Table 6: Ability to Sell and Deliver Service

Describe your company's capability to meet the needs of Sourcewell Members across the US, and Canada if applicable.Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *	

25	Sales force.	Steelcase's sales force is a unified effort between Steelcase sales—both at the corporate and local levels—and our Authorized Dealer Network. While each Steelcase dealer maintains its own sales force, the Steelcase sales representatives complement the market and work closely together to bring our customers quality solutions and unparalleled service. Steelcase Sales Many Steelcase sales and support staff have a 'home base' in their lo employees— including over 375 salespeople. The Work • Atlanta, Georgia • Boston, Massachusetts • Chicago, Illinois • Dallas, Texas • Los Angeles, California • Mexico City, Mexico • New York, New York • San Francisco, California • Toronto, Canada • Washington, D.C. Additionally, our Global Business Center Headquarters is located in Grand Rapids, Michigan and has over 2,200 employees whose roles cross a variety of functions, including providing support to the sales field and dealers. Our Business Center in Monterrey, Mexico will also have teams that support Sourcewell Members. Leading our sales efforts through a newly awarded contract would be Kevin Loubert. He will serve as the primary point of contact for Sourcewell and accountability for Steelcase. Kevin has responsibility for the successful implementation and fulfillment of any resulting Sourcewell contract, if awarded. He reports to Jeff Fredrickson, the Director for Steelcase Government Solutions. Jeff works closely with Kevin to further enhance and promote Sourcewell and provide service to Sourcewell Members. This continuity has helped Steelcase maintain an emphasis on the contract requirements and bring management focus to the contract with Sourcewell. In addition, any resulting Sourcewell award and contract would have the support of Jean-Marie Murphy, Vice President, leading our East Business Group as well as our government business segments. Jean-Marie has a solid history at Steelcase in sales as well as leadership of our Channel Development group. The combination of Jean-Marie's Sales and Channel experience, as well as her strong relationships in key markets make her a great fit to help us grow our volume with Sourcewell Members. Jean-Marie will be an advocate of an awarded cooperative contract agreement with Sourcewell and bring Steelcase support where needed to leverage the contract to serve Sourcewell Members. Each Steelcase dealer maintains its own sales force who work closely with Steelcase sales representatives throughout the selling process. The attention of our Steelcase sale force is fully focused on selling the entire Steelcase Inc. portfolio and Partner products being offered in this Sourcewell RFP proposal response. Here are a few additional facts about the sales support provided to Sourcewell and Sourcewell Members. • We serve North American customers mainly through approximately 400+ Steelcase dealer sales locations • We serve our dealers and customers with 375+ sales personnel in the U.S. and Canada which include sales representatives, sales management and sales support • Both Steelcase and our dealers have specific sales representatives assigned to Sourcewell Member sectors as well as specialized workplace consultants in the higher education and healthcare segments All Steelcase sales representatives and support personnel are employed by Steelcase and the dealer personnel are the employees of our independently owned authorized dealerships. However, the sales and service employees at Steelcase and our dealerships work to create a seamless experience for our customers. Please see Additional Document T6.25 for more information, including the Steelcase team supporting Sourcewell.

26	Dealer network or other distribution methods.	The Steelcase Authorized Dealer Network is comprised of 400 dealer locations throughout North America and Canada. These local dealer teams have the capabilities and experience to execute large, complex projects consistently, within budget, and on-time. Our dealers provide the local point of contact and significant scalability to respond to large and important projects for Steelcase. Our dealers offer local knowledge, skilled labor, workplace installation, regional asset management, and other services that may include providing audio-visual technology, floor coverings, ceilings and more to satisfy customer projects and high expectations. Steelcase is responsible for providing insights based, high quality, and innovative products to our dealers to meet the evolving needs of our customers and Sourcewell Members. Steelcase gives Sourcewell Members local, national, and international representation via our dealer network with over 800 locations worldwide – the industry's strongest network of its kind. Each dealership utilizes its own sales and services force – supported closely by Steelcase – to provide Members with the specific services they require. As experienced business owners, dealers recognize that they can only be successful by fully meeting or exceeding their customers' needs. To that end, they are committed to providing Sourcewell Members exemplary service in their local marketplace. The relationship we have with our dealers is extremely unique—instead of signed agreements we have trusted long term relationships with our dealers and treat them as business partners. In fact, many of our largest dealers have been partners with Steelcase for more than twenty years. Because of the personal nature of each dealer selection and the importance of continuing successful customer relationships, Steelcase thoroughly assesses each candidate, including the principal owner(s) of the business and proposed management team, before appointed an Authorized Steelcase Dealer. Once appointed to be part of our Authorized Dealer Program, Steelcase monitors performance throughout the year and dealers must meet annual performance goals in order to maintain their accreditation. We hold our dealers to a high level of quality and exceptional performance and will utilize all of our resources to ensure customer needs are met. Steelcase management conducts annual formal sessions with dealer management to identify any training or resource needs. Steelcase also awards dealers as Platinum Partners when they standout for exceptional service and extraordinary results. Steelcase grants this status to dealers that strongly engage with Steelcase, customers, and the community to deliver exceptional value. While Kevin Loubert, Jeff Fredrickson and Jean-Marie Murphy provide the key leadership and management of our Sourcewell contract, Steelcase is proactively focused with our regional sales management teams, our 375+ Steelcase sales representatives and with our authorized Steelcase dealers on the Sourcewell Membership. It has been a privilege for Steelcase and Steelcase dealers to work with Sourcewell and its Members delivering products and services. Our hope is to continue this level of support and service for Sourcewell by earning a new contract award. Please see Additional Document T6.14 to access dealer locations.

27	Service force.	Over 400 Steelcase dealer locations—with approximately 5,300 dealer sales, sales management, installers and support staff located throughout North America—serve as our customers' local, first-point-of-contact for all product, service, and warranty questions and requests. As experienced business owners, dealers recognize that they can only be successful by fully meeting or exceeding their customers' needs. A significant percentage of the products sold by Steelcase dealers are the Steelcase and partner products being offered in this Sourcewell RFP proposal response. Most of our Steelcase dealer sales force attention is focused on selling the entire Steelcase Inc. portfolio and partner products we are proposing. They are committed to providing their customers exemplary service and to building long-term relationships with them. To support our dealers in their customer service efforts, each dealer has dedicated Customer Service Representatives in the Order Fulfillment Team at Steelcase. In addition to their dedicated representatives, dealers and Sourcewell Members have access to a variety of Steelcase customer service experts by calling 1-888-STEELCASE. This toll-free number serves as the single point of contact for all dealer questions and to reach experts in: • Billing Services • Distribution • Network Orders • Sales Services • Service Parts • Problems, Complaints, and Warranty Issues To further ensure that their customers have a positive experience: • In-house experts receive specialized training from Steelcase (workplace consultants, designers, order entry, project management and installers) For example, there are approximately 1,700 dealer installers and on average, Steelcase provides additional training to more than 400 installers a year. If a Sourcewell Member did have their own installers, they could have access to Steelcase training, however, every third party must be sponsored by a dealer or Steelcase. We have provided examples of some of the courses Steelcase conducts in Additional Document T8.36. • Documented project processes are in place to address every step from solution development to final installation • Steelcase also provides easy online access to our product installation instructions 24/7 here: www.steelcase.com/installers/ Ensuring A Smooth Process This is an example of the order process Steelcase dealer customer service representative employ. They use our Hedberg Data Systems, a fully owned subsidiary of Steelcase, which is tightly integrated with Steelcase's business systems. Hedberg ensures a streamlined order process and virtually eliminates order errors. Through EDI transactions Hedberg provides a constant, audited flow of your information. With this system, Sourcewell Members can: • Receive electronic quotes, orders, invoices, and reports • Assign required delivery dates • Add special delivery requirements • Apply color coding if needed • Include tagging, etc. • Send the order to Steelcase via EDI. Steelcase receives EDI orders Monday through Friday from 7:45am until 11:45pm, and Saturday at 6:45pm. Once Steelcase received the order in SAP, your representative will review the order to ensure your needs have been met. Additionally, your dealer will receive an acknowledgement via EDI the same time. Real time status of the order can be viewed via Web Tracks.

28	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	Between your servicing Steelcase dealer(s) and Steelcase Account team, Sourcewell Members will have access to a wide breadth of teams and resources to meet your needs—all of whom will apply a high level of customer service. Response times vary depending on scope of issue, yet Steelcase and your dealer will work quickly and efficiently towards a prompt resolution. An example of customer service teams and processes are listed below: Steelcase Order Fulfillment Team (OFT). Steelcase dealers have dedicated customer service representative teams based our Business Center Headquarters in Grand Rapids, Michigan. The OFT links Steelcase and dealers to provide Members timely order and delivery information, keep Members up to date on project status and provide value-added services to make sure project requirements are met. Customer Service Availability. Most Steelcase teams are available from 8am-5pm Monday through Friday. Kevin Loubert, the Sourcewell Account Manager can delegate issues/tasks to Steelcase or dealer team Members to ensure your needs are met quickly and efficiently, even outside of normal business hours. Once an order has been processed, the dealer will follow up with Steelcase to ensure purchase orders have been received and there are no questions or delays. The dealer will update any status reports, monitor lead times and ship dates, and identify any potential problems with deliveries. Additional responsibilities include: • Prepare quotations, provide information to set up new vendors, and place orders and ensure accuracy—all in our operating system, Hedberg • Track order, contact vendor as necessary to obtain ship dates • Verify order acknowledgements from vendors • Prepare status reports • Schedule delivery and installation with our operations team • Coordinate truck schedule with the manufacturer • Resolve processing of Completion Report orders in a timely fashion. Warranty Claims. In the event that you receive a Steelcase product that is freight damaged, malfunctions or requires warranty service, Steelcase has a plan in place to make sure issues are resolved quickly and to your satisfaction. To place a service request, first call the selling participating Steelcase dealer. The Member servicing dealer will evaluate the defect and the product's manufacturing date to determine warranty coverage under Steelcase Warranty Policy. The issue will be explained in detail to the OFT representative by the servicing dealer and they will submit a request for a replacement product and/or part, if necessary. Steelcase will provide the servicing dealer with the product or replacement part, and the servicing dealer will deliver and install it swiftly and at no charge to the Member. Issue Escalation. All significant issues are directed to the manufacturing location or distribution center from where the issue originated. The in-plant teams work to conduct investigations and drive root cause corrective actions to eliminate issues from occurring again in the future. Plants produce monthly reports on their top contributing complaints and the corrective action project plans to address the issues. There are three levels of escalation to address issues of varying complexities: • Level 1: Quality Solutions Team handles roughly 85% of quality claim data • Level 2: Customer Satisfaction Leaders who are experts on plant process handles the next 10% of volume • Level 3: Field Quality Project Managers handle the most difficult 5% of claims, often in need of traveling to site to understand issues and troubleshoot. • Each level handles increasingly more difficult claims, with level one being the easiest and level three the hardest. Sourcewell Account Manager, Kevin Loubert, will step in to navigate and rectify any issues that are not resolved by the three-level escalation process. Ongoing Quality Assurance. To closely monitor our quality initiatives, Steelcase has a management tool that integrates each area of the company and shows how processes are impacting one another. This tool, called the Steelcase Lean Management System allows us to see where we're going and monitor all operating functions to ensure everything is running smoothly. Management watches performance indicators regularly to ensure that Steelcase's reputation as a quality manufacturer remains intact. Our quality system tracks several key, customer-centered metrics: • Defective parts per million and splits parts per million • Perfect orders delivered on time • Response to customer complaints • Ability to say yes to requested delivery dates.

29	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	Steelcase and our dealers have been serving ALL geographic areas and Sourcewell market segments of the United States and expanded into Canada over the past five years. We are eager to continue serving all geographic areas and plan to continue to develop new strategies to grow our reach with this proposed contract to Sourcewell Members in the United States and Canada.	*
30	Identify any Sourcewell Member sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	Please see our response to T6. 29. Steelcase will offer and promote an awarded contract of comprehensive solutions to all Sourcewell Member segments and Sourcewell defined verticals.	*
31	Define any specific contract requirements or restrictions that would apply to our Members in Hawaii and Alaska and in US Territories.	All shipments to Alaska and Hawaii (and the US Islands if and when they become a viable option to be included) will be shipped F.O.B. factory; freight prepaid, and allowed to port of embarkation. Steelcase reserves the right to select shipping method and the port of embarkation. All charges beyond the point of embarkation are to be quoted by and payable to the dealer. For Alaska and Hawaii (in the United States), additional freight charges apply and will be quoted upon request. For deliveries in Alaska and Hawaii (in the United States) and the Northwest Territories, Nunavut and Yukon (in Canada), a service charge equal to five percent (5%) of list price shall be assessed for Orders up to $200,000 list price. The service charge for orders above $200,000 list price shall be negotiated. Remote Location(s) Installation & Service: Any location outside of a 25-mile radius of the Steelcase dealer's location(s) are considered remote. Upon request, the dealer would provide a NOT TO EXCEED estimate with respects to travel, per diem, lodging and equipment rental, if needed, at the time of project quotation. Member would pay ACTUAL invoice of these items upon verification of the fees. For the Northwest Territories, Nunavut and Yukon (in Canada), additional freight charges apply and will be quoted upon request.	*

Table 7: Marketing Plan

Line Item	Question	Response *	

32	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	Should Steelcase be fortunate enough to receive a Sourcewell award, we would immediately take the following steps over the first ninety (90) days to proactively launch our agreement: • Develop a comprehensive launch package for Steelcase dealers that includes a Sourcewell overview including key positioning points, Sourcewell-Steelcase agreement highlights, pricing overview, Sourcewell Membership information, and a detailed Participation Letter which must be signed and returned to Steelcase prior to being added to the Agreement as a Steelcase Subcontractor/authorized participating dealer. • Communicate broadly to Steelcase dealers via our intranet regarding the scope/availability of the Sourcewell-Steelcase agreement. • Host webinars with Steelcase Dealers and Sourcewell representatives to review the agreement, terms, Membership specifics, Sourcewell marketing/sales support, and key targets by region. • Establish a regular cadence of communication between Steelcase POC and Sourcewell Contract Administrator to include frequency of business reviews, protocols for communication engagement between Sourcewell, Steelcase, and Steelcase dealers, and guidance for issue resolution. • Work collaboratively with Sourcewell to craft and release press release statements regarding our new agreement and who can utilize this agreement moving forward. • Post summary information of the Sourcewell-Steelcase relationship on our public website. Complete agreement information including pricing, terms, Member information, and dealer Participation Letters will be loaded to our Steelcase Village intranet site. • Work proactively with Sourcewell to craft relevant co-branded marketing materials that elaborate on the nature of our relationship, the scope of our agreement, and the process by which clients may procure Steelcase solutions through the Sourcewell-Steelcase agreement. • Steelcase will continue to regularly attend national, regional, and supplier-specific trade shows and expos on an annual basis to grow awareness and business in the SLED segment. • We will work collaboratively with Sourcewell to develop relevant promotion materials that will help both Steelcase and dealer sales representatives best position Sourcewell and the value of the Sourcewell-Steelcase agreement to prospective clients in the sectors Sourcewell serves. • Steelcase will create a Sourcewell specific page on our Village intranet site which contains all the items listed above. For confidentiality purposes, we will not post these items on our public Steelcase.com site where competitors may freely view them. Steelcase will provide Sourcewell with multiple layers of communication touch-points during our post-award kick-off meeting. Anything pertaining to the Sourcewell agreement will be directed to our agreement owner, Kevin Loubert. Project-specific questions from sector clients would first be directed to one of our local participating Steelcase dealers. Should there be a need for further escalation, Kevin Loubert would be the next point of contact. • Steelcase will work collaboratively with Sourcewell post-award to develop a list of priority accounts/opportunities based on the current Sourcewell Membership list. We will also follow-up on all leads provided by Sourcewell in a timely way. Steelcase has many branded sales materials, all Steelcase brochures, cut-sheets, and technical specification documents with which we market and promote our offering to these sectors. A few of those are attached and most are available electronically, 24/7 via www.steelcase.com. Please see Marketing Plan/Samples T7.32 for more information, including the Value of Steelcase Cooperative Purchasing, state and local government capabilities, and Active Learning space insights and applications.
33	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	Steelcase utilizes multiple technology and digital platforms to market our comprehensive offering to all market segments. The specific state and local government homepage on our public site provides valuable information to prospective customers looking for furniture solutions and Sourcewell. Similarly, the “Steelcase Village” intranet site provides even more specific information to our Steelcase and dealer sales force, giving them tools they need to serve our Sourcewell sector customers using the Sourcewell contract. Marketing a new Sourcewell national contract, should we be awarded, would include using the “Steelcase family of brands” social media accounts, to provide the broadest possible reach. These platforms allow us to learn, collaborate and share broadly to a growing audience using technology as a primary source of information. Steelcase North America • Facebook: It’s the largest social media platform in the world with over 2.4 billion

users.

• Twitter: The microblog news flash of our digital lives that keeps us connected in 140 characters or less creates a forum for discussion.

• Pinterest: Pinterest is one of the fastest growing social media networks posting images of design inspiration, global office trends or other useful knowledge.

• Instagram: Instagram is a quick and easy way to snap an instant memory. #Steelcase helps leading organizations – in business, healthcare and education – create the places that can unlock the promise of their people.

• Steelcase TV on YouTube: We have some great video clips on YouTube that are worth promoting, and our Sourcewell contract would be a great addition. They are short, well-made and are statistically more likely to be watched than a brochure is to be read.

• LinkedIn: It's replaced the business card rolodex as the dominant tool for professional networking, and it will improve networking opportunities among current and prospective Sourcewell Members.

All of our social media accounts can be found by searching 'Steelcase' in the respective mediums. Please note that our YouTube account is under Steelcase TV.

It is no longer enough to simply market to just the end consumer; it has become increasingly important to market to both current and potential Sourcewell Members and influencers in many platform areas. Social media engages with a variety of influencers and can strategically help us connect with them. In addition, Steelcase works with our Steelcase dealers to assist in their marketing efforts and extend reach.

Our Steelcase Co-Marketing program aims to help dealer partners use and share the Steelcase brand and story in local markets, while supporting access to customers to relevant experiences, touchpoints and support materials.

Steelcase helps dealers in reaching your customers and influencers in a convenient way that informs and inspires. Each quarter, dealers can take advantage of compelling information they are able to share with audiences – from workplace research and insights, to product news, thought-provoking podcasts and articles and more. Steelcase provide articles and visuals for each dealer to build an eNewsletter on whatever platform they choose (Constant Contact, HubSpot, Mail Chimp, etc).

Steelcase Dealer Social Media: The Dealer Social Media program aims to help dealers grow their online following, connect with customers and other key audiences to share relevant information.

Dealer Digital Transformation includes the implementation of these important technology initiatives:

		• Reinvention of the Hedberg System to a modern, cloud-based platform focused on core functionality • Creation of a website for customers to get quote and order status and subscribe to receive notifications when updates occur • Development of an integration platform (Dealer Connect) to tie critical dealer business technologies together at the data level	
34	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	Sourcewell's role is to continue to demonstrate the highest level of integrity, business practices, and ethics with their Members and vendors, growing Membership while providing best in value solutions to their contract users. We would see Sourcewell working collaboratively with Steelcase to provide the highest level of service to Members to grow contract awareness and utilization via marketing materials, tools, social media, training, trade show participation and direct Member contact.	*

35	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	Steelcase dealers work on a common business platform called Hedberg Business Management System, wholly owned by a subsidiary of Steelcase. This system supports the entire sales, planning, order management, receiving, warehousing and financial management life cycle. Through Hedberg, Steelcase Authorized Dealers can: • Create a direct link between the designers' drawing and the corresponding quote • Automate and manage all discount levels supplied to Sourcewell • Color code sections of the order to efficiently manage the staging of a project while maintaining a tight projects schedule • Convert the quote into an electronic order that connects directly to the manufacturing process • Manage all deficiency reorders and track metrics to measure performance. The Hedberg system also allows Steelcase Authorized Dealers to electronically and proactively manage product lead times by individual product. The lead time for every item is provided—based on the actual order at the manufacturing facility—and can be run many times throughout the quote and post-order stages. This ensures we properly align any reservation dates and logistical requirements regarding the quote, such as overall cubage and delivery groupings. The Hedberg platform would require a single enablement for each Member. Steelcase is responsible for the software development, hosting, implementation management, and all technical aspects of site setup, configuration, integration, and testing. Dealers are responsible for local content definition and management of catalogs plus additional content/customization in support of each Member. Steelcase also offers our eBusiness web-based solution to simplify the furniture procurement process. eBusiness enables Sourcewell Members to more effectively manage a range of facility management tasks through a customizable portal. Since it is integrated with our business and inventory solutions, Members will find options to easily collaborate with teams, simplify purchasing, monitor performance, and manage inventory. With eBusiness, we have found that our customers: • Save valuable time through easy access and management of information • Visualize solutions quickly and create effective workspaces • Streamline the product and service purchase process—saving time and money • Improve and simplify the management of furniture assets. We are continuously improving our technology and how we support our customers. Recently we expanded and built upon our current customer platform to create Steelcase Exchange. This platform is designed to bring the consumer experience of on-line shopping platforms to our business customers. Steelcase Exchange enhances the experience for both Sourcewell's employees and program managers in the following ways: • Easily accessibility from a link within your intranet site • Streamlined self-registration • Automated password reminders for reduced administration • Rich information to increase understanding about product and process, which will lead to making transactions with greater confidence • Efficient checkout and secure credit card handling • Shopper friendly order confirmations, status, and transaction receipts The Steelcase Exchange platform has been integrated with customers using Ariba, BuySpeed, eMars, Lawson, CGI Advantage, Coupa, Exostar, Jaggaer, Oracle, Peoplesoft, Prodigo, SAP, Tyler Munis, VITG, Workday, as well as custom cXML and OCI Based systems. Please see Marketing Plan/Samples T7.35 for more information, including eProcurement and eBusiness capabilities.	*

Table 8: Value-Added Attributes

Line Item	Question	Response *	
36	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell Members. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	Steelcase and our dealer network provide a variety of training and educational programs for Sourcewell Members. We've included a list of examples below and are happy to discuss more opportunities with Sourcewell. Costs for dealer services may vary depending on scope and nature of agreement. Move-in Experience. Steelcase and our dealers want Sourcewell Members to feel comfortable and excited about their new space. We can offer assistant through the pre-move, move, and post-move processes with a variety of tools to contribute to a successful move-in experience. Tools can include a pre-move calendar, move booklets, signage templates, move and post-move product demonstrations, and access to web-based instructional videos. Costs are dependent on the servicing dealer agreement and the level of move-in engagement. Please note that if the move-in experience is part of an Applied Research + Consulting engagement, it is not subject to additional fees. Educational Seminars. Most Steelcase dealers will conduct seminars about proper and safe use of furniture for end-users. Additional educational topics could include business trends and their effects in the workplace, end-user education in ergonomic support tools, and instruction in furniture care and maintenance. These seminars are subject to an added cost and can be determined prior to any purchase. Training Videos. Steelcase can provide Sourcewell Members with online instructional videos that demonstrate how to adjust your new furniture and use all settings and features appropriately. Training collateral, such as videos, are included as part of your purchase. Cleaning and Care. Steelcase provides cleaning instructions that can support a wide range of protocols depending on the environment our products are located, such as an office, hospital, or education facility. Our high-performance materials support cleaning protocols with bleach, virox, and other hospital grade disinfectants. Ergonomic + Wellbeing Training. Steelcase has an in-house, board certified professional ergonomist—along with a number of field specialists and sales support personnel—who can provide hands-on training to assist employees with the proper use of ergonomic products. Our Ergonomist and Wellbeing Consultants can provide insights and services related to: • Ergonomic science and the conditions for physical, cognitive, and emotional wellbeing • Workplace solutions that contribute to a comfortable environment • Applications designed to promote worker wellbeing, engagement, and productivity • Proper use of solutions, including positioning of monitor supports, how to correctly adjust and use specific task chairs, and the importance of changing posture during the workday • Ergonomic and wellbeing training are subject to an additional cost and can be determined prior to purchase. Dealer Training. Steelcase offers exclusive training opportunities to dealer personnel and dealer-sponsored participants through Steelcase University. Courses include: Systems & Component Installation Training which is focused on sequential systems installation; Sales and Design Installation Training where participants learn how to properly install all Steelcase products and how to perform warranty and reconfiguration work in the field; and Lead Installer Training where participants learn to be better leaders through managing capital, building teams, coordinating projects, understanding building codes, reading prints, and training other installers. Our dealers are required to maintain certain standards in order to be considered a Steelcase Authorized Dealer and to work with our customers. Sourcewell Members are not expected to provide payment or reimbursement for dealer training. Please see Additional Document T8.36 for more information, including lead installer training.	*

37	Describe any technological advances that your proposed products or services offer.	At Steelcase, we believe a thoughtfully designed ecosystem of interconnected and interdependent spaces supports employee wellbeing, provides a range of destinations and technologies, and enables and encourages the ways people create. When designing these workspaces, we focus on people, place, choice + control and technology. Steelcase has an entire suite of products that focuses on technology tools that support both employee productivity and workplace performance. This suite is called Smart + Connected and it provides our customers with digital wayfinding, room scheduling, smart collaboration, and workplace analytics. Some technologically advanced and integrated products we offer include: • The Steelcase Rise app elevates the height adjustable experience. It brings personal presets to any desk with an Active Touch controller, provides subtle reminders to change posture and tracks activity toward wellbeing goals. • media:scape brings together people, space and information. This integrated tool boosts collaboration and allows participants to access and share digital information equally, quickly, and seamlessly. • Flex Mobile Power is a portable and lightweight charger designed and developed in collaboration with Anker, a global leader in charging technology. It is the first of its kind enterprise-level mobile power solution for the workplace. This latest innovation combines deep knowledge of how work and the workplace is changing from Steelcase with Anker's expertise around the future of consumer technology and charging devices. • Steelcase Workplace Advisor Subscription is an integrated system of embedded sensors that provides use trends over time for collaborative spaces. Armed with this kind of information, organizations and their design partners can make decisions about how to use their valuable real estate based on real data. It empowers our customers to measure the effectiveness of the workplace, and improve it based on easy-to-understand, actionable data accessible through an online dashboard. • Steelcase Workplace Advisor Study includes the Steelcase installation temporary sensors This study provides decision- making assistance prior to a major capital investment or can he • Steelcase and Microsoft have also been working together since 2017 to explore how a thoughtfully-designed ecosystem of places and devices can support the new ways teams and individuals are working. We're excited to collaborate, learn about unique work environments, and integrate real, measurable data into the best solution for Sourcewell Members. Please see Additional Document T8.37 for more information, including examples of Smart + Connected ecosystems.

38	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	Steelcase continuously identifies ways to reduce material inputs and finds alternative end-of- us stewardship are through the products we create, the ways we operate, and the investments we Some areas we focus on include: • Ensuring Material Health: As a leader in our industry, our materials chemistry practice assesses materials to understand their potential impacts on human and environmental health. We've assessed over 1,800 materials and are actively working with our supply chain to phase out materials of concern, developing suitable alternatives where they may not yet exist. • Optimizing Product Life Cycles: Steelcase measures a product's impact on the environment and human health at every phase to uncover opportunities to improve. We design products for circularity by avoiding and eliminating materials of concern, optimizing performance throughout the life cycle and for remaking, recovery, and end of life strategies. • Environmental Footprint Reductions: Since 2001, Steelcase's public goals are aimed at reducing our global environmental footprint. Thanks to teams of dedicated employees and our ISO 14001 Environmental Management System, we've made great strides in significantly reducing our VOC emissions, energy use, water consumption and waste output. • End-of-Use and Recycling Programs. Steelcase offers a variety of end-of-use asset redeployment solutions, such as: selling surplus assets in the secondary market through our extensive broker network; matching surplus assets with non-profit organizations; reclaiming value from assets that have reached their 'end-of-life' through recycling to best environmental practices; and composting/incinerating assets that have reached their 'end-of-life' as an alternative to landfill disposal when items do not have other viable means of redeployment. • Investing in our Local Environments: We work closely with community organizations to extend their offerings and further their impact. By focusing on initiatives that benefit our local environments--including partnering with schools to develop sustainability curriculum—we work to develop the next generation of scientists equipped to study and solve for the biggest design challenges facing our human and environmental ecosystems today. • Investing in Renewable Energy: We're investing in renewable energy equivalent to 100% of our global electricity consumption. We've also executed a 12-year VPPA for 25 megawatts of wind power, making up nearly half of Steelcase's renewable energy purchases and directly supporting the construction of a new clean energy facility and local jobs. • Environmental Footprint Reductions: Since 2001, Steelcase has had public goals aimed at reducing our global environmental footprint. We've made great strides in significantly reducing our VOC emissions, energy use, water consumption and waste output. • Sustainable Procurement Strategies: Helping our customers to succeed in their businesses and meet their sustainability goals is a driving force at Steelcase. We believe that providing the best solutions for our customers begins by ensuring they're the best solutions for our environment. That's why every step of the way – through design, manufacturing, delivery and product lifecycle – we consider the impact of our work on people and on the environment and uncover opportunities to make things better. Please see Additional Document T8.38 for more information, including our Corporate Sustainability Report.	*
39	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the equipment or products included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	Steelcase products and materials are certified to several third-party standards including: • BIFMA level® • Cradle to Cradle® • Forestry Stewardship Council (FSC) Certification • SCS Indoor Advantage™ • LEED certification • U.S. EPA Green Power Partnership Additionally, Steelcase has: • Over 45 Environmental Product Declarations • Evaluated over 1,800 materials in our product portfolio against more than 20 human and environmental health indicators • Designed for circularity which further optimizes performance throughout the life cycle and for remaking, recovery, and end of life strategies.	*

40	Describe any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or hub partners have obtained. Upload documentation of certification (as applicable) in the document upload section of your response.	While Steelcase is not a certified as WMBE, SBE, or veteran owned, we are committed to diverse channels around the world and our Supplier Diversity program has been in place since 1991. Our Supplier Diversity vision is to grow, develop, and retain our diverse businesses by creating the best supplier diversity program that surpasses the requirements of our industry and customers. We focus on promoting the growth and development of minority-owned, women-owned, service veteran-owned as well as service-disabled veteran-owned businesses and HUBzone in the United States by integrating them into our procurement process. We participate in trade shows, conferences, networking events, customer showcases and meetings of associations representing diverse businesses to share information and best practices. We hold regular supplier conferences to exchange best practices. We work with our suppliers to monitor and grow performance through a system of common metrics on a daily, weekly, monthly, and quarterly basis. In order to seek out and utilize diverse suppliers, Steelcase engages with a variety of organizations and maintain relationships with diverse business associations, as well as small business associations, including National Minority Supplier Development Council, Michigan Minority Supplier Development Council, Michigan Chamber of Commerce, Michigan Manufacturers Association, The Right Place, Inforum Michigan, Business Leaders for Michigan, The Grand Rapids Area Chamber of Commerce, and National Veteran-Owned Business Association. Please see WMBE/NBE/SBE or Related Certificates T8.40 for more information, including our Diversity Supplier Spend.	*

41	What unique attributes does your company, your products, or your services offer to Sourcewell Members? What makes your proposed solutions unique in your industry as it applies to Sourcewell members?	One of the reasons our customers choose to do business with Steelcase is because they trust us. They trust our ability to translate research into workplace insights, perform at a consistently elevated level, develop products that meet evolving workplace needs, leverage our team to deliver great experiences and our willingness to assess ourselves critically for improvement opportunities. We are focused on creating a great experience for Sourcewell Members wherever work happens. We leverage our knowledge in the industry to grow and learn alongside our customers. By learning from our customers—what they value, what their pain points are, how they view the workplace—we can create a truly customized workspace that inspire and engage. Listed below are just a few ways Steelcase helps people perform better at work and why Sourcewell Members can trust Steelcase as a partner: Commitment to Research. Steelcase invests heavily in research, design and developmental activities to better understand the needs of individuals, teams, and organizations. Our global research is a combination of user observations, feedback sessions and sophisticated analyses. To expand and deepen our understanding of how people work, we maintain collaborative relationships with external world-class innovators, including leading universities, think tanks and knowledge leaders. These relationships and insights help us develop social, spatial and informational insights into work effectiveness for our customers. New Products + Enhancements. Our dedication to innovation and research is reflected in the ever-evolving intelligent design of our products and philosophies. Our portfolio continues to grow as we find new ways to support and positively impact the workplace. This investment has accelerated in the last two years, with over 80 new products, enhancements, and extensions added to our portfolio just last year. Some of our new product offerings include simpler workstations, ancillary and informal areas, and innovative products at a broader range of price points. Ancillary Spaces. Our journey in the ancillary market spans several decades. Over the years, we have designed our own products to fill and augment the in-between spaces throughout a workplace. We've also developed brands like Coalesse and Turnstone to response to growing ancillary needs. In the past few years we've established partnerships with other companies to increase the breadth of our offering, and we've acquired companies like Orangebox, Smith System, and AMQ to further enhance our portfolio. Continuing Education. Our Continuing Education Units (CEUs) are focused around our active learning principles, how universities can increase student engagement, and discovering ways to add value as it relates to space and applications. Developed for the architecture and design community—including firms and internal staff—CEUs can also benefit educators who are interested in active learning research. These courses are conducted in-person by a Steelcase employee who has achieved certification through a mandatory course and a mastery test. Applied Research + Consulting. Through a team of experienced of consultants, ARC brings deep knowledge to our customers and delivers benefits that typically include alignment of the workspace strategy, business strategy and desired behaviors; validation of how people work and interact with others—and their work environment; a co-created, integrated solution that supports the business direction; development of higher performing solutions; and employee and leadership buy-in for the proposed solution Workplace Tools + Resources. Through a combination of asking, observing, and creating experiences to bring a deeper understanding of the explicit, tacit, and latent needs to be uncovered. WT+R can host discovery exercises and collaborative situation workshops with Sourcewell Members that focus on understanding workplace issues of your organization and user needs. They also offer concept reviews of applications that help our customers to visualize the ways Steelcase products can support specific workplace needs in place, posture, and control. For Sourcewell Members. With our research and insights about the workplace, we are able to deliver solutions that address real workplace challenges for Sourcewell Members. Through our combination of acquisitions, partnerships and internal product development, we have broadened our market and can provide Sourcewell Members greater choice and a supportive work experience. Please see Additional Document T8.41 for more information, including new product enhancements and an overview of our Applied Research + Consulting team.	*
42	Identify your ability and willingness to provide your products and services to Sourcewell member agencies in Canada.	Steelcase has the capacity, capability and willingness to service all provinces, local municipalities and any other qualifying Sourcewell Members in Canada, as long as the laws and statues allow for such a cooperative contract to be used by Sourcewell Member entities. As the largest furniture provider in the world, Steelcase offers the same extensive coverage in Canada as we do in the U.S. through our Steelcase sales force and authorized dealer network.	*

Table 9: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *	
43	Do your warranties cover all products, parts, and labor?	The Steelcase Limited Lifetime Warranty provides consistent coverage for both parts and labor for Steelcase products. Please see Warranty Information T9.43 for more information, including Steelcase warranty and the warranties for our partners.	*
44	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	The Steelcase warranty prorates warranty coverage regardless of shift usage. Steelcase doesn't limit warranty coverage to single shift only—and we offer 24/7 coverage. Please see Warranty Information T9.43 for our partner warranties and information regarding usage for their products.	*
45	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	In the Americas, Steelcase and our Dealers do not charge customers for labor or associated expenses. Steelcase reimburses the Dealer for travel and labor expenses. Steelcase will pass along any warranty with respect to Partner Products.	*
46	Are there any geographic regions of the United States (and Canada, if applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell Members in these regions be provided service for warranty repair?	Certified technicians are available in all regions across the Americas and Canada. If a Sourcewell Member receives a Steelcase product that is freight damaged, malfunctions or requires warranty service, Steelcase has a plan in place for warranty service. To place a service request: 1. Call the servicing Steelcase dealer. 2. The servicing dealer will evaluate the defect and the product's manufacturing date to determine if it's covered under Steelcase Warranty Policy. The dealer will then contact Steelcase and explain the issue to the Order Fulfillment Team representative. 3. The servicing dealer submits a request for replacement product and/or parts to the Order Fulfillment Team representative. (Products, such as pneumatics cylinders, controls, lock cylinders, fasteners, hardware, screws, etc., are carried in service vehicles, so that any defects in these can be taken care of during one service call.) 4. Steelcase will provide the dealer with the product or replacement part. 5. The dealer will deliver and install the new product or part swiftly and at no charge to Sourcewell.	*
47	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	The Steelcase Warranty does not cover other manufacturers' products. Steelcase shall pass along any warranty it receives with respect to other manufacturers' branded products, including Bolia, Emu, Carl Hansen, FLOS, Mitchell Gold + Bob Williams and others.	*
48	What are your proposed exchange and return programs and policies?	All Steelcase products are manufactured to your specifications and, therefore, are not subject to return. Non-conforming products will be repaired or replaced at no charge to you. A product is considered non-conforming if it is defective or if it fails to comply with information published in the Steelcase Specification Guide or your purchase order. Replacement orders for nonconforming products are processed immediately, and Steelcase expedites the shipment of replacement items to the location you specify.	*
49	Describe any service contract options for the items included in your proposal.	Please see our list of services in T2.8.	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *	

50	What are your payment terms (e.g., net 10, net 30)?	The payment terms in place with our current Sourcewell/Steelcase contract will be extended to any new contract. The current agreement indicates: Invoicing and Terms of Payment. Invoices, inclusive of applicable sales or use taxes and/or surcharges will be issued by Dealer upon delivery of the Products/Services and will be paid within ten (10) days from the date of invoice. For Large Orders (as defined in Exhibit O), Members will be invoiced 40% at time of order placement, 50% at delivery and the 10% balance upon completion of installation. A service charge of 1 ½% per month (18% per annum) may be added to invoiced unpaid as of the due date. If partial delivery of an order is made, Member will make payment for products delivered and services provided. Dealer will invoice Member for shortages or replacement upon delivery of those items.	*
51	Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?	Yes, Steelcase Financial Services offers flexible and convenient financing and leasing alternatives to schools, government entities and other Sourcewell Members. Whether you are optimizing your cash flow, looking at your organization's complete strategy to create an interconnected workplace, or trying to figure out a way to best utilize your budget, Steelcase Financial Services can help. Our Financial Services team has flexible lease and financing options to meet your needs. You can plan to own the products or you can use the products now and decide later on whether you want to purchase or return them. We can also provide information on topics such as tax implications, trends, as well as an analysis of tactics like lease vs. buy. We offer flexible and convenient financing alternatives that let you create an inspiring workplace while conserving capital, preserving bank lines and reducing tax liabilities. We can offer Sourcewell members a variety of financing options, including capital leases, operating leases & short term leases. Wholly owned by Steelcase Inc., Steelcase Financial Services is the office furniture industry's only captive finance company. Steelcase Financial Services offers flexible financing and lease options to achieve unique customer goals. All of our plans come with advantages such as: • Fixed rates – your payment remains the same throughout the term. • Soft costs – we can include costs for design, delivery, and installation. • Easy add-ons – you can easily add product to your Steelcase Financial Master Lease. • Customized invoicing – you'll have a dedicated team that can customize your invoicing/billing by location, cost center, floor, etc. • Account access – account information online 24/7 that includes payment history summary, remaining payments, contract terms, invoices, and more. Some valuable benefits our customers find in Steelcase Financial Services are: • Conserving capital • Avoiding capital budget restraints • Protecting credit lines • Managing balance sheet • Gaining tax benefits • Maximizing purchasing power • Increasing flexibility • Workplace sustainability If you're looking to refresh your space or have the option for leasing, Steelcase Financial Services can fulfill those needs from two of their most popular options: Fair Market Value Lease	

		At the end of the lease term, purchase products for fair market value, renew the lease or return products to Steelcase Financial Services because you are either done using them or you are going to refresh your space with all new products. • Lease payment may be able to be deducted by lessee • May qualify for off-balance sheet, operating lease treatment for reporting purposes • Lower payment compared to a $1 Buy Out Lease $1 Buy Out Lease This popular ownership options includes: Depreciatio be claimed by lessee • Interest portion of lease payment may be able to be deducted by lessee • At the end of the lease term, purchase the products for $1.00 Steelcase also offers two furniture Membership models allowing for more frequent change of furniture to refresh your workplace: altSpace and Membership. altSpace is a Space-as-a-service solution in partnership with LiquidSpace. This model is a turnkey workplace solution for teams of 20-500+ employees. It bundles real estate, furniture, and technology through simple, monthly terms. altSpace also combines the privacy and personalization of a traditional office with the flexibility of a coworking space. Membership is a furniture-as-a-service solution and allows clients to subscribe to a number of furniture settings featuring the entire Steelcase Portfolio. With Membership, clients will find the option to change out 25% of subscribed settings every year for any reason. Once the initial design/installation fee is paid, the monthly subscription fee covers all subsequent charges. Additional terms and conditions include: • Term: 3-year minimum • Renewal: Steelcase and client will evaluate whether this works for both sides • Refresh: Option to refresh settings quarterly, and up to 25% of all subscribed settings annually • Cost to join: Initiation fee covers design + initial install • Ongoing cost: One all-inclusive monthly Membership fee • Purchase option: Option to purchase anytime. Pricing to be negotiated based on Membership length and furniture type. In addition, Steelcase makes Steelcase dealers aware of additional financing options available to Sourcewell Members via another Sourcewell competitively bid and awarded contract from National Cooperative Leasing. There is no ownership, common ownership, or control between Steelcase and National Cooperative Leasing. Please see Additional Document T10.51 for more information, including our financing and leasing options.	*
52	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell Members' purchase orders.	When Sourcewell Members are ready to place an order for Steelcase products, their Steelcase participating dealer will accept and enter the order as the seller using their Hedberg Data System. Hedberg is integrated with Steelcase's business systems through EDI transactions that provide a constant, audited flow of your information. Through this system we provide you with electronic quotes, orders, invoices, reports, and more. Member shall initiate orders by sending to Steelcase Participating Dealer a written or EDI purchase order ("Order") containing the minimum required information listed below: • Member's order reference number. • Sourcewell Steelcase contract #	

- Sourcewell Member #
- Designation of products (e.g., style number) and/or services covered by the order
- Designation of surface materials
- Quantity ordered
- Price
- Requested delivery date
- "Ship to" address including contact name, dock information, etc.
- Billing address for invoices
- Any special shipping or handling requirements
- For Worktool products, specify "ship complete" unless split shipments are acceptable

Steelcase participating dealers and Steelcase will use their best efforts to comply with delivery dates requested by Member on orders. For large orders (see below for definition), Steelcase recommends that Members provide as much notice as possible to Steelcase participating dealer in advance of the order to reserve manufacturing capacity. Steelcase participating dealer shall acknowledge receipt of each order to Member, noting the acknowledged Steelcase ship and scheduled local delivery dates.

Member has the right to change or cancel any order by delivering written notice to Steelcase participating dealer. Except as otherwise provided herein, any such change or cancellation shall be without charge prior to Steelcase's commencement of production of such order. If production has begun (including the ordering of parts and materials), a charge may be applied up to the full invoice amount of the order. In determining applicable charges for change or cancellation, each request shall be reviewed on an individual basis taking into consideration the complexity and the scheduled ship date. Steelcase participating dealer and Steelcase will endeavor to minimize any charges to Member as a result of a request for change or cancellation and will use commercially reasonable efforts to accommodate Member's requests for changes.

There is no guarantee that production schedules will be available to match requested changes. Steelcase shall identify any applicable charges at the time the change/cancellation request is received by Steelcase; and Member shall, at that time, determine if it wishes to proceed with such change/cancellation. No such charge shall exceed the invoice amount of the changed/cancelled portion of the order plus any Steelcase participating dealer-related costs (e.g., design) if applicable. In no event shall the change/cancellation charge(s) include any penalties to Member. The following are not subject to change or cancellation without charge once the order has been received by Steelcase: Special Products, Products using Customer's Own Material ("COM"), Partner Products, quick ship orders, Turnstone and service parts, Large Orders* imported Coalesse. *

Large Order – One quantity of Products to be shipped at one time to one location with a minimum list price value of:

- Steelcase Products (other than exceptions below).. USD 500,000 or equivalent
- Coalesse..... USD 75,000 or equivalent
- Turnstone, Steelcase Health..... USD 150,000 or equivalent

Changes and cancellations of Architectural Solutions products may be made, yet may result in additional charges and/or schedule adjustments after order has been placed with Steelcase or after shop drawings have been approved. Additional charges and schedule impact will vary depending on the complexity of the change and schedule impact. All questions relating to change order or cancellation must be made with your Steelcase participating dealer who will contact the project manager and the Steelcase on your order. Steelcase provides participating Steelcase dealers with an operation Playbook with instructional order procedures regarding Sourcewell Members orders.

Steelcase utilizes a participating facilities designation, loading and recognition procedure to verify compliance in recognizing and reporting for our Sourcewell contract. This acts as a formalized process reconcile our sales with the Sourcewell Membership list.

		Also, orders processed by Members with our dealers are to have the Sourcewell contract number noted and dealers are to then use quotes specific to Sourcewell, which ensures Members get the correct contract pricing. The Membership list provided by Sourcewell and our automated reporting system is the basis of how we designate, load and recognize Sourcewell sales. We download the Membership roster from Sourcewell's website and convert this into a usable file that can link to our internal reporting system, quotes, and unique site IDs each Member has. Our internal reporting team uses the converted file to match Members to the Sourcewell master quote and any quotes that are linked to the Sourcewell agreement through bilateral agreements and letters of commitment. The Sourcewell master quote and linked quotes are unique numbers that provide as accuracy to insure Sourcewell sales are recognized by Steelcase. So, any Member electing to purchase through the Sourcewell agreement receives pricing from an authorized participating Steelcase dealer who must use Sourcewell quote numbers to complete Member transactions. In addition, our reporting system deploys a matching algorithm which automatically matches member sites (every member as a unique site ID) to Sourcewell sales through our authorized participating dealers. In the event that we do find that an error was made and eligible sales were not reported, we will reconcile and report those eligible sales in the next reporting cycle and pay any associated fees, consistent with our agreement and our values and business practices. Please see Additional Document T10.52 for more information, including our order fulfillment process, order change and cancellation policy, Steelcase Playbook, and a list of Steelcase Authorized Dealers in the US and Canada.	
53	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell Members for using this process?	Steelcase dealers take orders and process payment on this contract a a P- card may be negotiated between Member and Participating Dea	*

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as desribed in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	

54	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Our pricing response is a "catalog discount by product category." This model is one in which product line discounts are provided and those discounts are used as a percentage off list pricing drop ship. List pricing for all parts and unit numbers for the products lines on the discount schedule are included in published Product Catalogs, which is submitted as a Price List PL190 with this proposal. The Member's total cost of acquisition is the drop ship product pricing and any services quoted. The proposal pricing submitted is based on our current Steelcase price list, PL190 which is in effect today. If awarded, we would propose to be on the current price list when announced nationally as it becomes effective. All the proposed product line discounts would remain the same. The discounts shown are based on drop ship delivery to the customer's designated location. Exceptions include Alaska and Hawaii (in the United States) and the Northwest Territories, Nunavut and Yukon (in Canada), where additional freight charges apply and will be quoted upon request. Installation and other services are available from participating dealers per the rates submitted, subject to the terms and conditions in the attached discount schedule. Please see Pricing zip file for more information, including our pricing proposal.	*
55	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	As mentioned above in T11.54, our product pricing response will be a "catalog discount by product category." In order to provide the best pricing, we have provided product line discounts as a percentage off list drop ship, pricing by individual product line and balance of line categories for those products that are not listed individually or as exceptions and we have included Service Parts. For the products listed, our overall discount range is drop ship off our published list price and Service Parts at 35% off. The discount range by product line and services are shown in our pricing proposal found in the Pricing zip file.	*
56	Describe any quantity or volume discounts or rebate programs that you offer.	Please see our discount schedule with tiered discounting levels that will provide a higher discount for large orders. Steelcase product category purchases as defined, may be combined to reach higher tiers and better discount on individual purchases. Complete terms and conditions related to this method of volume discounting are located on the discount schedule provided as part of our pricing proposal found in the Pricing zip file. Please note there are tiers of pricing noted for virtually all product line categories, meaning Sourcewell Members can negotiate better discounting than what is provided in the 3rd tier where appropriate. The proposed product discounting established by the Sourcewell discount schedule provided (in Pricing zip file) is also "ceiling pricing," meaning prices may be reduced to allow for volume considerations and to meet the specific and unique needs of a Sourcewell Member. At no time may the proposed products/services be offered pursuant to this contract at prices above the ceiling price without approval by Sourcewell.	*

57	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	Our method for facilitating “Sourced Equipment/Products and/or related Services” solutions as defined by the RFP document is to ensure that the Steelcase/Sourcewell contract includes as many Steelcase Inc. and partner product categories as possible. This alleviates the number of times in which a proposed solution includes products that are not listed on the existing Sourcewell contract. This simple strategy has served Sourcewell Members well over the past contracts. If and when, new products or related services become available during the term of the contract, Steelcase will submit a request for approval to add those items per the Sourcewell process and appropriate form(s). Additionally, there may be instances where a Member may need “Open Market Items” not on the Sourcewell contract. If the Open Market Items further provides a complete comprehensive solution to the Member, it may be quoted and sold along with the contract items/services to complete the PO. The dealer may supply a quote to include such Member request with the Open Market Item listed as such on a separate line item. No admin fee will be paid on Open Market items and Open Market Items will not be included in any reporting. Open Market Items are not to be quoted separately and associated with this contract.	*
58	Identify any element of the total cost of acquisition that is NO pre- delivery inspection, installation, set up, mandatory training	The “total cost of acquisition” is as stated in the proposed Sourcewell Discounting Schedule for products and related services provided as part of our response to question T11.54: Our pricing response is a “catalog discount by product category.” This model is one in which product line discounts are provided and those discounts are used as a percentage off list pricing drop ship. List pricing for all parts and unit numbers for the products lines on the discount schedule are included in published Product Catalogs, which is submitted as a Price List PL190 with this proposal. The Member’s total cost of acquisition is the drop ship product pricing and any services quoted. Over the past five years, Steelcase has provided a turnkey and complete furniture solution to all Sourcewell Members based on their specific situations. The structure of our offering is flexible so that our dealers can provide the best value and best solutions to meet their individual needs. The discounting structure is set up as a ceiling price on the product only on drop ship basis yet allows participating dealers to facilitate discussions about the scope of services at the best price. This flexibility, based on determining the scope of labor and services required, allows Steelcase dealers to provide the services appropriate to each Member and each project in providing a complete project with a total acquisition price. This method of providing complete solutions for each Sourcewell Member has proven to be very effective. With millions worth of business being sold through the contract in the past five years, we have not received any Member complaints related to a customer not receiving the value and the total cost expected. This speaks volumes on the success of the model in place as Sourcewell Member satisfaction is ultimately the best measure of our success with the contract.	*
59	If freight, delivery, or shipping is an additional cost to the Sourcewell Member, describe in detail the complete freight, shipping, and delivery program.	Deliveries from Dealer to Sourcewell Members shall be FOB, Sourcewell Members Designated Location for Orders within the United States, and FCA, Sourcewell Members Designated Location for Orders outside of the United States. Exceptions include Alaska, Hawaii, the Northwest Territories, Nunavut and Yukon, where additional freight charges apply and will be quoted upon request. For deliveries in Alaska, a service charge equal to five percent (5%) of list price shall be assessed to Sourcewell for Orders up to $200,000 list price. The service charge for Orders above $200,000 list price shall be negotiated.	*
60	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	All shipments to Alaska and Hawaii and the US Islands are shipped FCA factory; freight prepaid, and allowed to port of embarkation. Steelcase reserves the right to select shipping method and the port of embarkation. All charges beyond the point of embarkation are collect. For Alaska and Hawaii (in the United States) and the Northwest Territories, Nunavut and Yukon (in Canada), additional freight charges apply and will be quoted upon request.	*

61	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Our global distribution network is unmatched in the industry. Our strategically designed network of manufacturing facilities, regional distribution centers (RDC) and business centers work together for the good of the customer through improved quality, cost, consistency and speed to market. For the US and Canada we utilize these optimally located RDCs. Distribution Centers 1. Grand Rapids, Michigan, U.S. 2. Hazleton, Pennsylvania, U.S. 3. Atlanta, Georgia, U.S. 4. Desoto, Texas, U.S. 5. Rancho Cucamonga, California, U.S. 6. Puyallup, Washington, U.S. 7. Aurora, Colorado, U.S. Our delivery routes cover more than 64 million miles each year, that's 250,000 each day, delivering to over 78,000 unique addresses around the globe. We strategically locate our regional distribution centers close to high density population areas, mostly where our customers are, so our routes are shorter which supports meeting our customers needs with high quality, on time deliveries. This results in over 150,000 Steelcase products delivered to our customers each day. This capability enables us to meet Sourcewell Member demands. Our agility within our data driven industrial model allows us to adjust so you don't have to. We're not perfect yet our network delivers complete shipments to our customers 99.93% of the time. Our global network and capabilities help us meet your needs and take care of the details at the same time. We believe we do this better than anyone. At Steelcase we care about the details. We focus on predicting, identifying and solving problems before they happen. Coupled with an intelligently architected global distribution network, nobody takes care of the details like Steelcase does. Here's a list of items we manage every day to help ensure we're taking care of the things that could impact you. • Weather Tracking • Traffic Analysis • Webcam Observation • News & Events Monitoring • Social Media Monitoring • Change Order Adaptability • Collaborative Problem Solving • Dynamic Routing • Predictive Delivery Reporting • Data Driven Decision Making Please see Additional Document T11.61 for more information, including a video of our distribution and global logistics capabilities.	*

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
62	d. other than what the Proposer typically offers (please describe).	The pricing offered to Sourcewell is comparable to those offered to any other similarly situated GPO customer of Steelcase's, based on similar conditions such as timeframe, commitment/intent to purchase, product mix, delivery requirements, volume and service levels.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
63	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	Steelcase utilizes a participating facilities designation, loading and recognition procedure to verify compliance in recognizing and reporting for our Sourcewell contract. This acts as a formalized process reconcile our sales with the current Sourcewell Membership list from the Sourcewell website. Also, orders processed by Members with participating Steelcase dealers are to have the Sourcewell contract number noted and dealers utilize competitive discount authorization quotes specific to Sourcewell, which ensures Members get the correct contract pricing. The Membership list provided by Sourcewell and our automated reporting system is the basis of how we designate, load and recognize Sourcewell product sales. We download the Membership roster from the Sourcewell website quarterly and convert this into a usable file linked to our internal reporting system, quotes, and unique site IDs for each Member. Our internal reporting team uses the converted file to match Members to the Sourcewell master and any related quotes to the Sourcewell agreement through bilateral agreements and letters of commitment. The Sourcewell master quote and linked quotes are unique numbers that provide as accuracy to insure Sourcewell sales are recognized by Steelcase. So, any Member electing to purchase through the Sourcewell agreement receives pricing from an authorized participating Steelcase dealer who must use the Sourcewell quote number to complete Member transactions. In addition, our reporting system deploys a matching algorithm which automatically matches Member sites (every Member as a unique site ID) to Sourcewell sales through our authorized participating dealers. In the event that we do find that an error was made and eligible sales were not reported, we will notify Sourcewell, reconcile and report those eligible sales in the next reporting cycle and pay any associated fees, consistent with our agreement and our values and business practices previously mentioned and listed below. At Steelcase, our core values are to: * Act with integrity. * Tell the truth. * Keep commitments. * Treat people with dignity and respect. * Promote positive relationships. * Protect the environment. * Excel.	*
64	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	The current Steelcase Sourcewell contract stipulates a 1% administrative fee payable to Sourcewell on a quarterly basis on contract product purchases. We propose the fee on the new contract be calculated at the existing 1% percentage on contract product purchases upon award of the contract payable to Sourcewell for facilitating, managing and promoting the Sourcewell contract.	*

Table 14: Industry Specific Questions

Line Item	Question	Response *	

65	If you are awarded a contract, provide examples of internal metrics that will be tracked to measure whether you are having success with the contract.	Sourcewell is an important key account at Steelcase, and Steelcase/Sourcewell success volume— as In order to report on usage numbers, deliver new insights and innovations, and discuss any topics of concern, we will engage a variety of reports and reviews to measure the success of—and hold Steelcase and our dealers accountable for—our relationship with Sourcewell Members. We propose to hold regular meetings with Sourcewell Members to discuss the above topics, and any additional discussions around what is working, what didn't work, and any lessons learned. These meetings can take form in the following ways: • Annual Business Reviews — A chance to review the past year's activities and plan for the coming year in person, we'll look contract volume, market segments, areas for process improvement, discuss recent product introductions and research, and conclude with a learning session on a mutually agreed upon topics. • Quarterly Business Reviews — During these meetings with key workplace stakeholders, we'll touchbase on project activities and proactively address any open issues. If there are any issues or concerns with dealer or Steelcase performance, we can discuss in detail here and approach potential ideas for improvement.	*

66	Describe any industry testing procedures, quality controls and certifications that apply to the products proposed.	Steelcase products have long been recognized for their enduring quality. Part of the reason is that every one of our products is designed according to predetermined standards of manufacturability. These standards are developed by a multi-disciplinary team consisting of individuals from product development, manufacturing, quality assurance and manufacturing engineering. Along with having quality standards for manufacturing products, we maintain guidelines for testing, inspecting, and deliver products. Manufacturing Product quality inspections are conducted throughout the manufacturing process, such as: • Quality Acceptance Standards • Product Packaging Shipping Performance • Employee Qualification/Training • Vision Testing and Color Judgement • Purchase Part Release/Classification • Non-cyclical Standard Work • Process Qualification • Special Process Paint Steelcase has also implemented an Enterprise Excellence Assessment Program based on the Shingo Model for Operational Excellence that focuses on principles, behaviors and effectiveness in our journey to develop a culture focused on lean and continuous improvement. Testing + Certifications Steelcase performs internal audits to verify compliance with the requirements of our management systems and certifications that include ISO 9001, ISO 14001 and ISO 17025. All Steelcase-owned manufacturing operations around the world have ISO 14001 registered environmental management systems. This means our environmental management systems meet the requirements of the International Organization for Standardization and assures we have a systematic way of managing our impact and risk with methods that meet internationally accepted criteria. All Steelcase brand products are developed and tested to meet or exceed ANSI (American National Standards Institute) and BIFMA (The Business and Institutional Furniture Manufacturer's Association) and all applicable Underwriters Laboratories (UL) requirements. We provide a set of internal product performance standards far more stringent than those required by outside parties. For example, because we require that our products meet a variety of deflection requirements, we take measurements that aren't required by either ANSI or BIFMA. While BIFMA has 22 desk-testing procedures, Steelcase tests in over 120 ways to address corrosion, fade, stain, stability, safety, durability, functionality, ergonomics, environmental exposure, shipping/vibration and more. Order + Delivery Our approach to order fulfillment and project execution process is focused extensively on quality and risk mitigation. Before an order is sent to Steelcase, your dealer uses an audit process to provide a final check to all specification by a senior designer. Once audited, orders are sent electronically from the dealer to Steelcase, and each order is verified and acknowledged within 48 hours. Final prices and delivery dates are established and communicated to the team immediately. The Hedberg system also allows your dealer to manage product lead times electronically and proactively by individual product. Orders are not shipped unless they are of the finest quality and built to customer specifications. We also utilize a LASER (Lean After Ship Experience Rationalization) system for dealers to submit post-delivery issues and bring swift resolution to damage claims and other post-delivery issues.
67	Describe your ability and plan to address member needs for collaborative space or open concept solutions and how your proposed products factor in to them.	Steelcase takes a holistic approach when designing workplaces. We consider people's sustained wellbeing which requires ergonomic support and comfort, eliminates distractions, inspires and rejuvenates, and makes people feel better while they're at work. By creating a workplace that brings together people, place and technology, organizations can give people choice and control over where and how they work — something that correlates directly with high workplace engagement and satisfaction. Our products and workspace applications give employees new ways to facilitate conversation and support different ways of working throughout the day. Our proposed products integrate and enhance collaborative spaces through: • Flexible kit of parts. The design and functionality of our products offer a distinct

advantage to futureproofing and provides the built-in flexibility to grow and evolve as a Member's company does.

• Consistent design language. The wide range of aesthetic options ensures integration into any environment—while optimizing real estate.

• Continuous improvements. Steelcase continues to enhance the features and capabilities of our products to ensure compatibility across product generations and changing workplace needs. As technology and user needs evolve, our products evolve, too. The investment our customers make serves them well because this solution grows alongside them, and all enhancements are backward compatible.

With our robust product portfolio and streamlined kit of parts, we can support a variety of workplace strategies, including collaborative spaces and open concept. And, when people are put at the core of the workplace, the open plan doesn't have to be a source of frustration. It can be a tool to help people and teams thrive.

When designing a collaborative, open, and resilient workplace for Sourcewell Members, we would consider the intentional combination of five spatial zones to accommodate and anticipate changing organization and employee needs. Those zones are:

• Nomadic - A destination for mobile workers to connect with others or find an appropriate space to focus. Products in this zone could be our Brody WorkLounge, which allows for shielded privacy in an open space, or FrameOne benching that meets varied and fast-changing requirements.

• Resident - Assigned spaces for workers to complete everyday tasks. Products in this zone could be our Migration and Ology Height-Adjustable Tables or a variety of our ergonomic task chairs.

• Resource – A convenient central location where Worktools and shared materials are available to everyone. Products in this zone could be our Universal Storage System or the Flex Mobile Cart to allow easily accessible storage and access to our suite of Worktools.

• Meeting – A variety of settings to support different forms of collaboration. Products in this zone could be media:scape that integrates technology and furniture to bring people together, or B-Free which creates spaces where people can easily connect and collaborate.

• Social – A comfortable area to socialize, rejuvenate, informally collaborate, focus and seek nourishment. Products in this zone could be our Campfire Lounge System or LessThanFive Chair.

In order to create spaces that are informal and inspiring, yet that also allow real work to get done, Members need to carefully consider design, materiality and performance. We offer more choices to help Members achieve the design aesthetic wanted. Our broad portfolio of brands and partners include over 1,000 products and endless options to fit different aesthetics, postures and price points.

And, because of our scale and experience, Steelcase can deliver:

• Product performance through our industry leading quality and warranty

• Operational performance with our streamlined specification, delivery and installation, and on-time performance in the US, Canada, and globally

• Application performance by taking into consideration privacy, postures, proximities, personality, productivity, and psychological comfort

At Steelcase, we employ user-based research to drive innovation in areas like these related to work, learning and collaborative spaces. We've studied many of these spaces to figure out what people and organizations need, and what works and doesn't work. It has to be the right combination of design, materiality and performance, so these settings aren't just nice to look at; they're hard working, too. And with our scale and fulfillment capabilities, working with us saves Members time and money.

Steelcase can help Sourcewell Members adapt to an open concept solution, and we're prepared to design a workplace that integrates people, place and technology with a focus on design, materiality, and performance. We've invested in and launched more new and enhanced product offerings to provide choices for informal areas, simpler open areas, and more collaborative spaces. We've also established product partnerships with other companies to further increase the breadth of our product offering on contract to Members for these spaces.

		To help simplify and manage all of these options, we've introduced Steelcase Marketplace. This tool helps aggregate all the products from the Steelcase family of brands, as well as Steelcase partner products, into one searchable tool. Steelcase Marketplace allows users to look for a specific product quickly and simply—and gives designers and Members more control over their choices. While the unique needs of each Member organization may differ, we recommend designing for wellbeing and creating an ecosystem of spaces to enable organizational resiliency. We are eager to connect with each Sourcewell Member to determine, design, and implement the best solutions for their workplace goals. Please see Additional Document T14.67 for more information, including a link to access Steelcase Marketplace and our research around collaborative spaces.
68	Describe your design resources to develop or enhance culture, change management and integrated technology needs.	Whether Sourcewell Members are seeking greater organizational growth, improved performance or enhanced engagement from employees or constituents, the workplace and work experience play important roles in reaching those goals. The process of helping people adopt and adapt to changes is an investment that will pay off in terms of both the work experience and organizational results. A key resource to enabling and supporting change in the workplace comes from our Applied Research + Consulting (ARC) team. This team brings deep knowledge to the Member organization and delivers benefits that typically include alignment of the workspace strategy, business strategy and desired behaviors; development of higher performing solutions; and employee and leadership buy-in for the proposed solution. The Steelcase approach to change management encompasses the four elements that must work together to achieve organizational ambitions: • Culture (norms and values) • Process (the way work gets done) • Tools (technology and other work aids) • Space (physical workplace) Focusing on Culture. There is an organizational and design challenge to meet business needs while also serving the needs of users and creating thoughtfully curated destinations. By involving Steelcase in the workplace journey of a Sourcewell Member, we can design an ecosystem of spaces that supports employee wellbeing, provides a range of destinations and technologies, and fosters the culture desired for the organization. With Steelcase and our Applied Research + Consulting team, we can help Sourcewell Members design and adapt a workplace that contributes to people feeling a sense of belonging and purpose—translating into trust of the organization and increased collaboration among colleagues. Our intentional and holistic approach considers not just the communication that occurs with explaining a change in the workplace, yet also how the change is part of the culture. A main component of ensuring a positive change management experience is for leaders to be engaged with their people. When employees see their leaders modeling values and behaviors in the workplace, culture can begin to take root and be a driving force in the work environment. By acknowledging that the transition will be challenging—and inviting employees into the process—everyone will feel more involved and engaged. Change Management. When Sourcewell Members make changes to their work experience, they will also need to make an intentional investment in the process for managing the change. A thorough process before, during and after the change will contribute to an experience that is positive for stakeholders and helps them adopt and adapt to the change. Steelcase's Applied Research + Consulting team can define and drive change through a Change Management consulting engagement. While each engagement is unique in order to support and enhance workplace culture and needs, some main steps often involved in bringing significant workplace change to fruition include: • Mapping the strategy • Appointing a team of leaders, managers, and change champions • Repeated messaging to stakeholders • Engaging relentlessly and meeting people where they are • Populating a pilot space • Developing protocols • Purging and packing with purpose • Attending to move-day details • Supporting changes in technology Our change management process is founded in research and gleaned insights from the field. We translate our learnings into something tangible and measurable for our

clients. Our leadership in research around work and the workplace gives us, and in turn Sourcewell Members, unparalleled knowledge about the work environment and how to leverage it for optimum results. We will use our experience transitioning organizations into new work environments and apply it to Sourcewell Members to deliver a successful and positive change.

Integrated Technology. The workplace needs to support a diverse range of postures and technology, as well as offer options for collaboration and privacy. By creating a workplace that brings together people, place and technology, organizations can give people choice and control over where and how they work — something that correlates directly with high workplace engagement and satisfaction.

Steelcase's insights into work, worker, and the workplace inform our product and application design. Products ranging from meeting tables with integrated technology and visual privacy screens to scalable sound masking systems and virtual wayfinding, we design technology products that seamlessly integrate in a work environment and support an employee's true potential.

Examples of integrated technology in the workplace include spaces that:

- Give remote colleagues a great experience so they can feel and act as if they are present in the room
- Help co-located team Members remain present and focused
- Feature easy to use technology that's smart and connected to not only their immediate team, yet also their organization
- Provide access to data so people can find colleagues and meeting rooms quickly
- Use technology to enhance the place and the experience

Through integrated technology and spaces that focus on individual and collaborative work, Sourcewell Members' real estate can become a space that promotes engagement and interaction. And, by ensuring the move-in process includes training in new hardware and software and instructs people on new systems, they will have an intentionally designed space that improves the experience people have working with technology.

Working with Sourcewell Members. Our tools and the steps in the program tailored to Sourcewell Members will serve and inform design and change management. To best leverage the wealth of workplace tools and knowledge—as well as maximize successful outcomes—we strongly urge you to include Steelcase and our dealer partners in the project as early as possible. We have experienced a strong correlation between early engagement and successful projects that exceed our clients' expectations with happy users on day one and afterwards.

Please see Additional Document T14.68 for more information, including about ARC Change Management process.

