and any Cooperative members who made purchases from Vendor for such recalled products of the recall and proposed action. At a minimum and without waiving any other requirements under law or Cooperative member purchase order, Vendor shall be required with respect to purchasing Cooperative members to take all action required by law or any greater remedy as may be offered by Vendor to other customers with respect to recalled products, including but not limited to, prompt replacement and/or refunds.

10. Multiple Distribution Centers, Single Point of Contact, and Designated Dealers

If Vendor delivers products out of more than one warehouse or distribution center, all warehouses or distribution centers involved in the distribution plan must carry or have timely access to all awarded items and must be able to respond to orders in a timely manner. Unless otherwise specified in this Proposal Invitation, product substitutions are not allowed, and the involvement of multiple distribution centers does not alter the restriction against product substitution.

The Cooperative and Cooperative members will have **one Vendor contact person** for overall contract management relative to the Contract, even if Vendor uses multiple distribution centers or designated dealers, and the Cooperative and its members will not be required to deal with multiple Vendor contacts for overall contract management.

If Vendor is a manufacturer that sells products through a dealer network, Vendor may request to designate a dealer or multiple dealers ("Designated Dealer" or "Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf by completing and submitting to the Cooperative's administrator the information required on the

Manufacturer Dealer Designation form contained in the Proposal Invitation, and/or such other form or information as the Cooperative's administrator may reasonably require.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

Further, Vendor acknowledges and agrees that, if Vendor opts to submit Designated Dealers under the Contract, Vendor is responsible for ensuring the accuracy of, maintaining, and updating the Designated Dealer information provided to the Cooperative and ensuring and confirming such information has been received by the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

11. The BuyBoard

The awarded Contract will be posted on the BuyBoard website as an online electronic catalog(s). **Except as expressly authorized in writing by the Cooperative's administrator, neither Vendor nor any Vendor Designated Dealer is authorized to process a Purchase Order received directly from a Cooperative member**, and a Cooperative member that wishes to procure goods or services under the Contract will initiate a Purchase Order through the BuyBoard, which will be transmitted to Vendor or Vendor's Designated Dealer(s). All Purchase Orders generated by or under the contract must be processed through the BuyBoard. To the extent that a Vendor or a Vendor Designated Dealer erroneously processes a Purchase Order received directly from a Cooperative member without express written authorization from the Cooperative's administrator, such actions may be considered in breach of Vendor's obligations under the Contract but shall not alter the nature of the transaction as a BuyBoard purchase or relieve Vendor of the obligation to pay the service fee on such purchase, the intent of the Cooperative member to purchase through the Cooperative contract being paramount. Vendor and any Vendor Designated Dealer must maintain the computer and telephone hardware necessary to provide for the electronic receipt of Purchase Orders, and pay such costs and fees as may be imposed by a supplier or service provider for the software, equipment and service required to use the BuyBoard. To the extent that a Vendor is authorized in writing by the Cooperative administrator to process a Purchase Order received directly from a Cooperative member, Vendor shall be required to comply with all conditions imposed by the Cooperative as a part of such authorization.

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) or billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf including, if Vendor is a manufacturer, any Designated Dealer(s) of Vendor's products. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

13. Disclaimer of Warranty and Limitation of Liability

THE COOPERATIVE AND TASB (BOTH D/B/A BUYBOARD) DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO THE AVAILABILITY, ACCURACY, CONTENT OR ANY OTHER ASPECT OF ANY INFORMATION, PRODUCT, OR SERVICE FURNISHED UNDER THE CONTRACT AWARD, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. WITH RESPECT TO ANY AND ALL CAUSES OF ACTION ARISING UNDER OR RELATED TO THE CONTRACT, NEITHER THE COOPERATIVE NOR TASB, NOR THEIR RESPECTIVE OFFICERS, BOARD MEMBERS, EMPLOYEES OR AGENTS, IS LIABLE TO VENDOR UNDER ANY CIRCUMSTANCES FOR LOST REVENUE, DATA OR PROFITS, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, EVEN IF THE COOPERATIVE AND/OR TASB HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY PROVIDED BY LAW, IN NO EVENT WILL THE COOPERATIVE AND/OR TASB'S TOTAL JOINT LIABILIY TO VENDOR EXCEED THE AMOUNT OF THE SERVICE FEE PAID BY VENDOR DURING THE TWELVE MONTHS IMMEDIATELY PRECEEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

Neither the Cooperative nor TASB is in any way liable to Vendor for a Cooperative member's performance or nonperformance of the member's obligations under the Contract or Purchase Order.

14. Sales Tax

Cooperative members are governmental entities which are generally exempt by law from the payment of state sales tax and federal excise tax. Vendor may request a Cooperative member to provide a tax exemption certificate, or the member may establish its tax exempt status by including tax exemption information or tax exemption certificate with the purchase order as authorized under law. Vendor is responsible for collecting such taxes, if any, as may be due from a Cooperative member and remitting payment to the appropriate taxing authority.

15. Use of Logo and Trade Name

The BuyBoard trade name and logo are proprietary to TASB and have been specifically licensed by TASB to the Cooperative. Vendor may not use, display, or otherwise distribute the BuyBoard logo or trade name except in strict accordance with the Cooperative's written guidelines posted on the BuyBoard website.

16. Indemnification

Vendor agrees to defend, indemnify, and hold harmless the Cooperative, TASB and Cooperative members, and their officers, board members, agents and employees, from and against all claims, actions, suits, demands, proceeding, costs, damages and liabilities, including court costs and attorney's fees, arising out of or resulting from any acts or omissions of Vendor or its agents, employees, suppliers or contractors or subcontractors in the execution of or performance under the Contract or a purchase order, as applicable.

17. Intellectual Property Infringement

Without limiting the scope of section E.16 (Indemnification) of these Terms and Condition, if any claim is asserted, or action or proceeding brought against the Cooperative or a Cooperative member that alleges that all or any part of the products supplied by Vendor, in the form supplied or modified by Vendor, or its subcontractors pursuant to Vendor's sole directions, infringes or misappropriates any United States intellectual property, intangible asset, or other proprietary right, title or interest (including, without limitation, any copyright or patent or any trade secret right, title, or interest), or violates any other contract, license, grant, or other proprietary right of any third party, the Cooperative, upon its awareness, shall give Vendor prompt written notice thereof. Vendor shall defend, and hold the Cooperative and the Cooperative member harmless, against any such claim or action and shall indemnify the Cooperative and Cooperative member against any liability, damages and costs resulting from such claim. In addition, if, in any such suit arising from such claim, the continued use of the product for the purpose intended is enjoined by any court of competent jurisdiction, Vendor shall, at its expense and option, either (a) procure for the Cooperative member the right to continue using the product; (b) modify the product so that it becomes non-infringing; (c) replace the product or portions thereof so that it becomes non-infringing; or (d) allow the Cooperative member to return the product and refund the purchase price (less reasonable depreciation for use.)

18. Remedies for Default and Termination of Contract

Except as otherwise provided for in these Terms and Conditions, either party may terminate the Contract in whole or in part in the event of the other party's substantial failure to fulfill its obligations under the Contract through no fault of the terminating party; provided, however, that the defaulting party is given at least ten (10) business days prior written notice of the default and intent to terminate (delivered by certified mail, return receipt requested, or other method that similarly documents receipt), and a ten (10) business day opportunity to remedy the default to the satisfaction of the terminating party (or, in the event of default based on Vendor's failure to timely remit the service fee due the Cooperative, such longer cure period as may be established by Cooperative policy.)

