EXHIBIT F – UC Dealer Network and Capabilities Summary

Kimball's Authorized Dealers for UC

The below list of Dealers, is current as of the signing of this Agreement. Kimball Primary Dealers assigned to the UC, may be changed by mutual agreement or per UC request, per RFP requirements. In addition, Supplier reserves the right to add or delete a UC Primary Dealer, should it be required owing to a change in Supplier's business relationship with that Dealer, necessitating the change. In that event, should the UC request it, a new Dealer, with equal capabilities, shall be established within a similar or superior, proximity to the UC(s) as was the deleted Dealer. Any change of this nature (addition or deletion), over the lifetime of this Agreement, shall be made in writing, ninety (90) days in advance of addition and/or deletion of Dealer and shall not work to the detriment of any current projects, in process with any UC Locations.

Dealer #1	**Campuses covered**		**Services Offered**	**Manufacturer showroom location(s)**

Dealer #5	**Campuses covered**		**Services Offered**	**Manufacturer showroom location(s)**
Systems Source, Inc. **530 B Street, Ste. 110** **San Diego, CA 92101** **Contact: Rosemarie Smith** **PH: 619-822-2453** **E: rsmith@systemsource.com** **Diversity: WBENC**	UCSF, UCSF Medical UC Berkley, UC Santa Cruz, UC Merced, UC Santa Barbara		Receive, Deliver, Installation, Reconfiguration, Design, Project Management, Moving services	Los Angeles, CA.

EXHIBIT G – UC Additional Terms and Conditions

1. Administrative Fees and Incentives

In addition to OMNIA Partners administrative fees associated with manufacturer's sales under this contract; 1) Supplier shall provide a UC specific rebate of 2% of manufacture's product sales to UC; 2) Dealer shall pay 2% of 'Other Manufacturer's' product sales; 3) Dealer shall pay 2% of Dealer Services to UC; such amounts to be paid quarterly, directly to the UC locations, for the duration of any contract resulting from this RFP process. The amount of quarterly rebate provided to each UC location will be calculated based on the total of product and service billed and paid for each location. Note: Each UC location will have the right to modify proposal pricing for an individual campus, up to 2%, in the event a UC location decides not to implement a rebate program. Instructions for reporting and the Contacts for Payment of Incentives, can be found at https://www.ucop.edu/procurement-services/for-suppliers/supplier-reporting-files/patronage-and-incentives-contact-list.pdf

Instructions

Respond to each question in the questionnaire sheets.

Note

Certain question types are not supported in Excel format (such types are highlighted in the template). Responses to these questions need to be provided on the application.
Data provided through this file will overwrite any existing data on the application.
* Indicates that the question is mandatory and must have a response.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Company Profiles/General Capabilities
Questionnaire Description:	Company structure, qualifications, and capabilities

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Company Profile - Provide an introduction and general description of the company's background, nature of business activities, and years of experience in providing office furniture and product support.	-	Kimball is an Amercian Manufacturer based in Indiana. Kimball has several sales and manufacturing locations throughout the United States. We manufacture private office, seating, tables, storage, and panel systems using multiple materials such as wood, metal, laminate, glass, etc. Our Office Furniture division was started in 1970 manufacturing casegoods and storage items for the work place. Since then we have evolved into systems manufacturing, metal manufacturing, and added Healthcare and patient care furniture in 2014, We continue to expand our quality offering to provide choice in the work place, in the education space and the family and patient care spaces. We partner with over 300 distribution networks throughout the county, London, Mexico, and the Middle East. We believe that space should be functional and provide comfort and well being
-	2	Proposer's Staffing and Qualifications - Indicate the name and title of the person who will have the overall account management responsibility as specified in this RFP. Provide a brief resume of the account manager's background, training, experience and length of time with the company. Specifically discuss the individual's experience in managing a program of similar size and scope as described in this RFP.	-	Upon award of contract Kimball will hire a respected and knowledgeable account manager for the entire UC System. They will be based in California and be available to all campus locations. Our intent is to hire an account manager with 5 + years experience with office, education and healthcare environments. The account manager would have design and project management experience and have an overall understanding of furniture. We would work in partnership with UC to ensure you have input regarding the right candidate.
-	3	Employee Training - Describe employee hiring requirements and training policy for any staff who would serve the UC.	-	Kimball has QR&R's (Quality Roles & Responsibilities) for each postion within our organization. We conduct panel interviews and numerically rate the candidate on job knowledge, willingness to stretch and learn, culture fit, and ethics. Kimball provides onboarding with basic training around our mission, guiding principles, ethics, work place harrassment. We also provide technology training and website training. We continue the training with products, competitive knowledge, operations and planning awareness, sales processes, and finally mastering the complex project. Non sales roles are focused on the initial onboarding plan as outlined above and then designed for the specific role they will be performing. Once an employee is proficient in their role, we cross train to other job roles to provide opportunity for growth and ability to respond to the changing needs of the market. Kimball also provides an online self training tool for employees that want to continue their education in soft skills and other areas. Kimball is in the process of redesigning our Kimball University for all new employees and employees joining our company through acquisitions. The initial roll out will be sales and product focused.
-	4	Dealer Network - Utilizing Attachment 1 - Product Categories and Dealer Network, please detail your dealer network and the nature/strength of the business relationship (e.g. are they a Primary Dealer). After completion of both Tabs, you will be asked to upload the attachment here . Note: The UC prefers to manage the fewest number of Dealers as possible, while still providing the specified high quality services to the UC locations. In addition to completing the Attachment, please provide comment here, as to your choices/rationale. Similarly, the UC desires consistency in services and related pricing.	-	*Kimball maintains strong partnerships with dealers nationwide. While considering the importance of consistency and quality, we are utilizing 12 of our strongest dealer partners to service the UC account. These dealers are already familiar with the UC account as they are a part of the current UC Contract with Kimball. The majority of these dealers are Primary dealers to most UC campuses while the remaining are equally commited to our partnership with UC while being a secondary dealer on certain campuses. These dealer partners were strategically selected to sell, service, and install UC product offerings based on their proven service capabilities, expertise, and alignment with our unwavering principles around customer satisfaction.*
-	5	Sub-contracted work - Describe any plan to subcontract portion of the work described in this RFP (example: Dealer Services vs. MFG provides All Services, Direct Factory Shipping 3rd party to customer, etc.).	-	Kimball is a manufacturer and the majority of our service model is in support of our distribution channel. However, we welcome direct customer access to our customer service, our web site, our factories (tours). The services we provide our dealers is a dedicated customer service contact, training, dedicated account managers for major projects and accounts, forums for best practice sharing, and business leadership consultations. Our dealer provide on site and order project management, design/specification, warehouseing/stroage, asset management, change management services, installation, product maintenance, repair and reupholstery, warranty services, reconfiguration, and other services as needed. Kimball provides direct to dealer or direct to customer shipping services. Freight costs are included in our product price.
-	6	Subcontractors/Suppliers - Please detail your policies, and process as it relates to the selection of subcontractors, materials providers, and/or manufacturing partners. Please include any requirements around location/country, size and/or diverse nature of their business practices.	-	Kimball specifically looks for small businesses, diversity, and most importantly the entrepreneurial spirit. We often help start up dealerships with loans or grants to supplement their start up costs. We look for a business plan that includes executive summary, dealerhsip summary, product and services plan, market analysis, sales and marketing strategy, management summary, short and long term financial plan. Our dealers sign a dealer agreement that outlines our expectations around services and performance as well our right to assist them to improve their performance if neccessary or termination. We provide onboard training on products, history, culture, technology tools, specification, anti trust, clean market rules, etc. We
-	7	Required Categories - Manufacturer must demonstrate they can supply product (5 required categories and item types) listed in Attachment 1 - Product Categories and Dealer Network to this RFP. It is located in the Attachments Section of this RFP. After completing Attachment 1 (previously uploaded into question 4 - Dealer Network), use the space here to indicate your compliance/ability to provide Proposer's manufactured product in all 5 categories (Systems, Free Standing, Storage, Seating, Tables) which align to UC Sustainability & Ergonomic requirements.	-	Kimball offers a variety of furniture that fit into all 5 categories of products the UC requires plus many more as displayed in Attachment 1.
-	8	Manufacturing Locations - Please provide the location(s) of your manufacturing plants.	-	Kimball owns manufacturing facilities in Jasper, IN and Salem, IN. Some Kimball products are also manufactured in other facilities located in High Point, NC, Archdale, NC, Baltimore, MD and Red Lion, PA.

-	9	Emergencies - What systems does your company have in place to handle emergencies in an efficient and timely manner during business and non-business hours(please include non-delivery of product)?	-	The emergency resolution process starts with an email or phone call to your dealer account manager. Working with their internal customer service team, a mutually agreed upon resolution is put in place. When needed, the dealer's leadership team may be involved. Should the issue need further attention, your Kimball account manager and customer service representation, along with their leadership contacts, are brought in, depending on the nature of the problem. Kimball manufacturing personnel may also opt make a site visit for issue identification and resolution. We continually work together to ensure your trust in our products and services. Our dedicated Kimball account managers will answer incoming calls within 10 seconds, in addition to quick responses to emails and other forms of communication. Kimball Customer Service is available by phone or email from 7:30am – 6:00pm EST. All incoming calls are routed directly to the appropriate Account Manager supporting your region. This person has the autonomy to make decisions and effectively manage all details about your project. We recognize that most of our customer contact happens through our network of trusted dealer partners, so we work closely with them to ensure that they are meeting our customer's needs. Certain Kimball dealers may have after-hours on call assistance for emergency circumstances. Working closely together, our Sales, Customer Service, and dealer partner ensure that your everyday needs and any emergency situations are met with each interaction. Our goal is to resolve issues within 24 hours. Many questions or issues can be resolved immediately, while others may take more time while we research or engage with our Product or Quality Managers.
-	10	UC Specific Implementation Plan -A Proposer is required to provide an implementation plan with their proposal, covering the items below. Proposer is requested to outline the plan as a narrative answer to this question. If needed, a supplier may provide an additional document within Supplier Attachments. This plan should align with the various facets of this RFP and should target an activation date of November 1, 2020. Any finalist will be asked to further detail this plan in a presentation to Evaluators, at the Phase II Mock-up Event. For the purposes of Phase I submittal, a proposer should more generally outline a plan and timeline for the UC, covering (minimally): o Catalog development w/ Price Discount List noting period of time needed (if any) to identify the lines that align UC Requirements (Sustainability and Ergonomics), on the Pricing Discount List o Ecommerce Integration o Campus Profile Development o Testing and Pilots o Campus Training o Marketing and Business Development	-	As a summary Kimball is able to provide the University of California a well thought out implementation plan. Part of that plan includes setting up an e-catalog in the form of a hosted catalog that is based on the standards offering of products with the ability to quote small and large projects. While utilizing an ecommerce team lead/project manager that's specific to the UC we will build this program and focus as well on the necessary training that will be needed for each campus. Each campus location will have their own campus profile that's unique to their needs. While we will use many employees to make our full plan successful(Account Managers, Finance, Training, etc.) we will rely on two key team members: Vikki Gibbs West Sales Director responsible for resources and ultimate success of our proposed service model. Rhonda Hammack, Director of Public Sector is also available as a resource and support for the UC team. Kimball will be marketing jointly with Omnia and with University of California to create a full market plan with announcements, campus events, meet and greets, and more to keep our partnership in sight on all campuses. Please see attached UC Specific Implementation Plan for full details.
-	11	Higher Ed Project References - Please detail 2 large projects, which were performed over the last 12 -18 months. This can include UC projects. Please provide basic project details; approximate size ($), scope, style of furniture used, timeline, on-time delivery and install dates, and any problems to resolve, etc. . Please provide contact information (Name and Phone Number). An attachment is provided.	-	1. Laredo College, Mr. Cesar Vela, 956-722-0521 Yeary Library - $800K, Narrate, Pairings, Villa, Dock training, Flip seating, Priority private offices, KORE tables, Wish task seating, Stature executive seating, Event seating, Joelle ottomans. Cigarroa Science Building - $700K, Dock training, Flip seating, Priority Faculty Offices, Wish task seating, Joelle lounge, Villa lounge 2. Oklahoma State University, Dr. Ken Eastman, Dean, 405-744-5075 Spears School of Business- $1M, Priority private offices and some seating
-	12	Company References - The Proposer should provide 3 non-University (i.e. UC) references that that clearly demonstrate the Proposer's proven capabilities in performing services of similar size and scope to those required by this RFP.	-	1. Charter Communications- Susie Glass, Sr. Director of Real Estate, 704-731-3133, susie.glass@charter.com 2. Uline- Tyler Igyarto, Building Services Coordinator, 262-612-4200, tigyarto@uline.com 3. Mercy Health- Kelly Dames, Manager of Facility Planning & Design, 513-952-4836, kdames@mercy.com
-	13	Ecommerce #1 - Capabilities 1- Are you currently eCommerce ready?	-	Yes .
-	14	Ecommerce #2 Current Capabilities- Noting this capability is a requirement of any awarded Supplier, within 18 months of contract signing, we ask you to describe the e-commerce capabilities that can be currently provided through you and/or your 'primary' dealers. Please specify your capabilities in the following: (1) catalog type- hosted and/or punchout (2) PO Transmission method (3) Invoice transmission method. If you are not currently e-Commerce ready, when do you plan to be? Please specify your planned capabilities in the following: (1) catalog type- hosted and/or punchout (2) PO Transmission method (3) Invoice transmission method. Please reference Guidelines/Prerequisites Section of this RFP for description of UC e-commerce preferred requirements.	-	1. Punchout is the catalog type utilized 2. The PO transmission method used is cXML 3. Invoicing will be made on the marketplaces (Jaggaer, Ariba, etc.) by flipping the orders.
-	15	Ecommerce #3 Capabilities - Please detail your or your dealer's Invoicing capabilities. Address electronic (cXML or EDI) or other paperless processes you support.	-	Kimball currenthly supports EDI and cXML invoicing options with our dealers.
-	16	E-Commerce #4 Platforms - Please specify which eCommerce platforms you have integrated with, e.g. Jaggaer, Ariba, Oracle?	-	Kimball's eCommerce platform has integrated with Jaggaer, Abira, and PeopleSoft. They are equipped to integrate with potentially any platform that supports cXML
-	17	E-Commerce #5 Platform Responsibility- Is your eCommerce platform provided and maintained by you, your dealers or a 3rd party? If provided by your dealers, how many different platforms would we be integrating with?	-	The eCommerce platform Kimball uses is provided by a 3rd party called SnapTracker. Our dealers will familiarize themselves with the platform to be able to service the University with your e-procurement initiatives.

-	18	Ecommerce #6 Quote Retrieval Functionality: A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.	-	The eCommerce platform Kimball uses has this capability. The dealer will upload a .sif file which is then turned into a quote for the University to pull onto the marketplace platform as a requisition.
-	19	Ecommerce #7 -Configurable Items- Does your platform support custom configuration of items (e.g. fabric choice), within the punchout shopping experience? Please describe how this is passed back to the eCommerce system and is it customizable for the customer's needs (change wording)	-	Yes, the platform currently used supports custom configuration of items. This is customizable based on the University's needs of what items you would like to purchase or may be standardized on.
-	20	Ecommerce # 8 Sustainability Flag- Does your platform provide the ability to flag given products, denoting particular qualifications (e.g. recycled content) within the shopping experience? Can the flags also be passed back to the eCommerce system's shopping cart? Please provide details regarding your capabilities.	-	Sustainability classifications that are tracked by Kimball can be included at a product level within our e-commerce platform. Kimball will work directly with the you to custom fit the e-commerce solution.
-	21	Invoice Detail - Are you, through your primary Dealers, currently capable of detailing charges for project management, design services, and installation (i.e. labor hr. and rates) on any invoices provided to UC? Please describe and provide an example within supplier Attachments, if possible. Can this detail be extracted/identified in your reporting?	-	When invoiced by Kimball, dealer services are by line item without detail (labor hours, rates, etc.). Sample copy is attached. Our dealers provide the service details on their quotes to the campuses and may also have the ability to add it to the invoices when the PO is made out to them. For Kimball invoiced orders, services are set up as "model number" so that it can be easily pulled in and identified on quarterly reports.
-	22	Payment Method - Please specify ALL of the payment methods you accept and state your preferred method. Payment methods are: Ghost/P-card, Virtual Card, ACH or Check. Additionally, have you specifically worked with Payment Plus (US Bank virtual card service) or PaymodeX (ACH service).	-	Kimball is able to accept the following payment methods: Ghost/P-Card, ACH, or check. ACH is the most commonly used.
-	23	NATIONAL PROGRAM Exhibit A – Response for National Cooperative Contract: This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A Questionnaire refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level to serve Participating Public Agencies through OMNIA Partners. A proposer must complete each question within the attached form.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	24	NATIONAL PROGRAM - Exhibit F - Federal Funds Certifications – The Federal Funds Certifications form benefits participating agencies seeking to use federal funds to purchase under the resulting Master Agreement. Proposers must read, complete form and submit.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	25	NATIONAL PROGRAM Exhibit G - New Jersey Business – Proposers intending to do business in the state of New Jersey must comply with the policies and procedures required under New Jersey Statues. Proposers must fill this out this form.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	26	NATIONAL PROPGRAM Breadth of Product - Utilizing input from Attachment 1, please state your TOTAL number of Furniture Categories offered and your TOTAL number of Product Items offered for a National Program (meeting Ergonomic Requirements but not required to meet UC Sustainability Requirements).	-	Kimball offers 560 items that fall into the appropriate product categories while 405 of those items meet the Ergonomic requirements.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Program Pricing Responses
Questionnaire Description:	Attachment #2 - Pricing

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Attachment 2 Upload -Proposer is instructed to complete Tabs 1 through 3 of Attachment #2 - Pricing - Product and Service (provided in Attachments Section) and upload here . If needed, you may provide comment.	-	
-	2	Sample Project Quote - Proposer shall produce a quote for the Sample Project, as outlined in Attachment #2 - Pricing - Product and Service, Tab 4, per instructions and parameters provided and showing appropriate breakouts for labor, etc., as detailed within the RFP. Proposer should then supply narrative concerning the quote.	-	
-	3	Sample Project Invoice - Proposer shall produce an invoice for the Sample Project, as outlined in Attachment #2 - Pricing - Product and Service, Tab 4, per instructions and parameters provided and showing appropriate breakouts for labor, etc., as detailed within the RFP. Proposer should then supply narrative concerning the invoice.	-	

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Sustainability
Questionnaire Description:	xxxxx

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	UC Policy Review - UC has recently issued a revision of their Sustainable Procurement Policy, which has goals & minimum standards related to the furniture commodity. This information is available to you on Exhibit 4 showing excerpts as well as links. Please indicate these were thoroughly reviewed by you, prior to answering questions.	-	Yes
-	2	Does you have publicly declared carbon, water, and waste reduction goals and does your company track and publicly report on meeting those goals? If so, describe the scope of each of these initiatives and describe your progress in meeting your goals, using quantitative details.	-	Kimball tracks and reports our greenhouse gas (GHG) emissions through the Carbon Disclosure Project. Our waste to landfill has resulted in a 39% year to date reduction due to our efforts and internal Corporate Recyling Center. Water usage is a primary key performance index in our resource management and Kimball has achieved year-over-year decreases for the last 9 years. We continually monitor our standards and are always looking to improve and elevate environmental initiatives on a yearly basis.
-	3	Does your company offer, or are you planning to offer, carbon neutral products? If so, what is the scope and timeline for the offering and how is a carbon neutral product defined? (e.g. manufacturing only or manufacturing and supply-chain or other)	-	Many of the products we offer use wood as a major component. Materials such as MDF, particleboard, and soft plywood used in lounge and seating products are considered climate neutral materials. This fact has been determined by the Composite Panel Association (CPA) and the American Wood Council through the completion of industry LCA's and the development of industry Environmental Product Declaration (EPD). Industry EPDs for these materials indicate carbon sequestering in the wood content exceeds the amount of greenhouse gas emissions (GHG) associated with the boundary and scope of the assessments more than 2:1 times. Based upon the data found in the 3rd party verified studies, it can be determined these materials are deemed to be not only climate neutral, but climate positive.
-	4	Is your company a signatory to the UN Global Compact?	-	Kimball is not a signatory to the UN Global Compact. We adhere to or surpass all regulations, general industry standards, various furniture industry standards, along with any specifications we establish in support of programs we manage, or certifications we hold as Kimball. We are committed to not only meeting current environmental and social standards, but also setting new ones. Our employees, customers, and communities have shaped our culture, and we believe that together we can create a better world.
-	5	Are any of the furniture manufacturer's supply chain manufacturing factories/facilities SA8000-certified? If yes, list the quantity and percent of certified facilities within their supply chain.	-	Although Kimball is not SA8000 certified, we ensure human rights are valued and respected in our own manufacturing facilities, as well as our supply chain. Relative to labor and human rights, we have basic survey questions that are asked of our suppliers, and on site visits are conducted before we engage in formal business relationships with suppliers. They are also visited periodically and as needed.
-	6	Packaging - After reviewing policy and guidelines, please discuss any use of 'packaging foam,' as defined by the UC in Exhibit 4 of the RFP Event Summary document. Include details as to how your team will manage the product packaging/shipping materials during installation to ensure product packaging/shipping materials are not landfilled.	-	Kimball is replacing traditional synthetic materials wherever possible. We've eliminated almost all polystyrene packaging, replacing it with paper. These paper products are 100% recyclable.... After reviewing the "packaging foam" section in Exhibit 4, it was determined Kimball still occasionally uses polyethlyene foam when packaging some seating products. Majority of the foam used is Instapak® which is a plant based formulation. Instapak® foam makes an immediate positive impact on both the environment and our customers' bottom lines through superior performance and reduction of material usage. Instapak®can be diverted from landfills via a worldwide foam return program.
-	7	Redeployment - Explain if you can provide (through primary dealers) any programs to assist with redeployment of existing product, including any storage or tracking for that purpose. Please begin by noting the items that can be provided free of charge and finish with any services for which there are charges associated.	-	Our primary dealers offer storage management and asset management software tracking devices for customers who want to redeploy assets with the organization or to other users who may be outside the organization. The scope of these projects is determined by customer objective and are quoted individually based on the scope provided. Typically the initial walkthrough is included at no charge. One of our primary dealers uses a SnapTracker, which is their web-based asset management solution that tracks and manages your assets from purchasing and deployment to refurbishing or disposal. They subcontract companies for warehousing/storage that can accommodate and hold any overhead product. For these services the University will be charged per square foot. These programs include resale, repurpose, and recycling of products with an added option of converting waste to clean energy.
-	8	End of life - Any Proposer awarded a contract as a result of this RFP, will be required to offer a version of an end-of-life take-back or re-use program to the UC, for a reasonable added cost. A supplier is requested to detail that program here and to state the cost or if it would be offered 'Free of Charge'. Examples would be programs promoting the reuse of old product (i.e. recycling, take-back program for restoration or resale, or a section within UC 'punch-out' (e-procurement integration with your website) for available product pieces, timeframe, and contact which can be posted by the UC). Describe how the system is designed to minimize waste to landfills at the end of its useful life. Give a specific example of how the system can be easily recycled. If the manufacturer has a product-take-back program provide program details as to how it works, costs, logistics, etc.	-	Upon award of a contract, Kimball will discuss and collaborate to create a custom plan for end of life product take-back programs for the needs of the University of California campuses. Kimball products can be disassembled without special tools, and materials separated and sent for recycling. Our 'Material Recovery Opportunities' document is available on our website (see attached document), which provides high-level summary information about solid waste management for furniture materials. This information was developed to aid in determining disposal options and recovery values for recycled materials. *upload material recovery opportunies from website as attachment*