69	Describe your ability to evaluate and enhance the utilization or return on investment for design alternatives utilizing your products.	Organizations need to ensure their culture is in sync with desired behaviors and perfor well- designed workplaces won't generate an optimal return on Through ongoing research and exploration of work, workers, and the workplace, we've uncovered design principles that help our customers create better outcomes. Work environments must be intentionally designed to support a user's evolving needs and wants. And while physical space can be a powerful took to shape the attitudes and behaviors that drive improved performance, we know that investing in place alone isn't enough. By partnering with Steelcase and our dealer partners, Sourcewell Members are gaining access to differentiated value through informed insights, analysis and engagement, and reach. We can help with: • Alignment of the workspace strategy, business strategy and desired behaviors • Validation of how people work and interact with others, as well as with their work environment • Co-create an integrated solution that supports the business direction and desired future work experience • Develop higher performing solutions from the perspective of real estate efficiency, space utilization and employee effectiveness • Transition from traditional work habits to new and agile ways of working • Employee and leadership buy-in for the proposed solution through Change Management. Sourcewell Members can also engage with Steelcase's Workplace Tools + Resources (WT+R), a team who brings a deeper understanding of the explicit, tacit and latent needs to be uncovered at the workplace. WT+R can host discovery exercises and collaborative situation workshops with Sourcewell Members that focus on understanding workplace issues of the organization and user needs. They also can offer concept reviews of applications that help Sourcewell Members visualize the ways Steelcase product can support your workplace needs in place, posture, and choice and control. Please see Additional Document T.14.68 for more information, including about Steelcase Workplace Tools + Resources.
70	Describe how your products are integrated or factor into a LEED certified facility.	Steelcase has helped our clients with hundreds of LEED building projects, and we have more than 10 LEED certified facilities around the globe. Thanks to this expertise, we can partner early in the design phase to provide guidance on the best applications and space design options. We can provide detailed product and project documentation to help Sourcewell Members meet the LEED credits they are pursuing. Almost all Steelcase products can contribute to LEED certification through a variety of ways, including materials and resources, ergonomics, social equity in the supply chain, innovation in design and low-emitting materials. Each product contributes differently as their materials and applications vary. Steelcase helps customers seeking LEED certification identify products and programs that can contribute to LEED criteria in the categories of Energy and Atmosphere, Materials and Resources, Indoor Environmental Quality, and Innovation (Ergonomics Training, Sustainability Training, and Product Innovation). It is important to note that LEED does not certify products; consequently, they are not awarded LEED points. If certain LEED criteria are met, products may contribute to the credits that are awarded to the building project. Please see Additional Document T8.38 for more information, including our Product Environmental Profiles (PEPs). You may also access the PEPs via steelcase.com/resources/documents.

71	Describe your approach to serving members in state/local Government, education, non-profit, and how you will grow those markets using your products and the Sourcewell contract.	Steelcase is the world's leading manufacturer of office environments. Inspired by over 100 years of insight gained serving the world's leading organizations, we design for a wide variety of customer needs through a comprehensive portfolio of architecture, furniture, technology and services. Our strategy is to grow by leveraging our deep understanding of the patterns of work, workers and workspaces to offer solutions for new ways of working, new customer markets and new geographies, which includes Sourcewell Members in all Sourcewell market segments. Steelcase takes our insights from user-centered research and delivers high performance and sustainable work environments to Sourcewell Members to meet and exceed expectations. We and our Steelcase dealers strive to be trusted partners to Sourcewell Members who seek to use space as a strategic asset using it as a tool to attract and retain talent while serving their constituents and employees. We strive to meet the diverse needs of Sourcewell Members while minimizing complexity by using a platform approach—from product components to common processes—wherever possible to provide integrated solutions. We serve Members primarily through approximately 400 Steelcase participating dealer locations who sell directly to Sourcewell Members according to the contract in their local marketplaces. Each of our dealers maintains its own sales force which is complemented by our sales representatives who work closely with our dealers throughout the selling process. We provide extensive tool and resources to our mutual sales organizations to support customer needs to help provide great experiences in work, learning and health environments which encompass these Sourcewell markets. We also constantly are training and working with Steelcase dealer sales and Steelcase representatives to grow and enhance their knowledge and understanding our Sourcewell contract, contract selling, Sourcewell Membership and the processes involved in serving Members in state/local Government, education, non-profit, markets. This increases our ability and proficiency to better serve while growing in these markets as well.	

Table 15: Exceptions to Terms, Conditions, or Specifications Form

Only those Proposer Exceptions to Terms, Conditions, or Specifications that have been accepted by Sourcewell have been incorporated into the contract text.

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.

2. Documents should NOT have a security password, as Sourcewell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcewell.

3. Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.

4. If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as “Marketing Plan.”

Proposers Assurance of Comp

PROPOSER ASSURANCE OF COMPLIANCE

PROPOSER'S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to Sourcewell member agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.

2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of Sourcewell, or any person, firm, or corporation under contract with Sourcewell, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.

3. The contents of the Proposer's proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or agent of the Proposer and will not be communicated to any such persons prior to the official opening of the proposals.

4. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted and included with the Proposer's Proposal.

5. The Proposer will, if awarded a Contract, provide to Sourcewell Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.

6. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.

7. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.

8. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.

The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify Sourcewell for reasonable measures that Sourcewell takes to uphold such a data designation.

☑ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Kevin Loubert, Industry Leader, State & Local Government Solutions, Steelcase Inc.

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

ADDITIONAL DEFINITIONS

For the purpose of this Agreement, the following definitions are agreed upon and may be used in both the singular and the plural without affecting their significance.

Designated Location– The physical delivery location as specified on Member's purchase order and acknowledged by Dealer.

Drop Ship – Pursuant to FCA (Incoterms®2010) and FOB (Uniform Commercial Code), freight is prepaid and pricing for Products includes delivery from the applicable Steelcase factory to the receiving dock of Member's Designated Location. For drop shipments, it will be Member's responsibility to inspect the Products upon delivery and report claims to Dealer within a reasonable time frame to ensure that proper claims procedures are followed in the event of damage.

EDI (Electronic Data Interchange) – A computer-to-computer transfer of business documents used for the transmission of purchasing documents such as purchase orders, modifications, and invoices.

Large Order – One quantity of Products to be shipped at one time to one location with a minimum list price value of:

Steelcase Products (other than exceptions below)	USD 500,000 or equivalent
Coalesse	USD 75,000 or equivalent
Turnstone, Steelcase Health	USD 150,000 or equivalent

List Price – The price set forth in Steelcase's published Price List.

Negotiate – Mutually agreed upon price to be arrived at between Member, Dealer, and Steelcase.

New Products – Products are considered new for a period of two years from the date on which they are first shipped in a particular market.

Order Size – One quantity of Product to be shipped at one time to one location.

Port of Embarkation – The port from which a vessel (ship or airplane) departs upon the start of a voyage when Product is exported.

Price List – A general term which covers a variety of specific naming conventions such as Specification Guides, Price Guides, Price and Product Manuals, Catalogs, and Electronic Catalogs (ECAT's).

Special Products – Products that are not available as such in Steelcase's standard Price Lists and require variations in design, i.e., dimensions, features, function, colors and/or other type of finishes, in order to meet customer specific requests.

PRODUCTS AND PRICING

FOR DELIVERIES IN THE UNITED STATES AND CANADA

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect at the time the purchase order is placed, less the minimum discounts on the items listed below. Any Product list-price adjustment shall be effective upon a thirty (30) day written notification given to Member.

The price for Partner Products purchased under this Agreement shall be the current Price List in effect at the time the purchase order is placed, less the minimum discounts on identified Partner Products listed below.

Deliveries from Dealer to Member shall be FOB, Member's Designated Location for Orders within the United States, and FCA, Member's Designated Location for Orders outside of the United States. Exceptions include Alaska, Hawaii, the Northwest Territories, Nunavut and Yukon, where additional freight charges apply and will be quoted upon request. For deliveries in Alaska, a service charge equal to five percent (5%) of list price shall be assessed to Member for Orders up to $200,000 list price. The service charge for Orders above $200,000 list price shall be negotiated.

Remote Location(s) Installation & Service: Any location outside of a 25-mile radius of the Steelcase Dealer's location(s) are considered remote. Upon request, the dealer would provide a not to exceed estimate with respects to travel, per diem, lodging and equipment rental, if needed, at the time of project quotation. Member would pay actual invoice of these items, upon verification of the fees.

***Mutually agreed upon discount to be arrived at between Member, Dealer, and Steelcase. However, the discount to Member shall be no less than the discount in the preceding tier of that pricing category.**

EXCEPTIONS

- All Price Lists: New Products.
- Coalesse Price Lists: Arzu, Nanimarquina Collection.

OTHER

- Terms and conditions for the delivery and installation of architectural products will be negotiated on a project-by-project basis.
- Orders from more than one Price List may be combined for the purpose of defining Order Size (e.g. Steelcase Steel, Steelcase Wood, and Steelcase Worktools.)
- For Canadian Orders, the list-dollar amounts will be converted into Canadian Dollars (CAD) using the exchange factor of the corresponding Price List, and the discount will be applied to the applicable Steelcase Canada Price List(s).

PARTNER PRODUCTS - A general term which includes third party products sold in accordance with this Agreement. Partner Products include: FLOS Lighting, Mitchell Gold + Bob Williams, Bolia, Extremis, Moooi, Uhuru.
Notwithstanding anything to the contrary, Product list-price adjustments for Partner Products will be made in conjunction with the price adjustments of Partner Products' manufacturers and are not subject to written notification to Member. The product selection evolves over time; availability is confirmed upon request at time of order. Any intellectual property related to Partner Products sold under this Agreement will be owned and retained by the manufacturer of such Products. Orders for Partner Products are not subject to change or cancellation without charge once the Order has been received. Steelcase will pass along any warranty with respect to Partner Products.

SMART + CONNECTED PRODUCTS – A general term which includes Steelcase's technology products which are geared towards workplace optimization and analytics. Smart + Connected Products include: Workplace Advisor Hardware, Smart Connected Subscription, Live Map Setup. Notwithstanding anything to the contrary, the terms and conditions of any master agreement which may result from this RFP will not apply to Smart + Connected Products. In order to activate any services related to the listed Smart + Connected Products, such Member must enter into a separate agreement with Steelcase.

APPLIED RESEARCH + CONSULTING - Through a team of experienced of consultants, ARC brings deep knowledge to our customers and delivers benefits that typically include alignment of the workspace strategy, business strategy and desired behaviors; validation of how people work and interact with others—and their work environment; a co-created, integrated solution that supports the business direction; development of higher performing solutions; and employee and leadership buy-in for the proposed solution. Notwithstanding anything to the contrary, Applied Research + Consulting will not be subject to reporting or administrative fee payment for Contract Sales Activity unless otherwise agreed to in writing by Steelcase on a case-by-case basis.

WORKPLACE TOOLS + RESOURCES - Through a combination of asking, observing, and creating experiences to bring a deeper understanding of the explicit, tacit, and latent needs to be uncovered. WT+R can host discovery exercises and collaborative situation workshops with Sourcewell Members that focus on understanding workplace issues of your organization and user needs. They also offer concept reviews of applications that help our customers to visualize the ways Steelcase products can support specific workplace needs in place, posture, and control. Notwithstanding anything to the contrary, Workplace Tools + Resources will not be subject to reporting or administrative fee payment for Contract Sales Activity unless otherwise agreed to in writing by Steelcase on a case-by-case basis.

Additional Services
Rates submitted for services are ceiling-based rates which will vary based on pricing variables such as varying site conditions, hours of installation, size of projects, and other factors. These rates are ceiling-based, and therefore we encourage Sourcewell Members to negotiate lower rates for these services on a project-by-project basis with authorized Steelcase Dealers, when more specific project information is known.

Union or Prevailing Wage
Where applicable, servicing Dealers will abide by union or prevailing wage rates and quote accordingly.

Customer Own Material ("COM")
Customer Own Material ("COM") includes fabric, laminates, and non-contracted ancillary products. COMs are allowed and may include an associated dealer mark-up and in some cases a freight charge, depending on the COM selected by the Member. COM mark-up will have a 35% ceiling.

Additional Charges May Apply For:

- Orders of an aggregate unit quantity, example of 1 - 10 chairs, desks, files, peds, etc. - CB $300 fee per delivery.
- Major Metro Markets and any non-ground floor installation: CB 1% - 3.5% of list product value
  - Major Metro Markets include large population centers and urban environments.
- Installation in a clinical/medical environment: CB 1% - 3.5% of list product value
- Special restrictions or limits established by local laws, ordinances, or the directions of the Member, including yet not limited to restrictions on transportations of materials, street access to the job site and/or dock facilities: CB 1% - 3.5% of list product value
- Installations outside normal service area, which is typically a 25-mile radius of the servicing dealer: CB 2% of list product value.
- Local Prevailing Wage and/or Union Labor Rates
- Any additional charges shall be quoted by the dealer and approved by the Member prior to performance of the work.
- "CB" = Ceiling Based

PARTICIPATING DEALERS

LIST OF PARTICIPATING STEELCASE DEALERS

Participating Dealers as of the date of this Agreement are listed below. Additions to and/or deletions from this list may be requested at any time by Sourcewell. The most current listing of authorized Steelcase dealers can be consulted at WWW.STEELCASE.COM.

Sourcewell may add or delete an authorized dealer to participate in this Agreement at its discretion. In such event, Sourcewell shall provide a written notification to Steelcase. In the event that Sourcewell desires to add an authorized dealer, Steelcase will secure such authorized dealer's written acceptance of the terms of the Agreement. In the event of a deletion, such deletion will become effective thirty (30) days from receipt of Sourcewell's written notification.

Changes to this Exhibit [ ] need not be incorporated into a written amendment to the Agreement.

ORDERS - PROCEDURE; CANCELLATION AND CHANGES

A. Procedure

Member shall initiate orders by sending to Dealer a written or electronically transmitted (EDI) purchase order ("Order") containing the minimum required information listed below:

- Member's Order reference number.
- Designation of Products (e.g., style number) and/or services covered by the Order.
- Designation of surface materials.
- Quantity ordered.
- Price.
- Requested delivery date.
- "Ship to" address including contact name, dock information, etc.
- Billing address for invoices.
- Any special shipping or handling requirements.

Dealer and Steelcase will use their best efforts to comply with delivery dates requested by Member on Orders. For Large Orders, Steelcase recommends that Member provide as much notice as possible to Dealer in advance of the Order to reserve manufacturing capacity. Dealer shall acknowledge receipt of each Order to Member, noting the acknowledged Steelcase ship from factory and scheduled local delivery dates.

B. Cancellation and Changes

Member shall have the right to change or cancel any Order by delivering written notice to Dealer. Except as otherwise provided herein, any such change or cancellation shall be without charge prior to commencement of production of such Order. If production has begun (including the ordering of parts and materials), a charge may be applied up to the full invoice amount of the Order.

DocuSign Envelope ID: CF69A165-CB68-47F7-9A66-E310C168913E

DELIVERY AND INSTALLATION PROVISIONS

Whenever delivery and/or installation is performed by Dealer, the following general provisions shall apply:

A. Labor Charges

Installation will be performed by an authorized Steelcase dealer and is based on delivery during normal working hours within the authorized Steelcase dealer's standard service area, utilizing non-union labor. Additional labor charges may result from the following, and shall be confirmed to Member in advance:

- Work performed outside of the normal working hours at Member's request.
- Delivery and Installation outside the standard service area, which is typically outside of a 25-mile radius from a servicing dealer.
- Use of union labor due to trade regulations.
- Installation of, or work in connection with, furniture lighting, HVAC, cabling, wiring, prewired panels, power hook-up and various electrical work.
- Work disruptions due to other trades, unions or subcontractors.

B. Special Markings, Packaging or Handling

If special markings, packaging or handling is requested by Member, it may be subject to additional charges.

C. Condition of Job Site

The job site shall be clean and free of debris prior to installation. Adequate facilities for offloading, staging, moving, and handling of Products shall be provided without charge by Member.

D. Job Site Service

Electric current, heat, hoisting and/or elevator service, and containers for the disposal of packing materials will be furnished without charge by Member.

E. Storage

In the event that physical delivery and/or installation are delayed at Member's Designated Location due to causes outside the control of Dealer or Steelcase, the Products will be stored at Member's expense. All charges related to the delay (e.g., storage costs, labor for loading and unloading) will be confirmed to Member by Dealer at the time of the delay. Invoices for Products placed into storage will be sent by Dealer to Member to be paid as if the Products had been delivered as scheduled.

After the Products arrive at the designated site, safe and adequate storage space will be provided by Member if immediate installation cannot be accomplished. If the space provided is inadequate, requiring excessive sorting or movement, a charge may be applied based upon agreement between Member and Dealer.

F. Assembly

Dealer's ability to assemble Products shipped knocked down or to attach, affix, or bolt in place movable Products is sometimes dependent on union jurisdictional agreements. If trade regulations in force at the time of installation require the use of union tradesmen or tradesmen other than Dealer's own installation personnel at the site, all resulting additional charges (e.g., the differential between union's or other tradesmen's hourly rate and the non-union hourly rate of Dealer's personnel) will be paid by Member.

G. Damage

Pursuant to the applicable Incoterm, any loss or damage to the Products by weather, other trades (such as painting or plastering), fire, or other elements shall be the responsibility of Member after the Products are delivered by Dealer; and Member agrees to hold Dealer harmless from loss for such reason. Notwithstanding the foregoing, however, any loss or damage to the Products caused by Dealer, its employees or subcontractors during installation shall be the responsibility of Dealer.

H. Insurance

During the term of this Agreement, Dealer and Steelcase will each maintain all applicable insurance coverage consistent with local insurance requirements and local practices, adequate to meet their liabilities under the Agreement; and Dealer's insurance shall be primary. Insurance certificates are available from Dealer or Steelcase

DocuSign Envelope ID: CF69A165-CB68-47F7-9A66-E310C168913E

upon request. Fire, tornado, flood, earthquake, windstorm, and other all risks insurance coverage and other applicable insurance at the site will be the responsibility of Member (including any deductibles thereunder).

Region 4 Education Service Center (ESC)

Contract # R191803

for

Furniture, Installation and Related Services

with

Exemplis LLC

Effective: May 1, 2020

The following documents comprise the executed contract between the Region 4 Education Service Center and Exemplis LLC effective May 1, 2020:

I. Vendor Contract and Signature Form
II. Supplier's Response to the RFP, incorporated by reference

APPENDIX A

CONTRACT

This Contract ("Contract") is made as of April 28 *, 2020 by and between* Exemplis LLC *("Contractor") and Region 4 Education Service Center ("Region 4 ESC") for the purchase of Furniture, Installation, and Related Services ("the products and services").*

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number RFP #19-18 for Furniture, Installation, and Related Services ("RFP"), to which Contractor provided a response ("Proposal"); and
WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

1) Term of agreement. The term of the Contract is for a period of three (3) years unless terminated, canceled or extended as otherwise provided herein. Region 4 ESC shall have the right to renew the Contract for two (2) additional one-year periods or portions thereof. Region 4 ESC shall review the Contract prior to the renewal date and notify the Contractor of Region 4 ESC's intent renew the Contract. Contractor may elect not to renew by providing three hundred sixty-five days' (365) notice to Region 4 ESC. Notwithstanding the expiration of the initial term or any subsequent term or all renewal options, Region 4 ESC and Contractor may mutually agree to extend the term of this Agreement. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Agreement.

2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.

3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s).

4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:

   i. This Contract
   ii. Offeror's Best and Final Offer
   iii. Offeror's proposal
   iv. RFP and any addenda

5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.

6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e. bankruptcy, change of ownership, merger, etc.).

8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.

9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.

10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.

11) TERMINATION OF CONTRACT

   a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:

      i. Providing material that does not meet the specifications of the Contract;
      ii. Providing work or material was not awarded under the Contract;
      iii. Failing to adequately perform the services set forth in the scope of work and specifications;

iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by Contractor will become the property of the Region 4 ESC. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.

   i) Additional Delivery/Installation Charges: Contractor may enter into additional negotiations with a purchasing agency for additional delivery or installation charges based on onerous conditions. Additional delivery and/or installation charges may only be charged if mutually agreed upon by the purchasing agency and Contractor and can only be charged on a per individual project basis.

d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract.

14) Delivery. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.

16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such

purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this

term. If no costs are specified, compliance with this term will be provided at no additional charge.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.

29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.

30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.

31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.

32) Certificates of Insurance. Certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.

33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws

while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

34) Tariff Surcharges: Contractor has the option to charge a surcharge, as an additional line item, if approved by the purchasing agency. All surcharges must be based on a percentage of total order and must be approved by Region 4 prior to use.

OFFER AND CONTRACT SIGNATURE FORM

The undersigned hereby offers and, if awarded, agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing.

Re: Request for Proposal # 19-18 ; Furniture, Installation and Related Services

Dear Ms. Wallace,

Please let this Letter serve as Exemplis LLC's notification to respond to the Region 4 ESC Request for Proposal # 19-18 ; Furniture, Installation and Related Services. We are excited to participate in this Solicitation and to the possibility of receiving a new Contract Award from Region 4 ESC.

Exemplis LLC confirms we are in complete understanding with the requirements set forth in this RFP by Region 4 ESC and OMNIA Partners. Exemplis LLC, through our extensive authorized dealer network, will provide the products and services as defined in this RFP. Our 200+ Sales Team members and 2,000+ authorized dealers are located throughout the nation and able to promptly assist Region 4 ESC and OMNIA Partners members with any quote, product description, sample, or warranty request. Our unique build-to-order manufacturing model allows us to create beautiful and reliable products and ship them in 2, 5 or 10 days.

Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments. Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture.

Exemplis LLC offers three broad and innovative product brands to our customers: SitOnIt Seating, IDEON Soft Seating and Symmetry Office.

- Our SitOnIt Seating Product Brand offers task, executive, conference, guest, stacking, nesting, and cafe/task stool seating.

- Our IDEON Soft Seating Product Brand offers lounge seating, modular seating, benches, ottomans and occasional/cube tables. Our extensive line of tables for hospitality and public spaces is listed within our IDEON Soft Seating Price Guide.

- Our Symmetry Office Product Brand offers benching, tables, storage units, sit/stand solutions and office furniture ergonomic accessories.

NOTICE TO OFFEROR

ADDENDUM NO. 1

Solicitation Number 19-18

Request for Proposal ("RFP")
by Region 4 Education Service Center ("ESC")
for Furniture, Installation, and Related Services

This Addendum No. 1 amends the Request for Proposals (RFP) for Furniture, Installation, and Related Services 19-18 ("Addendum"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified suppliers with the intent to enter into a Contract for Furniture, Installation, and Related Services. Addendum No. 1 is hereby issued as follows:

CLARIFICATIONS:

1. The changes being made to this RFP are being made to add Appendix C Documents #5-7 in order to fulfill FEMA requirements. While it is not expected that the services outlined in this RFP would be utilized in a disaster recovery or emergency situation, Region 4 ESC is including language should it be needed.

CHANGES TO THE RFP:

1. Remove Appendix C, Additional Required Documents, and replace with the version attached to this Addendum No. 2. This is the Appendix C that should be used for this solicitation and submitted as part of the Offeror's proposal.

RECEIPT OF ADDENDUM NO. 1 ACKNOWLEDGEMENT

Offeror shall acknowledge this addendum by signing below and include in their proposal response.

Attachment 1
Products/Pricing

i. Exemplis LLC's proposed discounting is based on a percentage discount off of our list pricing included in our Price Books for our three Product Brands: SitOnIt Seating, IDEON Soft Seating, and Symmetry Office.

Exemplis LLC's proposed discounting will be identical for the following Categories applicable to our Product Lines:

- Freestanding furniture
- Seating/Chairs
- Soft Seating
- Filing Systems, Storage, and Equipment
- Technology Support Furniture
- Library Furniture
- Cafeteria Furniture
- Educational Office Furniture
- Career/Technical Education Furniture
- Related Products, Support Services, and Solutions

ii. The following Price Books are included on our two enclosed Flash Drives:

- September 16, 2019 SitOnIt Seating Price Book
- September 16, 2019 IDEON Soft Seating Price Book
- September 16, 2019 Symmetry Office Price Book

The Price Books contain the manufacturer part number, product description, and list price. Our Price Books do not include net pricing. Net pricing can be calculated using the proposed discounting.

Our list pricing shall not exceed what is stated in our Region 4 ESC-approved Price Books.

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

iii. Exemplis LLC proposes the following volume discounting to Region 4 ESC. The volume discounting is based off of list price:

- Dock Delivery Discount: Exemplis LLC's Product(s) are delivered to the Region 4 ESC Member's loading dock. The Region 4 ESC Member is responsible for unloading the Product(s).
    - Tier Discount:
        - Tier 1: $1 - $50,000: 54% Discount
        - Tier 2: $50,001 - $100,000: 56% Discount
        - Tier 3: $101,001 - $250,000: 58% Discount
        - Tier 4: $250,001 + : Negotiable
- Inside Delivery Discount: Exemplis LLC's Product(s) are delivered to the Region 4 ESC Member's loading dock. The driver moves the Product(s) into the Region 4 ESC Member's building but does not handle installation.
    - Tier Discount
        - Tier 1: $1 - $50,000: 52% Discount
        - Tier 2: $50,001 - $100,000: 54% Discount
        - Tier 3: $101,001 - $250,000: 56% Discount
        - Tier 4: $250,001 + : Negotiable
- Delivered & Installed Discount: an authorized dealer shall manage the delivery, installation, and trash removal for Exemplis LLC's Product(s) purchased by a Region 4 ESC Member.
    - Tier Discount
        - Tier 1: $1 - $50,000: 50% Discount
        - Tier 2: $50,001 - $100,000: 52% Discount
        - Tier 3: $101,001 - $250,000: 54% Discount
        - Tier 4: $250,001 + : Negotiable

Exemplis LLC proposes the following ranges for services and solutions:

- Basic Installation - Normal Hours : $25 - $40
- Basic Installation - After Hours : $35 - $55
- Expanded Installation - Normal Hours : $25 - $40
- Expanded Installation - After Hours : $35 - $55

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis®

- Design Services : $50 - $75
- Project Management : $25 - $40
- Asset Management : $15 - $30
- Refurbishment : $30 - $50
- Storage (Fixed Monthly Rate) : $150 - $2,000

iv. Please see definitions above in Section iii.

v. Exemplis LLC Warranty

Exemplis LLC warrants to the original customer that the product(s) will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week). Exemplis LLC will repair or replace with a comparable part or product, without charge to the original purchaser, only defective parts or products found defective during the warranty period. If requested by Exemplis LLC, the original customer will return the part or product for review with freight or other shipping charges prepaid by Exemplis LLC. This warranty shall be effective for the applicable time period beginning from "date of manufacture" as shown on the manufacturer label underneath each product.

Time Frames & Products	Structural Parts Arm Pads, Arms, Mechanisms, Cylinders, Etc.	Manufactured Parts Upholstered Parts, Foam, Knit, Mesh, Plastic Shells
All Exemplis LLC Products (exceptions below)	Lifetime	5 years
Amplify, Torsa, Novo, Wit	12 years in 24/7 use or Lifetime under standard use	5 years
Chairs with HD Upgrade	10 years	2 years
All IDEON Soft Seating and Tables	12 years	5 years
Power Modules and Electrical Components	5 years	Not Applicable
All Symmetry Office Products (exceptions below)	Lifetime	Not Applicable
Captiva, Largo, Ocala, Bent Legs, Trapezoid, Twisted, Straight, Monitor Arms	12 years	Not Applicable
Prise, Flow 2.0, Skyway	10 years	Not Applicable
Switchback, Voyager	7 years	Not Applicable
Clarity, All Filing Products	5 years	Not Applicable
Dividers	5 years	5 years
Keyboard Trays, Mouse Pads, Wrist Rests	1 year	Not Applicable

Exemplis LLC shall pay for all pre-approved labor costs.

Exemplis LLC has a Warranty Department staffed with fifteen Warranty Specialists to quickly and effectively assist our customers with any warranty-related claims and questions. Exemplis

6415 Katella Avenue

- Symmetry Office:
  - http://www.symmetryoffice.com/sup_files/Warranty%20Policy.pdf

vi. Return and Restocking Fees

Authorization for returns must be requested from and approved by Exemplis LLC prior to the return of the merchandise. Returns are subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted by Exemplis LLC.

vii. Additional Discounts & Rebates

Exemplis LLC's current tiered structure incentivizes Region 4 ESC Members with additional discounting for larger volume projects. In addition, we allow Region 4 ESC Members to "bundle" smaller projects over a designated time period to receive a deeper discount tier based on total volume.

- Volume tier structure for all Exemplis LLC Brands
  - Tier 1: $1 - $50,000
  - Tier 2: $50,001 - $100,000
  - Tier 3: $100,001 - $250,000
  - Tier 4: $250,001 +

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

The national cooperative purchasing contract space is highly competitive for furniture manufacturers. Often times we extend deeper discounting to assure winning a project. As a result, customers benefit from the competitive and aggressive landscape.

Bi-Annual Customer Promotions (typically last 3 months)

- Exemplis LLC will run a Summer Sales promotion, which includes additional discounting for the customers (for example: an additional 3% discount off net price for Region 4 ESC Members). Historically, our promos were a great success for both parties.

viii. Verifying Contract Pricing

Exemplis LLC's sales force and authorized dealer network will be informed of the contract details immediately upon a potential Contract Award. We will hold webinars, release e-mail blasts, and distribute key contract information sell sheets to our nationwide sales team within the first 90 days of Contract Award. This will ensure Region 4 ESC Members will receive accurate contract pricing utilizing the approved price books.

Our distribution partners use sophisticated specification software tools like Giza, CAP, 20/20 and our Chairbuilder/Productbuilder tool to generate bill of materials, spec sheets and quotes/proposals. The Chairbuiler/ProductBuilder tool can found on our customer-facing web-sites (www.sitonit.net ; www.ideondesign.com ; www.symmetryoffice.com). These quotes will usually have a product description, full model number, list price, contract discount and net price. The model numbers and pricing can be independently verified by using the commercial price guide and applying contract discount or by using our Chairbuilder/Productbuilder tool and then apply the contract discount.

All purchase orders from Region 4 ESC Members shall be issued to our authorized dealer network. The authorized dealer would then issue a purchase order to Exemplis LLC. The purchase order must identify a unique "Terms Variance Number" directly associated with this Contract and discounting structure. This will ensure the correct discounting and price book have been applied to qualified purchase orders.

Region 4 ESC Members shall be able to verify and audit pricing by visiting Exemplis LLC's web-landing pages on our public-facing websites. These web-landing pages will include:

- Approved price books
- Contract discounting
- Contract number
- Contract term
- Approved products
- Other related contract information

6415 Katella Avenue
Suite 200
Cypress, CA 90630

www.exemplis.com

Exemplis

ix. Payment Methods

- EFT
- ACH (Electronic Check or Debit)
- Wire Transfer
- Credit Cards will be accepted with a 3% processing fee

x. Exemplis LLC implements price increases based on commodity/supply chain, medical costs and benefits, and unanticipated inflation and national/international economic events. On average, Exemplis LLC implements one price increase a year.

Exemplis LLC will not change our proposed discounting to Region 4 ESC during the term of potential Contract.

xi. Exemplis LLC launches the greatest number of new and innovative Products when compared to other office furniture manufacturers. We released 28 new Products in 2019 and will release 34 in 2020. When introducing new Product(s), we will submit the request to Region 4 ESC for approval. All new Products will receive the same contract discount off list price.

xii. Additional Information:

Exemplis LLC offers several support services to our customers (at no cost), including:

- Space planning/spec writing/budget estimation tools & services
- Provide sample mock-ups for customer evaluations
- ChairBuilder: our online quote generator designed to specify and visualize SitOnIt Seating and IDEON Soft Seating products on the go or on the spot. Customers can product a list price, complete with part number, with several easy clicks.
- ProductBuilder: our online quote generator designed to specify and visualize Symmetry Office products on the go or on the spot. Customers can product a list price, complete with part number, with several easy clicks.
- Our award-winning Customer Experience Team empowered to swiftly resolve issues and provide our customers with a positive experience.

Exhibit A to Attachment 1

WARRANTY

WARRANTY PERIODS:

Exemplis LLC, d.b.a. SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week) for the following warranty periods:

Lifetime Warranty Coverage:

- All SitOnIt Seating products, except where noted below.

12-Year Warranty Coverage:

- Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.
- All IDEON seating and tables.

10-Year Warranty Coverage:

- Non-Stop Heavy Duty, Freelance Bariatric, and chairs purchased with a Heavy Duty ("HD") or Large and Tall ("LT") option used in multi-shift (24/7) applications.

5-Year Warranty Coverage:

- Fabric, foam, knit back, mesh and plastic.
- Power modules and electrical components

2-Year Warranty Coverage:

- Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with a HD or LT option.

THE COMPANY DOES NOT WARRANT

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will, at its option, repair or replace with a comparable product, without charge to the original purchaser, only defective products or parts reported as defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid. UNDER NO CIRCUMSTANCES WILL THE COMPANY BE LIABLE FOR INJURIES OR DAMAGES ARISING FROM USE OF THE PRODUCT. This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase. The Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account. This is an EXCLUSIVE LIMITED WARRANTY. There are no other warranties, express or implied, including, without limitation, any implied warranty of merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental, consequential, special, or indirect damages. The purchaser is responsible for determining suitability for its intended use. The Company disclaims any liability for defects, loss of use, or claims or injuries arising out of the incorrect choice of product for particular usage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state. The Company will advise you of the procedure to follow when making warranty claims.

To file a warranty claim, email qc@symmetryoffice.com and provide the following information:

- Contact name
- Contact phone number
- Sales Order Number/ Purchase Order Number
- Ship to Address
- Description of Problem
- Description of Troubleshooting Steps Taken
- Attach Pictures, Videos showing the issue

Any items to be returned under warranty claim must receive prior approval from the warranty department as evidenced by either assigned Return Material Authorization (RMA) Number or RMA document.

Any replacement orders where an RMA number is issued, must have the defective product returned within 60 days of receipt. Otherwise, the consumer will be responsible for the replacement order invoice since the defective item was unable to be evaluated for defects.

ADDITIONAL INFORMATION

BENCHING, TABLES AND HEIGHT ADJUSTABLE TABLES

Please note that power components on a height adjustable table include: Hand Controls, Motors, Control Boxes, and Electrical Cables.

POWER COMPONENTS

Power components are defined as any power unit with electrical outlets and/ or USB/Data connections, connector jumper cables for daisy chain and infeed's for hardwire applications.

MONITOR ARMS

Weight capacity of the arms must be followed. If an arm is not functioning properly because of the weight of the monitor is outside of the advertised weight capacity, the monitor arm will not be considered defective under the warranty.

FILING

This warranty does not cover damage from ordinary wear and tear, including paint finish changes and/ or discoloration resulting from aging or exposure to light.

DIVIDERS

Standard textiles (not to exceed the original manufacturer's warranty), finishes, tacking surface of tack boards, writing surface of whiteboards

Attachment 2
Performance Capability

i. Exemplis LLC has included a detailed response to the "Response for National Cooperative Contract (OMNIA Partners)" in Exhibit A to this Attachment 2.

ii. If awarded a Contract, Exemplis LLC will sign the OMNIA Partners Administration Agreement.

- Exemplis LLC does not have any exceptions to the OMNIA Partners Administration Agreement.

iii. Exemplis LLC has included the completed Principal Procurement Agency Certificate, Federal Funds Certifications, and New Jersey Business Compliance Forms in our Request for Proposal Response.

iv. Exemplis LLC's entire manufacturing platform is built on speed and being able to manufacture all orders in 2, 5 or 10 days. If an order needs expediting, our dedicated Customer Experience Team will walk the order through the Supply Chain Team and move it up in the production schedule. If requested from a Region 4 ESC Member, our Logistics Team will use an expedited freight service to allow for quicker delivery. The cost for this expedited freight service will be negotiated on a per order basis.

v. Exemplis LLC is proud to say we are the largest seating manufacturer (by units) in the United States (BIFMA 2018). We manufacturer and ship 7,000 – 9,000 Products a day. Our Order Entry Team enters approximately 375 new Orders a day.

vi. Exemplis LLC's Manufacturing and Logistics Teams have a daily, monthly and annual goal of hitting a 100% complete and on-time delivery rate. Based on the complexities of production and shipping, we average a 98.5% complete and on-time delivery rate. We have a long history of using only the best regional, LTL and long-haul carriers in the United States and Canada to ensure consistency and reliability for delivering on-time.

Exemplis

vii. Return and Restocking Policy

Authorization for returns must be requested from and approved by Exemplis LLC prior to the return of the merchandise. Returns are subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted by Exemplis LLC.

viii. Exemplis LLC warrants to the original customer that the product(s) will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week). Exemplis LLC will repair or replace with a comparable part or product, without charge to the original purchaser, only defective parts or products found defective during the warranty period. If requested by Exemplis LLC, the original customer will return the part or product for review with freight or other shipping charges prepaid by Exemplis LLC. This warranty shall be effective for the applicable time period beginning from "date of manufacture" as shown on the manufacturer label underneath each product.

Exemplis LLC shall pay for all pre-approved labor costs.

Exemplis LLC has a Warranty Department staffed with fifteen Warranty Specialists to quickly and effectively assist our customers with any warranty-related claims and questions. Exemplis LLC, as the manufacturer, manages all communication between the dealer and customer. Either Exemplis LLC or an authorized dealer will handle all warranty returns and/or on-site repairs at no cost to Region 4 ESC.

ix. **Customer Service**

Exemplis LLC's Customer Experience Team is based in our corporate office in Cypress, California and in our regional office in Tampa, Florida. The Team is structured to be certain we always have someone available and familiar with the product and the territory that the inquiry originates from. Our Customer Support team is available from 5:00 am to 5.00 pm Pacific Standard Time via our toll-free number at 888-274-8664 or by e-mail at sitonit@exemplis.com. Our Team is committed to responding to emails and messages within a few hours.

Exemplis LLC's Customer Experience Team is structured to ensure timely response and quick resolution. Our Team is empowered to swiftly resolve issues and provide customized solutions as customers' needs vary. Our Customer Experience Representatives stay with matters from start to finish avoiding having to pass on or explain an item multiple times.

We train our Team to empathize with the dealer and customer and understand the issue from their perspective. We have provided our Customer Experience Team elevation guidelines for specific issues to ensure responses are timely back to our customers. In addition, our Team has access to all internal departments, personnel and management to dig into specific issues to gain resolution.

Exemplis

x. Exemplis LLC's invoicing process starts once the order is shipped and closed. At that time, the invoice is automatically generated and electronically distributed to the contact listed on the Purchase Order (or printed for mailing if requested). Our payment terms are 1%, Net 10; Net 30. Our Payment Methods include:

- EFT
- ACH (Electronic Check or Debit)
- Wire Transfer
- Credit Cards will be accepted with a 3% processing fee

xi. Exemplis LLC will aggressively market the Region 4 ESC contract to our authorized dealer network and Region 4 ESC Members. Our authorized dealers currently call on and sell to customers who are Region 4 ESC Members.

We will encourage new member sign up for any opportunity that may be valid through the contract.

- We would inform potential new members about the discounting and benefits of using the Region 4 ESC contract

xii. Exemplis LLC is a privately held company established in 1996. Since inception, we have been profitable. With a signed NDA, we are more than willing to share our audited financials. Please find the Letter of Good Standing from JPMorgan Chase Bank included in our Request for Proposal Response as Exhibit B to this Attachment 2.

Exemplis

educating dealers and customers on our Products, contracts, sustainability practices, and corporate culture. The websites provide a visual walk through of all Product options and features. Our Chairbuilder & Productbuilder tools allow dealers and customers to easily configure a desired Product by selecting options including arm styles, colors, mechanisms, textiles, and other additional options. Once fully configured, the dealer or customer will obtain a real-time visual of the product with full specifications and list pricing.

Exemplis LLC is eCommerce ready. We just launched our B2B eCommerce enhancements on our B2B website.

- Our current capabilities are as follows:
    - Customer and/or dealer can use our industry leading web based B2B Commerce website with inbuilt Configurator to visualize and spec product
    - Multi-line quotes can be created, saved and shared via the website
    - Pricing is determined based on the contracts applied
    - Product lead time / Estimated delivery date can be checked prior to placing order
    - Order can be placed using the B2B Website and will integrate into our ERP system
    - Xml and/or sif file can be extracted to be used by customer/dealer to upload into their system, (this functionality will be ready in 2-3 months)
    - Full customer integration into the quote sharing / order placement / commerce flows is planned to be added over the next 6-12 months – this will allow for direct bill scenario (where we bill the customer directly with a participating dealer doing the service/installation) or dealer billed scenario (where the dealer bills the customer and we bill the dealer)
- Catalog is hosted on our website – we plan to enhance it to allow customer specific catalogs in the next 6-12 months
- Purchase order can be placed on the website and will flow into our backend system. A download file can be extracted on the website to be used by customer/dealer to update their system (ETA 2-3 months). We also have the capability to send an order acknowledgement via webservice calls using OFDA xml standards

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

- We are planning to add invoice transmission capabilities using OFDA xml webservices in the next 3-4 months. We can also evaluate adding EDI and/or cXML formats in similar timeframe

Dealers and customers are able to track their orders and shipments directly from our website. We have a dealer portal where dealers can enter warranty claims and other pre and post-order activities.

xiv. Exemplis LLC is committed to the safety of all employees. In recent years we have taken more proactive steps to ensure our employees are safeguarded from known hazards. These steps include safety awareness training, root cause analysis on all incidents, and immediate corrective action. Our injuries are non-life threatening in nature and primarily consist of strains to the upper body from the physical and repetitive nature of the job. To address these types of injuries we have implemented a new stretch program designed by physical therapists tailored to the specific job functions. We also continue to look for opportunities to implement ergonomic improvements to avoid such injuries. Beside the specific steps we have taken to address our main type of injuries, we have also implemented a practice where employees at all levels are responsible for safety observations and conducting safety audits to identify opportunities for improvement in our overall safety and compliance.

xv. **Additional Performance Capabilities**

Exemplis LLC is meeting the growing demand for custom, build-to-order seating, benching and table solutions. We design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for business, healthcare, government and education.

Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic chairs and ship them quickly. We manufacture over 7,000 chairs per day, built exactly the way you want, with absolute attention to quality. Executive, conference, task, multipurpose and lobby seating – we've got it all. Our nimble size and lean manufacturing operation mean speed in sourcing, warehousing, assembly, and logistics that other manufacturers just can't match. This makes us the fastest in the industry, shipping office and lounge seating in 2, 5 or 10 days.

Our Symmetry Office Brand offers the latest solutions for tables, benching, storage, sit/stand solutions and office furniture accessories. This new Brand provides solutions that help people work more comfortably in their work spaces. Our goal is to strike balance between the basic work areas that today's work stations and desk provide, and the tools that people really need to make those spaces work for them.

EXHIBIT D

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE, EXAMPLE

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE

In its capacity as a Principal Procurement Agency (as defined below) for National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), [Exemplis LLC] agrees to pursue Master Agreements for Products as specified in the attached Exhibits to this Principal Procurement Agency Certificate.

I hereby acknowledge, in my capacity as Vice President, Finance of and on behalf of [Exemplis LLC] ("Principal Procurement Agency"), that I have read and hereby agree to the general terms and conditions set forth in the attached Master Intergovernmental Cooperative Purchasing Agreement regulating the use of the Master Agreements and purchase of Products that from time to time are made available by Principal Procurement Agencies to Participating Public Agencies nationwide through OMNIA Partners, Public Sector.

I understand that the purchase of one or more Products under the provisions of the Master Intergovernmental Cooperative Purchasing Agreement is at the sole and complete discretion of the Participating Public Agency.

EXHIBIT F

FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;

(b) Is not organized primarily for profit; and

(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30

CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non - Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that

offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

Date ***Authorized Signature and Title***

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Required Pursuant to N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: 19-18 **Bidder/Offeror:** Region 4 Education Service Center

PART 1: CERTIFICATION
BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.
FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf. Bidders **must** review this list prior to completing the below certification. **Failure to complete the certification will render a bidder's proposal non-responsive.** If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

PLEASE CHECK THE APPROPRIATE BOX:

☑ **I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed** on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. **I will skip Part 2 and sign and complete the Certification below.**

OR

☐ **I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below.** Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN
You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

EACH BOX WILL PROMPT YOU TO PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, CLICK THE "ADD AN ADDITIONAL ACTIVITIES ENTRY" BUTTON.

Taxpayer Identification# **330-697-684/000**

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Fruscione

OMNIA Partners – Response for National Cooperative Contract

3.0 Company Response

3.1 Company

- Brief History and description of your Company:

  - Exemplis LLC was founded in 1996 by two entrepreneurs from the office furniture industry who saw a huge opportunity for quick, mass-customized ergonomic task seating at a value price. With just three employees, a fax machine and a bell that was rung every time a chair came down the conveyor belt, it was humble start to what is now a 700+ team with showrooms across the nation.

  - Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic office furniture and ship them quickly.

  - Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We perfectly design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments.

  - Most of our products are developed and sustainably built in the United States & Mexico from regionally and globally sourced materials.

  - Since our inception, we have stayed on the cutting edge of innovation by listening to customers and creating modern seating products that meet their needs, allowing us to become a successful $325+ MM business in Orange County, California.

Exemplis®

- Total number and location of sales persons employed by Company:
    - 30 direct sales representatives: 5 in Cypress, California; 25 in remote locations throughout the United States.
    - 170+ independent sales representatives located throughout the United States.
- Number and location of support centers (if applicable) and location of corporate office:
    - Exemplis LLC's Customer Experience Teams are located in Cypress, California and Tampa, Florida (2 support centers). We have showrooms and sales representatives located throughout the United States.
    - Our corporate address is:
        - Exemplis LLC
          6415 Katella Avenue
          Cypress, CA
          90630
- Annual sales for the three previous fiscal years:
    - 2016:
        - $285 MM
    - 2017:
        - $311 MM
    - 2018:
        - $329 MM
- Submit FEIN and Dunn & Bradstreet Report:

www.exemplis.com

Exemplis

- Describe any green or environmental initiatives or policies:

  - As an industry innovator, Exemplis LLC's executive management team views sustainability as essential to its core business and values. We have engrained that philosophy from the top down organization-wide. Our lean manufacturing practice, along with 'Rapid Continuous Improvement' processes provides the foundation of our sustainability strategy by linking eliminating waste, conserving resources, responsibly designing product for durability and extended life and offering an 'End of life' take-back program.

  - All SitOnIt Seating and IDEON Soft Seating products have been tested and certified by the GREENGUARD Environmental Institute for meeting safe indoor air quality emissions recognized by the USGBC LEED rating system. Furthermore, all products have been certified to the even more stringent levels required by the GREENGUARD Children & Schools in accordance with the Collaborative for High Performance Schools (CHPS). We also demand all of our textile vendors to be GREENGUARD certified, to ensure that our products will have none or little VOCs.

  - Exemplis LLC's manufacturing facility, processes and practices are world class and by the nature of being a "Mass Assembler" we are inherently going to be greener than those manufacturers who do some of their own vertical component production (i.e. dipping frames into caustic chrome).

  - Exemplis LLC is committed to improving energy conversation and efficiency which includes reducing our overall energy consumption and greenhouse gas emissions. It is our policy to continuously improve upon and regularly monitor our energy performance; acting in accordance with all current and future local, state and national legislation required of our operations in this area.

  - The Exemplis LLC Supply Chain team has built-in goals and incentives to source components with higher recycled content and from regional partners. On average, SitOnIt Seating and IDEON Soft Seating products have anywhere from 10% - 20% recycled content in the finished product. With any component we buy, besides the percentage of recycled content, our greatest priority is the quality and craftsmanship of the component.

  - Reducing the environmental impact of our products begins with our new product development process. All new products or major design modifications on existing products go through our Design for Environment (DFE) process which seeks to incorporate energy and water efficiency, renewable, recycled, recyclable and biodegradable materials, and to account for end of life impacts. As part of this process, we also incorporate Design for Durability/Upgradeability (DFDU) into all

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

products. Our products are designed to have a long and useful life and are manufactured to withstand repeated service, repair and handling. To facilitate maintenance, servicing and reassembly, replaceable components are standard features of our products, making them easy to refurbish and upgrade for multiple uses by the original or future users. We are also one of a few manufacturers who stands behind their lifetime warranty and will, upon approval, pay for the labor on warranty replacements.

- In 2014, we achieved the ultimate recognition for our sustainability efforts by attaining ANSI-BIFMA e3 Furniture Sustainability Standard LEVEL 1 certification for our plant and all SitOnIt Seating and IDEON Soft Seating products. Please visit www.spot.ul.com for verification of Exemplis LLC's sustainable production processes and LEVEL 1 certifications.

- Within the past year, Exemplis LLC attained the highly coveted ANSI-BIFMA e3 Furniture Sustainability Standard LEVEL 2 certification.

- We are not only environmentally mindful of our production process and being as efficient with raw materials and waste, but that also trickles down to how we package and ship our product. We can ship a few different ways, blanket wrapped, KD (knocked down in a small box), partially assembled or fully assembled. We prefer blanket wrapping as the most environmentally and economically friendly option, but if that is not possible, the KD or partially assembled box is going to be significantly smaller than what most other manufacturers are able to achieve with their cartons.

- In terms of "End-of-life strategy" for products, Exemplis LLC has a few options for OMNIA Partners members. We have a Take-Back Program to minimize product waste and make being environmentally responsible easy for our customers. To honor this, we have partnered with the nonprofit environmental organization ANEW to offer a return program for surplus product, regardless of condition.

- If a customer chooses to embark on the recycling effort on their own, Exemplis LLC has chair disassembly instructions (PDF) for safer, environmentally conscious disposal. The End of Life Recovery Options matrix (PDF) provides a precise explanation of materials used in various products, examples of components, recycling notes and where to find a recycling outlet nearest your member so they can dispose of the chairs in an eco-friendly manner.

- Please find our Social Responsibility Report attached to this Document for additional information on our environmental and sustainability initiatives (Appendix 2 to Exhibit A).

Exemplis

- Describe any diversity programs or partners Company does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program:

    - Exemplis LLC is in process of improving our diversity team to help capture the diverse status of our supply chain partners and authorized dealers. Since our founding in 1996, we constantly strive to partner with diverse suppliers and dealers throughout the country. Our Supply Chain philosophy is to promote fairness and encourage diversity in the procurement process.

    - The Authorized Dealer List included in our response (see Exhibit B to Attachment 3) indicates what dealers are diverse (minority, women-owned, veteran owned, service-disabled veteran owned, etc.). This list will continue to be improved upon as our diversity team implements an electronic outreach to our authorized dealers in order to obtain their diversity status. Our 2020 goal is for our sales team to be in constant communication with our diversity team to obtain clarification on what dealer is/isn't diverse.

    - In addition, Exemplis LLC will actively evaluate new diverse dealers as we continue to develop our authorized dealer network.

    - Exemplis LLC's customer discounting will not change based upon a customer working with a diverse dealer.

- Describe any historically underutilized business certifications Company holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.:

    - Exemplis LLC is considered a Small Business under the United States Small Business Administration. We have approximately 700 employees.

        - There is no certification given to Small Businesses by the United States Small Business Administration.

        - Please find our status located here:

            - https://www.gsaelibrary.gsa.gov/ElibMain/contractorInfo.do?contractNumber=47QSMA18D08NQ&contractorName=EXEMPLIS+LLC&executeQuery=YES

Exemplis

- Describe how Company differentiates itself from its competitors:

  - With the fastest lead time in the industry – 2, 5, or 10 days – Exemplis LLC offers high-quality office furniture solutions that combine award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for build-to-order seating since 1996 and benching, tables, sit/stand solutions, and other ergonomic accessories since 2018.

  - Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder and ProductBuilder tools let the customers design their dream office furniture products with just a few clicks.

  - Discover seating engineered for the customer. Experience responsive design, supreme comfort and hyper-customizable features—all at value-driven prices.

  - Exemplis LLC's "Go-To-Market" distribution model is unique to the office furniture industry. We partner with the best dealers across the spectrum of contract manufacturers (Herman Miller, Haworth, Steelcase, Knoll, etc.). Most of our competitors have limited distribution (one to two dealers) in a any given market, whereas we partner with a multitude of the best dealers in that same market.

  - Because we are the largest seating manufacturer in the industry, we have solid relationships with all textile mills. Based on those relationships, we are able to offer 15,000+ graded-in textile options at a fraction of the price our competitors can offer to their customers.

  - Management of our COM process from specifying to ordering to execution is par excellence to any competitor in the industry.

  - Exemplis LLC designs, develops, and manufactures products with a customer's well-being, ergonomics, and comfort in mind. The inherent benefits of these ergonomic products being used effectively increases a customer's productivity and overall satisfaction.

  - Choose from 2, 5 or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

  - Exemplis LLC was voted Best Customer Service by the Office Furniture Dealer Alliance three times in the past five years. Our core belief from start to finish is that

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

our customer always comes first. Everything we design—whether it's lumbar support or customer support—is crafted with the customer in mind.

- Exemplis LLC operates as a company that puts its employees first. In 2017, we were named one of Orange County's Top Workplaces for the year. We owe our success to each and every one of our talented employees and their hard work.

- Describe any present or past litigation, bankruptcy or reorganization involving Company:
  - Exemplis LLC is involved in legal proceedings and litigation arising in the ordinary course of business. In the opinion of management, the outcome of such proceedings and litigation currently pending will not materially affect the company's consolidated operations, cash flows and financial condition.
  - Exemplis LLC has never filed for bankruptcy since its inception in 1996
  - Exemplis LLC has went through a couple reorganizations since its inception in 1996:
    - February 1996 - SITONIT was incorporated
    - November 2007 - SITONIT changed its name to Exemplis Corporation
    - March 2015 – Exemplis Corporation converted to Exemplis LLC

- Felony Conviction Notice:
  - Exemplis LLC is not owned or operated by anyone who has been convicted of a felony.

- Describe any debarment or suspension actions taken against Company:
  - Exemplis LLC has never been debarred or suspended by any customer or under any contract.

3.2 Distribution, Logistics

- Describe the full line of Products and Services offered by Company:
  - Exemplis LLC offers three broad and innovative product brands to our customers: SitOnIt Seating, IDEON Soft Seating and Symmetry Office.
    - Our SitOnIt Seating Product Brand offers task, executive, conference, guest, stack, nesting, and cafe/task stool seating.

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

- Our IDEON Soft Seating Product Brand offers lounge seating, modular seating, benches, ottomans and occasional/cube tables. Our extensive line of tables for hospitality and public spaces is listed within our IDEON Soft Seating Price Guide.

- Our Symmetry Office Product Brand offers benching, tables, storage units, sit/stand solutions and office furniture ergonomic accessories.

- Exemplis LLC offers the following services to our customers at no additional cost:

  - Space planning/Spec writing/Budget estimation tools & services

  - Provide sample mock-ups for customer evaluations

  - ChairBuilder:

    - Our on-line quote generator designed to specify SitOnIt Seating & IDEON Soft Seating products on the go or on the spot. Customer can product a list price, complete with the part number, with several easy clicks

  - ProductBuilder:

    - Our on-line quote generator designed to specify Symmetry Office products on the go or on the spot. Customer can product a list price, complete with the part number, with several easy clicks

  - Our award-winning Customer Experience Team empowered to swiftly resolve issues and provide our customers with a positive experience.

- Describe how your company proposes to distribute the products/services nationwide. Include any states where Products and Services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas:

  - Exemplis LLC plans to use our authorized dealer network to sell and distribute our products to our customers. We have over 2,000 dealer partners around the country; strong representation in every major, secondary and tertiary market in the United States and Canada. We will leverage our distribution network by supplying our sales force with the upfront contract training, co-branded marketing material and other tools to assist in pre/post sales cycle. That is our macro-strategy, but we would also target our top 5 dealers in every market for a deeper, targeted selling & distribution approach, which could be done in conjunction with the OMNIA Partners regional business development managers.

Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

- Exemplis LLC has prioritized 5 key dealers per market in the United States. We have 29 markets in the United States. Our Sales Directors will work with the Sales Representatives with these 5 key dealers identified per market to distribute our products to OMNIA Partners members nationwide. These 5 dealers per market are also typically our largest dealers in each market and are dealers that also strategically work with us to build our mutual sales. These 5 key dealers are also typically some of the largest commercial furniture dealers in the market and in many cases will likely have sales history with many of the OMNIA Partners members.

- Exemplis LLC will provide product samples, literature, training and any other collateral needed for these dealers. In addition, our representatives will share OMNIA Partners member lists, make joint calls, as well as bring in OMNIA Partners representatives into these dealerships for additional training. After these 5 dealers per market have been trained and vetted, sales representatives will reach out to other dealers, expanding our reach and digging deeper into the OMNIA Partners member lists for exposure.

- Exemplis LLC shall offer our products across the nation, including U.S. Territories and Outlying Areas.

- Describe how Participating Agencies are ensure they will receive the Master Agreement pricing; including all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

  - Exemplis LLC's sales force and authorized dealer network will be informed of the contract details immediately upon a potential Contract Award. We will hold webinars, release e-mail blasts, and distribute key contract information sell sheets to our nationwide sales team within the first 90 days of Contract Award. This will ensure Participating Agencies will receive accurate contract pricing utilizing the approved price books.

  - Our distribution partners use sophisticated specification software tools like Giza, CAP, 20/20 and our Chairbuilder/Productbuilder tool to generate bill of materials, spec sheets and quotes/proposals. The Chairbuiler/ProductBuilder tool can found on our customer-facing web-sites (www.sitonit.net ; www.ideondesign.com ; www.symmetryoffice.com). These quotes will usually have a product description, full model number, list price, contract discount and net price. The model numbers and pricing can be independently verified by using the commercial price guide and applying contract discount or by using our Chairbuilder/Productbuilder tool and then apply the contract discount.

www.exemplis.com

Exemplis

- All Participating Agency purchase orders shall be issued to our authorized dealer network. The authorized dealer would then issue a purchase order to Exemplis LLC. The purchase order must identify a unique "Terms Variance Number" directly associated with this Contract and discounting structure. This will ensure the correct discounting and price book have been applied to qualified purchase orders.

- The Participating Agency shall be able to verify and audit pricing by visiting Exemplis LLC's web-landing pages on our public-facing websites. These web-landing pages will include:

    - Approved price books
    - Contract discounting
    - Contract number
    - Contract term
    - Approved products
    - Other related contract information

- Identify all other companies that will be involved in processing, handling or shipping the Products/Services to the end user:

    - Exemplis LLC utilizes partner carriers to transport its products to our customers. The assignment of a carrier to a specific order is based on order characteristics including customer location, order size and weight, delivery / transit requirements, and any special delivery service requirements. The partner carriers consist of:

        - Concord
        - Pacific Logistics
        - UPS Freight
        - CAN Trans
        - Transportation of America
        - A Duie Pyle
        - Averitt Express
        - LME
        - Mark IV
        - Mountain Valley
        - Pitt Ohio
        - Ward Trucking
        - FedEx Express
        - FedEx Ground
        - Cargo Solutions
        - Cargo Transporters
        - CPL Express
        - EverFresh

- Provide the number, size, and location of your company's distribution facilities, warehouses and retail network as applicable:

  - Exemplis LLC currently occupies two distribution/warehouse facilities in Southern California, two distribution/warehouse facilities in Florida, and one distribution/warehouse facility in Mexico:

    - Buena Park, California – 224,000 Square Feet
    - La Mirada, California – 64,000 Square Feet
    - Tampa, Florida (Solar Drive) – 29,000 Square Feet
    - Tampa, Florida (Depot Lane) – 15,000 Square Feet
    - Tijuana, Mexico – 200,000 Square Feet

  - We offer delivery coverage to all points within the Continental United States and Canada utilizing its bench of carriers. Shipping requests to Alaska, Hawaii, and other U.S. Territories and Outlying Areas can be accommodated, but may result in additional fees to the customer.

3.3 Marketing and Sales

- Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as your company's primary go to market strategy for Public Agencies to your teams nationwide:

  - In the first 10 days, Exemplis LLC will make an announcement with executive quotes to:

    - Our own sales force
    - Our authorized dealer network
    - Our dealer sales representative network
    - Our architectural and design network
    - OMNIA Partners Members (by e-mail with prior approval from OMNIA Partners)

Exemplis

- Exemplis LLC, with input from our executive team and OMNIA Partners, will host a webinar in the first 90 days for our sales team. This webinar will cover the following topics:
    - Announcement of new Contract
    - Review terms of new Contract
    - Discussion of collateral material, including brainstorming design and publication efforts in future trade publications
    - Review sales strategies to drive volume through new Contract

- Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Company, as well as to prospective Public Agencies nationwide immediately upon award:
    - Press Release:
        - Exemplis LLC with partner with OMNIA Partners to develop and distribute a co-branded press release to trade publications within the first 30 days
    - Exemplis LLC web-landing pages:
        - Exemplis LLC shall publish all contract-related information (discounting, contract number, contract term, approved products, approved price lists, contact information, etc.) on our dedicated web-landing pages within the first 90 days
    - Marketing Materials:
        - Exemplis LLC's Marketing Team will work closely with OMNIA Partners to develop co-branded marketing materials within the first 90 days
        - Exemplis LLC shall continue to update and release marketing materials to promote this Agreement throughout its term. This will include:
            - Case studies
            - Collateral pieces
            - Presentations
            - Promotions
            - Education seminars for our Sales Team

Exemplis

- NIGP participation:
  - Exemplis LLC shall participate with OMNIA Partners at the NIGP Annual Form and other related regional events, chapter meetings, and trade shows. Exemplis LLC shall provide marketing and promotional guidance during the term of the Master Agreement
- Exemplis LLC shall continue to design and publish advertisements in trade publications for years to come (including the entire term of the Agreement)
- Ongoing Marketing and Promotion of Master Agreement:
  - Exemplis LLC shall continue to update and release marketing materials to promote this Agreement throughout its term. This will include:
    - Case studies
    - Collateral pieces
    - Presentations
    - Promotions
    - Education seminars for our Sales Team
- Dedicated homepage:
  - Exemplis LLC shall host dedicated OMNIA Partners landing sites within 30 days under our contracts section of our websites
  - These landing pages will include:
    - OMNIA Partners standard logo
    - Copy of the original RFP
    - Copy of the Master Agreement
    - Summary of products and pricing
    - Marketing collateral
    - Customer Contract Summary Sheets
    - Applicable Price Books
    - Link to OMNIA Partner's online registration webpage
    - Dedicated email address and toll-free number to our corporate office

Exemplis

- Describe how Company will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Company holds and describe how the Master Agreement will be positioned among the other cooperative agreements:

    - Exemplis LLC will aggressively market the OMNIA Partners Agreement to our dealer community and OMNIA Partners Members and prospective current non-members. Our dealer community currently calls on and sells customers who are either members of OMNIA Partners or prospective members. Knowledge of the Agreement will present customer opportunities for OMNIA Partners from members of many other purchasing cooperatives. Our dealers are typically familiar with various purchasing cooperatives due to their aligned manufacturer relationships. We will position OMNIA Partners as our lead co-op and encourage member sign up for any opportunity that may be valid through the OMNIA Partners Agreement.

    - Exemplis LLC currently holds three cooperative agreements:

        - OMNIA Partners, Public Sector (Lead Agency Norfolk Public Schools)
        - OMNIA Partners, Public Sector (Lead Agency Region 4 ESC)
        - BuyBoard

    - The Omnia Partners Agreement would be our key strategic purchasing cooperative agreement. Our other two OMNIA Partners Agreements are sunsetting in early 2020. As a result, this new Agreement would be our lead/primary cooperative contract to promote nationally.

        - Exemplis LLC considers BuyBoard a regional contract (State of Texas) and is not promoted nationally.

- Acknowledge Company agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well:

    - High resolution logos shall be provided to OMNIA Partners by Exemplis LLC.

    - Exemplis LLC agrees to require prior permission from OMNIA Partners before the OMNIA Partners logo is used in any marketing and promotional materials.

- Confirm Company will be proactive in direct sales of Company's Products and Services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo:

Exemplis

- OMNIA Partners member outreach:
    - Our dealers and Sales Team will strategize and target current and new OMNIA Partners members to promote the Agreement by:
        - Reviewing the key terms of the Agreement
        - Discussing the benefits of cooperative purchasing
        - Providing samples, product literature, and pricing
- Exemplis LLC's Sales Team shall follow up on all leads provided by OMNIA partners within 24 hours of receiving the request.
- Exemplis LLC's Sales and Marketing Teams will include the following information on initial communications to an OMNIA Partners Member:
    - The Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency (Region 4 Education Service Center)
    - Best government pricing
    - No cost to participate
    - Non-exclusive contract
- Exemplis LLC will do an OMNIA Partner member outreach campaign by e-mail to raise awareness of our new Agreement.
- Exemplis LLC will concurrently run a launch promotion to drive buzz, attention, and quick adoption by our distribution partners.

- Confirm Company will train its national sales force on the Master Agreement:
    - Exemplis LLC confirms that we will promptly train our Sales Team on the following details:
        - Key features of Agreement
        - Working knowledge of the solicitation process
        - Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
        - Knowledge of benefits of the use of cooperative contracts.

- Provide the name, title, email and phone number for the person(s), who will be responsible for:
    - Executive Support

- Describe in detail how Company's national sales force is structured, including contact information for the highest-level executive in charge of the sales team:

    - Exemplis LLC's national sales force is structured starting with a strong, tenured management team consisting of a Vice President of Sales, a Vice President of Contract Sales, five Regional Directors, a Director of Government Sales, and a Director of Healthcare Sales. At the territory level, we have over 200 direct and independent reps who work directly with our channel distribution.

    - The highest-level executive in charge of the Sales Team is Tim Kiger; Vice President of Sales. His contact information is:

        - Phone: 714-995-4800
        - Email: tkiger@exemplis.com

- Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program:

    - The Sales Team will make introductory phone calls to OMNIA Partners sales people within first 30 days

    - The Sales Team will attempt to meet live with all OMNIA Partners sales people during first 90 days or as soon as logistically possible for both parties

    - The Sales Team and OMNIA Partners sales people will make joint sales calls in largest member end users during first six months

    - The Sales Team and OMNIA Partners sales people will make joint sales calls on our largest dealers, to educate and promote this new Agreement

    - Our regional field Sales Team will make targeted sales calls on OMNIA Partners members to promote the Agreement.

    - Collectively strategize with OMNIA Partners sales people to develop seasonal promotions to capture peak buying seasons.

    - The Sales Team will target the top 100 Omnia Partners members across the nation by providing additional focused marketing and sales efforts for those top accounts.

    - Contract promotion at the office furniture industry's largest events (NeoCon), NIGP, CAPPO and State/Local Office Furniture trade shows.

Exemplis

- Explain in detail how Company will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.:

    - First and foremost, Exemplis LLC's entire Executive Team have seen and embraced full potential of the OMNIA Partners relationship and how leveraging this partnership can magnify sales. Having full executive support is critical in building out a successful national program.

    - Exemplis LLC shall hold quarterly reviews with OMNIA Partners sales people to review sales metrics, marketing material refreshes, and brainstorm potential sales promotions and opportunities.

    - At the beginning of each calendar year, Exemplis LLC will set annual goals per market, insuring continued awareness and growth under this Agreement.

- State the amount of Company's Public Agency sales for the previous fiscal year. Provide a list of Company's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each:

- Credit card (3% Processing Fee)
- ACH
- Wire Transfer
- EFT

- Provide the Contract Sales (as defined in Section 10 of the OMNIA Partners, Public Sector Administration Agreement) that Company will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales"):
    - Exemplis LLC has decided to not provide a specific Guaranteed Contract Sales amount for the initial three years of this Agreement.
        - $0.00 in year one
        - $0.00 in year two
        - $0.00 in year three
- Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement:
    - Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners):
        - Exemplis LLC in conjunction with our aligned dealers intends to respond to most end user solicitations with the negotiated "tiered" agreement pricing. We believe the negotiated discounting tiers are very favorable to end users.
    - If competitive conditions require pricing lower than the Agreement pricing, Company may respond with lower pricing through the Master Agreement. If Company is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement:
        - When competitive conditions require lower pricing than the Agreement pricing, Exemplis LLC will first understand the project scope, scale and competitive landscape and then strategically decide whether it is appropriate to extend deeper than the Agreement pricing.
    - Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners):

Exemplis

- Exemplis LLC and our dealer network will qualify pre-sales/solicitation whether the OMNIA Partners member is open to using the Agreement, if so, we intend to use the negotiated discount. If not, we will use commercial project pricing to respond.

- If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as an alternative or additional proposal.

    - In this scenario, Exemplis LLC and aligned dealer would only respond with Agreement pricing.

Predictive Scores

D&B VIABILITY RATING SUMMARY

The D&B Viability Rating uses D&B's proprietary analytics to compare the most predictive business risk indicators and deliver a highly reliable assessment of the probability that a company will go out of business, become dormant/inactive, or file for bankruptcy/insolvency within the next 12 months. The D&B Viability Rating is made up of 4 components:

Viability Score

Compared to All US Businesses within the D&B Database:

- Level of Risk: **Low Risk**
- Businesses ranked **4** have a probability of becoming no longer viable: **5 %**
- Percentage of businesses ranked **4: 14 %**
- Across all US businesses, the average probability of becoming no longer viable: **14 %**

Portfolio Comparison

Compared to All US Businesses within the same MODEL SEGMENT:

- Model Segment : **Established Trade Payments**
- Level of Risk: **Moderate Risk**
- Businesses ranked **5** within this model segment have a probability of becoming no longer viable: **5 %**
- Percentage of businesses ranked **5** with this model segment: **11 %**
- Within this model segment, the average probability of becoming no longer viable: **5 %**

Data Depth Indicator

Data Depth Indicator:

CREDIT CAPACITY SUMMARY

This credit rating was assigned because of D&B's assessment of the company's creditworthiness. For more information, see the

D&B Rating Key

D&B Rating: 1R3

Number of employees: 1R indicates 10 or more employees

Composite credit appraisal: 3 is fair

The 1R and 2R ratings categories reflect company size based on the total number of employees for the business. They are assigned to business files that do not contain a current financial statement. In 1R and 2R Ratings, the 2, 3, or 4 creditworthiness indicator is based on analysis by D&B of public filings, trade payments, business age and other important factors. 2 is the highest Composite Credit Appraisal a company not supplying D&B with current financial information can receive.