At the Cooperative's option and in addition to any other remedies it may have available, the Cooperative may terminate the Contract if Vendor fails to adhere to or violates any of the provisions of these Terms and Conditions, including the certifications. Without limiting the scope of the foregoing, one or more of the following constitute grounds for termination:

a) Delivery of product or services that fail to meet the item specifications;
b) Delivery of product or services that are defective or substandard or fail to pass product inspection;

c) Delivery of a product substitution, except as specifically authorized;
d) Failure to meet required delivery schedules;
e) Failure to timely supply the awarded products or services at the contract price;
f) Failure to timely remit any service fee due the Cooperative under the Contract or any other BuyBoard contract with Vendor, it parent company, or affiliates;
g) Failure to provide, within a reasonable time and where required by the Contract, information reasonably requested by the Cooperative including, but not limited to, information requested under section E.12 of these Terms and Conditions;
h) Processing a Purchase Order received directly from a Cooperative member, without prior written approval from the Cooperative's administrator;
i) Providing architectural or engineering services under the Contract that must be procured pursuant to the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code);
j) Selling non-awarded goods or services under the Contract or any other BuyBoard contract with Vendor; or
k) Vendor refusal, inability or loss of ability, to offer or provide awarded goods or services to Cooperative members in awarded regions or states unless caused by a Force Majeure event pursuant and subject to section E.19.

Notwithstanding any other provision of this section E.18, in the event of Vendor's default under or breach of any provision in the Contract, the Cooperative reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of the Cooperative or necessary or appropriate to protect or provide best value to Cooperative members. Without limiting the scope of the foregoing, the Cooperative or its administrator may temporarily inactivate (suspend) Vendor from the BuyBoard website and as a BuyBoard vendor, suspend or remove any Vendor Designated Dealer from the BuyBoard website, or require removal of an awarded product with or without prior notice to Vendor, if the Cooperative or its administrator determines that a breach under the Contract or any other BuyBoard contract with Vendor, including nonpayment of service fees, or a potential public health, policy or safety issue warrants such action, and the temporary inactivation will remain in effect pending further action or termination of the Contract by the Cooperative or its administrator. Vendor remains liable for all obligations and responsibilities incurred prior to and during any temporary inactivation and prior to termination, as applicable.

In the event the Cooperative terminates the Contract, in whole or in part, the Cooperative reserves the right to award the terminated Contract, or any portion thereof, to the next Proposer the Cooperative determines to provide best value to Cooperative members.

A Cooperative member has no authority to terminate the Contract at the Cooperative level for default, but may terminate a Purchase Order or refuse to accept delivery as provided for in these Terms and Conditions or for Vendor's material breach of a term or condition included in a member Purchase Order or supplemental contract. Additionally, the Cooperative and Cooperative members may sue for breach of contract and specific performance and, in addition to contract damages, recover attorneys' fees and costs.

Neither the Cooperative nor a Cooperative member will be liable to Vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on Vendor's default or breach of contract.

If any delay or failure of performance is caused by a Force Majeure event as described in section E.19 (Force Majeure) of these Terms and Conditions, the Cooperative may, in its sole discretion, terminate the Contract in whole or part, provided such termination complies with the procedures set out above. Any Contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future proposals from the defaulting Vendor.

In the event a Vendor's Contract is terminated under this section E.18, Vendor shall remain responsible for payment of all service fees to the Cooperative for products and services sold to Cooperative members prior to such termination.

19. Force Majeure

The term Force Majeure includes, but is not limited to, governmental restraints or decrees, provided they affect all companies in Vendor's industry equally and are not actions taken solely against Vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The Cooperative, Cooperative members, and Vendor are required to use due caution and preventive measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred rests on the party seeking relief under this section E.19. The claiming party must promptly notify the other party in writing, citing the details of the Force Majeure event, use due diligence to overcome obstacles to performance created by the Force Majeure event, and resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance of the Contract or a Purchase Order caused solely by a Force Majeure event will be excused for the period of delay caused solely by the Force Majeure event, provided the party claiming the event promptly notifies the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure. Neither the Cooperative nor a Cooperative member will be responsible for any cost incurred by Vendor because of the Force Majeure event unless the Cooperative member has requested, in writing, that Vendor incur such cost in connection with any delay or work stoppage caused by the Force Majeure event.

Notwithstanding any other provision of this section E.19, in the event Vendor's performance of its obligations under the Contract is delayed or stopped by a Force Majeure event, the Cooperative may, at its sole option, terminate the Contract in accordance with section E.18 (Remedies for Default and Termination of Contract) of these Terms and Conditions. This section E.19 does not limit or otherwise modify any of the Cooperative's rights as provided elsewhere in the Contract.

F. Miscellaneous

1. Assignment

Vendor may not sell, assign, transfer, convey or subcontract any responsibility or obligation created by the Contract in regards to the Cooperative without the Cooperative's prior written consent. A Vendor wishing to assign, transfer, or convey all or any portion of an awarded Contract shall submit a written request to the Cooperative, preferably at least 60 days before the projected effective date of the assignment and provide such information as the Cooperative may require to process and consider the request.

Approval or denial of an assignment request shall be within the sole discretion of the Cooperative, and a vendor not awarded a Contract through the Proposal Invitation process has no right or vested interest to assignment of an awarded Contract. In determining whether to consent, the Cooperative may consider any relevant factors, including whether the person to which the sale, assignment, transfer, conveyance or subcontract is proposed is bound to and will honor all obligations and responsibilities imposed on Vendor under the Contract, including awarded pricing, and the best interest of and value to Cooperative members. Vendor's attempted sale, assignment, transfer, conveyance or subcontracting of any part of the Contract except in compliance with this section F.1 is void and ineffective.

If Vendor ceases distribution of an awarded product for any reason during the Contract term, including ceasing distribution in one or more regions or states designated by Vendor in its Texas Regional Service Designation or State

Service Designation forms, and the Cooperative determines that continued availability of the product provides best value to Cooperative members, the Cooperative reserves the right to place the manufacturer of such product on the BuyBoard for the remainder of the Contract term for any or all regions or states in which Vendor has ceased distribution, in which event Vendor's Contract for such product will be deemed assigned to the product manufacturer.

2. Notices

Unless otherwise provided for in this Proposal Invitation, any written notice or other communication required by the Contract or by law will be conclusively deemed to have been given and received on the third business day after such written notice has been deposited in the U. S. Mail, properly addressed, and with sufficient postage affixed thereto, provided that actual notice may also be given in any other manner used in commerce.

If the conclusion of any time period provided for in these Terms and Conditions falls on a weekend or a federal holiday, the conclusion of such time period shall be deemed to be extended until the next business day. Otherwise, references to time periods measured by days shall mean calendar days unless business days are specifically designated.

3. Equal Employment Opportunity (EEO) Disclosures

Vendor agrees to abide by all applicable laws, regulations, and executive orders pertaining to equal employment opportunity, including federal laws and the laws of the state in which Vendor's primary place of business is located. In accordance with such laws, regulations and executive orders, Vendor agrees that no person in the United States shall, on the grounds of race, color, religion, national origin, sex, age, veteran status, disability or genetic information, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed by Vendor under the Contract. Upon request, Vendor will furnish information regarding its nondiscriminatory hiring and promotion policies.