-	9	Parts Sales - A proposer is required to offer/sell parts for your products to use in UC in-house repairs. Do you provide them on all lines or limited lines? Provide specific examples, including what can easily be replaced/repaired on-site. How many years after production ends, do you continue to offer these? what is your standard mark-up on these parts and/or method of pricing? Do you encourage those purchases by providing a discount structure?	-	Kimball offers service parts for almost all of our products. A specific example of an item that is easily replaceable would be chair parts such as casters, arms, and arm pads. Kimball offers touch up paints and wood markers for items to be easily repaired and touched up in the field to cause minimal disruption as possible. If the service part does not exsist or has been discontinued and the product is still within warranty, we will replace with a comparable unit. Service parts are typically not discounted.
-	10	LEED/BIFMA - In alignment with the UC's Green Building Policy, all new buildings are required to achieve a minimum of LEED Silver certification, with a goal of LEED Gold certification, including MRc4. Describe your company's experience working with project teams in providing LEED-related product compliance documentation, both for MR(v4) and EQ credits. The successful Proposer will be expected to be a partner in ensuring project furniture contributes to achieving applicable LEED MR v4 and EQ credit criteria, including the MR v4 Building Product Disclosure and Optimization credits. Who from your company will be the point of contact for these projects and what is their experience in supporting LEED v4 compliance and documentation requests? Does either point of contact have experience supporting WELL or other green building projects?	-	Kimball products meet Indoor Advantage program requirements and are third party certified by SCS Global Services (SCS) to the BIFMA Furniture Emissions Standards and LEED ® requirements. Our products can also contribute to LEED certification credits through Materials & Resources, Indoor Environmental Quality, and LEED Pilot Credits. The process to connect the University of California with our contact with LEED and WELL experience will be to contact the dedicated account manager, who will then contact our R&D team, who will help provide compliance and documentation requests.
-	11	Certifications/Other - Please detail all third party certifications or documentation (as listed on Exhibit 4) are available for each product line. Describe your company's capability to provide material ingredient disclosure documentation (MID or HPD) and Environmental Product Declarations (EPDs) for up to 5 high-volume furniture products for the listed in UC Program Pricing/Product Cost Matrix.	-	Almost all products proposed meet Healthier Hospitals Initiative Safer Chemicals Challenge and are SCS Indoor Advantage Gold cerified. Most Kimball products are BIFMA Level 2 or 3 certified with a few exceptions. Within a mutually agreed upon timeframe, Kimball will provide a summary report containing all known chemicals intentionally added and reported on available Safety Data Sheets (SDS) for each material contained in the finished product(s) that are available to the Customer. The summary report will address all substrates and surface treatments exclusive of fabrics and textiles which are controlled by the Customer selection process and beyond the authoritative controls of the Supplier. Due to intellectual property and proprietary nature of some materials' chemistry, the summary shall not list the percentage of chemical contained in a specific material.
-	12	Chemicals of Concern - As specified in Exhibit 4, the University has specific Sustainability requirements for furniture. Describe how you plan to ensure that products sold under the resulting price agreement will comply with these and other mandatory criteria contained in Exhibit 4. Describe how your company verifies products are free of added flame retardant chemicals (except electrical components). Include any references to internal or third-party testing, supplier disclosure protocols, etc. As part of your answer, address how you will direct end-users to core material, textile, and surface options that comply with the Sustainability requirements.	-	Since almost all Kimball products proposed meet the minimum requirements, it will be easy for the University of California to source products from us that are sustainable. We will make certain our dealer partners are knowledgeable and understand the requirements as well. When conducting chemical evaluations, we use our knowledge of business operations and chemicals used. Authoritative lists are reviewed, such as HHI and Prop65, to determine whether products are likely to expose individuals to any listed chemicals. This is done by reviewing product information such as bill of materials, gathering Safety Data Sheets to determine the quantity of the chemical in the material, and reviewing supplier provided formulations and declarations, using protocols (such as Pharos, GreenScreen, etc.) to identify hazards and alternatives. Kimball's plan to direct the end user to options that comply with the sustainability requirements is to send the customer to the SCS website or BIFMA Level website so they can see all products listed on the third party's program website. If there are any restrictions, it will be noted on the certificate.
-	13	FSC Certified Wood - It is the preference of the University that all wood-based products, substrates, and veneers not contain any arsenic-treated wood, tropical hardwood or virgin redwood. It is also preferred that seating with wood-based components including composite wood products in the furniture product, including plywood and engineered wood/medium-density fiberboard (MDF) contain only Forest Stewardship Council (FSC) certified wood. REQUEST: 1) Please indicate the percentage of items listed on Attachment #1 that are available with FSC certified wood components or finishes (as applicable); 2) Please indicate if any items proposed on Attachment #2, Tab 3 and Tab 4 that do not meet this preferred specification; 3) Indicate whether the FSC certified wood is standard or is available as an option. If optional, indicate typical percent price premium over the standard	-	Kimball aligns to the principles of the FSC standard Controlled Wood Standard. We have completed risk assessments addressing criteria such as; Illegally harvested wood, wood harvested in violation of traditional and civil rights, wood harvested in forests where High Conservation Values are threatended by management activities, Wood harvested from natural forests that were converted to non-forest uses, wood from genetically modified trees.
-	14	Provide information on any other sustainability innovations applicable to your proposal you think the University should know about.	-	To improve environmental performance, Kimball incorporates environmental thinking into the entire life cycle of our products. Our aim is to minimize harmful environmental aspects without forfeiting the quality or aesthetic of our products. Kimball products are fabricated from wood, glass, metal, and aluminum. Many of our materials have high recycled contents up to 90%. We are committed to using low-emission adhesives, paints and wood finishes. We use water-based adhesives where possible and powder-coat paints on metals. Our environmental program involves the commitment to exceed customer expectations and to fully comply with Federal, State and Local environmental regulations. Within the design and production of product, in collaboration with our customers and suppliers, we strive to eliminate pollution generated at the source, to use renewable materials and to maximize the reclamation and recycling of materials to minimize adverse impact on the environment. All Kimball International manufacturing locations have implemented an Environmental Management System (EMS) and nearly all of these locations have achieved third party ISO 14001 registration, the global standard for environmental protection and commitment to continuous improvement. The ISO 14001 Environmental Management System requires continuous improvement initiatives to reduce impacts on the environment. We continually monitor our standards and are always looking to improve and elevate environmental initiatives on a yearly basis. Kimball has published an annual Corporate Sustainability Report for the past 10 years, which is publicly available on our website (see attached document for most recent CSR). We also report our Greenhouse Gas GHG emissions through the Carbon Disclosure Project CDP. Various Kimball manufacturing facilities use a wood reclamation system. Wood waste is used to provide steam for heating the building and various manufacturing processes. When purchasing new equipment, energy consumption and waste recycling is a large factor for consideration, along with energy efficient features, such as soft-start and variable speed motors. Kimball's continued commitment to sustainability includes participating in Kimball International's onsite corporate recycling center which recycles 62 different items in more than 15 categories. Products recycled include steel, aluminum, glass, oil, fabric, toner cartridges, plastics, wood, cardboard and electronic equipment, and other materials.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Pricing Terms and Product
Questionnaire Description:	Breadth of product, warranty, and discounts

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	UC Breadth of Product -UC Minimum and Preferred - After reviewing policy and guidelines on RFP Exhibit 4, please populate Attachment 1 - Product Categories and Dealer Services, to detail which categories of furniture you can supply, which meet the Minimum and Preferred Sustainability Requirements and in alignment with Ergonomic standards. NOTE: This attachment has 2 Tabs and was uploaded in previously in Section 2, Q:4 . For the purposes of this question, please state here your number of products (within the 5 required categories) meeting 'Minimum' and number meeting 'Preferred' levels; both to comply UC Ergonomic Standards. If desired, you may also state (seperately) the number of products wihtin other categories meeting those requirements, where applicable.	-	Kimball has 376 product categories meeting minimum and preferred levels of Ergonomic Standards. Kimball has 405 items total including items that fall into the other categories listed.
-	2	Volume Discount – For discounting purposes, how do you define a project? Is the UC able to combine large, planned purchases by different projects/PMs, but happening on the same campus, during the same/similar time period?	-	Typically projects are defined as quoting furniture for a specific customer for a specific location over a certain amount of time. Kimball is willing to negotiate combining large, planned purchases for the same campus happening during the same time period.
-	3	Warranty –A minimum warranty of ten (10) years will apply to 'Seating", with a minimum of five (5) years applicable to all 'other' product. Upholstery is an exception and shall be warrantied for at least three (3) years. Please detail your warranty program and the percentage of your products which are warrantied for longer than the requirement (e.g. % of seating exceeding 10 years and % of all 'other' product, exceeding or ten (10) years).	-	Kimball stands behind the craftsmanship of our products. When brought to our attention, we will address warranty issues quickly and effectively. Kimball warrants that its products are free from defects in materials and workmanship given normal use and care for a lifetime of single-shift service. 96% of Kimball's seating line exceeds a 10 year warranty with a limited lifetime warranty. Pep and Poly seating lines carry a 10 year
-	4	Savings - In addition to unit pricing improvements and more aggressive discounts to the UC, discuss other ways in which your firm can help the UC reduce hard dollar costs.	-	The Kimball sales team will work closely with our dealer partner and the University of California to ensure we are offing the best product solution that are efficient and effective as well as keeps product costs at the forefront. Kimball has a wide array of product offerings allowing us to offer multiple solutions at various price points. Kimball's internal Product Application Specialists work in conjunction with our dealer partners to provide additional value engineering and specification opportunities to drive an increase in savings. Another way we try to increase savings is by creating a clear installation plan that will help us cut costs and labor. Our goal is to ship products in the order we need to install them while best utilizing each installer to complete the project in the shortest time period possible. With this process we are limiting downtime and disruption. The clear description and specification of work to be completed will allow for a properly implemented installation process.
-	5	Open and Collaborative Spaces - Some departments at various campuses, have utilized open (or smaller) workspaces and/or collaborative spaces. If applicable to your business please comment on that trend, along with your developments in that area and any proposed solutions to the challenges created, such as noise abatement.	-	Kimball has recognized the need to design our products to compliment the latest student-centered design trends in higher education and work spaces. We have seen the integration of technology and the advent of anytime-anyplace learning, and have adapted our offerings to match. Kimball has realized that learning styles have become active, experiential and inquiry based while teaching styles have become

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Services
Questionnaire Description:	Supplier Service Details

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Training - Understanding that Training is required "Fee of Charge", Please detail your approach to training for an organization such as ours.	-	Our approach would include an initial assessment and planning meeting which would encompass types of training needed, preferred, developing the why, whom, how and when necessary, by when. Our training ranges from furniture process technology, product, process, soft skills, ergonomic, and continuing education units for the architects and designers. Our delivery methods include formal classroom, webinars, on- line recorded sessions, on -line videos, on line literature, assembly instructions and more. We have can provide training through our account manager, dealer team, and corporate team as needed. IF special requirements are identified and special training resources are needed, Kimball and our dealer partners will work on a plan of delivery at no or low cost to the University. The university always has the option to visit the manufacturing locations and headquarters for additional in depth training.
-	2	Services Offered -Please detail here, the services (i.e. Space Planning & Design Services, Project Management, Installation Services, other) you can offer through Primary Dealers who would serve the UC (further detail on what was listed briefly in Attachment 1 - Product Categories and Dealers).	-	Space planning & Design services – Dealers have a full design staff and can provide space planning and furniture specification. This team would also assist with the reconfiguration services provided, creating new layouts, providing parts list of additional parts needed, etc. Project Management – Dealers have a full project management team who can help with managing project timelines, construction coordination, relocation timeline, etc. Installation Services – Most dealers have their own warehouse space to receive, store, and then send out for installation. Moving / Storage – Most dealers have their own in-house moving staff to take items and move them across the room or across the city. Some have warehousing for storage accounts with climate control and security.
-	3	Services included FOC: Please detail the services provided by your company and/or through your Primary Dealers, which are 'free of charge' (e.g. seating samples at no cost for customer evaluation).	-	Initial walk through Quotes for services excluding furniture Seating samples
-	4	Install/Prevailing Wage - Please describe your company's process for the application of prevailing wage to installation services. Please detail your company guidelines and assistance provided to customers such as the UC (Public entities/customers). Please include: • Company DIR annual registration/CSLB D34 Contractor license and DIR Payroll entries • Communications with your customer/method of determination, as to when and where to apply PW • Practices that eliminate risk and provide transparency of all related charges on invoices • Any documented standard practices that can both, remove risk and limit the misapplication of PW labor charges for non-PW deliveries	-	Prevailing wage will be paid by Master, Lead, and installer wages listed on the DIR by location. Kimball dealers are required to register and maintain active DIR registrations. Any installation subcontractors are also responsible for registering and maintaining active DIR registrations. All jobs before quote will be clarified if Prevailing Wage applies based on University of California guidelines – Each job is quoted individually.
-	5	Returns - Please describe the returns policy and procedures of primary Dealers relative to Restocking or Shipping Charges, as well as, any needed returns owing to an error made by the mfg. or dealer.	-	Most of our products are made-to-order, not stocked items to be returned. However, we do have a process for some items that are available from stock. Customer Service will work through this process with the dealer to ensure that the product is in its original cartoning without damage, and there may be costs involved with return freight, handling, and/or re-stocking fee. Each of these scenarios is reviewed on a case-by-case basis, although

-	6	Customer Service - Please describe customer service-satisfaction protocol or standards and any metrics to measure performance.	-	Our ultimate goal is Customer Satisfaction, which encompasses a variety of inputs. We monitor call volumes, turnaround times, and general activity levels. Our most critical measures are at the Operations level, to include on time shipment and Quality performance. We also recognize that most of our customer contact happens through our dealer partner, so we work closely with them to ensure that they are meeting our customers' needs. Our goal is to resolve issues within 24 hours. Many questions or issues can be resolved immediately, while others may take more time while we research or engage with our Product or Quality Managers. All incoming calls are routed directly to the appropriate Account Manager supporting the University. This person has the autonomy to make decisions and effectively manage all details about your projects.
-	7	Sample Furniture/Ergo Lab - Will you provide delivery of demonstration items to potential end users or provide samples to ergonomics programs for evaluation and use in Ergo Labs or seating samples at no cost for customer evaluation? Is this free of charge? Please detail.	-	Yes, within reason, Kimball will provide ergonomic solutions for evaluation and education free of charge. We work with each campus or with the UC system as a whole to develop a yearly budget for testing and education.
-	8	Ergo Collaboration - Will you collaborate with UC ergonomist to 1) consult on strategic initiatives 2) provide mechanism to collect product feedback and recommendations for potential applications to future product development and modification 3) provide task seating tutorials and ergonomic recommendations, is this free of charge. Please detail	-	Yes, Kimball and our dealers have the capability to consult on strategic initiatives, partner with the latest technology and smart tools to collect data, feedback and or observation to make product recommendations. We often involve our customers in new product development and have the capability to design and produce customer unique or customer specific solutions. Often we have hang tags with user instructions and user videos
-	9	Ergonomic Considerations: UC has issued system-wide criteria for certain product categories which have minimum, preferred, and value added standards. (see RFP Exhibit 5) Describe how you or your primary dealers will engage with the ergonomics programs at each UC location.	-	It is never too early to involve the ergonomist in your new projects. Preventive ergonomics includes involvement with design projects and providing advice to departments on how to create safe work environments for their employees. Kimball and our dealers want to ensure that UCSF work environments are created to support environmental stewardship, employee safety, health, productivity and efficient movement–often within limited and shared spaces. Kimball has reviewed UC's ergonomic furniture suppliers. We have worked with all four on previous projects and do no anticipate any issues with the UC contract. We often work with other manufacturers and their dealers to provide a seamless solution to our customers.
-	10	Quick Ship: Describe your company's ability to address "quick ship" customer delivery. Please include what you consider to be "Quick Ship" is defined as delivery to the customer of a broad array of products (e.g. within ten (10) business days or 1-2 weeks following issuance of a purchase order) Can you meet a 2, 5, 10 day lead times and for which products?	-	Kimball provides value-add to growing organizations by offering our Kwik Office quick-ship program to facilitate your rapid turnaround needs. Our expedited program offering is about getting you up and running and down to business fast, all with the solution set you need. Kwik Office Seating products are available to ship within five business days upon receipt of a credit-approved order. Kwik Office Casegoods, Systems, Tables, and Metal Filing products are available to ship within ten business days upon receipt of a credit approved order. Order Size: The Kwik Office program has a limited weekly volume capacity, with orders being entered on a first come, first served basis at no additional charge. Casegoods, Systems, & Metal Filing orders, individually, may not exceed $100,000 list. Consult your Customer Service Team for any seating order with more than 20 of a specific model. Production schedules will be verified to ensure shipment within the noted time period.
-	11	Describe how as a dealer your company Field verifies critical dimensions/site conditions to be considered during systems specification process using DESIGNERS (not sales reps)?	-	Our design staff reports to the job site, checks all measurements, and bases furniture layouts on actual space dimensions and power/data locations.
-	12	State how you will provide order management including acknowledgement review/verification, change-order management, order expediting and scheduling.	-	Our goal is to deliver a remarkable customer experience that starts with the first point of contact and continues beyond the final stages of each project installation. The Kimball team works closely with our dealer partner and extensive technology tools to ensure order accuracy, complete project scheduling, order shipments. Each order is submitted via EDI to reduce errors, then reviewed by Kimball and the Dealer. Changes can be made within the first three days after order submittal via a request between the Account manager at the dealership and Kimball. The Kimball Account Manager and dealer work through a delivery schedule to ensure each order and project is completed successfully and on time. The UC account will have a dedicated Kimball Account Manager and dealer contact, with autonomy to make decisions and effectively manage everything related to your project. Please see attached Kimball Office Project Flow for more details on the quote, order, and changes processes.
-	13	State how you will coordinate with all appropriate trades to ensure proper interface between building systems and any power or cabling to be distributed by furniture.	-	We will work with UC's ITS dept and facilities group about power/data requirements and determine timelines, etc.
-	14	Describe ability to schedule and meet furniture deliveries at job site.	-	Our dealer project managers work closely with our manufacturing based account manager to schedule and align production of our customer's orders with delivery/installation dates. We are communicating daily on status and problem solving where necessary. Kimball has a 98% on time shipment and delivery.
-	15	Describe ability to inspect and confirm quantities (as per manifest) and condition of product as it arrives.	-	Our full warehouse staff checks every piece in a shipment into the warehouse. Then, the installers check everything back out when go to installation. The design team checks everything to ensure all parts have been received and tracks down anything that's missing .

-	16	Describe ability to prepare proper forms and provide required documentation for damaged goods or missing product.	-	We have standard punchlist forms and walkthrough procedures with the end users at project completion. Each project manager will provide a spread sheet or word document with the items on the punch list, action necessary, and dates to be completed. The PM will review with the customer. If product is damaged during transit, the Architect has worked with many customers in partnership with our dealers and product development (if necessary) to develop customer specific standards through solution ideation, typical development, reasonable options, customer specific IPDF files to be user friendly and communicate visually the look and feel. We revisit the standards yearly for relevance and updating.
-	17	Campus Standards - Do you have the capability to work with campuses to develop furniture typicals, custom and product catalogs? Such typicals and products selected may serve as University standards.	-	
-	18	Describe your internal management system and protocols for processing orders from point of customer contact (i.e. concept/design) through delivery and billing. How long does it take your firm to provide final drawings and pricing?	-	Standard turn around time for drawings and quote is 1-2 weeks, varying based on project size, scope of work, and work load at the time. Our design team has a full procedure list starting from first contact to initial meeting to field verification, furniture layouts and order placement.
-	19	Repair and related Services- Do you offer regular, onsite repair services (non-warranty)? Do you offer cleaning or upholstery services that can be done on-site?	-	We can provide all of these services at a billable rate.

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1

Requirement

The University of California (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Office Furniture and Related Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $200 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Contract if the purchase order is issued prior to the expiration of the Contract. Supplier is responsible for reporting all sales and paying the

applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.1 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.2 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, when informed by a Participating Agency that they are a OMNIA Partners member, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

Kimball proposes the above additional language in Section 2.1 "Corporate Commitment" in red.

2.3 Pricing Commitment

~~Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net-to-buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lowerpricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.~~

Kimball proposes to delete the language in Section 2.2 "Pricing Commitment".

Commitment of Exhibit A, Section 2.2. In lieu of such pricing commitment, Kimball commits as follows: Supplier (Kimball) agrees that, considering a Representative Total Usage, the pricing offered under the Master Agreement is lower than the overall available pricing for any public sector national or multistate cooperative or group purchasing agreement, excluding GSA, federal government, and healthcare group purchasing organization sales ("Public Agency Cooperative"), that enters into a separate written agreement directly with Supplier comparable contract, as further provided herein. A Comparable Contract is a written agreement entered into after the Effective date of the Master Agreement that contains similar terms and conditions, concerns a Public Agency Cooperative with the same approximate spending pattern and product mix, and provides for similar delivery and payment conditions. "Representative Total Usage" shall mean the total purchase for a consecutive six (6) month period (inclusive of any fees, rebates, and other charges and discounts and exclusive of any restricted items) of the top ten (10) OMNIA Partners customers utilizing Supplier as their primary vendor for the products and services offered under the Master Agreement, as determined by Supplier. If, during the term of this Master Agreement, OMNIA Partners becomes aware that its pricing may be higher than a Comparable Contract, as set forth above, OMNIA Partners may request an aggregate price comparison analysis of this Master Agreement (using the Representative Total Usage) against the Comparable Contract. If such aggregate price comparison analysis indicates that the Comparable Contract pricing is more favorable, upon the request of OMNIA Partners, Supplier will agree to renegotiate in good faith the pricing terms of this Master Agreement.

Kimball Office Inc. requests the proposed language in Section 2.2 "Pricing Commitment" in red.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.1 SUPPLIER RESPONSE

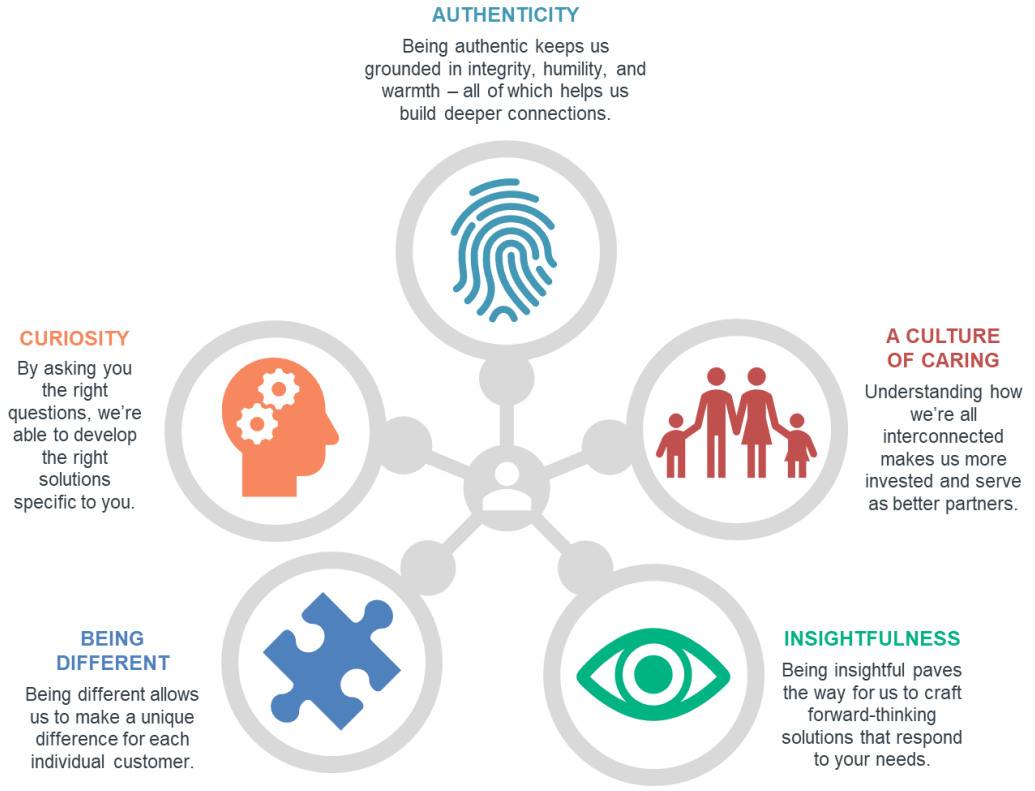
Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.2 Company

A. Brief history and description of Supplier.

Kimball's passion for craftsmanship has grown into a love for helping you work your way.

Kimball is a business unit of Kimball International Inc. Kimball offers a variety of furniture and furnishings for the commercial, government, healthcare, and education markets including award-winning desks, storage, tables, seating, systems, accessories and filing products.



While trends may come and go, we have a longstanding history of being able evolve. To embrace what's new and take it to the next level. To apply modern craft to problem-solving designs in a way that supports the way people want to work. And while what we makeand how we make it will continue to advance, our purpose remains constant — to craft what's next so everyone can perform at their best.

The workplace isn't the space it was when we started in 1949. Our core values, quest for quality and heritage in craftsmanship are still at the heart of our business, but our definition of craftsmanship has evolved over time.

Our ultimate goal is to provide relevant solutions that carry workplaces into the future. Together, with our partners, we will continue to anticipate changes in how people work and design solutions for a successful workplace.

From our origins as a piano and television cabinet makers to one of today's leading furniture companies, our purpose has remained constant—to help people achieve their potential in their own, unique way.

Kimball®

We're able to redefine spaces that allow you to work your way.

Our ability to adapt has taught us one valuable lesson – no one has all the answers. That's why we keep good company, partnering with prominent designers and industry thought leaders who collectively know where the future of work is heading. We actively listen to our people, our customers, and our brilliant partners – inviting collaborative discussions that challenge what's familiar and inspire fresh ideas. We're always considering new possibilities, sharing ideas, and bringing people, technology, space and work process into harmony. By empowering everyone along the way, we're able to recognize and address unmet needs.

Risk Assessment

Overall Business Risk

LOW	LOW-MODERATE	MODERATE	MODERATE-HIGH	HIGH

Maximum Credit Recommendation

US$ 3,500,000

The recommended limit is based on a moderately low probability of severe delinquency.

Dun & Bradstreet Thinks...

- Overall assessment of this organization over the next 12 months: **SOME-FINANCIAL-STRESS-CONCERNS**
- Based on the predicted risk of business discontinuation: **MODERATELY-HIGHER-THAN-AVERAGE-RISK-OF-FINANCIAL-STRESS**
- Based on the predicted risk of severely delinquent payments: **MODERATE POTENTIAL FOR SEVERELY DELINQUENT PAYMENTS**

D&B Viability Rating

Portfolio Comparison Score

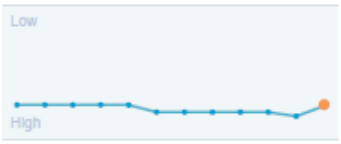
4

Low Risk (1) — High Risk (9)

Company's risk level is: LOW

Probability that a company will go out of business, become dormant/inactive, or file for bankruptcy/insolvency within the next 12 months: **4.00 %**

Risk of Bad Debt Write-off (also known as the Failure Score)



18

Low Risk (100) — High Risk (1)

Company's risk level is: MODERATE-HIGH

Based on the D&B Failure Score, the probability of failure for this company in the next 12 months is **0.76 %** , which makes it a Moderate-High risk for you to incur a write-off.