Number of Employees Total: 800 (40 here)

Payment Activity	(based on 53 experiences)
Average High Credit:	$13,797
Highest Credit:	$200,000
Total Highest Credit:	$499,550

D&B CREDIT LIMIT RECOMMENDATION

Conservative credit Limit: 500,000

Aggressive credit Limit: 1,000,000

Risk category for this business: MODERATE

Risk category for this business: : MODERATE

The Credit Limit Recommendation (CLR) is intended to serve as a directional benchmark for all businesses within the same line of business or industry, and is not calculated based on any individual business. Thus, the CLR is intended to help guide the credit limit decision, and must be balanced in combination with other elements which reflect the individual company's size, financial strength, payment history, and credit worthiness, all of which can be derived from D&B reports.

Risk is assessed using D&Bs scoring methodology and is one factor used to create the recommended limits. See Help for details.

FINANCIAL STRESS CLASS SUMMARY

The Financial Stress Score predicts the likelihood of a firm ceasing business without paying all creditors in full, or reorganization or obtaining relief from creditors under state/federal law over the next 12 months. Scores were calculated using a statistically valid model derived from D&B's extensive data files.

The Financial Stress Class of 4 for this company shows that firms with this class had a failure rate of 0.84% (84 per 10,000), which is 1.75 times higher than the average of businesses in D & B's database.

Financial Stress Class :

Financial Stress Class : 4

Low Risk:1 : High Risk:5

Moderately higher than average risk of severe financial stress, such as a bankruptcy or going out of business with unpaid debt, over the next 12 months.

Probability of Failure:

- Risk of Severe Financial Stress for Businesses with this Class: **0.84%** (84 per 10,000)
- Financial Stress National Percentile : **28** (Highest Risk: 1; Lowest Risk: 100)
- Financial Stress Score : **1434** (Highest Risk: 1,001; Lowest Risk: 1,875)
- Average Risk of Severe Financial Stress for Businesses in D&B database: **0.48%** (48 per 10,000)

The Financial Stress Class of this business is based on the following factors:

- Composite credit appraisal is rated fair.
- Low proportion of satisfactory payment experiences to total payment experiences.
- UCC Filings reported.
- High number of inquiries to D & B over last 12 months.
- High proportion of slow payment experiences to total number of payment experiences.

Financial Stress Percentile Trend:

Notes:

- The Financial Stress Class indicates that this firm shares some of the same business and financial characteristics of other companies with this classification. It does not mean the firm will necessarily experience financial stress.
- The Probability of Failure shows the percentage of firms in a given Class that discontinued operations over the past year with loss to creditors. The Probability of Failure - National Average represents the national failure rate and is provided for comparative purposes.
- The Financial Stress National Percentile reflects the relative ranking of a company among all scorable companies in D&B's file.
- The Financial Stress Score offers a more precise measure of the level of risk than the Class and Percentile. It is especially helpful to customers using a scorecard approach to determining overall business performance.

Norms	National %
This Business	28
Region: PACIFIC	52
Industry: MANUFACTURING	52
Employee range: 500+	61
Years in Business: 11-25	68

This Business has a Financial Stress Percentile that shows:

- Higher risk than other companies in the same region.
- Higher risk than other companies in the same industry.
- Higher risk than other companies in the same employee size range.
- Higher risk than other companies with a comparable number of years in business.

CREDIT SCORE SUMMARY

The Commercial Credit Score (CCS) predicts the likelihood of a business paying its bills in a severely delinquent manner (91 days or more past terms).

The Credit Score class of 4 for this company shows that 9.4% of firms with this class paid one or more bills severely delinquent, which is lower than the average of businesses in D & B's database.

Credit Score Class :

Credit Score Class : 4

Low Risk:1 ; High Risk:5

Moderate to high risk of severe payment delinquency over next 12 months.

Incidence of Delinquent Payment

- Among Companies with this Classification: **9.40%**
- Average compared to businesses in D&B's database: **10.20%**
- Credit Score Percentile : **28** (Highest Risk: 1; Lowest Risk: 100)
- Credit Score : **478** (Highest Risk: 101; Lowest Risk: 670)

The Credit Score Class of this business is based on the following factors:

- Proportion of slow payments in recent months
- Proportion of past due balances to total amount owing
- Increase in proportion of delinquent payments in recent payment experiences
- Higher risk industry based on delinquency rates for this industry

Credit Score Class Percentile Trend:

Notes:

- The Commercial Credit Score Risk Class indicates that this firm shares some of the same business and financial characteristics of other companies with this classification. It does not mean the firm will necessarily experience severe delinquency.
- The Incidence of Delinquent Payment is the percentage of companies with this classification that were reported 91 days past due or more by creditors. The calculation of this value is based on D&B's trade payment database.
- The Commercial Credit Score percentile reflects the relative ranking of a firm among all scorable companies in D&B's file.
- The Commercial Credit Score offers a more precise measure of the level of risk than the Risk Class and Percentile. It is especially helpful to customers using a scorecard approach to determining overall business performance.

Norms	National %
This Business	28
Region: PACIFIC	50
Industry: MANUFACTURING	62
Employee range: 500-38527	84
Years in Business: 11-25	66

This business has a Credit Score Percentile that shows:

- Higher risk than other companies in the same region.
- Higher risk than other companies in the same industry.
- Higher risk than other companies in the same employee size range.
- Higher risk than other companies with a comparable number of years in business.

This information may not be reproduced in whole or in part by any means of reproduction.

Trade Payments

D&B PAYDEX®

The D&B PAYDEX is a unique, weighted indicator of payment performance based on payment experiences as reported to D&B by trade references. Learn more about the D&B PAYDEX

Timeliness of historical payments for this company.

Current PAYDEX	Payments Within Terms	Average High Credit
77	**77%**	**$13,797**
Equal to 5 days beyond terms (Pays more promptly than the average for its industry of 9 days beyond terms)		
Industry Median 74	**Total payment Experiences in D&Bs File (HQ)** 53	**Largest High Credit** $200,000
Equal to 9 days beyond terms	Trade Experiences with Slow or Negative Payments(%) 22.64%	Highest Now Owing $200,000
Payment Trend Unchanged	Total Placed For Collection 0	Highest Past Due $5,000
Compared to payments three months ago		

Indications of slowness can be the result of dispute over merchandise, skipped invoices etc. Accounts are sometimes placed for collection even though the existence or amount of the debt is disputed.

Payments Detail Key: ■ 30 or more days beyond terms

Payment experiences reflect how bills are paid in relation to the terms granted. In some instances payment beyond terms can be the result of disputes over merchandise, skipped invoices, etc. Each experience shown is from a separate supplier. Updated trade experiences replace those previously reported

2018 Social Responsibility Report

SitOnIt • Seating® | IDEON®

Who we are

With the fastest lead time in the industry, SitOnIt Seating® and IDEON offer high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for built-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks. With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

Discover premium seating solutions—at a fraction of the price.

Our build-to-order promise

Custom-designed chairs, no waiting. Our lean manufacturing operation means we can ship build-to-order chairs in just two days. That means we can build the chair you want—and deliver it when you want it—at a price no one else can match.

Fastest shipping in the industry

Choose from 2, 5 or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

Letter from our Founder & CEO

At SitOnIt Seating® and IDEON®, we understand how important it is to get what you want – to have an idea and see it created.

We built a company to help you do just that.

SitOnIt Seating® is the leader in custom, affordable build-to-order seating. We offer dozens of models, hundreds of options and thousands of textiles so you can get exactly what you want. Our chairs are made with world-class style for maximum comfort by renowned designers and engineers (at a price that is much lower than you would expect).

We also know that when you decide what you want, you want it fast. Our innovative build-to-order system means your custom creation ships in 2, 5 or 10 days – a promise unmatched in the industry. Because our products meet the highest industry standards, we stand behind them with a lifetime warranty. That's part of our outstanding customer service experience before, during and after each sale.

We're a California company and have proudly manufactured our products here since 1994. Our state faces monumental environmental challenges, as do other parts of North America: air pollution, drought and declining space in landfills are part of our ongoing challenges.

We have committed ourselves to being part of the solution, not part of the problem.

Our GREENGUARD Gold certified products protect indoor air from harmful emissions. We use less water to make a chair than we did five years ago. Material waste including fabric scraps and other components are collected, sorted and given to local recyclers to use in post-consumer products. We've implemented a complete design for environment program (DFE) addressing renewable and recyclable materials, end-of-life management, water management and energy efficiency. We have achieved ANSI/BIFMA level® certification, the ultimate recognition of our sustainability efforts.

We'll continue to build what you want, when you want it. Just for you. And we'll continue to build a cleaner California, and a better, more sustainable world.

Paul DeVries

Founder & CEO

About our report

Thank you for taking the time to look through our second Social Responsibility Report.

SitOnIt Seating® and IDEON® are proud to announce our Sustainability Initiative and plans to continue achievement of the Business and Institution Furniture Manufacturing Association's (BIFMA) level® certification in several areas covering Materials, Energy & Atmosphere, Human & Ecosystem Health, and Social Responsibility. We will be assessing our products' conformance to the ANSI/BIFMA e3-2014 Standard.

We first received our (BIFMA) level® certification in 2013. This report is an opportunity for us to continue communicating to our stakeholders our efforts as we move towards becoming a more sustainable business while growing our operations, and continuously improve our sustainability performance.

We have identified our stakeholders to be our owners, employees, dealers, end-customers, suppliers, community, trade organizations, governmental and regulatory agencies, certifying bodies and consultants. The list was developed upon considering all groups who have influence over Company decisions and those who are impacted by Company decisions.

Years to come, we aim to provide our stakeholders with data and performance indicators that can be monitored over time and that are material to our operations.

This report contains Standard Disclosures and Performance Indicators from the GRI G4 Sustainability Reporting Guidelines. More information about the Global Reporting Initiative (GRI) can be found at globalreporting.org. To learn more about BIFMA level® certification, visit levelcertified.org.

We hope that you find our disclosures informative. We welcome any comments, feedback, or suggestions for improvement that you may have. You can do so by e-mailing us at sitonit@exemplis.com.

Thanks again, we appreciate your interest.

Environmental accountability

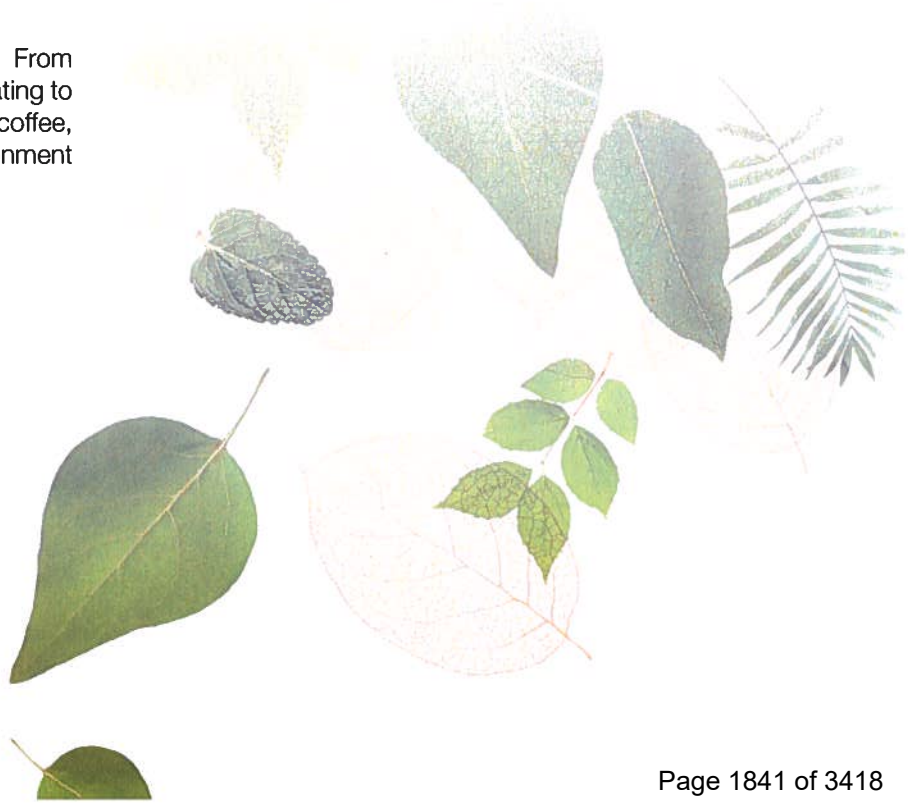
SitOnIt Seating® and IDEON® are dedicated to sustainability from the fabrics we select, the way we manufacture and how we run our corporate offices. Our efforts have been recognized by Managing Automation, which listed us as one of its "Progressive 50." We work hard to minimize the impact of our manufacturing and support a healthy workplace – for our employees and our planet. Our lean manufacturing practice provides the foundation of our sustainability strategy by linking elimination of waste, conservation of resources and responsibly-designed products for durability and extended life.

MATERIALS

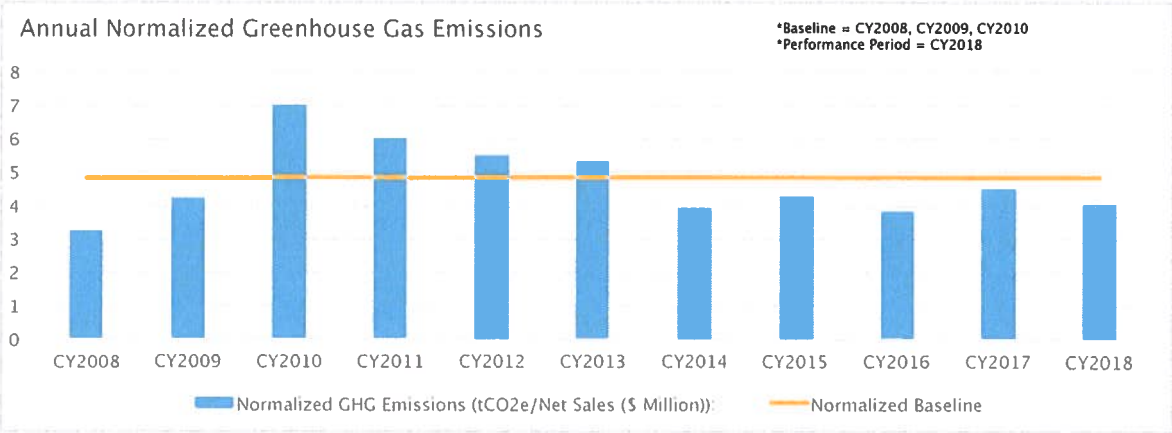
From the very beginning, our design and material selection process supports sustainability. Our fabric selection includes a variety of choices made of 100% recycled material. We manufacture with 10-20% recycled material. Our products contribute to achieving the LEED-CI Recycled Content Materials and Resources Credit.

MANUFACTURING

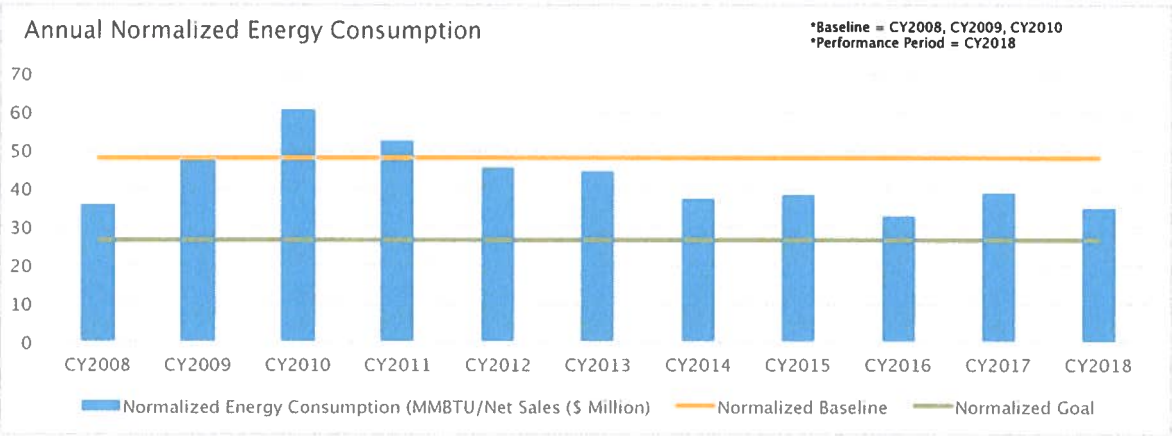
During assembly, our team uses environmentally-friendly water-based adhesives. Our precision design and state-of-the-art cutting machines minimize waste during production. And each month, we collect material waste like leather and fabric scraps, plastic drums, cardboard and metal and recycle them at local recycling centers.



SitOnIt Seating® and IDEON® seating products have been tested and verified by Underwriter Laboratories, Inc. (UL) and meet the GREENGUARD standards for indoor air-quality emissions.



CORPORATE



We run our business with sustainability in mind. From recycling office equipment and donating reusable seating to local schools to employees using their own mugs for coffee, many company-wide efforts are made with the environment in mind.

ENERGY & GREENHOUSE GAS EMISSIONS

We are committed to improving energy conservation and efficiency, which includes reducing our overall energy consumption and greenhouse gas emissions. It is our policy to continuously improve upon and regularly monitor our energy performance and to act in accordance with – if not exceed – all current and future local, state and national legislation required of our operations in this area. We will set objectives and targets directly related to energy conservation which will be reviewed at least annually. To hold ourselves accountable to these internal goals, we will be transparent with our performance metrics, reporting our performance to our stakeholders through publicly available, voluntary reporting outlets.

DRIVE FOR EFFICIENCY

SitOnIt Seating® and IDEON® have set a 40% reduction goal for normalized energy consumption at our facilities. We are hopeful we will reach this target by the year 2025. In order to achieve this, we have begun, and will continue, to implement energy savings projects to reduce our energy consumption. See the metrics we use to track both our energy consumption and greenhouse gas emissions (GHGs).

In addition, SitOnIt Seating® and IDEON® have committed to purchasing Renewable Energy Certificates (RECs) to offset a portion of the energy consumed from our manufacturing operations on an annual basis. For 2018, 669 MWh of Green-e certified RECs were purchased to account for a little over 20% of our electricity consumption. To learn more about RECs, please visit epa.gov/greenpower/gpmarket/rec.htm.

The normalized reductions we achieved from our 2008-2010 established baseline for energy consumption and greenhouse gas emissions for the 2018 reporting year were 27.8% and 16.8%, respectively.

TRANSPORTATION

SitOnIt Seating® and IDEON® are committed to reducing transportation related emissions through idling reductions, carrier selection and reductions in unnecessary intercompany movement. Attention is given to environmental criteria when selecting third-party carriers for inbound and outbound products and materials.

SOLID WASTE MANAGEMENT

SitOnIt Seating® and IDEON® have implemented a Zero Waste-to-Landfill goal. We will continuously work to achieve this goal by employing waste reduction and recycling strategies that will, over time, divert all manufacturing waste from our operations from being sent to a landfill.

We are in the early stages of identifying our waste streams and their current method of disposal. We know we have a long way to go and some potentially tough work ahead of us. Therefore, we are giving ourselves an appropriate deadline of 2025 to divert all our waste streams from the landfill.

ENVIRONMENTAL MANAGEMENT

SitOnIt Seating® and IDEON® are committed to environmental leadership and continue to utilize our lean manufacturing initiatives and principles to lower costs, use less materials and reduce our energy use.

Product responsibility

Our dedication to green processes begins with smart manufacturing and continues through every stage of our product's lifecycle. During manufacturing, we maximize material usage and minimize or recycle waste. Our products are GREENGUARD or GREENGUARD Gold certified, protecting your office environment from harmful emissions.

But our commitment to green production doesn't end there...

DESIGN FOR ENVIRONMENT

Reducing the environmental impacts of our products begins with our new product development process. All new products or major design modifications on existing products go through our Design for Environment process, which seeks to incorporate energy and water efficiency, renewable, recycled, recyclable and biodegradable materials and to account for end-of-life impacts.

DESIGN FOR DURABILITY / UPGRADEABILITY

SitOnIt Seating® and IDEON® products are engineered to achieve the highest levels of durability and upgradeability. Our products are designed to have a long and useful life and are manufactured to withstand repeated service, repair and handling. To facilitate maintenance, servicing and reassembly, replaceable components are standard features of our products, making them easy to refurbish and upgrade for multiple uses by the original or future users.

CHEMICAL MANAGEMENT

We are committed to reducing the human and ecosystem health impacts of our products and processes through regularly evaluating our chemical management and hazard communication plans. We will continuously evaluate and monitor the chemicals used in our facility and maintain current Safety Data Sheets through an electronic filing system. Using this process we will build a chemical inventory system to identify and track all existing chemicals within and leaving our facility, as well as all future purchased chemicals that are not currently in our system.

PRODUCT TAKE-BACK PROGRAM

SitOnIt Seating® and IDEON® offer the Take-Back Program to minimize product waste and make environmental responsibility easy for our customers. To honor this, we have partnered with the nonprofit environmental organization ANEW to offer a return program for surplus product – regardless of condition.

Where possible, ANEW matches the used products and materials otherwise destined for landfills with local non-profits and public agencies. The remainder is recycled or considered for energy-from-waste to avoid deposit in a landfill. Visit www.anewfound.org to find out more.

We are committed to making this relationship a part of our sales strategy and are proud to recommend ANEW to customers who wish to recycle their furniture for the good of the community and the environment.

ANEW

Corporate social responsibility

We have nine core values that we live by daily. These values are:

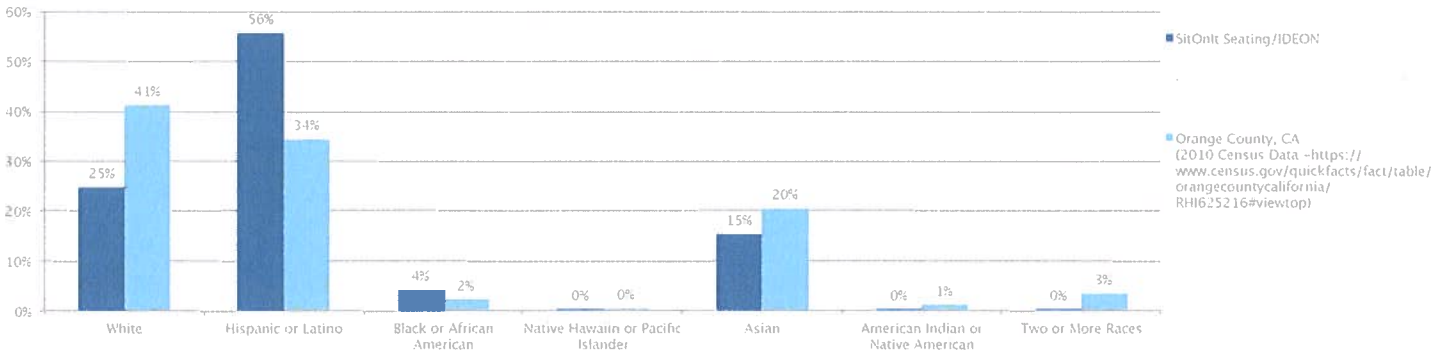
- **Honesty**
- **Accountability**
- **Results-Oriented**
- **Judgment**
- **Creative Problem Solving**
- **Flexibility and Adaptability**
- **Communication**
- **Selflessness**
- **Professional & Positive Attitude**

Our additional three leadership values are:

- **Builds & Manages Effective Teams**
- **Strategic Thinking and Development**
- **Plans & Aligns Work**

We believe in being a good corporate citizen by constantly looking for ways to reaffirm the beneficial social impact of our operations locally and globally. We are committed to maintaining high principles of social responsibility. We strive to be fair and transparent to our customers, employees and our manufacturing partners – and to benefit the communities in which we operate. We hold our suppliers to these standards, too.

ETHICS



We understand the importance of credibility and trustworthiness to our success as a business. All officers and employees are expected to conduct their business affairs in accordance with all applicable laws of the United States and to observe the highest standards of business ethics, acting with integrity while considering the impact of their decisions on our stakeholders.

COMMUNITY INVOLVEMENT

Our goal is to continuously improve environmental performance. We also seek out activities that contribute to the community in which we operate. Activities may include volunteerism, donations, sponsorship opportunities and other community-based programs. We make every effort to involve our employees in these decisions and encourage their participation. Some of our efforts include:

- **Sponsoring an annual event benefiting The Common Thread for the Cure, a non-profit organization uniting the furniture industry in the battle against breast cancer**
- **Wishlist donations to the Society for the Prevention of Cruelty to Animals (SPCA)**
- **Hand-written notes to our troops and first responders through Operation Gratitude**
- **Over 5,600 pounds of food donated to Second Harvest Food Bank**
- **Toys for needy families and children in the Toys for Tots drive**
- **Taking part in Catering for a Cause with Bracken's Kitchen to end hunger in Orange County**

Population Comparison - 2018

LABOR AND HUMAN RIGHTS

It is our policy to protect and respect the basic human rights of our employees and associates. We are committed to providing decent work hours, wages and conditions, as well as upholding all local, national and global regulations prohibiting forced, compulsory and child labor.

To meet this end on a global scale, we have developed and distributed our Workplace Code of Conduct as a means for our supply partners to assess their own operations for social responsibility criteria – 80% of our partners have signed this Code of Conduct. At Exemplis, we believe that there needs to be a balance between business and society, a balance between maintaining a healthy business and proper respect and concern for people and the environment.

Understanding that our work with suppliers is consistently evolving, our Code of Conduct makes clear the expectations we have of our suppliers and lays out the minimum standards we expect each supplier to meet. Where issues of noncompliance are identified, suppliers shall work to address such issues under a spirit of continuous improvement. Where differences or conflicts in standards arise, the highest standard shall apply. Wherever the law is higher than this Code, the law will prevail.

It is our intent to use these standards as an essential factor in how we approach our sourcing strategies, how we assess supplier performance, and how we decide with which suppliers Exemplis will continue to engage and grow our business with. As we evolve our business model in sourcing and manufacturing, we expect to work with suppliers who understand that meeting these minimum standards is a critical starting point from which manufacturing leadership, continuous improvement and self-governance must evolve.

Our Code of Conduct binds our suppliers to specific minimum standards that we believe are essential to meeting these goals, including Business Integrity, Voluntary Work, Prohibiting Child Labor, Non-Discrimnation or Harassment, Freedom of Association, Working Hours, Subcontracting, Occupational Health and Safety, Minimizing Environmental Impact, Recordkeeping and Transparency, Monitoring and Corrective Action.

INCLUSIVENESS

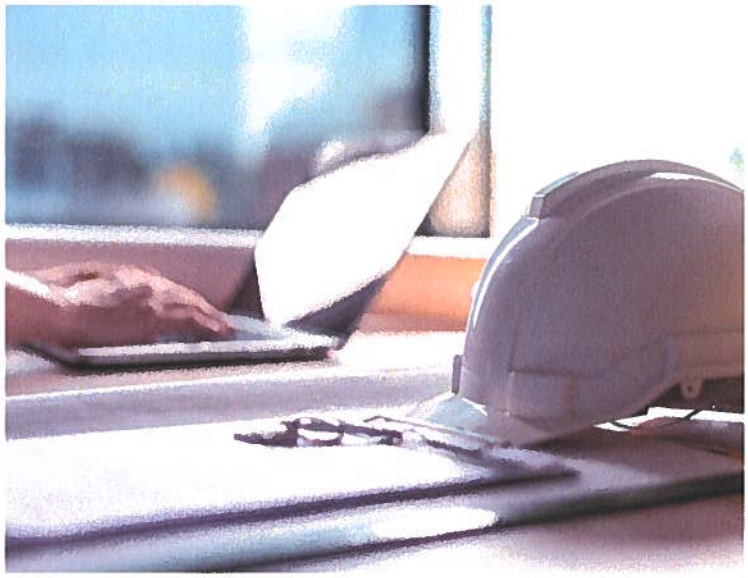
We do not discriminate on the basis of race, ancestry, place of origin, color, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status or disability. We are committed to treating all of our employees and associates with dignity and respect, promoting collaboration, teamwork and the active involvement of all employees. We encourage our employees to show trust and respect to all people regardless of their background, race, religion or sexual orientation and have an affirmative action plan that is updated annually with hiring and promotion goals for inclusion.

We encourage our employees to show trust and respect to all people regardless of background, race, religion, gender identify, or sexual orientation and have an Affirmative Action Plan (AAP) that is updated annually with hiring and promotion goals for inclusion. Our management team takes mandatory courses on preventing workplace harassment and effective recruitment training.

Our CEO holds monthly management meetings and periodic company-wide town-hall meetings to communicate strategies, objectives and field employee questions. All employees are encouraged to communicate with their managers and empowered to make suggestions and voice opinions that impact our business and our people.

HEALTH & SAFETY

Our employees are our most important asset. We are very mindful of their well-being and have put into place an extensive safety program and hold a wellness fair every year. Exemplis is committed to accident prevention and will do everything possible to protect the health and safety of our employees.



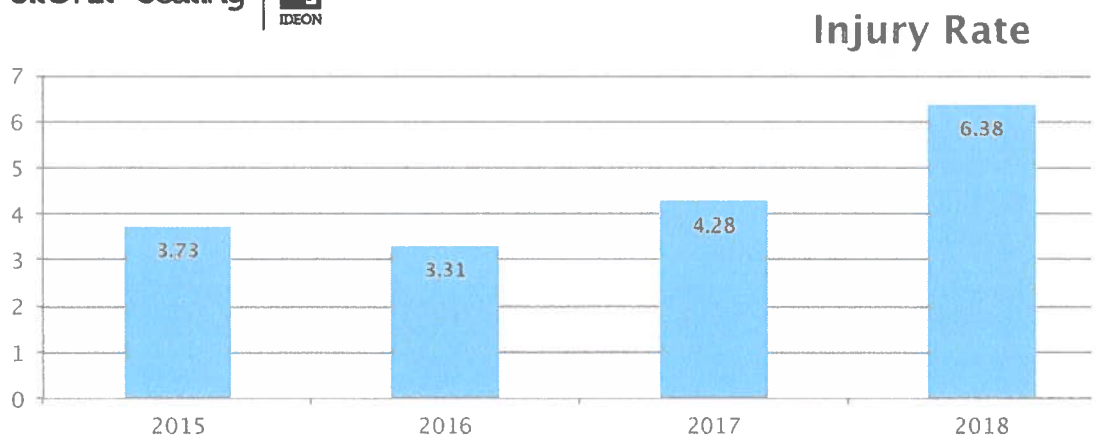
EMERGENCY PREPAREDNESS

Preparation is key to an effective safety program! We understand that an emergency or disaster can occur without notice. Whether it be an earthquake, fire or managing a critical health situation, staying composed and knowing what to do takes preparation and practice. At Exemplis, we have started to take the precautionary step to prepare and handle an emergency.

An Emergency Response Team (ERT) was established alongside our facilities manager to ensure we identify and mitigate risks associated with potential emergency scenarios. Twenty ERT members located throughout our facilities are trained in First Aid, Cardiopulmonary resuscitation (CPR) and use of the Automated External Defibrillator (AED).

- **First Aid certified – 20 team members**
- **CPR certified – 20 team members**
- **AED certified – 10 team members**

Our facilities are outfitted with an emergency preparedness kits; at least one AED to assist with basic life support; several fire extinguishers located in strategic areas and evacuation maps. At least once a year, each site performs an emergency evacuation drill to test our warning system; practice evacuation sweeps and continuously train our employees of the evacuation process. Key ERT members hold after action reviews after every evacuation and continuously improves our processes and invest in the proper resources to support our emergency preparedness plan.



We believe that when you have healthy employees, our company reaps the benefits. We are continuously strengthening our wellness programs, centered on employee education which drives awareness and encourages healthy lifestyle changes. Our culture of wellness is focused on four areas:

- **Physical**
- **Financial**
- **Mental**
- **Social**

Elements of our Wellness Program include providing an annual wellness fair consisting of flu shots and biometric screening; employee assistance programs (EAP); courses on healthy lifestyle; insurance wellness benefits; healthy tips on our monthly newsletters; sponsoring de-stressing dog visits; and offering company related sports activities.

Re: Exemplis LLC (the "Company")

To Whom It May Concern:

This letter is being delivered to you to provide information on the Company's banking relationship with JPMorgan Chase Bank, N.A. (the "Bank"). We can hereby confirm that the Company has maintained accounts at the Bank since 2010 and has operated the accounts in a satisfactory manner. The Bank has extended the Company credit from time to time, with the high amount in the high eight figures. The Company has performed in accordance with the credit documentation.

Please be advised that this letter refers only to facts as they exist as of the date of this letter and the Bank shall have no duty or obligation to inform the addressee hereof of any future changes in such facts. This letter is solely for the benefit of the addressee hereof for the referenced purpose, and may not be relied on by any other person or for any other purpose.

Sincerely,

Nick St.Clair
Executive Director
JPMorgan Chase Bank, N.A.

The information in this letter is provided as an accommodation to the inquirer. This letter and any information provided in connection therewith are furnished on the condition that they are strictly confidential, that no liability or responsibility whatsoever in connection therewith shall attach to Bank or any of its officers, employees, or agents, that this letter makes no representations regarding the general condition of the companies named herein, their management, or their future ability to meet their obligations, and that information provided in this letter or in connection therewith is subject to change without notice.

JPMorgan Chase Bank, N.A. | 3 Park Plaza Floor 09, Irvine, CA 92614

Qualification and Experience

i. Exemplis LLC was founded in 1996 by two entrepreneurs from the office furniture industry who saw a huge opportunity for quick, mass-customized ergonomic task seating at a value price. With just three employees, a fax machine and a bell that was rung every time a chair came down the conveyor belt, it was humble start to what is now a 700+ team with showrooms across the nation.

Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic office furniture and ship them quickly.

Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We perfectly design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments.

Since our inception, we have stayed on the cutting edge of innovation by listening to customers and creating modern seating products that meet their needs, allowing us to become a successful $325+ MM business in Orange County, California.

Our corporate office is located in Cypress, California.

ii. Exemplis LLC has a strong reputation throughout our authorized dealer network and customer base as being easy to do business with, providing prompt and professional customer service, and for creating beautifully designed, quick-ship Products at a value price point. Our customers appreciate our lifetime warranty and the fact that we pay for warranty labor (when approved in advance).

Since 2010, Exemplis LLC has outpaced the office furniture industry with a compounded growth of 159%. At the same time, BIFMA-tracked manufacturers (Herman Miller, Steelcase, Knoll, HNI, etc.) have a compounded average of 8%. We partner with the best dealers from top-tier

6415 Katella Avenue

Cypress, CA 90630
714 995 4800
www.exemplis.com

manufacturers in order to provide an extensive distribution network. Those same top-tier manufacturers only offer limited distribution to their customers.

iii. Exemplis LLC has a 23-year history of providing the broadest collection of well-designed, sturdy, ergonomic seating, lounge chairs, tables and accessories at a mid-range, value price point. Designers and customers appreciate the fact we offer over 15,000+ fabrics/vinyls and a large selection of finishes and options (mass customizations) all done on a 2, 5, and 10 day production platform. In addition, the Products are backed up by a lifetime warranty.

Exemplis LLC aligns with the best dealers in every market, thus ensuring customers get the highest level of pre and post-sales service.

v. Exemplis LLC's strong government sector sales revenue is evidence of our success with Federal, State/Local and Cooperative contracts. Our product mix, along with our customer-friendly contract pricing and a dealer network specializing in government projects, are the key ingredients to our growth and success. We have a sizable number of repeat customers in the government sector who have been loyal to our brand for several years.

vi. Exemplis LLC is involved in legal proceedings and litigation arising in the ordinary course of business. In the opinion of management, the outcome of such proceedings and litigation currently pending will not materially affect the company's consolidated operations, cash flows and financial condition.

In our company's history, there have not been any bankruptcies.

Exemplis LLC, and its current officers and directors, have never been through a State or Federal investigation.

Exemplis LLC has went through a couple reorganizations since its inception in 1996:

- February 1996 - SITONIT was incorporated
- November 2007 - SITONIT changed its name to Exemplis Corporation
- March 2015 – Exemplis Corporation converted to Exemplis LLC

vii. Please see Exhibit A to Attachment 3 for a list of Exemplis LLC's customer references

viii. **Additional Qualifications and Experiences**

Exemplis LLC's national sales force is structured starting with a strong, tenured management team consisting of Tim Kiger, VP of Sales, Bob Rohlman, VP of Contract Sales, four Regional

www.exemplis.com

Exemplis

Directors and a Director of Government Sales. At the territory level, Exemplis LLC has over 120 direct and independent reps who work directly with our channel distribution.

Exemplis LLC plans to use our commercial dealer network to sell and distribute our products to Region 4 ESC Members. Exemplis has over 2,000 dealer partners around the country; strong representation in every major, secondary and tertiary market in the United States and Canada. We will leverage our distribution network by supplying our sales force with the upfront contract training, co-branded marketing material and other tools to assist in pre/post sales cycle.

Please find our Authorized Dealer List included in our Request for Proposal Response as Exhibit B to Attachment 3.

Exemplis

Exemplis LLC
6415 Katella Avenue
Cypress, California
90630

Region 4 Education Service Center
Request for Proposal; Solicitation Number 19-18
Furniture, Installation and Related Services

Attachment 4
Value Add

i. Exemplis LLC proposes the following value-added enhancements to Region 4 Education Service Center and its Members:

- Application Consultation – Exemplis LLC works with best-in-class dealers to assist our customers with finding the right Product for the right space.
- Product Specification/Knowledge – Exemplis LLC's authorized dealers have a strong knowledge of our Product offering and are the best source for providing accurate Product specifications for our customers' own-unique environment(s).
- Space Planning/Layout – Exemplis LLC's authorized dealers have the latest space-planning tools to assist our customers in finding right seating options for their size and space.
- Order Placement – Exemplis LLC's authorized dealers will assist the customer with their order placement needs: either by placing the order to Exemplis LLC on behalf the customer or providing instructions on how to issue the purchase order to Exemplis LLC. Upon receipt order acknowledgement from Exemplis LLC, the authorized dealer will inform the customer of the expected delivery and installation (if requested) date.
- Delivery & Receiving - Exemplis LLC's authorized dealers will manage (if requested) the delivery process for the customer.
- User Orientation - Exemplis LLC's authorized dealers will perform user orientation (if requested) to the customer on how to take full advantage of the Product's offerings.
- Punch list/Audit - Exemplis LLC's authorized dealers will perform an audit of the customer's order after delivery and/or installation to verify order accuracy.

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis®

- Warranty & Follow-up – Exemplis LLC's authorized dealer network will maintain contact with our customers should a warranty issue arise and to affirm continued satisfaction with the Product(s).

ADDITIONAL REQUIRED DOCUMENTS

DOC #1 Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy

DOC #2 Antitrust Certification Statements (Tex. Government Code § 2155.005)

DOC #3 Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295)

DOC #4 Texas Government Code 2270 Verification Form

DOC #5 Special Conditions

DOC #6 Questionnaire

DOC #7 For applicable construction/reconstruction/renovation and related services, a bid guarantee is required not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in Texas and authorized to underwrite bonds in the amount of the bid bond.

Appendix C, Doc #1

ACKNOWLEDGMENT AND ACCEPTANCE OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

☒ We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

☐ We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

ANTITRUST CERTIFICATION STATEMENTS
(Tex. Government Code § 2155.005)
Attorney General Form

I affirm under penalty of perjury of the laws of the State of Texas that:

1. I am duly authorized to execute this Contract on my own behalf or on behalf of the company, corporation, firm, partnership or individual (Company) listed below;

2. In connection with this proposal, neither I nor any representative of the Company has violated any provision of the Texas Free Enterprise and Antitrust Act, Tex. Bus. & Comm. Code Chapter 15;

3. In connection with this proposal, neither I nor any representative of the Company has violated any federal antitrust law; and

4. Neither I nor any representative of the Company has directly or indirectly communicated any of the contents of this proposal to a competitor of the Company or any other company, corporation, firm, partnership or individual engaged in the same line of business as the Company.

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, Patrick Sommerfield, as an authorized representative of

Exemplis LLC, a contractor engaged by

Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

SPECIAL CONDITIONS

Awarded Offerors may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Offeror is accepted these Special Conditions required by the Federal Emergency Management Agency (FEMA).

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3.

i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement.

ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of Region 4 ESC nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:
a. Equal opportunity and nondiscrimination laws
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce;

Bid Guarantee

For proposals that are to include construction/reconstruction/renovation and related services, bids must be accompanied by Certified or Cashier's Check or an approved Bid Bond in the amount of not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in the state of the lead agency and authorized to underwrite bonds in the amount of the bid bond.

Prevailing Wage Requirements

When applicable, the awarded Contractor(s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Alternative Pricing for Federal Funding

When applicable, such as when products and services are used in response to an emergency or disaster recovery situation in which federal funding may be used, pricing may not include cost plus a percentage of cost or pricing based on time and materials. If time and materials is necessary in an applicable federal funding situation, a ceiling price that the contract exceeds at its own risk will be needed. In addition, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited, the to the 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of Region 4 ESC is retained by Region 4 ESC. In the event of a termination for convenience by Region 4 ESC, Region 4 ESC shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by Region 4 ESC, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by Region 4 ESC but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by Region 4 ESC in connection with the Scope of Work in place which is completed as of the date of termination by Region 4 ESC and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

Region 4 ESC highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the

contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. "During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

4. Davis Bacon Act and Copeland Anti-Kickback Act.

a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program**.

b. All prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.

c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the

compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback Act."** However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

"Compliance with the Copeland "Anti-Kickback" Act.

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.

c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.

d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or

articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier

subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

   a. Stafford Act Disaster Grants. This requirement **does not apply to the Public Assistance**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as

FEMA awards under these programs do not meet the definition of "funding agreement."

   b. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.

   c. The regulation at 37 C.F.R. § 401.2(a) currently defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts of amounts in excess of $150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C.§§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

   a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of $150,000:

"Clean Air Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C.§ 7401 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal

government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in partwith Federal assistance provided by FEMA."

8. Debarment and Suspension.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).

c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual* Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter *PDAT Supplement*]. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by

agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; *PDAT Supplement,* Chapter IV, ¶ 6.d and Appendix C, ¶ 2.

d. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipient.

e. Specifically, a covered transaction includes the following contracts for goods or services:

(1) The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

(2) The contract requires the approval of FEMA, regardless of amount.

(3) The contract is for federally required audit services.

(4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

"Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R.§ 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal

Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

9. Byrd Anti-Lobbying Amendment.

   a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

   b. Contractors that apply or bid for an award of $100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.

   c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.

   d. The following provides a Byrd Anti-Lobbying contract clause:

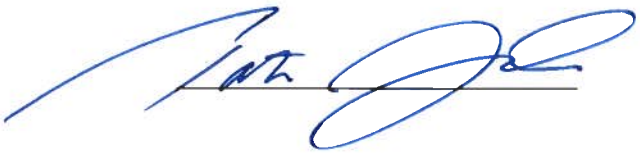
"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:



1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Exemplis LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq.*, apply to this certification and disclosure, if any.

Date"

10. Procurement of Recovered Materials.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; *PDAT Supplement*, Chapter V, ¶ 7.

c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

d. The following provides the clause that a state agency or agency of a political subdivision of a state and its contractors can include in contracts meeting the above contract thresholds:

"(1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA- designate items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program."

11. Additional FEMA Requirements.

a. The Uniform Rules authorize FEMA to require additional provisions for non-Federal entity contracts. FEMA, pursuant to this authority, requires or recommends the following:

b. Changes.

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative

agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and

agree to comply with applicable provisions governing Department and FEMA access to records, accounts, documents, information, facilities, and staff. See DHS Standard Terms and Conditions, v 3.0, ¶ XXVI (2013).

d. The following provides a contract clause regarding access to records:

"Access to Records. The following access to records requirements apply to this contract:

> (1) The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
>
> (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
>
> (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).

b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

    a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

    b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

    a. The non-Federal entity must include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

    b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

15. Program Fraud and False or Fraudulent Statements or Related Acts.

    a. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

    b. The following provides a contract clause regarding Fraud and False or Fraudulent or Related Acts: "The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract."

Additional contract clauses per 2 C.F.R. § 200.325

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the contract.

Offeror agrees to comply with all terms and conditions outlined in the Special Conditions section of this solicitation.

Offeror's Name: Exemplis LLC

Address, City, State, and Zip Code: 6415 Katella Avenue, Cypress, CA 90630

Phone Number: 714-995-4800 Fax Number: 714-995-4855

Printed Name and Title of Authorized Representative: Patrick Sommerfield; Vice President, Finance

Email Address: dcairo@exemplis.com

Signature of Authorized Representative:  Date: December 5, 2019

Appendix C, DOC # 6

QUESTIONNAIRE

Please provide responses to the following questions that address your company's operations, organization, structure and processes for providing products and services.

1. **Diversity Programs**
   - Do you currently have a diversity program or any diversity partners that you do business with? ☒Yes ☐No
     (If the answer is yes, attach a statement detailing the structure of your program, along with a list of your diversity alliances and a copy of their certifications.) Please see Exhibit A to Questionnaire

2. **Diverse Vendor Certification Participation**

   Region 4 ESC encourages the use of under-utilized businesses (HUB), minority and women business enterprises (MWBE), and small and/or disadvantages business enterprises (SBE) both as prime and subcontractors. Offerors shall indicate below whether or not they and/or any of their subcontractors (and if so which) hold certification in any of the classified areas and include proof of such certification with their response.

   a. **Minority Women Business Enterprise**
   Respondent certifies that this firm is an MWBE ☐Yes ☐No
   List certifying agency: _____

   b. **Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)**
   Respondent certifies that this firm is a SBE or DBE ☒Yes ☐No
   List certifying agency: Exemplis LLC is a SBE. Please visit https://www.gsaelibrary.gsa.gov & https://web.sba.gov/pro-net/search/dsp_dsbs.cfm

   c. **Historically Underutilized Businesses (HUB)**
   Respondent certifies that this firm is a HUB ☐Yes ☐No
   List certifying agency: _____

   d. **Historically Underutilized Business Zone Enterprise (HUBZone)**
   Respondent certifies that this firm is a HUBZone ☐Yes ☐No
   List certifying agency: _____

   e. **Other**
   Respondent certifies that this firm is a recognized diversity certificate holder ☐Yes ☐No
   List certifying agency: _____
   Please see Exhibit A to Questionnaire for diversity information regarding our independent dealer network

3. Has Offeror made and is Offeror committed to continuing to take all affirmative steps set forth in 2 CFR 200.321 as it relates to the scope of work outlined in this solicitation? ☒Yes ☐No

Request for Proposal; Solicitation Number 19-18
Furniture, Installation and Related Services

Exhibit A to Questionnaire
Diversity Programs & Diverse Vendor Certification Participation

1. **Diversity Programs**

   Exemplis LLC continues to strive to partner with diverse (MWBE, SBE, DBE, HUB, and HUBZone) authorized dealerships and supply chain partners by reaching out to our authorized dealers and supply chain partners directly to ask for their diverse status. Our Sales Team has been instructed from executive management to give preference to diverse dealers across the country. Our Supply Chain philosophy is to promote fairness and encourage diversity in the procurement process.

   Exemplis LLC recently implemented an electronic outreach to identify all diverse dealers we partner with. Based on this outreach, we plan to communicate to qualified-diverse dealers to obtain formal certification if not already certified. This will allow us to provide more opportunities to our diverse dealers nation-wide. Our Supply Chain Team is already in progress of reaching out to our direct and indirect supply chain partners to identify any diverse vendors. Our Executive Team has instructed Supply Chain to partner with more diverse vendors on a national level as a 2020 (and beyond) goal.

2. **Diverse Vendor Certification Participation**

   Exemplis LLC partners with diverse authorized dealers and Supply Chain vendors that identify as MWBE, SBE, DBE, HUB and HUBZone.

   Due to the extensive network of authorized dealers and Supply Chain vendors, we do not maintain or collect certifications evidencing their diverse classifications at this time. We are in process of implementing a formal diversity program within the next coming years.

   Please see our Authorized Dealer List, including a self-identified diversity status, attached to our Request for Proposal Response as Exhibit B to Attachment 3.

www.exemplis.com

1. Will ESC 4 & OMNIA Partners consider extending the submittal deadline? The short turnaround time between the question submission deadline (Dec 2) and the proposal submittal deadline (Dec 11) does not allow bidders adequate time to account for information made available when Q&A is posted.
    a. **The deadline will not be extended.**

2. **Appendix C, Doc #6 – Questionnaire, P.24** Please confirm it is acceptable for proof of subcontractor certification to be provided upon request. As a large furniture Manufacturer, we have thousands of subcontractors that hold certifications nationwide.
    a. **It is acceptable to provide subcontractor certifications upon request.**

3. My company has an existing Vizient contract. As a channel partner, does/can this impact the proposal process with OMNIA Partners? Is there a way to streamline the process by extending like terms from Vizient to Region 4 and OMNIA Partners?
    a. **Having a current Vizient contract does not impact the proposal process with Region 4. As this contract will be with Region 4, the Vizient terms will not apply.**

4. Page 7 of the Solicitation. Verbiage is a bit confusing. In addition to 2 bound copies and 2 flash drives, are you saying that we need to submit 2 extra electronic proposals? If so, how are they different from 2 flash drives requested earlier? If not, are you saying that the two flash drives need to be free of propriety information? Or something else?
    a. **All proposal submitted must contain**
        i. **Two (2) original copies that are bound and signed**
        ii. **Two (2) electronic copies on flash drives with proprietary information. Please include one electronic copy on each flash drive for a total of two flash drives.**
        iii. **Two (2) electronic copies on flash drives ***without*** proprietary information. Please include one electronic, proprietary free, copy on each flash drive for a total of two flash drives.**

5. Page 13 of the Solicitation. Performance Capability. Point ii. We are being asked to sign Appendix D, Exhibit B. However, Appendix D, Exhibit B has the word “Example” in the title. Do you want us to sign an “example”?
    a. **No. Appendix D, Exhibit B, is an example of the administration agreement which will have to be signed prior to contract award. Please review this agreement with your legal department and provide any exceptions or redlines with your response.**

6. Appendix D, Exhibit C has the word “Example” in the title. Do you want us to sign an “example”?
    a. **No. Exhibit C, The Master Intergovernmental Cooperative Purchasing Agreement is provided as an example and is referenced in Exhibit B. This document is for reference only.**

7. Appendix D, Exhibit D has the word “Example” in the title. Do you want us to sign an “example”?
    a. **No. Exhibit D, the Principal Procurement Agency Certificate is provided as an example and is referenced in Exhibit B. This document is for reference only.**

8. Page 4 of Appendix A. Point 14). Our product is built to order, and we do not carry inventory of finished products. As such, each product line is subject to a lead time, which ranges anywhere from 3 to 11 weeks depending on the product. Will this contract consider including such business models?
    a. **Please provide exceptions to Appendix A, item 14, Delivery with your response on Appendix B.**

9. Page 5 of Appendix A. Point 20). Do you need Offerors to inform of product additions or discontinuations in writing? When and how?
    a. **All product additions will be submitted, along with a price file, to Region 4 for approval prior to be added to the contract. All contract updates will be submitted in writing in the specified format as determined by Region 4.**

10. Page 16 of Appendix D, Exhibit A. Our business is set up such that we sell through an office furniture dealer network, and do not sell directly to the end-user. Will it be accepted that Participating Public Agencies conduct all transactions, purchase orders, invoices, payments etc. with the dealers, and not the Offeror directly?
    a. **Yes. Please provide a list of authorized dealers with your response. However, the manufacturer is still responsible for remitting the contract sales report and payment to OMNIA Partners.**

11. Page 20 Appendix D, Exhibit A, paragraph 2.3. Will an awarded offeror be provided a list of email addresses of the existing Participating Public Agencies and prospective Public Agencies in order to "aggressively market" the contract to them?
    a. **After award, all suppliers will work with OMNIA Partners to determine a marketing strategy and will receive a comprehensive list of all OMNIA Partners members.**

12. 5. Proposal Format - It states that (2) electronic copies on flash drives shall be provided and must also submit (2) electronic proposals free of propriety information. If we do not have any propriety information do we just send (2) electronic copies or do we still need to send (4) electronic copies all together?
    a. If you do not have any proprietary information, please only submit two (2) original hard copies and two (2) electronic proposals.

13. Please provide clarity on how our pricing offer is to be submitted? On RFP page 12, section 2.A #3 it states to provide pricing for services based on a range of maximum price per hour and minimum price per hour. This indicates to us that offerors are required to separate labor from product net price. However, the solicitation also states to provide a discount off of list price. Can we provide a discount off list that includes labor/service costs, or is it required to separate out labor?
    a. **Suppliers may provide pricing inclusive of labor and service so long as the price proposal clearly indicates how labor/services are priced.**

14. Exhibit B, Exhibit C, and Exhibit D are all noted as being examples. Can you confirm that these documents are not needed to be submitted with the proposal?
    a. **Exhibit B, C, and D are not required to be submitted with the proposal.**

15. If awarded, under what name will/should this contract be marketed to eligible customers? Region 4 ESC, OMNIA Partners, US Communities, National IPA, etc.
    a. **If awarded, this contract will be Region 4's contract. It will be available under the OMNIA Partners, Public Sector Cooperative portfolio and can be accessed by OMNIA Partners, Public Sector, National IPA and US Communities members.**

16. The RFP document lists *Auditorium/Theater Fixed Seating* as a category described in the *Scope of Goods and Services* section that starts on RFP Page 3. In Paragraph 1 of Page 2, Item I, Scope of work indicates; *"…..each awarded Offeror may offer their complete product and service offering, or balance of line. Region 4 ESC reserves the right to accept or reject any or all balance of line items offered."*. Are telescopic seating products (gym bleachers and telescopic chair platforms) and fixed lecture room products in line with the intent of the statement included Paragraph 1 of Page 2?
    a. Please include all options which you would offer under the category.

17. Due to the highly variable nature of Auditorium/Theater Fixed Seating projects it is very difficult to estimate the potential range of freight costs and on-site labor/installation conditions that will be encountered during the life of the contract. While we can provide "not to exceed" freight and installation pricing, it is most always advantageous for the customer to have Irwin Seating Company, or our authorized field partners, quote freight and installation cost on a project by project basis. Can we provide RFP bid pricing that is submitted at a "fixed product discount from list price" – FOB Factory – with a not to exceed freight and installation cost?
    a. Yes, fixed product discount from list price with a not to exceed on freight and installation per project will be acceptable.

18. Can a manufacturer and dealer both be awarded the same product line?
    a. **Yes, a manufacturer and dealer can both be awarded the same product line.**

19. If a manufacturer is awarded a contract, can their authorized dealers accept PO's and invoice public agencies directly?
    a. **Yes, a manufacturer's authorized dealers can accept PO's and invoice PO's and invoice public agencies directly. However, the manufacturer is responsible for remitting sales reports and administrative fee payments to OMNIA Partners.**

20. Will we need to return the following form with our response, Exhibit F Federal Funds Certification
    a. **Yes, Exhibit F, Federal Funds Certification needs to be submitted with your response.**

21. On page number 12, Section 2 Products/Services/Pricing, subsection a) iii, can we use a percentage instead of per hour rates for applicable services?
    a. **No, please submit pricing on a per hour basis with a minimum and not to exceed maximum for applicable services or pricing for goods which is inclusive of labor and service charges as long as the price proposal clearly indicates how labor/services are priced.**

22. If manufacturers submit their own response to the RFP with a list of authorized dealers, will the authorized dealers be allowed to manage the individual orders?

a. **Yes, authorized dealers will be allowed to manage individual orders. However, the manufacturer is responsible for remitting sales reports and administrative fee payments to OMNIA Partners.**

23. Will OMNIA be providing the Monthly Sales/Admin Fee report (Exhibit E) template in Excel Format to awarded suppliers?
    a. **Yes, after award OMNIA Partners will provide Exhibit E in Excel format.**

24. Our finance department confirmed we do not purchase or keep record of our Dunn & Bradstreet reporting – any/all 3rd parties must purchase it directly if needed. Will this hinder our response evaluation? Please advise.
    a. If suppliers are unable to provide this, they must indicate so in their response.

25. The finance department also asked for clarification of FEIN report request? Please advise.
    a. If suppliers are unable to provide this, they must indicate so in their response.

26. The previous RFP included an Appendix I Evaluation Questionnaire/Self Checklist. Is there something similar for this RFP?
    a. **No, there is not an evaluation Questionnaire/Self Checklist.**

27. Appendix C, Doc #5 Do you consider the scope of this bid to require the Bid Guarantee in the form of a 5% bond? I don't believe this RFP includes construction/reconstruction/renovation or services related to such but want to confirm.
    a. **No, at bid bond is not required.**

28. Please revisit the 7 day ARO shipment lead time specified in Contract Page 4, Item #14. The lead time for furniture offerings needs to be extended to 3-4 weeks. While we have a wide selection of 1-Day and 5-Day Quick Ship product offerings the majority of our products are Made to Order. A 7 day shipment window will result in consistently delayed shipments/deliveries and increased order administration to obtain authorization for each and every prospective delayed shipment. Can this requirement be revised to a more realistic timeframe for furniture manufacturers?
    a. **Please provide an exception to this term on Appendix B with your response.**

29. Appendix A Draft Contract item 14, Delivery Is 7 days after receipt of order for delivery correct? Most manufacturer lead times are 30-45 days. Please verify the number of days required for delivery.
    a. **Please provide an exception to this term on Appendix B with your response.**

30. Appendix A Draft Contract item 32, Certificate of Insurance - Is the COI due with the proposal submission or after the award?
    a. **A certificate of insurance will be required after award and may be required by each participating agency prior to work being performed on site.**

31. Appendix C, DOC #3. To complete the Form 1295 online application, I need to know is Region 4 ESC the agency/entity name to be referenced? If so, are you considered a state agency or a other governmental agency? What is the contract ID number? Interested parties would be the partners/owners of supplier?

a. **Region 4 ESC is the agency to be referenced. Region 4 ESC is a state agency as referenced on page 2 of the RFP. The contract number is the RFP #. Please refer to the instructional video on "How to create a certificate located at https://www.ethics.state.tx.us/filinginfo/1295/ or contact the Texas Ethics Commission for help completing Form 1295.**

32. Appendix D 3.1 E Submit FEIN and Dunn & Brad Street Report. We can provide our FEIN and Dunn & Bradstreet numbers but we don't subscribe to Dunn & Bradstreet so we don't have a report to submit. Can we still be awarded a National Cooperative Contract if we don't submit a report?
    a. **If suppliers are unable to provide this, they must indicate so in their response.**

33. Is it necessary for contractors to submit a modification request to obtain approval for price adjustments for any/all items offered through the contract, or can contract terms/discounts simply be applied to current commercial pricing without modifying the contract to account for commercial price adjustments?
    a. **Region 4 requires that all modifications for price adjustments, additions of dealers, and/or new categories go through an approval process.**

34. If a contractor quotes the product and labor services separately, would the administrative fee be based on the product only or on both the product and labor services amount?
    a. **Administrative fees will be based on both products and labor service amounts.**

35. Is there a market basket of items that needs to be submitted with this bid?
    a. **No, there is no market basket of items that needs to be submitted with this proposal.**

36. While on the call is was said that the questions listed under the Evaluation Process and Criteria section on pages 12 - 14 do not need to be directly responded to within our response, yet there are questions that are nowhere else in the RFP. Should we respond, and if so, under which Tab should our responses be placed?
    a. **If responses are needed or requested, please provide answer under Tab 3 – Performance Capability.**

37. In Exhibit A. Section 3.3, if we submit a contract sales guarantee, and do not meet the guaranteed number, are we still accountable to pay the administrative fee?
    a. **Yes, if a supplier submits a contract sales guarantee and does not meet the sales number guaranteed, the supplier would be responsible for administrative fees based on the guaranteed amount. If a supplier exceeds the contract sales guarantee amount, they would be responsible for administrative fees on their total sales.**

38. Is installation considered one of the services to be priced or would the installation charges be discussed in iv. #3 Deliver and Install?
    a. **Yes, installation is considered one of the services to be priced. Please describe how installation rates will be determined.**

39. Is this cooperative purchasing agreement redundant with Vizient?
    a. **No, this agreement is not a Vizient cooperative agreement.**

40. Is this cooperative purchasing agreement redundant with, or in competition with BuyBoard?
    a. **BuyBoard is not affiliated with Region 4 ESC or OMNIA Partners.**

41. Please confirm the order in which you would like the documents added for Tab 3. Should the OMNIA Partners documents be placed before or after the questions posed in Performance Capability section
    a. **Please provide the OMNIA Partner's documents after the questions posed in Performance Capabilities.**

42. In lieu of providing a net price to Region 4 ESC, we will provide a matrix outlining the discount by product name and category in addition to our standard commercial PDF price list. We have thousands of base models and when we add the various fabric grades, options, etc. the base models plus options result in millions of lines, making it impossible to show net pricing for every product option.
    a. **This is acceptable.**

43. Pg. 13 Not to Exceed Pricing - Please confirm by 'original pricing submitted' in this section, you are referring to the discount off list price.
    a. **Correct, 'original pricing submitted' refers to the discount off list price.**

44. Pg. 13 Performance Capability - Please confirm the definition of "fill rate".
    a. **Fill Rate – the percentage of customer's demand that is met without backorder or lost sales.**

45. **P.2 | Section 11. Termination of Contract | a. Cancellation for Non-Performance or Contractor Deficiency -** Please confirm the contractor will have a reasonable time to cure prior to any cancellation or termination by Region 4 ESC.
    a. **Yes, Region 4 will allow for a reasonable cure time prior to cancellation or termination.**

46. **P.3 | Section 11. Termination of Contract | c. Delivery/Service Failures -** Please confirm that in the event any products are purchased on the open market, these products are comparable in function, design, and cost.
    a. **In the event that Region 4 would have to purchase an item on the Open Market, products purchased will be comparable in function, design and cost.**

47. **P.4 | Section 11. Termination of Contract | e. Standard Cancellation -** Because we are a custom made-to-order manufacturer, please confirm within the Standard Cancellation clause, manufacturers will be paid for work in progress.
    a. **Yes, manufacturers will be paid for work in progress.**

48. **P.4-5 | Section 18. Audit Rights -** Please confirm audit rights are upon 30 days prior written notice and during regular business hours at the manufacturer's place of business.
    a. **Region 4 can perform audits at any time given reasonable notice. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.**

49. **P.5 | Section 20. New Products/Services -** If a new product is added equivalent to the percentage discount for other products and meeting or exceeding the specifications and performance requirements, does Region 4 ESC still need to approve the product or can the Contractor update the contract automatically?
    a. **Region 4 must approve all category additions, dealer updates, and pricing update.**

50. **P.5 | Section 20. New Products/Services -** In order to meet the unique needs of an end user, we have the ability to customize many of our products. These customized products are referred to as 'specials'. These specials are defined as modifications to existing products that will still maintain the primary product function and warranty. For example, if an end user requires a bookcase that needs five shelves instead of four. Specials are uniquely priced based upon the requested modification; as such, the list prices and model numbers of the specials are not published in our catalog or our list pricer. Please clarify if we can offer this 'specials' program upon contract award.
    a. **Yes, Special Order items can still be offered under this program upon award. However, the discount structure for that item will still apply unless indicated differently in the supplier's response.**

51. **P.6 | Section 30. Indemnity -** Please confirm that indemnity is limited to the contractor's negligence or willful misconduct.
    a. **Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against *all* claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract**

52. **P.24 | Section 3.3 Marketing & Sales | J. Public Agency Sales -** As a National Supplier, we do business with thousands of public sector clients annually. Can you please clarify what specific information you desire in response to this question?
    a. **Please provide the information requested in Section J – Previous fiscal year sales to public agency clients, a list of the top 10 public agency customers along with the total purchases by each agency along with a key contact at each agency.**

53. **P.24 | Section 3.3 Marketing & Sales | M. Guaranteed Contract Sales -** Please advise if we are required to commit to a "Guaranteed Contract Sales" volume for years 1-3. Will this be part of the evaluation criteria for award?
    a. **No, you are not required to commit to Guaranteed Contract Sales.**

54. **P.28 | Section 14. Administrative Fee, Reporting & Payment -** We would kindly ask you to reconsider the deadline for payment within 10 business days of the appropriate month end. With the report itself being due by the 10th day, please consider extending the receipt of payment on this report until the 30th day.
    a. **Please provide exceptions to Exhibit B – Administration Agreement with your response and along with Appendix B.**

- Artcobell Corporation
- Bush Industries, Inc.
- ELB US Inc.
- ASSA Group, Inc. dba Enwork
- EPIC Business Essentials
- Exemplis LLC
- GMi Companies
- Haskell Office, LLC
- The HON Company LLC
- Indiana Furniture Industries, Inc.
- Irwin Seating Company
- Jasper Group (Jasper Seating Company, Inc.)
- Kaplan Early Learning Company
- Krueger International, Inc.
- Kwalu LLC
- LIAT, LLC
- Maxon Furniture Inc.
- Metalworks, Inc. – Great Openings
- MeTEOR Education, LLC.
- National Business Furniture, LLC
- National Office Furniture, Inc.
- NPS Public Furniture Corp
- NorvaNivel USA LP
- Office Depot, Inc.
- OFS Brands Inc.
- Origin US LLC
- Paragon Furniture, Inc.
- PS Furniture Inc.
- Rapp Productions, Inc dba FurnitureLab
- RT London
- Safco Products Co.
- School Specialty, Inc.
- SICO America, Inc.
- Spec Furniture Inc

- Special-T, LLC
- Teknion LLC
- Trendway Corporation
- VS America, Inc.
- WB Manufacturing

After careful review of all proposals, the Evaluation Team has determined that eighteen (18) companies demonstrated the ability to provide the products and services outlined in the solicitation while offering competitive pricing to the members.

CONSIDERATION

Award of annual contract in compliance with the bid laws of the State of Texas is recommended.

RECOMMENDATION

The Evaluation Team recommends the following companies for award based on their response:

Contract	Vendor	Term of Contract
Furniture, Installation and Related Services	Affordable Interior Systems, Inc. (AIS) Allsteel Inc. Exemplis LLC The HON Company LLC Irwin Seating Company Jasper Group (Jasper Seating Company, Inc.) Kaplan Early Learning Company Krueger International, Inc. Maxon Furniture Inc. MeTEOR Education, LLC National Office Furniture, Inc. Office Depot, Inc. OFS Brands Inc. Safco Products Co. School Specialty, Inc. Teknion LLC Trendway Corporation VS America, Inc.	Three (3) years with option of two (2) one year renewals

Support documentation has been attached for your reference.

Re: Furniture, Installation and Related Services; RFP #19-18

The Evaluation Committee has reviewed the responses and recommend that the following companies be awarded:

- 9to5 Seating LLC
- Affordable Interior Systems, Inc. (AIS)
- Allsteel Inc.
- Alumni Classroom Furniture Inc.
- AmTab Manufacturing Corporation
- Artcobell Corporation
- Bush Industries, Inc.
- ELB US Inc.
- ASSA Group, Inc. dba Enwork
- EPIC Business Essentials
- Exemplis LLC
- GMi Companies
- Haskell Office, LLC
- The HON Company LLC
- Indiana Furniture Industries, Inc.
- Irwin Seating Company
- Jasper Group (Jasper Seating Company, Inc.)
- Kaplan Early Learning Company
- Krueger International, Inc.
- Kwalu LLC
- LIAT, LLC
- Maxon Furniture Inc.
- Metalworks, Inc. – Great Openings
- MeTEOR Education, LLC.
- National Business Furniture, LLC
- National Office Furniture, Inc.
- NPS Public Furniture Corp
- NorvaNivel USA LP
- Office Depot, Inc.
- OFS Brands Inc.
- Origin US LLC

- Paragon Furniture, Inc.
- PS Furniture Inc.
- Rapp Productions, Inc dba FurnitureLab
- RT London
- Safco Products Co.
- School Specialty, Inc.
- SICO America, Inc.
- Spec Furniture Inc
- Special-T, LLC
- Teknion LLC
- Trendway Corporation
- VS America, Inc.
- WB Manufacturing

The recommended vendors submitted offers that were determined to be most advantageous to OMNIA Partners, Public Sector members, based upon the bid tabulation. All the recommended respondents were determined to be competitively priced and strong for the specified services outlined in the RFP.