4. Applicable Law, Venue and Dispute Resolution

The Contract is governed by and will be construed according to the laws of the State of Texas, including the Uniform Commercial Code (UCC) as adopted in the State of Texas as effective and in force on the date of the Contract. Venue for any litigation concerning the Cooperative or TASB lies in Austin, Travis County, Texas, and venue for any litigation between a Cooperative member and Vendor arising under the Contract lies in the home county of the member. The parties have the mutual affirmative duty to attempt to resolve any disputes that arise under the Contract in good faith at the least possible expense prior to the initiation of any type of judicial or administrative proceeding.

5. Waiver

No claim or right arising out of a breach of the Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. A party's failure to require strict performance of any provision of the Contract does not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision.

6. Interpretation – Parol Evidence

This writing is intended by the parties as a final expression of their agreement and a complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties and no usage of the trade is relevant to supplement or explain any terms used in the Contract. Acceptance or acquiescence in a course of performance rendered under the Contract is not relevant to and does not determine the meaning of the Contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection.

7. Right to Assurance

Whenever the Cooperative in good faith has reason to question Vendor's intent to perform, the Cooperative may demand that Vendor give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the Cooperative may treat the failure as an anticipatory repudiation of the Contract.

8. Non-Appropriations Clause
Texas law prohibits the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. A Cooperative member that is a governmental entity (a) reserves the right to rescind a multi-year purchase order or other agreement to purchase products or services under the Contract at the end of the member's fiscal year if it is determined that funding is not available to extend the agreement; and (b) will use its best efforts to attempt to obtain and appropriate funds for payment.

9. Invalid Term or Condition
If any term or condition of the Contract is held invalid or unenforceable, the remainder of the Contract will not be affected and will be valid and enforceable.

10. Remedies Cumulative
The remedies available to the Cooperative, a Cooperative member, or Vendor under this Contract are in addition to any other remedies that may be available under law or in equity.

11. Signatures
Except as required pursuant to section B.13 (Proposal Signatures) of these Terms and Conditions with respect to Proposals and related documentation or as otherwise specifically required in these Terms and Conditions, all notices, requests, amendments and other written documentation required or authorized under the Contract may be provided by facsimile or as an imaged document, and an electronic, facsimile or imaged signature shall be deemed an original.

12. Right of Setoff
Any indebtedness or obligation owed by Vendor or Vendor's affiliates to the Cooperative may be appropriated and applied by the Cooperative at any time, and from time to time, on any indebtedness or other obligation owed by the Cooperative to Vendor or Vendor's affiliates, whether such indebtedness or other obligations are now existing or hereafter arise, and whether under the Contract or otherwise. It is further understood and agreed that this right of setoff is in addition to, and not in lieu of, any other right, remedy or recourse which is available to the Cooperative either at law or equity, and that failure to exercise such right of setoff in any instance shall not constitute a waiver of such right.

Re: *Notice of The Local Government Purchasing Cooperative Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 601-19 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

1. Vendor Quick Reference Guide 2. BuyBoard License and Identity Standards

You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by email to info@buyboard.com any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please email the order info@buyboard.com and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas

Re: *Notice of National Purchasing Cooperative Piggy-Back Award*
Proposal Name and Number: Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor, Proposal No. 601-19

Congratulations, The National Purchasing Cooperative (National Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. As provided for in the Proposal and your National Purchasing Cooperative Vendor Award Agreement, you are authorized to sell the goods and services awarded under the Proposal to National Cooperative members in states other than Texas through the BuyBoard. The contract is effective 12/1/2019 through 11/30/2020, with two possible one-year renewals.

The National Cooperative membership list is available at our website www.buyboard.com/vendor. The list identifies the current members that may purchase awarded goods and services under your National Cooperative BuyBoard contract.

You are advised that receipt of a purchase order directly from a National Cooperative member is not within BuyBoard guidelines. Accepting purchase orders directly from Cooperative members may result in a violation of applicable competitive procurement law and termination of this National Cooperative BuyBoard contract. **Therefore, all purchase orders from National Cooperative members must be processed through the BuyBoard**. Please forward by e-mail to info@buyboard.com any order received directly from a National Cooperative member. If you inadvertently process a purchase order sent directly to you by a National Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

As an awarded vendor a BuyBoard user id and password will be sent via e-mail 2 to 3 business days prior to the start of your contract.

On behalf of the National Cooperative, we are looking forward to your participation in the program. If you have any questions, please contact **Cooperative Procurement Staff at 800-695-2919**.

Sincerely,

Arturo Salinas

DEBARMENT CERTIFICATION

Neither my company nor an owner or principal of my company has been debarred, suspended or otherwise made ineligible for participation in Federal Assistance programs under Executive Order 12549, "Debarment and Suspension," as described in the Federal Register and Rules and Regulations. Neither my company nor an owner or principal of my company is currently listed on the government-wide exclusions in SAM, debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority. My company agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from my company if my company or an owner or principal is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority.

By signature below, I certify that the above is true, complete and accurate and that I am authorized by my company to make this certification.

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

☒ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

Please check (√) one of the following:

☑ Yes ☐ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

NO ISRAEL BOYCOTT CERTIFICATION

Effective September 1, 2017, as amended effective May 7, 2019 (H.B. 793), a Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature below, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Effective September 1, 2017, Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature below, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Procurement and Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request.

By signature below, the undersigned affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. The Cooperative will consider any deviations in its contract award decision, and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative's administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below and have this form signed by an official of your company authorized to make such designation. If you wish to designate multiple dealers, please duplicate this form as necessary.

TEXAS REGIONAL SERVICE DESIGNATION

The Cooperative (referred to as "Texas Cooperative" in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. ***If you propose to serve different regions for different products or services included in your proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies in the space provided at the end of this form. By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE/PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide its members with the best services and products at the best prices available from vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 19,867,477. (The period of the 12 month period is August 2018 / August 2019). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

CONFIDENTIAL/PROPRIETARY INFORMATION

A. Public Disclosure Laws

All Proposals, forms, documentation, or other materials submitted by Vendor to the Cooperative in response to this Proposal Invitation, including catalogs and pricelists, may be subject to the disclosure requirements of the Texas Public Information Act (Texas Government Code chapter 552.001, *et. seq.*) or similar disclosure law. Proposer must clearly identify on this form any information in its Proposal (including forms, documentation, or other materials submitted with the Proposal) that Proposer considers proprietary or confidential. If Proposer fails to properly identify the information, the Cooperative shall have no obligation to notify Vendor or seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure law. Proposer will be notified of any third party request for information in a Proposal that Proposer has identified in this form as proprietary or confidential.

Does your Proposal (including forms, documentation, or other materials submitted with the Proposal) contain information which Vendor considers proprietary or confidential?

Please check (√) one of the following:

☒ **NO**, I certify that none of the information included with this Proposal is considered confidential or proprietary.

☐ **YES**, I certify that this Proposal contains information considered confidential or proprietary and all such information is specifically identified on this form.