Past 12 Months

Cash Flow Risk (also known as the Delinquency Score)

65

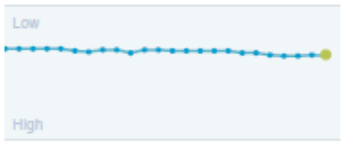
Low Risk (100) — High Risk (1)

Company's risk level is: MODERATE

Based on the D&B Delinquency Score reporting a payment behavior of **INCONSISTENT AND/OR SLOWER PAYMENTS** , this company is predicted to have a Moderate risk of a negative impact to your cash flow.

Past 12 Months

Payment Behavior



67

Low Risk (100) High Risk (0)

Company's risk level is: LOW-MODERATE

Days Beyond Terms : **18**
Based on a D&B PAYDEX® of 67
According to the D&B PAYDEX® Score, this company paid its vendors on 18 days beyond credit terms.

F. Describe any green or environmental initiatives or policies.

SUSTAINABILITY

Kimball Office Inc. has a long history as an environmentally sensitive company. From our Company's inception as a wood furniture manufacturer, relying on nature's resources to create our products, the ideas of conservation and sustainability, of sensitivity toward our environment, have been deeply ingrained in our culture. Concern for our environment and "leading by example" in the promotion of environmentally responsible business practices is something that Kimball Office Inc. believes in as part of our corporate philosophies. Kimball Office Inc.'s sustainability practices include initiatives to reduce water usage, solid waste generation, VOC emissions, hazardous waste materials and Greenhouse Gases. Environmental goals are set and results measured against benchmarks.

Environmental

Kimball Office Inc. is dedicated to continued excellence, leadership and stewardship in protecting the environment, the health and safety of our employees and the members of the communities in which we work and live. Our commitment is to exceed customer expectations and to fully comply with Federal, State and Local environmental regulations. Within the design and production of product, in collaboration with our customers and suppliers, we strive to eliminate pollution generated at the source, to use renewable materials and to maximize the reclamation and recycling of materials to minimize adverse impact on the environment.

All Kimball Office Inc. manufacturing locations have implemented an Environmental Management System (EMS) and nearly all of these locations have achieved third party ISO 14001 registration, the global standard for environmental protection and commitment to continuous improvement. The ISO 14001 Environmental Management System requires continuous improvement initiatives to reduce impacts on the environment.

Waste Reduction and Recycling

Kimball Office Inc.’s Corporate Recycle Center (CRC) supports the programs of numerous regional facilities, providing a central location for consolidating recyclable materials for re-sale and transport. Currently the CRC recycles over 65 different waste materials. Among the materials recycled are steel, aluminum, glass, fabrics, printer cartridges, electronic equipment, and several types of plastic, wood and cardboard, which is either sold for re-use or recycled by type of material. The sustainability and continuous improvement projects have reduced the overall waste generated at Kimball Office Inc. facilities as the amount of recycling has steadily increase.

F. Describe any green or environmental initiatives or policies.

Sustainable Global Wood Purchasing

Kimball Office Inc. strives to ensure that wood used in the manufacturing of our products is obtained from environmentally and socially responsible sources. Knowing we are procuring wood responsibly not only supports our sustainability initiatives, but also provides assurance that our wood-based components have the lowest possible burden on the global environment. It is Kimball Office Inc.'s policy to work with partners who share our values of responsible management of wood from the forests where our raw materials are harvested. Kimball Office Inc. strives to use wood from properly managed forests to reduce the environmental impact we have on our industry.

Kimball Office Inc. expects suppliers of wood-based materials to follow all applicable laws of the United States of America including the Lacey Act, in addition to laws of the country where they are located and international treaties and agreements to which the United States is a signatory. We will not use species listed in CITES (Convention on International Trade in Endangered Species of Wild Fauna and Flora) Appendices I or II, for the manufacturing of our products. Our Supply Chain Team will give preference to suppliers who participate in the following programs: Forest Stewardship Council (FSC), Sustainable Forestry Initiative (SFI), American Tree Farm System (ATFS), Canadian Standards Association (CSA), Programme for the Endorsement of Forest Certification (PEFC), and Composite Panel Association's Eco Certified Composite (ECC). Kimball Office Inc. conducts business ethically based on our Business Partner Code of Conduct and expects our business partners to do so as well.

G. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program.

Diversity is a core principle for Kimball. Kimball International is a publicly traded company (KBAL) led by our CEO Kristie Juster and President Phyllis Goetz. We are not a minority or women owned business, however we focus and support diversity owned dealers and suppliers. Our number of minority-owned Select Dealers is 48%. We measure utilization of these businesses and work to facilitate growth and opportunities to these entities. We have tracking tools in place and, on a quarterly basis, review our spend dollars and percentages in various diverse supplier categories (as defined by the US Government). We also track any efforts we undertake relative to initiating discussions with and possibly bringing on new diverse suppliers, dealers, and other subcontractors. Kimball can provide first tier minority spend reports upon request.

H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.

Kimball Office Inc. does not hold underutilized business certifications, but actively pursues and works with such entities through our dealer network.

I. Describe how supplier differentiates itself from its competitors.

While trends may come and go, Kimball has a longstanding history of being able to evolve. To embrace what's new and take it to the next level. From our origins as a piano maker to one of today's leading furniture companies, our purpose has remained constant—to help people achieve their potential in their own, unique way. Being nimble, quick, and approachable allows us to make a difference for each individual customer. The average tenure for a Kimball team member is over 15 years and many of our customers and suppliers have been with us for 40 or more years.

We keep good company—actively listening to our customers, brilliant partners, and industry thought leaders—and invite collaborative discussions that challenge what's familiar and inspire fresh ideas. Driven by curiosity and inspired to empower people, we craft what's next, so you can work your way. We've found that what drives our purpose are the exact things that bring value to our relationship with you:

Authenticity- Being authentic keeps us grounded in integrity, humility, and warmth—all of which helps us build deeper connections with our customers and create great customer experiences for them.

Curiosity- We believe that curiosity is the starting point to addressing unmet needs. By asking you the right questions, we're able to develop just the right answers that solve for all the different ways your people want to work.

A Culture of Caring- Understanding how we're all interconnected makes us more invested and serve as better partners—to our customers, to our communities, and to the world.

Insightfulness- Being insightful means inspiring more "aha" moments for our customers and paves the way for us to craft forward-thinking solutions that respond to their ever-evolving needs.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

The Company is not currently involved as a party, nor has it been a party in the last ten years to any litigation that had or is likely to have any material impact on the Company. The Company has never sought bankruptcy protection, nor has the Company otherwise pursued any form of legal reorganization based on opportunities to reorganize to address financial issues that may be afforded under any federal or state law.

K. Felony Conviction Notice: Indicate if the supplier

a. is a publicly held corporation and this reporting requirement is not applicable;
b. is not owned or operated by anyone who has been convicted of a felony; or
c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

a. Kimball International Inc is a publicly held corporation, whose subsidiary Kimball Office Inc. is responding to this bid, therefore this reporting requirement is not applicable.

L. Describe any debarment or suspension actions taken against supplier

Kimball Office Inc. Inc has not had any debarment or suspension actions taken against the Company.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

Kimball Office Inc. utilizes their own trucking fleet as well as LTL carriers to insure timely deliveries. Delivery and Installation is coordinated with the dealers depending on the size and scope of the individual projects. The primary concern is that the customer's wishes are being met so when unique situations arise the solution sometimes must be customized but all installs will be serviced by the dealer install team so that ongoing service and care is available at a local level.

C. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

- Kimball Truck Fleet
- Nationwide Industry Recognized LTL Truck Fleets
- Authorized Dealer network

D. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

Distribution Facilities / Warehouses: (3)

- Distribution Center #2
  Santa Claus, IN
  363,000 Sq. Ft.

- Distribution Center #3
  Jasper, IN

In addition to our distribution centers and showrooms, our Dealer network has product on display and warehouse facilities available on a local level. Combined, our Dealer network has millions of square feet of warehouse / retail facilities available to our customers.

3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:

i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

Kimball Office Inc. Executive Leadership, in conjunction with OMNIA Partners Leadership, will communicate a new OMNIA Partners contract through its website and direct communication to its selling teams and dealerships.

ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days

Within 10 days of award:

-Kimball Office Inc. Executive leadership and OMNIA Partners Executive leadership will communicate the new OMNIA Partners contract though its website and direct communications to its sales teams and authorized distribution channel.

Within 30 days of award:
-Schedule a meeting with OMNIA Partners officials to review contract expectations.
-Develop a Nationwide joint marketing/sales plan with OMNIA Partners.
-Review, train, and present contract changes to Kimball Office Inc. Sales Managers.
-Review, train and present contract changes to Internal Contract Support team and Customer Service teams.
Within 60 days of the award:
-Create power point and other types of communication that highlight new award and its changes.
-Create presentation and develop training schedule for all Kimball Office Inc.
-Review all existing opportunities and notify of new award and date. Within 90 days of the award:
-Complete presentation and roll out to all Kimball Office Inc. Distribution channel.
-Develop tracking plan for new contract progress.
-Meet with OMNIA Partners to review progress and activity.
-Further develop new OMNIA Partners exchange program and exchange of data regarding new contract sales opportunities.

3.3 Marketing and Sales

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

i. Creation and distribution of a co-branded press release to trade publications

Kimball Office Inc. Marketing team will work with OMNIA Partners Marketing team to develop a co-branded press release to distribute to various trade publications within the first 10 days of award.

ii. Announcement, contract details and contact information published on the Supplier's website within first 90 days

A notification will be sent out within the first 30 days of award announcing the new award to our dealers via our Kimball Office Inc. brand specific websites.

iii. Design, publication and distribution of co-branded marketing materials within first 90 days

Kimball Office will complete a new OMNIA Partners marketing piece for hand out and email distribution to promote the new contract.

iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

Kimball Office Inc. commits to work with OMNIA Partners to secure booth space for all shows that OMNIA Partners will be attending that Kimball Office Inc. believes will impact our success with this contract.

3.3 Marketing and Sales

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

Kimball Office Inc. commits to purchase 10x10 booth space in designated area selected by OMNIA Partners at NIGP Annual Forum and identified regional trade shows where the OMNIA Partners program has focus. Kimball Office Inc. will provide representation to man the booth as well as assist in the marketing plans and give-away suggestions provided by OMNIA Partners.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.) Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

Kimball Office Inc. will continue to promote the OMNIA Partners agreement through publications and websites in identified trade publications.

vii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

Kimball Office Inc. will continue to develop marketing materials in conjunction with OMNIA Partners to promote the master agreement throughout its term (case studies, training materials and end-user presentations.)

viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of contract and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

Kimball Office Inc. agrees to continue to maintain OMNIA Partners dedicated webpages on www.Kimball.com and www.nationalofficefurniture.com. These sites will include the OMNIA Partners logo, copy of the original RFP, copy of the contract and amendments, summary of products and pricing, marketing materials, and a link to the OMNIA Partners online registration. Additionally, Kimball Office Inc. agrees to provide OMNIA Partners the materials needed to develop and maintain current information on their website as well.

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

After detailed training, our Sales Representatives, in conjunction with our Servicing Dealer Network will contact OMNIA Partners participating agencies to announce our new contract. The announcement will initiate contact in many forms – in person presentations, phone calls, ecards, etc. Initially our sales teams will focus on our existing customers – most of these customers will be contacted in person to educate them on our new contract. Our existing customers are familiar with our products and services, these calls will focus on OMNIA Partners education and the benefits associated with our new agreement. In addition to our current customers, we will focus on new opportunities and new customers. Kimball Office Inc. has a long history of being active participants in trade shows like NIGP. We will continue to market our products and services through the OMNIA Partners contract at the trade shows. We will follow up with all leads generated during those trade shows. We will also establish a customer service program. This program will focus on our existing customers – the intent to identify those customers who are not using the contract and provide a list to management so that we can ensure that the customer has been approached and provided the correct information. This program will also afford us the opportunity to work with OMNIA Partners on those customers that we are having problems transitioning. We believe with the commitment and support of Kimball Office Inc.'s entire sales force that the focus and measurements will be in place to market this agreement into success for all parties.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

Kimball Office Inc. will provide OMNIA Partners with its company/corporate logo(s) for use in marketing communications and promotions. Kimball Office Inc. authorizes OMNIA Partners to reproduce such logo(s) in marketing communications and promotions providing the logo and use meet Kimball International's marketing requirements. Kimball Office Inc. will work with OMNIA Partners to make sure this happens.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:
   i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
   ii. Best government pricing
   iii. No cost to participate
   iv. Non-exclusive

Kimball Office Inc. agrees to develop a marketing plan to reach public agencies nationwide participating in the OMNIA Partners program. At the very least, Kimball Office Inc. will develop a direct marketing approach that will communicate the requirements of OMNIA Partners as well as a program to follow up with those agencies.

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
   i. Key features of Master Agreement
   ii. Working knowledge of the solicitation process
   iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
   iv. Knowledge of benefits of the use of cooperative contracts

Kimball Office Inc. sales team is seasoned and have expert knowledge and selling experience with the OMNIA Partners contract. Many of our sales resources have a very positive working relationship with their OMNIA Partners counterparts. A new award will allow Kimball Office Inc. and OMNIA Partners to continue to expand our selling team relationships. All selling teams are trained on the key features of the contract through regular webinars by the program owner. All selling teams have a true understanding of public solicitation processes and how OMNIA Partners eliminates the need for the agencies to go through the bid process, therefore saving time and resources. We continue to work with the OMNIA Partners teams to expand the use of the program via the wide range of public agencies that can access OMNIA Partners.

G. Provide the name, title, email and phone number for the person(s), who will be responsible for:

H. Describe in detail how Company's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

Kimball Office has Sales Representatives in all 50 States. The direct sales team is divided into separate categories. Representation is primarily structured to focus on Sales and Service to our end customers and to our authorized Dealer Network. Other representation is the Government Sales. We have specialized Sales Representatives that focus entirely on Government business. Another important aspect of our business is the A&D community and we have sales representation focusing on that important link to the sales process. The country is divided into
(10) regions and a Regional manager is assigned to each region. The Sales Team members report to the Regional managers. Leading the Regional Managers are two Director of Sales positions, one for the Eastern half of the country and one for the Western half of the country. A Director of A&D leads the A&D team. In the Government sector, we have a Director of Government Sales. The four Directors report to the Vice President of Sales. The Vice President of Sales reports to the highest Executive level in the in the sales organization. That position is President of Kimball Office.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

Kimball Office Government Sales Managers (GSMs) are the program regional owners and provide program leadership in their respective areas. They work in conjunction with the OMNIA regional managers in their areas to grow the program sales. Together they strategize on targeted accounts, leveraging existing contact relationships. They involve the Kimball Office Region Management team as well as the Market Sales Managers to insure a constant touch and sales process forward action. The GSM's coordinate Dealer Boot Camps for both the Public and Education Sector Region Managers. Together they educate and promote the OMNIA allocating resources appropriately.

J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Kimball Office has developed the following structure to manage the National IPA program through the terms of the agreement:

- A dedicated program owner – Rhonda Hammack
- A dedicated contract specialist – Stacy Huelsman
- Regional Program Owners – Five Government Sales Managers
- A dedicated trained internal government support team providing timely new participant set up.
- A sales reporting structure that provides National IPA monthly sales reporting requirements by registered end-user.
- A marketing specialist that will work in conjunction with National IPA to develop joint marketing and sales pieces.

The Kimball Office leadership team has put the resources in place for continued sales growth. This structure has served us well during the current contract period.
A new contract would allow us to re-train and re-focus for continued sales growth.

K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

Kimball's Public Sector sales volume for fiscal year 2019 $23,642,131.00. Our top 10 accounts are as follows:

Laredo Community College
Cosumnes Community
Service University of North Carolina at Chapel Hill
City of Dallas
Pima Medical Institute-Tucson Campus – AZ
Boston University
City of Stamford
Virginia Tech
West Virginia University Robert C Byrd Health
NAACP

L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

Kimball Office has taken advantage of recent advancements in technology by implementing and making available to our business partners a number of electronic tools. We have partnered
with leaders in the software industry to develop and implement these electronic resources to enhance the Kimball Office experience for our customers. Matched with future advancements in our E-Business capabilities, these tools allow our customers to easily specify and select product, view renderings, submit orders and check order status.

Payment Methods:
- Check
- Wire Transfer
- ACH
- EFT

Ordering Methods:

M. If the Supplier wants to guarantee sales, provide the Contract Sales (as defined in Section 10 of the National Intergovernmental Purchasing Alliance Company Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$_100,000_.00 in year one
$_____.00 in year two
$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

Recent and future events in cooperative purchasing landscape may create additional challenges, but Kimball Office is committed to strive for continued annual double-digit contract sales growth. With these uncertainties Kimball Office therefore will only provide a nominal annual sales guarantee.

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

Kimball Office Inc. will lead with OMNIA Partners, however; to clarify that OMNIA Partners does not expect Kimball Office Inc. to walk away from sales opportunities when the end user rejects use of OMNIA Partners, the following changes are requested.

For avoidance of doubt, OMNIA Partners does not expect to be paid an Administrative Fee on sales for which it's use is rejected by the end user and it performs no functions in relation to those sales.

i. Respond to registered and qualified end National IPA end-users with Master Agreement pricing (Contract Sales reported to OMNIA Partners).

Kimball Office proposes the additional language in red to be added to the existing statement above.

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.

Kimball Office Inc. will comply with this request. For clarification, Lower pricing given to OMNIA Partners members due to competitive reasons will be reported to OMNIA under the Master Agreement unless they have an existing standard agreement with Kimball Office Inc. (brand(s)) at time of award. Kimball Office Inc. will then review in detail when existing contract is up for renewal.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).

Kimball Office Inc. proposes to delete the language as set forth on 3.niii:

Commitment of Exhibit A. In lieu of such language in 3.n.iii, Kimball Office Inc. commits as follows:
In the event that the Public Agency refuses to utilize Master Agreement, the Supplier may provide pricing under an alternative agreement. It is considered a refusal if the Public Agency utilizes a bid/RFP/RFQ process or otherwise chooses not to utilize National IPA. Sales under this section of refusal by Public Agency are not considered Contract Sales under OMNIA Partners and Administration Fee is not owed.

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal. In the event of an award of the higher, customer net price, non- OMNIA Partners Master Agreement proposal, sales would not be considered Contract Sales and no Administrative Fee is owed.

Kimball Office Inc. requests the proposed language in red for clarification purposes.

Detail Supplier's strategies under these options when responding to a solicitation.

Kimball Office Inc. will lead with OMNIA Partners as our primary Cooperative Purchasing vehicle in all appropriate sales opportunities through bid processes, face to face communication and marketing strategies. The Administrative fee will be paid on all purchases made by qualified, registered customers as agreed upon within the Master Agreement. In the event, a customer chooses not to use the OMNIA Partners Cooperative Purchasing agreement, pricing will be proposed at equivalent or higher customer net pricing to the customer to avoid the loss of a sales opportunity. Sales under this section of refusal by Public Agency are not considered Contract Sales under OMNIA Partners and Administration Fee is not owed.

Kimball Office Inc. understands and complies with the information within OMNIA Partners Exhibit A in conjunction with the typed responses / alternative language submitted.

OMNIA PARTNERS EXHIBITS
EXHIBIT F- FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned with proposal.

The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. Participating Agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if Participating Agency believes, in its sole discretion that it is in the best interest of Participating Agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by Participating Agency as of the termination date if the contract is terminated for convenience of Participating Agency. Any award under this procurement process is not exclusive and Participating Agency reserves the right to purchase goods and services from other offerors when it is in Participating Agency's best interest.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES SPF Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES SFP Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:
(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES SPF BAA Certification is made on a case by case basis depending on the ~~product~~ mix selected. Initials of Authorized Representative of offeror

PROCUREMENT OF RECOVERED MATERIALS REQUIREMENTS FOR – 2 C.F.R. §200.322

Participating Agency and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines..

MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

DOC #4

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Doc #4, continued

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

Certification of Non-Involvement in Prohibited Activities in Iran

Pursuant to N.J.S.A. 52:32-58, Offerors must certify that neither the Offeror, nor any of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32 – 56(e) (3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32 – 56(f).

Offerors wishing to do business in New Jersey through this contract must fill out the Certification of Non-Involvement in Prohibited Activities in Iran here: http://www.state.nj.us/humanservices/dfd/info/standard/fdc/disclosure_investmentact.pdf.

Offerors should submit the above form completed with their proposal.

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: U C # 001218 **Bidder/Offeror:** Kimball Office Inc.

PART 1: CERTIFICATION
BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.
FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf. Bidders **must** review this list prior to completing the below certification. **Failure to complete the certification will render a bidder's proposal non-responsive.** If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

PLEASE CHECK THE APPROPRIATE BOX:

☑ **I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed** on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. **I will skip Part 2 and sign and complete the Certification below.**

OR

☐ **I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below.** Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN
You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

EACH BOX WILL PROMPT YOU TO PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, CLICK THE "ADD AN ADDITIONAL ACTIVITIES ENTRY" BUTTON.

Name _____ Relationship to Bidder/Offeror _____

Description of Activities _____

_____

Duration of Engagement _____ Anticipated Cessation Date _____

Bidder/Offeror Contact Name _____ Contact Phone Number _____

ADD AN ADDITIONAL ACTIVITIES ENTRY

Certification: I, being duly sworn upon my oath, hereby represent and state that the foregoing information and any attachments thereto to the best of my knowledge are true and complete. I attest that I am authorized to execute this certification on behalf of the above-referenced person or entity. I acknowledge that the State of New Jersey is relying on the information contained herein and thereby acknowledge that I am under a continuing obligation from the date of this certification through the completion of any contracts with the State to notify the State in writing of any changes to the answers of information contained herein. I acknowledge that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification, and if I do so, I recognize that I am subject to criminal prosecution under the law and that it will also constitute a material breach of my agreement(s) with the State of New Jersey and that the State at its option may declare any contract(s) resulting from this certification void and unenforceable.

NEW JERSEY BUSINESS REGISTRATION CERTIFICATE
(N.J.S.A. 52:32-44)

Offerors wishing to do business in New Jersey must submit their State Division of Revenue issued Business Registration Certificate with their proposal here. Failure to do so will disqualify the Offeror from offering products or services in New Jersey through any resulting contract.

http://www.state.nj.us/treasury/revenue/forms/njreg.pdf

09/28/11

Taxpayer Identification# 351-688-210/000

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Fruscione

DOC #3, continued

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

UC OFFICE FURNITURE AND RELATED SERVICES
Executive Summary

Lead Agency: University of California

Solicitation: #001218

RFP Issued: July 8, 2019

Pre-Proposal Date: July 25, 2019

Response Due Date: August 21, 2019

Proposals Received: #11

Awarded to: Kimball Office, Inc. – Purchasing Agreement #2019.001896

The University of California, Office of the President (UC) issued RFP #001218 on July 8, 2019 to select a supplier to support UC locations including campuses, medical centers, national laboratories, the Office of the President its affiliates and California State College (CSU) for office furniture and related services.

The Regents of the University of California partnered with OMNIA Partners to include a national cooperative purchasing opportunity:

> *The purpose of this Request for Proposal (the "RFP") is to invite qualified furniture manufacturers to prepare and submit proposals to the University of California ("UC") to provide Office Furniture ("Goods") and related services, either directly or through a subcontracted dealer network; such services to include (but are not limited to) design/consultation, delivery, and installation ("Services") (together, the "Goods and Services) all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in this RFP. Potential proposers shall note, the UC has partnered with OMNIA Partners, Public Sector to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize.*

Notice of the solicitation was sent to potential offerors, as well as advertised in the following:

- CalUSource website
- OMNIA Partners, Public Sector website
- USA Today, nationwide
- Arizona Business Gazette, AZ
- San Bernardino Sun, CA
- Honolulu Star-Advertiser, HI
- The Advocate – New Orleans, LA
- New Jersey Herald, NJ
- Times Union, NY
- Daily Journal of Commerce, OR
- The State, SC
- Houston Community Newspapers, Cy Creek Mirror, TX
- Deseret News, UT
- Richmond Times, VA
- Seattle Daily Journal of Commerce, WA
- Helena Independent Record, MT

On August 21, 2019 proposals were received from the following offerors:

- Allsteel Inc.
- The HON Company LLC
- Haworth
- Herman Miller, Inc.
- Irwin Seating Company
- Kimball Office, Inc.
- Knoll, Inc.
- Krueger International, Inc.
- Office Depot, Inc.
- Steelcase, Inc.
- Teknion LLC

The proposals were evaluated by an evaluation committee. Using the evaluation criteria established in the RFP, the committee elected to award Kimball Office, Inc. Steelcase, Inc. and Herman Miller, Inc.