We believe all recommended vendors demonstrate the ability to provide and perform the services requested in the proposal. We will monitor their performance and determine at the end of each year if they are eligible for renewal with each new term.

This multiple award is recommended as most advantageous as it limits contract awards to the least number of suppliers necessary to meet the requirements of OMNIA Partners, Public Sector members. In order to serve the entire nation, a multiple award is recommended to provide any governmental agency with complete coverage of commodities, services and any other offering within the scope of proposal.

Please let me know if you have any questions.

Re: Award of Contract #R191803

Dear Mr. Sommerfield:

Per official action taken by the Board of Directors of Region 4 Education Service Center on April 28, 2020, we are pleased to announce that after successful negotiated terms and conditions, Exemplis LLC has been awarded an annual contract for the following, based on the sealed proposal (RFP#19-18) submitted on December 11, 2019:

Commodity/Service	**Supplier**
Furniture, Installation and Related Services	Exemplis LLC

This contract is effective May 1, 2020 and will expire on April 30, 2023. As indicated above, your contract # is R191803. This contract may be renewed annually for an additional two (2) years if mutually agreed upon by Region 4 ESC/OMNIA Partners, Public Sector and Exemplis LLC.

Your participation in the proposal process is appreciated and we look forward to a successful partnership. Please feel free to provide copies of this letter to your sales representative(s) to assist in their daily course of business.

If you have any questions, please contact Christine Dorantes, the Contract Manager assigned to your contract, at (615) 431-8182 or christine.dorantes@omniapartners.com.

Sincerely,

Request for Contract Update

Pursuant to the terms of contract number R191803 for Furniture and Installation, Contractor must notify and receive approval from Region 4 ESC when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4 ESC. Region 4 ESC reserves the right to accept or reject any request.

Exemplis LLC hereby provides notice of the following update on this date August 25, 2020.

Instructions: Contractor must check all that may apply and shall provide supporting documentation. Requests received without supporting documentation will be returned. This form is not intended for use if there is a material change in operations, such as assignment, bankruptcy, change of ownership, merger, etc. Material changes must be submitted on a "Notice of Material Change to Vendor Contract" form.

Request for Contract Update

Pursuant to the terms of contract number R191803 for Furniture and Installation, Contractor must notify and receive approval from Region 4 ESC when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4 ESC. Region 4 ESC reserves the right to accept or reject any request.

Exemplis LLC hereby provides notice of the following update on this date November 2, 2020.

Instructions: Contractor must check all that may apply and shall provide supporting documentation. Requests received without supporting documentation will be returned. This form is not intended for use if there is a material change in operations, such as assignment, bankruptcy, change of ownership, merger, etc. Material changes must be submitted on a "Notice of Material Change to Vendor Contract" form.

Re: Renewal Award of Contract #R191803

Dear Mr. Sommerfield:

Per official action taken by the Board of Directors of Region 4 Education Service Center on October 25, 2022, Region 4 ESC is pleased to announce that Exemplis LLC has been awarded an annual contract renewal for the following, based on the sealed proposal submitted to Region 4 on December 11, 2019, and subsequent performance thereafter:

Contract

Furniture, Installation and Related Services

The contract will expire on April 30, 2024, completing the fourth year of a five-year term contract. The contract is available through OMNIA Partners, Public Sector. Your designated OMNIA Partners, Public Sector contact is Christine Dorantes, at (615) 431-8182 or christine.dorantes@omniapartners.com.

The partnership between Exemplis LLC, Region 4 and OMNIA Partners, Public Sector can be of great help to participating agencies. Please provide copies of this letter to your sales representative(s) to assist in their daily course of business.

Sincerely,

DocuSigned by:
Robert Zingelmann

Re: Request for Proposal # 19-18 ; Furniture, Installation and Related Services

Dear Ms. Wallace,

Please let this Letter serve as Exemplis LLC's notification to respond to the Region 4 ESC Request for Proposal # 19-18 ; Furniture, Installation and Related Services. We are excited to participate in this Solicitation and to the possibility of receiving a new Contract Award from Region 4 ESC.

Exemplis LLC confirms we are in complete understanding with the requirements set forth in this RFP by Region 4 ESC and OMNIA Partners. Exemplis LLC, through our extensive authorized dealer network, will provide the products and services as defined in this RFP. Our 200+ Sales Team members and 2,000+ authorized dealers are located throughout the nation and able to promptly assist Region 4 ESC and OMNIA Partners members with any quote, product description, sample, or warranty request. Our unique build-to-order manufacturing model allows us to create beautiful and reliable products and ship them in 2, 5 or 10 days.

Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments. Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture.

Exemplis LLC offers three broad and innovative product brands to our customers: SitOnIt Seating, IDEON Soft Seating and Symmetry Office.

- Our SitOnIt Seating Product Brand offers task, executive, conference, guest, stacking, nesting, and cafe/task stool seating.

- Our IDEON Soft Seating Product Brand offers lounge seating, modular seating, benches, ottomans and occasional/cube tables. Our extensive line of tables for hospitality and public spaces is listed within our IDEON Soft Seating Price Guide.

- Our Symmetry Office Product Brand offers benching, tables, storage units, sit/stand solutions and office furniture ergonomic accessories.

NOTICE TO OFFEROR

ADDENDUM NO. 1

Solicitation Number 19-18

Request for Proposal ("RFP")
by Region 4 Education Service Center ("ESC")
for Furniture, Installation, and Related Services

This Addendum No. 1 amends the Request for Proposals (RFP) for Furniture, Installation, and Related Services 19-18 ("Addendum"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified suppliers with the intent to enter into a Contract for Furniture, Installation, and Related Services. Addendum No. 1 is hereby issued as follows:

CLARIFICATIONS:

1. The changes being made to this RFP are being made to add Appendix C Documents #5-7 in order to fulfill FEMA requirements. While it is not expected that the services outlined in this RFP would be utilized in a disaster recovery or emergency situation, Region 4 ESC is including language should it be needed.

CHANGES TO THE RFP:

1. Remove Appendix C, Additional Required Documents, and replace with the version attached to this Addendum No. 2. This is the Appendix C that should be used for this solicitation and submitted as part of the Offeror's proposal.

RECEIPT OF ADDENDUM NO. 1 ACKNOWLEDGEMENT

Offeror shall acknowledge this addendum by signing below and include in their proposal response.

Appendix B

TERMS & CONDITIONS ACCEPTANCE FORM

Signature on the Offer and Contract Signature form certifies complete acceptance of the terms and conditions in this solicitation and draft Contract except as noted below with proposed substitute language (additional pages may be attached, if necessary). The provisions of the RFP cannot be modified without the express written approval of Region 4 ESC. If a proposal is returned with modifications to the draft Contract provisions that are not expressly approved in writing by Region 4 ESC, the Contract provisions contained in the RFP shall prevail.

Check one of the following responses:

☐ Offeror takes no exceptions to the terms and conditions of the RFP and draft Contract.

(Note: If none are listed below, it is understood that no exceptions/deviations are taken.)

☒ Offeror takes the following exceptions to the RFP and draft Contract. All exceptions must be clearly explained, reference the corresponding term to which Offeror is taking exception and clearly state any proposed modified language, proposed additional terms to the RFP and draft Contract must be included:

(Note: Unacceptable exceptions may remove Offeror's proposal from consideration for award. Region 4 ESC shall be the sole judge on the acceptance of exceptions and modifications and the decision shall be final.

If an offer is made with modifications to the contract provisions that are not expressly approved in writing, the contract provisions contained in the RFP shall prevail.)

Section/Page	Term, Condition, or Specification	Exception/Proposed Modification	Accepted (For Region 4 ESC's use)
Section 14, Page 4	Product shall be shipped within 7 days of receipt of Purchase Order.	We ship our Products in 2, 5, or 10 business days. Plastic shell colors are available in 2 days to 3 weeks. Tablet arms require 3 weeks. Large orders or specialty/COM textiles may require additional lead time.

Attachment 1
Products/Pricing

i. Exemplis LLC's proposed discounting is based on a percentage discount off of our list pricing included in our Price Books for our three Product Brands: SitOnIt Seating, IDEON Soft Seating, and Symmetry Office.

Exemplis LLC's proposed discounting will be identical for the following Categories applicable to our Product Lines:

- Freestanding furniture
- Seating/Chairs
- Soft Seating
- Filing Systems, Storage, and Equipment
- Technology Support Furniture
- Library Furniture
- Cafeteria Furniture
- Educational Office Furniture
- Career/Technical Education Furniture
- Related Products, Support Services, and Solutions

ii. The following Price Books are included on our two enclosed Flash Drives:

- September 16, 2019 SitOnIt Seating Price Book
- September 16, 2019 IDEON Soft Seating Price Book
- September 16, 2019 Symmetry Office Price Book

The Price Books contain the manufacturer part number, product description, and list price. Our Price Books do not include net pricing. Net pricing can be calculated using the proposed discounting.

Our list pricing shall not exceed what is stated in our Region 4 ESC-approved Price Books.

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

iii. Exemplis LLC proposes the following volume discounting to Region 4 ESC. The volume discounting is based off of list price:

- Dock Delivery Discount: Exemplis LLC's Product(s) are delivered to the Region 4 ESC Member's loading dock. The Region 4 ESC Member is responsible for unloading the Product(s).
    - Tier Discount:
        - Tier 1: $1 - $50,000: 54% Discount
        - Tier 2: $50,001 - $100,000: 56% Discount
        - Tier 3: $101,001 - $250,000: 58% Discount
        - Tier 4: $250,001 + : Negotiable
- Inside Delivery Discount: Exemplis LLC's Product(s) are delivered to the Region 4 ESC Member's loading dock. The driver moves the Product(s) into the Region 4 ESC Member's building but does not handle installation.
    - Tier Discount
        - Tier 1: $1 - $50,000: 52% Discount
        - Tier 2: $50,001 - $100,000: 54% Discount
        - Tier 3: $101,001 - $250,000: 56% Discount
        - Tier 4: $250,001 + : Negotiable
- Delivered & Installed Discount: an authorized dealer shall manage the delivery, installation, and trash removal for Exemplis LLC's Product(s) purchased by a Region 4 ESC Member.
    - Tier Discount
        - Tier 1: $1 - $50,000: 50% Discount
        - Tier 2: $50,001 - $100,000: 52% Discount
        - Tier 3: $101,001 - $250,000: 54% Discount
        - Tier 4: $250,001 + : Negotiable

Exemplis LLC proposes the following ranges for services and solutions:

- Basic Installation - Normal Hours : $25 - $40
- Basic Installation - After Hours : $35 - $55
- Expanded Installation - Normal Hours : $25 - $40
- Expanded Installation - After Hours : $35 - $55

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis®

- Design Services : $50 - $75
- Project Management : $25 - $40
- Asset Management : $15 - $30
- Refurbishment : $30 - $50
- Storage (Fixed Monthly Rate) : $150 - $2,000

iv. Please see definitions above in Section iii.

v. Exemplis LLC Warranty

Exemplis LLC warrants to the original customer that the product(s) will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week). Exemplis LLC will repair or replace with a comparable part or product, without charge to the original purchaser, only defective parts or products found defective during the warranty period. If requested by Exemplis LLC, the original customer will return the part or product for review with freight or other shipping charges prepaid by Exemplis LLC. This warranty shall be effective for the applicable time period beginning from "date of manufacture" as shown on the manufacturer label underneath each product.

Time Frames & Products	Structural Parts Arm Pads, Arms, Mechanisms, Cylinders, Etc.	Manufactured Parts Upholstered Parts, Foam, Knit, Mesh, Plastic Shells
All Exemplis LLC Products (exceptions below)	Lifetime	5 years
Amplify, Torsa, Novo, Wit	12 years in 24/7 use or Lifetime under standard use	5 years
Chairs with HD Upgrade	10 years	2 years
All IDEON Soft Seating and Tables	12 years	5 years
Power Modules and Electrical Components	5 years	Not Applicable
All Symmetry Office Products (exceptions below)	Lifetime	Not Applicable
Captiva, Largo, Ocala, Bent Legs, Trapezoid, Twisted, Straight, Monitor Arms	12 years	Not Applicable
Prise, Flow 2.0, Skyway	10 years	Not Applicable
Switchback, Voyager	7 years	Not Applicable
Clarity, All Filing Products	5 years	Not Applicable
Dividers	5 years	5 years
Keyboard Trays, Mouse Pads, Wrist Rests	1 year	Not Applicable

Exemplis LLC shall pay for all pre-approved labor costs.

Exemplis LLC has a Warranty Department staffed with fifteen Warranty Specialists to quickly and effectively assist our customers with any warranty-related claims and questions. Exemplis

- Symmetry Office:
  - http://www.symmetryoffice.com/sup_files/Warranty%20Policy.pdf

vi. Return and Restocking Fees

Authorization for returns must be requested from and approved by Exemplis LLC prior to the return of the merchandise. Returns are subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted by Exemplis LLC.

vii. Additional Discounts & Rebates

Exemplis LLC's current tiered structure incentivizes Region 4 ESC Members with additional discounting for larger volume projects. In addition, we allow Region 4 ESC Members to "bundle" smaller projects over a designated time period to receive a deeper discount tier based on total volume.

- Volume tier structure for all Exemplis LLC Brands
  - Tier 1: $1 - $50,000
  - Tier 2: $50,001 - $100,000
  - Tier 3: $100,001 - $250,000
  - Tier 4: $250,001 +

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

The national cooperative purchasing contract space is highly competitive for furniture manufacturers. Often times we extend deeper discounting to assure winning a project. As a result, customers benefit from the competitive and aggressive landscape.

Bi-Annual Customer Promotions (typically last 3 months)

- Exemplis LLC will run a Summer Sales promotion, which includes additional discounting for the customers (for example: an additional 3% discount off net price for Region 4 ESC Members). Historically, our promos were a great success for both parties.

viii. Verifying Contract Pricing

Exemplis LLC's sales force and authorized dealer network will be informed of the contract details immediately upon a potential Contract Award. We will hold webinars, release e-mail blasts, and distribute key contract information sell sheets to our nationwide sales team within the first 90 days of Contract Award. This will ensure Region 4 ESC Members will receive accurate contract pricing utilizing the approved price books.

Our distribution partners use sophisticated specification software tools like Giza, CAP, 20/20 and our Chairbuilder/Productbuilder tool to generate bill of materials, spec sheets and quotes/proposals. The Chairbuiler/ProductBuilder tool can found on our customer-facing web-sites (www.sitonit.net ; www.ideondesign.com ; www.symmetryoffice.com). These quotes will usually have a product description, full model number, list price, contract discount and net price. The model numbers and pricing can be independently verified by using the commercial price guide and applying contract discount or by using our Chairbuilder/Productbuilder tool and then apply the contract discount.

All purchase orders from Region 4 ESC Members shall be issued to our authorized dealer network. The authorized dealer would then issue a purchase order to Exemplis LLC. The purchase order must identify a unique "Terms Variance Number" directly associated with this Contract and discounting structure. This will ensure the correct discounting and price book have been applied to qualified purchase orders.

Region 4 ESC Members shall be able to verify and audit pricing by visiting Exemplis LLC's web-landing pages on our public-facing websites. These web-landing pages will include:

- Approved price books
- Contract discounting
- Contract number
- Contract term
- Approved products
- Other related contract information

6415 Katella Avenue
Suite 200
Cypress, CA 90630

714 995 4800

www.exemplis.com

Exemplis

ix. Payment Methods

- EFT
- ACH (Electronic Check or Debit)
- Wire Transfer
- Credit Cards will be accepted with a 3% processing fee

x. Exemplis LLC implements price increases based on commodity/supply chain, medical costs and benefits, and unanticipated inflation and national/international economic events. On average, Exemplis LLC implements one price increase a year.

Exemplis LLC will not change our proposed discounting to Region 4 ESC during the term of potential Contract.

xi. Exemplis LLC launches the greatest number of new and innovative Products when compared to other office furniture manufacturers. We released 28 new Products in 2019 and will release 34 in 2020. When introducing new Product(s), we will submit the request to Region 4 ESC for approval. All new Products will receive the same contract discount off list price.

xii. Additional Information:

Exemplis LLC offers several support services to our customers (at no cost), including:

- Space planning/spec writing/budget estimation tools & services
- Provide sample mock-ups for customer evaluations
- ChairBuilder: our online quote generator designed to specify and visualize SitOnIt Seating and IDEON Soft Seating products on the go or on the spot. Customers can product a list price, complete with part number, with several easy clicks.
- ProductBuilder: our online quote generator designed to specify and visualize Symmetry Office products on the go or on the spot. Customers can product a list price, complete with part number, with several easy clicks.
- Our award-winning Customer Experience Team empowered to swiftly resolve issues and provide our customers with a positive experience.

Exhibit A to Attachment 1

WARRANTY

WARRANTY PERIODS:

Exemplis LLC, d.b.a. SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week) for the following warranty periods:

Lifetime Warranty Coverage:

- All SitOnIt Seating products, except where noted below.

12-Year Warranty Coverage:

- Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.
- All IDEON seating and tables.

10-Year Warranty Coverage:

- Non-Stop Heavy Duty, Freelance Bariatric, and chairs purchased with a Heavy Duty ("HD") or Large and Tall ("LT") option used in multi-shift (24/7) applications.

5-Year Warranty Coverage:

- Fabric, foam, knit back, mesh and plastic.
- Power modules and electrical components

2-Year Warranty Coverage:

- Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with a HD or LT option.

THE COMPANY DOES NOT WARRANT

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

SitOnIt Seating: (888) 274-8664 **IDEON: (877) 994-3366**

- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will, at its option, repair or replace with a comparable product, without charge to the original purchaser, only defective products or parts reported as defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid. UNDER NO CIRCUMSTANCES WILL THE COMPANY BE LIABLE FOR INJURIES OR DAMAGES ARISING FROM USE OF THE PRODUCT. This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase. The Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account. This is an EXCLUSIVE LIMITED WARRANTY. There are no other warranties, express or implied, including, without limitation, any implied warranty of merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental, consequential, special, or indirect damages. The purchaser is responsible for determining suitability for its intended use. The Company disclaims any liability for defects, loss of use, or claims or injuries arising out of the incorrect choice of product for particular usage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state. The Company will advise you of the procedure to follow when making warranty claims.

To file a warranty claim, email qc@symmetryoffice.com and provide the following information:

- Contact name
- Contact phone number
- Sales Order Number/ Purchase Order Number
- Ship to Address
- Description of Problem
- Description of Troubleshooting Steps Taken
- Attach Pictures, Videos showing the issue

Any items to be returned under warranty claim must receive prior approval from the warranty department as evidenced by either assigned Return Material Authorization (RMA) Number or RMA document.

Any replacement orders where an RMA number is issued, must have the defective product returned within 60 days of receipt. Otherwise, the consumer will be responsible for the replacement order invoice since the defective item was unable to be evaluated for defects.

Region 4 Education Service Center
Request for Proposal; Solicitation Number 19-18
Furniture, Installation and Related Services

Attachment 2
Performance Capability

i. Exemplis LLC has included a detailed response to the "Response for National Cooperative Contract (OMNIA Partners)" in Exhibit A to this Attachment 2.

ii. If awarded a Contract, Exemplis LLC will sign the OMNIA Partners Administration Agreement.

- Exemplis LLC does not have any exceptions to the OMNIA Partners Administration Agreement.

iii. Exemplis LLC has included the completed Principal Procurement Agency Certificate, Federal Funds Certifications, and New Jersey Business Compliance Forms in our Request for Proposal Response.

iv. Exemplis LLC's entire manufacturing platform is built on speed and being able to manufacture all orders in 2, 5 or 10 days. If an order needs expediting, our dedicated Customer Experience Team will walk the order through the Supply Chain Team and move it up in the production schedule. If requested from a Region 4 ESC Member, our Logistics Team will use an expedited freight service to allow for quicker delivery. The cost for this expedited freight service will be negotiated on a per order basis.

v. Exemplis LLC is proud to say we are the largest seating manufacturer (by units) in the United States (BIFMA 2018). We manufacturer and ship 7,000 – 9,000 Products a day. Our Order Entry Team enters approximately 375 new Orders a day.

vi. Exemplis LLC's Manufacturing and Logistics Teams have a daily, monthly and annual goal of hitting a 100% complete and on-time delivery rate. Based on the complexities of production and shipping, we average a 98.5% complete and on-time delivery rate. We have a long history of using only the best regional, LTL and long-haul carriers in the United States and Canada to ensure consistency and reliability for delivering on-time.

vii. Return and Restocking Policy

Authorization for returns must be requested from and approved by Exemplis LLC prior to the return of the merchandise. Returns are subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted by Exemplis LLC.

viii. Exemplis LLC warrants to the original customer that the product(s) will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week). Exemplis LLC will repair or replace with a comparable part or product, without charge to the original purchaser, only defective parts or products found defective during the warranty period. If requested by Exemplis LLC, the original customer will return the part or product for review with freight or other shipping charges prepaid by Exemplis LLC. This warranty shall be effective for the applicable time period beginning from "date of manufacture" as shown on the manufacturer label underneath each product.

Exemplis LLC shall pay for all pre-approved labor costs.

Exemplis LLC has a Warranty Department staffed with fifteen Warranty Specialists to quickly and effectively assist our customers with any warranty-related claims and questions. Exemplis LLC, as the manufacturer, manages all communication between the dealer and customer. Either Exemplis LLC or an authorized dealer will handle all warranty returns and/or on-site repairs at no cost to Region 4 ESC.

ix. **Customer Service**

Exemplis LLC's Customer Experience Team is based in our corporate office in Cypress, California and in our regional office in Tampa, Florida. The Team is structured to be certain we always have someone available and familiar with the product and the territory that the inquiry originates from. Our Customer Support team is available from 5:00 am to 5.00 pm Pacific Standard Time via our toll-free number at 888-274-8664 or by e-mail at sitonit@exemplis.com. Our Team is committed to responding to emails and messages within a few hours.

Exemplis LLC's Customer Experience Team is structured to ensure timely response and quick resolution. Our Team is empowered to swiftly resolve issues and provide customized solutions as customers' needs vary. Our Customer Experience Representatives stay with matters from start to finish avoiding having to pass on or explain an item multiple times.

We train our Team to empathize with the dealer and customer and understand the issue from their perspective. We have provided our Customer Experience Team elevation guidelines for specific issues to ensure responses are timely back to our customers. In addition, our Team has access to all internal departments, personnel and management to dig into specific issues to gain resolution.

Exemplis

x. Exemplis LLC's invoicing process starts once the order is shipped and closed. At that time, the invoice is automatically generated and electronically distributed to the contact listed on the Purchase Order (or printed for mailing if requested). Our payment terms are 1%, Net 10; Net 30. Our Payment Methods include:

- EFT
- ACH (Electronic Check or Debit)
- Wire Transfer
- Credit Cards will be accepted with a 3% processing fee

xi. Exemplis LLC will aggressively market the Region 4 ESC contract to our authorized dealer network and Region 4 ESC Members. Our authorized dealers currently call on and sell to customers who are Region 4 ESC Members.

We will encourage new member sign up for any opportunity that may be valid through the contract.

- We would inform potential new members about the discounting and benefits of using the Region 4 ESC contract

xii. Exemplis LLC is a privately held company established in 1996. Since inception, we have been profitable. With a signed NDA, we are more than willing to share our audited financials. Please find the Letter of Good Standing from JPMorgan Chase Bank included in our Request for Proposal Response as Exhibit B to this Attachment 2.

xiii. The websites for our three Product Brands are:

- SitOnIt Seating:
  - www.sitonit.net
- IDEON Soft Seating:
  - www.ideondesign.com
- Symmetry Office:
  - www.symmetryoffice.com

Exemplis LLC receives positive feedback for our user-friendly and intuitive Product Brand websites from our authorized dealer network and customers. The websites are helpful in

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

educating dealers and customers on our Products, contracts, sustainability practices, and corporate culture. The websites provide a visual walk through of all Product options and features. Our Chairbuilder & Productbuilder tools allow dealers and customers to easily configure a desired Product by selecting options including arm styles, colors, mechanisms, textiles, and other additional options. Once fully configured, the dealer or customer will obtain a real-time visual of the product with full specifications and list pricing.

Exemplis LLC is eCommerce ready. We just launched our B2B eCommerce enhancements on our B2B website.

- Our current capabilities are as follows:
    - Customer and/or dealer can use our industry leading web based B2B Commerce website with inbuilt Configurator to visualize and spec product
    - Multi-line quotes can be created, saved and shared via the website
    - Pricing is determined based on the contracts applied
    - Product lead time / Estimated delivery date can be checked prior to placing order
    - Order can be placed using the B2B Website and will integrate into our ERP system
    - Xml and/or sif file can be extracted to be used by customer/dealer to upload into their system, (this functionality will be ready in 2-3 months)
    - Full customer integration into the quote sharing / order placement / commerce flows is planned to be added over the next 6-12 months – this will allow for direct bill scenario (where we bill the customer directly with a participating dealer doing the service/installation) or dealer billed scenario (where the dealer bills the customer and we bill the dealer)
- Catalog is hosted on our website – we plan to enhance it to allow customer specific catalogs in the next 6-12 months
- Purchase order can be placed on the website and will flow into our backend system. A download file can be extracted on the website to be used by customer/dealer to update their system (ETA 2-3 months). We also have the capability to send an order acknowledgement via webservice calls using OFDA xml standards

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis®

- We are planning to add invoice transmission capabilities using OFDA xml webservices in the next 3-4 months. We can also evaluate adding EDI and/or cXML formats in similar timeframe

Dealers and customers are able to track their orders and shipments directly from our website. We have a dealer portal where dealers can enter warranty claims and other pre and post-order activities.

xiv. Exemplis LLC is committed to the safety of all employees. In recent years we have taken more proactive steps to ensure our employees are safeguarded from known hazards. These steps include safety awareness training, root cause analysis on all incidents, and immediate corrective action. Our injuries are non-life threatening in nature and primarily consist of strains to the upper body from the physical and repetitive nature of the job. To address these types of injuries we have implemented a new stretch program designed by physical therapists tailored to the specific job functions. We also continue to look for opportunities to implement ergonomic improvements to avoid such injuries. Beside the specific steps we have taken to address our main type of injuries, we have also implemented a practice where employees at all levels are responsible for safety observations and conducting safety audits to identify opportunities for improvement in our overall safety and compliance.

xv. **Additional Performance Capabilities**

Exemplis LLC is meeting the growing demand for custom, build-to-order seating, benching and table solutions. We design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for business, healthcare, government and education.

Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic chairs and ship them quickly. We manufacture over 7,000 chairs per day, built exactly the way you want, with absolute attention to quality. Executive, conference, task, multipurpose and lobby seating – we've got it all. Our nimble size and lean manufacturing operation mean speed in sourcing, warehousing, assembly, and logistics that other manufacturers just can't match. This makes us the fastest in the industry, shipping office and lounge seating in 2, 5 or 10 days.

Our Symmetry Office Brand offers the latest solutions for tables, benching, storage, sit/stand solutions and office furniture accessories. This new Brand provides solutions that help people work more comfortably in their work spaces. Our goal is to strike balance between the basic work areas that today's work stations and desk provide, and the tools that people really need to make those spaces work for them.

EXHIBIT D

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE, EXAMPLE

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE

In its capacity as a Principal Procurement Agency (as defined below) for National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), [Exemplis LLC] agrees to pursue Master Agreements for Products as specified in the attached Exhibits to this Principal Procurement Agency Certificate.

I hereby acknowledge, in my capacity as Vice President, Finance of and on behalf of [Exemplis LLC] ("Principal Procurement Agency"), that I have read and hereby agree to the general terms and conditions set forth in the attached Master Intergovernmental Cooperative Purchasing Agreement regulating the use of the Master Agreements and purchase of Products that from time to time are made available by Principal Procurement Agencies to Participating Public Agencies nationwide through OMNIA Partners, Public Sector.

I understand that the purchase of one or more Products under the provisions of the Master Intergovernmental Cooperative Purchasing Agreement is at the sole and complete discretion of the Participating Public Agency.

EXHIBIT F

FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;

(b) Is not organized primarily for profit; and

(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30

CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non - Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES PF Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that

offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

NEW JERSEY BUSINESS COMPLIANCE

Suppliers intending to do business in the State of New Jersey must comply with policies and procedures required under New Jersey statues. All offerors submitting proposals must complete the following forms specific to the State of New Jersey. Completed forms should be submitted with the offeror's response to the RFP. Failure to complete the New Jersey packet will impact OMNIA Partners, Public Sector's ability to promote the Master Agreement in the State of New Jersey.

DOC #1 Ownership Disclosure Form

DOC #2 Non-Collusion Affidavit

DOC #3 Affirmative Action Affidavit

DOC #4 Political Contribution Disclosure Form

DOC #5 Stockholder Disclosure Certification

DOC #6 Certification of Non-Involvement in Prohibited Activities in Iran

DOC #7 New Jersey Business Registration Certificate

New Jersey suppliers are required to comply with the following New Jersey statutes when applicable:

- all anti-discrimination laws, including those contained in N.J.S.A. 10:2-1 through N.J.S.A. 10:2-14, N.J.S.A. 10:5-1, and N.J.S.A. 10:5-31 through 10:5-38;

- Prevailing Wage Act, N.J.S.A. 34:11-56.26, for all contracts within the contemplation of the Act;

- Public Works Contractor Registration Act, N.J.S.A. 34:11-56.26; and

- Bid and Performance Security, as required by the applicable municipal or state statutes.

DOC #1

OWNERSHIP DISCLOSURE FORM

Date ***Authorized Signature and Title***

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.

3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Required Pursuant to N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: 19-18 **Bidder/Offeror:** Region 4 Education Service Center

PART 1: CERTIFICATION
BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.
FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf. Bidders **must** review this list prior to completing the below certification. **Failure to complete the certification will render a bidder's proposal non-responsive.** If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

PLEASE CHECK THE APPROPRIATE BOX:

☑ **I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed** on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. **I will skip Part 2 and sign and complete the Certification below.**

OR

☐ **I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below.** Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN
You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

Taxpayer Identification# **330-697-684/000**

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Fruscione

OMNIA Partners – Response for National Cooperative Contract

3.0 Company Response

3.1 Company

- Brief History and description of your Company:

  - Exemplis LLC was founded in 1996 by two entrepreneurs from the office furniture industry who saw a huge opportunity for quick, mass-customized ergonomic task seating at a value price. With just three employees, a fax machine and a bell that was rung every time a chair came down the conveyor belt, it was humble start to what is now a 700+ team with showrooms across the nation.

  - Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic office furniture and ship them quickly.

  - Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We perfectly design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments.

  - Most of our products are developed and sustainably built in the United States & Mexico from regionally and globally sourced materials.

  - Since our inception, we have stayed on the cutting edge of innovation by listening to customers and creating modern seating products that meet their needs, allowing us to become a successful $325+ MM business in Orange County, California.

Exemplis

- Describe any green or environmental initiatives or policies:

  - As an industry innovator, Exemplis LLC's executive management team views sustainability as essential to its core business and values. We have engrained that philosophy from the top down organization-wide. Our lean manufacturing practice, along with 'Rapid Continuous Improvement' processes provides the foundation of our sustainability strategy by linking eliminating waste, conserving resources, responsibly designing product for durability and extended life and offering an 'End of life' take-back program.

  - All SitOnIt Seating and IDEON Soft Seating products have been tested and certified by the GREENGUARD Environmental Institute for meeting safe indoor air quality emissions recognized by the USGBC LEED rating system. Furthermore, all products have been certified to the even more stringent levels required by the GREENGUARD Children & Schools in accordance with the Collaborative for High Performance Schools (CHPS). We also demand all of our textile vendors to be GREENGUARD certified, to ensure that our products will have none or little VOCs.

  - Exemplis LLC's manufacturing facility, processes and practices are world class and by the nature of being a "Mass Assembler" we are inherently going to be greener than those manufacturers who do some of their own vertical component production (i.e. dipping frames into caustic chrome).

  - Exemplis LLC is committed to improving energy conversation and efficiency which includes reducing our overall energy consumption and greenhouse gas emissions. It is our policy to continuously improve upon and regularly monitor our energy performance; acting in accordance with all current and future local, state and national legislation required of our operations in this area.

  - The Exemplis LLC Supply Chain team has built-in goals and incentives to source components with higher recycled content and from regional partners. On average, SitOnIt Seating and IDEON Soft Seating products have anywhere from 10% - 20% recycled content in the finished product. With any component we buy, besides the percentage of recycled content, our greatest priority is the quality and craftsmanship of the component.

  - Reducing the environmental impact of our products begins with our new product development process. All new products or major design modifications on existing products go through our Design for Environment (DFE) process which seeks to incorporate energy and water efficiency, renewable, recycled, recyclable and biodegradable materials, and to account for end of life impacts. As part of this process, we also incorporate Design for Durability/Upgradeability (DFDU) into all

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

products. Our products are designed to have a long and useful life and are manufactured to withstand repeated service, repair and handling. To facilitate maintenance, servicing and reassembly, replaceable components are standard features of our products, making them easy to refurbish and upgrade for multiple uses by the original or future users. We are also one of a few manufacturers who stands behind their lifetime warranty and will, upon approval, pay for the labor on warranty replacements.

- In 2014, we achieved the ultimate recognition for our sustainability efforts by attaining ANSI-BIFMA e3 Furniture Sustainability Standard LEVEL 1 certification for our plant and all SitOnIt Seating and IDEON Soft Seating products. Please visit www.spot.ul.com for verification of Exemplis LLC's sustainable production processes and LEVEL 1 certifications.

- Within the past year, Exemplis LLC attained the highly coveted ANSI-BIFMA e3 Furniture Sustainability Standard LEVEL 2 certification.

- We are not only environmentally mindful of our production process and being as efficient with raw materials and waste, but that also trickles down to how we package and ship our product. We can ship a few different ways, blanket wrapped, KD (knocked down in a small box), partially assembled or fully assembled. We prefer blanket wrapping as the most environmentally and economically friendly option, but if that is not possible, the KD or partially assembled box is going to be significantly smaller than what most other manufacturers are able to achieve with their cartons.

- In terms of "End-of-life strategy" for products, Exemplis LLC has a few options for OMNIA Partners members. We have a Take-Back Program to minimize product waste and make being environmentally responsible easy for our customers. To honor this, we have partnered with the nonprofit environmental organization ANEW to offer a return program for surplus product, regardless of condition.

- If a customer chooses to embark on the recycling effort on their own, Exemplis LLC has chair disassembly instructions (PDF) for safer, environmentally conscious disposal. The End of Life Recovery Options matrix (PDF) provides a precise explanation of materials used in various products, examples of components, recycling notes and where to find a recycling outlet nearest your member so they can dispose of the chairs in an eco-friendly manner.

- Please find our Social Responsibility Report attached to this Document for additional information on our environmental and sustainability initiatives (Appendix 2 to Exhibit A).

Exemplis

- Describe any diversity programs or partners Company does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program:

    - Exemplis LLC is in process of improving our diversity team to help capture the diverse status of our supply chain partners and authorized dealers. Since our founding in 1996, we constantly strive to partner with diverse suppliers and dealers throughout the country. Our Supply Chain philosophy is to promote fairness and encourage diversity in the procurement process.

    - The Authorized Dealer List included in our response (see Exhibit B to Attachment 3) indicates what dealers are diverse (minority, women-owned, veteran owned, service-disabled veteran owned, etc.). This list will continue to be improved upon as our diversity team implements an electronic outreach to our authorized dealers in order to obtain their diversity status. Our 2020 goal is for our sales team to be in constant communication with our diversity team to obtain clarification on what dealer is/isn't diverse.

    - In addition, Exemplis LLC will actively evaluate new diverse dealers as we continue to develop our authorized dealer network.

    - Exemplis LLC's customer discounting will not change based upon a customer working with a diverse dealer.

- Describe any historically underutilized business certifications Company holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.:

    - Exemplis LLC is considered a Small Business under the United States Small Business Administration. We have approximately 700 employees.

        - There is no certification given to Small Businesses by the United States Small Business Administration.

        - Please find our status located here:

Exemplis

- Describe how Company differentiates itself from its competitors:

  - With the fastest lead time in the industry – 2, 5, or 10 days – Exemplis LLC offers high-quality office furniture solutions that combine award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for build-to-order seating since 1996 and benching, tables, sit/stand solutions, and other ergonomic accessories since 2018.

  - Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder and ProductBuilder tools let the customers design their dream office furniture products with just a few clicks.

  - Discover seating engineered for the customer. Experience responsive design, supreme comfort and hyper-customizable features—all at value-driven prices.

  - Exemplis LLC's "Go-To-Market" distribution model is unique to the office furniture industry. We partner with the best dealers across the spectrum of contract manufacturers (Herman Miller, Haworth, Steelcase, Knoll, etc.). Most of our competitors have limited distribution (one to two dealers) in a any given market, whereas we partner with a multitude of the best dealers in that same market.

  - Because we are the largest seating manufacturer in the industry, we have solid relationships with all textile mills. Based on those relationships, we are able to offer 15,000+ graded-in textile options at a fraction of the price our competitors can offer to their customers.

  - Management of our COM process from specifying to ordering to execution is par excellence to any competitor in the industry.

  - Exemplis LLC designs, develops, and manufactures products with a customer's well-being, ergonomics, and comfort in mind. The inherent benefits of these ergonomic products being used effectively increases a customer's productivity and overall satisfaction.

  - Choose from 2, 5 or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

  - Exemplis LLC was voted Best Customer Service by the Office Furniture Dealer Alliance three times in the past five years. Our core belief from start to finish is that

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

our customer always comes first. Everything we design—whether it's lumbar support or customer support—is crafted with the customer in mind.

  - Exemplis LLC operates as a company that puts its employees first. In 2017, we were named one of Orange County's Top Workplaces for the year. We owe our success to each and every one of our talented employees and their hard work.

- Describe any present or past litigation, bankruptcy or reorganization involving Company:

  - Exemplis LLC is involved in legal proceedings and litigation arising in the ordinary course of business. In the opinion of management, the outcome of such proceedings and litigation currently pending will not materially affect the company's consolidated operations, cash flows and financial condition.

  - Exemplis LLC has never filed for bankruptcy since its inception in 1996

  - Exemplis LLC has went through a couple reorganizations since its inception in 1996:

    - February 1996 - SITONIT was incorporated
    - November 2007 - SITONIT changed its name to Exemplis Corporation
    - March 2015 – Exemplis Corporation converted to Exemplis LLC

- Felony Conviction Notice:

  - Exemplis LLC is not owned or operated by anyone who has been convicted of a felony.

- Describe any debarment or suspension actions taken against Company:

  - Exemplis LLC has never been debarred or suspended by any customer or under any contract.

3.2 Distribution, Logistics

- Describe the full line of Products and Services offered by Company:

  - Exemplis LLC offers three broad and innovative product brands to our customers: SitOnIt Seating, IDEON Soft Seating and Symmetry Office.

    - Our SitOnIt Seating Product Brand offers task, executive, conference, guest, stack, nesting, and cafe/task stool seating.

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

- Our IDEON Soft Seating Product Brand offers lounge seating, modular seating, benches, ottomans and occasional/cube tables. Our extensive line of tables for hospitality and public spaces is listed within our IDEON Soft Seating Price Guide.

- Our Symmetry Office Product Brand offers benching, tables, storage units, sit/stand solutions and office furniture ergonomic accessories.

- Exemplis LLC offers the following services to our customers at no additional cost:

  - Space planning/Spec writing/Budget estimation tools & services

  - Provide sample mock-ups for customer evaluations

  - ChairBuilder:

    - Our on-line quote generator designed to specify SitOnIt Seating & IDEON Soft Seating products on the go or on the spot. Customer can product a list price, complete with the part number, with several easy clicks

  - ProductBuilder:

    - Our on-line quote generator designed to specify Symmetry Office products on the go or on the spot. Customer can product a list price, complete with the part number, with several easy clicks

  - Our award-winning Customer Experience Team empowered to swiftly resolve issues and provide our customers with a positive experience.

- Describe how your company proposes to distribute the products/services nationwide. Include any states where Products and Services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas:

  - Exemplis LLC plans to use our authorized dealer network to sell and distribute our products to our customers. We have over 2,000 dealer partners around the country; strong representation in every major, secondary and tertiary market in the United States and Canada. We will leverage our distribution network by supplying our sales force with the upfront contract training, co-branded marketing material and other tools to assist in pre/post sales cycle. That is our macro-strategy, but we would also target our top 5 dealers in every market for a deeper, targeted selling & distribution approach, which could be done in conjunction with the OMNIA Partners regional business development managers.

Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

- Exemplis LLC has prioritized 5 key dealers per market in the United States. We have 29 markets in the United States. Our Sales Directors will work with the Sales Representatives with these 5 key dealers identified per market to distribute our products to OMNIA Partners members nationwide. These 5 dealers per market are also typically our largest dealers in each market and are dealers that also strategically work with us to build our mutual sales. These 5 key dealers are also typically some of the largest commercial furniture dealers in the market and in many cases will likely have sales history with many of the OMNIA Partners members.

- Exemplis LLC will provide product samples, literature, training and any other collateral needed for these dealers. In addition, our representatives will share OMNIA Partners member lists, make joint calls, as well as bring in OMNIA Partners representatives into these dealerships for additional training. After these 5 dealers per market have been trained and vetted, sales representatives will reach out to other dealers, expanding our reach and digging deeper into the OMNIA Partners member lists for exposure.

- Exemplis LLC shall offer our products across the nation, including U.S. Territories and Outlying Areas.

- Describe how Participating Agencies are ensure they will receive the Master Agreement pricing; including all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

  - Exemplis LLC's sales force and authorized dealer network will be informed of the contract details immediately upon a potential Contract Award. We will hold webinars, release e-mail blasts, and distribute key contract information sell sheets to our nationwide sales team within the first 90 days of Contract Award. This will ensure Participating Agencies will receive accurate contract pricing utilizing the approved price books.

  - Our distribution partners use sophisticated specification software tools like Giza, CAP, 20/20 and our Chairbuilder/Productbuilder tool to generate bill of materials, spec sheets and quotes/proposals. The Chairbuiler/ProductBuilder tool can found on our customer-facing web-sites (www.sitonit.net ; www.ideondesign.com ; www.symmetryoffice.com). These quotes will usually have a product description, full model number, list price, contract discount and net price. The model numbers and pricing can be independently verified by using the commercial price guide and applying contract discount or by using our Chairbuilder/Productbuilder tool and then apply the contract discount.

Exemplis

- All Participating Agency purchase orders shall be issued to our authorized dealer network. The authorized dealer would then issue a purchase order to Exemplis LLC. The purchase order must identify a unique "Terms Variance Number" directly associated with this Contract and discounting structure. This will ensure the correct discounting and price book have been applied to qualified purchase orders.

- The Participating Agency shall be able to verify and audit pricing by visiting Exemplis LLC's web-landing pages on our public-facing websites. These web-landing pages will include:

    - Approved price books
    - Contract discounting
    - Contract number
    - Contract term
    - Approved products
    - Other related contract information

- Identify all other companies that will be involved in processing, handling or shipping the Products/Services to the end user:

    - Exemplis LLC utilizes partner carriers to transport its products to our customers. The assignment of a carrier to a specific order is based on order characteristics including customer location, order size and weight, delivery / transit requirements, and any special delivery service requirements. The partner carriers consist of:

        - Concord
        - Pacific Logistics
        - UPS Freight
        - CAN Trans
        - Transportation of America
        - A Duie Pyle
        - Averitt Express
        - LME
        - Mark IV
        - Mountain Valley
        - Pitt Ohio
        - Ward Trucking
        - FedEx Express
        - FedEx Ground
        - Cargo Solutions
        - Cargo Transporters
        - CPL Express
        - EverFresh

- Provide the number, size, and location of your company's distribution facilities, warehouses and retail network as applicable:

  - Exemplis LLC currently occupies two distribution/warehouse facilities in Southern California, two distribution/warehouse facilities in Florida, and one distribution/warehouse facility in Mexico:

    - Buena Park, California – 224,000 Square Feet
    - La Mirada, California – 64,000 Square Feet
    - Tampa, Florida (Solar Drive) – 29,000 Square Feet
    - Tampa, Florida (Depot Lane) – 15,000 Square Feet
    - Tijuana, Mexico – 200,000 Square Feet

  - We offer delivery coverage to all points within the Continental United States and Canada utilizing its bench of carriers. Shipping requests to Alaska, Hawaii, and other U.S. Territories and Outlying Areas can be accommodated, but may result in additional fees to the customer.

3.3 Marketing and Sales

- Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as your company's primary go to market strategy for Public Agencies to your teams nationwide:

  - In the first 10 days, Exemplis LLC will make an announcement with executive quotes to:

    - Our own sales force
    - Our authorized dealer network
    - Our dealer sales representative network
    - Our architectural and design network
    - OMNIA Partners Members (by e-mail with prior approval from OMNIA Partners)

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

- Exemplis LLC, with input from our executive team and OMNIA Partners, will host a webinar in the first 90 days for our sales team. This webinar will cover the following topics:
    - Announcement of new Contract
    - Review terms of new Contract
    - Discussion of collateral material, including brainstorming design and publication efforts in future trade publications
    - Review sales strategies to drive volume through new Contract

- Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Company, as well as to prospective Public Agencies nationwide immediately upon award:
    - Press Release:
        - Exemplis LLC with partner with OMNIA Partners to develop and distribute a co-branded press release to trade publications within the first 30 days
    - Exemplis LLC web-landing pages:
        - Exemplis LLC shall publish all contract-related information (discounting, contract number, contract term, approved products, approved price lists, contact information, etc.) on our dedicated web-landing pages within the first 90 days
    - Marketing Materials:
        - Exemplis LLC's Marketing Team will work closely with OMNIA Partners to develop co-branded marketing materials within the first 90 days
        - Exemplis LLC shall continue to update and release marketing materials to promote this Agreement throughout its term. This will include:
            - Case studies
            - Collateral pieces
            - Presentations
            - Promotions
            - Education seminars for our Sales Team

Exemplis

- NIGP participation:
  - Exemplis LLC shall participate with OMNIA Partners at the NIGP Annual Form and other related regional events, chapter meetings, and trade shows. Exemplis LLC shall provide marketing and promotional guidance during the term of the Master Agreement
- Exemplis LLC shall continue to design and publish advertisements in trade publications for years to come (including the entire term of the Agreement)
- Ongoing Marketing and Promotion of Master Agreement:
  - Exemplis LLC shall continue to update and release marketing materials to promote this Agreement throughout its term. This will include:
    - Case studies
    - Collateral pieces
    - Presentations
    - Promotions
    - Education seminars for our Sales Team
- Dedicated homepage:
  - Exemplis LLC shall host dedicated OMNIA Partners landing sites within 30 days under our contracts section of our websites
  - These landing pages will include:
    - OMNIA Partners standard logo
    - Copy of the original RFP
    - Copy of the Master Agreement
    - Summary of products and pricing
    - Marketing collateral
    - Customer Contract Summary Sheets
    - Applicable Price Books
    - Link to OMNIA Partner's online registration webpage
    - Dedicated email address and toll-free number to our corporate office

Exemplis

- Describe how Company will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Company holds and describe how the Master Agreement will be positioned among the other cooperative agreements:

    - Exemplis LLC will aggressively market the OMNIA Partners Agreement to our dealer community and OMNIA Partners Members and prospective current non-members. Our dealer community currently calls on and sells customers who are either members of OMNIA Partners or prospective members. Knowledge of the Agreement will present customer opportunities for OMNIA Partners from members of many other purchasing cooperatives. Our dealers are typically familiar with various purchasing cooperatives due to their aligned manufacturer relationships. We will position OMNIA Partners as our lead co-op and encourage member sign up for any opportunity that may be valid through the OMNIA Partners Agreement.

    - Exemplis LLC currently holds three cooperative agreements:

        - OMNIA Partners, Public Sector (Lead Agency Norfolk Public Schools)
        - OMNIA Partners, Public Sector (Lead Agency Region 4 ESC)
        - BuyBoard

    - The Omnia Partners Agreement would be our key strategic purchasing cooperative agreement. Our other two OMNIA Partners Agreements are sunsetting in early 2020. As a result, this new Agreement would be our lead/primary cooperative contract to promote nationally.

        - Exemplis LLC considers BuyBoard a regional contract (State of Texas) and is not promoted nationally.

- Acknowledge Company agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well:

    - High resolution logos shall be provided to OMNIA Partners by Exemplis LLC.

    - Exemplis LLC agrees to require prior permission from OMNIA Partners before the OMNIA Partners logo is used in any marketing and promotional materials.

- Confirm Company will be proactive in direct sales of Company's Products and Services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo:

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

- OMNIA Partners member outreach:
    - Our dealers and Sales Team will strategize and target current and new OMNIA Partners members to promote the Agreement by:
        - Reviewing the key terms of the Agreement
        - Discussing the benefits of cooperative purchasing
        - Providing samples, product literature, and pricing
- Exemplis LLC's Sales Team shall follow up on all leads provided by OMNIA partners within 24 hours of receiving the request.
- Exemplis LLC's Sales and Marketing Teams will include the following information on initial communications to an OMNIA Partners Member:
    - The Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency (Region 4 Education Service Center)
    - Best government pricing
    - No cost to participate
    - Non-exclusive contract
- Exemplis LLC will do an OMNIA Partner member outreach campaign by e-mail to raise awareness of our new Agreement.
- Exemplis LLC will concurrently run a launch promotion to drive buzz, attention, and quick adoption by our distribution partners.

- Confirm Company will train its national sales force on the Master Agreement:
    - Exemplis LLC confirms that we will promptly train our Sales Team on the following details:
        - Key features of Agreement
        - Working knowledge of the solicitation process
        - Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
        - Knowledge of benefits of the use of cooperative contracts.

- Provide the name, title, email and phone number for the person(s), who will be responsible for:
    - Executive Support

- Describe in detail how Company's national sales force is structured, including contact information for the highest-level executive in charge of the sales team:

    - Exemplis LLC's national sales force is structured starting with a strong, tenured management team consisting of a Vice President of Sales, a Vice President of Contract Sales, five Regional Directors, a Director of Government Sales, and a Director of Healthcare Sales. At the territory level, we have over 200 direct and independent reps who work directly with our channel distribution.

    - The highest-level executive in charge of the Sales Team is Tim Kiger; Vice President of Sales. His contact information is:

        - Phone: 714-995-4800
        - Email: tkiger@exemplis.com

- Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program:

    - The Sales Team will make introductory phone calls to OMNIA Partners sales people within first 30 days

    - The Sales Team will attempt to meet live with all OMNIA Partners sales people during first 90 days or as soon as logistically possible for both parties

    - The Sales Team and OMNIA Partners sales people will make joint sales calls in largest member end users during first six months

    - The Sales Team and OMNIA Partners sales people will make joint sales calls on our largest dealers, to educate and promote this new Agreement

    - Our regional field Sales Team will make targeted sales calls on OMNIA Partners members to promote the Agreement.

    - Collectively strategize with OMNIA Partners sales people to develop seasonal promotions to capture peak buying seasons.

    - The Sales Team will target the top 100 Omnia Partners members across the nation by providing additional focused marketing and sales efforts for those top accounts.

    - Contract promotion at the office furniture industry's largest events (NeoCon), NIGP, CAPPO and State/Local Office Furniture trade shows.

Exemplis

- Explain in detail how Company will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.:

    - First and foremost, Exemplis LLC's entire Executive Team have seen and embraced full potential of the OMNIA Partners relationship and how leveraging this partnership can magnify sales. Having full executive support is critical in building out a successful national program.

    - Exemplis LLC shall hold quarterly reviews with OMNIA Partners sales people to review sales metrics, marketing material refreshes, and brainstorm potential sales promotions and opportunities.

    - At the beginning of each calendar year, Exemplis LLC will set annual goals per market, insuring continued awareness and growth under this Agreement.

- State the amount of Company's Public Agency sales for the previous fiscal year. Provide a list of Company's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each:

    - Total Public Agency sales for FY 2018: $69 MM

- Describe Company's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions:
  - Exemplis LLC has implemented the Microsoft Dynamix AX ERP system in 2017. This ERP System has been customized to input purchase orders, generate customer acknowledgments, initiate work orders for our manufacturing facility, assist with shipments for all orders, and fully support billing and receivables.
  - Exemplis LLC accepts the following payment formats:
    - Check

6415 Katella Avenue

Exemplis

- Credit card (3% Processing Fee)
- ACH
- Wire Transfer
- EFT

- Provide the Contract Sales (as defined in Section 10 of the OMNIA Partners, Public Sector Administration Agreement) that Company will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales"):
    - Exemplis LLC has decided to not provide a specific Guaranteed Contract Sales amount for the initial three years of this Agreement.
        - $0.00 in year one
        - $0.00 in year two
        - $0.00 in year three
- Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement:
    - Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners):
        - Exemplis LLC in conjunction with our aligned dealers intends to respond to most end user solicitations with the negotiated "tiered" agreement pricing. We believe the negotiated discounting tiers are very favorable to end users.
    - If competitive conditions require pricing lower than the Agreement pricing, Company may respond with lower pricing through the Master Agreement. If Company is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement:
        - When competitive conditions require lower pricing than the Agreement pricing, Exemplis LLC will first understand the project scope, scale and competitive landscape and then strategically decide whether it is appropriate to extend deeper than the Agreement pricing.
    - Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners):

6415 Katella Avenue
Suite 200
Cypress, CA 90630
714 995 4800
www.exemplis.com

Exemplis

- Exemplis LLC and our dealer network will qualify pre-sales/solicitation whether the OMNIA Partners member is open to using the Agreement, if so, we intend to use the negotiated discount. If not, we will use commercial project pricing to respond.

- If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as an alternative or additional proposal.

    - In this scenario, Exemplis LLC and aligned dealer would only respond with Agreement pricing.

Predictive Scores

D&B VIABILITY RATING SUMMARY

The D&B Viability Rating uses D&B's proprietary analytics to compare the most predictive business risk indicators and deliver a highly reliable assessment of the probability that a company will go out of business, become dormant/inactive, or file for bankruptcy/insolvency within the next 12 months. The D&B Viability Rating is made up of 4 components:

Viability Score

Compared to All US Businesses within the D&B Database:

- Level of Risk: **Low Risk**
- Businesses ranked **4** have a probability of becoming no longer viable: **5 %**
- Percentage of businesses ranked **4: 14 %**
- Across all US businesses, the average probability of becoming no longer viable: **14 %**

Portfolio Comparison

Compared to All US Businesses within the same MODEL SEGMENT:

- Model Segment : **Established Trade Payments**
- Level of Risk: **Moderate Risk**
- Businesses ranked **5** within this model segment have a probability of becoming no longer viable: **5 %**
- Percentage of businesses ranked **5** with this model segment: **11 %**
- Within this model segment, the average probability of becoming no longer viable: **5 %**

CREDIT CAPACITY SUMMARY

This credit rating was assigned because of D&B's assessment of the company's creditworthiness. For more information, see the

D&B Rating Key

D&B Rating: 1R3

Number of employees: 1R indicates 10 or more employees

Composite credit appraisal: 3 is fair

The 1R and 2R ratings categories reflect company size based on the total number of employees for the business. They are assigned to business files that do not contain a current financial statement. In 1R and 2R Ratings, the 2, 3, or 4 creditworthiness indicator is based on analysis by D&B of public filings, trade payments, business age and other important factors. 2 is the highest Composite Credit Appraisal a company not supplying D&B with current financial information can receive.

Number of Employees Total: 800 (40 here)

Payment Activity	(based on 53 experiences)
Average High Credit:	$13,797
Highest Credit:	$200,000
Total Highest Credit:	$499,550

1R4	02/02/2007
1R3	03/18/2003

D&B CREDIT LIMIT RECOMMENDATION

Conservative credit Limit: 500,000

Aggressive credit Limit: 1,000,000

Risk category for this business: MODERATE

Risk category for this business: : MODERATE

The Credit Limit Recommendation (CLR) is intended to serve as a directional benchmark for all businesses within the same line of business or industry, and is not calculated based on any individual business. Thus, the CLR is intended to help guide the credit limit decision, and must be balanced in combination with other elements which reflect the individual company's size, financial strength, payment history, and credit worthiness, all of which can be derived from D&B reports.

Risk is assessed using D&Bs scoring methodology and is one factor used to create the recommended limits. See Help for details.

FINANCIAL STRESS CLASS SUMMARY

The Financial Stress Score predicts the likelihood of a firm ceasing business without paying all creditors in full, or reorganization or obtaining relief from creditors under state/federal law over the next 12 months. Scores were calculated using a statistically valid model derived from D&B's extensive data files.

The Financial Stress Class of 4 for this company shows that firms with this class had a failure rate of 0.84% (84 per 10,000), which is 1.75 times higher than the average of businesses in D & B's database.

Financial Stress Class :

Financial Stress Class : 4

Low Risk:1 : High Risk:5

Moderately higher than average risk of severe financial stress, such as a bankruptcy or going out of business with unpaid debt, over the next 12 months.

Probability of Failure:

- Risk of Severe Financial Stress for Businesses with this Class: **0.84%** (84 per 10,000)
- Financial Stress National Percentile : **28** (Highest Risk: 1; Lowest Risk: 100)
- Financial Stress Score : **1434** (Highest Risk: 1,001; Lowest Risk: 1,875)
- Average Risk of Severe Financial Stress for Businesses in D&B database: **0.48%** (48 per 10,000)

The Financial Stress Class of this business is based on the following factors:

- Composite credit appraisal is rated fair.
- Low proportion of satisfactory payment experiences to total payment experiences.
- UCC Filings reported.
- High number of inquiries to D & B over last 12 months.
- High proportion of slow payment experiences to total number of payment experiences.

Financial Stress Percentile Trend:

Notes:

- The Financial Stress Class indicates that this firm shares some of the same business and financial characteristics of other companies with this classification. It does not mean the firm will necessarily experience financial stress.
- The Probability of Failure shows the percentage of firms in a given Class that discontinued operations over the past year with loss to creditors. The Probability of Failure - National Average represents the national failure rate and is provided for comparative purposes.
- The Financial Stress National Percentile reflects the relative ranking of a company among all scorable companies in D&B's file.
- The Financial Stress Score offers a more precise measure of the level of risk than the Class and Percentile. It is especially helpful to customers using a scorecard approach to determining overall business performance.

Norms	National %
This Business	28
Region: PACIFIC	52
Industry: MANUFACTURING	52
Employee range: 500+	61
Years in Business: 11-25	68

This Business has a Financial Stress Percentile that shows:

- Higher risk than other companies in the same region.
- Higher risk than other companies in the same industry.
- Higher risk than other companies in the same employee size range.
- Higher risk than other companies with a comparable number of years in business.

CREDIT SCORE SUMMARY

The Commercial Credit Score (CCS) predicts the likelihood of a business paying its bills in a severely delinquent manner (91 days or more past terms).

The Credit Score class of 4 for this company shows that 9.4% of firms with this class paid one or more bills severely delinquent, which is lower than the average of businesses in D & B's database.

Credit Score Class :

Credit Score Class : 4

Low Risk:1 ; High Risk:5

Moderate to high risk of severe payment delinquency over next 12 months.

Incidence of Delinquent Payment

- Among Companies with this Classification: **9.40%**
- Average compared to businesses in D&B's database: **10.20%**
- Credit Score Percentile : **28** (Highest Risk: 1; Lowest Risk: 100)
- Credit Score : **478** (Highest Risk: 101; Lowest Risk: 670)

The Credit Score Class of this business is based on the following factors:

- Proportion of slow payments in recent months
- Proportion of past due balances to total amount owing
- Increase in proportion of delinquent payments in recent payment experiences
- Higher risk industry based on delinquency rates for this industry

Credit Score Class Percentile Trend:

Notes:

- The Commercial Credit Score Risk Class indicates that this firm shares some of the same business and financial characteristics of other companies with this classification. It does not mean the firm will necessarily experience severe delinquency.
- The Incidence of Delinquent Payment is the percentage of companies with this classification that were reported 91 days past due or more by creditors. The calculation of this value is based on D&B's trade payment database.
- The Commercial Credit Score percentile reflects the relative ranking of a firm among all scorable companies in D&B's file.
- The Commercial Credit Score offers a more precise measure of the level of risk than the Risk Class and Percentile. It is especially helpful to customers using a scorecard approach to determining overall business performance.

Norms	National %
This Business	28
Region: PACIFIC	50
Industry: MANUFACTURING	62
Employee range: 500-38527	84
Years in Business: 11-25	66

This business has a Credit Score Percentile that shows:

- Higher risk than other companies in the same region.
- Higher risk than other companies in the same industry.
- Higher risk than other companies in the same employee size range.
- Higher risk than other companies with a comparable number of years in business.

Based on payments collected over the last 4 quarters.

Current PAYDEX for this Business is 77, or equal to 5 days beyond terms

The present industry median Score is 74, or equal to 9 DAYS BEYOND terms

Industry upper quartile represents the performance of the payers in the 75th percentile

Industry lower quartile represents the performance of the payers in the 25th percentile

PAYMENT HABITS

For all payment experiences within a given amount of credit extended, shows the percent that this Business paid within terms. Provides number of experiences to calculate the percentage, and the total credit value of the credit extended.

Credit Extended	Payment Experiences	Total Amount	% of Payments Within Terms
Over 100,000	2	300,000 %	
50,000-100,000	1	50,000 %	
15,000-49,999	3	60,000 %	
5,000-14,999	9	62,500 %	
1,000-4,999	11	20,000 %	
Under 1,000	10	4,200 %	

Based on payments collected over last 24 months.

Payment experiences reflect how bills are paid in relation to the terms granted. In some instances, payment beyond terms can be the result of disputes over merchandise, skipped invoices, etc.

PAYMENT SUMMARY

There are 53 payment experience(s) in D&Bs file for the most recent 24 months, with 31 experience(s) reported during the last three month period.

The highest Now Owes on file is 200000 . The highest Past Due on file is 5000

Below is an overview of the company's currency-weighted payments, segmented by it's supplier's primary industries:

Top Industries	Total Revd (#)	Total Amount	Largest High Credit	Within Terms (%)	1 - 30 Days Late (%)	31 - 60 Days Late (%)	61 - 90 Days Late (%)	91 + Days Late (%)

2018 Social Responsibility Report

SitOnIt • Seating® | IDEON®

Who we are

With the fastest lead time in the industry, SitOnIt Seating® and IDEON offer high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for built-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks. With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

Discover premium seating solutions—at a fraction of the price.

Our build-to-order promise

Custom-designed chairs, no waiting. Our lean manufacturing operation means we can ship build-to-order chairs in just two days. That means we can build the chair you want—and deliver it when you want it—at a price no one else can match.

Fastest shipping in the industry

Choose from 2, 5 or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

Letter from our Founder & CEO

At SitOnIt Seating® and IDEON®, we understand how important it is to get what you want – to have an idea and see it created.

We built a company to help you do just that.

SitOnIt Seating® is the leader in custom, affordable build-to-order seating. We offer dozens of models, hundreds of options and thousands of textiles so you can get exactly what you want. Our chairs are made with world-class style for maximum comfort by renowned designers and engineers (at a price that is much lower than you would expect).

We also know that when you decide what you want, you want it fast. Our innovative build-to-order system means your custom creation ships in 2, 5 or 10 days – a promise unmatched in the industry. Because our products meet the highest industry standards, we stand behind them with a lifetime warranty. That's part of our outstanding customer service experience before, during and after each sale.

We're a California company and have proudly manufactured our products here since 1994. Our state faces monumental environmental challenges, as do other parts of North America: air pollution, drought and declining space in landfills are part of our ongoing challenges.

We have committed ourselves to being part of the solution, not part of the problem.

Our GREENGUARD Gold certified products protect indoor air from harmful emissions. We use less water to make a chair than we did five years ago. Material waste including fabric scraps and other components are collected, sorted and given to local recyclers to use in post-consumer products. We've implemented a complete design for environment program (DFE) addressing renewable and recyclable materials, end-of-life management, water management and energy efficiency. We have achieved ANSI/BIFMA level® certification, the ultimate recognition of our sustainability efforts.

We'll continue to build what you want, when you want it. Just for you. And we'll continue to build a cleaner California, and a better, more sustainable world.

Paul DeVries

Founder & CEO

About our report

Thank you for taking the time to look through our second Social Responsibility Report.

SitOnIt Seating® and IDEON® are proud to announce our Sustainability Initiative and plans to continue achievement of the Business and Institution Furniture Manufacturing Association's (BIFMA) level® certification in several areas covering Materials, Energy & Atmosphere, Human & Ecosystem Health, and Social Responsibility. We will be assessing our products' conformance to the ANSI/BIFMA e3-2014 Standard.

We first received our (BIFMA) level® certification in 2013. This report is an opportunity for us to continue communicating to our stakeholders our efforts as we move towards becoming a more sustainable business while growing our operations, and continuously improve our sustainability performance.

We have identified our stakeholders to be our owners, employees, dealers, end-customers, suppliers, community, trade organizations, governmental and regulatory agencies, certifying bodies and consultants. The list was developed upon considering all groups who have influence over Company decisions and those who are impacted by Company decisions.

Years to come, we aim to provide our stakeholders with data and performance indicators that can be monitored over time and that are material to our operations.

This report contains Standard Disclosures and Performance Indicators from the GRI G4 Sustainability Reporting Guidelines. More information about the Global Reporting Initiative (GRI) can be found at globalreporting.org. To learn more about BIFMA level® certification, visit levelcertified.org.

We hope that you find our disclosures informative. We welcome any comments, feedback, or suggestions for improvement that you may have. You can do so by e-mailing us at sitonit@exemplis.com.

Thanks again, we appreciate your interest.

Environmental accountability

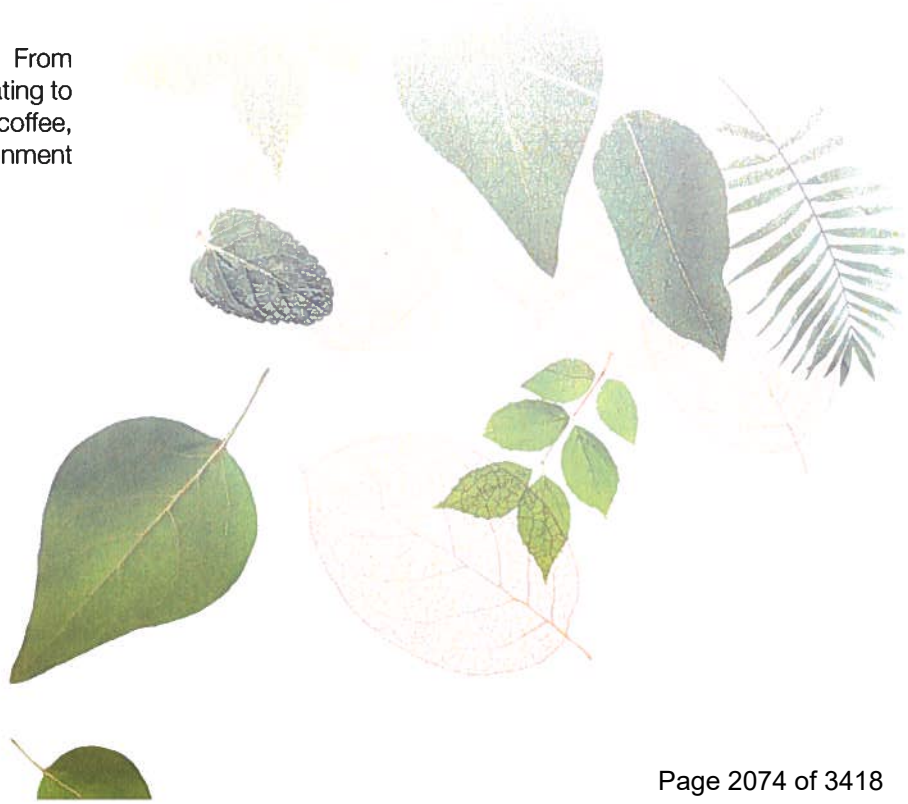
SitOnIt Seating® and IDEON® are dedicated to sustainability from the fabrics we select, the way we manufacture and how we run our corporate offices. Our efforts have been recognized by Managing Automation, which listed us as one of its "Progressive 50." We work hard to minimize the impact of our manufacturing and support a healthy workplace – for our employees and our planet. Our lean manufacturing practice provides the foundation of our sustainability strategy by linking elimination of waste, conservation of resources and responsibly-designed products for durability and extended life.