If you responded "YES", you must identify below the specific information you consider confidential or proprietary. List each page number, form number, or other information sufficient to make the information readily identifiable. The Cooperative and its Administrator will not be responsible for a Proposer's failure to clearly identify information considered confidential or proprietary. Further, by submitting a Proposal, Proposer acknowledges that the Cooperative and its Administrator will disclose information when required by law, even if such information has been identified herein as information the vendor considers confidential or proprietary.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the Simplified Acquisition Threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

7. Clean Air Act and Federal Water Pollution Control Act:
Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension:
Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment:
Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

10. Procurement of Recovered Materials:
For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price:
For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

12. General Compliance and Cooperation with Cooperative Members:
In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

PROPOSAL INVITATION QUESTIONNAIRE

The Cooperative will use your responses to the questions below in evaluating your Proposal and technical and financial resources to provide the goods and perform the services ("Work") under the BuyBoard contract contemplated by this Proposal Invitation ("Contract"). Proposers must fully answer each question, numbering your responses to correspond to the questions/numbers below. Proposers must complete below or attach your responses to this questionnaire, sign where indicated below, and submit the signed questionnaire and your responses to all questions in one document with your Proposal. **You must submit the signed questionnaire and responses with your Proposal or the Proposal will not be considered.**

1. List the number of years Proposer has been in business and former business names (if applicable). Note whether your company is currently for sale or involved in any transaction that would significantly alter its business or result in acquisition by another entity.

Caldwell Country Chevrolet has been in the Government Fleet business since 2004 and been in business to sell vehicles for many years before that. We are currently not involved in a sale or any transaction that would significantly alter our business.

2. Describe the resources Proposer has to manage staff and successfully perform the Work contemplated under this Contract. State the number and summarize the experience of company personnel who may be utilized for the Work, including those who will be available to Cooperative members for assistance with project development, technical issues, and product selection for Work associated with this Contract.

We currently have a team to manage all of our Municipal contracts. We have over 40 years in Government Fleet experience and have adapted and hired the staff to support all our customers needs. We have dedicated years to building the municipal side of the business and do whatever we can to keep all of our customers happy. As a company, we have been working with the Buyboard for over 20 years.

3. Describe Proposer's financial capability to perform the Contract. State or describe the firm's financial strength and rating, bonding capacity, and insurance coverage limits. State whether the firm, or any of the firm's past or present owners, principal shareholders or stockholders, or officers, have been a debtor party to a bankruptcy, receivership, or insolvency proceeding in the last 7 years, and identify any such debtor party by name and relationship to or position with your firm.

Caldwell Country Chevrolet delivers over 3500 Chevrolet vehicles to various governmental agencies all over the State and Country. We have the financial capability to preform this contract and the insurance to cover it. We have not had any officers or owners involved in an financial troubles.

4. Does your company have any outstanding financial judgments and/or is it currently in default on any loan or financing agreement? If so, provide detailed information on the nature of such items and prospects for resolution.

Caldwell Country Chevrolet does NOT have any outstanding financial judgements or any defaults on loans.

5. List all contracts, if any, in the last 10 years on which Proposer has defaulted, failed to complete or deliver the work, or that have been terminated for any reason. For each such contract, provide the project name, scope, value and date and the name of the procuring entity. Fully explain the circumstances of the default, failure to complete or deliver the work, or termination.

None.

6. List all litigation or other legal proceedings (including arbitration proceedings), if any, in the last 10 years brought against your firm, or any of the firm's past or present owners, principal shareholders or stockholders, officers, agents or employees, that relates to or arises from a contract similar to this Contract or the work contemplated under this Contract. Provide the style of the lawsuit or proceeding (name of parties and court or tribunal in which filed), nature of the claim, and resolution or current status.

THE LOCAL GOVERNMENT PURCHASING COOPERATIVE
ADDENDUM NO. 1

Proposal Invitation No. 601-19
Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts, and Service Labor

The following modifications are made to the above referenced Proposal Invitation and shall become a permanent part of the Proposal Invitation document:

I. Proposal Invitation Forms; Vendor Contact Information. On the Vendor Contact Information form, **Invoices**, the third included option for Vendors to authorize service fee invoices to be provided to Designated Dealers receiving purchase orders is **deleted**. Vendors must either accept invoices directly or designate one billing agent for receipt of service fee invoices. Vendors will no longer be permitted to have invoices directed to Designated Dealers. Therefore, when completing the Vendor Contact Information form, **Invoices** section, Vendor may only select and complete either the first option ("Service fee invoices and related communications should be provided directly to my company ...") or second option ("In lieu of my company, I request and authorize all service fee invoices to be provided directly to the following billing agent ...").

II. General Terms and Conditions, Section E.12, Service Fee. Section E.12 of the General Terms and Conditions (Service Fee) is revised to read as follows:

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the awarded pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in an invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing **no later than the 90th day after the original invoice date** (Dispute Period) by returning a copy of the invoice or statement of outstanding balances to the Cooperative with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees have been paid by Vendor, any request for a refund must be provided to the Cooperative in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) and billing agent to cooperate, with the Cooperative in attempting to reconcile and resolve disputed fees, and shall provide such reasonable information and documentation as the Cooperative may require to review the disputed fees to the satisfaction of the Cooperative administrator's staff. Any service fees for which the Cooperative has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board Policy, COOP-852, Vendor Invoicing and Collections.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative's administrator in such form as the Cooperative's administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor

shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, or such other documentation regarding those Purchase Orders as the Cooperative's administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

Please sign and return one copy of this addendum with your proposal as verification of your receipt and compliance with the information contained in this addendum.

Proposal Invitation No. 601-19-Vehicles, Heavy Duty Trucks, Police Motorcycles, Parts and Service Labor

(Manufacturer specification sheets and options pricelist must be submitted with proposal.[1])

NOTE 1: Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All vehicle ancillary fees to be charged for any purchase from this contract with the exception of delivery fees *(i.e. applicable State of Texas inspection, State of Texas title, State of Texas registration, dealer document fees, pre delivery inspection, make ready, applicable state inspection, and manufacturer destination fees, etc.)* are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be allowed. The Cooperative service fee is not a "vehicle fee" and is not to be included in the base pricing.

NOTE 2: An awarded Vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

NOTE 3: Franchise Motor Vehicle Dealer Certificate from Texas Department of Motor Vehicles. Manufacturer certificate from Texas Department of Motor Vehicles or, if vendor proposes to serve states outside of the State of Texas, the applicable dealer license(s) for such state(s).

RE: Letter of Supply

This Letter of Supply is in reference to the offer for Caldwell Country Chevrolet, Caldwell, TX to participate in the bid process for the BuyBoard contract.

GM affirms that Caldwell Country Chevrolet is a GM dealer and is authorized to perform sales, service and parts functions for the GM vehicles they represent. General Motors will supply the dealer product and parts consistent with all other dealers that bid and win state, local or federal government contracts in line with current planned production. Dealers are made aware of GM's production plans, anticipated shortages and interruptions in the normal course of business. GM places the sole responsibility upon GM dealers to communicate and respond to their customers in a timely manner when these interruptions occur, especially if the interruption will impact product that was bid and won for a government contract. In the event production schedules cannot be met, GM makes every effort to supply acceptable substitutions whenever possible.

Welcome to BuyBoard!