Contract includes:

- Systems Furniture, Freestanding, Storage, Seating, Tables.
- Services for an additional fee: Design, Project Management, Demolition, Storage, Labor/Installation.

Term:

Initial five (5) year agreement from May 20, 2020 through April 30, 2024 with the option to renew for five (5) successive years (Renewal Terms), exercised individually, in combinations, and/or as a single block of 5 years through April 30, 2029.

Pricing/Discount: Discount off List.

RE: Kimball & University of California National Contract – 2019.001896
– December 2021 List Price Increase

This memo will serve as notice that the new price list for the National Agreement has been agreed to by the University of California and will reflect a temporary surcharge beginning December 16th, 2021.

All other terms and conditions of the agreement shall remain in full unless changed, altered or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Re: RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019

Dear [redacted] Kimball Team:

Our evaluation process of proposals for the University of California - Office Furniture RFP, has been completed and we are pleased to advise you that your company has been selected as an Apparent Awardee, allowing you to move into the contracting phase of this RFP. I offer you my congratulations!

This is not a guarantee of contract; any finalized contract is pending successful negotiation of contract terms and a verification your company's ability to provide the services, as specified, within the time frames stated in the RFP. National contracting and roll-out dates shall be communicated by OMNIA Partners. UC Target dates worthy of note, are as follows:

- Contract Execution – Mid-January
- Contract Announcement – February 2020
- System-wide Webinar – March 2020
- Campus Roll-outs – Q3/Q4 of 2020
- eProcurement Integration/Implementation – 18 months of contract signature

Most immediately, you will be asked to work with the RFP Administrator (myself) to set up a series of meetings for the review of contract terms and formation. You are asked to supply the names and titles of individuals who should be included in these meetings, including best days and times, particularly where there are Time Zone considerations. These discussions may include, but are limited to:

- UC contract documents
- Any Supplier exceptions to RFP or UC attachments
- Areas/items requiring clarification or refinement. This may include elements of pricing
- Scope of Work development

If contract execution is achieved, Kimball will be required to partner with and UCOP Procurement in the planning and development of materials and training which align with the events above and provide an immediate 'Go to Market' plan for all campuses, including the needed structure for access to regional services/sales, transacting process, viewing of approved product line, and marketing materials with specifications. That should prove to be a rewarding phase of this RFP process.

Currently, I ask that you provide the information requested in paragraph three of this email. Depending on the dates of our first meetings, I may provide documents for your review, prior to our call. I certainly look forward to 'meeting' with you at that time. If you have any questions, I

encourage you to contact me at (530) 752-5684.

Congratulations and thank you again for your cooperation during this process.

Yvonne J. Macon, C.P.M., C.P.S.M.

DATE: 6-1-20

TO: Whom It May Concern

FROM: Yvonne Macon
Sr. Commodity Manager, UC Office of the President
University of California

SUBJECT: RFP # 001218 - RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019

The Evaluation Committee reviewed the responses and recommended the following companies be awarded:

- Steelcase, Inc.
- Herman Miller, Inc.
- Kimball Office

The recommended Suppliers, submitted offers that were determined to be most advantageous to the University of California Office of the President, based upon the evaluation criteria stated in the RFP. All the recommended respondents were determined to be competitively priced and best suited to provide the specified services outlined in the RFP.

We believe all recommended vendors demonstrate the ability to provide and perform the services requested in the proposal. We will monitor their performance and determine at the end of each term if they are eligible for renewal with each new term.

This multiple award is most advantageous as it limits contract awards to the least number of suppliers necessary to meet the requirements of end-users.

Sincerely,

Yvonne Macon

From: Marilyn Biscotti, Senior Commodity Manager

RE: Kimball International Brands, Inc. Fuel Surcharge Contract 2019.001896

Effective April 4, 2022, Kimball International implemented a 3% fuel surcharge. All orders placed under University of California Agreement 2019.001896 for both the UC Campus and OMNIA National Program are affected. All products within the Kimball brand (including David Edward), National, Etc., and Interwoven brands will realize the fuel surcharge. This surcharge does not apply to the Poppin brand.

Current global events have caused extraordinary increases in inbound and outbound domestic and international freight, as well as internal logistics costs. Due to these sustained, escalated fuel and transportation expenses, suppliers and freight forwarders have started to pass these incremental costs on to Kimball International – resulting in increased costs to manufacture and delivery of products. This surcharge is necessary to adjust for costs which Kimball International cannot continue to absorb.

While various efforts in the market are being made to moderate fuel prices, including the recent announcement to release energy reserves, we foresee inflated prices to endure for the foreseeable future.

The following are key details:

1. The surcharge will appear as a separate line item on all acknowledgements and invoices, calculated as a percentage of the net subtotal of your order on all orders received on/after April 4th.
2. CET will be updated with a reminder regarding the surcharge. While it is not possible to update specific prices at the model level, a notation will be featured in this tool.
3. Continuous improvement and intentional actions to mitigate the escalating cost increases are actively being pursued to help offset the above necessary actions. We will continue to monitor and adjust the surcharge accordingly.

4. The surcharge will NOT be applied to orders in-house prior to April 4th which are acknowledged with standard lead times. Orders placed in advance for future projects, beyond standard lead times, will be assessed the 3% fuel surcharge.

In further communication with Kimball International, UCOP has inquired as to the benchmarking method of these costs to mitigate the escalating cost increases. We will continue discussions with Kimball International to monitor their efforts to manage fuel and transportation expenses.

All other terms and conditions of the agreement shall remain in full unless changed, altered, or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Thank you,

Marilyn Biscotti

ATTACHMENT A - STATEMENT OF WORK

KIMBALL OFFICE - AGREEMENT #2019.001896

This Statement of Work – Attachment A ("SOW") is issued pursuant to Purchasing Agreement #2019.001896 dated May 20, 2020 between UC and Kimball Office Inc. ("Agreement").

1. Title and Description of the Scope of Goods and/or Services

Supplier shall offer a line of Office Furniture and related services; both meeting requirements of this Agreement to the University of California System-wide. These product lines must include the categories of Systems Furniture, Freestanding Furniture, Storage, Tables, and Chairs/Seating. Other categories may include Higher Education Classroom Furniture, Fixed Seating, Architectural Elements, Healthcare/Lab, Integrated Technology, Accessories and Technical Support, Outdoor Furniture, and other related categories as approved by the UC Procurement, Office of the President. Supplier, through this Agreement shall also offer a fully comprehensive product line and list of services to a national market, through OMNIA Partners, Public Sector, noting a 'fully compressive product line'/national product line is not limited by UC specific ergonomic and sustainability requirements.

Related services, either directly or through a subcontracted dealer network; shall include (but are not limited to) design/consultation, delivery, storage, project management, and installation ("Services"). Together, the "Goods and Services" all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in the incorporated RFP, its responses, and below.

2. Implementation

Supplier shall provide and execute an implementation plan which shall provide for an early National roll-out (with Webinar) and a phased plan UC rollout by November 1, 2020, inclusive of the items below:

- Campus Profile Development
- Campus Visits/UCOP Rollout
- Campus Training
- Marketing and Business Development
- Catalog development, aligning Price Discount List with lines/products n with UC Sustainability and Ergonomic Requirements
- Ecommerce Integration with Testing and Pilots (18mo from date of contract)

Supplier Obligations

Action	Date relative to contract signature
Notify our Four (4) Regional Government Sales Managers. They are the owners of the Omnia/UC contract for their respective regions. As the contract specialists, they would coordinate all training among the distribution channel's sales staff and other Kimball sales representatives	Within 10 days
Kimball Executive leadership and Omnia Executive leadership will communicate the new Omnia/UC national agreement contract though its website and direct communications to its sales teams and authorized distribution channel. As well as a press release to various trade publications	Within 30 days
Create power point and other types of communication that highlight new award and its changes. Create presentation and develop training schedule for all Kimball distribution channel. Review all existing opportunities and notify of new award and date	Within 60 days
Complete presentation and roll out to all Kimball Distribution channel. Develop tracking plan for new contract progress. Meet with Omnia and UC to review progress and activity.	Within 90 days
Action	Contract Start - 11/01/20

Kimball will launch a soft roll out with the help of UC to all campus and participating agencies. Conduct a meet and greet with design, construction, facilities and department heads Create marketing materials for email, providing contact information Acquire names of design staff and facilities staff, calendar of campus vendor shows	Prior to implementation date
Introduction, by campus with service partners/Dealers Training at each campus with facilities, designers and procurement Post cards announcing new products and or custom designs completed Announcement in the major publications Joint community outreach with various campuses Design marketing and support based on each campus's need and demographic One campus per quarter to factory tour Joint research projects to improve the use of spaces and student engagement/success Seating labs, product display areas Integrate technology where appropriate with AV, VR, AR, etc.	9-28-20 -11/1/2020
UC ECOMMERCE	
Assign an e-commerce team lead/project manager specific to UC. Kimball would work with the UC System along with individual campuses to understand the priorities and develop a phased implementation schedule based on the priorities	1st Week
Define a specific set of materials (including Options) Within 6 months: Create a punchout site and link to the e-procurement site of the client	1st 3 months
Provide access and training to the dealer(s) who would service the ordering process. For an e-commerce program to be successful, training is of greatest importance. This training needs to happen conjunctly between the dealer and the campus. Communication and knowledge gained through a joint training program will allow Kimball to learn how best to support each campus and integrate seamlessly into their processes and business models.	Within 9 months
Testing/Piloting of the system to insure everything is operating properly	Within 1st year

UC Obligations

Action	Contract Start - 11/01/20
UC agrees to provide staff hours and expertise, as determined necessary by the UC, in order to assist with contract implementation and the required integrations with UC eCommerce systems; such efforts to include, but not be limited to:	
Contract Guidance Documents	Prior to Roll-out
Participation - Announcement Webinar	Within 1 month of contract
Launch marketing through UC internal newsletters	Oct-20
Campus Roll-out Events	Estimate 9/29/20 to 10/31/20
Collaboration of UCOP ECOE and P&C to achieve eCommerce integration	Complete -18 mo. from contract
Participation in the development and issuance of surveys	Ongoing

3. Place(s) of Performance/Locations

Services shall be provided nationally through OMNIA Partners, for public sector purchasing by Participating Agencies. UC, as Principal Procurement Agency, shall receive services for its locations which are described below; such locations to include any UC Locations added during the term of this contract:

a. Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz
b. Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco
c. The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C.

d. The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices.
e. UC Hastings College of Law
f. Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California.
g. Lawrence Livermore Lab and additional centers and offices as further detailed at: http://www.universityofcalifornia.edu/uc-system/parts-of-uc
h. Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates.
i.

4. Key Personnel

NATIONAL PROGRAM - Dealers/Subcontractors authorized to provide Goods and/or Services nationally, under this SOW, can be found at https://www.kimball.com/contactus/all-dealers/.

UC PROGRAM - Dealers authorized to provide services to the UC are listed in Exhibit F to this Statement of Work.

Dealers may be added or deleted, at request of Kimball International over the lifetime of this Agreement..

Supplier's Account Manager is listed below, is subject to UC approval, and has overall responsibility for managing the UC/Supplier relationship. If this does not include National Contract, please list in next section:

Phone	812-482-6468	
Address	1600 Royal St. Jasper, IN	
Name	TBD	TITLE: State Contract Specialist
Email		
Phone		
Address	1600 Royal St. Jasper, IN	

UC'S Project Mangers:

Contract Implementation & Rollout for UC Locations	Yvonne Macon, Contract Administrator Yvonne.Macon@ucop2022
eProcurement Implementation	Lia Scott liascott@ucdavis.edu & Terese Merrell Terese.Merrell@ucop.edu
Sustainability Reporting,	Stephanie Lopez stephanie.Lopez@ucop.edu & Heather Perry heather.perry@ucsb.edu
CSR Assessment, (EcoVadis), Gap Analysis, and Improvement Planning	Stephanie Lopez stephanie.Lopez@ucop.edu & Yvonne Macon

5. Reporting Requirements

Supplier will provide, at a minimum, periodic reports detailing usage and spend by location, incentives and remittance data, and UC required sustainability data (UC Specific). Supplier agrees to provide other reports to UC, as reasonably requested by UC during the Term of the Agreement and any extension(s) thereof, at no additional cost. Supplier shall use UC provided templates if available. Reporting periods and requirements, specific to the UC, are provided in Exhibit D:

6. Assumptions and Exceptions (This section is specific to UC)

This Agreement is one of three Broadline Awards made as a result of RFP ## 001218 - RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019 and includes the categories (without minimum purchase volumes) and services, stated in Section 1. UC additional requirements, restrictions, or exceptions are listed below and are considered to apply, only to the UC:

A. Any previously established ergonomic contracts with targeted awards in the areas of task chair, tall task stools, height adjustable worksurfaces, and work tools (monitor arms, keyboard trays).

B. Goods and Services, purchased by a contractor, awarded business through the UC Construction Bidding Process, are not included in this scope of work, unless the following criteria are met:
   1. Use of contract(s) are specified, as a requirement or option, within the Construction RFP documents; such use to benefit the UC project only and to be validated by protocols established by the campus or within those documents.
   2. For tracking purposes only, the UC Procurement Contract Administrator, shall be notified of construction usage when purchases made by contractors (general or sub) are high volume =>$400K and purchased for construction RFP projects (not a solicitation by Campus/UCOP Procurement & Contracts).

C. Architectural Elements are included (if offered by Supplier) in this scope of work, however Demountable Walls and/or any 'ceiling height wall product', ordered against this Agreement through standard/non-construction channels (e.g. PO or P-card process) will be subject to order restrictions. The below approvals must be obtained in writing and submitted by UC department or Buyer, to Supplier/Dealer prior to an order being placed by a Dealer to a manufacturer. Supplier will obtain and record email approvals. These shall be attached to final campus POs.
   1. Campus Fire Marshall (or equivalent, if none exists)
   2. Design & Construction Management (PM or Management) or Facilities Management (Director or Associate Director)

D. Spend directed to Small Businesses, deemed necessary by the UC Location to meet any federal, state, agency, etc. program requirements.

E. Supplier will complete CSR Assessment with EcoVadis, within 90 days of Contract signing for purpose of establishing a baseline, creating plan for targeted improvements (if below avg. score), and to measure ongoing improvements. If a supplier's score meets, or is above the average score for that category of business, they will not be required to reassess until the contract is reviewed for extension (first Option Year of the contract after the Initial Term of four (4) years.

F. Supplier will complete Foam Ban Exemption Form within 1 month (30 days) of contract signature. Per Exhibit C requirements, it has been established Supplier is not currently in compliance with the UC Sustainable Procurement Policy, as it pertains to avoidance of Foam Packaging. As such, they have/will complete an exemption form for these non-compliant practices and included a process and target report. The form will be reviewed and revised per accomplishments, prior to any annual systemwide business reviews, as further described in Section 9.B and Exhibit C of this document. The form with table, represent current work and testing that are part of the ongoing efforts by Supplier to meet these requirements and includes a target date for meeting them. If not fully compliant by that date. Supplier will apply for an exemption for review, planning, and approval of the remaining non-compliant item(s).

7. Service Level Agreement (This section is specific to the UC)

A. During the Term of the Agreement, and any extension(s) of the Term, Supplier will provide services herein, meeting qualitative standards, as shown below, within the following response times: national also (Wendy will check)

Response Times

Response time to return call to clients	within 24 hours (Fri. would be Mon.)
Response time to visit clients*	within 3 business days

Initial design completion and quote meeting	within 10 business days from initial (or 1-2 wk.)
Quote for project	within 5 business days (sm) 10 days (lg.)
Final design to ready order quote	within 2 business days
PO (from UC) to acknowledgement	within 3 business days
Standard delivery	standard shipping and delivery 4-5 weeks
Non –Standard delivery	non-standard shipping & delivery 6-10 weeks
Incidental non-assembly items	deliver 3 business days after receipt of items
Items needing assembly or for projects	deliver and assemble 7 business days (sm) and 10 business days (lg.) after receipt by Dealer
Storage	30 business days free
Returns/Restocking (UC error)**	20 business days from date of delivery to customer (see above –Damaged/Returned product for Supplier error)
Pick-ups	within 2-3 business days
Credits/Claims	within 5 business days from pick-up
Requests for reports	within 10 business days
Punch list development*	within 2 business days after installation walk thru
Punch list closure*	within 30 (or 10) business days after both parties agree as to responsible party

*Punch List--a term used to describe an inventory list of all corrections, to an installation or project which requires an action on the part of the manufacturer and/or its Dealer, Installer, etc., to complete. Includes, but not limited, to missing, damaged, mistakenly-shipped or incorrect installation parts, components, or whole pieces of ergonomic equipment as directly related to the original purchase order.

** Restocking - All returns **of conforming product**, if qualified, are subject to a 50% restocking fee. Only 'made to Stock' product items (stocked inventory – not made to order) may be returned under this provision. SEE 9.F. for Returns of non-conforming goods

The minimum service standards set forth above recognize that occasional errors are likely; however, Supplier further agrees to use its best efforts to achieve 100% of service levels. Should the service levels fall below the minimum standards and Supplier/Dealer must take corrective action within fifteen (15) days following UC written notification. When failure to correct is the fault of Dealer, UC reserves the right to terminate service with a Dealer and to require service be provided (where available) by a different authorized Dealer. Mutually acceptable arrangements will be made for completion and payment of existing orders. Any repeated failure by Manufacturer/Supplier, shall be handled per Section 2 of Master Agreement.

8. Pricing

A. Per Master Agreement, all Goods available through this Agreement, include delivery and are priced as a 'Discount off List' which varies according to delivery or services included. Specific pricing and pricing terms are detailed in the Pricing Exhibit(s).

B. Services included in this Agreement, are priced in two ways; 1) as a 'Discount off List Price', included with delivered product; 2) as 'Value Add Services Rates" priced hourly/separately per service and to be rendered in conjunction with Drop Ship Orders. Both forms of Pricing are provided within Exhibits A & B and detail service deliverables. Note: Services for this category of goods, may require the payment of prevailing wage rates. Prevailing Wage installation is quoted separately and rates vary by region.

C. Delivery, Basic Installation, and Complex installation, as captured within Discount Packages, reflect a rate for delivery with loading dock and elevator access. There may be an additional charge (to be quoted) where no loading dock and/or elevator access is available, thereby impacting the estimated delivery time. Supplier and Supplier's Authorized Representatives-Subcontractors will provide written notice to the UC location of any such additional charge and obtain UC location's approval prior to the scheduled delivery. Except as noted above, there shall be no separate or additional charges, fees, handling or other incidental costs for products following any contract award. Noted exception are surcharges, separate and allowable, when offsetting government imposed tariffs

D. Volume Pricing – Pricing within Exhibits, includes Volume Discounts. As indicated on this Exhibit, the UC may negotiate pricing on any single order where Manufacturer's product cost is in excess of the pre-determined discount levels/tiers reflected on Exhibits A &

B to this Agreement for Office Furniture Products. These orders (Negotiable Tiers) are defined as "high-volume" orders. NET is defined as the estimated List-value of the entire order, less discounts, and includes all service fees and expenses, excluding taxes."

E. In addition to volume pricing offered by Supplier during the Contract term, a Supplier may conduct sales promotions involving price reductions for a specified lesser period. Supplier may offer Participating Agencies/UC competitive pricing which is lower than the not-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.

9. Program Requirements

A. General

a. There shall be no minimum order requirements (quantity, dollar size, etc.).
b. Manufacturer must have a Dealer/Distribution network in California and/or direct support having the capacity to deliver and install products for UC systems, meeting UC requirements.
c. Manufacturer must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.
d. Furniture purchased from Manufacturer and/or Dealer(s) must meet federal, state, regional and local standards and regulations, including, but not limited to: Occupational Safety and Health Administration (OSHA), Business and Institutional Furniture Manufacturers Association (BIFMA) acceptance test levels, Underwriters Laboratory (UL) requirements, Americans with Disabilities Act (ADA), etc. and; current BIFMA standard: https://www.bifma.org/page/StandardsShortDesc
e. Manufacturer and/or Dealer must be in full compliance with specific building and fire code restrictions on all jobs.
f. Manufacturer/Dealer shall agree to follow protocol (to be established), and to receive authorization prior to orders being placed for Demountable Walls and Fixed Seating (UC specific)

B. Administration – (This section is UC Specific)

Supplier shall provide the following program administration functions to UC:

a. Project Manager to coordinate program implementation (see implementation Plan).
b. Account Management for on-going contract monitoring and maintenance
c. On-site sales representation on a regular basis to increase sales activity, assist in resolving problems, demonstrate new products, handle returned goods and provide other customer services as required for the efficient operation of the program .
d. When requested, meetings between Supplier's account manager(s) and UC Purchasing Departments to discuss previous period's activities and resolution of any open issues.
e. Supplier shall meet with UC/UCOP for Regular Business Reviews to review contract usage and effectiveness, discuss current Services offerings and provide suggestions and discussion for continuous improvement in Services efficiencies, and to address additional topics pertinent to the relationship towards the UC's strategic goals. For each Business Review, the Supplier must provide pertinent performance and management reports detailing a wide range of information related to this Agreement at both the UC-wide level and breakdowns for each individual UC location. At least once annually, provide Power Point presentation including (but not limited to) the below:
    - Sales Data for UC System
    - Fiscal Year to Date (beginning July 1).
    - Fiscal Year to Date for the previous year.
    - Last 12 month spend.
    - Last 12 month spend for the prior year.
    - Company or Dealer updates/changes
    - Sustainability
    - Outreach and Projects
    - SLA Scorecard and Issues
    - Product – changes and new lines
f. Conduct quarterly business review meeting with each UC location, providing information, as requested. (UC specific)

g. Keep the contracting departments/customers apprised of any quality issues including recalls, upgrades and product warnings that may affect product performance
h. A Supplier is required to provide reports (as noted in Section 5 and on Exhibit D) as reasonably requested by UC during the term of the agreement at no additional cost to UC. (UC specific)

C. Ecommerce and Related Invoicing/Settlement (This section is UC Specific)

a. Integration Requirement: EProcurement Integration is a requirement of this Agreement and must be accomplished within 18 months of contract signing. E-commerce technology is utilized at each of the UC locations. Attachment D of Master Agreement - Appendix eCommerce, details requirements. Supplier and UC shall cooperate in good faith to make available to UC end purchasers and to encourage such end purchasers to use Seller's electronic catalog within each locations e-Commerce platform when ordering Products. Supplier is required to provide (or continue to provide) an acceptable integrated solution to the e-Commerce systems deployed in the UC system within the first 18 months of contract.
b. E-commerce Platform Orders: UC orders will be placed directly with a supplier's system using either a hosted (static) or punch-out catalog housed in the UC E-commerce system(s). The catalog offerings will include all charges (exclusive of sales tax), including installation/assembly services where applicable. Implementation required within 18 months of contract signing. Note: National Participating Agencies have the option to enter into an e-commerce platform order solution on a per agency negotiated basis.
c. Quote Functionality: A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.
d. Paperless Invoicing: This is a requirement of this Agreement. Supplier will be required (within 18 months of contract signature) to transmit their invoices electronically in a format that can be imported into various e-commerce and financial systems; cXML and EDI are the preferred invoice transmission methods although a Supplier may elect to utilize an e-invoicing service (e.g. Transcepta or Docufree), which allow the supplier to upload invoice data by multiple methods, including e-mail or direct data entry, for final transmission to a campus in their preferred electronic method.
e. Payment Type: The University of California's preferred payment method is by virtual card (PaymentPlus, administered by US Bank) or procurement card (including ghost card for eCommerce), which includes a processing fee. Through these programs, the University of California can extend NET terms, which means that remittance will be transmitted immediately following full approval of an invoice. With PaymentPlus, suppliers receive email remittance information and are able to retrieve a one-time credit card number for the amount of the remittance. Suppliers can utilize their own point of sale solution, or can receive remittance through US Bank at competitive interchange rates. Alternative payment methods for the University include PaymodeX, EFT or paper check, with varying discounts and net terms offered. Note, some federally funded projects may have additional constraints on providing payment within 30 days.
f. Established Delivery Dates: An acceptable installation date will be established in writing by mutual agreement of Buyer, Supplier and Manufacturer (s) (example: date on PO satisfies this) at the time of order placement. Supplier must receive a complete and accurate order from Buyer, requiring no clarifications or changes prior to the agreed-upon installation date. To the extent, however, Supplier fails to accurately and completely specify Buyer's requirements when placing an approved order(s) with Manufacturer, Supplier shall bear liability for damages incurred by Buyer related to such failure by Supplier and liquidated damages may apply (see Item 12).

D. National Program

a. Manufacturer/Suppler must complete and maintain the required contract documents, reporting and/or other responsibilities as required by OMNIA Partners, and detailed in referenced RFP.
b. Manufacturer/Supplier must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.