MATERIALS

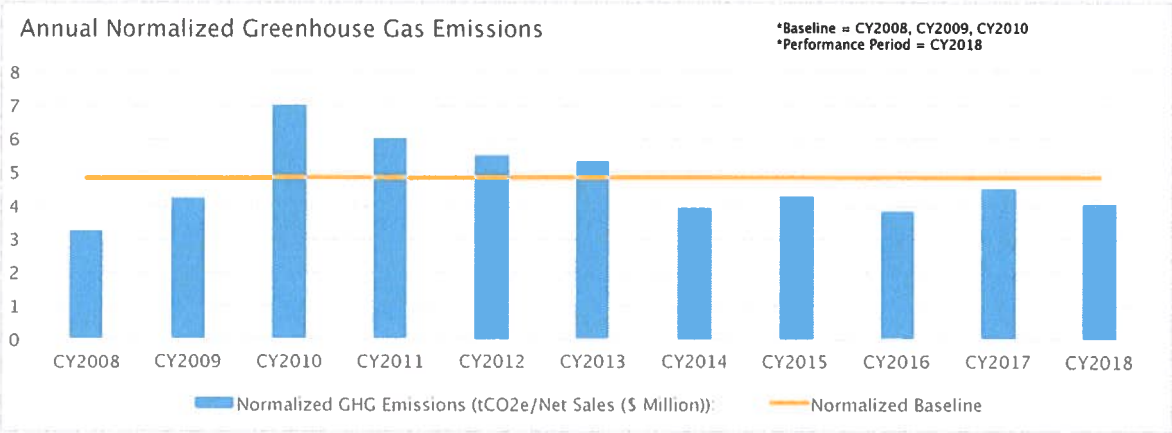
From the very beginning, our design and material selection process supports sustainability. Our fabric selection includes a variety of choices made of 100% recycled material. We manufacture with 10-20% recycled material. Our products contribute to achieving the LEED-CI Recycled Content Materials and Resources Credit.

MANUFACTURING

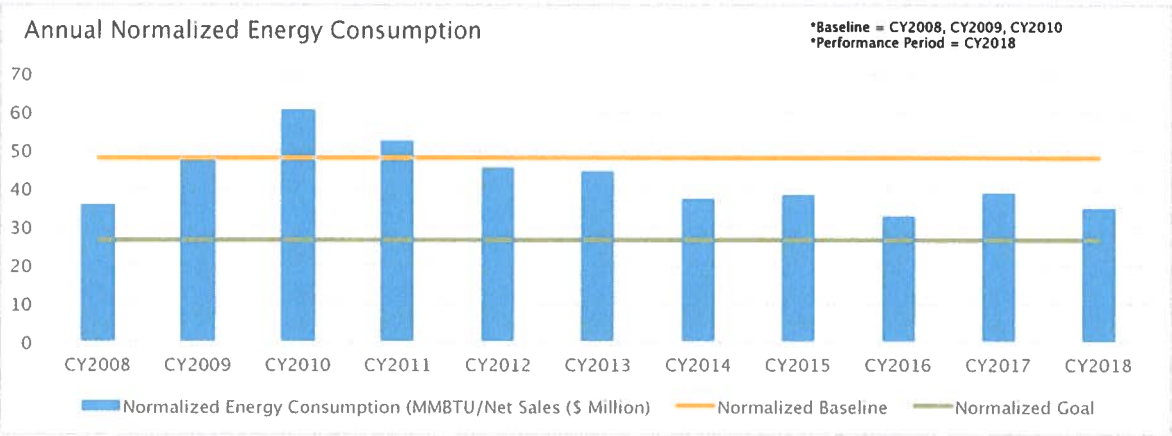
During assembly, our team uses environmentally-friendly water-based adhesives. Our precision design and state-of-the-art cutting machines minimize waste during production. And each month, we collect material waste like leather and fabric scraps, plastic drums, cardboard and metal and recycle them at local recycling centers.



SitOnIt Seating® and IDEON® seating products have been tested and verified by Underwriter Laboratories, Inc. (UL) and meet the GREENGUARD standards for indoor air-quality emissions.



CORPORATE



We run our business with sustainability in mind. From recycling office equipment and donating reusable seating to local schools to employees using their own mugs for coffee, many company-wide efforts are made with the environment in mind.

ENERGY & GREENHOUSE GAS EMISSIONS

We are committed to improving energy conservation and efficiency, which includes reducing our overall energy consumption and greenhouse gas emissions. It is our policy to continuously improve upon and regularly monitor our energy performance and to act in accordance with – if not exceed – all current and future local, state and national legislation required of our operations in this area. We will set objectives and targets directly related to energy conservation which will be reviewed at least annually. To hold ourselves accountable to these internal goals, we will be transparent with our performance metrics, reporting our performance to our stakeholders through publicly available, voluntary reporting outlets.

DRIVE FOR EFFICIENCY

SitOnIt Seating® and IDEON® have set a 40% reduction goal for normalized energy consumption at our facilities. We are hopeful we will reach this target by the year 2025. In order to achieve this, we have begun, and will continue, to implement energy savings projects to reduce our energy consumption. See the metrics we use to track both our energy consumption and greenhouse gas emissions (GHGs).

In addition, SitOnIt Seating® and IDEON® have committed to purchasing Renewable Energy Certificates (RECs) to offset a portion of the energy consumed from our manufacturing operations on an annual basis. For 2018, 669 MWh of Green-e certified RECs were purchased to account for a little over 20% of our electricity consumption. To learn more about RECs, please visit epa.gov/greenpower/gpmarket/rec.htm.

The normalized reductions we achieved from our 2008-2010 established baseline for energy consumption and greenhouse gas emissions for the 2018 reporting year were 27.8% and 16.8%, respectively.

TRANSPORTATION

SitOnIt Seating® and IDEON® are committed to reducing transportation related emissions through idling reductions, carrier selection and reductions in unnecessary intercompany movement. Attention is given to environmental criteria when selecting third-party carriers for inbound and outbound products and materials.

SOLID WASTE MANAGEMENT

SitOnIt Seating® and IDEON® have implemented a Zero Waste-to-Landfill goal. We will continuously work to achieve this goal by employing waste reduction and recycling strategies that will, over time, divert all manufacturing waste from our operations from being sent to a landfill.

We are in the early stages of identifying our waste streams and their current method of disposal. We know we have a long way to go and some potentially tough work ahead of us. Therefore, we are giving ourselves an appropriate deadline of 2025 to divert all our waste streams from the landfill.

ENVIRONMENTAL MANAGEMENT

SitOnIt Seating® and IDEON® are committed to environmental leadership and continue to utilize our lean manufacturing initiatives and principles to lower costs, use less materials and reduce our energy use.

Product responsibility

Our dedication to green processes begins with smart manufacturing and continues through every stage of our product's lifecycle. During manufacturing, we maximize material usage and minimize or recycle waste. Our products are GREENGUARD or GREENGUARD Gold certified, protecting your office environment from harmful emissions.

But our commitment to green production doesn't end there...

DESIGN FOR ENVIRONMENT

Reducing the environmental impacts of our products begins with our new product development process. All new products or major design modifications on existing products go through our Design for Environment process, which seeks to incorporate energy and water efficiency, renewable, recycled, recyclable and biodegradable materials and to account for end-of-life impacts.

DESIGN FOR DURABILITY / UPGRADEABILITY

SitOnIt Seating® and IDEON® products are engineered to achieve the highest levels of durability and upgradeability. Our products are designed to have a long and useful life and are manufactured to withstand repeated service, repair and handling. To facilitate maintenance, servicing and reassembly, replaceable components are standard features of our products, making them easy to refurbish and upgrade for multiple uses by the original or future users.

CHEMICAL MANAGEMENT

We are committed to reducing the human and ecosystem health impacts of our products and processes through regularly evaluating our chemical management and hazard communication plans. We will continuously evaluate and monitor the chemicals used in our facility and maintain current Safety Data Sheets through an electronic filing system. Using this process we will build a chemical inventory system to identify and track all existing chemicals within and leaving our facility, as well as all future purchased chemicals that are not currently in our system.

PRODUCT TAKE-BACK PROGRAM

SitOnIt Seating® and IDEON® offer the Take-Back Program to minimize product waste and make environmental responsibility easy for our customers. To honor this, we have partnered with the nonprofit environmental organization ANEW to offer a return program for surplus product – regardless of condition.

Where possible, ANEW matches the used products and materials otherwise destined for landfills with local non-profits and public agencies. The remainder is recycled or considered for energy-from-waste to avoid deposit in a landfill. Visit www.anewfound.org to find out more.

We are committed to making this relationship a part of our sales strategy and are proud to recommend ANEW to customers who wish to recycle their furniture for the good of the community and the environment.

ANEW

Corporate social responsibility

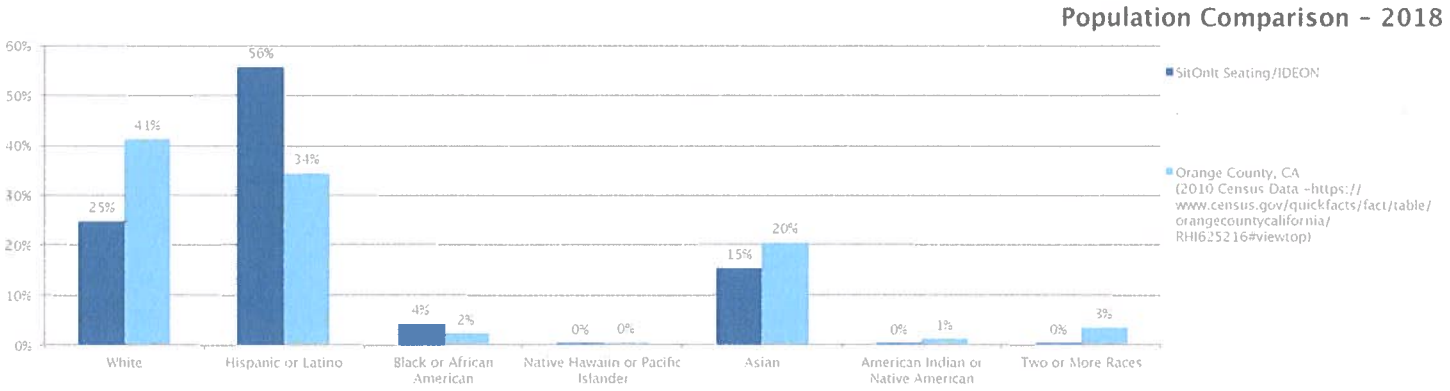
We have nine core values that we live by daily. These values are:

- **Honesty**
- **Accountability**
- **Results-Oriented**
- **Judgment**
- **Creative Problem Solving**
- **Flexibility and Adaptability**
- **Communication**
- **Selflessness**
- **Professional & Positive Attitude**

Our additional three leadership values are:

- **Builds & Manages Effective Teams**
- **Strategic Thinking and Development**
- **Plans & Aligns Work**

We believe in being a good corporate citizen by constantly looking for ways to reaffirm the beneficial social impact of our operations locally and globally. We are committed to maintaining high principles of social responsibility. We strive to be fair and transparent to our customers, employees and our manufacturing partners – and to benefit the communities in which we operate. We hold our suppliers to these standards, too.



ETHICS

We understand the importance of credibility and trustworthiness to our success as a business. All officers and employees are expected to conduct their business affairs in accordance with all applicable laws of the United States and to observe the highest standards of business ethics, acting with integrity while considering the impact of their decisions on our stakeholders.

COMMUNITY INVOLVEMENT

Our goal is to continuously improve environmental performance. We also seek out activities that contribute to the community in which we operate. Activities may include volunteerism, donations, sponsorship opportunities and other community-based programs. We make every effort to involve our employees in these decisions and encourage their participation. Some of our efforts include:

- **Sponsoring an annual event benefiting The Common Thread for the Cure, a non-profit organization uniting the furniture industry in the battle against breast cancer**
- **Wishlist donations to the Society for the Prevention of Cruelty to Animals (SPCA)**
- **Hand-written notes to our troops and first responders through Operation Gratitude**
- **Over 5,600 pounds of food donated to Second Harvest Food Bank**
- **Toys for needy families and children in the Toys for Tots drive**
- **Taking part in Catering for a Cause with Bracken's Kitchen to end hunger in Orange County**

LABOR AND HUMAN RIGHTS

It is our policy to protect and respect the basic human rights of our employees and associates. We are committed to providing decent work hours, wages and conditions, as well as upholding all local, national and global regulations prohibiting forced, compulsory and child labor.

To meet this end on a global scale, we have developed and distributed our Workplace Code of Conduct as a means for our supply partners to assess their own operations for social responsibility criteria – 80% of our partners have signed this Code of Conduct. At Exemplis, we believe that there needs to be a balance between business and society, a balance between maintaining a healthy business and proper respect and concern for people and the environment.

Understanding that our work with suppliers is consistently evolving, our Code of Conduct makes clear the expectations we have of our suppliers and lays out the minimum standards we expect each supplier to meet. Where issues of noncompliance are identified, suppliers shall work to address such issues under a spirit of continuous improvement. Where differences or conflicts in standards arise, the highest standard shall apply. Wherever the law is higher than this Code, the law will prevail.

It is our intent to use these standards as an essential factor in how we approach our sourcing strategies, how we assess supplier performance, and how we decide with which suppliers Exemplis will continue to engage and grow our business with. As we evolve our business model in sourcing and manufacturing, we expect to work with suppliers who understand that meeting these minimum standards is a critical starting point from which manufacturing leadership, continuous improvement and self-governance must evolve.

Our Code of Conduct binds our suppliers to specific minimum standards that we believe are essential to meeting these goals, including Business Integrity, Voluntary Work, Prohibiting Child Labor, Non-Discrimnation or Harassment, Freedom of Association, Working Hours, Subcontracting, Occupational Health and Safety, Minimizing Environmental Impact, Recordkeeping and Transparency, Monitoring and Corrective Action.

INCLUSIVENESS

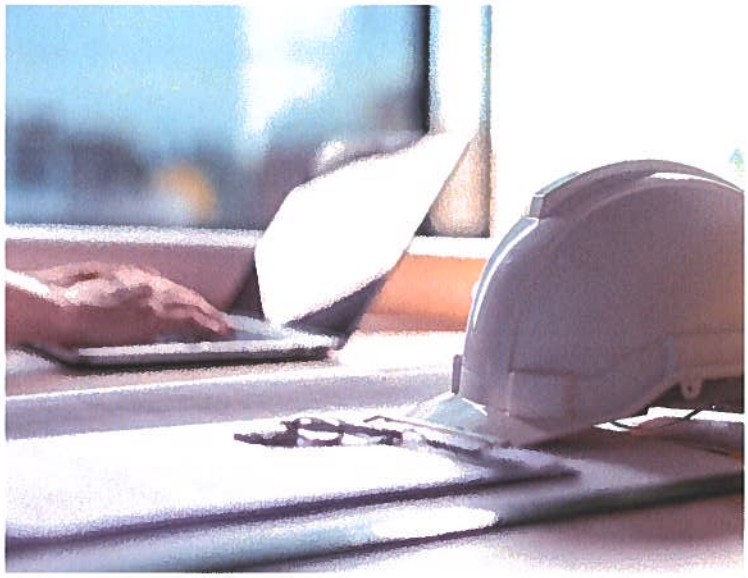
We do not discriminate on the basis of race, ancestry, place of origin, color, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status or disability. We are committed to treating all of our employees and associates with dignity and respect, promoting collaboration, teamwork and the active involvement of all employees. We encourage our employees to show trust and respect to all people regardless of their background, race, religion or sexual orientation and have an affirmative action plan that is updated annually with hiring and promotion goals for inclusion.

We encourage our employees to show trust and respect to all people regardless of background, race, religion, gender identify, or sexual orientation and have an Affirmative Action Plan (AAP) that is updated annually with hiring and promotion goals for inclusion. Our management team takes mandatory courses on preventing workplace harassment and effective recruitment training.

Our CEO holds monthly management meetings and periodic company-wide town-hall meetings to communicate strategies, objectives and field employee questions. All employees are encouraged to communicate with their managers and empowered to make suggestions and voice opinions that impact our business and our people.

HEALTH & SAFETY

Our employees are our most important asset. We are very mindful of their well-being and have put into place an extensive safety program and hold a wellness fair every year. Exemplis is committed to accident prevention and will do everything possible to protect the health and safety of our employees.



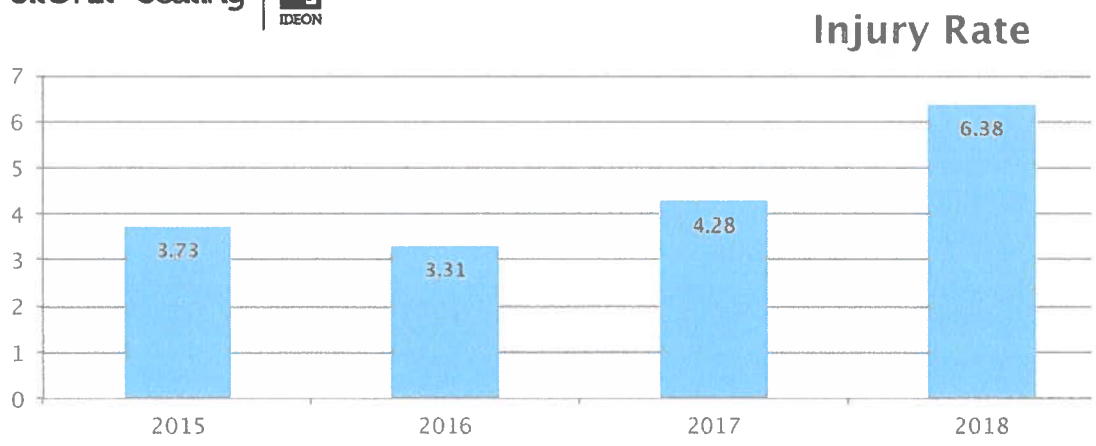
EMERGENCY PREPAREDNESS

Preparation is key to an effective safety program! We understand that an emergency or disaster can occur without notice. Whether it be an earthquake, fire or managing a critical health situation, staying composed and knowing what to do takes preparation and practice. At Exemplis, we have started to take the precautionary step to prepare and handle an emergency.

An Emergency Response Team (ERT) was established alongside our facilities manager to ensure we identify and mitigate risks associated with potential emergency scenarios. Twenty ERT members located throughout our facilities are trained in First Aid, Cardiopulmonary resuscitation (CPR) and use of the Automated External Defibrillator (AED).

- **First Aid certified – 20 team members**
- **CPR certified – 20 team members**
- **AED certified – 10 team members**

Our facilities are outfitted with an emergency preparedness kits; at least one AED to assist with basic life support; several fire extinguishers located in strategic areas and evacuation maps. At least once a year, each site performs an emergency evacuation drill to test our warning system; practice evacuation sweeps and continuously train our employees of the evacuation process. Key ERT members hold after action reviews after every evacuation and continuously improves our processes and invest in the proper resources to support our emergency preparedness plan.



We believe that when you have healthy employees, our company reaps the benefits. We are continuously strengthening our wellness programs, centered on employee education which drives awareness and encourages healthy lifestyle changes. Our culture of wellness is focused on four areas:

- **Physical**
- **Financial**
- **Mental**
- **Social**

Elements of our Wellness Program include providing an annual wellness fair consisting of flu shots and biometric screening; employee assistance programs (EAP); courses on healthy lifestyle; insurance wellness benefits; healthy tips on our monthly newsletters; sponsoring de-stressing dog visits; and offering company related sports activities.

Re: Exemplis LLC (the "Company")

To Whom It May Concern:

This letter is being delivered to you to provide information on the Company's banking relationship with JPMorgan Chase Bank, N.A. (the "Bank"). We can hereby confirm that the Company has maintained accounts at the Bank since 2010 and has operated the accounts in a satisfactory manner. The Bank has extended the Company credit from time to time, with the high amount in the high eight figures. The Company has performed in accordance with the credit documentation.

Please be advised that this letter refers only to facts as they exist as of the date of this letter and the Bank shall have no duty or obligation to inform the addressee hereof of any future changes in such facts. This letter is solely for the benefit of the addressee hereof for the referenced purpose, and may not be relied on by any other person or for any other purpose.

Sincerely,

Nick St.Clair
Executive Director
JPMorgan Chase Bank, N.A.

The information in this letter is provided as an accommodation to the inquirer. This letter and any information provided in connection therewith are furnished on the condition that they are strictly confidential, that no liability or responsibility whatsoever in connection therewith shall attach to Bank or any of its officers, employees, or agents, that this letter makes no representations regarding the general condition of the companies named herein, their management, or their future ability to meet their obligations, and that information provided in this letter or in connection therewith is subject to change without notice.

Qualification and Experience

i. Exemplis LLC was founded in 1996 by two entrepreneurs from the office furniture industry who saw a huge opportunity for quick, mass-customized ergonomic task seating at a value price. With just three employees, a fax machine and a bell that was rung every time a chair came down the conveyor belt, it was humble start to what is now a 700+ team with showrooms across the nation.

Since 1996 we've built a reputation for making well-designed, comfortable and affordable office furniture. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic office furniture and ship them quickly.

Exemplis LLC is meeting the growing demand for custom, build-to-order office furniture, including seating, lounge, benching, tables, and sit/stand solutions. We perfectly design our products for comfort, quality and value - a dedication that has propelled us to market leader in office furniture solutions for government, education and office environments.

Since our inception, we have stayed on the cutting edge of innovation by listening to customers and creating modern seating products that meet their needs, allowing us to become a successful $325+ MM business in Orange County, California.

Our corporate office is located in Cypress, California.

ii. Exemplis LLC has a strong reputation throughout our authorized dealer network and customer base as being easy to do business with, providing prompt and professional customer service, and for creating beautifully designed, quick-ship Products at a value price point. Our customers appreciate our lifetime warranty and the fact that we pay for warranty labor (when approved in advance).

Since 2010, Exemplis LLC has outpaced the office furniture industry with a compounded growth of 159%. At the same time, BIFMA-tracked manufacturers (Herman Miller, Steelcase, Knoll, HNI, etc.) have a compounded average of 8%. We partner with the best dealers from top-tier

6415 Katella Avenue

Cypress, CA 90630
714 995 4800
www.exemplis.com

manufacturers in order to provide an extensive distribution network. Those same top-tier manufacturers only offer limited distribution to their customers.

iii. Exemplis LLC has a 23-year history of providing the broadest collection of well-designed, sturdy, ergonomic seating, lounge chairs, tables and accessories at a mid-range, value price point. Designers and customers appreciate the fact we offer over 15,000+ fabrics/vinyls and a large selection of finishes and options (mass customizations) all done on a 2, 5, and 10 day production platform. In addition, the Products are backed up by a lifetime warranty.

Exemplis LLC aligns with the best dealers in every market, thus ensuring customers get the highest level of pre and post-sales service.

iv. **Key Employees Experience and Qualification**

  - Over 6 years in the office furniture industry
  - Obtained juris doctorate from Thomas Jefferson School of Law

v. Exemplis LLC's strong government sector sales revenue is evidence of our success with Federal, State/Local and Cooperative contracts. Our product mix, along with our customer-friendly contract pricing and a dealer network specializing in government projects, are the key ingredients to our growth and success. We have a sizable number of repeat customers in the government sector who have been loyal to our brand for several years.

vi. Exemplis LLC is involved in legal proceedings and litigation arising in the ordinary course of business. In the opinion of management, the outcome of such proceedings and litigation currently pending will not materially affect the company's consolidated operations, cash flows and financial condition.

In our company's history, there have not been any bankruptcies.

Exemplis LLC, and its current officers and directors, have never been through a State or Federal investigation.

Exemplis LLC has went through a couple reorganizations since its inception in 1996:

- February 1996 - SITONIT was incorporated
- November 2007 - SITONIT changed its name to Exemplis Corporation
- March 2015 – Exemplis Corporation converted to Exemplis LLC

vii. Please see Exhibit A to Attachment 3 for a list of Exemplis LLC's customer references

viii. **Additional Qualifications and Experiences**

Exemplis LLC's national sales force is structured starting with a strong, tenured management team consisting of Tim Kiger, VP of Sales, Bob Rohlman, VP of Contract Sales, four Regional

www.exemplis.com

Exemplis

Directors and a Director of Government Sales. At the territory level, Exemplis LLC has over 120 direct and independent reps who work directly with our channel distribution.

Exemplis LLC plans to use our commercial dealer network to sell and distribute our products to Region 4 ESC Members. Exemplis has over 2,000 dealer partners around the country; strong representation in every major, secondary and tertiary market in the United States and Canada. We will leverage our distribution network by supplying our sales force with the upfront contract training, co-branded marketing material and other tools to assist in pre/post sales cycle.

Please find our Authorized Dealer List included in our Request for Proposal Response as Exhibit B to Attachment 3.

Attachment 4
Value Add

i. Exemplis LLC proposes the following value-added enhancements to Region 4 Education Service Center and its Members:

- Application Consultation – Exemplis LLC works with best-in-class dealers to assist our customers with finding the right Product for the right space.
- Product Specification/Knowledge – Exemplis LLC's authorized dealers have a strong knowledge of our Product offering and are the best source for providing accurate Product specifications for our customers' own-unique environment(s).
- Space Planning/Layout – Exemplis LLC's authorized dealers have the latest space-planning tools to assist our customers in finding right seating options for their size and space.
- Order Placement – Exemplis LLC's authorized dealers will assist the customer with their order placement needs: either by placing the order to Exemplis LLC on behalf the customer or providing instructions on how to issue the purchase order to Exemplis LLC. Upon receipt order acknowledgement from Exemplis LLC, the authorized dealer will inform the customer of the expected delivery and installation (if requested) date.
- Delivery & Receiving - Exemplis LLC's authorized dealers will manage (if requested) the delivery process for the customer.
- User Orientation - Exemplis LLC's authorized dealers will perform user orientation (if requested) to the customer on how to take full advantage of the Product's offerings.
- Punch list/Audit - Exemplis LLC's authorized dealers will perform an audit of the customer's order after delivery and/or installation to verify order accuracy.

ACKNOWLEDGMENT AND ACCEPTANCE OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

☒ We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

☐ We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Appendix C, DOC # 3

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, Patrick Sommerfield, as an authorized representative of

Exemplis LLC, a contractor engaged by

Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

SPECIAL CONDITIONS

Awarded Offerors may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Offeror is accepted these Special Conditions required by the Federal Emergency Management Agency (FEMA).

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3.

i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement.

ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of Region 4 ESC nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:
a. Equal opportunity and nondiscrimination laws
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce;

Bid Guarantee

For proposals that are to include construction/reconstruction/renovation and related services, bids must be accompanied by Certified or Cashier's Check or an approved Bid Bond in the amount of not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in the state of the lead agency and authorized to underwrite bonds in the amount of the bid bond.

Prevailing Wage Requirements

When applicable, the awarded Contractor(s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Alternative Pricing for Federal Funding

When applicable, such as when products and services are used in response to an emergency or disaster recovery situation in which federal funding may be used, pricing may not include cost plus a percentage of cost or pricing based on time and materials. If time and materials is necessary in an applicable federal funding situation, a ceiling price that the contract exceeds at its own risk will be needed. In addition, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited, the to the 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of Region 4 ESC is retained by Region 4 ESC. In the event of a termination for convenience by Region 4 ESC, Region 4 ESC shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by Region 4 ESC, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by Region 4 ESC but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by Region 4 ESC in connection with the Scope of Work in place which is completed as of the date of termination by Region 4 ESC and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

Region 4 ESC highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the

contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. "During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

4. Davis Bacon Act and Copeland Anti-Kickback Act.

a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program**.

b. All prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.

c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the

compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback Act."** However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

"Compliance with the Copeland "Anti-Kickback" Act.

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.

c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.

d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or

articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier

subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

   a. Stafford Act Disaster Grants. This requirement **does not apply to the Public Assistance**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as

FEMA awards under these programs do not meet the definition of "funding agreement."

   b. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.

   c. The regulation at 37 C.F.R. § 401.2(a) currently defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts of amounts in excess of $150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C.§§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

   a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of $150,000:

"Clean Air Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C.§ 7401 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal

government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in partwith Federal assistance provided by FEMA."

8. Debarment and Suspension.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).

c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual* Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter *PDAT Supplement*]. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by

agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; *PDAT Supplement,* Chapter IV, ¶ 6.d and Appendix C, ¶ 2.

d. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipient.

e. Specifically, a covered transaction includes the following contracts for goods or services:

(1) The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

(2) The contract requires the approval of FEMA, regardless of amount.

(3) The contract is for federally required audit services.

(4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

"Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R.§ 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal

Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

9. Byrd Anti-Lobbying Amendment.

   a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

   b. Contractors that apply or bid for an award of $100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.

   c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.

   d. The following provides a Byrd Anti-Lobbying contract clause:

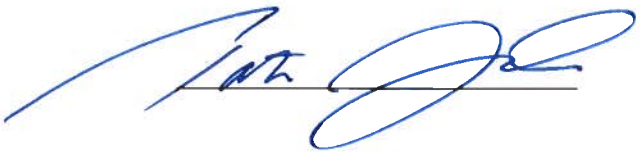
"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:



1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Exemplis LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq.*, apply to this certification and disclosure, if any.

Date"

10. Procurement of Recovered Materials.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; *PDAT Supplement*, Chapter V, ¶ 7.

c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

d. The following provides the clause that a state agency or agency of a political subdivision of a state and its contractors can include in contracts meeting the above contract thresholds:

"(1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA- designate items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program."

11. Additional FEMA Requirements.

a. The Uniform Rules authorize FEMA to require additional provisions for non-Federal entity contracts. FEMA, pursuant to this authority, requires or recommends the following:

b. Changes.

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative

agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and

agree to comply with applicable provisions governing Department and FEMA access to records, accounts, documents, information, facilities, and staff. See DHS Standard Terms and Conditions, v 3.0, ¶ XXVI (2013).

d. The following provides a contract clause regarding access to records:

"Access to Records. The following access to records requirements apply to this contract:

> (1) The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
>
> (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
>
> (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).

b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

    a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

    b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

    a. The non-Federal entity must include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

    b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

15. Program Fraud and False or Fraudulent Statements or Related Acts.

    a. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

    b. The following provides a contract clause regarding Fraud and False or Fraudulent or Related Acts: "The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract."

Additional contract clauses per 2 C.F.R. § 200.325

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the contract.

Offeror agrees to comply with all terms and conditions outlined in the Special Conditions section of this solicitation.

Offeror's Name: Exemplis LLC

Address, City, State, and Zip Code: 6415 Katella Avenue, Cypress, CA 90630

Phone Number: 714-995-4800 Fax Number: 714-995-4855

Printed Name and Title of Authorized Representative: Patrick Sommerfield; Vice President, Finance

Appendix C, DOC # 6

QUESTIONNAIRE

Please provide responses to the following questions that address your company's operations, organization, structure and processes for providing products and services.

1. **Diversity Programs**
   - Do you currently have a diversity program or any diversity partners that you do business with? ☒Yes ☐No
     (If the answer is yes, attach a statement detailing the structure of your program, along with a list of your diversity alliances and a copy of their certifications.) Please see Exhibit A to Questionnaire

2. **Diverse Vendor Certification Participation**

   Region 4 ESC encourages the use of under-utilized businesses (HUB), minority and women business enterprises (MWBE), and small and/or disadvantages business enterprises (SBE) both as prime and subcontractors. Offerors shall indicate below whether or not they and/or any of their subcontractors (and if so which) hold certification in any of the classified areas and include proof of such certification with their response.

   a. **Minority Women Business Enterprise**
   Respondent certifies that this firm is an MWBE ☐Yes ☐No
   List certifying agency: _____

   b. **Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)**
   Respondent certifies that this firm is a SBE or DBE ☒Yes ☐No
   List certifying agency: Exemplis LLC is a SBE. Please visit https://www.gsaelibrary.gsa.gov & https://web.sba.gov/pro-net/search/dsp_dsbs.cfm

   c. **Historically Underutilized Businesses (HUB)**
   Respondent certifies that this firm is a HUB ☐Yes ☐No
   List certifying agency: _____

   d. **Historically Underutilized Business Zone Enterprise (HUBZone)**
   Respondent certifies that this firm is a HUBZone ☐Yes ☐No
   List certifying agency: _____

   e. **Other**
   Respondent certifies that this firm is a recognized diversity certificate holder ☐Yes ☐No
   List certifying agency: _____
   Please see Exhibit A to Questionnaire for diversity information regarding our independent dealer network

3. Has Offeror made and is Offeror committed to continuing to take all affirmative steps set forth in 2 CFR 200.321 as it relates to the scope of work outlined in this solicitation? ☒Yes ☐No

Region 4 Education Service Center
Request for Proposal; Solicitation Number 19-18
Furniture, Installation and Related Services

Exhibit A to Questionnaire
Diversity Programs & Diverse Vendor Certification Participation

1. **Diversity Programs**

   Exemplis LLC continues to strive to partner with diverse (MWBE, SBE, DBE, HUB, and HUBZone) authorized dealerships and supply chain partners by reaching out to our authorized dealers and supply chain partners directly to ask for their diverse status. Our Sales Team has been instructed from executive management to give preference to diverse dealers across the country. Our Supply Chain philosophy is to promote fairness and encourage diversity in the procurement process.

   Exemplis LLC recently implemented an electronic outreach to identify all diverse dealers we partner with. Based on this outreach, we plan to communicate to qualified-diverse dealers to obtain formal certification if not already certified. This will allow us to provide more opportunities to our diverse dealers nation-wide. Our Supply Chain Team is already in progress of reaching out to our direct and indirect supply chain partners to identify any diverse vendors. Our Executive Team has instructed Supply Chain to partner with more diverse vendors on a national level as a 2020 (and beyond) goal.

2. **Diverse Vendor Certification Participation**

   Exemplis LLC partners with diverse authorized dealers and Supply Chain vendors that identify as MWBE, SBE, DBE, HUB and HUBZone.

   Due to the extensive network of authorized dealers and Supply Chain vendors, we do not maintain or collect certifications evidencing their diverse classifications at this time. We are in process of implementing a formal diversity program within the next coming years.

   Please see our Authorized Dealer List, including a self-identified diversity status, attached to our Request for Proposal Response as Exhibit B to Attachment 3.

TECH

Facebook's Portal TV feels natural

Talking Tech
Jefferson Graham
USA TODAY

I don't like the idea of granting my TVs access to Facebook and allowing the social network to install a video camera and microphone in my living room.

But I've got to admit its new Portal TV is, hands down, the best video chat device I've ever come across. And to communicate with my relatives, I could let down my guard and let Facebook in.

There are some concerns, and they are big ones. More on that below.

I've tried the vertical phone thing with friends and family on FaceTime and Google Hangouts, I've done laptop-to-laptop chat, Periscoped, Facebook Live'd – you name it.

But with Portal TV in the living room – hanging out on the couch, without having to hold a phone in front of my face or sitting statically by a laptop or desktop – it just seemed so natural.

Video chatting with Ed Baig on Facebook Portal TV. JEFFERSON GRAHAM

What is Portal TV?

Portal TV is the next step for Facebook, which in 2018 introduced the Portal video display unit for chats, playing music and games. The initial units were 15 inches and 10 inches and sold poorly the first year, according to a sales survey by Voicebot.ai. This year, Facebook upgraded the Portal with 8-inch ($129) and (a revamped) 10-inch ($179) models, adding the ability to do WhatsApp chats as well.

For $149, you can buy Portal TV, if you can get over the social network's various privacy breaches and its tendency to track personal data to sell to marketers. If you're considering any of the Portal units, this is the one to get.

Why buy a little box for video chatting that does little beyond video chat – yeah, it plays music and shows a handful of videos, but you get that with TV, and the bigger screen is way prettier to look at. On a large, flat-screen, in 4K resolution, whatever size TV you have is going to look way better than 10 inches.

How Portal TV worked

My video chat with colleague Ed Baig, on my Portal TV test unit to his, looked fabulous. I was in his basement, he was in my living room, and the Facebook Portal camera easily panned and zoomed along with us as we moved, to follow us around the room. Not in a creepy way, but as a tool to make the visuals way more interesting.

My other video chats were good, but nowhere near as impressive as Portal to Portal, which is the optimum experience.

I called my brother, who held up his phone vertically cropping out half of the image, which is what happens when the camera isn't held horizontally. When I called USA TODAY colleague Trevor Hughes. He was in front of his laptop, in horizontal, thank you, and that was great. But he was stuck behind a desk, while I was free to roam around.

If you're considering Portal TV, you'll really want two of them. (Facebook offers a $50 discount if you buy two, so the total bill would be $250 plus tax.)

But, still, there are concerns

Facebook knows it has privacy issues to contend with. The unit is "private by design," Facebook says on its website. To appease concerns about that always-on video camera, the Portal has a cover that can slide over the camera when not in use – if you remember to do that.

Don't think for a minute that Facebook isn't monitoring you. When you connect on a video call, "we collect information in a similar way to other Facebook products," the social network notes. For instance, it notes that you've made a call, who you called and where, and which other Portal apps (which include Pandora and CBS All-Access) have been opened and used. That "may be used to inform the ads you see across Facebook," the company admits.

Facebook says it does not listen to, view or keep the contents of your video or audio calls, "so nothing you say on a Portal call is used for advertising."

However, it also says that when you use the "Hey, Portal" wake words, it records and transcribes your commands and invites users to go to their Portal settings to delete them.

But in typical Facebook fashion, it makes it nearly impossible to opt-out, by sending you to a computer or mobile device to type in a code that's such a hassle, you give up on the spot. Oh, if only Apple, without all this privacy baggage, had created the product instead.

Portal TV is available at Facebook's online store, Best Buy, Bed, Bath & Beyond and Amazon.

KNOW YOUR STUFF

Fridge shelf no better for battery shelf life

Know Your Stuff is a new column that unlocks the hidden secrets about the everyday products you own.

David Kender
USA TODAY

If you were to peek inside my refrigerator, you might see a surprise next to the butter drawer: my batteries. I keep them there because, at some point in the foggy past, someone told me it was good idea, and I believed them.

However, I've learned that gut instincts often fall apart in the face of actual facts. So I took my question to the experts and learned, yet again, that even the simple things we own can be surprisingly complex.

Myth: *Storing batteries in the refrigerator prolongs their life.*

Fact: *It's partially true, but you're better off not doing it.*

In order to understand why, it's helpful to have some insight into how a battery works. To keep things simple, we'll limit ourselves to common AA and AAA batteries – not smartphone or laptop batteries.

To get technical for just one moment, batteries release energy because of a chemical reaction between two or more compounds stored inside. Electrons flow out of the one terminal, through whatever device they're powering, and back into the other terminal.

But even when they're not plugged in, those electrons can sneak out of the battery, draining their capacity through a process called self-discharge.

It's easy to see how common wisdom would point towards the refrigerator as a solution: If you can slow down the chemical reaction, you should be able to store batteries longer.

So, should you? The answer from battery makers is a uniform and unequivocal.

Experts say don't store your batteries in the fridge. JACKSON RUCKAR/REVIEWED

"That's a long-held myth, and the answer is no," says Tom Van Voy of Panasonic Energy Corp. of America.

All major brands recommend a clean, dry, room-temperature environment.

When stored properly, the discharge rate of a single-use alkaline battery, the most common type in the U.S., is negligible – only about 3% per year. Single-use lithium batteries lose even less.

While refrigeration is a no-no, temperature still has a big impact on a battery's shelf life.

When battery makers recommend "room temperature," they generally mean between 68-78°F. Depending on your location, though, your house may get a lot warmer than that. And the hotter it gets, the faster your batteries lose their charge.

Yet another reason experts recommend not keeping batteries in the fridge is condensation.

"Humidity can impact batteries as a whole, says Van Voy, "and that's why we recommend a dry storage environment. You build up condensation in a refrigerator."

If you insist on keeping your batteries in fridge, at least put them in an airtight container where water vapor can't get at them.

But consider me reformed. You'll find my batteries in the drawer from now on.

NOTICE TO OFFEROR

ADDENDUM NO. 1

Solicitation Number 19-18

Request for Proposal ("RFP")
by Region 4 Education Service Center ("ESC")
for Furniture, Installation, and Related Services

This Addendum No. 1 amends the Request for Proposals (RFP) for Furniture, Installation, and Related Services 19-18 ("Addendum"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified suppliers with the intent to enter into a Contract for Furniture, Installation, and Related Services. Addendum No. 1 is hereby issued as follows:

CLARIFICATIONS:

1. The changes being made to this RFP are being made to add Appendix C Documents #5-7 in order to fulfill FEMA requirements. While it is not expected that the services outlined in this RFP would be utilized in a disaster recovery or emergency situation, Region 4 ESC is including language should it be needed.

CHANGES TO THE RFP:

1. Remove Appendix C, Additional Required Documents, and replace with the version attached to this Addendum No. 2. This is the Appendix C that should be used for this solicitation and submitted as part of the Offeror's proposal.

Appendix C
ADDITIONAL REQUIRED DOCUMENTS

DOC #1 Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy

DOC #2 Antitrust Certification Statements (Tex. Government Code § 2155.005)

DOC #3 Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295)

DOC #4 Texas Government Code 2270 Verification Form

DOC #5 Special Conditions

DOC #6 Questionnaire

DOC #7 For applicable construction/reconstruction/renovation and related services, a bid guarantee is required not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in Texas and authorized to underwrite bonds in the amount of the bid bond.

Appendix C, Doc #1

ACKNOWLEDGMENT AND ACCEPTANCE
OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

☐ We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

☐ We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Appendix C, DOC # 3

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

Appendix C, DOC # 4

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, _____, as an authorized representative of

_____, a contractor engaged by
Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

Signature of Named Authorized Company Representative Date

SPECIAL CONDITIONS

Awarded Offerors may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Offeror is accepted these Special Conditions required by the Federal Emergency Management Agency (FEMA).

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3.

i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement.

ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of Region 4 ESC nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:
a. Equal opportunity and nondiscrimination laws
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce;

Bid Guarantee

For proposals that are to include construction/reconstruction/renovation and related services, bids must be accompanied by Certified or Cashier's Check or an approved Bid Bond in the amount of not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in the state of the lead agency and authorized to underwrite bonds in the amount of the bid bond.

Prevailing Wage Requirements

When applicable, the awarded Contractor(s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Alternative Pricing for Federal Funding

When applicable, such as when products and services are used in response to an emergency or disaster recovery situation in which federal funding may be used, pricing may not include cost plus a percentage of cost or pricing based on time and materials. If time and materials is necessary in an applicable federal funding situation, a ceiling price that the contract exceeds at its own risk will be needed. In addition, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited, the to the 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of Region 4 ESC is retained by Region 4 ESC. In the event of a termination for convenience by Region 4 ESC, Region 4 ESC shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by Region 4 ESC, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by Region 4 ESC but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by Region 4 ESC in connection with the Scope of Work in place which is completed as of the date of termination by Region 4 ESC and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

Region 4 ESC highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the

contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. "During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

4. Davis Bacon Act and Copeland Anti-Kickback Act.

a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program**.

b. All prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.

c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the

compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback Act.**" However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

"Compliance with the Copeland "Anti-Kickback" Act.

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.

c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.

d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or

articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier

subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

a. Stafford Act Disaster Grants. This requirement **does not apply to the Public Assistance**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as

FEMA awards under these programs do not meet the definition of "funding agreement."

b. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.

c. The regulation at 37 C.F.R. § 401.2(a) currently defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts of amounts in excess of $150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C.§§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of $150,000:

"Clean Air Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C.§ 7401 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal

government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA."

8. Debarment and Suspension.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).

c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual* Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter *PDAT Supplement*]. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by

agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; *PDAT Supplement,* Chapter IV, ¶ 6.d and Appendix C, ¶ 2.

d. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipient.

e. Specifically, a covered transaction includes the following contracts for goods or services:

(1) The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

(2) The contract requires the approval of FEMA, regardless of amount.

(3) The contract is for federally required audit services.

(4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

"Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R.§ 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal

Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

9. Byrd Anti-Lobbying Amendment.

   a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

   b. Contractors that apply or bid for an award of $100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.

   c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.

   d. The following provides a Byrd Anti-Lobbying contract clause:

"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq*., apply to this certification and disclosure, if any.

10. Procurement of Recovered Materials.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; *PDAT Supplement*, Chapter V, ¶ 7.

c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

d. The following provides the clause that a state agency or agency of a political subdivision of a state and its contractors can include in contracts meeting the above contract thresholds:

"(1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA- designate items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program."

11. Additional FEMA Requirements.

a. The Uniform Rules authorize FEMA to require additional provisions for non-Federal entity contracts. FEMA, pursuant to this authority, requires or recommends the following:

b. Changes.

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative

agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and

agree to comply with applicable provisions governing Department and FEMA access to records, accounts, documents, information, facilities, and staff. See DHS Standard Terms and Conditions, v 3.0, ¶ XXVI (2013).

d. The following provides a contract clause regarding access to records:

"Access to Records. The following access to records requirements apply to this contract:

(1) The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).

b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

    a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

    b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

    a. The non-Federal entity must include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

    b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

15. Program Fraud and False or Fraudulent Statements or Related Acts.

    a. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

    b. The following provides a contract clause regarding Fraud and False or Fraudulent or Related Acts: "The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract."

Additional contract clauses per 2 C.F.R. § 200.325

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the contract.

Offeror agrees to comply with all terms and conditions outlined in the Special Conditions section of this solicitation.

Appendix C, DOC # 6

QUESTIONNAIRE

Please provide responses to the following questions that address your company's operations, organization, structure and processes for providing products and services.

1. Diversity Programs

- Do you currently have a diversity program or any diversity partners that you do business with? ☐Yes ☐No
  (If the answer is yes, attach a statement detailing the structure of your program, along with a list of your diversity alliances and a copy of their certifications.)

2. Diverse Vendor Certification Participation

Region 4 ESC encourages the use of under-utilized businesses (HUB), minority and women business enterprises (MWBE), and small and/or disadvantages business enterprises (SBE) both as prime and subcontractors. Offerors shall indicate below whether or not they and/or any of their subcontractors (and if so which) hold certification in any of the classified areas and include proof of such certification with their response.

a. **Minority Women Business Enterprise**
Respondent certifies that this firm is an MWBE ☐Yes ☐No

List certifying agency: _____

b. **Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)**
Respondent certifies that this firm is a SBE or DBE ☐Yes ☐No

List certifying agency: _____

c. **Historically Underutilized Businesses (HUB)**
Respondent certifies that this firm is a HUB ☐Yes ☐No

List certifying agency: _____

d. **Historically Underutilized Business Zone Enterprise (HUBZone)**
Respondent certifies that this firm is a HUBZone ☐Yes ☐No

List certifying agency: _____

e**. Other**
Respondent certifies that this firm is a recognized diversity certificate holder ☐Yes ☐No
List certifying agency: _____

3. Has Offeror made and is Offeror committed to continuing to take all affirmative steps set forth in 2 CFR 200.321 as it relates to the scope of work outlined in this solicitation? ☐Yes ☐No

RECEIPT OF ADDENDUM NO. 1 ACKNOWLEDGEMENT

Offeror shall acknowledge this addendum by signing below and include in their proposal response.

NOTICE TO OFFEROR

Solicitation Number 19-18

Request for Proposal ("RFP")

by

Region 4 Education Service Center ("ESC")

for

Furniture, Installation, and Related Services

SUBMITTAL DEADLINE: Wednesday, December 11, 2019, 2:00 PM CENTRAL TIME

Questions regarding this RFP must be submitted in writing to Crystal Wallace, Business Operations Specialist, at questions@esc4.net no later than December 2, 2019. All questions and answers will be posted to https://www.esc4.net/services/purchasing/region-4-omnia-solicitations. Offerors are responsible for viewing the website to review all questions and answers prior to submitting proposals. Oral communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.

Proposals must be sealed, prominently marked with the RFP solicitation number, RFP title, RFP opening time/date and name of Offeror. Submissions must be received by the Region 4 ESC office at: 7145 West Tidwell Road, Houston, TX 77092 no later than 2:00 p.m. central time. Proposals received prior to the submittal deadline will be time-stamped upon receipt and kept secure and unopened. At the submittal deadline, Region 4 ESC will collect all proposals received before the deadline in the room designated for the proposal opening. Proposals will be opened and recorded publicly. Any proposal received later than the specified time, whether delivered in person, courier or mailed, will not be considered. Late proposals will be returned to sender unopened.

NON-MANDATORY PRE-PROPOSAL CONFERENCE

Offerors are strongly encouraged, but not required to participate in a pre-proposal conference with the Business Operations Specialist, which will be held on Thursday, November 21, 2019 at 10:00 am in the Region 4 ESC offices located at 7145 West Tidwell Road, Houston Texas 77092. To attend the conference, potential Offeror must notify Crystal Wallace, Business Operations Specialist, at cwallace@esc4.net, by Friday, November 15, 2019. Offeror's who are unable to attend in person but would like to call in must also send an email to request call in instructions. The purpose of this conference is to clarify the contents of this RFP in order to prevent any misunderstanding of Region 4 ESC's position. Any doubt as to the requirements of this RFP or any apparent omission or discrepancy should be presented to Region 4 ESC at this conference. Region 4 ESC will then determine the appropriate action necessary, if any, and may issue a written addendum to the RFP. Oral statements or instructions will not constitute an addendum to this RFP.

Publication Date: Thursday, November 7, 2019

I. SCOPE OF WORK

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified suppliers with the intent to enter into a Contract for Furniture, Installation, and Related Services. Region 4 ESC is seeking a provider that has the depth, breadth and quality of resources necessary to complete all phases of the Contract. Awarded Offeror(s) shall deliver products and services under the terms of this agreement. While this solicitation specifically covers Furniture, Installation, and Related Services, each awarded Offeror may offer their complete product and service offering, or balance of line. Region 4 ESC reserves the right to accept or reject any or all balance of line items offered.

Region 4 ESC is an education service center established by the Texas Legislature in 1967 to assist school districts and charter schools in improving efficiencies. Region 4 ESC directly serves a seven-county area comprised of 48 public school districts and 39 open-enrollment charter schools, representing more than 1.2 million students, 99,000 educators and 1,500 campuses. Through cooperative contracts Region 4 ESC extends the opportunity to operate more efficiently and economically to agencies nationwide through OMNIA Partners (see below).

The Contract is based on the need to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other members. Although the awarded Offeror(s) may restrict sales to certain public units (for example, state agencies or local government units), any proposal that prohibits sales from being made to public school districts may not be considered. Sales without restriction are preferred. These types of contracts are commonly referred to as being "piggybackable."

NATIONAL CONTRACT

Region 4 Education Service Center, as the Principal Procurement Agency, defined in Appendix D, has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. Region 4 ESC is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). Appendix D contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over $100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the

Offeror, OMNIA Partners provides marketing and administrative support for the Offeror that directly promotes the Offeror's products and services to Participating Public Agencies though multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Offeror benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Offeror's need to respond to additional competitive solicitations. As such, the Offeror must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Offeror and respond to the OMNIA Partners documents (Appendix D).

While no minimum volume is guaranteed to the Contractor, the estimated annual volume of Furniture, Installation, and Related Services purchased under the Master Agreement through OMNIA Partners is approximately $275 million. This projection is based on the current annual volumes among Region 4 ESC, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Contractor and OMNIA Partners.

Customer Support

Contractor shall provide timely and accurate technical advice and sales support to Region 4 ESC staff and Participating Agencies. Contractor shall respond to such requests within one (1) working day after receipt of the request.

SCOPE OF GOODS AND SERVICES

It is the intention of Region 4 ESC to establish a contract with Offeror(s) for a complete and comprehensive line of Furniture and Installation Services. Offerors are encouraged to propose their complete catalog of products and services including, but not limited to, the following categories:

- **Systems Furniture:** A complete and comprehensive catalog of all systems furniture, lines, and accessories available from the Company;
- **Freestanding Furniture:** A complete and comprehensive catalog of all case goods, furniture, (including folding and mobile) desks, tables, and accessories not limited to pre-school items available from the Company;
- **Seating/Chairs:** A complete and comprehensive catalog of office and classroom chairs, tandem seating and other general seating not limited to pre-school items available from the Company;
- **Soft Seating:** A complete and comprehensive catalog selection of soft seating for areas such as commons, libraries, waiting areas and open learning spaces. Products include, but are not limited to, lounge seating, modular linear seating, tables, and accessories.
- **Filing Systems, Storage and Equipment:** A complete and comprehensive catalog of filing systems including vertical and lateral files, freestanding file cabinets, bookcases, and equipment and accessories available from the Company;

- **Technology Support Furniture:** A complete and comprehensive catalog selection of technology support furniture to support technology-based learning environments.
- **Library Furniture:** A complete and comprehensive catalog selection of library furniture including shelving.
- **Science Laboratory Furniture:** A complete and comprehensive catalog selection of science laboratory furniture.
- **Cafeteria Furniture:** A complete and comprehensive catalog selection of cafeteria furniture.
- **Early Childhood Furniture:** A complete and comprehensive catalog selection of early childhood furniture.
- **Audio/Visual Furniture:** A complete and comprehensive catalog selection of audio/visual furniture.
- **Art Instructional Furniture:** A complete and comprehensive catalog selection of art instructional furniture.
- **Educational Office Furniture:** A complete and comprehensive catalog selection of educational office furniture.
- **Career/Technical Education Furniture:** A complete and comprehensive catalog selection of career/technical education furniture.
- **Auditorium/Theater Fixed Seating:** A complete and comprehensive catalog selection of auditorium/theater fixed seating and related furniture.
- **Modular Walls:** A complete and comprehensive catalog selection of modular wall systems.
- **Related Products, Support Services and Solutions:** Related office interior products and design, "Quick Ship", design and layout, fabric and color design services, installation, systems furniture reconfiguration, assessment tools, professional development, furniture leasing, asset management services, storage, buyback programs, furniture refurb and any other related products and services or solutions offered by the Company.

Although this section reflects the needs and requirements of Region 4 ESC, OMNIA Partners Participating Agencies may have different requirements. The awarded vendor will have the ability to offer their comprehensive program, as it pertains to Furniture, Installation, or Related Services, nationally. Furniture, Installation, or Related Services may include products and services associated with items which OMNIA Partners Participating Agencies may elect to use. OMNIA Partners Participants will sign a supplemental or usage agreement with the awarded vendor substantially based on the terms and conditions of the Region 4 ESC contract. Participants may elect to negotiate certain terms to conform to their purchasing and contracting requirements.

II. CALENDAR OF EVENTS (ALL DATES ARE TENTATIVE AND SUBJECT TO CHANGE)**:**

Event	**Date**
Issue RFP	November 7, 2019
Pre-proposal Conference	November 21, 2019
Deadline for questions via email	December 2, 2019
Issue Addenda (if required)	December 4, 2019
Proposal Due Date	December 11, 2019
Approval from Region 4 ESC	February 25, 2020
Contract Effective Date	March 1, 2020

III. INSTRUCTIONS TO OFFERORS

1. Key Definitions
   Contract: The legal agreement executed between Region 4 ESC and the awarded Offeror. A draft of the Contract is provided as Appendix A.
   Contractor: Any provider or seller of goods or services who, as a result of the competitive solicitation process, is awarded a Contract by Region 4 ESC.
   Days: calendar days
   Offeror: A supplier submitting a proposal in response to a solicitation.

2. Inquiries and Discrepancies: Questions regarding this solicitation must be submitted in writing to Crystal Wallace, Business Operations Specialist, at questions@esc4.net no later than Monday, December 2, 2019. All questions and answers will be posted to https://www.esc4.net/services/purchasing/region-4-omnia-solicitations. Offerors are responsible for viewing the website to review all questions and answers prior to submitting proposals. Oral communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.

3. Restricted and Prohibited Communications with Region 4 ESC**:** During the period between the date Region 4 ESC issues this RFP and the selection of the Contractor by Region 4 ESC, if any, Offerors shall restrict all contact with Region 4 ESC and direct all questions regarding this RFP, including questions regarding terms and conditions, only to the individual identified above in section "Inquiries and Discrepancies" in the specified manner. Do not contact members of the Board of Directors, other employees of Region 4 ESC or any of Region 4 ESC's agents or administrators. Contact with any of these prohibited individuals after issuance of this RFP and before selection is made, may result in disqualification of the Offeror.

   The communications prohibition shall terminate when the Contract is recommended by the administration, considered by the Board of Directors at a noticed public meeting, and the Contract has been awarded. In the event the Board of Directors refers the recommendation back to staff for reconsideration, the communications prohibition shall continue. Additionally, during the time period between the award of the Contract by the Board of Directors and the execution of the Contract, Offerors shall not engage in any prohibited communications as described in this section.

   Prohibited communications includes direct contact, discussion, or promotion of any Offeror's response with any member of Region 4 ESC's Board of Directors or employees except for communications with Region 4 ESC's designated representative as set forth in this RFP and only in the course of inquiries, briefings, interviews, or presentations. This prohibition is intended to create a level playing field for all potential Offerors, assure that decisions are made in public, and to protect the integrity of the RFP process. Except as provided in the above stated exceptions, the following communications regarding this RFP are prohibited:

   - Communications between a potential Offeror, Offeror, their lobbyist or consultant and any member of Region 4 ESC's Board of Directors;
   - Communications between any Region 4 ESC Director and any member of a selection or evaluation committee; and
   - Communications between any Region 4 ESC Director and administrator or employee.

   The communications prohibition shall not apply to the following:

- Communications with Region 4 ESC's purchasing staff specifically named and authorized to conduct and receive such communications under this RFP or upon the request of Region 4 ESC, with Region 4 ESC's legal counsel; and
- Presentations made to the Board of Directors during any duly noticed public meeting.

Nothing contained herein shall prohibit any person or entity from publicly addressing Region 4 ESC's Board of Directors during any duly noticed public meeting, in accordance with applicable Board policies, on a matter other than this RFP or in connection with a presentation requested by Region 4 ESC's representatives.

4. Current products: Proposals shall be for new materials and equipment in current production and marketed to the general public, education and government agencies at the time the proposal is submitted.

5. Proposal Format: Proposals must contain two (2) bound and signed original copies of the solicitation, and two (2) electronic copies on flash drives shall be provided. Offeror must also submit two (2) electronic proposals free of propriety information to be posted, if awarded a Contract.

   Only sealed responses will be accepted. Faxed or electronically transmitted responses will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise.

   Responses must be provided in a three-ring binder or report cover using 8.5 x 11 paper clearly identified with the name of the Offeror's company and the solicitation name and number on both the outside front cover and vertical spine.

   Tabs should be used to separate the proposal into sections. The following items identified must be included behind the tabs listed below. Each section should contain both the section of the RFP referenced and the Offeror's response to that section. Offerors failing to organize in the manner listed may be considered non-responsive and may not be evaluated.

6. **Binder Tabs:**

   Tab 1 – Draft Contract and Offer and Contract Signature Form (Appendix A)

   a. Terms and Conditions Acceptance Form (Appendix B)

   Tab 2 – Products/Pricing

   Tab 3 – Performance Capability

   a. OMNIA Partners documents (Appendix D)

   Tab 4 – Qualification and Experience

   a. References

   Tab 5 – Value Add

   Tab 6 – Additional Required Documents (Appendix C)

a. Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy (Appendix C, Doc #1)

b. Antitrust Certification Statement (Tex. Government Code § 2155.005) (Appendix C, Doc #2)

c. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295) (Appendix C, Doc #3)

d. Texas Government Code 2270 Verification Form (Appendix C, Doc #4)

e. Any additional agreements Offeror will require Participating Agencies to sign

7. Additional Agreements: If an Offeror requires additional agreements, a copy of the proposed agreement must be included with the proposal.

8. Open Records Policy: Proposals submitted in response to this RFP become a matter of public record subject to release after Contracts are executed. If an Offeror believes its response, or parts of its response, may be exempt from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the Offeror must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Offeror must provide this information on the "Acknowledgement and Acceptance of Region 4 ESC's Open Records Policy" (Appendix C, Doc #1). Any unmarked information will be considered public information and released, if requested under the Public Information Act. Price is not confidential and will not be withheld.

   The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror or Contractor. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information. After completion of award, these documents will be available for public inspection.

9. Disclosures: By signing the Offer and Contract Signature Form, Offeror affirms:

   a) Offeror has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this proposal and any subsequent Contract.

      Offerors must include a complete description of any and all relationships that might be considered a conflict of interest in doing business with Region 4 ESC.

   b) To the best of Offeror's knowledge, the proposal has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other Offerors or potential Offerors in the award of a Contract resulting from this RFP.

   c) Offeror is not currently delinquent in the payment of any franchise taxes.

d) The individual signing the submittal is an authorized agent for the Offeror and has the authority to bind the Offeror to the Contract.

10. Waiver: By submitting a proposal, Offeror expressly agrees to waive any claim it has or may have against Region 4 ESC, its directors, officers, its trustees, or agents arising out of or in connection with (1) the administration, evaluation, recommendation of any proposal; (2) any requirements under the solicitation, proposal package, or related documents; (3) the rejection of any proposal or any part of any proposal; and/or (4) the award of a Contract, if any.

    Region 4 ESC shall not be responsible or liable for any costs incurred by Offerors or the successful Offeror in connection with responding to the RFP, preparing for oral presentations, preparing and submitting a proposal, entering or negotiating the terms of a Contract, or any other expenses incurred by an Offeror. The Offeror is wholly responsible for any such costs and expenses and shall not be reimbursed in any manner by Region 4 ESC.

11. Conditions of Submitting Proposal: Submission of a proposal confers no right on an Offeror to an award or Contract. Region 4 ESC, in its sole discretion and for any reason or no reason, reserves the rights to reject any or all proposals, accept only a part of any proposal, accept the proposal deemed most advantageous to Region 4 ESC, and waive any technicalities. The issuance of this RFP does not obligate Region 4 ESC to make an award or negotiate or execute a Contract. Prior to submission due date and time, Region 4 ESC reserves the right to amend the terms and provisions of the RFP, extend the deadline for submission of proposals, or withdraw the RFP entirely for any reason solely at Region 4 ESC's discretion. A proposal may be rejected if it fails to meet any requirement of this RFP.

12. Mailing of Proposals: All proposals submitted in response to the solicitation must be clearly identified as listed below with the solicitation number, title, name and address of the company responding. All packages must be clearly identified as listed below, sealed and delivered to the Region 4 ESC office no later than the submittal deadline assigned for this solicitation.

    From_____

    Company_____

    Address_____

    City, State, Zip _____

    Solicitation Name and Number _____Due Date and Time_____

13. Amendment of Proposal: A proposal may be amended prior to the time of opening by submitting a sealed letter to the location indicated on the front page of this solicitation.

14. Withdrawal of Proposals: Withdrawal of proposals prior to the opening date will be permitted by a written letter or electronic mail from the Offeror. Telephonic or oral withdrawals shall not be considered. After the opening date consideration may be given in cases where Offeror advises that it made a clerical error that is substantially lower than it intended. In such case, Offeror must provide written notice of their desire to withdraw, along with supporting documents, within 3 business days of receiving the acceptance letter or of being requested by Region 4 ESC for clarification of the proposal, whichever is later. Any Contract entered into prior to Region 4 ESC receiving notice must be honored. No Offeror should assume their

withdrawal request has been accepted unless, and until, they receive written acknowledgment and acceptance of their proposal withdrawal.

15. Offer and Acceptance Period: In order to allow for an adequate evaluation, Region 4 ESC requires a proposal in response to this RFP to be valid and irrevocable for one-hundred twenty (120) days after the proposal due date and time.

16. Non-Responsive Proposals: All proposals will be reviewed for responsiveness to the material requirements of the solicitation. A proposal that is not materially responsive shall not be eligible for further consideration for award of the Contract, and the Offeror shall receive notice of the non-award of its proposal.

17. Discussions: Region 4 ESC reserves the right to conduct discussion with Offerors for the purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal in order to clarify a proposal and assure full understanding of, and responsiveness to, the RFP requirements.

18. Negotiations: In the event Region 4 ESC decides to conduct negotiations, exclusive or concurrent negotiations may be conducted with Offerors reasonably susceptible for award. During the course of negotiations, no Offeror's proposal, including pricing, shall be revealed to any other Offeror or to any other person who is not involved with the evaluation process. Exclusive or concurrent negotiations shall not constitute a Contract award, nor shall it confer any property rights to the successful Offeror. In the event Region 4 ESC deems negotiations are not progressing, Region 4 ESC may formally terminate these negotiations and may enter into subsequent exclusive or concurrent negotiations with the next most qualified Offeror(s).

19. Best and Final Offer: Region 4 ESC, in its sole discretion, may request Offerors reasonably susceptible for award to submit a Best and Final Offer. Offerors must submit their Best and Final Offers in writing. If an Offeror does not respond to the request for a Best and Final Offer, that Offeror's most recent prior submission will be considered its Best and Final Offer.

20. Specifications: When a solicitation contains a specification that states no substitutions, no deviation from this requirement will be permitted. Offeror must comply with the true intent of the specifications and drawings and not take advantage of any unintentional error or omission. In cases where no type and kind of product is specified, specifications have been developed to indicate minimal standards as to the usage, materials, and contents based on the needs of the members. References to manufacturer's specifications ("Design Guides"), when used by Region 4 ESC, are to be considered informative to give the Offeror information as to the general style, type and kind requested. Responses proposing goods, materials or equipment regularly produced by a reputable manufacturer shall be evaluated by Region 4 ESC which will, in its sole discretion, determine whether such proposed goods, materials or equipment are substantially equivalent to the Design Guides, considering quality, workmanship, economy of operation, and suitability for the purpose intended. Offerors should include all documentation required to evaluate whether or not their proposed goods, materials or equipment are substantially equivalent to the Design Guides.

21. Quality of Materials or Services: Offeror shall state the brand name and number of the materials being provided. If none is indicated, it is understood that the Offeror is proposing the exact brand name and number specified or mentioned in the solicitation. However, unless specifically stated otherwise, comparable substitutions will be permitted in cases where the material is equal to that specified, considering quality, workmanship, economy of operation and suitability for the purpose intended.

22. Samples: Upon request, samples shall be furnished, free of cost, within seven (7) days after receiving notice of such request. By submitting the proposal Offeror certifies that all materials conform to all applicable requirements of this solicitation and of those required by law. Offeror agrees to bear the costs for laboratory testing, if results show the sample does not comply with solicitation requirements. Submissions may no longer be considered for failing to submit samples as requested.

23. Formation of Contract: A response to this solicitation is an offer to contract with Region 4 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation does not become a Contract until it is awarded by Region 4 ESC. A Contract is formed when Region 4 ESC's board signs the Offer and Contract Signature Form. The signed Offer and Contract Signature Form provided with the RFP response eliminates the need for a formal signing process.

24. Multiple Awards: Region 4 ESC reserves the right to award Contract(s) to multiple Offerors. The decision to award multiple Contracts, award only one Contract, or to make no awards rests solely with Region 4 ESC.

25. Non-Exclusive: Any Contract resulting from this solicitation shall be awarded with the understanding and agreement it is for the sole convenience and benefit of Region 4 ESC. Region 4 ESC reserves the right to obtain like goods and services from other sources.

26. Protest Procedure: Any protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm Central Time. No protest shall lie for a claim that the selected Offeror is not a responsible Offeror. Protests shall be filed with Robert Zingelmann, Chief Financial Officer, Finance and Operations Services, and sent to the Region 4 ESC office at: 7145 West Tidwell Road, Houston, TX 77092. Protests shall include the following:

    a) Name, address and telephone number of protester;
    b) Original signature of protester or its representative;
    c) Identification of the solicitation by RFP number;
    d) Detailed statement of legal and factual grounds including copies of relevant documents; and
    e) the form of relief requested.

    Any protest review and action shall be considered final with no further formalities being considered.

IV. EVALUATION PROCESS AND CRITERIA

1. A committee will review and evaluate all responses and make a recommendation for award of Contract(s). The recommendation for Contract awards will be based on the predetermined criteria factors outlined in this section, where each factor is assigned a point value based on its importance. In evaluating the responses, the following predetermined criteria is considered:

   a) Products/Pricing (40 Points)
   b) Performance Capability (30 Points)
   c) Qualification and Experience (20 Points)
   d) Value Add (10 Points)

2. Offeror's proposal should, at a minimum, include the following for Region 4 ESC's evaluation:

   a) Products/Services/Pricing

   i. Offerors shall provide pricing based on a discount from a manufacturer's price list or catalog, or fixed price, or a combination of both with indefinite quantities. Prices listed will be used to establish the extent of a manufacturer's product lines, services, warranties, etc. that are available from Offeror and the pricing per item. Multiple percentage discounts are acceptable if, where different percentage discounts apply, those different percentages are specified. Additional pricing and/or discounts may be included. Products and services proposed are to be priced separately with all ineligible items identified. Offerors may elect to limit their proposals to any category or categories.

   ii. Include an electronic copy of the catalog from which discount, or fixed price, is calculated. Electronic price lists must contain the following: *(if applicable)*

   - Manufacturer part #
   - Offeror's Part # (if different from manufacturer part #)
   - Description
   - Manufacturers Suggested List Price and Net Price
   - Net price to Region 4 ESC (including freight)

   Media submitted for price list must include the Offerors' company name, name of the solicitation, and date on a Flash Drive (i.e. Pin or Jump Drives).

   iii. Is pricing available for all products and services?
      i. Please provide pricing for services based on a range, from minimum price per hour to maximum price per hour, with a not to exceed on the maximum price per hour charge.

   iv. Describe any shipping charges.
      i. Describe delivery charges along with definitions for:
         1. Dock Delivery
         2. Inside Delivery
         3. Deliver and Install

   v. Provide pricing for warranties on all products and services.

   vi. Describe any return and restocking fees.

vii. Describe any additional discounts or rebates available. Additional discounts or rebates may be offered for large quantity orders, single ship to location, growth, annual spend, guaranteed quantity, etc.
viii. Describe how customers verify they are receiving Contract pricing.
ix. Describe payment methods offered.
x. Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category discounts should not change over the term of the Contract.
xi. Describe how future product introductions will be priced and align with Contract pricing proposed.
xii. Provide any additional information relevant to this section.