Re: *Notice of The Local Government Purchasing Cooperative Contract Award;* Proposal Invitation No. 685-22, Construction, Road and Bridge, and Other Related Equipment

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal Invitation. The contract is effective for an initial one-year term of December 1, 2022, through November 30, 2023, and may be subject to two possible one-year renewals. Please refer to the Proposal Invitation for the contract documents, including the General Terms and Conditions of the Contract.

To review the items your company has been awarded, please review Proposal Tabulation No. 685-22 at: www.buyboard.com/vendor. Only items marked as awarded to your company are included in this contract award, and only those awarded items may be sold through the BuyBoard contract. All sales must comply with the contract terms and must be at or below the awarded pricing as set forth in the General Terms and Conditions.

The contract will be posted on the BuyBoard website as an online electronic catalog(s). **You are reminded that, in accordance with the General Terms and Conditions, all purchase orders must be processed through the BuyBoard**. Except as expressly authorized in writing by the Cooperative's administrator, you are not authorized to process a purchase order received directly from a Cooperative member that has not been processed through the BuyBoard or provided to the Cooperative. If you receive a purchase order directly from a Cooperative member that you have reason to believe has not been received by the Cooperative or processed through the BuyBoard, you must promptly forward a copy of the purchase order by email to info@buyboard.com.

A list of Cooperative members is available on the buyboard.com website. The BuyBoard vendor relations staff will be contacting you to assist with the resources available and to provide any support you may need as an awarded BuyBoard vendor.

On behalf of the Cooperative, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, feel free contact me at 800-695-2919.

Sincerely,

Ava Benford, Cooperative Procurement Manager

PROPOSAL ACKNOWLEDGEMENTS

The proposing company ("you" or "your") hereby acknowledges and agrees as follows:

1. You have carefully examined and understand all information and documentation associated with this Proposal Invitation, including the Instructions to Proposers, General Information, General Terms and Conditions, attachments/forms, appendices, item specifications, and line items (collectively "Requirements");
2. By your response ("Proposal") to this Proposal Invitation, you propose to supply the products or services submitted at the pricing quoted in your Proposal and in strict compliance with the Requirements, unless specific deviations or exceptions are noted in the Proposal;
3. By your Proposal, you acknowledge and certify all items set forth in the General Terms and Conditions, Section B.12 (Certifications), including all non-collusion certifications and certifications regarding legal, ethical, and other matters set forth therein.
4. Any and all deviations and exceptions to the Requirements have been noted in your Proposal on the required form and no others will be claimed;

Initial: SD

5. If the Cooperative accepts any part of your Proposal and awards you a Contract, you will furnish all awarded products or services at the pricing quoted and in strict compliance with the Requirements (unless specific deviations or exceptions are noted on the required form and accepted by the Cooperative), including without limitation the Requirements related to:
   a. conducting business with Cooperative members, including offering pricing to members that is the best you offer compared to similarly situated customers in similar circumstances;
   b. payment of a service fee in the amount specified and as provided for in this Proposal Invitation;
   c. the **possible** award of a piggy-back contract by the National Purchasing Cooperative or nonprofit entity, in which event you will offer the awarded products and services in accordance with the Requirements; and
   d. submitting price sheets or catalogs in the proper format as required by the Cooperative as a prerequisite to activation of your Contract;
6. You have clearly identified on the included form any information in your Proposal that you believe to be confidential or proprietary or that you do not consider to be public information subject to public disclosure under the Texas Public Information Act or similar public information law;
7. The individual submitting this Proposal is duly authorized to enter into the contractual relationship represented by this Proposal Invitation on your behalf and bind you to the Requirements, and such individual (and any individual signing a form or Proposal document) is authorized and has the requisite knowledge to provide the information and make the representations and certifications required in the Requirements;
8. You have carefully reviewed your Proposal, and certify that all information provided is true, complete, and accurate to the best of your knowledge, and you authorize the Cooperative to take such action as it deems appropriate to verify such information; and
9. Any misstatement, falsification, or omission in your Proposal, whenever or however discovered, will be grounds for disqualifying you from consideration for a contract award under this Proposal Invitation, termination of a contract award, or any other remedy or action provided for in the General Terms and Conditions or by law.

FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (√) one of the following:

- ☒ I certify that my company is a **Resident Proposer.**
- ☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☐ No

B. What is the prescribed amount or percentage? $_____ or _____%

DEBARMENT CERTIFICATION

By signature on the Compliance Forms Signature Page, I certify that neither my company nor an owner or principal of my company has been debarred, suspended or otherwise made ineligible for participation in Federal Assistance programs under Executive Order 12549, "Debarment and Suspension," as described in the Federal Register and Rules and Regulations. Neither my company nor an owner or principal of my company is currently listed on the government-wide exclusions in SAM, debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority. My company agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from my company if my company or an owner or principal is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority.

VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas?

NO BOYCOTT VERIFICATION

A Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel and will not boycott Israel during the term of the contract (TEX. GOV'T CODE Ch. 2271), (2) does not boycott energy companies and will not boycott energy companies during the term of the contract (TEX. GOV'T CODE Ch. 2274 effective September 1, 2021), and (3) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association (TEX. GOV'T CODE Ch. 2274 effective September 1, 2021). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

"Boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by Paragraph (A). TEX. GOV'T CODE §809.001(1) (effective September 1, 2021).

"Discriminate against a firearm entity or firearm trade association" means, (A) with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; and (B) does not include: (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship: (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. TEX. GOV'T CODE §2274.001(3) (effective September 1, 2021).

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify and verify that Vendor does not boycott Israel, boycott energy companies, or discriminate against a firearm entity or firearm trade association and will not do so during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature on the Compliance Forms Signature Page, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

HISTORICALLY UNDERUTILIZED BUSINESS CERTIFICATION

A Proposer that has been certified as a Historically Underutilized Business (also known as a Minority/Women Business Enterprise or "MWBE" and all referred to in this form as a "HUB") is encouraged to indicate its HUB certification status when responding to this Proposal Invitation. The BuyBoard website will indicate HUB certifications for awarded Vendors that properly indicate and document their HUB certification on this form. Please check (√) all that apply:

☐ I certify that my company has been certified as a HUB in the following categories:

☐ **Minority Owned Business** ☐ **Women Owned Business**
☐ **Service-Disabled Veteran Owned Business (veteran defined by 38 U.S.C. §101(2), who has a service-connected disability as defined by 38 U.S.C. § 101(16), and who has a disability rating of 20% or more as determined by the U. S. Department of Veterans Affairs or Department of Defense)**

ACKNOWLEDGEMENT OF BUYBOARD TECHNICAL REQUIREMENTS

Vendor shall review the BuyBoard Technical Requirements included in this Proposal Invitation. By signature on the Compliance Forms Signature Page, the undersigned affirms that Proposer has obtained a copy of the BuyBoard Technical Requirements, has read and understands the requirements, and certifies that Vendor is able to meet and will comply with those requirements except as follows: *[List and explain BuyBoard Technical Requirements, if any, to which your company **cannot** or will **not** comply.]*

N/A

Note: In accordance with the General Terms and Conditions of the Contract, to the extent Vendor is awarded a Contract under this Proposal Invitation but is unable or unwilling to meet the applicable BuyBoard Technical Requirements, the information available on the BuyBoard for Vendor's awarded products or services may be limited, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services on the BuyBoard website. Further, to the extent Vendor has acknowledged ability to meet and comply with the BuyBoard Technical Requirements, any subsequent failure or refusal by Vendor to promptly provide information upon request to the Cooperative administrator in accordance with those technical requirements may be deemed an event of default under the Contract. **Initial:** SD

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

The Cooperative issued the BuyBoard Procurement and Construction-Related Goods and Services Advisory for Texas Members ("Advisory"), which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer must make this Construction Related-Goods and Services Affirmation regardless of type of goods or services associated with this Proposal Invitation.