E. Product Requirements

a. Required Product Categories (as defined within Attachment E of Master Agreement and Section 1 above) – Suppliers are required to provide sufficient product in the below categories; all as subject to Ergonomic requirements as listed on Exhibit E and Sustainability Requirements, as listed in Exhibit C. (UC Specific).
   - Panels and Desks/Work Surface (Adjustable and Fixed)

- Storage
- Freestanding
- Seating (task, side, conference room, and stackable, but NOT lab, lounge or lobby)
- Tables Conference (tables, training table, occasional tables , hgt. adjustable tables, other)

b. Product Purchase Restrictions (UC Specific) - A Supplier should note, there will be special processes put in place surrounding the UC's ordering of Architectural Elements (Demountable Walls) and fixed seating, owing to UC approvals which must be garnered prior to an order being placed. Any awarded Supplier will be required to abide by this process.

c. Parts Sales – A Supplier must offer offer/sell parts for your products to use in UC, and Participating Agencies, in-house repairs. A Web catalog or (acceptable alternative) must be supplied.

d. New and Discontinued Products

1. Supplier(s) must communicate and make available any special product promotional offers as requested. A system to communicate promotions shall be established during the contracting phase of this process.
2. New Products - The UC recognizes that products and product line additions to the selected Supplier's offerings are likely to occur during the life of this contract. The UC will consider these additions as enhancements. Additions will be considered under the following methods:
    - Products will be categorized with similar products or product lines into existing market commodity codes/product line families previously defined and agreed to by the UC with respect to the discount structure, net price, or total cost of the product.
3. In the event the selected Supplier(s) add a new specialty product line which represents product(s) that are substantially different from the products or brands represented in the existing market commodity codes/product line families, the UC and the selected Supplier(s) may enter into negotiations to establish a discount structure, net price, or total cost for the product(s) if the UC agrees that the product(s) are not covered under an existing market commodity code/product line family. Pricing must be competitive in order to add into the contract. The selected Supplier(s) will provide appropriate documentation to support its position for special pricing. Negotiations must be completed prior to any purchase orders being processed. In the event the UC and Supplier cannot come to agreement the UC may at its sole opinion conduct a separate formal bidding process.
4. Supplier shall notify the UC 60 day's in-advance of any products being discontinued wherever possible.

e. Cabling - All Manufacturers of cabling products, must comply with Technology Industry Association (TIA-569-C-2012) standards for cabling raceway and data equipment outlet openings.

f. Warranty –A minimum warranty of ten (10) years is required for 'seating', with a minimum of five (5) years applying to 'other' products. Note an exception for upholstery, which must have a minimum warranty of 3 years.

g. Surcharges and/or Tariffs – With the exception of 'Tariff Related Surcharges', there shall be NO surcharges during the term of any resulting contract. A supplier may request temporary surcharges for newly levied tariffs affecting their global supply chain, either directly or indirectly impacting most/critical materials, whether it is finished goods or directly imported materials, or raw materials that their suppliers must purchase from China for use in their production process. Any such charges must be substantiated through appropriate documentation prior to the approval process beginning. Approved charges will be considered as temporary, with the expectation of removal or reduction in accordance with removal or decreases by the government.

h. FOB - Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.

F. Services

a. Specific Delivery, Installation & Service options, have been detailed for the UC System and National Accounts. These required services are shown separately and/or aligned with a Supplier's Pricing/Declared Discounts off List and are found on Exhibit A and B.

b. Prevailing Wages – Supplier understands that Prevailing Wage requirements apply to this contract, as detailed in Master Agreement, Section 10 – Prevailing Wages

c. Customer Satisfaction and Service Standard Metrics (UC Specific) - Supplier will be responsible for product satisfaction. Supplier(s) will act as a customer advocate and coordinator for communications with the dealer that is responsible for performance and problem resolution. Supplier(s) responsibility for support continues even if the Supplier discontinues selling a product to the extent that resolution is possible. Suppliers must take necessary actions with dealers to reduce, minimize and prevent stock-outs of product (i.e. backorders), and to ensure that promised lead-times/ship dates/arrival dates are accurate. Customer satisfaction will be a determining factor in measuring Supplier(s) performance. Supplier and UC jointly will on a routine basis conduct and monitor customer satisfaction with a formal survey process. Results and feedback will be published on a regular basis in a format to be developed. Supplier and/or Dealer shall provide Toll-free number for assistance in order placement and focused customer service team for the UC.

1. Each Location has means to determine their internal level of customer satisfaction and if dealer is meeting performance metrics. If a dealer falls below the service level expectations it will be escalated to that Location's Materiel Manager and to UCOP to determine a mutually agreed upon corrective action plan to resolve the concern. If the service levels do not improve to the satisfaction of the University the issue may ultimately result in termination of the agreement.

d. Ship to and Consolidation of Orders – Required 'ship to' for UC locations will be determined at the time of order. It is the responsibility of the manufacturer and servicing dealer to achieve this in the most efficient manner. For incidental (non-project) orders, UC expects the servicing dealer to consolidate orders and deliveries in a manner such that multiple deliveries to the same campus on the same day should not be charged full freight for each individual item delivery. Servicing dealer shall track, receive, warehouse, and deliver the product to the jobsite and perform final inside deliveries to specific office, suite, work space, lab, job site, etc. at all UC delivery accessible locations. Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.
e. Storage: (UC Specific): First 30 business days of storage required shall be at no cost to UC or participating agencies. UC may require items to be in storage beyond 30 bus days and may be charged at rates not to exceed the charge listed on Exhibit B Discount and Service Pricing. Note: UC must be prepared to accept product within 10 days of shipment or UC must notify Dealer of its need to enact its option for 30 days free storage from the Dealer. The 30 days shall begin when product arrives to Dealer's facility/dock. Any period after that point, will be charged at rates quoted within this Agreement.
f. Returns/Damaged product (UC Specific) - Products damaged, duplicated, incorrectly ordered by or incorrectly shipped by the manufacturer or dealer shall be replaced or picked up by the Supplier(s) within 2-3 business days after notification at no cost to the UC or participating agencies and thereafter a credit issued (if applicable) within five (5) business days to the satisfaction of the customer. There shall be no restocking charges or additional shipping charges, etc. for these items. If product has concealed damage due to carrier, Customer and/or Dealer has 15 days from delivery to file a freight claim with Supplier.
g. Trade Fairs (UC Specific) - If requested a Supplier is expected to sponsor trade and/or manufacturer exhibit/product shows at each of the UC locations and must comply with each campus' policies regarding space rental, advertising and coordination with each campus Materiel Management office.
h. Training (UC Specific) - When requested, the Supplier(s) will provide in-house "start-up" and/or training sessions to the UC users regarding the Supplier's software, ordering system, etc. at no charge to the UC. Similarly, a Supplier shall participate in developing and delivering Web Training for same.
i. Manufacturer/Dealer Documentation – A Supplier must provide the following, free of charge; 1) documentation of existing architectural and electrical elements of product (anything that impacts furniture placement), 2) Data and electrical coordination, including Title 24 documentation, 3) Plans and 3D images in AutoCAD and PDF formats.
j. Material Samples (UC Specific) - A Supplier must provide Material samples to customers, when requested.
k. Seating Labs-Showrooms (UC Specific) - Supplier to work with locations to provide sample product/guidance for seating labs/showrooms for potential customers to evaluate.
l. Delivery Delays. Supplier will report any delivery delay whatsoever to the ordering Location, as well as its cause, within two (2) hours after Supplier is able to reasonably determine there will be a delay; the report will be provided to UC by telephone and e-mail. Supplier will keep UC fully informed and will take all reasonable action in eliminating the cause of delay.
m. Credit. Requests for credit can be transmitted by the ordering UC personnel via the established order management system (telephone, paper return form, and web-based). Chargebacks and credit memos will be issued to UC ordering departments in the current month's billing period. If Goods were purchased via UC purchasing card, credit must be issued to the same purchasing card.
n. Out of Stock Items - If there is an out of stock situation of any ordered inventoried item(s), the out of stock item will be added to the back order file and will be delivered to UC when the item is in stock without a further order being submitted.
o. Restocking Fees - For 'made to stock items' (stocked inventory – not made to order), return of conforming goods, are subject to a 50% restocking fee. All freight charges for returned product are the responsibility of the customer. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packed and protected in the original cartons. Upon receipt, all returned merchandise will be thoroughly inspected. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued

10. Changes to the Services

UC may desire to change the Goods and/or Services following execution of an SOW. If so, UC will submit a written Amendment to Supplier describing the changes in appropriate detail. If an Amendment does not require Supplier to incur any additional material costs or expenses, then Supplier will make the modification within ten (10) business days of Supplier's receipt of UC's Amendment. If

an Amendment does require that Supplier incur additional material costs or expenses, then Supplier in good faith will provide UC with a written, high level, non-binding assessment of the costs and expenses and the time required to perform the modifications required by the Amendment, within ten (10) business days of Supplier's receipt of UC's Amendment. UC will notify Supplier in writing within ten (10) business days after receipt of Supplier's response to the Amendment as to whether UC wishes Supplier to implement the Amendment based on the response. UC will compensate Supplier for implementation of an Amendment in accordance with the terms and conditions of the relevant Amendment and Supplier's response to the Amendment, if any. Supplier's implementation of an Amendment will not delay the performance of Services and/or the delivery of deliverables not reasonably affected by an Amendment.

11. No Mandatory Use

Because there is no mandatory use policy at UC, nothing in this Statement of Work will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

12. Liquidated Damages (this section is specific to UC)

If a Supplier fails to accurately and completely specify a UC Buyer's requirements when placing an order(s) with Manufacturer, Supplier shall bear all liability for damages incurred by UC Buyer related to such failure by Supplier and liquidated damages may apply, if deemed appropriate by UC; such liquidated damages noted below:

Supplier shall pay Buyer five hundred dollars ($500.00) per day as liquidated damages for every business day beyond the agreed-upon installation date that Supplier fails to install a material amount of product, as defined below. In the event of such failure, Supplier shall use its best efforts to provide temporary furniture for use by Buyer until the delayed furniture is installed. It is the Buyer's choice to accept or not accept temporary furniture and waive or not waive any associated liquidated damages associated with the delayed furniture. Payment shall be made in the following manner: Supplier shall issue a credit memo in the amount of the liquidated damages, and such amount will be deducted from any monies due Supplier by Buyer. Supplier will not be in default or liable to pay liquidated damages if the delay is due to order changes by Buyer, construction/inspection delays at the site, Acts of God, or any other reason beyond Supplier's reasonable control. A "material amount of product" means the ordered item(s), functional elements and/or accessories that are necessary to allow a workspace to be utilized fully and immediately following the agreed-upon installation date.

Immediately after or during all installations, Supplier agrees to establish a punch list in cooperation with Buyer. A punch list shall consist of an inventory of any and all missing, damaged, mistakenly shipped, or incorrect installation parts, components, or whole pieces of furniture. The Supplier must correct and remedy all the items on the punch list within 30 calendar days. If Supplier fails to correct and remedy all the items on the punch list by the agreed-upon date (if outside 30 days as if silent 30 days is assumed), Supplier shall deduct 2 1/2% of the total value of the product order from the final invoice submitted to Buyer, as liquidated damages. If Supplier fails a second time to correct and remedy all the items in the punch list by the second agreed-upon date, Supplier shall deduct another 2 ½% (total of 5%); if Supplier fails a third time to correct and remedy all the items in the punch list on the third agreed-upon date, Supplier shall deduct another 2 ½% (total of 7 ½%); and if Supplier fails a fourth time to correct and remedy all the items in a punch list on the fourth agreed-upon date, Supplier shall deduct another 2 ½% (total of 10%). The foregoing liquidated damages charge is applicable regardless of whether and/or when some items on a punch list are corrected or remedied. All items on a punch list must be corrected and remedied on the agreed-upon date, otherwise, the foregoing liquidated damages shall be applicable. On each installation, Supplier shall hold back from invoicing Buyer 10% of the value of the total order to address timely resolution of punch list issues. The final invoice, if any, shall be submitted after Buyer and Supplier mutually acknowledge, in writing, resolution of all items on the punch list.

13. Incorporated Documents

The following documents are incorporated and made part of this Agreement, as if fully set herein, listed in the order of preference following the Agreement.

Exhibit A – National Discount and Service Pricing
Exhibit B – **UC** Discount and Service Pricing
Exhibit C - UC Sustainability Requirements
Exhibit D – UC Reporting Requirements
Exhibit E – UC Ergonomic Requirements
Exhibit F – UC Dealer Network & Capabilities
Exhibit G - UC –Additional Terms and Conditions

This Statement of Work is signed below by the parties' duly authorized representatives.

EXHIBIT A – NATIONAL PROGRAM - DISCOUNT & SERVICE PRICING AND PRICING TERMS

A.1 – Product/Service Pricing - OMNIA Partners & Participating Public Agencies

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect at the time the purchase order is placed, less the minimum discounts on the items listed below. Pricing shall be based on Supplier's current National Price List/Price Book

Deliveries from Dealer to Participating Public Agencies shall be FOB, Participating Public Agency's designated location, freight prepaid and allowed for purchase orders within the United States. Exceptions include Alaska and Hawaii, where additional freight charges apply and will be quoted upon request.

A.2 – Price Increases

OMNIA and UC Contract Administrator shall be given written notification of any Price List changes, thirty (30) days prior to effective date of change. Price increases shall be accompanied by information showing the percent increase by line and as an average. In addition, a supplier shall include market information and/or commodity indices (as referenced below) supporting the change:

- Commodity Information/Market Drivers
- Pertinent index/indices covering the previous period of service; 1) PPI- BLS Series ID: WPU122 Price of Commercial Furniture; 2) PPI - BLS Series ID: WPU12220325 Price of Non-wood Office Seating; 3) CPI-U, US city Average, All Items less Food and Energy
- Pertinent labor data including (but not limited to NAICS 3370A1 - Furniture and Related Product Manufacturing (3371 and 3372 only)

DELIVERY

• Drop ship or Tailgate Delivery means product is delivered to the site. Purchaser is responsible for unloading.

• Inside Delivery means product is delivered to the site and unloaded.

BASIC INSTALLATION - Includes inside delivery, uncrating, assembly, set-up (if required), installation, removal/disposal of all debris from premises, and vacuuming the premises, installation documents, and the bill of materials per the purchaser's approved plan and specifications.

EXPANDED/COMPLEX INSTALLATION Includes basic installation; field measurements surveyed, documented and coordinated; electrical and telecommunication/data in-feed locations are surveyed, documented and coordinated; attend required coordination meetings with purchaser and other contractors; and creation and implementation of punch list by project manager.

Pricing Parameters

• During normal business hours, M-F, 7:00am-5:00pm local time.

• Non-union labor

• All necessary tools and equipment required to install per the drawing or quote

• Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process

• Free and clear access to loading docks and elevators

• Job site to be free and clear of debris

• Service work not be hindered by other trades, product tools, equipment

• Reasonable access to space

Exclusions:

• Any work requiring a licensed electrician is the purchaser's responsibility

• Hardwiring of furniture to the building source

• Connection of phone and data lines to the building source

Additional Cost:

• Union, prevailing wage, overtime, and "after hours" (evenings, weekends, holidays) work.

EXHIBIT B - UNIVERSITY OF CALIFORNIA DISCOUNT & SERVICE PRICING AND PRICING TERMS

B.1 Product/Service Pricing - UC

The price for Products purchased under this Agreement shall be those prices shown in the applicable Price List in effect for the UC at the time the purchase order is placed, less the minimum discounts on the items listed below. Price List 2019, as bid in August 2019, shall remain firm until April 30, 2021.

The price for services as stated as a 'Discount off List Price' (included with delivered product) or as 'Services Rates' priced hourly/separately per service.

Deliveries from manufacturer or Dealer to the UC, shall be FOB **UC designated location**, freight prepaid and allowed for purchase orders within the United States.

Payment Term revised for UC – Purchases for UC locations, under this Agreement are Net 30 days of product delivery to UC designated location (including Dealers Warehouse. This is a change for terms stated for Participating Agencies.

B.2 UC Price Protection

Discount Percentages/Pricing Structure, as quoted in the RFP Response and negotiated, shall remain firm for the initial period of the agreement (May 20, 2020 to April 30, 2024). In addition, actual prices quoted at the time of this RFP, as based on discount off current Manufacturer's National List Price #2019, shall be held firm until April 30, 2021, meaning prices quoted cannot increase, regardless of any change to the Manufacturer's National List Price until that time. Additional Price List advancements will not be considered more than once yearly. If increases are supported by market data and negotiated with Contract Administrator (see below), UC will advance to the next price List, in consecutive order (e.g.PL 2020 on May 1, 2021). UC orders are subject to Price List, in effect for UC at order placement.

a) Product list-price adjustment shall be effective upon a sixty (60) day written notification given to UC. When submitting notice of increases, SUPPLIER shall provide supporting documentation, which will include a spreadsheet displaying product increases and the UC weighted average increase, as well as market information and commodity indices (as referenced below) supporting the change:

- Commodity Information/Market Drivers
- Pertinent index/indices covering the previous period of service; 1) PPI -BLS Series ID: WPU122 Price of Commercial Furniture; 2) PPI -BLS Series ID: WPU12220325 Price of Non-wood Office Seating ; 3) CPI-U, US city Average, All Items less Food and Energy
- Pertinent labor data including (but not limited to NAICS 3370A1 - Furniture and Related Product Manufacturing (3371 and 3372 only)

Calculation of weighted average increase will be based on items purchased over the previous 12 months by UC. In the event the UC weighted average change has a significant and documented cost increase in excess of 3.0%, a full examination of market data and resources, shall be conducted by UC and Supplier to arrive at a final determination of market impact/increase. Impacted areas/product may be negotiated by UC, individually and/or as an aggregate, to arrive at the final determined increase; changes to be mutually approved.

b) Service Pricing Increases (Hourly Service Rates -not inclusive of Prevailing Wage Quotes) - Hourly Service and Labor Charges are quoted for services provided by Supplier's Dealers. Increases are not allowed during the Initial (UC) Agreement Term unless unforeseen events/circumstances, regional or state-wide, create market pressures limiting the ability of a Dealer to contract for services within the parameters of this Agreement. In that event, the Supplier shall supply proof of market condition and/or any alignment to "Increases for Modular Furniture Installation #NC-23-31-15-2019-1", to UC contract Administrator, with request; outcome to be supported and mutually agreeable.

Repair Parts non-warranty Net pricing						
Insert additional rows as needed						

Other Required Services for UC Locations - to be offered by Dealer for additional cost when not included in Customer's chosen Discount package, listed above.	**Hourly Rates**	**Comments**
Design Services	$66.30	NOTE: Design Services is offered hourly or as a percent% off discount (2% of List)
Project Management Services	**$73.44**	
Asset Management (e.g. Dealer tracks ownership at campus level)	n/a	
Demolition (breakdown and removal or repacking of old stock)	$53.04	
Other - Insert rows as needed		

Storage	**Rate per Sq. Ft.**	**Comments**
Storage (for anything beyond the mandated 30 days)	$1.57	

Labor/Installation - Hourly installation rates are quoted using the appropriate hourly labor application, such as Union rate, Prevailing Wage rate, or your Standard Labor rate (Standard used for Basic Installation and not to be less than UC Fair Wage-Fair Work rate paid to installers), while taking into consideration the labor activity required for the installation and the local labor regulations.	**Hourly Rates**	**Comments**
Basic Installation Rate (utilizing Standard Labor)	**$53.04 - $65**	$53.04 Irvine, UCLA, Riverside, San Diego and Santa Barbara $65 for UC Merced, Berkley, Santa Cruz, San Francisco, UC Davis

Services Associated with Discount off List

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

Drop Ship Delivery has two options:
• Manufacturer ships to any delivery, accessible campus location. This option contains the possibility of multiple delivery points.
• Manufacturer ships to one default location at the campus location. This option highlights the campus capability to receive shipments at a central delivery spot.

Dealer Delivery/Basic Installation Services will include:
• Product is unloaded off the truck and delivered to the point inside a building during normal business hours, M-F, 7:00am-4:30pm local time.
• Furniture wiped down, leveled, and place ready-to-use furniture per customer's instructions.
• Removal and disposal of any packing materials (removed from UC site/property).
• ADA compliance (required)
• Dealer management as it relates to final order-ready quote, exact delivery dates and times, placement/install of the furniture items, correction of any discrepancies between the final quote and customer purchase order, replacing any items short shipped and/or accepting the return of any over shipments and/or missed shipments, and submitting accurate invoice that matches the customer's purchase order.
• Processing of any necessary freight/damage claims.

Dealer Delivery/Complex Installation Services (i.e., project pricing) will include:
• All services described in above Basic Installation.
• Project Management, which are services in which many segments of a furniture project must be professionally coordinated and well-orchestrated through the punch list, proper oversight must be maintained, and milestones must be adhered to.
• Design Services, which are services and processes required to convert a customer's expressed needs into a functional design and an accurate, order-ready specification. Design Services are outlined below.

Design Services
Design Services are usually utilized for a Complex Installation project. These same design services are available when using Drop Ship Delivery or Basic Installation and are quoted as an additional hourly cost. Pricing for design services include, but are not limited to:
• Maximum of Two Designs
• Up to Two Major Design Revisions (changes > 30%)
• Fully-annotated 2D and 3D CAD renderings for initial design and all revisions
• Complete Installation Drawings
• Site Verification and Field Measurements prior to Furniture Order
• Verification of all Critical Measurements taken from Architectural Drawings
• Furniture Electrical Plans (Note: Client/Customer responsible for coordination and implementation of the building electrical/data per furniture plans.)
• Signed Furniture Plans required prior to Specification of Furniture
• Furniture Installation is ADA and California Building Code compliant

• All Finish and Product Samples as needed/as requested; Help and Consultation in the Selection
• Attendance at Required Meetings

Installation Job Site Expectations

• All necessary tools and equipment required to install per the drawing or quote
• Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process
• Reasonable access to the space; Access to hoisting and/or elevator service
• Job site to be free and clear of debris
• Containers for the disposal of packing materials off-site
• Service work not be hindered by other trades, product tools, equipment

Exclusions, which are the customer's responsibility, are:

• Any work requiring a licensed electrician including, but not limited to, hardwiring of furniture to the building source.
• Connection of phone and data lines to the building source

Exclusion, which would incur additional labor and equipment cost, is:

• Any furniture product that must be conveyed via alternative means, including stairs, forklift, access corridors, etc.

Installation labor for a Basic Install or a Complex Install are expected to be conducted during normal business hours, M-F, 7:00am-4:30pm local time, and confirmed by each UC location. Hourly labor rates are quoted using the appropriate hourly labor application, such as Union rate, Prevailing Wage rate, or your Standard labor rate (not to be less than UC Fair Wage-Fair Work rate (currently $15.00 per hr.), taking into consideration the labor activity required for the installation and the local labor regulations. The quoted hourly labor rates are required to be displayed in a detail breakdown on the quote, i.e., number of hours, number of crew, etc. and will include any overtime or "after hours" work, such as evenings, weekends, and holidays.

EXHIBIT C - UC SUSTAINABILTY REQUIREMENTS

Below are excerpts and links related to recent revisions made to UC's Sustainable Practices Policy. They are provided for your convenience and are not meant to replace a full review of all materials. Links to the Policy and associated Guidelines are provided below for your review.

- UC SUSTAINABLE PRACTICES POLICY (Sustainable Procurement pg. 12–15 and 27–29): https://policy.ucop.edu/doc/3100155/SustainablePractices
- UC SUSTAINABLE PROCUREMENT GUIDELINES: https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf

UC Sustainable Practices Policy – Sustainable Procurement

E-COMMERCE REQUIREMENTS

Awarded suppliers will be required to clearly identify products with UC-recognized certifications, as defined by the Guidelines, in both hosted and punchout catalog e-procurement environments.

1) Contract items that meet the UC Green and UC Green Preferred criteria as outlined in the Guidelines will be prioritized in all product searches.
2) Unless locations request otherwise, products that do not meet the University's minimum criteria requirements will be blocked in all hosted catalogs and punchout catalogs upon contract award.

PACKAGING STANDARDS

UC Standards for packaging materials were listed within the RFP. Supplier must meet one of these goals and (if not mandatory), adhere and/or demonstrate movement toward the other packaging goals. Goals and advancement should be detailed during Business Reviews.

All packaging delivered to the UC must be compliant with the Toxics in Packaging Prevention Act (AB 455) as to be free of any intentionally introduced lead, cadmium, mercury or hexavalent chromium, and containing no incidental concentrations of these regulated metals greater than 100 parts per million (ppm) by weight. In addition, the University requires that all packaging meet at least one of the criteria listed below:

a) Uses bulk packaging;
b) Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
c) Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
d) Maximizes recycled content and/or meets or exceeds the minimum postconsumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
e) Uses locally recyclable or certified compostable material.

PACKAGING FOAM BAN

By 2020, the University will prohibit the sale, procurement or distribution of packaging foam.

Packaging foam refers to any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: Ethylene-vinyl acetate (EVA) foam, Low-density polyethylene (LDPE) foam, Polychloroprene foam (Neoprene), Polypropylene (PP) foam, Polystyrene (PS) foam (including expanded polystyrene (EPS), extruded polystyrene foam (XPS) and polystyrene paper (PSP)), Polyurethane (PU) foams, Polyethylene foams, Polyvinyl chloride (PVC) foam, and Microcellular foam. Packaging foam does not include easily biodegradable, plant-based foams such as those derived from corn or mushrooms.

ELECTRONIC TRANSFER OF SUPPLIER INFORMATION

Awarded suppliers, when interacting with the University, shall be prohibited from providing hard copies of presentations or other materials. Suppliers will be required to present all information in electronic format that is easily transferable to University staff, who may choose to print their own copies in accordance with UC Policy if necessary. Materials may be provided if specifically required or requested by a UC representative.