Not to Exceed Pricing. Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary pricing structure is not acceptable.

b) Performance Capability

i. Include a detailed response to Appendix D, Exhibit A, OMNIA Partners Response for National Cooperative Contract. Responses should highlight experience, demonstrate a strong national presence, describe how Offeror will educate its national sales force about the Contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.
ii. The successful Offeror will be required to sign Appendix D, Exhibit B, OMNIA Partners Administration Agreement prior to Contract award. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to OMNIA Partners Administration Agreement on Appendix B, Terms and Conditions Acceptance Form.
iii. Include completed Appendix D, Exhibits F. Federal Funds Certifications and G. New Jersey Business Compliance.
iv. Describe how Offeror responds to emergency orders.
v. What is Offeror's average Fill Rate?
vi. What is Offeror's average on time delivery rate? Describe Offeror's history of meeting the shipping and delivery timelines.
vii. Describe Offeror's return and restocking policy.
viii. Describe Offeror's ability to meet service and warranty needs.
ix. Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.

x. Describe Offeror's invoicing process. Include payment terms and acceptable methods of payments. Offerors shall describe any associated fees pertaining to credit cards/p-cards.
xi. Describe Offeror's contract implementation/customer transition plan.
xii. Describe the financial condition of Offeror.
xiii. Provide a website link in order to review website ease of use, availability, and capabilities related to ordering, returns and reporting. Describe the website's capabilities and functionality.
xiv. Describe the Offeror's safety record.
xv. Provide any additional information relevant to this section.

c) Qualification and Experience

i. Provide a brief history of the Offeror, including year it was established and corporate office location.
ii. Describe Offeror's reputation in the marketplace.
iii. Describe Offeror's reputation of products and services in the marketplace.
iv. Describe the experience and qualification of key employees.
v. Describe Offeror's experience working with the government sector.
vi. Describe past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.
vii. Provide a minimum of 10 customer references relating to the products and services within this RFP. Include entity name, contact name and title, contact phone and email, city, state, years serviced, description of services and annual volume.
viii. Provide any additional information relevant to this section.

d) Value Add

i. Provide any additional information related to products and services Offeror proposes to enhance and add value to the Contract.

3. Competitive Range: It may be necessary to establish a competitive range. Factors from the predetermined criteria will be used to make this determination. Responses not in the competitive range will not receive further award consideration. Region 4 ESC may determine establishing a competitive range is not necessary.

4. Past Performance: An Offeror's past performance and actions are relevant in determining whether or not the Offeror is likely to provide quality goods and services; the administrative aspects of performance; the Offeror's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Offeror's businesslike concern for the interests of the customer may be taken into consideration when evaluating proposals, although not specifically mentioned in the RFP.

5. Additional Investigations: Region 4 ESC reserves the right to make such additional investigations as it deems necessary to establish the capability of any Offeror.

APPENDIX A

DRAFT CONTRACT

This Contract ("Contract") is made as of _____, 2020 by and between _____ _____ ("Contractor") and Region 4 Education Service Center ("Region 4 ESC") for the purchase of _____("the products and services").

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number R_____ for _____ ("RFP"), to which Contractor provided a response ("Proposal"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

1) Term of agreement. The term of the Contract is for a period of three (3) years unless terminated, canceled or extended as otherwise provided herein. Region 4 ESC shall have the right to renew the Contract for two (2) additional one-year periods or portions thereof. Region 4 ESC shall review the Contract prior to the renewal date and notify the Contractor of Region 4 ESC's intent renew the Contract. Contractor may elect not to renew by providing three hundred sixty-five days' (365) notice to Region 4 ESC. Notwithstanding the expiration of the initial term or any subsequent term or all renewal options, Region 4 ESC and Contractor may mutually agree to extend the term of this Agreement. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Agreement.

2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.

3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s).

4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:

   i. This Contract
   ii. Offeror's Best and Final Offer
   iii. Offeror's proposal
   iv. RFP and any addenda

5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.

6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e. bankruptcy, change of ownership, merger, etc.).

8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.

9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.

10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.

11) TERMINATION OF CONTRACT

   a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:

      i. Providing material that does not meet the specifications of the Contract;
      ii. Providing work or material was not awarded under the Contract;
      iii. Failing to adequately perform the services set forth in the scope of work and specifications;

iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by Contractor will become the property of the Region 4 ESC. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.

   i) Additional Delivery/Installation Charges: Contractor may enter into additional negotiations with a purchasing agency for additional delivery or installation charges based on onerous conditions. Additional delivery and/or installation charges may only be charged if mutually agreed upon by the purchasing agency and Contractor and can only be charged on a per individual project basis.

d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract.

14) Delivery. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.

16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such

purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this

term. If no costs are specified, compliance with this term will be provided at no additional charge.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.

29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.

30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.

31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.

32) Certificates of Insurance. Certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.

33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws

while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

34) Tariff Surcharges: Contractor has the option to charge a surcharge, as an additional line item, if approved by the purchasing agency. All surcharges must be based on a percentage of total order and must be approved by Region 4 prior to use.

OFFER AND CONTRACT SIGNATURE FORM

The undersigned hereby offers and, if awarded, agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing.

TERMS & CONDITIONS ACCEPTANCE FORM

Signature on the Offer and Contract Signature form certifies complete acceptance of the terms and conditions in this solicitation and draft Contract except as noted below with proposed substitute language (additional pages may be attached, if necessary). The provisions of the RFP cannot be modified without the express written approval of Region 4 ESC. If a proposal is returned with modifications to the draft Contract provisions that are not expressly approved in writing by Region 4 ESC, the Contract provisions contained in the RFP shall prevail.

Check one of the following responses:

☐ Offeror takes no exceptions to the terms and conditions of the RFP and draft Contract.

(*Note: If none are listed below, it is understood that no exceptions/deviations are taken.)*

☐ Offeror takes the following exceptions to the RFP and draft Contract. All exceptions must be clearly explained, reference the corresponding term to which Offeror is taking exception and clearly state any proposed modified language, proposed additional terms to the RFP and draft Contract must be included:

(*Note: Unacceptable exceptions may remove Offeror's proposal from consideration for award. Region 4 ESC shall be the sole judge on the acceptance of exceptions and modifications and the decision shall be final.*

If an offer is made with modifications to the contract provisions that are not expressly approved in writing, the contract provisions contained in the RFP shall prevail.)

ACKNOWLEDGMENT AND ACCEPTANCE
OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

- ☐ We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

- ☐ We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Appendix C, DOC # 3

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

Appendix C, DOC # 4

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, _____, as an authorized representative of

_____, a contractor engaged by
Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

REQUIREMENTS FOR NATIONAL COOPERATIVE CONTRACT

TO BE ADMINISTERED BY

OMNIA PARTNERS, PUBLIC SECTOR

The following documents are used in evaluating and administering national cooperative contracts and are included for Supplier's review and response.

Exhibit A – RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

Exhibit B – ADMINISTRATION AGREEMENT, EXAMPLE

Exhibit C – MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT, EXAMPLE

Exhibit D – PRINCIPAL PROCUREMENT AGENCY CERTIFICATE, EXAMPLE

Exhibit E – CONTRACT SALES REPORTING TEMPLATE

Exhibit F – FEDERAL FUNDS CERTIFICATIONS

Exhibit G – NEW JERSEY BUSINESS COMPLIANCE

Exhibit H – ADVERTISING COMPLIANCE REQUIREMENT

EXHIBIT A

RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners, Public Sector.

1.1 Requirement

Region 4 ESC, (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), is requesting proposals for Furniture, Installation, and Related Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners, Public Sector's cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, Public Sector, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners, Public Sector as a Participating Public Agency in OMNIA Partners, Public Sector's cooperative purchasing program. Registration with OMNIA Partners, Public Sector as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, Public Sector, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners, Public Sector.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, Public Sector, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc.,

incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners, Public Sector's requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners, Public Sector.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners, Public Sector reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners, Public Sector to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners, Public Sector intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners, Public Sector marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)

B. Website

C. Trade shows/conferences/meetings

D. Advertising

E. Social Media

The OMNIA Partners, Public Sector sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls

B. Joint sales calls

C. Communications/customer service

D. Training sessions for Public Agency teams

E. Training sessions for Supplier teams

The OMNIA Partners, Public Sector contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing

B. Training sessions for Public Agency teams

C. Training sessions for Supplier teams

D. Regular business reviews to monitor program success

E. General contract administration

Suppliers are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners, Public Sector Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $275 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, Public Sector, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners, Public Sector.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners, Public Sector's option, be the basis of award on a national level through OMNIA Partners, Public Sector. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners, Public Sector. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g. governing law) are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners, Public Sector shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when

applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners, Public Sector).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners, Public Sector's cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners, Public Sector designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master

Agreement is Supplier's primary “go to market” strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners, Public Sector and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners, Public Sector nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners, Public Sector in accordance with the OMNIA Partners, Public Sector Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier’s qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners, Public Sector.

3.1 Company

A. Brief history and description of Supplier.

B. Total number and location of sales persons employed by Supplier.

C. Number and location of support centers (if applicable) and location of corporate office.

D. Annual sales for the three previous fiscal years.

E. Submit FEIN and Dunn & Bradstreet report.

F. Describe any green or environmental initiatives or policies.

G. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program.

H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.

I. Describe how supplier differentiates itself from its competitors.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

K. Felony Conviction Notice: Indicate if the supplier

   a. is a publicly held corporation and this reporting requirement is not applicable;

   b. is not owned or operated by anyone who has been convicted of a felony; or

   c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

L. Describe any debarment or suspension actions taken against supplier

3.2 Distribution, Logistics

A. Describe the full line of products and services offered by supplier.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

C. Describe how Participating Agencies are ensure they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

E. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:

   i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners, Public Sector team within first 90 days

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

i. Creation and distribution of a co-branded press release to trade publications

ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days

iii. Design, publication and distribution of co-branded marketing materials within first 90 days

iv. Commitment to attendance and participation with OMNIA Partners, Public Sector at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners, Public Sector for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners, Public Sector.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement

vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)

viii. Dedicated OMNIA Partners, Public Sector internet web-based homepage on Supplier's website with:

- OMNIA Partners, Public Sector standard logo;
- Copy of original Request for Proposal;
- Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners, Public Sector's website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners, Public Sector

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners, Public Sector. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners, Public Sector and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners, Public Sector logo will require permission for reproduction, as well.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners, Public Sector. All sales materials are to use the OMNIA Partners, Public Sector logo. At a minimum, the Supplier's sales initiatives should communicate:

   i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
   ii. Best government pricing
   iii. No cost to participate
   iv. Non-exclusive

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:

   i. Key features of Master Agreement
   ii. Working knowledge of the solicitation process
   iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners, Public Sector
   iv. Knowledge of benefits of the use of cooperative contracts

G. Provide the name, title, email and phone number for the person(s), who will be responsible for:

   i. Executive Support
   ii. Marketing
   iii. Sales
   iv. Sales Support
   v. Financial Reporting
   vi. Accounts Payable
   vii. Contracts

H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

I. Explain in detail how the sales teams will work with the OMNIA Partners, Public Sector team to implement, grow and service the national program.

I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

M. Provide the Contract Sales (as defined in Section 10 of the OMNIA Partners, Public Sector Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$_____.00 in year one
$_____.00 in year two
$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners, Public Sector).

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners, Public Sector under the Master Agreement.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners, Public Sector).

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

EXHIBIT B

ADMINISTRATION AGREEMENT, EXAMPLE

ADMINISTRATION AGREEMENT

THIS ADMINISTRATION AGREEMENT (this "Agreement") is made this ___ day of _____ 20___, between National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), and _____ ("Supplier").

RECITALS

WHEREAS, the _____ (the "Principal Procurement Agency") has entered into a Master Agreement effective _____, Agreement No_____, by and between the Principal Procurement Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the "Master Agreement"), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (the "Product");

WHEREAS, said Master Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (collectively, "Public Agencies"), that register (either via registration on the OMNIA Partners, Public Sector website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit B) (each, hereinafter referred to as a "Participating Public Agency") may purchase Product at prices stated in the Master Agreement;

WHEREAS, Participating Public Agencies may access the Master Agreement which is offered through OMNIA Partners, Public Sector to Public Agencies;

WHEREAS, OMNIA Partners, Public Sector serves as the contract administrator of the Master Agreement on behalf of Principal Procurement Agency;

WHEREAS, Principal Procurement Agency desires OMNIA Partners, Public Sector to proceed with administration of the Master Agreement; and

WHEREAS, OMNIA Partners, Public Sector and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between OMNIA Partners, Public Sector and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, OMNIA Partners, Public Sector and Supplier hereby agree as follows:

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Master Agreement.

TERMS AND CONDITIONS

2. The Master Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. OMNIA Partners, Public Sector shall be afforded all of the rights, privileges and indemnifications afforded to Principal Procurement Agency by or from Supplier under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to OMNIA Partners, Public Sector, its agents, employees, directors, and representatives under this Agreement including, but not limited to, Supplier's obligation to obtain appropriate insurance.

4. OMNIA Partners, Public Sector shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Principal Procurement Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by OMNIA Partners, Public Sector solely in its capacity as the contract administrator under the Master Agreement.

5. With respect to any purchases by Principal Procurement Agency or any Participating Public Agency pursuant to the Master Agreement, OMNIA Partners, Public Sector shall not be: (i) construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Principal Procurement Agency or any Participating Public Agency; (ii) obligated, liable or responsible for any order for Product made by Principal Procurement Agency or any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Product; and (iii) obligated, liable or responsible for any failure by Principal Procurement Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. OMNIA Partners, Public Sector makes no representation or guaranty with respect to any minimum purchases by Principal Procurement Agency or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

6. OMNIA Partners, Public Sector shall not be responsible for Supplier's performance under the Master Agreement, and Supplier shall hold OMNIA Partners, Public Sector harmless from any liability that may arise from the acts or omissions of Supplier in connection with the Master Agreement.

7. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OMNIA PARTNERS, PUBLIC SECTOR EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING OMNIA PARTNERS, PUBLIC SECTOR'S PERFORMANCE AS A CONTRACT ADMINISTRATOR OF THE MASTER AGREEMENT. OMNIA PARTNERS, PUBLIC SECTOR SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS, PUBLIC SECTOR IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

8. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 12 – 23, hereof and the

indemnifications afforded by the Supplier to OMNIA Partners, Public Sector in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners, Public Sector shall have the right to terminate this Agreement, at OMNIA Partners, Public Sector's sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners, Public Sector and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners, Public Sector program by either registering on the OMNIA Partners, Public Sector website (www.omniapartners.com/publicsector), or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners, Public Sector. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners, Public Sector or posts on the OMNIA Partners, Public Sector website. Supplier shall indemnify, defend and hold harmless OMNIA Partners, Public Sector for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners, Public Sector each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "Logo") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners, Public Sector from Supplier in the amount of three percent (3%) ("Administrative Fee Percentage") multiplied by the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners, Public Sector with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, Public Sector, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("Contract Sales Report"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners, Public Sector by the 10 day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners, Public Sector's sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners, Public Sector at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners, Public Sector designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners, Public Sector's sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, Public Sector, or its designee, in OMNIA Partners, Public Sector's sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners, Public Sector receives such report. In addition, OMNIA Partners, Public Sector may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners, Public Sector at the location designated by OMNIA Partners, Public Sector. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners, Public Sector will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners, Public Sector's reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners, Public Sector's costs and expenses related to such audit.

GENERAL PROVISIONS

16. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between OMNIA Partners, Public Sector and Supplier, the provisions of this Agreement shall prevail.

17. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any Administrative Fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which it may be entitled.

18. This Agreement and OMNIA Partners, Public Sector's rights and obligations hereunder may be assigned at OMNIA Partners, Public Sector's sole discretion to an affiliate of OMNIA Partners, Public Sector, any purchaser of any or all or substantially all of the assets of

OMNIA Partners, Public Sector, or the successor entity as a result of a merger, reorganization, consolidation, conversion or change of control, whether by operation of law or otherwise. Supplier may not assign its obligations hereunder without the prior written consent of OMNIA Partners, Public Sector.

19. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

A. OMNIA Partners, Public Sector:

OMNIA Partners, Public Sector
Attn: President
840 Crescent Centre Drive
Suite 600
Franklin, TN 37067

B. Supplier:

_____

20. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

21. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

22. This Agreement shall inure to the benefit of and shall be binding upon OMNIA Partners, Public Sector, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

23. This Agreement will be construed under and governed by the laws of the State of Delaware, excluding its conflicts of law provisions and any action arising out of or related to this Agreement shall be commenced solely and exclusively in the state or federal courts in Williamson County Tennessee.

24. This Agreement may be executed in counterparts, each of which is an original but all of which, together, shall constitute but one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile, or by .pdf or similar electronic transmission, will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar electronic transmission, will be deemed to be their original signatures for any purpose whatsoever.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT, EXAMPLE

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this "**Agreement**") is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate ("**Principal Procurement Agencies**") with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector and/or Communities Program Management, LLC, a California limited liability company d/b/a U.S. Communities (collectively, "**OMNIA Partners, Public Sector**") to be appended and made a part hereof and such other public agencies ("**Participating Public Agencies**") who register to participate in the cooperative purchasing programs administered by OMNIA Partners, Public Sector and its affiliates and subsidiaries (collectively, the "**OMNIA Partners Parties**") by either registering on the OMNIA Partners, Public Sector website (www.omniapartners.com/publicsector or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into "**Master Agreements**" (herein so called) to provide a variety of goods, products and services ("**Products**") to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.

2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency's procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies' participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable "safe harbor" regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization ("**GPO**") agreements directly or indirectly by enrolling the Participating Public Agency in another GPO's purchasing program provided the purchase of Products through the OMNIA Partners Parties or any other GPO shall be at the Participating Public Agency's sole discretion.

7. The Participating Public Agencies (each a "**Procuring Party**") that procure Products through any Master Agreement or GPO Product supply agreement (each a "**GPO Contract**") will make timely payments to the distributor, manufacturer or other vendor (collectively, "**Supplier**") for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE OMNIA PARTNERS PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES

THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) registration on the OMNIA Partners, Public Sector website or the execution of this Agreement by a Participating Public Agency, as applicable.

FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;

(b) Is not organized primarily for profit; and

(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30

CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non - Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these

regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Required Pursuant to N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.

Part I – Vendor Information

Vendor Name:			
Address:			
City:		State:	Zip:

The undersigned being authorized to certify, hereby certifies that the submission provided herein represents compliance with the provisions of N.J.S.A. 19:44A-20.26 and as represented by the Instructions accompanying this form.

Signature _____ Printed Name _____ Title _____

Part II – Contribution Disclosure

Disclosure requirement: Pursuant to N.J.S.A. 19:44A-20.26 this disclosure must include all reportable political contributions (more than $300 per election cycle) over the 12 months prior to submission to the committees of the government entities listed on the form provided by the local unit.

☐ Check here if disclosure is provided in electronic form

Certification of Non-Involvement in Prohibited Activities in Iran

Pursuant to N.J.S.A. 52:32-58, Offerors must certify that neither the Offeror, nor any of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32 – 56(e) (3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32 – 56(f).

Offerors wishing to do business in New Jersey through this contract must fill out the Certification of Non-Involvement in Prohibited Activities in Iran here: http://www.state.nj.us/humanservices/dfd/info/standard/fdc/disclosure_investmentact.pdf.

Offerors should submit the above form completed with their proposal.

NEW JERSEY BUSINESS REGISTRATION CERTIFICATE
(N.J.S.A. 52:32-44)

Offerors wishing to do business in New Jersey must submit their State Division of Revenue issued Business Registration Certificate with their proposal here. Failure to do so will disqualify the Offeror from offering products or services in New Jersey through any resulting contract.

http://www.state.nj.us/treasury/revenue/forms/njreg.pdf

EXHIBIT H

ADVERTISING COMPLIANCE REQUIREMENT

Pursuant to certain state notice provisions, including but not limited to Oregon Revised Statutes Chapter 279A.220, the following public agencies and political subdivisions of the referenced public agencies are eligible to register with OMNIA Partners, Public Sector and access the Master Agreement contract award made pursuant to this solicitation, and are hereby given notice of the foregoing request for proposals for purposes of complying with the procedural requirements of said statutes:

Nationwide:

State of Alabama	State of Hawaii	State of Massachusetts	State of New Mexico	State of South Dakota
State of Alaska	State of Idaho	State of Michigan	State of New York	State of Tennessee
State of Arizona	State of Illinois	State of Minnesota	State of North Carolina	State of Texas
State of Arkansas	State of Indiana	State of Mississippi	State of North Dakota	State of Utah
State of California	State of Iowa	State of Missouri	State of Ohio	State of Vermont
State of Colorado	State of Kansas	State of Montana	State of Oklahoma	State of Virginia
State of Connecticut	State of Kentucky	State of Nebraska	State of Oregon	State of Washington
State of Delaware	State of Louisiana	State of Nevada	State of Pennsylvania	State of West Virginia
State of Florida	State of Maine	State of New Hampshire	State of Rhode Island	State of Wisconsin
State of Georgia	State of Maryland	State of New Jersey	State of South Carolina	State of Wyoming
District of Columbia				

Lists of political subdivisions and local governments in the above referenced states / districts may be found at http://www.usa.gov/Agencies/State_and_Territories.shtml and https://www.usa.gov/local-governments.

Request for Contract Update

Pursuant to the terms of contract number R191803 for Furniture and Installation, Contractor must notify and receive approval from Region 4 ESC when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4 ESC. Region 4 ESC reserves the right to accept or reject any request.

Exemplis LLC hereby provides notice of the following update on this date: June 17, 2022.

Instructions: Contractor must check all that may apply and shall provide supporting documentation. Requests received without supporting documentation will be returned. This form is not intended for use if there is a material change in operations, such as assignment, bankruptcy, change of ownership, merger, etc. Material changes must be submitted on a "Notice of Material Change to Vendor Contract" form.

Re: Price Increase Request

To Whom It May Concern:

Please let this Letter serve as Exemplis LLC's notification to update our Contract as follows:

- Update Products and Pricing as stated in our new April 11, 2022 SitOnIt Seating Price Book.

On average, the price book adjustment will amount to a 5% weighted-average price increase for the SitOnIt Seating Products. While we are optimistic for recovery in the year ahead, the nation continues to feel pressure from shifts in the economic environment. Global markets continue to feel intense pressure from dramatic increases in commodity (such as resin, steel, foam, plywood, fabric and corrugated packaging), freight and labor costs- up to 160% in some cases. As a result, most manufacturers have implemented multiple price increases this year in an effort to combat these steadily increasing costs. Although we are constantly innovating to drive efficiencies and control costs, we have no choice but to offset a portion of these increases with a price adjustment.

Effective April 11, 2022, our prices are adjusted for SitOnIt Seating products. Since our last price increase, our major competitors have taken price increases averaging 10.9% to cover increased operating and commodity costs. Our plastic components supplier increased their pricing by an average of 20% on April 1, 2022. Our aluminum die-casting supplier increased their pricing by 5% on March 24, 2022. Our office furniture components supplier increased their pricing by 10% on January 24, 2022. Our freight forwards have also increased their pricing due to our economic condition:

- Freight forwarder insurance rates increased over 12%
- Toll prices have increased an average of 16%
- Dramatic escalation in fuel costs
- Trailer rental pricing has escalated by over 20%
- Due to labor storage, salaries had to be increased to attract talent

I attached examples of supporting documentation for commodity price increases/logistics price increases stated in this Letter. We have avoided raising our prices for as long as possible; however, we feel that we must take action at this time to partially cover higher costs.

Exemplis LLC notified our Dealers and customers of the new Price Book that went into effect commercially on April 11, 2022.

Please let me know if you have any questions or concerns.

Sincerely,

Derek A. Cairo, JD

Request for Contract Update

Pursuant to the terms of contract number R191803 for Furniture and Installation, Contractor must notify and receive approval from Region 4 ESC when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4 ESC. Region 4 ESC reserves the right to accept or reject any request.

Exemplis LLC hereby provides notice of the following update on this date: November 11, 2022.

Instructions: Contractor must check all that may apply and shall provide supporting documentation. Requests received without supporting documentation will be returned. This form is not intended for use if there is a material change in operations, such as assignment, bankruptcy, change of ownership, merger, etc. Material changes must be submitted on a "Notice of Material Change to Vendor Contract" form.

Re: Price Increase Request

Dear Mr. Zingelmann,

Please let this Letter serve as Exemplis LLC's notification to update our Contract as follows:

- Update Products and Pricing as stated in our new October 17, 2022 SitOnIt Seating Price Book.

On average, the price book adjustment will amount to a 6% weighted-average price increase for the SitOnIt Seating Products. While we are optimistic for recovery in the year ahead, the nation continues to feel pressure from shifts in the economic environment. Global markets continue to feel intense pressure from dramatic increases in commodity (such as resin, steel, foam, plywood, fabric and corrugated packaging), freight and labor costs- up to 160% in some cases. As a result, most manufacturers have implemented multiple price increases this year in an effort to combat these steadily increasing costs. Although we are constantly innovating to drive efficiencies and control costs, we have no choice but to offset a portion of these increases with a price adjustment.

Effective October 17, 2022, our prices are adjusted for SitOnIt Seating products. Since our last price increase, our major competitors have taken price increases averaging 12.3% to cover increased operating and commodity costs. Our plastic components supplier increased their pricing by an average of 24% on April 1, 2022. Our aluminum die-casting supplier increased their pricing by 5% on March 24, 2022. Our office furniture components supplier increased their pricing by 5% on June 1, 2022. I attached examples of supporting documentation for commodity price increases stated in this paragraph. We have avoided raising our prices for as long as possible; however, we feel that we must take action at this time to partially cover higher costs.

Exemplis LLC notified our Dealers and customers of the new Price Book that went into effect commercially on October 17, 2022.

Subject: Westfall Updated Pricing

Dear Javier:

Our mission is to provide you, our customer, with competitive manufacturing solution in plastics and we are committed to honest and transparent pricing with our customers. We continue to drive cost savings initiative to offset the major market changes over the last year.

However, over the last few months, we have been faced with extreme inflation in energy charges, freight charges and continued labor rate pressures. We also continue to see resin suppliers increase both pricing and minimum order quantities (MOQ) as they drive allocations and force majeure constraints.

As a result of that review, we are (i) requiring that all VMI terms are no longer in place as of now for Category "B" and "C" products while also (ii) increasing the prices of certain products. Those prices are set forth on Exhibit A, and take effect immediately.

We have of course tried everything we can to avoid a price increase, but unfortunately not to do so would directly affect our ability to trade. We would like to apologize in advance for any problems that the price increase may cause.

We, at Westfall, very much appreciate your business.

Sincerely,

Kevin White

May 16, 2022

Dear Valued Customer:

OMT-Veyhl has been doing everything we can to keep our business operating as normal. We have taken steps to reduce lead times and to strengthen our supply chain channels. We also recognize the responsibility we hold to keeping our customers updated on business news. As a part of this effort please review the following:

Due to the rising energy costs and inflation, we will be implementing a 5% price increase starting June 1st, 2022. This change is not due to future inflation predictions, but it is reflecting what we already see today.

PLEASE NOTE: During this time, the 7% surcharge that we have customers add to the PO, will now be built directly into the cost of the product. Please understand that this change will visually reflect a 12% increase on your statements.

Our team at OMT-Veyhl will continue to monitor pricing and, as always, is dedicated to attempting to minimize any cost increases.

Thank you for your ongoing support. We value our partnership with you, and we hope we can help you grow your business. Should you require any further information please contact your usual account manager, who can provide answers to any questions you may have.

Sincerely,

Jason Turkstra
Director of Sales

USFR Compliance Questionnaire for RFP #001218-JULY 182019

	YES/NO	COMMENTS
1. Based upon review of this contract for the procurement of construction, materials, and/or services that exceeded $100,000, did the cooperative follow the School District Procurement Rules (R7-2-1001 et seq)?	YES	
a. For this contracts awarded through competitive sealed bidding or competitive sealed proposals, did the cooperative:		
1) Give adequate notice of the invitation for bid (IFB) or request for proposal (RFP)? R7-2-1022 or R7-2-1042(C)	YES	
2) Compile and maintain a list of persons who requested to be added to a list of prospective bidders, if any? R7-2-1023	YES	Supplier List under Event Summary
3) Issue the IFB or RFP at least 14 days before the due date and time set for bid or proposals, as applicable, unless a shorter time was determined necessary? R7-2-1024(A) or R7-2-1042(B)	YES	RFP Page 6
4) Include all required information in the IFB or RFP? (Note: If the answer is "No," the "Comments" should specifically indicate which requirements were not complied with.) R7-2-1024(B) or R7-2-1042(A)	YES	RFP Page 6
5) Stamp sealed bids or proposals with the time and date upon receipt and store bids or proposals unopened until the due date and time set for opening? R7-2-1029 or R7-2-1045	YES	EventSummary-Suppliers (electronic time stamp)
6) If a multiple award was made for the IFB or RFP:		
i. Did the cooperative establish and follow procedures for the use of multiple award contracts? R7-2-1031(D) and R7-2-1050(C)	YES	
ii. Did the cooperative include in the solicitation(s) notification that multiple contracts may be awarded, the cooperative's basis for determining whether to award multiple contracts, and the criteria for selecting vendors for the multiple contracts? R7-2-1031(C) and R7-2-1050(B)	YES	
iii. Determine, with the specific reason(s) in writing, that a single award was not advantageous to the cooperative's members and retain documentation that supported the basis for a multiple award? R7-2-1031(D)	N/A	
iv. Limit contract awards to the least number of suppliers necessary to meet the requirements of the members? R7-2-1031(D) and R7-2-1050(C)	YES	

	YES/NO	COMMENTS
7) For contracts where only one responsive bid or proposal was received, determine that the price submitted was fair and reasonable, and that either other prospective offerors had reasonable opportunity to respond or there was not adequate time for resolicitation, and retain documentation that supported the basis for the determination? R7-2-1032 or R7-2-1046(A)(1)	N/A	
b. For this contract awarded through competitive sealed bidding, did the cooperative award the contracts to the lowest responsible and responsive bidder whose bid conformed, in **all** material respects, to the requirements and evaluation criteria set forth in the IFB? (**Note:** If the answer is "No," the "Comments" should specifically indicate which requirements were not complied with.) R7-2-1031	N/A	
c. For this contract awarded through competitive sealed proposals, did the cooperative award the contract to the offeror whose proposal was determined, with the specific reason(s) in writing, to be most advantageous to the cooperative's members based on the factors set forth in the RFP and retain documentation that supported the determination? R7-2-1050	YES	
2. Did the cooperative have signed conflict-of-interest disclosures filed for any employee or nonemployee evaluation committee members? R7-2-1008 and R7-2-1015	YES	NDA/COI Forms
3. If the cooperative used a qualified select bidders list to procure construction services, did the cooperative comply with requirements of R7-2-1101?	N/A	
4. If the cooperative used construction-manager-at-risk, design-build, or job-order-contracting to procure construction services, did the cooperative comply with the requirements of R7-2-1100 through R7-2-1115?	N/A	
5. If the cooperative procured goods and services using reverse auctions or electronic bidding, did the cooperative comply with the requirements of R7-2-1018, R7-2-1021, or R7-2-1041?	N/A	
6. For purchases made through the Simplified School Construction Procurement Program, did the cooperative follow the requirements of R7-2-1033? (**Note:** If the answer is "No," the "Comments" should specifically indicate which requirements were not complied with.)	N/A	
7. If the cooperative used multi-term contracts for any of the contracts tested in question 1:		
a. Were the terms and conditions of renewal or extension, if any, included in the IFB or RFP? A.R.S. §15-213(K) and R7-2-1093	YES	UC Purchasing Agreemen
b. For materials or services and contracts for job-order-contracting construction services that were entered into for more than 5 years, did the cooperative determine in writing, before the procurement solicitation was issued, that a contract of longer duration would be advantageous to its members? A.R.S. §15-213(K) and R7-2-1093	N/A	
8. Did the cooperative prevent additional purchases by new members that would materially change the volume of goods or services estimated in the original solicitation? R7-2-1011	N/A	

	YES/NO	COMMENTS
9. Did the cooperative maintain current cooperative purchasing agreements with participating school districts? R7-2-1191 through R7-2-1195	YES	

For questions 10 and 11: If the cooperative had any emergency or sole source procurements, the audit firm must test <u>all</u> such procurements.

10. Based upon review of any emergency procurements, was the basis for each emergency procurement reasonable; did the cooperative maintain a written statement for each emergency procurement documenting the basis for the emergency, the selection of the particular contractor, and why the price paid was reasonable; and was such statement signed by the individual authorized to initiate emergency procurements? R7-2-1055 and R7-2-1056	N/A	
11. Based upon review of any sole source procurements, was the basis for the sole source procurement reasonable, and did the cooperative retain its written determination that there was only one source for the required materials, service, or construction items? R7-2-1053	N/A

UC Office Furniture and Related Services

with

Kimball Office, Inc.

Effective: May 20, 2020

The following documents comprise the executed contract between the University of California, Office of the President and Kimball Office, Inc. effective May 20, 2020:

I. Vendor Contract and Signature Form
II. Supplier's Response to the RFP, incorporated by reference

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

UNIVERSITY OF CALIFORNIA

Office Furniture Purchasing Agreement #2019.001896

Kimball Office, Inc., Dated May 20, 2020

As a result of Request for Proposal # (RFP ## 001218 - RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019), the Agreement to furnish certain goods and services described herein and in the documents referenced herein, is a Master Agreement for the purchase of office furniture and related services ("Goods and/or Services") and is made by and between The Regents of the University of California, a California public corporation ("UC") on behalf of the University of California, and Kimball Office, Inc. ("Supplier"); such contract to be made available as a Cooperative Purchasing Contract through OMNIA Partners Public Sector. This Agreement is binding only if it is negotiated and executed by an authorized representative with the proper delegation of authority.

1. Statement of Work

As a manufacturer of Office Furniture, Supplier agrees to provide Furniture Products the Required Services, either directly or through a network of primary dealers; all as listed in the statement of work attached as **Attachment A ("Statement of Work")** and any other documents referenced in the Incorporated Documents section herein, per the terms and the prices set forth in the Statement of Work and any other documents referenced in the Incorporated Documents section herein. Unless otherwise provided in the Agreement, UC will not be obligated to purchase a minimum amount of Goods and/or Services from Supplier. Goods and Services shall be provided to UC and OMNIA Partner's Participating Agencies, as detailed below:

a) The University of California, as the Principal Procurement Agency, defined in the National Requirements Document at time of RFP (see OMNIA Partners Exhibit A within CalUsource RFP), has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The University of California is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). The National Requirements Documents (Exhibits A-H under RFP Guidelines) contains additional information about OMNIA Partners and the cooperative purchasing agreement.

b) University of California locations, as defined in Section 3 of Attachment A - Statement of Work

2. Term of Agreement/Termination

a) The initial term of the Agreement will be from May 20, 2020 and through April 30, 2024 (Initial Term) and is subject to earlier termination as provided below. UC may renew the Agreement for five (5) successive years (Renewal Term), exercised individually, in combinations, and/or as a single block of 5 years; to be determined by the UC at the time the option years are considered. Supplier will be provided with at least sixty (**60)** calendar days' written notice before the end of the Initial Term or any Renewal Term. NOTE: This contract will be signed and available for national use and purchases, prior to its implementation and availability for purchases by the UC, which will begin November 1, 2020. This does not inhibit the Supplier from engaging with UC customers when requested by UC department for the purposes of preparatory discussions/design work on lengthy/large projects which will not be procured until after November 1, 2020. Additionally, it is expected, Suppliers will promote their company and services during campus roll-outs (September 28th through October 31st).

b) UC may terminate the Agreement for cause or convenience by giving the other party at least 180 calendar days' written notice. Note, this is a UC System-wide Agreement, extended nationally through OMNIA Partners. Termination by a campus (or department), will not constitute termination of the Agreement for the UC system itself, nor the Agreement as a whole.

c) UC or Supplier may terminate the Agreement for cause by giving the other party at least 180 days' notice of failure to cure a material breach of the Agreement within the Cure Period allowed (30 days from written notice of a breach, per this Agreement). For sake of clarity, either Party may provide written Notice of Breach to the Administrators listed in this Agreement. This action shall trigger a thirty (30) day Cure Period. If breach is not resolved, originating party/notifying party, may provide a Notice to Terminate as a result of uncured breach, allowing 180 days of continuing service for new orders

UNIVERSITY OF CALIFORNIA

and/or completion of existing orders; all of which must be complete within that 180 day period and/or mutually acceptable arrangements made for completion after termination.

3. UC Program

Supplier agrees to extend the pricing basis, terms and conditions of the Agreement to all UC Locations. Supplier will make available to any UC Location its improved pricing basis, terms or conditions resulting from increased usage or aggregation of activity by multiple UC Locations. All contractual administration issues (e.g. terms and conditions, extensions, and renewals), operational issues, fiduciary responsibility, payment issues, performance issues and liabilities, and disputes involving individual UC Locations will be addressed, administered, and resolved by each UC Location. Any delay in payment or other operational issue involving one UC Location will not adversely affect any other UC Location.

4. Cooperative Purchasing

Supplier agrees to extend Goods and/or Services to public agencies (public and private schools, colleges and universities, cities, counties, non- profits, and all governmental entities) registered with OMNIA Partners, Public Sector under the terms of this agreement, as specified for a National Program. All contractual administration (e.g. terms, conditions, extensions, and renewals) will remain the UC's responsibility except as outline in the above referenced RFP (RFP ## 001218). Operational issues, fiduciary responsibility, payment issues and liabilities, and disputes involving individual participating agencies will be addressed, administered, and resolved by each participating agency.

5. Purchase Order; Advance Payments

Unless otherwise provided in the Agreement, Supplier may not begin providing Goods and/or Services until UC approves a Purchase Order for the Goods and/or Services.

University's standard payment terms are Net 30 days of receipt of product to UC or to Dealer's warehouse. Invoices must be paid with a minimum of 90% payment, withholding a maximum of 10% for outstanding line item charges for missing or damaged product specifically relating to the original purchase order and any additional items, only if 'Date promised by' aligns with original shipment. Where mutually acceptable, large projects may employ the use of phased payment, for the purpose of covering costs for services already rendered or product already procured; specific details and process to be negotiated between the Supplier and the University campuses based on each site's requirements. A Purchase Order must precede the work or purchase.

6. Pricing Structure, Invoicing Method, and Settlement Method Terms

a) Pricing

1. All Goods available through this Agreement, include delivery and are priced as a 'Discount off List'. These discounts are based against a contracted Manufacturer's National Price List. List price/MSRP is defined as the product sales price list published in some form by the manufacturer or publisher of a product and available to and recognized by, the trade. 'Discount off List' may vary according to delivery or services included. Refer to Attachment A –Statement of Work. For Pricing, discounts, and pricing terms.

b) **Invoicing and Settlement**

1. Each Location will specify the Invoicing Method and Payment Options that will apply, taking into account the operational capabilities of Supplier and the UC and/or Participating Agency Location. For UC campuses/locations, please see UC's Procure to Pay Standards for the options that will be considered https://www.ucop.edu/procurement-services/_files/Matrix%20for%20website.pdf Each UC Location will specify these terms in a Statement of Work or Purchase Order, as the case may be. The University at its discretion, may remit payment to the Dealer through P-Card (credit card/similar methods) with a processing fee, as well as checks, or other electronic forms of payment. Supplier reserves the right to elect ACH or Check payment on any projects exceeding $400,000 (High Volume/Negotiable Tier), for the purpose of avoiding additional merchant fees associated with credit card (or similar) payment methods. UC campuses/locations may accept, reject, or negotiate this supplier policy, during planning phase of a large project. Supplier is obligated to notify location of this policy, prior to any engagement of services or ordering of product

2. All payments for UNIVERSITY purchases under this Agreement are Net 30 days of product shipping, unless stated otherwise within this Agreement and shall not be subject to late charges or interest charges. Exceptions for phased payment, are noted above within

UNIVERSITY OF CALIFORNIA

Section 5. Subject to exception B.1 above, the University, at its discretion, may remit payment to the Supplier through P-Card (credit card or similar, with fees up to 3%), checks, or other electronic forms of payment. Note the UC (only) is entitled to 30 days free storage (Section 9 of Attachment A) from Dealer, if prearranged or mutually agreed. The 30 days shall begin when product arrives to Dealer's facility/dock. Any period after that point, may be charged at rates quoted within this Agreement. This arrangement does not extend requirements for payment to Supplier, if product is available for inspection/verification. As previously stated, invoices must be paid with a minimum of 90% payment, withholding a maximum of 10% for outstanding line item charges.

3. Notwithstanding the provisions of Article 3 of the Terms and Conditions of Purchase, UC will not pay freight/shipping or basic delivery costs for Manufacturer's goods. Installation and other services may be charged separately, when not included as part of a 'Service Package' (service and product, priced as a reduced percentage off list); all such charges and services listed in Attachment A – Statement of work. All separate Service charges shall include detail (e.g. 2 men, 8hrs. @ $65.00 hourly or 3 hrs. Design Services @ XX).

4. Supplier's Authorized Representatives will submit invoices, following the designated invoice method, directly to UC Accounts Payable Departments at each UC Location, unless the UC Location and the Supplier reach an alternate, mutually acceptable procedure for submitting invoices (i.e., directly from Supplier to UC Location). All invoices must clearly indicate the following information:

a. California sales tax as a separate line item, based on the California 10 digit Zip Code;
b. UC System Wide Agreement Number;
c. Freight or Shipping/Delivery as separate line items, only when applicable (e.g. non-Kimball product)
d. Service and Installation costs (with service and labor detail);
e. Purchase Order or Release Number;
f. Description, quantity, catalog number and manufacturer number of the item ordered; UC Net cost of each item;
g. List Price, appropriate % discount applied, and Net Cost;
h. Reference to original order number for all credit memos issued (if applicable);
i. UC Purchase Order or Release Number;

7. Notices

As provided in the UC Terms and Conditions of Purchase, notices may be given by email, which will be considered legal notice only if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – [insert, as the case may be, Supplier name or University of California]. If a physical format notice is required, it must be sent by overnight delivery or by certified mail with return receipt requested, at the addresses specified below.
To UC, regarding confirmed or suspected Breaches as defined under Appendix – Data Security:

Name	David Rusting. Chief Information. Security Officer.
Phone	(510)987-0086
Email	David.Rusting@ucop.edu
Address	Address: 1111 Franklin St., 7th Flr, Office: 7104
	Oakland Ca. 94607

To UC, regarding contract issues not addressed above:

Name	Yvonne Macon
Phone	530-752-5684
Email	Yvonne. Macon@ucop.edu
Address	260 Cousteau Place, Ste. 150
	Davis, Ca. 95618

To Supplier:

Name	Stacy Huelsman
Phone	812-482-8108
Email	Stacy.huelsman@kimball.com

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

UNIVERSITY OF CALIFORNIA

Address	1600 Royal St.
	Jasper, IN 47546

8. Intellectual Property, Copyright and Patents

The Goods and/or Services **do not** involve Work Made for Hire

9. Patient Protection and Affordable Care Act (PPACA)

The Services do not involve temporary or supplementary staffing, and they are not subject to the PPACA warranties in the T&Cs.

10. Prevailing Wages

Supplier acknowledges Prevailing Wage requirements, apply to this contract.

a) Supplier understands and acknowledges that prevailing wages are frequently applicable for installation services provided under this program. Supplier (as defined herein), to include its Dealers or their subcontractors performing services) is required to pay prevailing wages, when applicable to the work and as required within the state and county where installation is taking place and at the rate specified for those counties, per the Department of industrial Relations. A Supplier should note, Prevailing Wages are to be paid for labor performed for any UC installation where assembly or attachments is required, except for labor related to the following activities:

- Delivery of materials that will not be installed by the delivering vendor or subcontractor; and
- Assembly of unattached, freestanding furniture, not requiring special tools and/or joining of furniture pieces (e.g. desk return added to desk); and
- Delivery and assembly of furniture that is attached only for security purposes (to prevent its theft) or otherwise attached by restraints that are not subject to any regulation pursuant to the California Building Code.

b) Prevailing wages shall also be paid for all labor associated with the special fabrication of any non-standard, non-catalog furniture components that are manufactured specially and exclusively for installation at the project/delivery site.

c) Rates vary depending on the county in which the work is being performed. In Installations where Prevailing Wages are applicable, the UNIVERSITY acknowledges that added delivery installation charges may be applied, as a differential, to reflect the current updated Prevailing Wage schedules.

11. Fair Wage/Fair Work (UC Specific)

For all work performed as Standard Labor (work not requiring the payment of Prevailing Wage rates), Supplier is required to pay a minimum of the UC Fair Wage (defined as $15 per hour as of 10/1/17) to its staff when providing services at UC Locations. This is also assumed/required for any labor quotes stated as a flat hourly amount, inclusive of Supplier overhead costs (Basic Installation Hourly Rates).

12. Restriction Relating to Consulting Services or Similar Contracts – Follow-on Contracts

Please note a Supplier that is awarded a consulting services or similar contract cannot later submit a bid or be considered for any work "required, suggested, or otherwise deemed appropriate" as the end product of the Services (*see* Public Contract Code Section 10515).

13. Insurance

Deliver the PDF version of the Certificate of Insurance to UC's Buyer, by email with the following text in the Subject field: CERTIFICATE

UNIVERSITY OF CALIFORNIA

OF INSURANCE – Agreement #2019.001896_Office furniture. Additionally, this requirement will be considered satisfied if a PDF version of the Certificate of Insurance is sent by Email and includes the following text in the Subject field: CERTIFICATE OF INSURANCE – Agreement #2019.001896_Office Furniture

14. Service-Specific and/or Goods-Specific Provisions

Supplier is providing all categories of its Office Furniture and related Product Lines nationally to Participating Agencies, when extended through OMNIA Partners and to UC (with noted restrictions). Quotes, delivery and/or any installation will be performed by Supplier's Authorized Representatives-Subcontractors (i.e. dealer network), although Quotes may, in some cases, be provided by Supplier as manufacturer of the goods, rather than its authorized representatives for convenience, efficiency, or accuracy reasons. Purchase order processing (acknowledgement-confirmation) and invoicing may be performed by Supplier.

15. Records about Individuals

Records created pursuant to the Agreement that contain personal information about individuals (including statements made by or about individuals) may become subject to the California Information Practices Act of 1977, which includes a right of access by the subject individual. While ownership of confidential or personal information about individuals is subject to negotiated agreement between UC and Supplier, records will normally become UC's property, and subject to state law and UC policies governing privacy and access to files. When collecting the information, Supplier must inform the individual that the record is being made, and the purpose of the record. Use of recording devices in discussions with employees is permitted only as specified in the Statement of Work.

16. Amendments to UC Terms and Conditions of Purchase - There are no amendments to UC Terms and Conditions of Purchase, dated 5-9-19.

17. Amendments to Appendix – Data Security - There are no amendments to The UC Appendix – Data Security, dated 4-12-19.

18. Amendments to Appendix – Business Associate - The UC Appendix – Business Associate, does not apply to this contract.

19. Appendix Ecommerce – Appendix Ecommerce, dated 9-19-17 applies to UC ecommerce business and is not amended.

20. Incorporated Documents

The following documents are incorporated and made part of this Agreement, as if fully set herein, listed in the order of preference following this Agreement.

Attachment A - Statement of Work, including Exhibits
Attachment B - UC Terms and Conditions of Purchase dated 5-9-19
Attachment C - UC Appendix – Data Security dated 4-12-19
Attachment D - UC Appendix Ecommerce, dated 9-19-17
Attachment E - Definitions
Attachment F - RFP Document (RFP-OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019) and any subsequent Addenda
Attachment G - Supplier's Response to RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019, dated 8-21-19

20. Entire Agreement

The Agreement and its Incorporated Documents contain the entire Agreement between the parties and supersede all prior written or oral agreements with respect to the subject matter herein.

ATTACHMENT B – UC TERMS AND CONDITIONS OF PURCHASE (DATED 5-9-19)

ARTICLE 1 – GENERAL

The equipment, materials, or supplies ("Goods") and/or services ("Services") furnished by Supplier (together, the "Goods and Services") and covered by the UC Purchase Order ("PO") and/or other agreement (which, when combined with these Terms and Conditions and any other documents incorporated by reference, will constitute the "Agreement") are governed by the terms and conditions set forth herein. As used herein, the term "Supplier" includes Supplier and its sub-suppliers at any tier. As used herein, "UC" refers to The Regents of the University of California, a corporation described in California Constitution Art. IX, Sec. 9, on behalf of the UC Locations identified in the Agreement and/or the PO. UC and Supplier individually will be referred to as "Party" and collectively as "Parties." Any defined terms not defined in these Terms and Conditions of Purchase will have the meaning ascribed to such term in any of the other documents incorporated in and constituting the Agreement. No other terms or conditions will be binding upon the Parties unless accepted by them in writing. Written acceptance or shipment of all or any portion of the Goods, or the performance of all or any portion of the Services, covered by the Agreement, will constitute Supplier's unqualified acceptance of all of the Agreement's terms and conditions. The terms of any proposal referred to in the Agreement are included and made a part of the Agreement only to the extent the proposal specifies the Goods and/or Services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of the Agreement.

ARTICLE 2 – TERM AND TERMINATION

A. As applicable, the term of the Agreement ("Initial Term") will be stated in the Agreement. Following the Initial Term, the Agreement may be extended by written mutual agreement.

B. UC's obligation to proceed is conditioned upon the appropriation of state, federal and other sources of funds not controlled by UC ("Funding"). UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation in the event that through no action or inaction on the part of UC, the Funding is withdrawn.

C. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time with not less than the number of days' notice stated elsewhere in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier's provision of Goods and/or Services will terminate.

D. UC may by written notice terminate the Agreement for Supplier's breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within five (5) business days, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.

ARTICLE 3 – PRICING, INVOICING METHOD, AND SETTLEMENT METHOD AND TERMS. Pricing is set forth in the Agreement or Purchase Order Number, and the amount UC is charged and responsible for shall not exceed the amount specified in the Agreement unless UC has given prior written approval. Unless otherwise agreed in writing by UC, Supplier will use the invoicing method and payment settlement method (and will extend the terms applicable to such settlement method) set forth in UC's Supplier Invoicing, Terms & Settlement Matrix. UC will pay Supplier, upon submission of acceptable invoices, for Goods and/or Services provided and accepted. Invoices must be itemized and reference the Agreement or Purchase Order number. UC will not pay shipping, packaging or handling expenses, unless specified in the Agreement or Purchase Order. Unless otherwise provided, freight is to be FOB destination. Any of Supplier's expenses that UC agrees to reimburse will be reimbursed under UC's Travel Policy, which may be found at https://policy.ucop.edu/doc/3420365. Where applicable, Supplier will pay all taxes imposed on Supplier in connection with its performance under the Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments. Notwithstanding any other provision to the contrary, UC will not be responsible for any fees, interest or surcharges Supplier wishes to impose.

ARTICLE 4 – INSPECTION. The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier's performance, design, workmanship and materials, and, except as otherwise provided in the Agreement, will be subject to inspection and test by UC at all times and places. If, prior to final acceptance, any Goods and/or Services furnished are found to be incomplete, or not as specified, UC may reject them, require Supplier to correct them at the sole cost of Supplier, or require provision of such Goods and/or Services at a reduction in price that is equitable under the circumstances. If Supplier is unable or refuses to correct such deficiencies within a time UC deems reasonable, UC may terminate the Agreement in whole or in part. Supplier will bear all risks as rejected Goods and/or Services and, in addition to any costs for which Supplier may become liable to UC under other provisions of the Agreement, will reimburse UC for all transportation costs, other related costs incurred, or payments to Supplier in accordance with the terms of the Agreement for unaccepted Goods and/or Services and materials and supplies incidental thereto. Notwithstanding final acceptance and payment, Supplier will be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 5 – ASSIGNED PERSONNEL; CHARACTER OF SERVICES

Supplier will provide the Services as an independent contractor and furnish all equipment, personnel and materiel sufficient to provide the Services expeditiously and efficiently, during as many hours per shift and shifts per week, and at such locations as UC may so require. Supplier will devote only its best-qualified personnel to work under the Agreement. Should UC inform Supplier that anyone providing the Services is not working to this standard, Supplier will immediately remove such personnel from providing Services and he or she will not again, without UC's written permission, be assigned to provide Services. At no time will Supplier or Supplier's employees, sub-suppliers, agents, or assigns be considered employees of UC for any purpose, including but not limited to workers' compensation provisions. Supplier shall not have the power nor right to bind or obligate UC, and Supplier shall not hold itself out as having such authority. Supplier shall be responsible to UC for all Services performed by Supplier's

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

employees, agents and subcontractors, including being responsible for ensuring payment of all unemployment, social security, payroll, contributions and other taxes with respect to such employees, agents and subcontractors.

ARTICLE 6 – WARRANTIES

In addition to the warranties set forth in Articles 11, 12, 17, 23, 24, 25 and 26 herein, Supplier makes the following warranties. Supplier acknowledges that failure to comply with any of the warranties in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

A. General Warranties. Supplier represents, warrants and covenants that: (i) Supplier is free to enter into this Agreement and that Supplier is not, and will not become, during the Term, subject to any restrictions that might restrict or prohibit Supplier from performing the Services or providing the Goods ordered hereunder; (ii) Supplier will comply with all applicable laws, rules and regulations in performing Supplier's obligations hereunder; (iii) the Goods and/or Services shall be rendered with promptness and diligence and shall be executed in a workmanlike manner by competent personnel, in accordance with the prevailing industry standards; and if UC Appendix Data Security is NOT included:(iv) Supplier has developed a business interruption and disaster recovery program and is executing such program to assess and reduce the extent to which Supplier's hardware, software and embedded systems may be susceptible to errors or failures in various crisis (or force majeure) situations; (v) if Supplier uses electronic systems for creating, modifying, maintaining, archiving, retrieving or transmitting any records, including test results that are required by, or subject to inspection by an applicable regulatory authority, then Supplier represents and warrants that Supplier's systems for electronic records are in compliance; and (vi) Supplier agrees that the Goods and/or Services furnished under the Agreement will be covered by the most favorable warranties Supplier gives to any customer for the same or substantially similar goods or services, or such other more favorable warranties as specified in the Agreement. The rights and remedies so provided are in addition to and do not limit any rights afforded to UC by any other article of the Agreement.

B. Permits and Licenses. Supplier agrees to procure all necessary permits or licenses and abide by all applicable laws, regulations and ordinances of the United States and of the state, territory and political subdivision or any other country in which the Goods and/or Services are provided.

C. Federal and State Water and Air Pollution Laws. Where applicable, Supplier warrants that it complies with the requirements in UC Business and Finance Bulletin BUS-56 (Materiel Management; Purchases from Entities Violating State or Federal Water or Air Pollution Laws). Consistent with California Government Code 4477, these requirements do not permit UC to contract with entities in violation of Federal or State water or air pollution laws.

D. Web Accessibility Requirements. As applicable to the Supplies and/or Services being provided under the Agreement, Supplier warrants that:

1. It complies with California and federal disabilities laws and regulations; The Goods and/or Services will conform to the accessibility requirements of WCAG 2.0AA.

2. Supplier agrees to promptly respond to and resolve any complaint regarding accessibility of its Goods and/or Services;

3. Within six (6) months of the signing of this Agreement, Supplier will complete the testing of the Goods and Services for level AA conformance with Web Content Accessibility Guidelines (WCAG) 2.0 and report those findings to the University. Provide the source to whom the conformance should be submitted. In the event that testing results in findings of non-compliance, Supplier will provide a remediation plan to the University within two (2) months of completion of testing, and will use reasonable efforts to adhere to any remediation timelines provided to the University; and

4. The University and its Authorized User may abridge, modify, translate or create any derivative work based on the Goods and Services when necessary to allow Authorized Users with disabilities to access the Goods and Services.

E. General Accessibility Requirements. Supplier warrants that:

1. It will comply with California and federal disability laws and regulations;

2. Supplier will promptly respond to remediate to any identified accessibility defects in the Goods and Services to conform to WCAG 2.0 AA; and

3. Supplier agrees to promptly respond to and use reasonable efforts to resolve and remediate any complaint regarding accessibility of its Goods and/or Services.

F. Warranty of Quiet Enjoyment. Supplier warrants that Supplier has the right of Quiet Enjoyment in, and conveys the right of Quiet Enjoyment to UC for UC's use of, any and all intellectual property that will be needed for Supplier's provision, and UC's use of, the Goods and/or Services provided by Supplier under the Agreement.

G. California Child Abuse and Neglect Reporting Act ("CANRA"). Where applicable, Supplier warrants that it complies with CANRA.

H. Debarment and Suspension. Supplier warrants that it is not presently debarred, suspended, proposed for debarment, or declared ineligible for award of federal contracts or participation in federal assistance programs or activities.

I. UC Trademark Licensing Code of Conduct. If the Goods will bear UC's name (including UC campus names, abbreviations of these names, UC logos, UC mascots, or UC seals) or other trademarks owned by UC, Supplier warrants that it holds a valid license from UC and complies with the Trademark Licensing Code of Conduct policy, available at http://policy.ucop.edu/doc/3000130/TrademarkLicensing.

J. Outsourcing (Public Contract Code section 12147) Compliance. Supplier warrants that if the Agreement will displace UC employees, no funds paid under the Agreement will be used to train workers who are located outside of the United States, or plan to relocate outside the United States as part of the Agreement. Additionally, Supplier warrants that no work will be performed under the Agreement with workers outside the United States, except as described in Supplier's bid. If Supplier or its sub supplier performs the Agreement with workers outside the United States during the life of the Agreement and Supplier did not describe such work in its bid, Supplier acknowledges and agrees that a) UC may terminate the Agreement without further obligation for noncompliance, and b) Supplier will forfeit to UC the amount UC paid for the percentage of work that was performed with workers outside the United States and not described in Supplier's bid.

ARTICLE 7 – INTELLECTUAL PROPERTY, COPYRIGHT AND PATENTS

A. Goods and/or Services Involving Work Made for Hire.

1. Unless UC indicates that the Goods and/or Services do not involve work made for hire, Supplier acknowledges and agrees that any deliverables provided to UC by Supplier in the performance of the Agreement, and any intellectual property rights therein, (hereinafter the "Deliverables") will

be owned by UC. The Deliverables will be considered "work made for hire" under U.S. copyright law and all right, title, and interest to and in such Deliverables including, but not limited to, any and all copyrights or trademarks, will be owned by UC. In the event that it is determined that UC is not the owner of such Deliverables under the "work made for hire" doctrine of U.S. copyright law, Supplier hereby irrevocably assigns to UC all right, title, and interest to and in such Deliverables and any copyrights or trademarks thereto.
2. The Deliverables must be new and original. Supplier must not use any pre-existing copyrightable or trademarked images, writings, or other proprietary materials (hereinafter "Pre-Existing Materials") in the Deliverables without UC's prior written permission. In the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC with complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether
the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.

B. Goods and/or Services Not Involving Work Made for Hire.

1. If the Goods and/or Services do not involve work made for hire, and in the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
2. The Deliverables must be new and original. Supplier must not use any Pre-Existing Materials in the Deliverables without UC's prior written permission.
3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.

C. General. Should the Goods and/or Services become, or in Supplier's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Supplier will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Supplier with notice of such claim or threat. Following receipt of such notice, Supplier will either (at Supplier's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

ARTICLE 8 – INDEMNITY

To the fullest extent permitted by law, Supplier will defend, indemnify, and hold harmless UC, its officers, employees, and agents, from and against all losses, expenses (including, without limitation, reasonable attorneys' fees and costs), damages, and liabilities of any kind resulting from or arising out of the Agreement, including the performance hereunder of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control, provided such losses, expenses, damages and liabilities are due or claimed to be due to the acts or omissions of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control. UC agrees to provide Supplier with prompt notice of any such claim or action and to permit Supplier to defend any claim or action, and that UC will cooperate fully in such defense. UC retains the right to participate in the defense against any such claim or action, and the right to consent to any settlement, which consent will not unreasonably be withheld.

ARTICLE 9 – INSURANCE

Supplier, at its sole cost and expense, will insure its activities in connection with providing the Goods and/or Services and obtain, keep in force, and maintain the following insurance with the minimum limits set forth below, unless UC specifies otherwise:
A. Commercial Form General Liability Insurance (contractual liability included) with limits as follows:
1. Each Occurrence $ 1,000,000
2. Products/Completed Operations Aggregate $ 2,000,000
3. Personal and Advertising Injury $ 1,000,000
4. General Aggregate $ 2,000,000

UNIVERSITY OF CALIFORNIA

B. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit of not less than one million dollars ($1,000,000) per occurrence. (Required only if Supplier drives on UC premises or transports UC employees, officers, invitees, or agents in the course of supplying the Goods and/or Services to UC.)

C. If applicable, Professional Liability Insurance with a limit of two million dollars ($2,000,000) per occurrence or claim with an aggregate of not less than two million dollars ($2,000,000). If this insurance is written on a claims-made form, it will continue for three years following termination of the Agreement. The insurance will have a retroactive date of placement prior to or coinciding with the effective date of the Agreement.

D. Workers' Compensation as required by applicable state law and Employer's Liability with limits of one million dollars ($1,000,000) per occurrence. Workers' Compensation as required by applicable state law and Employer's Liability with limits of one million dollars ($1,000,000) per occurrence.

E. If applicable, Supplier Fidelity Bond or Crime coverage for the dishonest acts of its employees in a minimum amount of one million dollars ($1,000,000). Supplier will endorse such policy to include a "Regents of the University of California Coverage" or "Joint Payee Coverage" endorsement. UC and, if so requested, UC's officers, employees, agents and sub-suppliers will be named as "Loss Payee, as Their Interest May Appear" in such Fidelity Bond.

F. Additional other insurance in such amounts as may be reasonably required by UC against other insurable risks relating to performance. If the above insurance is written on a claims-made form, it will continue for three years following termination of the Agreement. The insurance will have a retroactive date of placement prior to or coinciding with the effective date of the Agreement. If the above insurance coverage is modified, changed or cancelled, Supplier will provide UC with not less than fifteen (15) days' advance written notice of such modification, change, or cancellation, and will promptly obtain replacement coverage that complies with this Article.

G. The coverages referred to under A and B of this Article must include UC as an additional insured. It is understood that the coverage and limits referred to under A, B and C of this Article will not in any way limit Supplier's liability. Supplier will furnish UC with certificates of insurance (and the relevant endorsement pages) evidencing compliance with all requirements prior to commencing work under the Agreement. Such certificates will:

1. Indicate that The Regents of the University of California has been endorsed as an additional insured for the coverage referred to under A and B of this Article. This provision will only apply in proportion to and to the extent of the negligent acts or omissions of Supplier, its officers, agents, or employees.

2. Include a provision that the coverage will be primary and will not participate with or be excess over any valid and collectible insurance or program of self-insurance carried or maintained by UC.

ARTICLE 10 – USE OF UC NAME AND TRADEMARKS

Supplier will not use the UC name, abbreviation of the UC name, trade names and/or trademarks (i.e., logos and seals) or any derivation thereof, in any form or manner in advertisements, reports, or other information released to the public, or place the UC name, abbreviations, trade names and/or trademarks or any derivation thereof on any consumer goods, products, or services for sale or distribution to the public, without UC's prior written approval. Supplier agrees to comply at all times with California Education Code Section 92000.

ARTICLE 11 – FEDERAL FUNDS

Supplier who supplies Goods and/or Services certifies and represents its compliance with the following clauses, as applicable. Supplier shall promptly notify UC of any change of status with regard to these certifications and representations. These certifications and representations are material statements upon which UC will rely.

A. For commercial transactions involving funds on a federal contract (federal awards governed by the FAR), the following provisions apply, as applicable:

i. FAR 52.203-13, Contractor Code of Business Ethics and Conduct;
ii. FAR 52.203-17, Contractor Employee Whistleblower Rights and Requirement to Inform Employees of Whistleblower Rights;
iii. FAR 52.203-19, Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements;
iv. FAR 52.219-8, Utilization of Small Business Concerns;
xv. FAR 52.222-53, Exemption from Application of the Service Contract Labor Standards to Contracts for Certain Services - Requirements;
xi. FAR 52.222-40, Notification of Employee Rights Under the National Labor Relations Act;
xii. FAR 52.222-41, Service Contract Labor Standards;
xiii. FAR 52.222-50, Combating Trafficking in Persons;
xiv. FAR 52.222-51, Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment - Requirements;
v. FAR 52.222-17, Non-displacement of Qualified Workers;
vi. FAR 52.222-21, Prohibition of Segregated Facilities;
vii. FAR 52.222-26, Equal Opportunity;
viii. FAR 52.222-35, Equal Opportunity for Veterans;
ix. FAR 52.222-36, Equal Opportunity for Workers with Disabilities;
x. FAR 52.222-37, Employment Reports on Veterans;
xvi. FAR 52.222-54, Employment Eligibility Verification;
xvii. FAR 52.222-55, Minimum Wages Under Executive Order 13658;
xviii. FAR 52.222-62, Paid Sick Leave under Executive Order 13706;
xix. FAR 52.224-3, Privacy Training;
xx. FAR 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations; and
xxi. FAR 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels.

UNIVERSITY OF CALIFORNIA

B. For non-commercial transactions involving funds on a federal contract, the UC Appendix titled '*Federal Government Contracts Special terms and Conditions (Non-Commercial Items or Services*)' and located at www.ucop.edu/procurement-services/policies-forms/index.html is hereby incorporated herein by this reference.

C. For transactions involving funds on a federal grant or cooperative agreement (federal awards governed by eCFR Title 2, Subtitle A, Chapter II, Part 200) the following provisions apply, as applicable:

i i. Rights to Inventions. If Supplier is a small business firm or nonprofit organization, and is providing experimental, development, or research work under this transaction, Supplier must comply with the requirements of 3 CFR Part 401, "Rights to Inventions Made by nonprofit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements".

ii ii. Clean Air Act. Supplier agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

iii iii. Byrd Anti-Lobbying. Supplier certifies that it will not, and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.

iv iv. Procurement of Recovered Materials. If Supplier is a state agency or agency of a political subdivision of a state, then Supplier must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.

D. In these provisions, the term "contractor" as used therein will refer to Supplier, and the terms "Government" or "Contracting Officer" as used therein will refer to UC. Where a purchase of items is for fulfillment of a specific U.S. Government prime or subcontract, additional information and/or terms and conditions may be included in an attached supplement. By submitting an invoice to UC, Supplier is representing to UC that, at the time of submission:

i. Neither Supplier nor its principals are presently debarred, suspended, or proposed for debarment by the U.S. government (see FAR 52.209-6);

ii. Supplier has filed all compliance reports required by the Equal Opportunity clause (see FAR 52.222-22); and

iii. Any Supplier representations to UC about U.S. Small Business Administration or state and local classifications, including but not limited to size standards, ownership, and control, are accurate and complete.

iv. Byrd Anti-Lobbying. Supplier certifies that it will not, and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.

ARTICLE 12 – EQUAL OPPORTUNITY AFFIRMATIVE ACTION

Supplier will abide by the requirements set forth in Executive Orders 11246 and 11375. Where applicable, Supplier will comply with 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), incorporated by reference with this statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability."** With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC, and will discuss with UC its policies and practices relating to its affirmative action programs. Supplier will not maintain or provide facilities for employees at any establishment under its control that are segregated on a basis prohibited by federal law. Separate or single-user restrooms and necessary dressing or sleeping areas must be provided, however, to ensure privacy.