A contract awarded under this Proposal Invitation covers only the specific goods and/or services awarded by the Cooperative. As explained in the Advisory ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This Proposal Invitation and any Contract awarded thereunder does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

By signature on the Compliance Forms Signature Page, Proposer affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a Contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before accepting the member's Purchase Order or other agreement for construction-related goods or services.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. **Prior to completing this form, Vendor shall review the General Terms and Conditions section B.4 (Deviations from Item Specifications and General Terms and Conditions). Please note that, as provided in section B.4, certain provisions of the General Terms and Conditions are NOT subject to deviation, and certain deviations will be deemed rejected without further action by the Cooperative. Any attempted deviation, whether directly or indirectly, to provisions identified in this Proposal Invitation as not subject to deviation shall be deemed rejected by the Cooperative and, unless otherwise withdrawn by Vendor, may result in Vendor's Proposal being rejected in its entirety.**

The Cooperative will consider any deviations in its contract award decision and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a Contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. The Cooperative, by and through the Cooperative administrator, may, in its sole discretion, seek clarification from and/or communicate with Proposer(s) regarding any submitted deviation, consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a Proposal based upon any submitted deviation.

VENDOR CONSENT FOR NAME BRAND USE

BuyBoard members seeking to make purchases using a Contract awarded under this Proposal Invitation may view information regarding awarded Vendors, including but not limited to product catalogs, pricelists, pricing, and Proposals, through the BuyBoard website. To improve and enhance the experience of BuyBoard members seeking to procure goods and services under the Contract utilizing the BuyBoard website, any Vendor logo, product images, and similar brand and trademark information provided by Vendor for purposes of the Contract ("Vendor Information") may be posted on the BuyBoard website.

You acknowledge that, by submitting your Proposal, unless you specifically opt out below, you consent to use of your company's Vendor Information on the BuyBoard website if awarded a Contract. You further acknowledge that whether, where, and when to include the Vendor Information on the BuyBoard website shall be at the sole discretion of the BuyBoard Administrator. Vendor retains, however, the right of general quality control over the BuyBoard Administrator's authorized display of proprietary Vendor Information. Neither the BuyBoard nor its administrator will be responsible for the use or distribution of Vendor Information by BuyBoard members or any other third party using the BuyBoard website. This Vendor Consent shall be effective for the full term of the Contract, including renewals, unless Vendor provides a signed, written notice revoking consent to contractadmin@buyboard.com. BuyBoard shall have up to thirty days from the date of receipt of a termination or revocation of a Vendor Consent to remove Vendor information from the BuyBoard website.

This Vendor Consent is subject to the Terms and Conditions of the Contract, including, but not limited to, those terms pertaining to Disclaimer of Warranty and Limitation of Liability, Indemnification, and Intellectual Property Infringement.

Vendor logo files must be submitted in one of the formats set forth in the BuyBoard Technical Requirements. Proposers are requested to submit this information with Vendor's Proposal. (This consent shall not authorize use of your company's Vendor Information by BuyBoard if your company is not awarded a Contract.)

OPT OUT:

If your company wishes to opt out of the Vendor Consent for Name Brand Use, you must check the opt out box below. ***DO NOT select this box unless your company is opting out of this Vendor Consent for Name Brand Use.***

☐ By checking this box, Vendor hereby declines to provide consent for use of Vendor Information (as defined herein) on the BuyBoard website. **By opting out, Vendor acknowledges and agrees that, if Vendor is awarded a Contract under this Proposal Invitation, information available on the BuyBoard for Vendor's awarded products or services may be limited, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services on the BuyBoard website.**

CONFIDENTIAL/PROPRIETARY INFORMATION

A. Public Disclosure Laws

All Proposals, forms, documentation, catalogs, pricelists, or other materials submitted by Vendor to the Cooperative in response to this Proposal Invitation, may be subject to the disclosure requirements of the Texas Public Information Act (Texas Government Code chapter 552.001, *et. seq.*) or similar disclosure law. Proposer must clearly identify on this form any information in its Proposal (including forms, documentation, or other materials submitted with the Proposal) that Proposer considers proprietary or confidential. If Proposer fails to properly identify the information, the Cooperative shall have no obligation to notify Vendor or seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure law. When required by the Texas Public Information Act or other disclosure law, Proposer may be notified of any third-party request for information in a Proposal that Proposer has identified in this form as proprietary or confidential.

Does your Proposal (including forms, documentation, catalogs, pricelists, or other materials submitted with the Proposal) contain information which Vendor considers proprietary or confidential?

Please check (√) one of the following:

☒ **NO**, I certify that none of the information included with this Proposal is considered confidential or proprietary.

☐ **YES**, I certify that this Proposal contains information considered confidential or proprietary and all such information is specifically identified on this form.

If you responded "YES", you must clearly identify below the specific information you consider confidential or proprietary. List each page number, form number, or other information sufficient to make the information readily identifiable. The Cooperative and Cooperative administrator shall not be responsible for a Proposer's failure to clearly identify information considered confidential or proprietary. Further, by submitting a Proposal, Proposer acknowledges that the Cooperative and Cooperative administrator will disclose information when required by law, even if such information has been identified herein as information Vendor considers confidential or proprietary.

C. Consent to Release Confidential/Proprietary/Copyright Information to BuyBoard Members

BuyBoard members (Cooperative and nonprofit members) seeking to make purchases through the BuyBoard may wish to view information included in the Proposals of awarded Vendors. If you identified information on this form as confidential, proprietary, or subject to copyright, and you are awarded a BuyBoard contract, your acceptance of the BuyBoard contract award constitutes your consent to the disclosure of such information to BuyBoard members, including posting of such information on the secure BuyBoard website for members. Note: Neither the Cooperative nor Cooperative administrator will be responsible for the use or distribution of information by BuyBoard members or any other party.

D. Consent to Release Proposal Tabulation

Notwithstanding anything in this Confidential/Proprietary Information form to the contrary, by submitting a Proposal, Vendor consents and agrees that, upon Contract award, the Cooperative may publicly release, including posting on the public BuyBoard website, a copy of the proposal tabulation and award information for the Contract including Vendor name; proposed catalog/pricelist name(s); proposed percentage discount(s), hourly labor rate(s), or other specified pricing; and Vendor award or non-award information.

EDGAR VENDOR CERTIFICATION

(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting a Proposal must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. Completed forms will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the terms and conditions of the BuyBoard contract, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For <u>each</u> of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative check the applicable boxes, initial each page, and sign the Compliance Forms Signature Page. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order or Cooperative member ancillary contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions. The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

■ **YES**, I agree. ☐ **NO**, I do not agree.

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any Purchase Order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's Purchase Order or ancillary agreement agreed to by the Vendor, the Cooperative member's provision shall control.