ENVIRONMENTAL MARKETING CLAIMS

All sustainability-related purchasing claims must be supported with UC-recognized certifications and/or detailed information on proven benefits, durability, recycled content, and recyclability properties, in accordance with the Federal Trade Commission's (FTC) Green Guides for the use of environmental marketing claims (https://www.ftc.gov/sites/default/files/attachments/press-releases/ftc-issues-revised-green-guides/greenguides.pdf).

UC Sustainable Procurement Guidelines

GENERAL CHEMICALS OF CONCERN CRITERIA FOR PRODUCTS AND PACKAGING

Products and packaging shall be free of hazardous additives, including those mixed into the product and those used as surface treatments, unless no feasible alternative exists, and it is determined that the benefit outweighs the risk. Products and packaging must meet all eleven of the Kaiser Permanente Chemicals of Concern Criteria (http://supplier.kp.org/formsreqs/KPEPPStandards.pdf), including, but not limited to:

a) Cadmium, mercury, lead, hexavalent chromium, polybrominated biphenyls, and polybrominated diphenyl ethers - All homogenous electronic parts are compliant with all European Union Restriction of the Use of Certain Hazardous Substances (EU RoHS) Directive's restricted limits (excluding exemptions).
b) Polyvinyl chloride (PVC)
c) Prop 65 Chemicals - Does not contain intentionally added chemicals listed by the State of California to cause cancer, birth defects, or reproductive harm that require warning or are prohibited from release to the environment under the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65). If contains Prop 65 chemicals, supplier must disclose Chemical Abstracts Service (CAS) #'s.
d) Persistent, bioaccumulative and toxic chemicals (PBTs) - All homogeneous materials must contain less than 1000 ppm of PBTs.
e) Organohalogen-based chemicals (bromine, chlorine, fluorine, and iodine)
f) Antimicrobial/antibacterial agents - Does not contain intentionally added antimicrobial/antibacterial agents to reduce surface pathogens.

FURNITURE SUSTAINABILITY STANDARDS

These standards are applicable to all new individual (e.g. task chair) and group seating; open-plan and private-office workstations; desks of all types, tables of all types; storage units, credenzas, bookshelves, filing cabinets and other case goods; integrated visual display products (e.g. marker boards and tack boards, excluding electronic display products); hospitality furniture; and miscellaneous items such as mobile carts, freestanding screens, and movable partitions. Movable partitions include office furniture system cubicle panels that are typically integrated with work surfaces, desks, and storage furniture.

These standards do not apply to office accessories, such as desktop blotters, trays, tape dispensers, waste baskets, all electrical items such as lighting and small appliances, and accessories such as aftermarket keyboard trays, monitor stands and monitor arms.

In addition, the following Required Sustainability Criteria apply to the finished product as assembled, unless otherwise specified. For example, compliance with the VOC Emission requirements applies to the finished product as assembled and thus, the applicable third-party certification must be for the finished product as assembled, not the individual components.

The Supplier will be expected to limit product finishes and textiles offerings to those that maintain compliance with these requirements. For example, University end-users should not receive information on surface materials or textiles that would conflict with these requirements or otherwise void a VOC Emission certificate (i.e. some surface materials are not included in a product's VOC certification).

Minimum Required Criteria:

1. All furniture must meet one of the following requirements (either (a) or (b)1-5):
   a) Be certified under BIFMA criteria 7.4.4 – Targeted Chemical Elimination – of ANSI/BIFMA e-3 Furniture Sustainability Standard (2019 version).
   b) Be free of the 5 classes of chemicals of concern described below:

      1. Flame Retardants: All furniture shall be free of flame retardant chemicals at levels above 1,000 parts per million in both standard and optional components, excluding electrical components.
         a. All upholstered seating subject to TB 117-2013 shall be labeled as not containing flame retardant chemicals consistent with the manner described in Section 19094 of the California Business and Professions Code.
         b. A product may contain flame retardants if required to meet code or regulation (e.g., TB 133 or ASTM E 1537), in accordance with the following criteria:
            i. No halogenated flame retardant chemical may be used at levels above 1,000 parts per million by weight of the homogeneous material, excluding electrical components.
            ii. Products that contain flame retardant chemicals that have been fully assessed using GreenScreen v1.2 (or newer) and meet the criteria for benchmark 2, 3, or 4 will be preferred.
      2. Formaldehyde and Volatile Organic Compounds (VOCs): All furniture shall comply with ANSI/BIFMA e3-2014 Furniture Sustainability Standard, Sections 7.6.1 and 7.6.2, using either the concentration modeling approach or the emissions factor approach.
         a. Test results shall be modeled using the open plan, private office, or seating scenario in ANSI/BIFMA M7.1, as appropriate.
         b. Furniture products that additionally meet ANSI/BIFMA e3-2014 Section 7.6.3 and/or California Department of Public Health Standard Method v1.1 (emission testing method for California Section 01350) are preferred.
         c. Products with UL Environment GreenGuard Gold, or Scientific Certification Systems (SCS) Indoor Advantage Gold third party certifications for CA Standard Method v1.1 2010 are automatically compliant.
         d. Salvaged and refurbished furniture more than one-year old at the time of re-use is considered compliant, provided it meets the requirements for any site-applied paints, coatings, adhesives, and sealants.
         e. All composite wood materials, including hardwood plywood, particleboard, or medium density fiberboard, used in office, classroom, or healthcare furniture shall comply with Phase 2 of California's Code of Regulations, Title 17 §93120.2 – Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products. Compliance

documentation for this requirement may be satisfied by demonstrating applicable components meet the requirement (as opposed to finished product as assembled).

1. Per and Poly-Fluoroalkyl Substances (PFASs) used as stain/water/oil resistant treatments: All furniture shall be free of any long- and/or short-chain per- and poly-fluorinated alkyl compounds and fluorinated polymers used as stain, water, or oil resistant treatments above 100 ppm by weight of the homogenous material.
2. Antimicrobials: All furniture shall be free of any added or built-in chemical antimicrobials. Antimicrobials added to raw materials for the sole purpose of preserving the product are exempt, with the exception of triclosan and triclocarban which are explicitly prohibited. Antimicrobials may be used in a healthcare setting only if they are registered with the U.S. EPA under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and are part of a comprehensive infection control plan.
3. Polyvinyl Chloride (PVC): All furniture shall be free of polyvinyl chloride (PVC) greater than 1% of product by weight, excluding electrical components. Electrical components that are free of PVC are preferred.
4. All fabrics/textiles utilized on a finished product under this Contract must be cleanable without dry-cleaning chemicals.

Preferred Criteria

Must meet all of the above Minimum Required Criteria, and have at least one of the following additional certifications or documentation:

- BIFMA Level (preference for Level 2 or 3)
- Cradle to Cradle (C2C) (preference for Silver or Gold)
- Meets the Healthier Hospitals Initiative (HHI) Safer Chemicals Challenge and has published product list on the Healthier Hospitals Healthy Interiors Goal website
- Forest Stewardship Council (for products containing wood)
- Textiles certified by one of the following recognized certifications:
  - GOTS
  - Standard 100 by Oeko-Tex
  - STeP by Oeko-Tex
  - Cradle to Cradle
  - NSF/ANSI 336-2011 (Facts)
- Complete Health Product Declaration (HPD)
- Complete Declare label

Documentation Requirements

Upon request, Supplier will be expected to provide applicable documentation confirming that products meet the University's Sustainability Standards for furniture. As applicable to the individual criteria, documentation will be in the form of third-party certificates, product test results, applicable forms, a formal letter of assurance from the manufacturer stating the product meets individual sustainability criteria, and/or other documentation as needed to meet green building certification documentation requirements (such as for LEED, WELL, Living Building Challenge, etc.). These requests may occur during evaluation of new products to be added to the University standard furniture catalog and/or as part of documentation requests required for LEED or WELL projects.

Definitions for this Exhibit

Antimicrobial chemicals:

Chemicals intended to disinfect, sanitize, reduce, or mitigate growth or development of microbiological organisms, or protect inanimate objects, industrial processes or systems, surfaces, water, or other chemical substances from contamination, fouling, or deterioration caused by bacteria, viruses, fungi, protozoa, algae, or slime.

Flame retardant chemicals:

Any chemical or chemical compound for which a functional use is to resist or inhibit the spread of fire. Flame retardant chemicals include, but are not limited to, halogenated, phosphorous-based, nitrogen-based, and nanoscale flame retardants, flame retardant chemicals listed as "designated chemicals" pursuant to Section 105440 of the Health and Safety Code, and any chemical or chemical compound for which "flame retardant" appears on the substance Safety Data Sheet (SDS) pursuant to Section 1910.1200(g) of Title 29 of the Code of Federal Regulations. "Added flame retardant chemicals" means flame retardant chemicals that are present in any covered product or component thereof at levels above 1,000 ppm.

Per- and poly-fluoroalkyl substances (PFASs) (often referred to as PFCs):

Category of compounds that includes long- and short-chain per- and poly-fluorinated alkyl compounds, fluorinated sulfonate compounds, and fluorinated polymers. PFASs include any compound that meets any one of the following definitions:

- Perfluoroalkyl substances: Compounds for which all hydrogen atoms on all carbon atoms (except for carbons associated with functional groups) have been replaced by fluorine atoms.

- Polyfluoroalkyl substances: Compounds for which hydrogen atoms on at least one, but not all, carbon atoms have been replaced by fluorine atoms.
- Fluoropolymers: Carbon-only polymer backbone with fluorine atoms directly bound to the polymer backbone.
- Perfluoropolyethers: Carbon and oxygen polymer backbone with fluorine atoms directly bound to carbon atoms.
- Side-chain fluorinated polymers: Variable composition non-fluorinated polymer backbone with fluorinated side chains.

Volatile Organic Compounds (VOCs):

VOCs are defined by the California Standard Method for Testing and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers as carbon-containing compounds (excluding carbon monoxide, carbon dioxide, carbonic acid, metallic carbides and carbonates and ammonium carbonate) with vapor pressures at standard conditions approximately ranging between those for n-pentane through n-heptadecane. Formaldehyde and acetaldehyde are considered to be VOCs.

EXHIBIT D – UC Reporting Requirements

UC System-wide Purchase and Usage Reporting

A UC System Wide Usage/Purchase Quarterly Reports must be provided each quarter, within thirty (30) business days from the close of the previous quarter. Supplier agrees to collect the usage/ purchase data from Supplier's Authorized Representatives and verify the data accuracy. Note: An exception is provided for ANR locations; such locations volume/rebates to be included in reporting for the 'hosting UC campus', providing procurement services for the ANR location.

These quarterly Usage Reports are to be submitted to the UC Contract Administrator based on the below schedule.

- January: for the prior Oct-Dec quarter
- April : for the prior Jan-Mar quarter
- July: for the prior Apr -June quarter
- Oct: for the prior July-Sept quarter

Sustainability Reporting

Supplier shall submit quarterly usage reports in a Microsoft Excel compatible format to Contract Manager University of California Office of the President, Commodity Manager, Yvonne.Macon@ucop.edu, or University's Contract Administrator.

The usage report shall be submitted each quarter, within thirty (30) business days from the close of the previous quarter, mirroring the schedule above. Supplier agrees to collect the usage/ purchase data from Supplier's Authorized Representatives and verify the data accuracy. It shall contain the following information as separate columns:

- Order number or invoice number (unique identifier)
- Campus location and Purchase Order Number
- Order date or invoice date
- Customer number
- Ship To Address
- Product Category (systems furniture, conference, seating, lounge)
- Manufacturer Name
- Manufacturer Product Number
- Item Model Name
- Item Description
- Unit Price**
- Extended Price (quantity x unit price)
- Total Weight (lbs.)
- Pre-Consumer Recycled Content per unit (%)
- Post-Consumer Recycled Content per unit (%)
- Hard Surface Material (e.g. laminate, veneer, etc.)
- Textile Certifications to the best of Supplier's ability – based on textiles used within the 'product units reported' per campus (components are not reported)
- IAQ Certification Name and Certification Level (e.g. SCS Indoor Advantage Gold)
- Cradle to Cradle Certified and Overall Certification Level (e.g. Bronze, Silver, Gold)
- ANSI/BIFMA level Certification and Certification Level (e.g. one, two, three)
- Meets Healthier Hospitals Safer Chemicals Challenge (Y/N)

**Installation and delivery charges should not be included in the furniture unit price.

Reporting of Patronage/Incentives

Supplier shall provide Incentives Reporting to the UCOP Contract Administrator, detailing amounts paid directly to UC Locations, of UC specific rebates of product sales or service to UC Locations, and the data which supports those payments.
Supplier agrees to provide a UC Sales, Incentives/Patronage, and Sustainability Purchase data report to the UCOP Strategic Sourcing Administrator.
http://www.ucop.edu/procurement-services/for-suppliers/supplier-reporting.html

Assistance on completing the form: strategicsourcingreports@ucop.edu
Deadlines for submission of the data report are as detailed above. Quarters reflect UC fiscal year, July-June.

EXHIBIT E – UC Ergonomic Requirements

The term 'minimum' as used in this section is not a minimum mandatory requirement, or a 'hard specification', it is considered a target measurement or typical desired range, and therefore some variance will be considered and allowed.

A. Seating--
Task Seating
Basic Features:
Chair seat swivels easily on a five-leg pedestal base with casters.
Casters are available for different floor surfaces such as carpet, hardwood, and linoleum -
Adjustment controls - easy to adjust from the sitting position and clearly marked to indicate function
No sharp or hard edges anywhere on the chair or controls
Weight capacity of chair is:
Minimum: At least 250 pounds
Preferred: At least 275 pounds
Five-year minimum warranty
Chair adjustment instructions provided to end user

Seat Features:
Seat height – adjustable at least 4.5 inches within the range of 15 – 22.5 inches from the floor to top of the seat
Seat depth
Minimum: If non-adjustable, seat should be no greater than 17" depth.
Preferred: Adjustable seat depth - provides up to 4 inches of forward/backward seat pan movement, range must include 17" seat depth.
Seat pan angle
Minimum: If seat angle does not adjust, seat is designed with a slight backward or forward angle.
Preferred: Seat angle range has at least 6 degrees of user-controlled adjustability, from leaning forwards to leaning backwards.
Seat pan width minimum of 18 inches/
Front edge of seat is rounded.

Backrest Features:
Backrest height - top of backrest is at least 17.7 inches above the seat (1, pg. 82).
Backrest height adjustability
Minimum: Entire Backrest and /or lumbar support adjustable within the range or 6 - 10.5 inches above the seat 1.
Preferred: Entire backrest and/or lumbar support adjustable from 6-10.5 inches above the seat.
Backrest width - at least 14 inches
Backrest shape
Minimum: Backrest is curved at the lower portion to support the lumbar area
Preferred: Backrest should curve outward towards seated user, especially at the lower portion to support the lumbar area (1, pg. 83).
Backrest angle
Minimum: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to slightly reclined position (105 degrees)
Preferred: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to recline position (120 degrees). User-adjustable headrests are necessary for chair reclining greater than 120 degrees
Backrest angle lock -
Minimum: Backrest can move freely with user-adjustable resistance.
Preferred: Backrest can be locked into various positions.
Armrest Features:
Armrest height
Minimum: adjustable and within the range of 7-10.5 inches.

Preferred: adjustable from at least 7 to 10.5 inches above seat.
Armrest width
Minimum: At least 18 inches of clearance between armrests.
Preferred: At least 18 inches of clearance between armrests and arm-rests adjust in/outwards and pivot.
Armrest shape – smooth, flat, padded with no hard edges or materials.

Value-added Features: Required
Chairs are delivered to campus assembled.
Instructions for warranty and maintenance issues are provided.
Available in fabric and vinyl.
Samples available for Ergonomic Program review and demo rooms.
Speed of delivery/quick ship.

B. Work Surfaces
Free Standing Height Adjustable Table
Basic Features
Height adjustability minimum from 22 to 48 inches. Prefer entire work surface is user height adjustable (electric or crank system) within the above range.
Width of top surface: Shall have a minimum of 48 inches of usable desk surface with a minimum of 41 inches unobstructed leg room underneath
Work surface Depth (with no obstructions for the legs): Shall be a minimum or 24 inches deep. 30 inches or more preferred
Thickness: No greater than 1.5 inches
Finish: Matte finish
Edges: Rounded front edges; no sharp corners, cut-outs, or edges
Stability: Shall be structurally rigid and stable. Shall support at least 200 pounds

Value-added Features: Required
Tables are delivered to campus assembled.
Instructions for warranty and maintenance issues are provided.
Samples available for Ergonomic Program review and demo rooms.

DocuSign Envelope ID: 6EA2A94D-4C9C-4D2E-AC56-49EAB2A1249B

EXHIBIT F – UC Dealer Network and Capabilities Summary

Kimball's Authorized Dealers for UC

The below list of Dealers, is current as of the signing of this Agreement. Kimball Primary Dealers assigned to the UC, may be changed by mutual agreement or per UC request, per RFP requirements. In addition, Supplier reserves the right to add or delete a UC Primary Dealer, should it be required owing to a change in Supplier's business relationship with that Dealer, necessitating the change. In that event, should the UC request it, a new Dealer, with equal capabilities, shall be established within a similar or superior, proximity to the UC(s) as was the deleted Dealer. Any change of this nature (addition or deletion), over the lifetime of this Agreement, shall be made in writing, ninety (90) days in advance of addition and/or deletion of Dealer and shall not work to the detriment of any current projects, in process with any UC Locations.

EXHIBIT G – UC Additional Terms and Conditions

1. Administrative Fees and Incentives

In addition to OMNIA Partners administrative fees associated with manufacturer's sales under this contract; 1) Supplier shall provide a UC specific rebate of 2% of manufacture's product sales to UC; 2) Dealer shall pay 2% of 'Other Manufacturer's' product sales; 3) Dealer shall pay 2% of Dealer Services to UC; such amounts to be paid quarterly, directly to the UC locations, for the duration of any contract resulting from this RFP process. The amount of quarterly rebate provided to each UC location will be calculated based on the total of product and service billed and paid for each location. Note: Each UC location will have the right to modify proposal pricing for an individual campus, up to 2%, in the event a UC location decides not to implement a rebate program. Instructions for reporting and the Contacts for Payment of Incentives, can be found at https://www.ucop.edu/procurement-services/for-suppliers/supplier-reporting-files/patronage-and-incentives-contact-list.pdf

Instructions

Respond to each question in the questionnaire sheets.

Note

Certain question types are not supported in Excel format (such types are highlighted in the template). Responses to these questions need to be provided on the application.
Data provided through this file will overwrite any existing data on the application.
* Indicates that the question is mandatory and must have a response.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Company Profiles/General Capabilities
Questionnaire Description:	Company structure, qualifications, and capabilities

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Company Profile - Provide an introduction and general description of the company's background, nature of business activities, and years of experience in providing office furniture and product support.	-	Kimball is an Amercian Manufacturer based in Indiana. Kimball has several sales and manufacturing locations throughout the United States. We manufacture private office, seating, tables, storage, and panel systems using multiple materials such as wood, metal, laminate, glass, etc. Our Office Furniture division was started in 1970 manufacturing casegoods and storage items for the work place. Since then we have evolved into systems manufacturing, metal manufacturing, and added Healthcare and patient care furniture in 2014, We continue to expand our quality offering to provide choice in the work place, in the education space and the family and patient care spaces. We partner with over 300 distribution networks throughout the county, London, Mexico, and the Middle East. We believe that space should be functional and provide comfort and well being
-	2	Proposer's Staffing and Qualifications - Indicate the name and title of the person who will have the overall account management responsibility as specified in this RFP. Provide a brief resume of the account manager's background, training, experience and length of time with the company. Specifically discuss the individual's experience in managing a program of similar size and scope as described in this RFP.	-	Upon award of contract Kimball will hire a respected and knowledgeable account manager for the entire UC System. They will be based in California and be available to all campus locations. Our intent is to hire an account manager with 5 + years experience with office, education and healthcare environments. The account manager would have design and project management experience and have an overall understanding of furniture. We would work in partnership with UC to ensure you have input regarding the right candidate.
-	3	Employee Training - Describe employee hiring requirements and training policy for any staff who would serve the UC.	-	Kimball has QR&R's (Quality Roles & Responsibilities) for each postion within our organization. We conduct panel interviews and numerically rate the candidate on job knowledge, willingness to stretch and learn, culture fit, and ethics. Kimball provides onboarding with basic training around our mission, guiding principles, ethics, work place harrassment. We also provide technology training and website training. We continue the training with products, competitive knowledge, operations and planning awareness, sales processes, and finally mastering the complex project. Non sales roles are focused on the initial onboarding plan as outlined above and then designed for the specific role they will be performing. Once an employee is proficient in their role, we cross train to other job roles to provide opportunity for growth and ability to respond to the changing needs of the market. Kimball also provides an online self training tool for employees that want to continue their education in soft skills and other areas. Kimball is in the process of redesigning our Kimball University for all new employees and employees joining our company through acquisitions. The initial roll out will be sales and product focused.
-	4	Dealer Network - Utilizing Attachment 1 - Product Categories and Dealer Network, please detail your dealer network and the nature/strength of the business relationship (e.g. are they a Primary Dealer). After completion of both Tabs, you will be asked to upload the attachment here . Note: The UC prefers to manage the fewest number of Dealers as possible, while still providing the specified high quality services to the UC locations. In addition to completing the Attachment, please provide comment here, as to your choices/rationale. Similarly, the UC desires consistency in services and related pricing.	-	*Kimball maintains strong partnerships with dealers nationwide. While considering the importance of consistency and quality, we are utilizing 12 of our strongest dealer partners to service the UC account. These dealers are already familiar with the UC account as they are a part of the current UC Contract with Kimball. The majority of these dealers are Primary dealers to most UC campuses while the remaining are equally commited to our partnership with UC while being a secondary dealer on certain campuses. These dealer partners were strategically selected to sell, service, and install UC product offerings based on their proven service capabilities, expertise, and alignment with our unwavering principles around customer satisfaction.*
-	5	Sub-contracted work - Describe any plan to subcontract portion of the work described in this RFP (example: Dealer Services vs. MFG provides All Services, Direct Factory Shipping 3rd party to customer, etc.).	-	Kimball is a manufacturer and the majority of our service model is in support of our distribution channel. However, we welcome direct customer access to our customer service, our web site, our factories (tours). The services we provide our dealers is a dedicated customer service contact, training, dedicated account managers for major projects and accounts, forums for best practice sharing, and business leadership consultations. Our dealer provide on site and order project management, design/specification, warehouseing/stroage, asset management, change management services, installation, product maintenance, repair and reupholstery, warranty services, reconfiguration, and other services as needed. Kimball provides direct to dealer or direct to customer shipping services. Freight costs are included in our product price.
-	6	Subcontractors/Suppliers - Please detail your policies, and process as it relates to the selection of subcontractors, materials providers, and/or manufacturing partners. Please include any requirements around location/country, size and/or diverse nature of their business practices.	-	Kimball specifically looks for small businesses, diversity, and most importantly the entrepreneurial spirit. We often help start up dealerships with loans or grants to supplement their start up costs. We look for a business plan that includes executive summary, dealerhsip summary, product and services plan, market analysis, sales and marketing strategy, management summary, short and long term financial plan. Our dealers sign a dealer agreement that outlines our expectations around services and performance as well our right to assist them to improve their performance if neccessary or termination. We provide onboard training on products, history, culture, technology tools, specification, anti trust, clean market rules, etc. We
-	7	Required Categories - Manufacturer must demonstrate they can supply product (5 required categories and item types) listed in Attachment 1 - Product Categories and Dealer Network to this RFP. It is located in the Attachments Section of this RFP. After completing Attachment 1 (previously uploaded into question 4 - Dealer Network), use the space here to indicate your compliance/ability to provide Proposer's manufactured product in all 5 categories (Systems, Free Standing, Storage, Seating, Tables) which align to UC Sustainability & Ergonomic requirements.	-	Kimball offers a variety of furniture that fit into all 5 categories of products the UC requires plus many more as displayed in Attachment 1.
-	8	Manufacturing Locations - Please provide the location(s) of your manufacturing plants.	-	Kimball owns manufacturing facilities in Jasper, IN and Salem, IN. Some Kimball products are also manufactured in other facilities located in High Point, NC, Archdale, NC, Baltimore, MD and Red Lion, PA.