ARTICLE 13 – LIENS

Supplier agrees that upon UC's request, Supplier will submit a sworn statement setting forth the work performed or material furnished by sub-suppliers and material men, and the amount due and to become due to each, and that before the final payment called for under the Agreement, will upon UC's request submit to UC a complete set of vouchers showing what payments have been made for such work performed or material furnished. Supplier will promptly notify UC in writing, of any claims, demands, causes of action, liens or suits brought to its attention that arise out of the Agreement. UC will not make final payment until Supplier, if required, delivers to UC a complete release of all liens arising out of the Agreement, or receipts in full in lieu thereof, as UC may require, and if required in either case, an affidavit that as far as it has knowledge or information, the receipts include all the labor and materials for which a lien could be filed; but Supplier may, if any sub-supplier refuses to furnish a release or receipt in full, furnish a bond satisfactory to UC to indemnify it against any claim by lien or otherwise. If any lien or claim remains unsatisfied after all payments are made, Supplier will refund to UC all monies that UC may be compelled to pay in discharging such lien or claim, including all costs and reasonable attorneys' fees.

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.

B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

Goods and/or Services may be issued at UC's discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier will at all times maintain good order among its employees and all other persons who come onto UC's premises at Supplier's request and will not engage any unfit or unskilled person to provide the Goods and/or Services. Supplier will confine its employees and all other persons who come onto UC's premises at Supplier's request or for reasons relating to the Agreement and its equipment to that portion of UC's premises where the Services are to be provided or to roads leading to and from such work sites, and to any other area which UC may permit
Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.
C. Tobacco-free Campus. UC is a tobacco-free institution. Use of cigarettes, cigars, oral tobacco, electronic cigarettes and all other tobacco products is prohibited on all UC owned or leased sites.

ARTICLE 15 – LIABILITY FOR UC - FURNISHED PROPERTY

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods: A. Price Decreases. Supplier agrees immediately to notify UC of any price decreases from its suppliers, and to pass through to UC any price decreases. B. Declared Valuation of Shipments. Except as otherwise provided in the Agreement, all shipments by Supplier under the Agreement for UC's account will be made at the maximum declared value applicable to the lowest transportation rate or classification and the bill of lading will so note. C. Title. Title to the Goods purchased under the Agreement will pass directly from Supplier to UC at the f.o.b. point shown, or as otherwise specified in the Agreement, subject to UC's right to reject upon inspection. D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished. E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11. F. Export Control. If any of the Goods is export-controlled under the International Traffic in Arms Regulations (22 CFR §§ 120-130), the United States Munitions List (22 CFR § 121.1), or Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list, Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification.

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means: A. An investment worth $2,000 or more in Supplier or its affiliate; B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate; C. Receipt during the past 12 months of $500 in income or $440 in gifts from Supplier or its affiliate; or D. A personal financial benefit from the Agreement in the amount of $250 or more. In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

UNIVERSITY OF CALIFORNIA

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF CONFIDENTIAL INFORMATION Supplier agrees to hold UC's Confidential Information, and any information derived therefrom, in strict confidence. Confidential Information shall be defined as any information disclosed by UC to Supplier for the purposes of providing the Good and/or Services which is (i) marked as "Confidential" at the time of disclosure; (ii) disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not include information that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. Supplier will not access, use or disclose Confidential Information other than to carry out the purposes for which UC disclosed the Confidential Information to Supplier, except as permitted or required by applicable law, or as otherwise authorized in writing by UC prior to the disclosure. Supplier shall have the limited right to disclose UC's Confidential Information to Supplier's employees provided that: (i) Supplier shall disclose only such UC's Confidential Information as is necessary for the Supplier to perform its obligations under this Agreement; (ii) such employees have been informed of the confidential nature of such information; and (iii) such employees have agreed in writing to be bound by confidentiality obligations at least as stringent as those set forth in this Agreement. Supplier shall be liable for any breach of this Agreement by its employees. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Confidential Information and any information derived therefrom. If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Confidential Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier is still required to make such a disclosure, Supplier will give UC prompt written notice of such event and will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to the Confidential Information. Supplier's transmission, transportation or storage of Confidential Information outside the United States, or access of Confidential Information from outside the United States, is prohibited except with prior written authorization by UC. UC's Appendix – Data Security, Appendix – HIPAA Business Associate, and/or Appendix – General Data Protection Regulation will control in the event that one or both appendices is incorporated into the Agreement and conflicts with the provisions of this Article. Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

ARTICLE 21 – UC WHISTLEBLOWER POLICY -UC is committed to conducting its affairs in compliance with the law, and has established a process for reporting and investigating suspected improper governmental activities. Please visit http://www.ucop.edu/uc-whistleblower/ for more information.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (https://policy.ucop.edu/doc/3100155) and the University of California Sustainable Procurement Guidelines: (https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf). In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation. A. Sustainability Marketing Standards. Supplier sustainability related claims, where applicable, must meet University of California recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides. B. Electronic Transfer of Supplier Information. Suppliers, when interacting with the University, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to University staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative. C. Packaging Requirements. All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, the University requires that all packaging meet at least one of the criteria listed below: a. Uses bulk packaging; b. Uses reusable packaging (e.g. totes reused by delivery service for next delivery); c. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product; d. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines; e. Uses locally recyclable or certified compostable material. D. Expanded Polystyrene (EPS) Ban. No EPS shall be used in foodservice facilities for takeaway containers. By 2020, the University will be prohibited from procuring Goods containing, or that are provided in packaging containing, Expanded Polystyrene (EPS) other than that utilized for laboratory supply or medical packaging and products where no functional alternatives exist. E. E-Waste Recycling Requirements. All recyclers of University of California electronic equipment must be e-Steward certified by the Basel Action Network (BAN) or R2 Standard certified. Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized Certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punchout catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):

1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and
3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.

B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.
Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticable occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as $13 per hour as of 10/1/15, $14 per hour as of 10/1/16, and $15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).
The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site: A. Notice of the general prevailing per diem wage rates, and any other notices required by DIR rule or regulation. By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than $200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC Fair Wage/Fair Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.
For Services that exceed $100,000 annually and are not subject to prevailing wage requirements, Supplier will, a) at Supplier's expense, provide an annual independent verification performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx) in compliance with UC's required verification standards and procedures, concerning Supplier's compliance with this provision, and b) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after each one-year anniversary of the agreement's effective date, for the twelve months immediately preceding the anniversary date. All Supplier FW/FW compliance resources available here: https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.
Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in man or other animals, or (iii) intended to affect the structure or any function of the body of man or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of man or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.
Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable;

(ii) perform a security scan by an anti-virus scanner, with up-to-date signatures, on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known viruses or malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that all security testing performed by Supplier covers all issues noted in the "SANS WE TOP 25" and/or "OWASP Top 10" documentation.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier. Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drives not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run on such Medical Devices.

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Neither Party will be liable for delays due to causes beyond the Party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather).

ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written consent. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement, express or implied, is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ATTACHMENT C – UC APPENDIX DATA SECURITY AND PRIVACY DATED 4-12-17

ARTICLE 1 – PURPOSE AND SCOPE OF APPLICATION

A. This Data Security and Privacy Appendix is designed to protect the University of California's (UC) Non-public Information and UC Information Resources (defined below). This Appendix describes the data security and privacy obligations of Supplier and its sub-suppliers that connect to UC Information Resources and/or gain access to Non-public Information (defined below).

B. Supplier agrees to be bound by the obligations set forth in this Appendix. To the extent applicable, Supplier also agrees to impose, by written contract, the terms and conditions contained in this Appendix on any third party retained by Supplier to provide services for or on behalf of the UC.

ARTICLE 2 – DEFINED TERMS

A. Breach. Breach means the unauthorized acquisition, access, use or disclosure of Non-public Information that compromises the security, confidentiality or integrity of such information.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

B. Non-public Information. Supplier's provision of Services under this Agreement may involve access to certain information that UC wishes to be protected from further use or disclosure. Non-public Information shall be defined as: (i) Protected Information (defined below); (ii) information UC discloses, in writing, orally, or visually, to Supplier, or to which Supplier obtains access to in connection with the negotiation and performance of the Agreement, and which relates to UC, its students or employees, its third-party vendors or licensors, or any other individuals or entities that have made confidential information available to UC or to Supplier acting on UC's behalf (collectively, "UC Users"), marked or otherwise identified as proprietary and/or confidential, or that, given the nature of the information, ought reasonably to be treated as proprietary and/or confidential; (iii) trade secrets; and (iv) business information.

C. Protected Information. Protected Information shall be defined as information that identifies or is capable of identifying a specific individual, including but not limited to personally-identifiable information, medical information other than Protected Health Information as defined under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA regulations (including, but not limited to 45 CFR § 160.103), Cardholder Data (as currently defined by the Payment Card Industry Data Security Standard and Payment Application Standard Glossary of Terms, Abbreviations, and Acronyms), student records, or individual financial information that is subject to laws restricting the use and disclosure of such information, including but not limited to Article 1, Section 1 of the California Constitution; the California Information Practices Act (Civil Code § 1798 *et seq.*); the federal Gramm-Leach-Bliley Act (15 U.S.C. §§ 6801(b) and 6805(b)(2)); the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g); the federal Fair and Accurate Credit Transactions Act (15 USC § 1601 *et seq.*) and the Fair Credit Reporting Act (15 USC § 1681 *et seq.*).

D. UC Information Resources. UC Information Resources shall be defined as those devices, networks and related infrastructure that UC owns, operates or has obtained for use to conduct UC business. Devices include but are not limited to, UC-owned or managed storage, processing, communications devices and related infrastructure on which UC data is accessed, processed, stored, or communicated, and may include personally owned devices. Data includes, but is not limited to, Non-public Information, other UC-created or managed business and research data, metadata, and credentials created by or issued on behalf of UC.

E. Work Product. Work Product shall be defined as works-in-progress, notes, data, reference materials, memoranda, documentation and records in any way incorporating or reflecting any Non-public Information and all proprietary rights therein, including copyrights. Work Product is subject to the Agreement's Intellectual Property, Copyright and Patents Article. For the avoidance of doubt, Work Product shall belong exclusively to UC and unless expressly provided, this Appendix shall not be construed as conferring on Supplier any patent, copyright, trademark, license right or trade secret owned or obtained by UC.

ARTICLE 3 – ACCESS TO UC INFORMATION RESOURCES

A. In any circumstance when Supplier is provided access to UC Information Resources, it is solely Supplier's responsibility to ensure that its access does not result in any access by unauthorized individuals to UC Information Resources. This includes conformance with minimum security standards in effect at the UC location(s) where access is provided. Any Supplier technology and/or systems that gain access to UC Information Resources must contain, at a minimum, the elements in the Computer System Security Requirements set forth in Attachment 1 to this Appendix. No less than annually, Supplier shall evaluate and document whether Supplier's practices accessing UC Information Resources comply with the terms of this Appendix. Documentation of such evaluation shall be made available to UC upon UC's request. Regardless of whether UC requests a copy of such evaluation, Supplier shall immediately inform UC of any findings of noncompliance and certify when findings of non-compliance have been addressed.

B. Supplier shall limit the examination of UC information to the least invasive degree of inspection required to provide the Goods and/or Services. In the event Goods and/or Services include the inspection of a specific threat to or anomaly of UC's Information Resources, Supplier shall limit such inspection in accordance with the principle of least perusal. Supplier will notify UC immediately upon such events.

C. With UC's prior written consent, Supplier may alter a UC Information Resource to the extent such alteration is specifically required for Supplier to provide Goods and/or Services to UC pursuant to the Agreement.

ARTICLE 4 – SECURITY PATCHES AND UPDATES

Supplier is required to perform patches and updates in connection with the Goods and/or Services provided to UC as follows:

A. Devices and Software Provided Directly to UC. Supplier will make available to UC any patches and other updates to system security software or firmware utilized by Supplier in its provision of Goods and/or Services no later than the earlier of thirty (30) days of its commercial release or as recommended by Supplier or Supplier's sub-supplier.

B. Supplier's Internal Systems and Services Necessary for Supplier to fulfill its Obligations to UC. Supplier will regularly apply security patches and functional updates to its internal systems software and firmware.

ARTICLE 5 – COMPLIANCE WITH APPLICABLE LAWS, FAIR INFORMATION PRACTICE PRINCIPLES AND UC POLICIES

UNIVERSITY OF CALIFORNIA

A. Supplier agrees to comply with all applicable state, federal and international laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Protected Information. Additionally Supplier will comply as applicable with the *Fair Information Practice Principles*, as defined by the U.S. Federal Trade Commission. Such principles would typically require Supplier to have a privacy policy, and a prominently-posted privacy statement or notice in conformance with such principles. If collecting Protected Information electronically from individuals on behalf of UC, Supplier's prominently-posted privacy statement will be similar to those used by UC (UC's sample Privacy Statement for websites is available at http://www.ucop.edu/information-technology-services/policies/it-policies-and-guidelines/records-mgmt-and-privacy/files/sampleprivacystatement.doc). Supplier also agrees, to the extent applicable, to comply with UC's Business and Finance Bulletin IS-2, *Inventory, Classification, and Release of UC Electronic Information* (https://policy.ucop.edu/doc/7020447/BFB-IS-2), and IS-3, *Electronic Information Security* (https://policy.ucop.edu/doc/7000543/BFB-IS-3).

B. Supplier shall make available to UC all products, systems, and documents necessary to allow UC to audit Supplier's compliance with the terms of this Article 5. UC shall have the right to audit Supplier's compliance with its Information Security Plan and the obligations set forth in Attachment 1.

C. UC reserves the right to monitor Supplier's connectivity to UC Information Resources while Supplier accesses Non-public Information.

ARTICLE 6 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF NON-PUBLIC INFORMATION

Supplier agrees to hold UC's Non-public Information, and any information derived from such information, in strictest confidence. Supplier will not access, use or disclose Non-public Information other than to carry out the purposes for which UC disclosed the Non-public Information to Supplier, except as permitted or required by applicable law, or as otherwise authorized in writing by UC. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Non-public Information or any information derived from such information. If required by a court of competent jurisdiction or an administrative body to disclose Non-public Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure, to give UC an opportunity to oppose or otherwise respond to such disclosure (unless prohibited by law from doing so). Supplier's transmission, transportation or storage of Non-public Information outside the United States, or access of Non-public Information from outside the United States, is prohibited except on prior written authorization by UC.

ARTICLE 7 – SAFEGUARD STANDARD

Supplier agrees to protect the privacy and security of Non-public Information according to all applicable laws and regulations, by commercially-acceptable standards, and no less rigorously than it protects its own confidential information, but in no case less than reasonable care. Supplier will implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of the Non-public Information. All Protected Information stored on portable devices or media must be encrypted in accordance with the Federal Information Processing Standards (FIPS) Publication 140-2. Supplier will ensure that such security measures are regularly reviewed and revised to address evolving threats and vulnerabilities while Supplier has responsibility for the Non-public Information under the terms of this Appendix. Prior to agreeing to the terms of this Appendix, and periodically thereafter (no more frequently than annually) at UC's request, Supplier will provide assurance, in the form of a third-party audit report or other documentation acceptable to UC, such as SOC2 Type II, demonstrating that appropriate information security safeguards and controls are in place.

ARTICLE 8 – INFORMATION SECURITY PLAN

A. Supplier acknowledges that UC is required to comply with information security standards for the protection of Protected Information as required by law, regulation and regulatory guidance, as well as UC's internal security program for information and systems protection.

B. Supplier will establish, maintain and comply with an information security plan ("Information Security Plan"), which will contain, at a minimum, such elements as those set forth in Attachment 1 to this Appendix.

C. Supplier's Information Security Plan will be designed to:

i. Ensure the security, integrity and confidentiality of Non-public Information;

ii. Protect against any anticipated threats or hazards to the security or integrity of such information;

iii. Protect against unauthorized access to or use of such information that could result in harm or inconvenience to the person that is the subject of such information;

iv. Reduce risks associated with Supplier having access to UC Information Resources; and

v. Comply with all applicable legal and regulatory requirements for data protection.

UNIVERSITY OF CALIFORNIA

D. On at least an annual basis, Supplier will review its Information Security Plan, update and revise it as needed, and submit it to UC upon request. At UC's request, Supplier will make modifications to its Information Security Plan or to the procedures and practices thereunder to conform to UC's security requirements as they exist from time to time. If there are any significant modifications to Supplier's Information Security Plan, Supplier will notify UC within 72 hours.

ARTICLE 9 – RETURN OR DESTRUCTION OF NON-PUBLIC INFORMATION

Within 30 days of the termination, cancellation, expiration or other conclusion of this Appendix, Supplier will return the Non-public Information to UC unless UC requests in writing that such data be destroyed. This provision will also apply to all Non-public Information that is in the possession of subcontractors or agents of Supplier. Such destruction will be accomplished by "purging" or "physical destruction," in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88. Supplier will certify in writing to UC that such return or destruction has been completed.

If Supplier believes that return or destruction of the Non-public Information is technically impossible or impractical, Supplier must provide UC with a written statement of the reason that return or destruction by Supplier is technically impossible or impractical. If UC determines that return or destruction is technically impossible or impractical, Supplier will continue to protect the Non-public Information in accordance with the terms of this Appendix.

ARTICLE 10 – NOTIFICATION OF CORRESPONDENCE CONCERNING NON-PUBLIC INFORMATION

Supplier agrees to notify UC immediately, both orally and in writing, but in no event more than two (2) business days after Supplier receives correspondence or a complaint regarding Non-public Information, including but not limited to, correspondence or a complaint that originates from a regulatory agency or an individual.

ARTICLE 11 – BREACHES OF NON-PUBLIC INFORMATION

A. **Reporting of Breach**: Supplier will report any confirmed or suspected Breach to UC immediately upon discovery, both orally and in writing, but in no event more than two (2) business days after Supplier reasonably believes a Breach has or may have occurred. Supplier's report will identify: (i) the nature of the unauthorized access, use or disclosure, (ii) the Non-public Information accessed, used or disclosed, (iii) the person(s) who accessed, used, disclosed and/or received Non-public Information (if known), (iv) what Supplier has done or will do to mitigate any deleterious effect of the unauthorized access, use or disclosure, and (v) what corrective action Supplier has taken or will take to prevent future unauthorized access, use or disclosure. Supplier will provide such other information, including a written report, as reasonably requested by UC. In the event of a suspected Breach, Supplier will keep UC informed regularly of the progress of its investigation until the uncertainty is resolved.

B. **Coordination of Breach Response Activities:** Supplier will fully cooperate with UC's investigation of any Breach involving Supplier and/or the Services, including but not limited to making witnesses and documents available immediately upon Supplier's reporting of the Breach. Supplier's full cooperation will include but not be limited to Supplier:

i. Immediately preserving any potential forensic evidence relating to the Breach, and remedying the Breach as quickly as circumstances permit

ii. Promptly (within 2 business days) designating a contact person to whom UC will direct inquiries, and who will communicate Supplier responses to UC inquiries;

iii. As rapidly as circumstances permit, applying appropriate resources to remedy the Breach condition, investigate, document, restore UC service(s) as directed by UC, and undertake appropriate response activities;

iv. Providing status reports to UC on Breach response activities, either on a daily basis or a frequency approved by UC;

v. Coordinating all media, law enforcement, or other Breach notifications with UC in advance of such notification(s), unless expressly prohibited by law; and

vi. Ensuring that knowledgeable Supplier staff is available on short notice, if needed, to participate in UC-initiated meetings and/or conference calls regarding the Breach.

C. **Grounds for Termination.** Any Breach may be grounds for immediate termination of the Agreement by UC.

D. **Assistance in Litigation or Administrative Proceedings.** Supplier will make itself and any employees, subcontractors, or agents assisting Supplier in the performance of its obligations available to UC at no cost to UC to testify as witnesses, or otherwise, in the event of a Breach or other unauthorized disclosure of Non-public Information caused by Supplier that results in litigation, governmental investigations, or administrative proceedings against UC, its directors, officers, agents or employees based upon a claimed violation of laws relating to security and privacy or arising out of this Appendix.

ARTICLE 12 – ATTORNEY'S FEES

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

In any action brought by a party to enforce the terms of this Appendix, the prevailing party will be entitled to reasonable attorney's fees and costs, including the reasonable value of any services provided by in-house counsel. The reasonable value of services provided by in-house counsel will be calculated by applying an hourly rate commensurate with prevailing market rates charged by attorneys in private practice for such services.

ARTICLE 13 – INDEMNITY

The Agreement includes an Indemnity provision, but for the avoidance of doubt regarding a Breach involving Protected Information, Supplier's indemnification obligations under the Agreement will include the following fees and costs which arise as a result of Supplier's breach of this Appendix, negligent acts or omissions, or willful misconduct: any and all costs associated with notification to individuals or remedial measures offered to individuals, whether or not required by law, including but not limited to costs of notification of individuals, establishment and operation of call center(s), credit monitoring and/or identity restoration services; time of UC personnel responding to Breach; fees and costs incurred in litigation; the cost of external investigations; civil or criminal penalties levied against UC; civil judgments entered against UC; attorney's fees, and court costs.

ARTICLE 14 – ADDITIONAL INSURANCE

In addition to the insurance required under the Agreement, Supplier at its sole cost and expense will obtain, keep in force, and maintain an insurance policy (or policies) that provides coverage for privacy and data security breaches. This specific type of insurance is typically referred to as Privacy, Technology and Data Security Liability, Cyber Liability, or Technology Professional Liability. In some cases, Professional Liability policies may include some coverage for privacy and/or data breaches. Regardless of the type of policy in place, it needs to include coverage for reasonable costs in investigating and responding to privacy and/or data breaches with the following minimum limits unless UC specifies otherwise: $1,000,000 Each Occurrence and $5,000,000 Aggregate.

FIRST AMENDMENT TO APPENDIX – DATA SECURITY AND PRIVACY

SAFEGUARD STANDARD FOR PAYMENT CARD DATA (IF APPLICABLE)

A. Supplier agrees that it is responsible for the security of Cardholder Data (as currently defined by the Payment Card Industry Data Security Standard and Payment Application Standard Glossary of Terms, Abbreviations, and Acronyms) that it possesses (if any), including the functions relating to storing, processing and transmitting Cardholder Data. In this regard, Supplier represents and warrants that it will implement and maintain certification of Payment Card Industry ("PCI") compliance standards regarding data security, and that it will undergo independent third party quarterly system scans that audit for all known methods hackers use to access private information and vulnerabilities that would allow malicious software (*e.g.*, viruses and worms) to gain access to or disrupt UC Information Resources. These requirements, which are incorporated herein, can be found at https://www.pcisecuritystandards.org/document_library. Supplier agrees to provide at least annually, and from time to time at the written request of UC, current evidence (in form and substance reasonably satisfactory to UC) of compliance with these data security standards, which has been properly certified by an authority recognized by the payment card industry for that purpose.

B. In connection with credit card transactions processed for UC, Supplier will provide reasonable care and efforts to detect fraudulent payment card activity. In performing the Services, Supplier will comply with all applicable rules and requirements, including security rules and requirements, of UC's financial institutions, including its acquiring bank, the major payment card associations and payment card companies. If during the term of an Agreement with UC, Supplier undergoes, or has reason to believe that it will undergo, an adverse change in its certification or compliance status with the PCI standards and/or other material payment card industry standards, it will promptly notify UC of such circumstances.

C. Supplier further represents and warrants that software applications it provides for the purpose of performing Services related to processing payments, particularly credit card payments, are developed in accordance with all applicable PCI standards, and are in compliance with all applicable PCI standards, including but not limited to Payment Application Data Security Standards (PA-DSS), Point to Point Encryption Solution Requirements (P2PE) including approved card readers or Point of Interaction (POI). As verification of this, Supplier agrees to provide at least annually, and from time to time upon written request of UC, current evidence (in form and substance reasonably satisfactory to UC) that any such application it provides is certified as complying with these standards and agrees to continue to maintain that certification as may be required.

D. Supplier will immediately notify UC if it learns that it is no longer PCI compliant under one of the standards identified above, or if any software applications or encryption solutions are no longer PCI compliant.

ATTACHMENT 1

A. Supplier will develop, implement, and maintain a comprehensive Information Security Plan that is written in one or more readily accessible parts and contains administrative, technical, and physical safeguards. The safeguards contained in such program must be consistent with the safeguards for protection of Protected Information and information of a similar character set forth in any state or federal regulations by which the person who owns or licenses such information may be regulated.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

B. Without limiting the generality of the foregoing, every comprehensive Information Security Plan will include, but not be limited to:

i. Designating one or more employees to maintain the comprehensive Information Security Plan;

ii. Identifying and assessing internal and external risks to the security, confidentiality, and/or integrity of any electronic, paper or other records containing Protected Information and of UC Information Resources, and evaluating and improving, where necessary, the effectiveness of the current safeguards for limiting such risks, including but not limited to:
a. Ongoing employee (including temporary and contract employee) training;
b. Employee compliance with policies and procedures; and
c. Means for detecting and preventing security system failures.

iii. Developing security policies for employees relating to the storage, access and transportation of records containing Protected Information outside of business premises.

iv. Imposing disciplinary measures for violations of the comprehensive Information Security Plan rules.

v. Preventing terminated employees from accessing records containing Protected Information and/or UC Information Resources.

vi. Overseeing service providers, by:
a. Taking reasonable steps to select and retain third-party service providers that are capable of maintaining appropriate security measures to protect such Protected Information and UC Information Resources consistent with all applicable laws and regulations; and
b. Requiring such third-party service providers by contract to implement and maintain such appropriate security measures for Protected Information.

vii. Placing reasonable restrictions upon physical access to records containing Protected Information and UC Information Resources and requiring storage of such records and data in locked facilities, storage areas or containers.

viii. Restrict physical access to any network or data centers that may have access to Protected Information or UC Information Resources.

ix. Requiring regular monitoring to ensure that the comprehensive Information Security Plan is operating in a manner reasonably calculated to prevent unauthorized access to or unauthorized use of Protected Information and UC Information Resources; and upgrading information safeguards as necessary to limit risks.

x. Reviewing the scope of the security measures at least annually or whenever there is a material change in business practices that may reasonably implicate the security or integrity of records containing Protected Information and of UC Information Resources.

xi. Documenting responsive actions taken in connection with any incident involving a Breach, and mandating post-incident review of events and actions taken, if any, to make changes in business practices relating to protection of Protected Information and UC Information Resources.

Computer System Security Requirements
To the extent that Supplier electronically stores or transmits Protected Information or has access to any UC Information Resources, it will include in it's written, comprehensive Information Security Plan the establishment and maintenance of a security system covering its computers, including any wireless system that, at a minimum, and to the extent technically feasible, will have the following elements:
A. Secure user authentication protocols including:
i. Control of user IDs and other identifiers;
ii. A secure method of assigning and selecting passwords, or use of unique identifier technologies, such as biometrics or token devices;
iii. Control of data security passwords to ensure that such passwords are kept in a location and/or format that does not compromise the security of the data they protect;

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

iv. Restricting access to active users and active user accounts only; and
v. Blocking access to user identification after multiple unsuccessful attempts to gain access or the limitation placed on access for the particular system.
vi. Periodic review of user access, access rights and audit of user accounts.

B. Secure access control measures that:
i. Restrict access to records and files containing Protected Information and systems that may have access to UC Information Resources to those who need such information to perform their job duties; and
ii. Assign unique identifications plus passwords, which are not vendor supplied default passwords, to each person with computer access, which are reasonably designed to maintain the integrity of the security of the access controls.

C. Encryption of all transmitted records and files containing Protected Information.

D. Adequate security of all networks that connect to UC Information Resources or access Protected Information, including wireless networks.

E. Reasonable monitoring of systems, for unauthorized use of or access to Protected Information and UC Information Resources.
Revised

ATTACHMENT D – UC APPENDIX ECOMMERCE DATED 9-19-17 (UC Specific)

This Electronic Commerce Appendix specifies the electronic commerce requirements applicable to Supplier in providing the Goods and/or Services.

SECTION 1 - GENERAL TERMS

Each UC Location offers an electronic web-based purchasing and catalog system to facilitate the purchase of Goods and/or Services from UC suppliers. UC Locations' eProcurement systems currently are provided by two suppliers. This Appendix sets forth the terms and conditions that will govern Supplier's sale of Goods and/or Services through UC's eProcurement systems.

SECTION 2 - DEFINITIONS

Catalog(s) refers to the list of detailed product information, agreement pricing, manufacturer part numbers and/or service descriptions relating to the Goods and/or Services to be offered either as a Punch-Out Catalog, a Hosted Catalog or in a combination. This may include the creation of multiple Hosted Catalogs.
EProcurement and eCommerce are used interchangeably to mean UC's electronic web-based purchasing and catalog systems. Each UC location has a branded eProcurement site.
Go Live Date means the date on which a Catalog will be active.
Hosted Catalog means a Catalog that is a properly formatted computer file supplied to all UC Locations through the Locations' respective eProcurement systems.
Order means a purchase order for Goods and/or Services placed by a User through an eProcurement system.
Order Data means all data and information relating to Orders, including, without limitation, the specifics of a given transaction.
Punch-Out Catalog means a Catalog, hosted by Supplier on Supplier's Site. Users may access this Punch-Out Catalog via an internet link provided by Supplier to UC that redirects a User from the campus eProcurement site to Supplier Site. The Punch-Out Catalog will permit: (a) Users to access the Supplier Website when a User selects the Punch-Out Catalog; (b) User to create an Order through the eProcurement sites; and (c) UC eProcurement sites to forward an Order to Supplier for confirmation and Order processing along with Order status inquiry.
Supplier Mark means Supplier's name, trade name, and/or trademarks, service mark, or any derivation thereof.
Supplier Site means an internet site operated and maintained by Supplier that has been made subject to this Appendix.
UC Mark means UC's name, trade name, and/or trademarks, service marks, or any derivation thereof.
User means an individual authorized by a UC location to use an eProcurement system.

SECTION 3 – RIGHT TO USE

UC grants to Supplier the right to sell Goods and/or Services to UC through the eProcurement systems. Supplier will be responsible for any cost of operation or dispute with regard to its interface with UC's eProcurement systems.

SECTION 4 – ESTABLISHMENT/MAINTENANCE OF CATALOG; SITE RESPONSIBILITY; LICENSE

(a) Establishment and Maintenance. The parties agree to electronically link the functionality of their respective systems, using commercially reasonable efforts. Supplier will provide its Catalog(s) to UC in a file format that will interface seamlessly with UC's eProcurement systems. These Catalog files will be in compliance with each UC Location's eProcurement system and Order Data will be transmitted according to the appropriate cXML or xCBL standards as the case may be. For Hosted Catalogs, Supplier must provide

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

UC with updated versions of the Catalog file with, at a minimum, full descriptions and images that Supplier currently utilizes for items offered in its proprietary websites and Punch-Out Catalogs. The parties will update each other regarding eCommerce specifications as needed from time to time.

Supplier must notify UC's Contract Administrator at least three (3) weeks in advance of the proposed Go Live Date if it will be requesting additions, deletions or modifications to the Catalogs. After such advance notification, Supplier must provide UC with Catalog files containing the requested additions, deletions or modifications with no less than the lead time directed by UC's Contract Administrator; provided, however, that for all Catalogs that Supplier requests to have a January 1 Go Live Date, Supplier must submit proposed files no later than December 1. Upon UC's approval of the new Catalog file, Supplier will make the updated version of the Catalog file effective on the Go Live Date on which UC and Supplier agree. If UC rejects a Catalog more than once because it does not meet UC's acceptance criteria, the Contract Administrator will suspend Supplier's price/content change until the date of Supplier's next contracted change.

If there is a conflict between a price in a Hosted Catalog and a Punch-Out Catalog, UC will be invoiced at the lower price. If the price discrepancy is due to UC's failure to timely update a Hosted Catalog, Supplier may charge the higher price and UC will work with Supplier to rectify the problem as quickly as possible.

All Supplier-provided pricing in any Catalogs, whether Hosted or Punch-Out, will be inclusive of all shipping, handling, fees and charges of any sort, except applicable taxes.

Supplier is responsible for providing UC with Catalogs that contain accurate pricing and data in accordance with the Agreement. If UC determines there are errors in the pricing or data attributes of a Catalog, UC will notify Supplier of those errors in writing and reject the Catalog. Supplier will have no more than ten (10) business days to review and correct the errors. Supplier agrees that UC may block customized Catalogs at the SKU and/or category level.

UC's Terms and Conditions of Purchase state that the Goods and/or Services must be exactly as specified in the Agreement. For the avoidance of doubt, this means that Supplier may not, without UC's prior consent, substitute items, change SKU numbers or change the number of items in a package in any Catalog.

(b) Site Responsibility. Except as otherwise set forth herein, each party will be responsible, at its own expense, for: (i) developing, operating and maintaining its website; (ii) acquiring and maintaining its server hardware and software (or obtaining third-party hosting services) for its website; and (iii) maintaining Internet connectivity.

(c) License. Supplier hereby grants to UC, at no additional cost, a limited, non-exclusive, royalty-free right to link to and access the Supplier Site from the eProcurement sites, subject to the terms and conditions herein and solely for the purpose of permitting Users to access the Services. All Supplier Marks will remain the sole property of Supplier.

SECTION 5 – USER SUPPORT

(a) UC Duties. Each UC Location will provide its Users with initial contact and system support assistance on all functionality and use issues for eProcurement (including links to the Supplier Site). When known, UC will promptly notify Supplier of any such issues relating to the Catalog, the Supplier Site and/or other Supplier materials/systems.

(b) Supplier Duties. Supplier will provide all customer support relating to the Catalog, Supplier Goods and/or Services and Supplier Sites in a manner consistent with the customer support that Supplier provides to other customers, and at least as good as the customer support that Supplier provides to customers who are purchasing through means other than websites.

SECTION 6 – PROPRIETARY RIGHTS

UC's Terms and Conditions of Purchase contains provisions regarding the parties' rights and responsibilities with respect to intellectual property relating to the Goods and Services. Without altering those provisions, the parties additionally agree as follows. UC may require Supplier to "brand" Supplier's Punch-Out Catalog with one or more UC Marks. If UC requires Supplier to utilize one or more UC Marks on Supplier's Punch-Out Catalog, UC will provide the appropriate artwork and such artwork will be deemed to have been provided with a limited, non-exclusive, non-sub licensable right for Supplier to use it solely for the purpose of a UC-branded Punch-Out Catalog hosted by Supplier and subject to the following terms:

Supplier may not make any additional use of the UC Marks without UC's prior written approval.

Supplier's use of the UC Marks in the Punch-Out Catalog must acknowledge UC's ownership of the UC Marks. Supplier will include all notices and legends with respect to UC trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by UC. Supplier agrees not to claim any title to UC Marks or any right to use UC Marks except as permitted by this Appendix. Upon termination of this Appendix or the Agreement, all rights to UC Marks conveyed by UC to Supplier will cease and Supplier will destroy or return to UC all media with UC Marks. UC specifically reserves any and all rights to UC Marks not specifically granted to Supplier.

Supplier grants to UC the right to use Supplier's trademarks, logos, trade names, and service marks for the purpose of promoting UC eProcurement sites to the UC community. UC acknowledges Supplier's right, title and interest in and to Supplier's Marks and Supplier's exclusive right to use and license the use of Supplier Marks and agrees not to claim any title to Supplier Marks or any right to use Supplier Marks except as permitted by this Addendum. UC will include all notices and legends with respect to Supplier trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by Supplier. Upon termination of this Appendix, all rights to Supplier Marks conveyed by Supplier to UC will cease and UC will destroy or

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

return to Supplier all media with Supplier Marks. Supplier specifically reserves any and all right to Supplier Marks not specifically granted to UC.

The licenses granted in the previous paragraphs regarding UC Marks and Supplier Marks are subject to the ongoing approval of the party owning the respective trademarks, logos, trade names, or copyrights. Such ongoing approval includes the ability to terminate – at any time, for any reason, and in the sole discretion of the owner of the respective trademarks, logos, trade names, or copyrights – the trademark licenses provided in the preceding paragraphs for any particular trademark, logo, trade name, or copyrighted work without necessarily terminating this Appendix. Each party agrees not to take any action that will adversely reflect upon or damage the goodwill, reputation, or the brand value of the other party. Each party further agrees not to take any action that is inconsistent with the other party's ownership of the respective trademarks, trade names, or copyrights. At all times (including following termination of the Agreement), Supplier agrees to comply with Section 92000 of California's Education Code.

(a) Grant of License. Supplier hereby grants UC a non-exclusive, royalty-free: (i) license to use, copy, transmit, and display the Catalog, any information contained therein and the Supplier Marks for the purposes of permitting Customers to access information about and order Supplier Goods and/or Services from a Catalog and (ii) if Supplier is using a Punch-Out Catalog, right to link to and access the Punch-Out Catalog on the Supplier Site, for the purposes of permitting Customers to access the Supplier Website and permitting Customers to order Supplier Goods and/or Services.

(b) Modifications. UC will not modify or remove any of the proprietary rights markings in the Catalog. UC will not modify the Catalog, except as supplied by Supplier. UC will not make any representations or warranties, or provide any information, to any third party regarding any Supplier Goods and/or Services (including, but not limited to, any representations or warranties of any information regarding availability, delivery, pricing, characteristics, qualifications or specifications thereof). If UC believes in good faith that any Supplier information does not conform to the requirements of the associated UC Agreement or this Appendix, UC will be entitled to withdraw the Catalog from UC eProcurement sites. In such a case, UC will promptly notify the Supplier of the actions it has taken and will work with the Supplier promptly to resolve UC's concerns. When UC's concerns are satisfactorily resolved, UC will promptly restore the Catalog, if appropriate. UC will have no liability to the Supplier or anyone else for exercising these rights.

(c) Acknowledgment. Each party acknowledges that the technology embodied in the other party's Site may be based on patented or patentable inventions, trade secrets, copyrights or other intellectual property or proprietary rights ("Intellectual Property Rights") owned by the other party and its applicable licensors.

(d) UC Rights. As between the parties, UC will be the sole owner of – or, with respect to any items licensed by UC, will retain all rights to – UC eProcurement sites and all Intellectual Property Rights associated with UC eProcurement sites, including any modifications, updates, enhancements or upgrades to any of the foregoing, as well as any Order Data generated or collected on such Site (collectively, the "UC Materials"). Except as provided herein, Supplier may not copy or use in any way, in whole or in part, any UC Materials without UC's prior written approval. Any permitted copies of such property, in whole or in part, alone or as part of a derivative work, will remain UC's sole property. Supplier agrees to reproduce and include UC's copyright, trademark and other proprietary rights notices on any permitted copies of UC Materials including, without limitation, partial copies and copied materials in derivative works. Supplier will not copy or reproduce any third-party copyrighted or trademarked materials, which appear on or are otherwise associated with any UC eProcurement site without UC's prior written consent.

SECTION 7 – MULTIPLE SUPPLIERS

Supplier acknowledges that all UC eProcurement sites are intended to facilitate Users' ability to obtain Goods and/or Services from more than one supplier. Nothing in this Appendix will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

SECTION 8 – WARRANTY DISCLAIMER

UC does not warrant that access to UC eProcurement sites will be uninterrupted or that the results obtained by use of UC eProcurement sites will be error-free.

SECTION 9 – DISPUTES AND CHANGES IN THE SERVICES

(a) UC and Supplier agree to negotiate in good faith to resolve problems, questions and disputes.

(b) Where improvements and clarifications can be made in the business processes related to eProcurement, both parties agree to incorporate such changes as long as they are mutually agreed upon.

ATTACHMENT E – DEFINITIONS

General

Broad Line Manufacturer/Qualified Supplier– a Manufacturer who can supply the required services and is able to provide their manufactured product covering a minimum of (but not limited to) the five (5) main/mandatory categories of Office Furniture (System, Seating, Storage, Free Standing Furniture, and Tables) which meet RFP specifications (including UC Minimum Sustainability Requirements and Ergonomic Requirements).

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

Dealer or Dealer Service Network Provider - Subcontractor and/or provider of goods and services on behalf of Manufacturer such as furniture, furniture design, layout design, workspace planning, showroom demonstration, warehouse storing, delivery, installation, customer service, invoicing, payment collections, credit card processing, etc.

Design - Major Revision - A major revision is defined as any modification in which an excess of 30% of the design is revised.

High Volume Tier – Dollar amount of product purchased, which exceeds predetermined discount off list pricing and therefore qualifies for negotiated pricing; all such pricing tiers to be found within Exhibit A of Statement of Work.

Project Management - Enhanced professional services through a Dealer authorized representative. Dealer authorized representative provided under the Agreement will provide project management services, in which many segments of a project must be professionally coordinated and well-orchestrated by a project manager or team and proper oversight must be maintained and milestones must be adhered to.

Punch List -A term used to describe an inventory list of all corrections, additions, or deletions to an Installation or project which requires an action on the part of the Supplier, to be completed. The Punch list will detail the point of acceptance, rejection or remedial action necessary for any product. Includes, but not limited, to missing, damaged, mistakenly-shipped or incorrect installation parts, components, or whole pieces of furniture as directly related to the original purchase order.

Reconfiguration -A term used to describe the process of disassembly, re-assembly and possible relocation and redesign of existing furniture systems.

Services - Refers to all services provided by the Dealer, including "Value-Added" services, and "Per Hourly-Rate" services as noted within and Attachment A – Statement of Work.

Supplier – Manufacturer and Primary Contracting Entity, as represented by its Dealers/Authorized Dealer Services Network and its other business entities within its supply chain for the purpose of proposing goods and services under this RFP, as a single contracting entity. The term Supplier, therefore, is used interchangeably with Manufacturer, Seller, Dealer, Designer, Installer, or any supply chain entity the Supplier proposes to carry out its duties and obligations in answer to this solicitation.

Value-Added Services - Includes all enhanced professional services, such as design and installation, provided by Dealer.

Waste Removal/Removal of Debris- Refers to the removal all packaging materials from the University premises by the Dealer at the time of delivery and Installation and recycled or disposed of in accordance with UC's Sustainability Policy

Furniture Items Definitions

Exclusions to below – Any "Product listed or registered with FDA as a medical device or a furnishing that meets a specific clinical requirement for UC clinicians."

Paneled Systems - Pre-fabricated paneled workstations or cubicle office. Includes panels, desk, storage, filing work surfaces, cabinetry, accessories, etc. Task Chair: A task chair is a chair designed for the completion of work tasks that need to be performed while sitting, including paperwork, phones, computer work, or other tasks. A task chair should provide users with an adjustable, stable seating surface that supports the spine, promotes dynamic movement, and can be adjusted to fit a majority of people. All task chairs shall follow the guidelines of Exhibit E of SOW.
CSA- Z412, Guideline on Office Ergonomics, page 161

Task Chair: A task chair is a chair designed for the completion of work tasks that need to be performed while sitting, including paperwork, phones, computer work, or other tasks. A task chair should provide users with an adjustable, stable seating surface that supports the spine, promotes dynamic movement, and can be adjusted to fit a majority of people. All task chairs shall follow the guidelines of Exhibit E of SOW.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

Side Chair: A side chair is a chair designed for short-term sitting (i.e. guest chair) and is not designed to be used during work tasks. A side chair usually has a fixed seat height, seat angle, and backrest, and it may or may not have arms. The minimum weight capacity is 250 pounds.
ANSI-BIFMA x5.1-2002

Desk/Work Surface: A desk/work surface is a piece of furniture with a surface designed to allow the user to complete their work tasks. Work tasks can include but are not limited to reading, writing, and use of computers, telephones, calculators, and microscopes. Surfaces can be flat or angle adjustable (for example drafting tables). Work surfaces should be designed to support work equipment and task materials while allowing adequate clearance, access, and support for the majority of users. Desks/work surfaces may be freestanding or part of a panel system which is secured to the wall or floor. All work surfaces shall follow the dimension and height adjustability guidelines of Exhibit E of SOW.
ISO 9241-5, Ergonomic requirements for office work with visual display terminals, page 9, 15

Storage: A piece of furniture designed to store items. Storage units shall meet the following requirements:
Adjustment controls should be easy to operate from usual working positions and designed so they encourage correct use
Drawers should be designed to prevent unintentional opening
Drawers should not require undue force to open and close
Drawers should not be able to be pulled out so they unintentionally fall
Casters on mobile pedestal drawers should be chosen to match the floor surface where the pedestal will be used

ATTACHMENT A - STATEMENT OF WORK

KIMBALL OFFICE - AGREEMENT #2019.001896

This Statement of Work – Attachment A ("SOW") is issued pursuant to Purchasing Agreement #2019.001896 dated May 20, 2020 between UC and Kimball Office Inc. ("Agreement").

1. Title and Description of the Scope of Goods and/or Services

Supplier shall offer a line of Office Furniture and related services; both meeting requirements of this Agreement to the University of California System-wide. These product lines must include the categories of Systems Furniture, Freestanding Furniture, Storage, Tables, and Chairs/Seating. Other categories may include Higher Education Classroom Furniture, Fixed Seating, Architectural Elements, Healthcare/Lab, Integrated Technology, Accessories and Technical Support, Outdoor Furniture, and other related categories as approved by the UC Procurement, Office of the President. Supplier, through this Agreement shall also offer a fully comprehensive product line and list of services to a national market, through OMNIA Partners, Public Sector, noting a 'fully compressive product line'/national product line is not limited by UC specific ergonomic and sustainability requirements.

Related services, either directly or through a subcontracted dealer network; shall include (but are not limited to) design/consultation, delivery, storage, project management, and installation ("Services"). Together, the "Goods and Services" all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in the incorporated RFP, its responses, and below.

2. Implementation

Supplier shall provide and execute an implementation plan which shall provide for an early National roll-out (with Webinar) and a phased plan UC rollout by November 1, 2020, inclusive of the items below:

- Campus Profile Development
- Campus Visits/UCOP Rollout
- Campus Training
- Marketing and Business Development
- Catalog development, aligning Price Discount List with lines/products n with UC Sustainability and Ergonomic Requirements
- Ecommerce Integration with Testing and Pilots (18mo from date of contract)

Supplier Obligations

Action	Date relative to contract signature
Notify our Four (4) Regional Government Sales Managers. They are the owners of the Omnia/UC contract for their respective regions. As the contract specialists, they would coordinate all training among the distribution channel's sales staff and other Kimball sales representatives	Within 10 days
Kimball Executive leadership and Omnia Executive leadership will communicate the new Omnia/UC national agreement contract though its website and direct communications to its sales teams and authorized distribution channel. As well as a press release to various trade publications	Within 30 days
Create power point and other types of communication that highlight new award and its changes. Create presentation and develop training schedule for all Kimball distribution channel. Review all existing opportunities and notify of new award and date	Within 60 days
Complete presentation and roll out to all Kimball Distribution channel. Develop tracking plan for new contract progress. Meet with Omnia and UC to review progress and activity.	Within 90 days
Action	Contract Start - 11/01/20

Kimball will launch a soft roll out with the help of UC to all campus and participating agencies. Conduct a meet and greet with design, construction, facilities and department heads Create marketing materials for email, providing contact information Acquire names of design staff and facilities staff, calendar of campus vendor shows	Prior to implementation date
Introduction, by campus with service partners/Dealers Training at each campus with facilities, designers and procurement Post cards announcing new products and or custom designs completed Announcement in the major publications Joint community outreach with various campuses Design marketing and support based on each campus's need and demographic One campus per quarter to factory tour Joint research projects to improve the use of spaces and student engagement/success Seating labs, product display areas Integrate technology where appropriate with AV, VR, AR, etc.	9-28-20 -11/1/2020
UC ECOMMERCE	
Assign an e-commerce team lead/project manager specific to UC. Kimball would work with the UC System along with individual campuses to understand the priorities and develop a phased implementation schedule based on the priorities	1st Week
Define a specific set of materials (including Options) Within 6 months: Create a punchout site and link to the e-procurement site of the client	1st 3 months
Provide access and training to the dealer(s) who would service the ordering process. For an e-commerce program to be successful, training is of greatest importance. This training needs to happen conjunctly between the dealer and the campus. Communication and knowledge gained through a joint training program will allow Kimball to learn how best to support each campus and integrate seamlessly into their processes and business models.	Within 9 months
Testing/Piloting of the system to insure everything is operating properly	Within 1st year

UC Obligations

Action	Contract Start - 11/01/20
UC agrees to provide staff hours and expertise, as determined necessary by the UC, in order to assist with contract implementation and the required integrations with UC eCommerce systems; such efforts to include, but not be limited to:	
Contract Guidance Documents	Prior to Roll-out
Participation - Announcement Webinar	Within 1 month of contract
Launch marketing through UC internal newsletters	Oct-20
Campus Roll-out Events	Estimate 9/29/20 to 10/31/20
Collaboration of UCOP ECOE and P&C to achieve eCommerce integration	Complete -18 mo. from contract
Participation in the development and issuance of surveys	Ongoing

3. Place(s) of Performance/Locations

Services shall be provided nationally through OMNIA Partners, for public sector purchasing by Participating Agencies. UC, as Principal Procurement Agency, shall receive services for its locations which are described below; such locations to include any UC Locations added during the term of this contract:

a. Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz
b. Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco
c. The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C.

d. The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices.
e. UC Hastings College of Law
f. Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California.
g. Lawrence Livermore Lab and additional centers and offices as further detailed at: http://www.universityofcalifornia.edu/uc-system/parts-of-uc
h. Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates.
i.

4. Key Personnel

NATIONAL PROGRAM - Dealers/Subcontractors authorized to provide Goods and/or Services nationally, under this SOW, can be found at https://www.kimball.com/contactus/all-dealers/.

UC PROGRAM - Dealers authorized to provide services to the UC are listed in Exhibit F to this Statement of Work.

Dealers may be added or deleted, at request of Kimball International over the lifetime of this Agreement..

Supplier's Account Manager is listed below, is subject to UC approval, and has overall responsibility for managing the UC/Supplier relationship. If this does not include National Contract, please list in next section:

Name	Wendy Schnarr	TITLE: Public Sector Sales Manager
Email	Wendy.schnarr@kimball.com	
Phone	812-631-2995	
Address	512 Balsam Dr. Euless, TX	

Supplier's Account Management Team is:

Name	Lisa Carter	TITLE: Vice President, Sales
Email	Lisa.carter@kimball.com	
Phone	703-975-3329	
Address	1130 Connecticut Ave. NW Ste 1150 Washington DC	
Name	Vikki Gibbs	TITLE: Director of Sales, West
Email	Vikki.gibbs@kimball.com	
Phone	303-396-4581	
Address	5280 E. Caley Ave. Centennial, CO	
Name	Haley Rosenkranz	TITLE: Strategic Sales Manager
Email	Haley.rosenkranz@kimball.com	
Phone	812-482-6468	
Address	1600 Royal St. Jasper, IN	
Name	TBD	TITLE: State Contract Specialist
Email		
Phone		
Address	1600 Royal St. Jasper, IN	

UC'S Project Mangers:

Contract Implementation & Rollout for UC Locations	Yvonne Macon, Contract Administrator Yvonne.Macon@ucop2022
eProcurement Implementation	Lia Scott liascott@ucdavis.edu & Terese Merrell Terese.Merrell@ucop.edu
Sustainability Reporting,	Stephanie Lopez stephanie.Lopez@ucop.edu & Heather Perry heather.perry@ucsb.edu
CSR Assessment, (EcoVadis), Gap Analysis, and Improvement Planning	Stephanie Lopez stephanie.Lopez@ucop.edu & Yvonne Macon

5. Reporting Requirements

Supplier will provide, at a minimum, periodic reports detailing usage and spend by location, incentives and remittance data, and UC required sustainability data (UC Specific). Supplier agrees to provide other reports to UC, as reasonably requested by UC during the Term of the Agreement and any extension(s) thereof, at no additional cost. Supplier shall use UC provided templates if available. Reporting periods and requirements, specific to the UC, are provided in Exhibit D:

6. Assumptions and Exceptions (This section is specific to UC)

This Agreement is one of three Broadline Awards made as a result of RFP ## 001218 - RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019 and includes the categories (without minimum purchase volumes) and services, stated in Section 1. UC additional requirements, restrictions, or exceptions are listed below and are considered to apply, only to the UC:

A. Any previously established ergonomic contracts with targeted awards in the areas of task chair, tall task stools, height adjustable worksurfaces, and work tools (monitor arms, keyboard trays).

B. Goods and Services, purchased by a contractor, awarded business through the UC Construction Bidding Process, are not included in this scope of work, unless the following criteria are met:
   1. Use of contract(s) are specified, as a requirement or option, within the Construction RFP documents; such use to benefit the UC project only and to be validated by protocols established by the campus or within those documents.
   2. For tracking purposes only, the UC Procurement Contract Administrator, shall be notified of construction usage when purchases made by contractors (general or sub) are high volume =>$400K and purchased for construction RFP projects (not a solicitation by Campus/UCOP Procurement & Contracts).

C. Architectural Elements are included (if offered by Supplier) in this scope of work, however Demountable Walls and/or any 'ceiling height wall product', ordered against this Agreement through standard/non-construction channels (e.g. PO or P-card process) will be subject to order restrictions. The below approvals must be obtained in writing and submitted by UC department or Buyer, to Supplier/Dealer prior to an order being placed by a Dealer to a manufacturer. Supplier will obtain and record email approvals. These shall be attached to final campus POs.
   1. Campus Fire Marshall (or equivalent, if none exists)
   2. Design & Construction Management (PM or Management) or Facilities Management (Director or Associate Director)

D. Spend directed to Small Businesses, deemed necessary by the UC Location to meet any federal, state, agency, etc. program requirements.

E. Supplier will complete CSR Assessment with EcoVadis, within 90 days of Contract signing for purpose of establishing a baseline, creating plan for targeted improvements (if below avg. score), and to measure ongoing improvements. If a supplier's score meets, or is above the average score for that category of business, they will not be required to reassess until the contract is reviewed for extension (first Option Year of the contract after the Initial Term of four (4) years.

F. Supplier will complete Foam Ban Exemption Form within 1 month (30 days) of contract signature. Per Exhibit C requirements, it has been established Supplier is not currently in compliance with the UC Sustainable Procurement Policy, as it pertains to avoidance of Foam Packaging. As such, they have/will complete an exemption form for these non-compliant practices and included a process and target report. The form will be reviewed and revised per accomplishments, prior to any annual systemwide business reviews, as further described in Section 9.B and Exhibit C of this document. The form with table, represent current work and testing that are part of the ongoing efforts by Supplier to meet these requirements and includes a target date for meeting them. If not fully compliant by that date. Supplier will apply for an exemption for review, planning, and approval of the remaining non-compliant item(s).

7. Service Level Agreement (This section is specific to the UC)

A. During the Term of the Agreement, and any extension(s) of the Term, Supplier will provide services herein, meeting qualitative standards, as shown below, within the following response times: national also (Wendy will check)

Response Times

Response time to return call to clients	within 24 hours (Fri. would be Mon.)
Response time to visit clients*	within 3 business days

Initial design completion and quote meeting	within 10 business days from initial (or 1-2 wk.)
Quote for project	within 5 business days (sm) 10 days (lg.)
Final design to ready order quote	within 2 business days
PO (from UC) to acknowledgement	within 3 business days
Standard delivery	standard shipping and delivery 4-5 weeks
Non –Standard delivery	non-standard shipping & delivery 6-10 weeks
Incidental non-assembly items	deliver 3 business days after receipt of items
Items needing assembly or for projects	deliver and assemble 7 business days (sm) and 10 business days (lg.) after receipt by Dealer
Storage	30 business days free
Returns/Restocking (UC error)**	20 business days from date of delivery to customer (see above –Damaged/Returned product for Supplier error)
Pick-ups	within 2-3 business days
Credits/Claims	within 5 business days from pick-up
Requests for reports	within 10 business days
Punch list development*	within 2 business days after installation walk thru
Punch list closure*	within 30 (or 10) business days after both parties agree as to responsible party

*Punch List--a term used to describe an inventory list of all corrections, to an installation or project which requires an action on the part of the manufacturer and/or its Dealer, Installer, etc., to complete. Includes, but not limited, to missing, damaged, mistakenly-shipped or incorrect installation parts, components, or whole pieces of ergonomic equipment as directly related to the original purchase order.

** Restocking - All returns **of conforming product**, if qualified, are subject to a 50% restocking fee. Only 'made to Stock' product items (stocked inventory – not made to order) may be returned under this provision. SEE 9.F. for Returns of non-conforming goods

The minimum service standards set forth above recognize that occasional errors are likely; however, Supplier further agrees to use its best efforts to achieve 100% of service levels. Should the service levels fall below the minimum standards and Supplier/Dealer must take corrective action within fifteen (15) days following UC written notification. When failure to correct is the fault of Dealer, UC reserves the right to terminate service with a Dealer and to require service be provided (where available) by a different authorized Dealer. Mutually acceptable arrangements will be made for completion and payment of existing orders. Any repeated failure by Manufacturer/Supplier, shall be handled per Section 2 of Master Agreement.

8. Pricing

A. Per Master Agreement, all Goods available through this Agreement, include delivery and are priced as a 'Discount off List' which varies according to delivery or services included. Specific pricing and pricing terms are detailed in the Pricing Exhibit(s).

B. Services included in this Agreement, are priced in two ways; 1) as a 'Discount off List Price', included with delivered product; 2) as 'Value Add Services Rates" priced hourly/separately per service and to be rendered in conjunction with Drop Ship Orders. Both forms of Pricing are provided within Exhibits A & B and detail service deliverables. Note: Services for this category of goods, may require the payment of prevailing wage rates. Prevailing Wage installation is quoted separately and rates vary by region.

C. Delivery, Basic Installation, and Complex installation, as captured within Discount Packages, reflect a rate for delivery with loading dock and elevator access. There may be an additional charge (to be quoted) where no loading dock and/or elevator access is available, thereby impacting the estimated delivery time. Supplier and Supplier's Authorized Representatives-Subcontractors will provide written notice to the UC location of any such additional charge and obtain UC location's approval prior to the scheduled delivery. Except as noted above, there shall be no separate or additional charges, fees, handling or other incidental costs for products following any contract award. Noted exception are surcharges, separate and allowable, when offsetting government imposed tariffs

D. Volume Pricing – Pricing within Exhibits, includes Volume Discounts. As indicated on this Exhibit, the UC may negotiate pricing on any single order where Manufacturer's product cost is in excess of the pre-determined discount levels/tiers reflected on Exhibits A &

B to this Agreement for Office Furniture Products. These orders (Negotiable Tiers) are defined as "high-volume" orders. NET is defined as the estimated List-value of the entire order, less discounts, and includes all service fees and expenses, excluding taxes."

E. In addition to volume pricing offered by Supplier during the Contract term, a Supplier may conduct sales promotions involving price reductions for a specified lesser period. Supplier may offer Participating Agencies/UC competitive pricing which is lower than the not-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.

9. Program Requirements

A. General

a. There shall be no minimum order requirements (quantity, dollar size, etc.).
b. Manufacturer must have a Dealer/Distribution network in California and/or direct support having the capacity to deliver and install products for UC systems, meeting UC requirements.
c. Manufacturer must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.
d. Furniture purchased from Manufacturer and/or Dealer(s) must meet federal, state, regional and local standards and regulations, including, but not limited to: Occupational Safety and Health Administration (OSHA), Business and Institutional Furniture Manufacturers Association (BIFMA) acceptance test levels, Underwriters Laboratory (UL) requirements, Americans with Disabilities Act (ADA), etc. and; current BIFMA standard: https://www.bifma.org/page/StandardsShortDesc
e. Manufacturer and/or Dealer must be in full compliance with specific building and fire code restrictions on all jobs.
f. Manufacturer/Dealer shall agree to follow protocol (to be established), and to receive authorization prior to orders being placed for Demountable Walls and Fixed Seating (UC specific)

B. Administration – (This section is UC Specific)

Supplier shall provide the following program administration functions to UC:

a. Project Manager to coordinate program implementation (see implementation Plan).
b. Account Management for on-going contract monitoring and maintenance
c. On-site sales representation on a regular basis to increase sales activity, assist in resolving problems, demonstrate new products, handle returned goods and provide other customer services as required for the efficient operation of the program .
d. When requested, meetings between Supplier's account manager(s) and UC Purchasing Departments to discuss previous period's activities and resolution of any open issues.
e. Supplier shall meet with UC/UCOP for Regular Business Reviews to review contract usage and effectiveness, discuss current Services offerings and provide suggestions and discussion for continuous improvement in Services efficiencies, and to address additional topics pertinent to the relationship towards the UC's strategic goals. For each Business Review, the Supplier must provide pertinent performance and management reports detailing a wide range of information related to this Agreement at both the UC-wide level and breakdowns for each individual UC location. At least once annually, provide Power Point presentation including (but not limited to) the below:
    - Sales Data for UC System
    - Fiscal Year to Date (beginning July 1).
    - Fiscal Year to Date for the previous year.
    - Last 12 month spend.
    - Last 12 month spend for the prior year.
    - Company or Dealer updates/changes
    - Sustainability
    - Outreach and Projects
    - SLA Scorecard and Issues
    - Product – changes and new lines
f. Conduct quarterly business review meeting with each UC location, providing information, as requested. (UC specific)

g. Keep the contracting departments/customers apprised of any quality issues including recalls, upgrades and product warnings that may affect product performance
h. A Supplier is required to provide reports (as noted in Section 5 and on Exhibit D) as reasonably requested by UC during the term of the agreement at no additional cost to UC. (UC specific)

C. Ecommerce and Related Invoicing/Settlement (This section is UC Specific)

a. Integration Requirement: EProcurement Integration is a requirement of this Agreement and must be accomplished within 18 months of contract signing. E-commerce technology is utilized at each of the UC locations. Attachment D of Master Agreement - Appendix eCommerce, details requirements. Supplier and UC shall cooperate in good faith to make available to UC end purchasers and to encourage such end purchasers to use Seller's electronic catalog within each locations e-Commerce platform when ordering Products. Supplier is required to provide (or continue to provide) an acceptable integrated solution to the e-Commerce systems deployed in the UC system within the first 18 months of contract.
b. E-commerce Platform Orders: UC orders will be placed directly with a supplier's system using either a hosted (static) or punch-out catalog housed in the UC E-commerce system(s). The catalog offerings will include all charges (exclusive of sales tax), including installation/assembly services where applicable. Implementation required within 18 months of contract signing. Note: National Participating Agencies have the option to enter into an e-commerce platform order solution on a per agency negotiated basis.
c. Quote Functionality: A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.
d. Paperless Invoicing: This is a requirement of this Agreement. Supplier will be required (within 18 months of contract signature) to transmit their invoices electronically in a format that can be imported into various e-commerce and financial systems; cXML and EDI are the preferred invoice transmission methods although a Supplier may elect to utilize an e-invoicing service (e.g. Transcepta or Docufree), which allow the supplier to upload invoice data by multiple methods, including e-mail or direct data entry, for final transmission to a campus in their preferred electronic method.
e. Payment Type: The University of California's preferred payment method is by virtual card (PaymentPlus, administered by US Bank) or procurement card (including ghost card for eCommerce), which includes a processing fee. Through these programs, the University of California can extend NET terms, which means that remittance will be transmitted immediately following full approval of an invoice. With PaymentPlus, suppliers receive email remittance information and are able to retrieve a one-time credit card number for the amount of the remittance. Suppliers can utilize their own point of sale solution, or can receive remittance through US Bank at competitive interchange rates. Alternative payment methods for the University include PaymodeX, EFT or paper check, with varying discounts and net terms offered. Note, some federally funded projects may have additional constraints on providing payment within 30 days.
f. Established Delivery Dates: An acceptable installation date will be established in writing by mutual agreement of Buyer, Supplier and Manufacturer (s) (example: date on PO satisfies this) at the time of order placement. Supplier must receive a complete and accurate order from Buyer, requiring no clarifications or changes prior to the agreed-upon installation date. To the extent, however, Supplier fails to accurately and completely specify Buyer's requirements when placing an approved order(s) with Manufacturer, Supplier shall bear liability for damages incurred by Buyer related to such failure by Supplier and liquidated damages may apply (see Item 12).

D. National Program

a. Manufacturer/Suppler must complete and maintain the required contract documents, reporting and/or other responsibilities as required by OMNIA Partners, and detailed in referenced RFP.
b. Manufacturer/Supplier must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.

E. Product Requirements

a. Required Product Categories (as defined within Attachment E of Master Agreement and Section 1 above) – Suppliers are required to provide sufficient product in the below categories; all as subject to Ergonomic requirements as listed on Exhibit E and Sustainability Requirements, as listed in Exhibit C. (UC Specific).
   - Panels and Desks/Work Surface (Adjustable and Fixed)

- Storage
- Freestanding
- Seating (task, side, conference room, and stackable, but NOT lab, lounge or lobby)
- Tables Conference (tables, training table, occasional tables , hgt. adjustable tables, other)

b. Product Purchase Restrictions (UC Specific) - A Supplier should note, there will be special processes put in place surrounding the UC's ordering of Architectural Elements (Demountable Walls) and fixed seating, owing to UC approvals which must be garnered prior to an order being placed. Any awarded Supplier will be required to abide by this process.

c. Parts Sales – A Supplier must offer offer/sell parts for your products to use in UC, and Participating Agencies, in-house repairs. A Web catalog or (acceptable alternative) must be supplied.

d. New and Discontinued Products

1. Supplier(s) must communicate and make available any special product promotional offers as requested. A system to communicate promotions shall be established during the contracting phase of this process.
2. New Products - The UC recognizes that products and product line additions to the selected Supplier's offerings are likely to occur during the life of this contract. The UC will consider these additions as enhancements. Additions will be considered under the following methods:
    - Products will be categorized with similar products or product lines into existing market commodity codes/product line families previously defined and agreed to by the UC with respect to the discount structure, net price, or total cost of the product.
3. In the event the selected Supplier(s) add a new specialty product line which represents product(s) that are substantially different from the products or brands represented in the existing market commodity codes/product line families, the UC and the selected Supplier(s) may enter into negotiations to establish a discount structure, net price, or total cost for the product(s) if the UC agrees that the product(s) are not covered under an existing market commodity code/product line family. Pricing must be competitive in order to add into the contract. The selected Supplier(s) will provide appropriate documentation to support its position for special pricing. Negotiations must be completed prior to any purchase orders being processed. In the event the UC and Supplier cannot come to agreement the UC may at its sole opinion conduct a separate formal bidding process.
4. Supplier shall notify the UC 60 day's in-advance of any products being discontinued wherever possible.

e. Cabling - All Manufacturers of cabling products, must comply with Technology Industry Association (TIA-569-C-2012) standards for cabling raceway and data equipment outlet openings.

f. Warranty –A minimum warranty of ten (10) years is required for 'seating', with a minimum of five (5) years applying to 'other' products. Note an exception for upholstery, which must have a minimum warranty of 3 years.

g. Surcharges and/or Tariffs – With the exception of 'Tariff Related Surcharges', there shall be NO surcharges during the term of any resulting contract. A supplier may request temporary surcharges for newly levied tariffs affecting their global supply chain, either directly or indirectly impacting most/critical materials, whether it is finished goods or directly imported materials, or raw materials that their suppliers must purchase from China for use in their production process. Any such charges must be substantiated through appropriate documentation prior to the approval process beginning. Approved charges will be considered as temporary, with the expectation of removal or reduction in accordance with removal or decreases by the government.

h. FOB - Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.

F. Services

a. Specific Delivery, Installation & Service options, have been detailed for the UC System and National Accounts. These required services are shown separately and/or aligned with a Supplier's Pricing/Declared Discounts off List and are found on Exhibit A and B.

b. Prevailing Wages – Supplier understands that Prevailing Wage requirements apply to this contract, as detailed in Master Agreement, Section 10 – Prevailing Wages

c. Customer Satisfaction and Service Standard Metrics (UC Specific) - Supplier will be responsible for product satisfaction. Supplier(s) will act as a customer advocate and coordinator for communications with the dealer that is responsible for performance and problem resolution. Supplier(s) responsibility for support continues even if the Supplier discontinues selling a product to the extent that resolution is possible. Suppliers must take necessary actions with dealers to reduce, minimize and prevent stock-outs of product (i.e. backorders), and to ensure that promised lead-times/ship dates/arrival dates are accurate. Customer satisfaction will be a determining factor in measuring Supplier(s) performance. Supplier and UC jointly will on a routine basis conduct and monitor customer satisfaction with a formal survey process. Results and feedback will be published on a regular basis in a format to be developed. Supplier and/or Dealer shall provide Toll-free number for assistance in order placement and focused customer service team for the UC.