■ **YES**, I agree. ☐ **NO**, I do not agree. **Initial:** SR

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

■ **YES**, I agree. ☐ **NO**, I do not agree.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at beta.sam.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

■ **YES**, I agree. ☐ **NO**, I do not agree.

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

■ **YES**, I agree. ☐ **NO**, I do not agree.

6. Right to Inventions Made Under a Contract or Agreement:

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

■ **YES**, I agree. ☐ **NO**, I do not agree.

7. Clean Air Act and Federal Water Pollution Control Act:

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

■ **YES**, I agree. ☐ **NO**, I do not agree.

8. Debarment and Suspension:

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

■ **YES**, I agree. ☐ **NO**, I do not agree.

9. Byrd Anti-Lobbying Amendment:

Byrd Anti-Lobbying Amendment (31 USC 1352) - Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

■ **YES**, I agree. ☐ **NO**, I do not agree.

10. Procurement of Recovered Materials:
For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

■ **YES**, I agree. ☐ **NO**, I do not agree.

11. Domestic Preferences for Procurements:
Where appropriate and consistent with law, 2 CFR §200.322 contains certain considerations for domestic preferences for procurements which may be applicable to Cooperative members using federal funds. When required by a Cooperative member, Vendor agrees to provide such information or certification as may reasonably be requested by the Cooperative member regarding Vendor's products, including whether goods, products, or materials are produced in the United States.

■ **YES**, I agree. ☐ **NO**, I do not agree.

12. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment
2 CFR §200.216 prohibits expending federal loan or grant funds to procure or obtain certain telecommunications and video surveillance services or equipment. To the extent applicable and when required by a Cooperative member, Vendor agrees to provide such information or certification as may reasonably be requested by the Cooperative member to confirm whether any telecommunications or video surveillance services or equipment provided by Vendor is covered equipment or covered services under 2 CFR §200.216.

■ **YES**, I agree. ☐ **NO**, I do not agree.

13. Profit as a Separate Element of Price:
For purchases using federal funds in excess of the Simplified Acquisition Threshold, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.324(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

■ **YES**, I agree. ☐ **NO**, I do not agree.

14. General Compliance and Cooperation with Cooperative Members:
In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

■ **YES**, I agree. ☐ **NO**, I do not agree.

PROPOSAL FORMS PART 2: VENDOR INFORMATION FORMS

INSTRUCTIONS:

Proposer must completely and accurately provide all information requested in the following Vendor Information Forms or your Proposal may be rejected as non-responsive:

- Vendor Business Name
- Vendor Contact Information
- Federal and State/Purchasing Cooperative Experience
- Governmental References
- Company Profile
- Texas Regional Service Designation
- State Service Designation
- National Purchasing Cooperative Vendor Award Agreement *(Vendors serving outside Texas only)*
- Local/Authorized Seller Listings
- Manufacturer Dealer Designation
- Proposal Invitation Questionnaire
- Vendor Request to Self-Report BuyBoard Purchases *(Optional)*

To the extent any information requested is not applicable to your company, you must so indicate on the form.

VENDOR BUSINESS NAME

By submitting a Proposal, Vendor is seeking to enter into a legal contract with the Cooperative. As such, Vendor must be an individual or legal business entity capable of entering into a binding contract.

Name of Proposing Company: ROMCO Equipment Co, LLC

*(List the **legal** name of the company seeking to contract with the Cooperative. Do NOT list an assumed name, dba, aka, etc. here. Such information may be provided below. If you are submitting a joint proposal with another entity to provide the same proposed goods or services, each submitting entity should complete a separate vendor information form. Separately operating legal business entities, even if affiliated entities, which propose to provide goods or services separately must submit their own Proposals.)*

Please check (√) one of the following:

Type of Business: ☐ Individual/Sole Proprietor ☐ Corporation ■ Limited Liability Company ☐ Partnership

☐ Other (Specify: _____)

State of Incorporation (if applicable): Texas

Federal Employer Identification Number: 75-1316474

(Vendor must include a completed IRS W-9 form with their Proposal)

Name by which Vendor, if awarded, wishes to be identified on the BuyBoard: *(Note: If different than the Name of Proposing Company listed above, only valid trade names (dba, aka, etc.) of the Proposing Company may be used and a copy of your Assumed Name Certificate(s), if applicable, must be attached.)*

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

VENDOR CONTACT INFORMATION

Vendor shall provide the requested Vendor Contact Information in the electronic proposal submission system including contract, purchase order, RFQ, and invoice contacts (or, if submitting a hard copy Proposal, timely request and complete the Vendor Contact Information form in accordance with the Instructions to Proposers).

FEDERAL AND STATE/PURCHASING COOPERATIVE EXPERIENCE

The Cooperative strives to provide Cooperative members with the best services and products at the best prices available from Vendors with the technical resources and ability to serve Cooperative members. Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $5M. (The period of the 12-month period is 01-2021/12-2021). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. By submitting a proposal, you agree that, based on your written discounting policies, the discounts you offer the Cooperative are equal to or better than the best price you offer other purchasing cooperatives for the same items under equivalent circumstances.

3. Provide the information requested below for other purchasing cooperatives for which Proposer currently serves, or in the past has served, as an awarded vendor. Rows should be added to accommodate as many purchasing cooperatives as required.

Explanation: Please contact me if you need more information on this, it varies by product line and manufacturer.

GOVERNMENTAL REFERENCES

For your Proposal to be considered, you must supply a minimum of five (5) individual governmental entity references. The Cooperative may contact any and all references provided as part of the Proposal evaluation. Provide the information requested below, including the existing pricing/discounts you offer each customer. The Cooperative may determine whether pricing/discounts are fair and reasonable by comparing pricing/discounts stated in your Proposal with the pricing/discounts you offer other governmental customers. Attach additional pages if necessary.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members, vendor invoices, and/or such other documentation regarding those purchase orders as the Cooperative's administrators may require in their reasonable discretion for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below. If you wish to designate multiple dealers, please duplicate this form as necessary.

PROPOSAL INVITATION QUESTIONNAIRE

The Cooperative will use your responses to the questions below in evaluating your Proposal and technical and financial resources to provide the goods and perform the services ("Work") under the BuyBoard contract contemplated by this Proposal Invitation ("Contract"). Proposers must fully answer each question, numbering your responses to correspond to the questions/numbers below. Proposers must complete below or attach your responses to this questionnaire and submit in one document with your Proposal. **You must submit the questionnaire and responses with your Proposal or the Proposal will not be considered.**

1. List the number of years Proposer has been in business and former business names (if applicable). Note whether your company is currently for sale or involved in any transaction that would significantly alter its business or result in acquisition by another entity.

ROMCO Equipment Co, LLC has been in business since 1961.

Total years in business are 61.

Former business names include R.O. Mullins CO, ROMCO Equipment CO, LP

As a matter of policy we don't make any comments to pending business transactions.

2. Describe the resources Proposer has to manage staff and successfully perform the Work contemplated under this Contract. State the number and summarize the experience of company personnel who may be utilized for the Work, including those who will be available to Cooperative members for assistance with project development, technical issues, and product selection for Work associated with this Contract.

ROMCO Equipment Co, LLC has 13 locations across the state to support our product lines with sales, rentals, parts and service. Customers have dedicated Sales Representatives and Product Support Representatives to make sure the correct product is selected for the right application and they get the product support and customer service they deserve.