-	9	Emergencies - What systems does your company have in place to handle emergencies in an efficient and timely manner during business and non-business hours(please include non-delivery of product)?	-	The emergency resolution process starts with an email or phone call to your dealer account manager. Working with their internal customer service team, a mutually agreed upon resolution is put in place. When needed, the dealer's leadership team may be involved. Should the issue need further attention, your Kimball account manager and customer service representation, along with their leadership contacts, are brought in, depending on the nature of the problem. Kimball manufacturing personnel may also opt make a site visit for issue identification and resolution. We continually work together to ensure your trust in our products and services. Our dedicated Kimball account managers will answer incoming calls within 10 seconds, in addition to quick responses to emails and other forms of communication. Kimball Customer Service is available by phone or email from 7:30am – 6:00pm EST. All incoming calls are routed directly to the appropriate Account Manager supporting your region. This person has the autonomy to make decisions and effectively manage all details about your project. We recognize that most of our customer contact happens through our network of trusted dealer partners, so we work closely with them to ensure that they are meeting our customer's needs. Certain Kimball dealers may have after-hours on call assistance for emergency circumstances. Working closely together, our Sales, Customer Service, and dealer partner ensure that your everyday needs and any emergency situations are met with each interaction. Our goal is to resolve issues within 24 hours. Many questions or issues can be resolved immediately, while others may take more time while we research or engage with our Product or Quality Managers.
-	10	UC Specific Implementation Plan -A Proposer is required to provide an implementation plan with their proposal, covering the items below. Proposer is requested to outline the plan as a narrative answer to this question. If needed, a supplier may provide an additional document within Supplier Attachments. This plan should align with the various facets of this RFP and should target an activation date of November 1, 2020. Any finalist will be asked to further detail this plan in a presentation to Evaluators, at the Phase II Mock-up Event. For the purposes of Phase I submittal, a proposer should more generally outline a plan and timeline for the UC, covering (minimally): o Catalog development w/ Price Discount List noting period of time needed (if any) to identify the lines that align UC Requirements (Sustainability and Ergonomics), on the Pricing Discount List o Ecommerce Integration o Campus Profile Development o Testing and Pilots o Campus Training o Marketing and Business Development	-	As a summary Kimball is able to provide the University of California a well thought out implementation plan. Part of that plan includes setting up an e-catalog in the form of a hosted catalog that is based on the standards offering of products with the ability to quote small and large projects. While utilizing an ecommerce team lead/project manager that's specific to the UC we will build this program and focus as well on the necessary training that will be needed for each campus. Each campus location will have their own campus profile that's unique to their needs. While we will use many employees to make our full plan successful(Account Managers, Finance, Training, etc.) we will rely on two key team members: Vikki Gibbs West Sales Director responsible for resources and ultimate success of our proposed service model. Rhonda Hammack, Director of Public Sector is also available as a resource and support for the UC team. Kimball will be marketing jointly with Omnia and with University of California to create a full market plan with announcements, campus events, meet and greets, and more to keep our partnership in sight on all campuses. Please see attached UC Specific Implementation Plan for full details.
-	11	Higher Ed Project References - Please detail 2 large projects, which were performed over the last 12 -18 months. This can include UC projects. Please provide basic project details; approximate size ($), scope, style of furniture used, timeline, on-time delivery and install dates, and any problems to resolve, etc. . Please provide contact information (Name and Phone Number). An attachment is provided.	-	1. Laredo College, Mr. Cesar Vela, 956-722-0521 Yeary Library - $800K, Narrate, Pairings, Villa, Dock training, Flip seating, Priority private offices, KORE tables, Wish task seating, Stature executive seating, Event seating, Joelle ottomans. Cigarroa Science Building - $700K, Dock training, Flip seating, Priority Faculty Offices, Wish task seating, Joelle lounge, Villa lounge 2. Oklahoma State University, Dr. Ken Eastman, Dean, 405-744-5075 Spears School of Business- $1M, Priority private offices and some seating
-	12	Company References - The Proposer should provide 3 non-University (i.e. UC) references that that clearly demonstrate the Proposer's proven capabilities in performing services of similar size and scope to those required by this RFP.	-	1. Charter Communications- Susie Glass, Sr. Director of Real Estate, 704-731-3133, susie.glass@charter.com 2. Uline- Tyler Igyarto, Building Services Coordinator, 262-612-4200, tigyarto@uline.com 3. Mercy Health- Kelly Dames, Manager of Facility Planning & Design, 513-952-4836, kdames@mercy.com
-	13	Ecommerce #1 - Capabilities 1- Are you currently eCommerce ready?	-	Yes .
-	14	Ecommerce #2 Current Capabilities- Noting this capability is a requirement of any awarded Supplier, within 18 months of contract signing, we ask you to describe the e-commerce capabilities that can be currently provided through you and/or your 'primary' dealers. Please specify your capabilities in the following: (1) catalog type- hosted and/or punchout (2) PO Transmission method (3) Invoice transmission method. If you are not currently e-Commerce ready, when do you plan to be? Please specify your planned capabilities in the following: (1) catalog type- hosted and/or punchout (2) PO Transmission method (3) Invoice transmission method. Please reference Guidelines/Prerequisites Section of this RFP for description of UC e-commerce preferred requirements.	-	1. Punchout is the catalog type utilized 2. The PO transmission method used is cXML 3. Invoicing will be made on the marketplaces (Jaggaer, Ariba, etc.) by flipping the orders.
-	15	Ecommerce #3 Capabilities - Please detail your or your dealer's Invoicing capabilities. Address electronic (cXML or EDI) or other paperless processes you support.	-	Kimball currenthly supports EDI and cXML invoicing options with our dealers.
-	16	E-Commerce #4 Platforms - Please specify which eCommerce platforms you have integrated with, e.g. Jaggaer, Ariba, Oracle?	-	Kimball's eCommerce platform has integrated with Jaggaer, Abira, and PeopleSoft. They are equipped to integrate with potentially any platform that supports cXML
-	17	E-Commerce #5 Platform Responsibility- Is your eCommerce platform provided and maintained by you, your dealers or a 3rd party? If provided by your dealers, how many different platforms would we be integrating with?	-	The eCommerce platform Kimball uses is provided by a 3rd party called SnapTracker. Our dealers will familiarize themselves with the platform to be able to service the University with your e-procurement initiatives.

-	18	Ecommerce #6 Quote Retrieval Functionality: A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.	-	The eCommerce platform Kimball uses has this capability. The dealer will upload a .sif file which is then turned into a quote for the University to pull onto the marketplace platform as a requisition.
-	19	Ecommerce #7 -Configurable Items- Does your platform support custom configuration of items (e.g. fabric choice), within the punchout shopping experience? Please describe how this is passed back to the eCommerce system and is it customizable for the customer's needs (change wording)	-	Yes, the platform currently used supports custom configuration of items. This is customizable based on the University's needs of what items you would like to purchase or may be standardized on.
-	20	Ecommerce # 8 Sustainability Flag- Does your platform provide the ability to flag given products, denoting particular qualifications (e.g. recycled content) within the shopping experience? Can the flags also be passed back to the eCommerce system's shopping cart? Please provide details regarding your capabilities.	-	Sustainability classifications that are tracked by Kimball can be included at a product level within our e-commerce platform. Kimball will work directly with the you to custom fit the e-commerce solution.
-	21	Invoice Detail - Are you, through your primary Dealers, currently capable of detailing charges for project management, design services, and installation (i.e. labor hr. and rates) on any invoices provided to UC? Please describe and provide an example within supplier Attachments, if possible. Can this detail be extracted/identified in your reporting?	-	When invoiced by Kimball, dealer services are by line item without detail (labor hours, rates, etc.). Sample copy is attached. Our dealers provide the service details on their quotes to the campuses and may also have the ability to add it to the invoices when the PO is made out to them. For Kimball invoiced orders, services are set up as "model number" so that it can be easily pulled in and identified on quarterly reports.
-	22	Payment Method - Please specify ALL of the payment methods you accept and state your preferred method. Payment methods are: Ghost/P-card, Virtual Card, ACH or Check. Additionally, have you specifically worked with Payment Plus (US Bank virtual card service) or PaymodeX (ACH service).	-	Kimball is able to accept the following payment methods: Ghost/P-Card, ACH, or check. ACH is the most commonly used.
-	23	NATIONAL PROGRAM Exhibit A – Response for National Cooperative Contract: This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A Questionnaire refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level to serve Participating Public Agencies through OMNIA Partners. A proposer must complete each question within the attached form.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	24	NATIONAL PROGRAM - Exhibit F - Federal Funds Certifications – The Federal Funds Certifications form benefits participating agencies seeking to use federal funds to purchase under the resulting Master Agreement. Proposers must read, complete form and submit.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	25	NATIONAL PROGRAM Exhibit G - New Jersey Business – Proposers intending to do business in the state of New Jersey must comply with the policies and procedures required under New Jersey Statues. Proposers must fill this out this form.		This question type is not supported on the Excel file. Suppliers must provide response on application.
-	26	NATIONAL PROPGRAM Breadth of Product - Utilizing input from Attachment 1, please state your TOTAL number of Furniture Categories offered and your TOTAL number of Product Items offered for a National Program (meeting Ergonomic Requirements but not required to meet UC Sustainability Requirements).	-	Kimball offers 560 items that fall into the appropriate product categories while 405 of those items meet the Ergonomic requirements.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Program Pricing Responses
Questionnaire Description:	Attachment #2 - Pricing

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Attachment 2 Upload -Proposer is instructed to complete Tabs 1 through 3 of Attachment #2 - Pricing - Product and Service (provided in Attachments Section) and upload here . If needed, you may provide comment.	-	
-	2	Sample Project Quote - Proposer shall produce a quote for the Sample Project, as outlined in Attachment #2 - Pricing - Product and Service, Tab 4, per instructions and parameters provided and showing appropriate breakouts for labor, etc., as detailed within the RFP. Proposer should then supply narrative concerning the quote.	-	
-	3	Sample Project Invoice - Proposer shall produce an invoice for the Sample Project, as outlined in Attachment #2 - Pricing - Product and Service, Tab 4, per instructions and parameters provided and showing appropriate breakouts for labor, etc., as detailed within the RFP. Proposer should then supply narrative concerning the invoice.	-	

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Sustainability
Questionnaire Description:	xxxxx

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	UC Policy Review - UC has recently issued a revision of their Sustainable Procurement Policy, which has goals & minimum standards related to the furniture commodity. This information is available to you on Exhibit 4 showing excerpts as well as links. Please indicate these were thoroughly reviewed by you, prior to answering questions.	-	Yes
-	2	Does you have publicly declared carbon, water, and waste reduction goals and does your company track and publicly report on meeting those goals? If so, describe the scope of each of these initiatives and describe your progress in meeting your goals, using quantitative details.	-	Kimball tracks and reports our greenhouse gas (GHG) emissions through the Carbon Disclosure Project. Our waste to landfill has resulted in a 39% year to date reduction due to our efforts and internal Corporate Recyling Center. Water usage is a primary key performance index in our resource management and Kimball has achieved year-over-year decreases for the last 9 years. We continually monitor our standards and are always looking to improve and elevate environmental initiatives on a yearly basis.
-	3	Does your company offer, or are you planning to offer, carbon neutral products? If so, what is the scope and timeline for the offering and how is a carbon neutral product defined? (e.g. manufacturing only or manufacturing and supply-chain or other)	-	Many of the products we offer use wood as a major component. Materials such as MDF, particleboard, and soft plywood used in lounge and seating products are considered climate neutral materials. This fact has been determined by the Composite Panel Association (CPA) and the American Wood Council through the completion of industry LCA's and the development of industry Environmental Product Declaration (EPD). Industry EPDs for these materials indicate carbon sequestering in the wood content exceeds the amount of greenhouse gas emissions (GHG) associated with the boundary and scope of the assessments more than 2:1 times. Based upon the data found in the 3rd party verified studies, it can be determined these materials are deemed to be not only climate neutral, but climate positive.
-	4	Is your company a signatory to the UN Global Compact?	-	Kimball is not a signatory to the UN Global Compact. We adhere to or surpass all regulations, general industry standards, various furniture industry standards, along with any specifications we establish in support of programs we manage, or certifications we hold as Kimball. We are committed to not only meeting current environmental and social standards, but also setting new ones. Our employees, customers, and communities have shaped our culture, and we believe that together we can create a better world.
-	5	Are any of the furniture manufacturer's supply chain manufacturing factories/facilities SA8000-certified? If yes, list the quantity and percent of certified facilities within their supply chain.	-	Although Kimball is not SA8000 certified, we ensure human rights are valued and respected in our own manufacturing facilities, as well as our supply chain. Relative to labor and human rights, we have basic survey questions that are asked of our suppliers, and on site visits are conducted before we engage in formal business relationships with suppliers. They are also visited periodically and as needed.
-	6	Packaging - After reviewing policy and guidelines, please discuss any use of 'packaging foam,' as defined by the UC in Exhibit 4 of the RFP Event Summary document. Include details as to how your team will manage the product packaging/shipping materials during installation to ensure product packaging/shipping materials are not landfilled.	-	Kimball is replacing traditional synthetic materials wherever possible. We've eliminated almost all polystyrene packaging, replacing it with paper. These paper products are 100% recyclable.... After reviewing the "packaging foam" section in Exhibit 4, it was determined Kimball still occasionally uses polyethlyene foam when packaging some seating products. Majority of the foam used is Instapak® which is a plant based formulation. Instapak® foam makes an immediate positive impact on both the environment and our customers' bottom lines through superior performance and reduction of material usage. Instapak®can be diverted from landfills via a worldwide foam return program.
-	7	Redeployment - Explain if you can provide (through primary dealers) any programs to assist with redeployment of existing product, including any storage or tracking for that purpose. Please begin by noting the items that can be provided free of charge and finish with any services for which there are charges associated.	-	Our primary dealers offer storage management and asset management software tracking devices for customers who want to redeploy assets with the organization or to other users who may be outside the organization. The scope of these projects is determined by customer objective and are quoted individually based on the scope provided. Typically the initial walkthrough is included at no charge. One of our primary dealers uses a SnapTracker, which is their web-based asset management solution that tracks and manages your assets from purchasing and deployment to refurbishing or disposal. They subcontract companies for warehousing/storage that can accommodate and hold any overhead product. For these services the University will be charged per square foot. These programs include resale, repurpose, and recycling of products with an added option of converting waste to clean energy.
-	8	End of life - Any Proposer awarded a contract as a result of this RFP, will be required to offer a version of an end-of-life take-back or re-use program to the UC, for a reasonable added cost. A supplier is requested to detail that program here and to state the cost or if it would be offered 'Free of Charge'. Examples would be programs promoting the reuse of old product (i.e. recycling, take-back program for restoration or resale, or a section within UC 'punch-out' (e-procurement integration with your website) for available product pieces, timeframe, and contact which can be posted by the UC). Describe how the system is designed to minimize waste to landfills at the end of its useful life. Give a specific example of how the system can be easily recycled. If the manufacturer has a product-take-back program provide program details as to how it works, costs, logistics, etc.	-	Upon award of a contract, Kimball will discuss and collaborate to create a custom plan for end of life product take-back programs for the needs of the University of California campuses. Kimball products can be disassembled without special tools, and materials separated and sent for recycling. Our 'Material Recovery Opportunities' document is available on our website (see attached document), which provides high-level summary information about solid waste management for furniture materials. This information was developed to aid in determining disposal options and recovery values for recycled materials. *upload material recovery opportunies from website as attachment*

-	9	Parts Sales - A proposer is required to offer/sell parts for your products to use in UC in-house repairs. Do you provide them on all lines or limited lines? Provide specific examples, including what can easily be replaced/repaired on-site. How many years after production ends, do you continue to offer these? what is your standard mark-up on these parts and/or method of pricing? Do you encourage those purchases by providing a discount structure?	-	Kimball offers service parts for almost all of our products. A specific example of an item that is easily replaceable would be chair parts such as casters, arms, and arm pads. Kimball offers touch up paints and wood markers for items to be easily repaired and touched up in the field to cause minimal disruption as possible. If the service part does not exsist or has been discontinued and the product is still within warranty, we will replace with a comparable unit. Service parts are typically not discounted.
-	10	LEED/BIFMA - In alignment with the UC's Green Building Policy, all new buildings are required to achieve a minimum of LEED Silver certification, with a goal of LEED Gold certification, including MRc4. Describe your company's experience working with project teams in providing LEED-related product compliance documentation, both for MR(v4) and EQ credits. The successful Proposer will be expected to be a partner in ensuring project furniture contributes to achieving applicable LEED MR v4 and EQ credit criteria, including the MR v4 Building Product Disclosure and Optimization credits. Who from your company will be the point of contact for these projects and what is their experience in supporting LEED v4 compliance and documentation requests? Does either point of contact have experience supporting WELL or other green building projects?	-	Kimball products meet Indoor Advantage program requirements and are third party certified by SCS Global Services (SCS) to the BIFMA Furniture Emissions Standards and LEED ® requirements. Our products can also contribute to LEED certification credits through Materials & Resources, Indoor Environmental Quality, and LEED Pilot Credits. The process to connect the University of California with our contact with LEED and WELL experience will be to contact the dedicated account manager, who will then contact our R&D team, who will help provide compliance and documentation requests.
-	11	Certifications/Other - Please detail all third party certifications or documentation (as listed on Exhibit 4) are available for each product line. Describe your company's capability to provide material ingredient disclosure documentation (MID or HPD) and Environmental Product Declarations (EPDs) for up to 5 high-volume furniture products for the listed in UC Program Pricing/Product Cost Matrix.	-	Almost all products proposed meet Healthier Hospitals Initiative Safer Chemicals Challenge and are SCS Indoor Advantage Gold cerified. Most Kimball products are BIFMA Level 2 or 3 certified with a few exceptions. Within a mutually agreed upon timeframe, Kimball will provide a summary report containing all known chemicals intentionally added and reported on available Safety Data Sheets (SDS) for each material contained in the finished product(s) that are available to the Customer. The summary report will address all substrates and surface treatments exclusive of fabrics and textiles which are controlled by the Customer selection process and beyond the authoritative controls of the Supplier. Due to intellectual property and proprietary nature of some materials' chemistry, the summary shall not list the percentage of chemical contained in a specific material.
-	12	Chemicals of Concern - As specified in Exhibit 4, the University has specific Sustainability requirements for furniture. Describe how you plan to ensure that products sold under the resulting price agreement will comply with these and other mandatory criteria contained in Exhibit 4. Describe how your company verifies products are free of added flame retardant chemicals (except electrical components). Include any references to internal or third-party testing, supplier disclosure protocols, etc. As part of your answer, address how you will direct end-users to core material, textile, and surface options that comply with the Sustainability requirements.	-	Since almost all Kimball products proposed meet the minimum requirements, it will be easy for the University of California to source products from us that are sustainable. We will make certain our dealer partners are knowledgeable and understand the requirements as well. When conducting chemical evaluations, we use our knowledge of business operations and chemicals used. Authoritative lists are reviewed, such as HHI and Prop65, to determine whether products are likely to expose individuals to any listed chemicals. This is done by reviewing product information such as bill of materials, gathering Safety Data Sheets to determine the quantity of the chemical in the material, and reviewing supplier provided formulations and declarations, using protocols (such as Pharos, GreenScreen, etc.) to identify hazards and alternatives. Kimball's plan to direct the end user to options that comply with the sustainability requirements is to send the customer to the SCS website or BIFMA Level website so they can see all products listed on the third party's program website. If there are any restrictions, it will be noted on the certificate.
-	13	FSC Certified Wood - It is the preference of the University that all wood-based products, substrates, and veneers not contain any arsenic-treated wood, tropical hardwood or virgin redwood. It is also preferred that seating with wood-based components including composite wood products in the furniture product, including plywood and engineered wood/medium-density fiberboard (MDF) contain only Forest Stewardship Council (FSC) certified wood. REQUEST: 1) Please indicate the percentage of items listed on Attachment #1 that are available with FSC certified wood components or finishes (as applicable); 2) Please indicate if any items proposed on Attachment #2, Tab 3 and Tab 4 that do not meet this preferred specification; 3) Indicate whether the FSC certified wood is standard or is available as an option. If optional, indicate typical percent price premium over the standard	-	Kimball aligns to the principles of the FSC standard Controlled Wood Standard. We have completed risk assessments addressing criteria such as; Illegally harvested wood, wood harvested in violation of traditional and civil rights, wood harvested in forests where High Conservation Values are threatended by management activities, Wood harvested from natural forests that were converted to non-forest uses, wood from genetically modified trees.
-	14	Provide information on any other sustainability innovations applicable to your proposal you think the University should know about.	-	To improve environmental performance, Kimball incorporates environmental thinking into the entire life cycle of our products. Our aim is to minimize harmful environmental aspects without forfeiting the quality or aesthetic of our products. Kimball products are fabricated from wood, glass, metal, and aluminum. Many of our materials have high recycled contents up to 90%. We are committed to using low-emission adhesives, paints and wood finishes. We use water-based adhesives where possible and powder-coat paints on metals. Our environmental program involves the commitment to exceed customer expectations and to fully comply with Federal, State and Local environmental regulations. Within the design and production of product, in collaboration with our customers and suppliers, we strive to eliminate pollution generated at the source, to use renewable materials and to maximize the reclamation and recycling of materials to minimize adverse impact on the environment. All Kimball International manufacturing locations have implemented an Environmental Management System (EMS) and nearly all of these locations have achieved third party ISO 14001 registration, the global standard for environmental protection and commitment to continuous improvement. The ISO 14001 Environmental Management System requires continuous improvement initiatives to reduce impacts on the environment. We continually monitor our standards and are always looking to improve and elevate environmental initiatives on a yearly basis. Kimball has published an annual Corporate Sustainability Report for the past 10 years, which is publicly available on our website (see attached document for most recent CSR). We also report our Greenhouse Gas GHG emissions through the Carbon Disclosure Project CDP. Various Kimball manufacturing facilities use a wood reclamation system. Wood waste is used to provide steam for heating the building and various manufacturing processes. When purchasing new equipment, energy consumption and waste recycling is a large factor for consideration, along with energy efficient features, such as soft-start and variable speed motors. Kimball's continued commitment to sustainability includes participating in Kimball International's onsite corporate recycling center which recycles 62 different items in more than 15 categories. Products recycled include steel, aluminum, glass, oil, fabric, toner cartridges, plastics, wood, cardboard and electronic equipment, and other materials.

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Pricing Terms and Product
Questionnaire Description:	Breadth of product, warranty, and discounts

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	UC Breadth of Product -UC Minimum and Preferred - After reviewing policy and guidelines on RFP Exhibit 4, please populate Attachment 1 - Product Categories and Dealer Services, to detail which categories of furniture you can supply, which meet the Minimum and Preferred Sustainability Requirements and in alignment with Ergonomic standards. NOTE: This attachment has 2 Tabs and was uploaded in previously in Section 2, Q:4 . For the purposes of this question, please state here your number of products (within the 5 required categories) meeting 'Minimum' and number meeting 'Preferred' levels; both to comply UC Ergonomic Standards. If desired, you may also state (seperately) the number of products wihtin other categories meeting those requirements, where applicable.	-	Kimball has 376 product categories meeting minimum and preferred levels of Ergonomic Standards. Kimball has 405 items total including items that fall into the other categories listed.
-	2	Volume Discount – For discounting purposes, how do you define a project? Is the UC able to combine large, planned purchases by different projects/PMs, but happening on the same campus, during the same/similar time period?	-	Typically projects are defined as quoting furniture for a specific customer for a specific location over a certain amount of time. Kimball is willing to negotiate combining large, planned purchases for the same campus happening during the same time period.
-	3	Warranty –A minimum warranty of ten (10) years will apply to 'Seating", with a minimum of five (5) years applicable to all 'other' product. Upholstery is an exception and shall be warrantied for at least three (3) years. Please detail your warranty program and the percentage of your products which are warrantied for longer than the requirement (e.g. % of seating exceeding 10 years and % of all 'other' product, exceeding or ten (10) years).	-	Kimball stands behind the craftsmanship of our products. When brought to our attention, we will address warranty issues quickly and effectively. Kimball warrants that its products are free from defects in materials and workmanship given normal use and care for a lifetime of single-shift service. 96% of Kimball's seating line exceeds a 10 year warranty with a limited lifetime warranty. Pep and Poly seating lines carry a 10 year
-	4	Savings - In addition to unit pricing improvements and more aggressive discounts to the UC, discuss other ways in which your firm can help the UC reduce hard dollar costs.	-	The Kimball sales team will work closely with our dealer partner and the University of California to ensure we are offing the best product solution that are efficient and effective as well as keeps product costs at the forefront. Kimball has a wide array of product offerings allowing us to offer multiple solutions at various price points. Kimball's internal Product Application Specialists work in conjunction with our dealer partners to provide additional value engineering and specification opportunities to drive an increase in savings. Another way we try to increase savings is by creating a clear installation plan that will help us cut costs and labor. Our goal is to ship products in the order we need to install them while best utilizing each installer to complete the project in the shortest time period possible. With this process we are limiting downtime and disruption. The clear description and specification of work to be completed will allow for a properly implemented installation process.
-	5	Open and Collaborative Spaces - Some departments at various campuses, have utilized open (or smaller) workspaces and/or collaborative spaces. If applicable to your business please comment on that trend, along with your developments in that area and any proposed solutions to the challenges created, such as noise abatement.	-	Kimball has recognized the need to design our products to compliment the latest student-centered design trends in higher education and work spaces. We have seen the integration of technology and the advent of anytime-anyplace learning, and have adapted our offerings to match. Kimball has realized that learning styles have become active, experiential and inquiry based while teaching styles have become

001218-May2019 - RFP - Office Furniture - UC Systemwide - JULY182019

Questionnaire Name: *	Services
Questionnaire Description:	Supplier Service Details