1. Each Location has means to determine their internal level of customer satisfaction and if dealer is meeting performance metrics. If a dealer falls below the service level expectations it will be escalated to that Location's Materiel Manager and to UCOP to determine a mutually agreed upon corrective action plan to resolve the concern. If the service levels do not improve to the satisfaction of the University the issue may ultimately result in termination of the agreement.

d. Ship to and Consolidation of Orders – Required 'ship to' for UC locations will be determined at the time of order. It is the responsibility of the manufacturer and servicing dealer to achieve this in the most efficient manner. For incidental (non-project) orders, UC expects the servicing dealer to consolidate orders and deliveries in a manner such that multiple deliveries to the same campus on the same day should not be charged full freight for each individual item delivery. Servicing dealer shall track, receive, warehouse, and deliver the product to the jobsite and perform final inside deliveries to specific office, suite, work space, lab, job site, etc. at all UC delivery accessible locations. Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.
e. Storage: (UC Specific): First 30 business days of storage required shall be at no cost to UC or participating agencies. UC may require items to be in storage beyond 30 bus days and may be charged at rates not to exceed the charge listed on Exhibit B Discount and Service Pricing. Note: UC must be prepared to accept product within 10 days of shipment or UC must notify Dealer of its need to enact its option for 30 days free storage from the Dealer. The 30 days shall begin when product arrives to Dealer's facility/dock. Any period after that point, will be charged at rates quoted within this Agreement.
f. Returns/Damaged product (UC Specific) - Products damaged, duplicated, incorrectly ordered by or incorrectly shipped by the manufacturer or dealer shall be replaced or picked up by the Supplier(s) within 2-3 business days after notification at no cost to the UC or participating agencies and thereafter a credit issued (if applicable) within five (5) business days to the satisfaction of the customer. There shall be no restocking charges or additional shipping charges, etc. for these items. If product has concealed damage due to carrier, Customer and/or Dealer has 15 days from delivery to file a freight claim with Supplier.
g. Trade Fairs (UC Specific) - If requested a Supplier is expected to sponsor trade and/or manufacturer exhibit/product shows at each of the UC locations and must comply with each campus' policies regarding space rental, advertising and coordination with each campus Materiel Management office.
h. Training (UC Specific) - When requested, the Supplier(s) will provide in-house "start-up" and/or training sessions to the UC users regarding the Supplier's software, ordering system, etc. at no charge to the UC. Similarly, a Supplier shall participate in developing and delivering Web Training for same.
i. Manufacturer/Dealer Documentation – A Supplier must provide the following, free of charge; 1) documentation of existing architectural and electrical elements of product (anything that impacts furniture placement), 2) Data and electrical coordination, including Title 24 documentation, 3) Plans and 3D images in AutoCAD and PDF formats.
j. Material Samples (UC Specific) - A Supplier must provide Material samples to customers, when requested.
k. Seating Labs-Showrooms (UC Specific) - Supplier to work with locations to provide sample product/guidance for seating labs/showrooms for potential customers to evaluate.
l. Delivery Delays. Supplier will report any delivery delay whatsoever to the ordering Location, as well as its cause, within two (2) hours after Supplier is able to reasonably determine there will be a delay; the report will be provided to UC by telephone and e-mail. Supplier will keep UC fully informed and will take all reasonable action in eliminating the cause of delay.
m. Credit. Requests for credit can be transmitted by the ordering UC personnel via the established order management system (telephone, paper return form, and web-based). Chargebacks and credit memos will be issued to UC ordering departments in the current month's billing period. If Goods were purchased via UC purchasing card, credit must be issued to the same purchasing card.
n. Out of Stock Items - If there is an out of stock situation of any ordered inventoried item(s), the out of stock item will be added to the back order file and will be delivered to UC when the item is in stock without a further order being submitted.
o. Restocking Fees - For 'made to stock items' (stocked inventory – not made to order), return of conforming goods, are subject to a 50% restocking fee. All freight charges for returned product are the responsibility of the customer. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packed and protected in the original cartons. Upon receipt, all returned merchandise will be thoroughly inspected. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued

10. Changes to the Services

UC may desire to change the Goods and/or Services following execution of an SOW. If so, UC will submit a written Amendment to Supplier describing the changes in appropriate detail. If an Amendment does not require Supplier to incur any additional material costs or expenses, then Supplier will make the modification within ten (10) business days of Supplier's receipt of UC's Amendment. If

an Amendment does require that Supplier incur additional material costs or expenses, then Supplier in good faith will provide UC with a written, high level, non-binding assessment of the costs and expenses and the time required to perform the modifications required by the Amendment, within ten (10) business days of Supplier's receipt of UC's Amendment. UC will notify Supplier in writing within ten (10) business days after receipt of Supplier's response to the Amendment as to whether UC wishes Supplier to implement the Amendment based on the response. UC will compensate Supplier for implementation of an Amendment in accordance with the terms and conditions of the relevant Amendment and Supplier's response to the Amendment, if any. Supplier's implementation of an Amendment will not delay the performance of Services and/or the delivery of deliverables not reasonably affected by an Amendment.

11. No Mandatory Use

Because there is no mandatory use policy at UC, nothing in this Statement of Work will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

12. Liquidated Damages (this section is specific to UC)

If a Supplier fails to accurately and completely specify a UC Buyer's requirements when placing an order(s) with Manufacturer, Supplier shall bear all liability for damages incurred by UC Buyer related to such failure by Supplier and liquidated damages may apply, if deemed appropriate by UC; such liquidated damages noted below:

Supplier shall pay Buyer five hundred dollars ($500.00) per day as liquidated damages for every business day beyond the agreed-upon installation date that Supplier fails to install a material amount of product, as defined below. In the event of such failure, Supplier shall use its best efforts to provide temporary furniture for use by Buyer until the delayed furniture is installed. It is the Buyer's choice to accept or not accept temporary furniture and waive or not waive any associated liquidated damages associated with the delayed furniture. Payment shall be made in the following manner: Supplier shall issue a credit memo in the amount of the liquidated damages, and such amount will be deducted from any monies due Supplier by Buyer. Supplier will not be in default or liable to pay liquidated damages if the delay is due to order changes by Buyer, construction/inspection delays at the site, Acts of God, or any other reason beyond Supplier's reasonable control. A "material amount of product" means the ordered item(s), functional elements and/or accessories that are necessary to allow a workspace to be utilized fully and immediately following the agreed-upon installation date.

Immediately after or during all installations, Supplier agrees to establish a punch list in cooperation with Buyer. A punch list shall consist of an inventory of any and all missing, damaged, mistakenly shipped, or incorrect installation parts, components, or whole pieces of furniture. The Supplier must correct and remedy all the items on the punch list within 30 calendar days. If Supplier fails to correct and remedy all the items on the punch list by the agreed-upon date (if outside 30 days as if silent 30 days is assumed), Supplier shall deduct 2 1/2% of the total value of the product order from the final invoice submitted to Buyer, as liquidated damages. If Supplier fails a second time to correct and remedy all the items in the punch list by the second agreed-upon date, Supplier shall deduct another 2 ½% (total of 5%); if Supplier fails a third time to correct and remedy all the items in the punch list on the third agreed-upon date, Supplier shall deduct another 2 ½% (total of 7 ½%); and if Supplier fails a fourth time to correct and remedy all the items in a punch list on the fourth agreed-upon date, Supplier shall deduct another 2 ½% (total of 10%). The foregoing liquidated damages charge is applicable regardless of whether and/or when some items on a punch list are corrected or remedied. All items on a punch list must be corrected and remedied on the agreed-upon date, otherwise, the foregoing liquidated damages shall be applicable. On each installation, Supplier shall hold back from invoicing Buyer 10% of the value of the total order to address timely resolution of punch list issues. The final invoice, if any, shall be submitted after Buyer and Supplier mutually acknowledge, in writing, resolution of all items on the punch list.

13. Incorporated Documents

The following documents are incorporated and made part of this Agreement, as if fully set herein, listed in the order of preference following the Agreement.

Exhibit A – National Discount and Service Pricing
Exhibit B – **UC** Discount and Service Pricing
Exhibit C - UC Sustainability Requirements
Exhibit D – UC Reporting Requirements
Exhibit E – UC Ergonomic Requirements
Exhibit F – UC Dealer Network & Capabilities
Exhibit G - UC –Additional Terms and Conditions

This Statement of Work is signed below by the parties' duly authorized representatives.

EXHIBIT A – NATIONAL PROGRAM - DISCOUNT & SERVICE PRICING AND PRICING TERMS

A.1 – Product/Service Pricing - OMNIA Partners & Participating Public Agencies

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect at the time the purchase order is placed, less the minimum discounts on the items listed below. Pricing shall be based on Supplier's current National Price List/Price Book

Deliveries from Dealer to Participating Public Agencies shall be FOB, Participating Public Agency's designated location, freight prepaid and allowed for purchase orders within the United States. Exceptions include Alaska and Hawaii, where additional freight charges apply and will be quoted upon request.

A.2 – Price Increases

OMNIA and UC Contract Administrator shall be given written notification of any Price List changes, thirty (30) days prior to effective date of change. Price increases shall be accompanied by information showing the percent increase by line and as an average. In addition, a supplier shall include market information and/or commodity indices (as referenced below) supporting the change:

- Commodity Information/Market Drivers
- Pertinent index/indices covering the previous period of service; 1) PPI- BLS Series ID: WPU122 Price of Commercial Furniture; 2) PPI - BLS Series ID: WPU12220325 Price of Non-wood Office Seating; 3) CPI-U, US city Average, All Items less Food and Energy
- Pertinent labor data including (but not limited to NAICS 3370A1 - Furniture and Related Product Manufacturing (3371 and 3372 only)

ATTACHMENT A - STATEMENT OF WORK

KIMBALL OFFICE - AGREEMENT #2019.001896

This Statement of Work – Attachment A ("SOW") is issued pursuant to Purchasing Agreement #2019.001896 dated May 20, 2020 between UC and Kimball Office Inc. ("Agreement").

1. Title and Description of the Scope of Goods and/or Services

Supplier shall offer a line of Office Furniture and related services; both meeting requirements of this Agreement to the University of California System-wide. These product lines must include the categories of Systems Furniture, Freestanding Furniture, Storage, Tables, and Chairs/Seating. Other categories may include Higher Education Classroom Furniture, Fixed Seating, Architectural Elements, Healthcare/Lab, Integrated Technology, Accessories and Technical Support, Outdoor Furniture, and other related categories as approved by the UC Procurement, Office of the President. Supplier, through this Agreement shall also offer a fully comprehensive product line and list of services to a national market, through OMNIA Partners, Public Sector, noting a 'fully compressive product line'/national product line is not limited by UC specific ergonomic and sustainability requirements.

Related services, either directly or through a subcontracted dealer network; shall include (but are not limited to) design/consultation, delivery, storage, project management, and installation ("Services"). Together, the "Goods and Services" all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in the incorporated RFP, its responses, and below.

2. Implementation

Supplier shall provide and execute an implementation plan which shall provide for an early National roll-out (with Webinar) and a phased plan UC rollout by November 1, 2020, inclusive of the items below:

- Campus Profile Development
- Campus Visits/UCOP Rollout
- Campus Training
- Marketing and Business Development
- Catalog development, aligning Price Discount List with lines/products n with UC Sustainability and Ergonomic Requirements
- Ecommerce Integration with Testing and Pilots (18mo from date of contract)

Complete presentation and roll out to all Kimball Distribution channel. Develop tracking plan for new contract progress. Meet with Omnia and UC to review progress and activity.	Within 90 days
Action	Contract Start - 11/01/20

Kimball will launch a soft roll out with the help of UC to all campus and participating agencies. Conduct a meet and greet with design, construction, facilities and department heads Create marketing materials for email, providing contact information Acquire names of design staff and facilities staff, calendar of campus vendor shows	Prior to implementation date
Introduction, by campus with service partners/Dealers Training at each campus with facilities, designers and procurement Post cards announcing new products and or custom designs completed Announcement in the major publications Joint community outreach with various campuses Design marketing and support based on each campus's need and demographic One campus per quarter to factory tour Joint research projects to improve the use of spaces and student engagement/success Seating labs, product display areas Integrate technology where appropriate with AV, VR, AR, etc.	9-28-20 -11/1/2020
UC ECOMMERCE	
Assign an e-commerce team lead/project manager specific to UC. Kimball would work with the UC System along with individual campuses to understand the priorities and develop a phased implementation schedule based on the priorities	1st Week
Define a specific set of materials (including Options) Within 6 months: Create a punchout site and link to the e-procurement site of the client	1st 3 months
Provide access and training to the dealer(s) who would service the ordering process. For an e-commerce program to be successful, training is of greatest importance. This training needs to happen conjunctly between the dealer and the campus. Communication and knowledge gained through a joint training program will allow Kimball to learn how best to support each campus and integrate seamlessly into their processes and business models.	Within 9 months
Testing/Piloting of the system to insure everything is operating properly	Within 1st year

UC Obligations

Action	Contract Start - 11/01/20
UC agrees to provide staff hours and expertise, as determined necessary by the UC, in order to assist with contract implementation and the required integrations with UC eCommerce systems; such efforts to include, but not be limited to:	
Contract Guidance Documents	Prior to Roll-out
Participation - Announcement Webinar	Within 1 month of contract
Launch marketing through UC internal newsletters	Oct-20
Campus Roll-out Events	Estimate 9/29/20 to 10/31/20
Collaboration of UCOP ECOE and P&C to achieve eCommerce integration	Complete -18 mo. from contract
Participation in the development and issuance of surveys	Ongoing

3. Place(s) of Performance/Locations

Services shall be provided nationally through OMNIA Partners, for public sector purchasing by Participating Agencies. UC, as Principal Procurement Agency, shall receive services for its locations which are described below; such locations to include any UC Locations added during the term of this contract:

a. Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz
b. Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco
c. The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C.

d. The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices.
e. UC Hastings College of Law
f. Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California.
g. Lawrence Livermore Lab and additional centers and offices as further detailed at: http://www.universityofcalifornia.edu/uc-system/parts-of-uc
h. Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates.
i.

4. Key Personnel

NATIONAL PROGRAM - Dealers/Subcontractors authorized to provide Goods and/or Services nationally, under this SOW, can be found at https://www.kimball.com/contactus/all-dealers/.

UC PROGRAM - Dealers authorized to provide services to the UC are listed in Exhibit F to this Statement of Work.

Dealers may be added or deleted, at request of Kimball International over the lifetime of this Agreement..

Supplier's Account Manager is listed below, is subject to UC approval, and has overall responsibility for managing the UC/Supplier relationship. If this does not include National Contract, please list in next section:

Name	Wendy Schnarr	TITLE: Public Sector Sales Manager
Email	Wendy.schnarr@kimball.com	
Phone	812-631-2995	
Address	512 Balsam Dr. Euless, TX	

Supplier's Account Management Team is:

Name	Lisa Carter	TITLE: Vice President, Sales
Email	Lisa.carter@kimball.com	
Phone	703-975-3329	
Address	1130 Connecticut Ave. NW Ste 1150 Washington DC	
Name	Vikki Gibbs	TITLE: Director of Sales, West
Email	Vikki.gibbs@kimball.com	
Phone	303-396-4581	
Address	5280 E. Caley Ave. Centennial, CO	
Name	Haley Rosenkranz	TITLE: Strategic Sales Manager
Email	Haley.rosenkranz@kimball.com	
Phone	812-482-6468	
Address	1600 Royal St. Jasper, IN	
Name	TBD	TITLE: State Contract Specialist
Email		
Phone		
Address	1600 Royal St. Jasper, IN	

UC'S Project Mangers:

Contract Implementation & Rollout for UC Locations	Yvonne Macon, Contract Administrator Yvonne.Macon@ucop2022
eProcurement Implementation	Lia Scott liascott@ucdavis.edu & Terese Merrell Terese.Merrell@ucop.edu
Sustainability Reporting,	Stephanie Lopez stephanie.Lopez@ucop.edu & Heather Perry heather.perry@ucsb.edu
CSR Assessment, (EcoVadis), Gap Analysis, and Improvement Planning	Stephanie Lopez stephanie.Lopez@ucop.edu & Yvonne Macon

5. Reporting Requirements

Supplier will provide, at a minimum, periodic reports detailing usage and spend by location, incentives and remittance data, and UC required sustainability data (UC Specific). Supplier agrees to provide other reports to UC, as reasonably requested by UC during the Term of the Agreement and any extension(s) thereof, at no additional cost. Supplier shall use UC provided templates if available. Reporting periods and requirements, specific to the UC, are provided in Exhibit D:

6. Assumptions and Exceptions (This section is specific to UC)

This Agreement is one of three Broadline Awards made as a result of RFP ## 001218 - RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019 and includes the categories (without minimum purchase volumes) and services, stated in Section 1. UC additional requirements, restrictions, or exceptions are listed below and are considered to apply, only to the UC:

A. Any previously established ergonomic contracts with targeted awards in the areas of task chair, tall task stools, height adjustable worksurfaces, and work tools (monitor arms, keyboard trays).

B. Goods and Services, purchased by a contractor, awarded business through the UC Construction Bidding Process, are not included in this scope of work, unless the following criteria are met:
   1. Use of contract(s) are specified, as a requirement or option, within the Construction RFP documents; such use to benefit the UC project only and to be validated by protocols established by the campus or within those documents.
   2. For tracking purposes only, the UC Procurement Contract Administrator, shall be notified of construction usage when purchases made by contractors (general or sub) are high volume =>$400K and purchased for construction RFP projects (not a solicitation by Campus/UCOP Procurement & Contracts).

C. Architectural Elements are included (if offered by Supplier) in this scope of work, however Demountable Walls and/or any 'ceiling height wall product', ordered against this Agreement through standard/non-construction channels (e.g. PO or P-card process) will be subject to order restrictions. The below approvals must be obtained in writing and submitted by UC department or Buyer, to Supplier/Dealer prior to an order being placed by a Dealer to a manufacturer. Supplier will obtain and record email approvals. These shall be attached to final campus POs.
   1. Campus Fire Marshall (or equivalent, if none exists)
   2. Design & Construction Management (PM or Management) or Facilities Management (Director or Associate Director)

D. Spend directed to Small Businesses, deemed necessary by the UC Location to meet any federal, state, agency, etc. program requirements.

E. Supplier will complete CSR Assessment with EcoVadis, within 90 days of Contract signing for purpose of establishing a baseline, creating plan for targeted improvements (if below avg. score), and to measure ongoing improvements. If a supplier's score meets, or is above the average score for that category of business, they will not be required to reassess until the contract is reviewed for extension (first Option Year of the contract after the Initial Term of four (4) years.

F. Supplier will complete Foam Ban Exemption Form within 1 month (30 days) of contract signature. Per Exhibit C requirements, it has been established Supplier is not currently in compliance with the UC Sustainable Procurement Policy, as it pertains to avoidance of Foam Packaging. As such, they have/will complete an exemption form for these non-compliant practices and included a process and target report. The form will be reviewed and revised per accomplishments, prior to any annual systemwide business reviews, as further described in Section 9.B and Exhibit C of this document. The form with table, represent current work and testing that are part of the ongoing efforts by Supplier to meet these requirements and includes a target date for meeting them. If not fully compliant by that date. Supplier will apply for an exemption for review, planning, and approval of the remaining non-compliant item(s).

7. Service Level Agreement (This section is specific to the UC)

A. During the Term of the Agreement, and any extension(s) of the Term, Supplier will provide services herein, meeting qualitative standards, as shown below, within the following response times: national also (Wendy will check)

Response Times

Response time to return call to clients	within 24 hours (Fri. would be Mon.)
Response time to visit clients*	within 3 business days

Initial design completion and quote meeting	within 10 business days from initial (or 1-2 wk.)
Quote for project	within 5 business days (sm) 10 days (lg.)
Final design to ready order quote	within 2 business days
PO (from UC) to acknowledgement	within 3 business days
Standard delivery	standard shipping and delivery 4-5 weeks
Non –Standard delivery	non-standard shipping & delivery 6-10 weeks
Incidental non-assembly items	deliver 3 business days after receipt of items
Items needing assembly or for projects	deliver and assemble 7 business days (sm) and 10 business days (lg.) after receipt by Dealer
Storage	30 business days free
Returns/Restocking (UC error)**	20 business days from date of delivery to customer (see above –Damaged/Returned product for Supplier error)
Pick-ups	within 2-3 business days
Credits/Claims	within 5 business days from pick-up
Requests for reports	within 10 business days
Punch list development*	within 2 business days after installation walk thru
Punch list closure*	within 30 (or 10) business days after both parties agree as to responsible party

*Punch List--a term used to describe an inventory list of all corrections, to an installation or project which requires an action on the part of the manufacturer and/or its Dealer, Installer, etc., to complete. Includes, but not limited, to missing, damaged, mistakenly-shipped or incorrect installation parts, components, or whole pieces of ergonomic equipment as directly related to the original purchase order.

** Restocking - All returns **of conforming product**, if qualified, are subject to a 50% restocking fee. Only 'made to Stock' product items (stocked inventory – not made to order) may be returned under this provision. SEE 9.F. for Returns of non-conforming goods

The minimum service standards set forth above recognize that occasional errors are likely; however, Supplier further agrees to use its best efforts to achieve 100% of service levels. Should the service levels fall below the minimum standards and Supplier/Dealer must take corrective action within fifteen (15) days following UC written notification. When failure to correct is the fault of Dealer, UC reserves the right to terminate service with a Dealer and to require service be provided (where available) by a different authorized Dealer. Mutually acceptable arrangements will be made for completion and payment of existing orders. Any repeated failure by Manufacturer/Supplier, shall be handled per Section 2 of Master Agreement.

8. Pricing

A. Per Master Agreement, all Goods available through this Agreement, include delivery and are priced as a 'Discount off List' which varies according to delivery or services included. Specific pricing and pricing terms are detailed in the Pricing Exhibit(s).

B. Services included in this Agreement, are priced in two ways; 1) as a 'Discount off List Price', included with delivered product; 2) as 'Value Add Services Rates" priced hourly/separately per service and to be rendered in conjunction with Drop Ship Orders. Both forms of Pricing are provided within Exhibits A & B and detail service deliverables. Note: Services for this category of goods, may require the payment of prevailing wage rates. Prevailing Wage installation is quoted separately and rates vary by region.

C. Delivery, Basic Installation, and Complex installation, as captured within Discount Packages, reflect a rate for delivery with loading dock and elevator access. There may be an additional charge (to be quoted) where no loading dock and/or elevator access is available, thereby impacting the estimated delivery time. Supplier and Supplier's Authorized Representatives-Subcontractors will provide written notice to the UC location of any such additional charge and obtain UC location's approval prior to the scheduled delivery. Except as noted above, there shall be no separate or additional charges, fees, handling or other incidental costs for products following any contract award. Noted exception are surcharges, separate and allowable, when offsetting government imposed tariffs

D. Volume Pricing – Pricing within Exhibits, includes Volume Discounts. As indicated on this Exhibit, the UC may negotiate pricing on any single order where Manufacturer's product cost is in excess of the pre-determined discount levels/tiers reflected on Exhibits A &

B to this Agreement for Office Furniture Products. These orders (Negotiable Tiers) are defined as "high-volume" orders. NET is defined as the estimated List-value of the entire order, less discounts, and includes all service fees and expenses, excluding taxes."

E. In addition to volume pricing offered by Supplier during the Contract term, a Supplier may conduct sales promotions involving price reductions for a specified lesser period. Supplier may offer Participating Agencies/UC competitive pricing which is lower than the not-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.

9. Program Requirements

A. General

a. There shall be no minimum order requirements (quantity, dollar size, etc.).
b. Manufacturer must have a Dealer/Distribution network in California and/or direct support having the capacity to deliver and install products for UC systems, meeting UC requirements.
c. Manufacturer must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.
d. Furniture purchased from Manufacturer and/or Dealer(s) must meet federal, state, regional and local standards and regulations, including, but not limited to: Occupational Safety and Health Administration (OSHA), Business and Institutional Furniture Manufacturers Association (BIFMA) acceptance test levels, Underwriters Laboratory (UL) requirements, Americans with Disabilities Act (ADA), etc. and; current BIFMA standard: https://www.bifma.org/page/StandardsShortDesc
e. Manufacturer and/or Dealer must be in full compliance with specific building and fire code restrictions on all jobs.
f. Manufacturer/Dealer shall agree to follow protocol (to be established), and to receive authorization prior to orders being placed for Demountable Walls and Fixed Seating (UC specific)

B. Administration – (This section is UC Specific)

Supplier shall provide the following program administration functions to UC:

a. Project Manager to coordinate program implementation (see implementation Plan).
b. Account Management for on-going contract monitoring and maintenance
c. On-site sales representation on a regular basis to increase sales activity, assist in resolving problems, demonstrate new products, handle returned goods and provide other customer services as required for the efficient operation of the program .
d. When requested, meetings between Supplier's account manager(s) and UC Purchasing Departments to discuss previous period's activities and resolution of any open issues.
e. Supplier shall meet with UC/UCOP for Regular Business Reviews to review contract usage and effectiveness, discuss current Services offerings and provide suggestions and discussion for continuous improvement in Services efficiencies, and to address additional topics pertinent to the relationship towards the UC's strategic goals. For each Business Review, the Supplier must provide pertinent performance and management reports detailing a wide range of information related to this Agreement at both the UC-wide level and breakdowns for each individual UC location. At least once annually, provide Power Point presentation including (but not limited to) the below:
    - Sales Data for UC System
    - Fiscal Year to Date (beginning July 1).
    - Fiscal Year to Date for the previous year.
    - Last 12 month spend.
    - Last 12 month spend for the prior year.
    - Company or Dealer updates/changes
    - Sustainability
    - Outreach and Projects
    - SLA Scorecard and Issues
    - Product – changes and new lines
f. Conduct quarterly business review meeting with each UC location, providing information, as requested. (UC specific)

g. Keep the contracting departments/customers apprised of any quality issues including recalls, upgrades and product warnings that may affect product performance
h. A Supplier is required to provide reports (as noted in Section 5 and on Exhibit D) as reasonably requested by UC during the term of the agreement at no additional cost to UC. (UC specific)

C. Ecommerce and Related Invoicing/Settlement (This section is UC Specific)

a. Integration Requirement: EProcurement Integration is a requirement of this Agreement and must be accomplished within 18 months of contract signing. E-commerce technology is utilized at each of the UC locations. Attachment D of Master Agreement - Appendix eCommerce, details requirements. Supplier and UC shall cooperate in good faith to make available to UC end purchasers and to encourage such end purchasers to use Seller's electronic catalog within each locations e-Commerce platform when ordering Products. Supplier is required to provide (or continue to provide) an acceptable integrated solution to the e-Commerce systems deployed in the UC system within the first 18 months of contract.
b. E-commerce Platform Orders: UC orders will be placed directly with a supplier's system using either a hosted (static) or punch-out catalog housed in the UC E-commerce system(s). The catalog offerings will include all charges (exclusive of sales tax), including installation/assembly services where applicable. Implementation required within 18 months of contract signing. Note: National Participating Agencies have the option to enter into an e-commerce platform order solution on a per agency negotiated basis.
c. Quote Functionality: A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.
d. Paperless Invoicing: This is a requirement of this Agreement. Supplier will be required (within 18 months of contract signature) to transmit their invoices electronically in a format that can be imported into various e-commerce and financial systems; cXML and EDI are the preferred invoice transmission methods although a Supplier may elect to utilize an e-invoicing service (e.g. Transcepta or Docufree), which allow the supplier to upload invoice data by multiple methods, including e-mail or direct data entry, for final transmission to a campus in their preferred electronic method.
e. Payment Type: The University of California's preferred payment method is by virtual card (PaymentPlus, administered by US Bank) or procurement card (including ghost card for eCommerce), which includes a processing fee. Through these programs, the University of California can extend NET terms, which means that remittance will be transmitted immediately following full approval of an invoice. With PaymentPlus, suppliers receive email remittance information and are able to retrieve a one-time credit card number for the amount of the remittance. Suppliers can utilize their own point of sale solution, or can receive remittance through US Bank at competitive interchange rates. Alternative payment methods for the University include PaymodeX, EFT or paper check, with varying discounts and net terms offered. Note, some federally funded projects may have additional constraints on providing payment within 30 days.
f. Established Delivery Dates: An acceptable installation date will be established in writing by mutual agreement of Buyer, Supplier and Manufacturer (s) (example: date on PO satisfies this) at the time of order placement. Supplier must receive a complete and accurate order from Buyer, requiring no clarifications or changes prior to the agreed-upon installation date. To the extent, however, Supplier fails to accurately and completely specify Buyer's requirements when placing an approved order(s) with Manufacturer, Supplier shall bear liability for damages incurred by Buyer related to such failure by Supplier and liquidated damages may apply (see Item 12).

D. National Program

a. Manufacturer/Suppler must complete and maintain the required contract documents, reporting and/or other responsibilities as required by OMNIA Partners, and detailed in referenced RFP.
b. Manufacturer/Supplier must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.

E. Product Requirements

a. Required Product Categories (as defined within Attachment E of Master Agreement and Section 1 above) – Suppliers are required to provide sufficient product in the below categories; all as subject to Ergonomic requirements as listed on Exhibit E and Sustainability Requirements, as listed in Exhibit C. (UC Specific).
   - Panels and Desks/Work Surface (Adjustable and Fixed)

- Storage
- Freestanding
- Seating (task, side, conference room, and stackable, but NOT lab, lounge or lobby)
- Tables Conference (tables, training table, occasional tables , hgt. adjustable tables, other)

b. Product Purchase Restrictions (UC Specific) - A Supplier should note, there will be special processes put in place surrounding the UC's ordering of Architectural Elements (Demountable Walls) and fixed seating, owing to UC approvals which must be garnered prior to an order being placed. Any awarded Supplier will be required to abide by this process.

c. Parts Sales – A Supplier must offer offer/sell parts for your products to use in UC, and Participating Agencies, in-house repairs. A Web catalog or (acceptable alternative) must be supplied.

d. New and Discontinued Products

1. Supplier(s) must communicate and make available any special product promotional offers as requested. A system to communicate promotions shall be established during the contracting phase of this process.
2. New Products - The UC recognizes that products and product line additions to the selected Supplier's offerings are likely to occur during the life of this contract. The UC will consider these additions as enhancements. Additions will be considered under the following methods:
    - Products will be categorized with similar products or product lines into existing market commodity codes/product line families previously defined and agreed to by the UC with respect to the discount structure, net price, or total cost of the product.
3. In the event the selected Supplier(s) add a new specialty product line which represents product(s) that are substantially different from the products or brands represented in the existing market commodity codes/product line families, the UC and the selected Supplier(s) may enter into negotiations to establish a discount structure, net price, or total cost for the product(s) if the UC agrees that the product(s) are not covered under an existing market commodity code/product line family. Pricing must be competitive in order to add into the contract. The selected Supplier(s) will provide appropriate documentation to support its position for special pricing. Negotiations must be completed prior to any purchase orders being processed. In the event the UC and Supplier cannot come to agreement the UC may at its sole opinion conduct a separate formal bidding process.
4. Supplier shall notify the UC 60 day's in-advance of any products being discontinued wherever possible.

e. Cabling - All Manufacturers of cabling products, must comply with Technology Industry Association (TIA-569-C-2012) standards for cabling raceway and data equipment outlet openings.

f. Warranty –A minimum warranty of ten (10) years is required for 'seating', with a minimum of five (5) years applying to 'other' products. Note an exception for upholstery, which must have a minimum warranty of 3 years.

g. Surcharges and/or Tariffs – With the exception of 'Tariff Related Surcharges', there shall be NO surcharges during the term of any resulting contract. A supplier may request temporary surcharges for newly levied tariffs affecting their global supply chain, either directly or indirectly impacting most/critical materials, whether it is finished goods or directly imported materials, or raw materials that their suppliers must purchase from China for use in their production process. Any such charges must be substantiated through appropriate documentation prior to the approval process beginning. Approved charges will be considered as temporary, with the expectation of removal or reduction in accordance with removal or decreases by the government.

h. FOB - Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.

F. Services

a. Specific Delivery, Installation & Service options, have been detailed for the UC System and National Accounts. These required services are shown separately and/or aligned with a Supplier's Pricing/Declared Discounts off List and are found on Exhibit A and B.

b. Prevailing Wages – Supplier understands that Prevailing Wage requirements apply to this contract, as detailed in Master Agreement, Section 10 – Prevailing Wages

c. Customer Satisfaction and Service Standard Metrics (UC Specific) - Supplier will be responsible for product satisfaction. Supplier(s) will act as a customer advocate and coordinator for communications with the dealer that is responsible for performance and problem resolution. Supplier(s) responsibility for support continues even if the Supplier discontinues selling a product to the extent that resolution is possible. Suppliers must take necessary actions with dealers to reduce, minimize and prevent stock-outs of product (i.e. backorders), and to ensure that promised lead-times/ship dates/arrival dates are accurate. Customer satisfaction will be a determining factor in measuring Supplier(s) performance. Supplier and UC jointly will on a routine basis conduct and monitor customer satisfaction with a formal survey process. Results and feedback will be published on a regular basis in a format to be developed. Supplier and/or Dealer shall provide Toll-free number for assistance in order placement and focused customer service team for the UC.

1. Each Location has means to determine their internal level of customer satisfaction and if dealer is meeting performance metrics. If a dealer falls below the service level expectations it will be escalated to that Location's Materiel Manager and to UCOP to determine a mutually agreed upon corrective action plan to resolve the concern. If the service levels do not improve to the satisfaction of the University the issue may ultimately result in termination of the agreement.

d. Ship to and Consolidation of Orders – Required 'ship to' for UC locations will be determined at the time of order. It is the responsibility of the manufacturer and servicing dealer to achieve this in the most efficient manner. For incidental (non-project) orders, UC expects the servicing dealer to consolidate orders and deliveries in a manner such that multiple deliveries to the same campus on the same day should not be charged full freight for each individual item delivery. Servicing dealer shall track, receive, warehouse, and deliver the product to the jobsite and perform final inside deliveries to specific office, suite, work space, lab, job site, etc. at all UC delivery accessible locations. Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.
e. Storage: (UC Specific): First 30 business days of storage required shall be at no cost to UC or participating agencies. UC may require items to be in storage beyond 30 bus days and may be charged at rates not to exceed the charge listed on Exhibit B Discount and Service Pricing. Note: UC must be prepared to accept product within 10 days of shipment or UC must notify Dealer of its need to enact its option for 30 days free storage from the Dealer. The 30 days shall begin when product arrives to Dealer's facility/dock. Any period after that point, will be charged at rates quoted within this Agreement.
f. Returns/Damaged product (UC Specific) - Products damaged, duplicated, incorrectly ordered by or incorrectly shipped by the manufacturer or dealer shall be replaced or picked up by the Supplier(s) within 2-3 business days after notification at no cost to the UC or participating agencies and thereafter a credit issued (if applicable) within five (5) business days to the satisfaction of the customer. There shall be no restocking charges or additional shipping charges, etc. for these items. If product has concealed damage due to carrier, Customer and/or Dealer has 15 days from delivery to file a freight claim with Supplier.
g. Trade Fairs (UC Specific) - If requested a Supplier is expected to sponsor trade and/or manufacturer exhibit/product shows at each of the UC locations and must comply with each campus' policies regarding space rental, advertising and coordination with each campus Materiel Management office.
h. Training (UC Specific) - When requested, the Supplier(s) will provide in-house "start-up" and/or training sessions to the UC users regarding the Supplier's software, ordering system, etc. at no charge to the UC. Similarly, a Supplier shall participate in developing and delivering Web Training for same.
i. Manufacturer/Dealer Documentation – A Supplier must provide the following, free of charge; 1) documentation of existing architectural and electrical elements of product (anything that impacts furniture placement), 2) Data and electrical coordination, including Title 24 documentation, 3) Plans and 3D images in AutoCAD and PDF formats.
j. Material Samples (UC Specific) - A Supplier must provide Material samples to customers, when requested.
k. Seating Labs-Showrooms (UC Specific) - Supplier to work with locations to provide sample product/guidance for seating labs/showrooms for potential customers to evaluate.
l. Delivery Delays. Supplier will report any delivery delay whatsoever to the ordering Location, as well as its cause, within two (2) hours after Supplier is able to reasonably determine there will be a delay; the report will be provided to UC by telephone and e-mail. Supplier will keep UC fully informed and will take all reasonable action in eliminating the cause of delay.
m. Credit. Requests for credit can be transmitted by the ordering UC personnel via the established order management system (telephone, paper return form, and web-based). Chargebacks and credit memos will be issued to UC ordering departments in the current month's billing period. If Goods were purchased via UC purchasing card, credit must be issued to the same purchasing card.
n. Out of Stock Items - If there is an out of stock situation of any ordered inventoried item(s), the out of stock item will be added to the back order file and will be delivered to UC when the item is in stock without a further order being submitted.
o. Restocking Fees - For 'made to stock items' (stocked inventory – not made to order), return of conforming goods, are subject to a 50% restocking fee. All freight charges for returned product are the responsibility of the customer. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packed and protected in the original cartons. Upon receipt, all returned merchandise will be thoroughly inspected. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued

10. Changes to the Services

UC may desire to change the Goods and/or Services following execution of an SOW. If so, UC will submit a written Amendment to Supplier describing the changes in appropriate detail. If an Amendment does not require Supplier to incur any additional material costs or expenses, then Supplier will make the modification within ten (10) business days of Supplier's receipt of UC's Amendment. If

an Amendment does require that Supplier incur additional material costs or expenses, then Supplier in good faith will provide UC with a written, high level, non-binding assessment of the costs and expenses and the time required to perform the modifications required by the Amendment, within ten (10) business days of Supplier's receipt of UC's Amendment. UC will notify Supplier in writing within ten (10) business days after receipt of Supplier's response to the Amendment as to whether UC wishes Supplier to implement the Amendment based on the response. UC will compensate Supplier for implementation of an Amendment in accordance with the terms and conditions of the relevant Amendment and Supplier's response to the Amendment, if any. Supplier's implementation of an Amendment will not delay the performance of Services and/or the delivery of deliverables not reasonably affected by an Amendment.

11. No Mandatory Use

Because there is no mandatory use policy at UC, nothing in this Statement of Work will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

12. Liquidated Damages (this section is specific to UC)

If a Supplier fails to accurately and completely specify a UC Buyer's requirements when placing an order(s) with Manufacturer, Supplier shall bear all liability for damages incurred by UC Buyer related to such failure by Supplier and liquidated damages may apply, if deemed appropriate by UC; such liquidated damages noted below:

Supplier shall pay Buyer five hundred dollars ($500.00) per day as liquidated damages for every business day beyond the agreed-upon installation date that Supplier fails to install a material amount of product, as defined below. In the event of such failure, Supplier shall use its best efforts to provide temporary furniture for use by Buyer until the delayed furniture is installed. It is the Buyer's choice to accept or not accept temporary furniture and waive or not waive any associated liquidated damages associated with the delayed furniture. Payment shall be made in the following manner: Supplier shall issue a credit memo in the amount of the liquidated damages, and such amount will be deducted from any monies due Supplier by Buyer. Supplier will not be in default or liable to pay liquidated damages if the delay is due to order changes by Buyer, construction/inspection delays at the site, Acts of God, or any other reason beyond Supplier's reasonable control. A "material amount of product" means the ordered item(s), functional elements and/or accessories that are necessary to allow a workspace to be utilized fully and immediately following the agreed-upon installation date.

Immediately after or during all installations, Supplier agrees to establish a punch list in cooperation with Buyer. A punch list shall consist of an inventory of any and all missing, damaged, mistakenly shipped, or incorrect installation parts, components, or whole pieces of furniture. The Supplier must correct and remedy all the items on the punch list within 30 calendar days. If Supplier fails to correct and remedy all the items on the punch list by the agreed-upon date (if outside 30 days as if silent 30 days is assumed), Supplier shall deduct 2 1/2% of the total value of the product order from the final invoice submitted to Buyer, as liquidated damages. If Supplier fails a second time to correct and remedy all the items in the punch list by the second agreed-upon date, Supplier shall deduct another 2 ½% (total of 5%); if Supplier fails a third time to correct and remedy all the items in the punch list on the third agreed-upon date, Supplier shall deduct another 2 ½% (total of 7 ½%); and if Supplier fails a fourth time to correct and remedy all the items in a punch list on the fourth agreed-upon date, Supplier shall deduct another 2 ½% (total of 10%). The foregoing liquidated damages charge is applicable regardless of whether and/or when some items on a punch list are corrected or remedied. All items on a punch list must be corrected and remedied on the agreed-upon date, otherwise, the foregoing liquidated damages shall be applicable. On each installation, Supplier shall hold back from invoicing Buyer 10% of the value of the total order to address timely resolution of punch list issues. The final invoice, if any, shall be submitted after Buyer and Supplier mutually acknowledge, in writing, resolution of all items on the punch list.

13. Incorporated Documents

The following documents are incorporated and made part of this Agreement, as if fully set herein, listed in the order of preference following the Agreement.

Exhibit A – National Discount and Service Pricing
Exhibit B – **UC** Discount and Service Pricing
Exhibit C - UC Sustainability Requirements
Exhibit D – UC Reporting Requirements
Exhibit E – UC Ergonomic Requirements
Exhibit F – UC Dealer Network & Capabilities
Exhibit G - UC –Additional Terms and Conditions

This Statement of Work is signed below by the parties' duly authorized representatives.

EXHIBIT A – NATIONAL PROGRAM - DISCOUNT & SERVICE PRICING AND PRICING TERMS

A.1 – Product/Service Pricing - OMNIA Partners & Participating Public Agencies

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect at the time the purchase order is placed, less the minimum discounts on the items listed below. Pricing shall be based on Supplier's current National Price List/Price Book

Deliveries from Dealer to Participating Public Agencies shall be FOB, Participating Public Agency's designated location, freight prepaid and allowed for purchase orders within the United States. Exceptions include Alaska and Hawaii, where additional freight charges apply and will be quoted upon request.

A.2 – Price Increases

OMNIA and UC Contract Administrator shall be given written notification of any Price List changes, thirty (30) days prior to effective date of change. Price increases shall be accompanied by information showing the percent increase by line and as an average. In addition, a supplier shall include market information and/or commodity indices (as referenced below) supporting the change:

- Commodity Information/Market Drivers
- Pertinent index/indices covering the previous period of service; 1) PPI- BLS Series ID: WPU122 Price of Commercial Furniture; 2) PPI - BLS Series ID: WPU12220325 Price of Non-wood Office Seating; 3) CPI-U, US city Average, All Items less Food and Energy
- Pertinent labor data including (but not limited to NAICS 3370A1 - Furniture and Related Product Manufacturing (3371 and 3372 only)

DELIVERY

• Drop ship or Tailgate Delivery means product is delivered to the site. Purchaser is responsible for unloading.

• Inside Delivery means product is delivered to the site and unloaded.

BASIC INSTALLATION - Includes inside delivery, uncrating, assembly, set-up (if required), installation, removal/disposal of all debris from premises, and vacuuming the premises, installation documents, and the bill of materials per the purchaser's approved plan and specifications.

EXPANDED/COMPLEX INSTALLATION Includes basic installation; field measurements surveyed, documented and coordinated; electrical and telecommunication/data in-feed locations are surveyed, documented and coordinated; attend required coordination meetings with purchaser and other contractors; and creation and implementation of punch list by project manager.

Pricing Parameters

• During normal business hours, M-F, 7:00am-5:00pm local time.

• Non-union labor

• All necessary tools and equipment required to install per the drawing or quote

• Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process

• Free and clear access to loading docks and elevators

• Job site to be free and clear of debris

• Service work not be hindered by other trades, product tools, equipment

• Reasonable access to space

Exclusions:

• Any work requiring a licensed electrician is the purchaser's responsibility

• Hardwiring of furniture to the building source

• Connection of phone and data lines to the building source

Additional Cost:

• Union, prevailing wage, overtime, and "after hours" (evenings, weekends, holidays) work.

EXHIBIT B - UNIVERSITY OF CALIFORNIA DISCOUNT & SERVICE PRICING AND PRICING TERMS

B.1 Product/Service Pricing - UC

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect for the UC at the time the purchase order is placed, less the minimum discounts on the items listed below. Price List 2019, as bid in August 2019, shall remain firm until April 30, 2021.

The price for services as stated as a 'Discount off List Price' (included with delivered product) or as 'Services Rates' priced hourly/separately per service.

Deliveries from manufacturer or Dealer to the UC, shall be FOB **UC designated location**, freight prepaid and allowed for purchase orders within the United States.

Payment Term revised for UC – Purchases for UC locations, under this Agreement are Net 30 days of product delivery to UC designated location (including Dealers Warehouse. This is a change for terms stated for Participating Agencies.

B.2 UC Price Protection

Discount Percentages/Pricing Structure, as quoted in the RFP Response and negotiated, shall remain firm for the initial period of the agreement (May 20, 2020 to April 30, 2024). In addition, actual prices quoted at the time of this RFP, as based on discount off current Manufacturer's National List Price #2019, shall be held firm until April 30, 2021, meaning prices quoted cannot increase, regardless of any change to the Manufacturer's National List Price until that time. Additional Price List advancements will not be considered more than once yearly. If increases are supported by market data and negotiated with Contract Administrator (see below), UC will advance to the next price List, in consecutive order (e.g.PL 2020 on May 1, 2021). UC orders are subject to Price List, in effect for UC at order placement.

a) Product list-price adjustment shall be effective upon a sixty (60) day written notification given to UC. When submitting notice of increases, SUPPLIER shall provide supporting documentation, which will include a spreadsheet displaying product increases and the UC weighted average increase, as well as market information and commodity indices (as referenced below) supporting the change:

- Commodity Information/Market Drivers
- Pertinent index/indices covering the previous period of service; 1) PPI -BLS Series ID: WPU122 Price of Commercial Furniture; 2) PPI -BLS Series ID: WPU12220325 Price of Non-wood Office Seating ; 3) CPI-U, US city Average, All Items less Food and Energy
- Pertinent labor data including (but not limited to NAICS 3370A1 - Furniture and Related Product Manufacturing (3371 and 3372 only)

Calculation of weighted average increase will be based on items purchased over the previous 12 months by UC. In the event the UC weighted average change has a significant and documented cost increase in excess of 3.0%, a full examination of market data and resources, shall be conducted by UC and Supplier to arrive at a final determination of market impact/increase. Impacted areas/product may be negotiated by UC, individually and/or as an aggregate, to arrive at the final determined increase; changes to be mutually approved.

b) Service Pricing Increases (Hourly Service Rates -not inclusive of Prevailing Wage Quotes) - Hourly Service and Labor Charges are quoted for services provided by Supplier's Dealers. Increases are not allowed during the Initial (UC) Agreement Term unless unforeseen events/circumstances, regional or state-wide, create market pressures limiting the ability of a Dealer to contract for services within the parameters of this Agreement. In that event, the Supplier shall supply proof of market condition and/or any alignment to "Increases for Modular Furniture Installation #NC-23-31-15-2019-1", to UC contract Administrator, with request; outcome to be supported and mutually agreeable.

Drop Ship Delivery has two options:
• Manufacturer ships to any delivery, accessible campus location. This option contains the possibility of multiple delivery points.
• Manufacturer ships to one default location at the campus location. This option highlights the campus capability to receive shipments at a central delivery spot.

Dealer Delivery/Basic Installation Services will include:
• Product is unloaded off the truck and delivered to the point inside a building during normal business hours, M-F, 7:00am-4:30pm local time.
• Furniture wiped down, leveled, and place ready-to-use furniture per customer's instructions.
• Removal and disposal of any packing materials (removed from UC site/property).
• ADA compliance (required)
• Dealer management as it relates to final order-ready quote, exact delivery dates and times, placement/install of the furniture items, correction of any discrepancies between the final quote and customer purchase order, replacing any items short shipped and/or accepting the return of any over shipments and/or missed shipments, and submitting accurate invoice that matches the customer's purchase order.
• Processing of any necessary freight/damage claims.

Dealer Delivery/Complex Installation Services (i.e., project pricing) will include:
• All services described in above Basic Installation.
• Project Management, which are services in which many segments of a furniture project must be professionally coordinated and well-orchestrated through the punch list, proper oversight must be maintained, and milestones must be adhered to.
• Design Services, which are services and processes required to convert a customer's expressed needs into a functional design and an accurate, order-ready specification. Design Services are outlined below.

Design Services
Design Services are usually utilized for a Complex Installation project. These same design services are available when using Drop Ship Delivery or Basic Installation and are quoted as an additional hourly cost. Pricing for design services include, but are not limited to:
• Maximum of Two Designs
• Up to Two Major Design Revisions (changes > 30%)
• Fully-annotated 2D and 3D CAD renderings for initial design and all revisions
• Complete Installation Drawings
• Site Verification and Field Measurements prior to Furniture Order
• Verification of all Critical Measurements taken from Architectural Drawings
• Furniture Electrical Plans (Note: Client/Customer responsible for coordination and implementation of the building electrical/data per furniture plans.)
• Signed Furniture Plans required prior to Specification of Furniture
• Furniture Installation is ADA and California Building Code compliant

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

• All Finish and Product Samples as needed/as requested; Help and Consultation in the Selection
• Attendance at Required Meetings

Installation Job Site Expectations

• All necessary tools and equipment required to install per the drawing or quote
• Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process
• Reasonable access to the space; Access to hoisting and/or elevator service
• Job site to be free and clear of debris
• Containers for the disposal of packing materials off-site
• Service work not be hindered by other trades, product tools, equipment

Exclusions, which are the customer's responsibility, are:

• Any work requiring a licensed electrician including, but not limited to, hardwiring of furniture to the building source.
• Connection of phone and data lines to the building source

Exclusion, which would incur additional labor and equipment cost, is:

• Any furniture product that must be conveyed via alternative means, including stairs, forklift, access corridors, etc.

Installation labor for a Basic Install or a Complex Install are expected to be conducted during normal business hours, M-F, 7:00am-4:30pm local time, and confirmed by each UC location. Hourly labor rates are quoted using the appropriate hourly labor application, such as Union rate, Prevailing Wage rate, or your Standard labor rate (not to be less than UC Fair Wage-Fair Work rate (currently $15.00 per hr.), taking into consideration the labor activity required for the installation and the local labor regulations. The quoted hourly labor rates are required to be displayed in a detail breakdown on the quote, i.e., number of hours, number of crew, etc. and will include any overtime or "after hours" work, such as evenings, weekends, and holidays.

EXHIBIT C - UC SUSTAINABILTY REQUIREMENTS

Below are excerpts and links related to recent revisions made to UC's Sustainable Practices Policy. They are provided for your convenience and are not meant to replace a full review of all materials. Links to the Policy and associated Guidelines are provided below for your review.

- UC SUSTAINABLE PRACTICES POLICY (Sustainable Procurement pg. 12–15 and 27–29): https://policy.ucop.edu/doc/3100155/SustainablePractices
- UC SUSTAINABLE PROCUREMENT GUIDELINES: https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf

UC Sustainable Practices Policy – Sustainable Procurement

E-COMMERCE REQUIREMENTS

Awarded suppliers will be required to clearly identify products with UC-recognized certifications, as defined by the Guidelines, in both hosted and punchout catalog e-procurement environments.

1) Contract items that meet the UC Green and UC Green Preferred criteria as outlined in the Guidelines will be prioritized in all product searches.
2) Unless locations request otherwise, products that do not meet the University's minimum criteria requirements will be blocked in all hosted catalogs and punchout catalogs upon contract award.

PACKAGING STANDARDS

UC Standards for packaging materials were listed within the RFP. Supplier must meet one of these goals and (if not mandatory), adhere and/or demonstrate movement toward the other packaging goals. Goals and advancement should be detailed during Business Reviews.

All packaging delivered to the UC must be compliant with the Toxics in Packaging Prevention Act (AB 455) as to be free of any intentionally introduced lead, cadmium, mercury or hexavalent chromium, and containing no incidental concentrations of these regulated metals greater than 100 parts per million (ppm) by weight. In addition, the University requires that all packaging meet at least one of the criteria listed below:

a) Uses bulk packaging;
b) Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
c) Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
d) Maximizes recycled content and/or meets or exceeds the minimum postconsumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
e) Uses locally recyclable or certified compostable material.

PACKAGING FOAM BAN

By 2020, the University will prohibit the sale, procurement or distribution of packaging foam.

Packaging foam refers to any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: Ethylene-vinyl acetate (EVA) foam, Low-density polyethylene (LDPE) foam, Polychloroprene foam (Neoprene), Polypropylene (PP) foam, Polystyrene (PS) foam (including expanded polystyrene (EPS), extruded polystyrene foam (XPS) and polystyrene paper (PSP)), Polyurethane (PU) foams, Polyethylene foams, Polyvinyl chloride (PVC) foam, and Microcellular foam. Packaging foam does not include easily biodegradable, plant-based foams such as those derived from corn or mushrooms.

ELECTRONIC TRANSFER OF SUPPLIER INFORMATION

Awarded suppliers, when interacting with the University, shall be prohibited from providing hard copies of presentations or other materials. Suppliers will be required to present all information in electronic format that is easily transferable to University staff, who may choose to print their own copies in accordance with UC Policy if necessary. Materials may be provided if specifically required or requested by a UC representative.

ENVIRONMENTAL MARKETING CLAIMS

All sustainability-related purchasing claims must be supported with UC-recognized certifications and/or detailed information on proven benefits, durability, recycled content, and recyclability properties, in accordance with the Federal Trade Commission's (FTC) Green Guides for the use of environmental marketing claims (https://www.ftc.gov/sites/default/files/attachments/press-releases/ftc-issues-revised-green-guides/greenguides.pdf).

UC Sustainable Procurement Guidelines

GENERAL CHEMICALS OF CONCERN CRITERIA FOR PRODUCTS AND PACKAGING

Products and packaging shall be free of hazardous additives, including those mixed into the product and those used as surface treatments, unless no feasible alternative exists, and it is determined that the benefit outweighs the risk. Products and packaging must meet all eleven of the Kaiser Permanente Chemicals of Concern Criteria (http://supplier.kp.org/formsreqs/KPEPPStandards.pdf), including, but not limited to:

a) Cadmium, mercury, lead, hexavalent chromium, polybrominated biphenyls, and polybrominated diphenyl ethers - All homogenous electronic parts are compliant with all European Union Restriction of the Use of Certain Hazardous Substances (EU RoHS) Directive's restricted limits (excluding exemptions).
b) Polyvinyl chloride (PVC)
c) Prop 65 Chemicals - Does not contain intentionally added chemicals listed by the State of California to cause cancer, birth defects, or reproductive harm that require warning or are prohibited from release to the environment under the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65). If contains Prop 65 chemicals, supplier must disclose Chemical Abstracts Service (CAS) #'s.
d) Persistent, bioaccumulative and toxic chemicals (PBTs) - All homogeneous materials must contain less than 1000 ppm of PBTs.
e) Organohalogen-based chemicals (bromine, chlorine, fluorine, and iodine)
f) Antimicrobial/antibacterial agents - Does not contain intentionally added antimicrobial/antibacterial agents to reduce surface pathogens.

FURNITURE SUSTAINABILITY STANDARDS

These standards are applicable to all new individual (e.g. task chair) and group seating; open-plan and private-office workstations; desks of all types, tables of all types; storage units, credenzas, bookshelves, filing cabinets and other case goods; integrated visual display products (e.g. marker boards and tack boards, excluding electronic display products); hospitality furniture; and miscellaneous items such as mobile carts, freestanding screens, and movable partitions. Movable partitions include office furniture system cubicle panels that are typically integrated with work surfaces, desks, and storage furniture.

These standards do not apply to office accessories, such as desktop blotters, trays, tape dispensers, waste baskets, all electrical items such as lighting and small appliances, and accessories such as aftermarket keyboard trays, monitor stands and monitor arms.

In addition, the following Required Sustainability Criteria apply to the finished product as assembled, unless otherwise specified. For example, compliance with the VOC Emission requirements applies to the finished product as assembled and thus, the applicable third-party certification must be for the finished product as assembled, not the individual components.

The Supplier will be expected to limit product finishes and textiles offerings to those that maintain compliance with these requirements. For example, University end-users should not receive information on surface materials or textiles that would conflict with these requirements or otherwise void a VOC Emission certificate (i.e. some surface materials are not included in a product's VOC certification).

Minimum Required Criteria:

1. All furniture must meet one of the following requirements (either (a) or (b)1-5):
   a) Be certified under BIFMA criteria 7.4.4 – Targeted Chemical Elimination – of ANSI/BIFMA e-3 Furniture Sustainability Standard (2019 version).
   b) Be free of the 5 classes of chemicals of concern described below:

      1. Flame Retardants: All furniture shall be free of flame retardant chemicals at levels above 1,000 parts per million in both standard and optional components, excluding electrical components.
         a. All upholstered seating subject to TB 117-2013 shall be labeled as not containing flame retardant chemicals consistent with the manner described in Section 19094 of the California Business and Professions Code.
         b. A product may contain flame retardants if required to meet code or regulation (e.g., TB 133 or ASTM E 1537), in accordance with the following criteria:
            i. No halogenated flame retardant chemical may be used at levels above 1,000 parts per million by weight of the homogeneous material, excluding electrical components.
            ii. Products that contain flame retardant chemicals that have been fully assessed using GreenScreen v1.2 (or newer) and meet the criteria for benchmark 2, 3, or 4 will be preferred.
      2. Formaldehyde and Volatile Organic Compounds (VOCs): All furniture shall comply with ANSI/BIFMA e3-2014 Furniture Sustainability Standard, Sections 7.6.1 and 7.6.2, using either the concentration modeling approach or the emissions factor approach.
         a. Test results shall be modeled using the open plan, private office, or seating scenario in ANSI/BIFMA M7.1, as appropriate.
         b. Furniture products that additionally meet ANSI/BIFMA e3-2014 Section 7.6.3 and/or California Department of Public Health Standard Method v1.1 (emission testing method for California Section 01350) are preferred.
         c. Products with UL Environment GreenGuard Gold, or Scientific Certification Systems (SCS) Indoor Advantage Gold third party certifications for CA Standard Method v1.1 2010 are automatically compliant.
         d. Salvaged and refurbished furniture more than one-year old at the time of re-use is considered compliant, provided it meets the requirements for any site-applied paints, coatings, adhesives, and sealants.
         e. All composite wood materials, including hardwood plywood, particleboard, or medium density fiberboard, used in office, classroom, or healthcare furniture shall comply with Phase 2 of California's Code of Regulations, Title 17 §93120.2 – Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products. Compliance

documentation for this requirement may be satisfied by demonstrating applicable components meet the requirement (as opposed to finished product as assembled).

1. Per and Poly-Fluoroalkyl Substances (PFASs) used as stain/water/oil resistant treatments: All furniture shall be free of any long- and/or short-chain per- and poly-fluorinated alkyl compounds and fluorinated polymers used as stain, water, or oil resistant treatments above 100 ppm by weight of the homogenous material.
2. Antimicrobials: All furniture shall be free of any added or built-in chemical antimicrobials. Antimicrobials added to raw materials for the sole purpose of preserving the product are exempt, with the exception of triclosan and triclocarban which are explicitly prohibited. Antimicrobials may be used in a healthcare setting only if they are registered with the U.S. EPA under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and are part of a comprehensive infection control plan.
3. Polyvinyl Chloride (PVC): All furniture shall be free of polyvinyl chloride (PVC) greater than 1% of product by weight, excluding electrical components. Electrical components that are free of PVC are preferred.
4. All fabrics/textiles utilized on a finished product under this Contract must be cleanable without dry-cleaning chemicals.

Preferred Criteria

Must meet all of the above Minimum Required Criteria, and have at least one of the following additional certifications or documentation:

- BIFMA Level (preference for Level 2 or 3)
- Cradle to Cradle (C2C) (preference for Silver or Gold)
- Meets the Healthier Hospitals Initiative (HHI) Safer Chemicals Challenge and has published product list on the Healthier Hospitals Healthy Interiors Goal website
- Forest Stewardship Council (for products containing wood)
- Textiles certified by one of the following recognized certifications:
  - GOTS
  - Standard 100 by Oeko-Tex
  - STeP by Oeko-Tex
  - Cradle to Cradle
  - NSF/ANSI 336-2011 (Facts)
- Complete Health Product Declaration (HPD)
- Complete Declare label

Documentation Requirements

Upon request, Supplier will be expected to provide applicable documentation confirming that products meet the University's Sustainability Standards for furniture. As applicable to the individual criteria, documentation will be in the form of third-party certificates, product test results, applicable forms, a formal letter of assurance from the manufacturer stating the product meets individual sustainability criteria, and/or other documentation as needed to meet green building certification documentation requirements (such as for LEED, WELL, Living Building Challenge, etc.). These requests may occur during evaluation of new products to be added to the University standard furniture catalog and/or as part of documentation requests required for LEED or WELL projects.

Definitions for this Exhibit

Antimicrobial chemicals:

Chemicals intended to disinfect, sanitize, reduce, or mitigate growth or development of microbiological organisms, or protect inanimate objects, industrial processes or systems, surfaces, water, or other chemical substances from contamination, fouling, or deterioration caused by bacteria, viruses, fungi, protozoa, algae, or slime.

Flame retardant chemicals:

Any chemical or chemical compound for which a functional use is to resist or inhibit the spread of fire. Flame retardant chemicals include, but are not limited to, halogenated, phosphorous-based, nitrogen-based, and nanoscale flame retardants, flame retardant chemicals listed as "designated chemicals" pursuant to Section 105440 of the Health and Safety Code, and any chemical or chemical compound for which "flame retardant" appears on the substance Safety Data Sheet (SDS) pursuant to Section 1910.1200(g) of Title 29 of the Code of Federal Regulations. "Added flame retardant chemicals" means flame retardant chemicals that are present in any covered product or component thereof at levels above 1,000 ppm.

Per- and poly-fluoroalkyl substances (PFASs) (often referred to as PFCs):

Category of compounds that includes long- and short-chain per- and poly-fluorinated alkyl compounds, fluorinated sulfonate compounds, and fluorinated polymers. PFASs include any compound that meets any one of the following definitions:

- Perfluoroalkyl substances: Compounds for which all hydrogen atoms on all carbon atoms (except for carbons associated with functional groups) have been replaced by fluorine atoms.

- Polyfluoroalkyl substances: Compounds for which hydrogen atoms on at least one, but not all, carbon atoms have been replaced by fluorine atoms.
- Fluoropolymers: Carbon-only polymer backbone with fluorine atoms directly bound to the polymer backbone.
- Perfluoropolyethers: Carbon and oxygen polymer backbone with fluorine atoms directly bound to carbon atoms.
- Side-chain fluorinated polymers: Variable composition non-fluorinated polymer backbone with fluorinated side chains.

Volatile Organic Compounds (VOCs):

VOCs are defined by the California Standard Method for Testing and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers as carbon-containing compounds (excluding carbon monoxide, carbon dioxide, carbonic acid, metallic carbides and carbonates and ammonium carbonate) with vapor pressures at standard conditions approximately ranging between those for n-pentane through n-heptadecane. Formaldehyde and acetaldehyde are considered to be VOCs.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

EXHIBIT D – UC Reporting Requirements

UC System-wide Purchase and Usage Reporting

A UC System Wide Usage/Purchase Quarterly Reports must be provided each quarter, within thirty (30) business days from the close of the previous quarter. Supplier agrees to collect the usage/ purchase data from Supplier's Authorized Representatives and verify the data accuracy. Note: An exception is provided for ANR locations; such locations volume/rebates to be included in reporting for the 'hosting UC campus', providing procurement services for the ANR location.

These quarterly Usage Reports are to be submitted to the UC Contract Administrator based on the below schedule.

- January: for the prior Oct-Dec quarter
- April : for the prior Jan-Mar quarter
- July: for the prior Apr -June quarter
- Oct: for the prior July-Sept quarter

Sustainability Reporting

Supplier shall submit quarterly usage reports in a Microsoft Excel compatible format to Contract Manager University of California Office of the President, Commodity Manager, Yvonne.Macon@ucop.edu, or University's Contract Administrator.

The usage report shall be submitted each quarter, within thirty (30) business days from the close of the previous quarter, mirroring the schedule above. Supplier agrees to collect the usage/ purchase data from Supplier's Authorized Representatives and verify the data accuracy. It shall contain the following information as separate columns:

- Order number or invoice number (unique identifier)
- Campus location and Purchase Order Number
- Order date or invoice date
- Customer number
- Ship To Address
- Product Category (systems furniture, conference, seating, lounge)
- Manufacturer Name
- Manufacturer Product Number
- Item Model Name
- Item Description
- Unit Price**
- Extended Price (quantity x unit price)
- Total Weight (lbs.)
- Pre-Consumer Recycled Content per unit (%)
- Post-Consumer Recycled Content per unit (%)
- Hard Surface Material (e.g. laminate, veneer, etc.)
- Textile Certifications to the best of Supplier's ability – based on textiles used within the 'product units reported' per campus (components are not reported)
- IAQ Certification Name and Certification Level (e.g. SCS Indoor Advantage Gold)
- Cradle to Cradle Certified and Overall Certification Level (e.g. Bronze, Silver, Gold)
- ANSI/BIFMA level Certification and Certification Level (e.g. one, two, three)
- Meets Healthier Hospitals Safer Chemicals Challenge (Y/N)

**Installation and delivery charges should not be included in the furniture unit price.

Reporting of Patronage/Incentives

Supplier shall provide Incentives Reporting to the UCOP Contract Administrator, detailing amounts paid directly to UC Locations, of UC specific rebates of product sales or service to UC Locations, and the data which supports those payments.
Supplier agrees to provide a UC Sales, Incentives/Patronage, and Sustainability Purchase data report to the UCOP Strategic Sourcing Administrator.
http://www.ucop.edu/procurement-services/for-suppliers/supplier-reporting.html

Assistance on completing the form: strategicsourcingreports@ucop.edu
Deadlines for submission of the data report are as detailed above. Quarters reflect UC fiscal year, July-June.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

EXHIBIT E – UC Ergonomic Requirements

The term 'minimum' as used in this section is not a minimum mandatory requirement, or a 'hard specification', it is considered a target measurement or typical desired range, and therefore some variance will be considered and allowed.

A. Seating--
Task Seating
Basic Features:
Chair seat swivels easily on a five-leg pedestal base with casters.
Casters are available for different floor surfaces such as carpet, hardwood, and linoleum -
Adjustment controls - easy to adjust from the sitting position and clearly marked to indicate function
No sharp or hard edges anywhere on the chair or controls
Weight capacity of chair is:
Minimum: At least 250 pounds
Preferred: At least 275 pounds
Five-year minimum warranty
Chair adjustment instructions provided to end user

Seat Features:
Seat height – adjustable at least 4.5 inches within the range of 15 – 22.5 inches from the floor to top of the seat
Seat depth
Minimum: If non-adjustable, seat should be no greater than 17" depth.
Preferred: Adjustable seat depth - provides up to 4 inches of forward/backward seat pan movement, range must include 17" seat depth.
Seat pan angle
Minimum: If seat angle does not adjust, seat is designed with a slight backward or forward angle.
Preferred: Seat angle range has at least 6 degrees of user-controlled adjustability, from leaning forwards to leaning backwards.
Seat pan width minimum of 18 inches/
Front edge of seat is rounded.

Backrest Features:
Backrest height - top of backrest is at least 17.7 inches above the seat (1, pg. 82).
Backrest height adjustability
Minimum: Entire Backrest and /or lumbar support adjustable within the range or 6 - 10.5 inches above the seat 1.
Preferred: Entire backrest and/or lumbar support adjustable from 6-10.5 inches above the seat.
Backrest width - at least 14 inches
Backrest shape
Minimum: Backrest is curved at the lower portion to support the lumbar area
Preferred: Backrest should curve outward towards seated user, especially at the lower portion to support the lumbar area (1, pg. 83).
Backrest angle
Minimum: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to slightly reclined position (105 degrees)
Preferred: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to recline position (120 degrees). User-adjustable headrests are necessary for chair reclining greater than 120 degrees
Backrest angle lock -
Minimum: Backrest can move freely with user-adjustable resistance.
Preferred: Backrest can be locked into various positions.
Armrest Features:
Armrest height
Minimum: adjustable and within the range of 7-10.5 inches.

Preferred: adjustable from at least 7 to 10.5 inches above seat.
Armrest width
Minimum: At least 18 inches of clearance between armrests.
Preferred: At least 18 inches of clearance between armrests and arm-rests adjust in/outwards and pivot.
Armrest shape – smooth, flat, padded with no hard edges or materials.

Value-added Features: Required
Chairs are delivered to campus assembled.
Instructions for warranty and maintenance issues are provided.
Available in fabric and vinyl.
Samples available for Ergonomic Program review and demo rooms.
Speed of delivery/quick ship.

B. Work Surfaces
Free Standing Height Adjustable Table
Basic Features
Height adjustability minimum from 22 to 48 inches. Prefer entire work surface is user height adjustable (electric or crank system) within the above range.
Width of top surface: Shall have a minimum of 48 inches of usable desk surface with a minimum of 41 inches unobstructed leg room underneath
Work surface Depth (with no obstructions for the legs): Shall be a minimum or 24 inches deep. 30 inches or more preferred
Thickness: No greater than 1.5 inches
Finish: Matte finish
Edges: Rounded front edges; no sharp corners, cut-outs, or edges
Stability: Shall be structurally rigid and stable. Shall support at least 200 pounds

Value-added Features: Required
Tables are delivered to campus assembled.