3. **Marketing Strategy:** For your Proposal to be considered, you must submit the Marketing Strategy you will use if the Cooperative accepts all or part of your Proposal. *(Example: Explain how your company will initially inform Cooperative members of your BuyBoard Contract, and how you will continue to support the BuyBoard for the duration of the Contract term.)* Attach additional pages if necessary.

ROMCO Equipment Co, LLC has a dedicated Municipal Sales Force who call specifically on municipal entities to promote and sell our contracted products. We attend Governmental Trade Shows and associations. Through these activities we will promote and support the buyboard as allowed by contract terms.

4. Describe Proposer's financial capability to perform the Contract. State or describe the firm's financial strength and rating, bonding capacity, and insurance coverage limits. State whether the firm, or any of the firm's past or present owners, principal shareholders or stockholders, or officers, have been a debtor party to a bankruptcy, receivership, or insolvency proceeding in the last 7 years, and identify any such debtor party by name and relationship to or position with your firm.

We have a tremendous financial capability, we don't have any particular rating or financial bonding capacity since we are not contractors.

The answer to the second part of this is "none"

5. Does your company have any outstanding financial judgments and/or is it currently in default on any loan or financing agreement? If so, provide detailed information on the nature of such items and prospects for resolution.

None

6. List all contracts, if any, in the last 10 years on which Proposer has defaulted, failed to complete or deliver the work, or that have been terminated for any reason. For each such contract, provide the project name, scope, value and date and the name of the procuring entity. Fully explain the circumstances of the default, failure to complete or deliver the work, or termination.

None

7. List all litigation or other legal proceedings (including arbitration proceedings), if any, in the last 10 years brought against your firm, or any of the firm's past or present owners, principal shareholders or stockholders, officers, agents or employees, that relate to or arise from a contract similar to this Contract or the Work contemplated under this Contract. Provide the style of the lawsuit or proceeding (name of parties and court or tribunal in which filed), nature of the claim, and resolution or current status.

None

VENDOR REQUEST TO SELF-REPORT BUYBOARD PURCHASES

The General Terms and Conditions require that all Purchase Orders generated by or under any Contract awarded under this Proposal Invitation be processed through the BuyBoard and, except as expressly authorized in writing by the Cooperative administrator, Vendors are not authorized to process Purchase Orders received directly from Cooperative members that have not been processed through the BuyBoard or provided to the Cooperative. In accordance with this provision, Vendor may request authorization of the Cooperative administrator to self-report Cooperative member purchases if awarded a Contract under this Proposal Invitation. By making such a request, Vendor acknowledges and agrees that self-reporting is specifically subject to and conditioned upon (1) Vendor's agreement to the Additional Terms and Conditions for BuyBoard Self-Reporting which are included in this Proposal Invitation and incorporated herein for all purposes and (2) approval of this request in writing by the Cooperative administrator.

Note: This form is NOT required as part of your proposal. You should sign and return this form ONLY if you wish to request authorization to self-report BuyBoard purchases. Any request to self-report will not be effective, and Vendor shall not be authorized to self-report BuyBoard member purchases, unless and until (1) Vendor is awarded a Contract under this Proposal Invitation, and (2) the request has been approved in writing by the Cooperative administrator.

By my signature below, I hereby request authorization from the Cooperative administrator to self-report BuyBoard purchases if my company is awarded a Contract. I certify that I am authorized by the above-named Vendor to approve this form, and I have received and read the Additional Terms and Conditions for BuyBoard Self-Reporting included in this Proposal Invitation and do hereby approve and agree to such terms and conditions on behalf of Vendor.

PROPOSAL SPECIFICATION SUMMARY

The categories and items specified for this Proposal Invitation are summarized below. For full Proposal Specifications, you must review and complete the Proposal Specification information in the electronic proposal submission system in accordance with the Instructions to Proposers (or, if submitting a hard copy Proposal, timely request and complete the Proposal Specification Form in accordance with the Instructions to Proposers).

PROPOSAL NOTE: Vendors shall submit catalog(s)/pricelist(s) with their Proposal response or the Proposal will not be considered. Vendors shall submit catalog(s)/pricelist(s) with the Proposal in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted**.

PROPOSAL NOTE 2: Vendors proposing must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation shall submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

PROPOSAL NOTE 3: Proposers responding to this Proposal Invitation for "Pre-Owned/Reconditioned/Retired Rental" equipment must also be approved by the manufacturer to sell pre-owned/reconditioned/retired rental equipment for the brand submitted and must submit an approval letter from each manufacturer with the Proposal. Manufacturer authorization letters must include the regions in which equipment can be sold. "Pre-Owned/Reconditioned/Retired Rental" shall be defined as equipment having been checked and inspected by a manufacturer authorized dealer prior to sale and shall be no older than sixty (60) months as of the date of delivery. Equipment listed as "Pre-Owned/Reconditioned/Retired Rental" shall be in good and working condition and shall include a minimum warranty of one-hundred eighty (180) days against any defect from workmanship and parts and shall cover equipment repairs and/or component replacement. Total equipment usage hours as displayed on the service meter will have a maximum of one thousand (1,000) hours per year of age and a minimum of seventy-five percent (75%) of wear remaining for tires, track, and/or ground engagement tools.

2 **HUB/No Israel Boycott Certification/No Excluded Nation or Foreign Terrorist Certification**

HUB/No Israel Boycott Certification/No Excluded Nation or Foreign Terrorist Certification

3 **No Israel Boycott Certification**

A Texas governmental entity may not enter into a contract with a value of $100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. (TEX. GOV'T CODE Ch. 2270). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify and verify that Vendor does not boycott Israel and will not boycott Israel during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

4 **No Excluded Nation or Foreign Terrorist Organization Certification**

Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature on the Compliance Forms Signature Page, I certify and verify that Vendor is not on the Texas Comptroller's list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

73 **Texas Regional Service Designation**

Texas Regional Service Designation - Refer to Form in Proposal Invitation

The Cooperative (referred to as “Texas Cooperative” in this form and in the State Service Designation form) offers vendors the opportunity to service its members throughout the entire State of Texas. If you do not plan to service all Texas Cooperative members statewide, you **must** indicate the specific regions you will service on this form. If you propose to serve different regions for different products or services included in your Proposal, you must complete and submit a separate Texas Regional Service Designation form for each group of products and clearly indicate the products or services to which the designation applies. ***By designating a region or regions, you are certifying that you are authorized and willing to provide the proposed products and services in those regions. Designating regions in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your Proposal or, if awarded, termination of your Contract.*** Additionally, if you do not plan to service Texas Cooperative members (i.e., if you will service only states other than Texas), you must so indicate on this form.

June 19, 2022

To whom it may concern:

This letter is to provide clarification around the current pricing policy on FINN Equipment (hydroseeders, straw blowers, material blowers, ground preparation attachments, etc).

Due to current economic volatility on the global market, the pricing provided by FINN Corporation may be subject to an inflationary surcharge. This policy began on February 1, 2022 and will remain in place through all of 2022. Finn Corporation is following the U.S. Government's Producer Price Index as its measurement for inflationary surcharges.

The surcharge for any given month is communicated 6 weeks prior to shipment of goods. It will be added to the customer invoice in the month that the unit(s) are shipped from FINN.

If you need further information, please let me know.