SECTION NAME	QUESTION NUMBER	QUESTION TITLE	RESPONSE OPTIONS	RESPONSE TO QUESTION
-	1	Training - Understanding that Training is required "Fee of Charge", Please detail your approach to training for an organization such as ours.	-	Our approach would include an initial assessment and planning meeting which would encompass types of training needed, preferred, developing the why, whom, how and when necessary, by when. Our training ranges from furniture process technology, product, process, soft skills, ergonomic, and continuing education units for the architects and designers. Our delivery methods include formal classroom, webinars, on- line recorded sessions, on -line videos, on line literature, assembly instructions and more. We have can provide training through our account manager, dealer team, and corporate team as needed. IF special requirements are identified and special training resources are needed, Kimball and our dealer partners will work on a plan of delivery at no or low cost to the University. The university always has the option to visit the manufacturing locations and headquarters for additional in depth training.
-	2	Services Offered -Please detail here, the services (i.e. Space Planning & Design Services, Project Management, Installation Services, other) you can offer through Primary Dealers who would serve the UC (further detail on what was listed briefly in Attachment 1 - Product Categories and Dealers).	-	Space planning & Design services – Dealers have a full design staff and can provide space planning and furniture specification. This team would also assist with the reconfiguration services provided, creating new layouts, providing parts list of additional parts needed, etc. Project Management – Dealers have a full project management team who can help with managing project timelines, construction coordination, relocation timeline, etc. Installation Services – Most dealers have their own warehouse space to receive, store, and then send out for installation. Moving / Storage – Most dealers have their own in-house moving staff to take items and move them across the room or across the city. Some have warehousing for storage accounts with climate control and security.
-	3	Services included FOC: Please detail the services provided by your company and/or through your Primary Dealers, which are 'free of charge' (e.g. seating samples at no cost for customer evaluation).	-	Initial walk through Quotes for services excluding furniture Seating samples
-	4	Install/Prevailing Wage - Please describe your company's process for the application of prevailing wage to installation services. Please detail your company guidelines and assistance provided to customers such as the UC (Public entities/customers). Please include: • Company DIR annual registration/CSLB D34 Contractor license and DIR Payroll entries • Communications with your customer/method of determination, as to when and where to apply PW • Practices that eliminate risk and provide transparency of all related charges on invoices • Any documented standard practices that can both, remove risk and limit the misapplication of PW labor charges for non-PW deliveries	-	Prevailing wage will be paid by Master, Lead, and installer wages listed on the DIR by location. Kimball dealers are required to register and maintain active DIR registrations. Any installation subcontractors are also responsible for registering and maintaining active DIR registrations. All jobs before quote will be clarified if Prevailing Wage applies based on University of California guidelines – Each job is quoted individually.
-	5	Returns - Please describe the returns policy and procedures of primary Dealers relative to Restocking or Shipping Charges, as well as, any needed returns owing to an error made by the mfg. or dealer.	-	Most of our products are made-to-order, not stocked items to be returned. However, we do have a process for some items that are available from stock. Customer Service will work through this process with the dealer to ensure that the product is in its original cartoning without damage, and there may be costs involved with return freight, handling, and/or re-stocking fee. Each of these scenarios is reviewed on a case-by-case basis, although

-	6	Customer Service - Please describe customer service-satisfaction protocol or standards and any metrics to measure performance.	-	Our ultimate goal is Customer Satisfaction, which encompasses a variety of inputs. We monitor call volumes, turnaround times, and general activity levels. Our most critical measures are at the Operations level, to include on time shipment and Quality performance. We also recognize that most of our customer contact happens through our dealer partner, so we work closely with them to ensure that they are meeting our customers' needs. Our goal is to resolve issues within 24 hours. Many questions or issues can be resolved immediately, while others may take more time while we research or engage with our Product or Quality Managers. All incoming calls are routed directly to the appropriate Account Manager supporting the University. This person has the autonomy to make decisions and effectively manage all details about your projects.
-	7	Sample Furniture/Ergo Lab - Will you provide delivery of demonstration items to potential end users or provide samples to ergonomics programs for evaluation and use in Ergo Labs or seating samples at no cost for customer evaluation? Is this free of charge? Please detail.	-	Yes, within reason, Kimball will provide ergonomic solutions for evaluation and education free of charge. We work with each campus or with the UC system as a whole to develop a yearly budget for testing and education.
-	8	Ergo Collaboration - Will you collaborate with UC ergonomist to 1) consult on strategic initiatives 2) provide mechanism to collect product feedback and recommendations for potential applications to future product development and modification 3) provide task seating tutorials and ergonomic recommendations, is this free of charge. Please detail	-	Yes, Kimball and our dealers have the capability to consult on strategic initiatives, partner with the latest technology and smart tools to collect data, feedback and or observation to make product recommendations. We often involve our customers in new product development and have the capability to design and produce customer unique or customer specific solutions. Often we have hang tags with user instructions and user videos
-	9	Ergonomic Considerations: UC has issued system-wide criteria for certain product categories which have minimum, preferred, and value added standards. (see RFP Exhibit 5) Describe how you or your primary dealers will engage with the ergonomics programs at each UC location.	-	It is never too early to involve the ergonomist in your new projects. Preventive ergonomics includes involvement with design projects and providing advice to departments on how to create safe work environments for their employees. Kimball and our dealers want to ensure that UCSF work environments are created to support environmental stewardship, employee safety, health, productivity and efficient movement–often within limited and shared spaces. Kimball has reviewed UC's ergonomic furniture suppliers. We have worked with all four on previous projects and do no anticipate any issues with the UC contract. We often work with other manufacturers and their dealers to provide a seamless solution to our customers.
-	10	Quick Ship: Describe your company's ability to address "quick ship" customer delivery. Please include what you consider to be "Quick Ship" is defined as delivery to the customer of a broad array of products (e.g. within ten (10) business days or 1-2 weeks following issuance of a purchase order) Can you meet a 2, 5, 10 day lead times and for which products?	-	Kimball provides value-add to growing organizations by offering our Kwik Office quick-ship program to facilitate your rapid turnaround needs. Our expedited program offering is about getting you up and running and down to business fast, all with the solution set you need. Kwik Office Seating products are available to ship within five business days upon receipt of a credit-approved order. Kwik Office Casegoods, Systems, Tables, and Metal Filing products are available to ship within ten business days upon receipt of a credit approved order. Order Size: The Kwik Office program has a limited weekly volume capacity, with orders being entered on a first come, first served basis at no additional charge. Casegoods, Systems, & Metal Filing orders, individually, may not exceed $100,000 list. Consult your Customer Service Team for any seating order with more than 20 of a specific model. Production schedules will be verified to ensure shipment within the noted time period.
-	11	Describe how as a dealer your company Field verifies critical dimensions/site conditions to be considered during systems specification process using DESIGNERS (not sales reps)?	-	Our design staff reports to the job site, checks all measurements, and bases furniture layouts on actual space dimensions and power/data locations.
-	12	State how you will provide order management including acknowledgement review/verification, change-order management, order expediting and scheduling.	-	Our goal is to deliver a remarkable customer experience that starts with the first point of contact and continues beyond the final stages of each project installation. The Kimball team works closely with our dealer partner and extensive technology tools to ensure order accuracy, complete project scheduling, order shipments. Each order is submitted via EDI to reduce errors, then reviewed by Kimball and the Dealer. Changes can be made within the first three days after order submittal via a request between the Account manager at the dealership and Kimball. The Kimball Account Manager and dealer work through a delivery schedule to ensure each order and project is completed successfully and on time. The UC account will have a dedicated Kimball Account Manager and dealer contact, with autonomy to make decisions and effectively manage everything related to your project. Please see attached Kimball Office Project Flow for more details on the quote, order, and changes processes.
-	13	State how you will coordinate with all appropriate trades to ensure proper interface between building systems and any power or cabling to be distributed by furniture.	-	We will work with UC's ITS dept and facilities group about power/data requirements and determine timelines, etc.
-	14	Describe ability to schedule and meet furniture deliveries at job site.	-	Our dealer project managers work closely with our manufacturing based account manager to schedule and align production of our customer's orders with delivery/installation dates. We are communicating daily on status and problem solving where necessary. Kimball has a 98% on time shipment and delivery.
-	15	Describe ability to inspect and confirm quantities (as per manifest) and condition of product as it arrives.	-	Our full warehouse staff checks every piece in a shipment into the warehouse. Then, the installers check everything back out when go to installation. The design team checks everything to ensure all parts have been received and tracks down anything that's missing .

-	16	Describe ability to prepare proper forms and provide required documentation for damaged goods or missing product.	-	We have standard punchlist forms and walkthrough procedures with the end users at project completion. Each project manager will provide a spread sheet or word document with the items on the punch list, action necessary, and dates to be completed. The PM will review with the customer. If product is damaged during transit, the Architect has worked with many customers in partnership with our dealers and product development (if necessary) to develop customer specific standards through solution ideation, typical development, reasonable options, customer specific IPDF files to be user friendly and communicate visually the look and feel. We revisit the standards yearly for relevance and updating.
-	17	Campus Standards - Do you have the capability to work with campuses to develop furniture typicals, custom and product catalogs? Such typicals and products selected may serve as University standards.	-	
-	18	Describe your internal management system and protocols for processing orders from point of customer contact (i.e. concept/design) through delivery and billing. How long does it take your firm to provide final drawings and pricing?	-	Standard turn around time for drawings and quote is 1-2 weeks, varying based on project size, scope of work, and work load at the time. Our design team has a full procedure list starting from first contact to initial meeting to field verification, furniture layouts and order placement.
-	19	Repair and related Services- Do you offer regular, onsite repair services (non-warranty)? Do you offer cleaning or upholstery services that can be done on-site?	-	We can provide all of these services at a billable rate.

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1

Requirement

The University of California (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Office Furniture and Related Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $200 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Contract if the purchase order is issued prior to the expiration of the Contract. Supplier is responsible for reporting all sales and paying the

applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.1 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.2 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, when informed by a Participating Agency that they are a OMNIA Partners member, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

Kimball proposes the above additional language in Section 2.1 "Corporate Commitment" in red.

2.3 Pricing Commitment

~~Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net-to-buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lowerpricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.~~

Kimball proposes to delete the language in Section 2.2 "Pricing Commitment".

Commitment of Exhibit A, Section 2.2. In lieu of such pricing commitment, Kimball commits as follows: Supplier (Kimball) agrees that, considering a Representative Total Usage, the pricing offered under the Master Agreement is lower than the overall available pricing for any public sector national or multistate cooperative or group purchasing agreement, excluding GSA, federal government, and healthcare group purchasing organization sales ("Public Agency Cooperative"), that enters into a separate written agreement directly with Supplier comparable contract, as further provided herein. A Comparable Contract is a written agreement entered into after the Effective date of the Master Agreement that contains similar terms and conditions, concerns a Public Agency Cooperative with the same approximate spending pattern and product mix, and provides for similar delivery and payment conditions. "Representative Total Usage" shall mean the total purchase for a consecutive six (6) month period (inclusive of any fees, rebates, and other charges and discounts and exclusive of any restricted items) of the top ten (10) OMNIA Partners customers utilizing Supplier as their primary vendor for the products and services offered under the Master Agreement, as determined by Supplier. If, during the term of this Master Agreement, OMNIA Partners becomes aware that its pricing may be higher than a Comparable Contract, as set forth above, OMNIA Partners may request an aggregate price comparison analysis of this Master Agreement (using the Representative Total Usage) against the Comparable Contract. If such aggregate price comparison analysis indicates that the Comparable Contract pricing is more favorable, upon the request of OMNIA Partners, Supplier will agree to renegotiate in good faith the pricing terms of this Master Agreement.

Kimball Office Inc. requests the proposed language in Section 2.2 "Pricing Commitment" in red.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.1 SUPPLIER RESPONSE

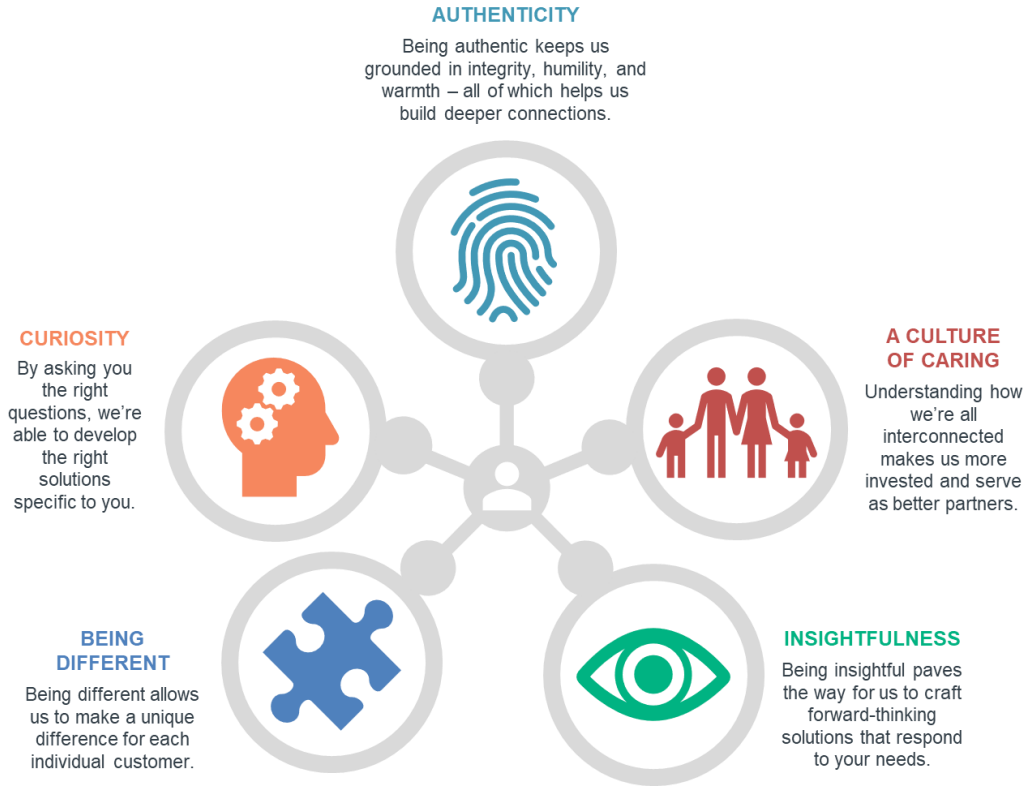
Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.2 Company

A. Brief history and description of Supplier.

Kimball's passion for craftsmanship has grown into a love for helping you work your way.

Kimball is a business unit of Kimball International Inc. Kimball offers a variety of furniture and furnishings for the commercial, government, healthcare, and education markets including award-winning desks, storage, tables, seating, systems, accessories and filing products.



While trends may come and go, we have a longstanding history of being able evolve. To embrace what's new and take it to the next level. To apply modern craft to problem-solving designs in a way that supports the way people want to work. And while what we makeand how we make it will continue to advance, our purpose remains constant — to craft what's next so everyone can perform at their best.

The workplace isn't the space it was when we started in 1949. Our core values, quest for quality and heritage in craftsmanship are still at the heart of our business, but our definition of craftsmanship has evolved over time.

Our ultimate goal is to provide relevant solutions that carry workplaces into the future. Together, with our partners, we will continue to anticipate changes in how people work and design solutions for a successful workplace.

From our origins as a piano and television cabinet makers to one of today's leading furniture companies, our purpose has remained constant—to help people achieve their potential in their own, unique way.

Kimball®

We're able to redefine spaces that allow you to work your way.

Our ability to adapt has taught us one valuable lesson – no one has all the answers. That's why we keep good company, partnering with prominent designers and industry thought leaders who collectively know where the future of work is heading. We actively listen to our people, our customers, and our brilliant partners – inviting collaborative discussions that challenge what's familiar and inspire fresh ideas. We're always considering new possibilities, sharing ideas, and bringing people, technology, space and work process into harmony. By empowering everyone along the way, we're able to recognize and address unmet needs.

Risk Assessment

Overall Business Risk

LOW	LOW-MODERATE	MODERATE	MODERATE-HIGH	HIGH

Maximum Credit Recommendation

US$ 3,500,000

The recommended limit is based on a moderately low probability of severe delinquency.

Dun & Bradstreet Thinks...

- Overall assessment of this organization over the next 12 months: **SOME-FINANCIAL-STRESS-CONCERNS**
- Based on the predicted risk of business discontinuation: **MODERATELY-HIGHER-THAN-AVERAGE-RISK-OF-FINANCIAL-STRESS**
- Based on the predicted risk of severely delinquent payments: **MODERATE POTENTIAL FOR SEVERELY DELINQUENT PAYMENTS**

D&B Viability Rating

Portfolio Comparison Score

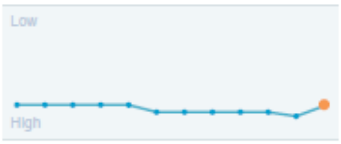
4

Low Risk (1) — High Risk (9)

Company's risk level is: LOW

Probability that a company will go out of business, become dormant/inactive, or file for bankruptcy/insolvency within the next 12 months: **4.00 %**

Risk of Bad Debt Write-off (also known as the Failure Score)



18

Low Risk (100) — High Risk (1)

Company's risk level is: MODERATE-HIGH

Based on the D&B Failure Score, the probability of failure for this company in the next 12 months is **0.76 %** , which makes it a Moderate-High risk for you to incur a write-off.

Past 12 Months

Cash Flow Risk (also known as the Delinquency Score)

65

Low Risk (100) — High Risk (1)

Company's risk level is: MODERATE

Based on the D&B Delinquency Score reporting a payment behavior of **INCONSISTENT AND/OR SLOWER PAYMENTS** , this company is predicted to have a Moderate risk of a negative impact to your cash flow.

Past 12 Months

F. Describe any green or environmental initiatives or policies.

SUSTAINABILITY

Kimball Office Inc. has a long history as an environmentally sensitive company. From our Company's inception as a wood furniture manufacturer, relying on nature's resources to create our products, the ideas of conservation and sustainability, of sensitivity toward our environment, have been deeply ingrained in our culture. Concern for our environment and "leading by example" in the promotion of environmentally responsible business practices is something that Kimball Office Inc. believes in as part of our corporate philosophies. Kimball Office Inc.'s sustainability practices include initiatives to reduce water usage, solid waste generation, VOC emissions, hazardous waste materials and Greenhouse Gases. Environmental goals are set and results measured against benchmarks.

Environmental

Kimball Office Inc. is dedicated to continued excellence, leadership and stewardship in protecting the environment, the health and safety of our employees and the members of the communities in which we work and live. Our commitment is to exceed customer expectations and to fully comply with Federal, State and Local environmental regulations. Within the design and production of product, in collaboration with our customers and suppliers, we strive to eliminate pollution generated at the source, to use renewable materials and to maximize the reclamation and recycling of materials to minimize adverse impact on the environment.

All Kimball Office Inc. manufacturing locations have implemented an Environmental Management System (EMS) and nearly all of these locations have achieved third party ISO 14001 registration, the global standard for environmental protection and commitment to continuous improvement. The ISO 14001 Environmental Management System requires continuous improvement initiatives to reduce impacts on the environment.

Waste Reduction and Recycling

Kimball Office Inc.’s Corporate Recycle Center (CRC) supports the programs of numerous regional facilities, providing a central location for consolidating recyclable materials for re-sale and transport. Currently the CRC recycles over 65 different waste materials. Among the materials recycled are steel, aluminum, glass, fabrics, printer cartridges, electronic equipment, and several types of plastic, wood and cardboard, which is either sold for re-use or recycled by type of material. The sustainability and continuous improvement projects have reduced the overall waste generated at Kimball Office Inc. facilities as the amount of recycling has steadily increase.

F. Describe any green or environmental initiatives or policies.

Sustainable Global Wood Purchasing

Kimball Office Inc. strives to ensure that wood used in the manufacturing of our products is obtained from environmentally and socially responsible sources. Knowing we are procuring wood responsibly not only supports our sustainability initiatives, but also provides assurance that our wood-based components have the lowest possible burden on the global environment. It is Kimball Office Inc.'s policy to work with partners who share our values of responsible management of wood from the forests where our raw materials are harvested. Kimball Office Inc. strives to use wood from properly managed forests to reduce the environmental impact we have on our industry.

Kimball Office Inc. expects suppliers of wood-based materials to follow all applicable laws of the United States of America including the Lacey Act, in addition to laws of the country where they are located and international treaties and agreements to which the United States is a signatory. We will not use species listed in CITES (Convention on International Trade in Endangered Species of Wild Fauna and Flora) Appendices I or II, for the manufacturing of our products. Our Supply Chain Team will give preference to suppliers who participate in the following programs: Forest Stewardship Council (FSC), Sustainable Forestry Initiative (SFI), American Tree Farm System (ATFS), Canadian Standards Association (CSA), Programme for the Endorsement of Forest Certification (PEFC), and Composite Panel Association's Eco Certified Composite (ECC). Kimball Office Inc. conducts business ethically based on our Business Partner Code of Conduct and expects our business partners to do so as well.

G. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program.

Diversity is a core principle for Kimball. Kimball International is a publicly traded company (KBAL) led by our CEO Kristie Juster and President Phyllis Goetz. We are not a minority or women owned business, however we focus and support diversity owned dealers and suppliers. Our number of minority-owned Select Dealers is 48%. We measure utilization of these businesses and work to facilitate growth and opportunities to these entities. We have tracking tools in place and, on a quarterly basis, review our spend dollars and percentages in various diverse supplier categories (as defined by the US Government). We also track any efforts we undertake relative to initiating discussions with and possibly bringing on new diverse suppliers, dealers, and other subcontractors. Kimball can provide first tier minority spend reports upon request.

H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.

Kimball Office Inc. does not hold underutilized business certifications, but actively pursues and works with such entities through our dealer network.

I. Describe how supplier differentiates itself from its competitors.

While trends may come and go, Kimball has a longstanding history of being able to evolve. To embrace what's new and take it to the next level. From our origins as a piano maker to one of today's leading furniture companies, our purpose has remained constant—to help people achieve their potential in their own, unique way. Being nimble, quick, and approachable allows us to make a difference for each individual customer. The average tenure for a Kimball team member is over 15 years and many of our customers and suppliers have been with us for 40 or more years.

We keep good company—actively listening to our customers, brilliant partners, and industry thought leaders—and invite collaborative discussions that challenge what's familiar and inspire fresh ideas. Driven by curiosity and inspired to empower people, we craft what's next, so you can work your way. We've found that what drives our purpose are the exact things that bring value to our relationship with you:

Authenticity- Being authentic keeps us grounded in integrity, humility, and warmth—all of which helps us build deeper connections with our customers and create great customer experiences for them.

Curiosity- We believe that curiosity is the starting point to addressing unmet needs. By asking you the right questions, we're able to develop just the right answers that solve for all the different ways your people want to work.

A Culture of Caring- Understanding how we're all interconnected makes us more invested and serve as better partners—to our customers, to our communities, and to the world.

Insightfulness- Being insightful means inspiring more "aha" moments for our customers and paves the way for us to craft forward-thinking solutions that respond to their ever-evolving needs.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

The Company is not currently involved as a party, nor has it been a party in the last ten years to any litigation that had or is likely to have any material impact on the Company. The Company has never sought bankruptcy protection, nor has the Company otherwise pursued any form of legal reorganization based on opportunities to reorganize to address financial issues that may be afforded under any federal or state law.

K. Felony Conviction Notice: Indicate if the supplier

a. is a publicly held corporation and this reporting requirement is not applicable;
b. is not owned or operated by anyone who has been convicted of a felony; or
c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

a. Kimball International Inc is a publicly held corporation, whose subsidiary Kimball Office Inc. is responding to this bid, therefore this reporting requirement is not applicable.

L. Describe any debarment or suspension actions taken against supplier

Kimball Office Inc. Inc has not had any debarment or suspension actions taken against the Company.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

Kimball Office Inc. utilizes their own trucking fleet as well as LTL carriers to insure timely deliveries. Delivery and Installation is coordinated with the dealers depending on the size and scope of the individual projects. The primary concern is that the customer's wishes are being met so when unique situations arise the solution sometimes must be customized but all installs will be serviced by the dealer install team so that ongoing service and care is available at a local level.

C. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

- Kimball Truck Fleet
- Nationwide Industry Recognized LTL Truck Fleets
- Authorized Dealer network

D. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

Distribution Facilities / Warehouses: (3)

- Distribution Center #2
  Santa Claus, IN
  363,000 Sq. Ft.

- Distribution Center #3
  Jasper, IN

In addition to our distribution centers and showrooms, our Dealer network has product on display and warehouse facilities available on a local level. Combined, our Dealer network has millions of square feet of warehouse / retail facilities available to our customers.

3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:

i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

Kimball Office Inc. Executive Leadership, in conjunction with OMNIA Partners Leadership, will communicate a new OMNIA Partners contract through its website and direct communication to its selling teams and dealerships.

ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days

Within 10 days of award:

-Kimball Office Inc. Executive leadership and OMNIA Partners Executive leadership will communicate the new OMNIA Partners contract though its website and direct communications to its sales teams and authorized distribution channel.

Within 30 days of award:
-Schedule a meeting with OMNIA Partners officials to review contract expectations.
-Develop a Nationwide joint marketing/sales plan with OMNIA Partners.
-Review, train, and present contract changes to Kimball Office Inc. Sales Managers.
-Review, train and present contract changes to Internal Contract Support team and Customer Service teams.
Within 60 days of the award:
-Create power point and other types of communication that highlight new award and its changes.
-Create presentation and develop training schedule for all Kimball Office Inc.
-Review all existing opportunities and notify of new award and date. Within 90 days of the award:
-Complete presentation and roll out to all Kimball Office Inc. Distribution channel.
-Develop tracking plan for new contract progress.
-Meet with OMNIA Partners to review progress and activity.
-Further develop new OMNIA Partners exchange program and exchange of data regarding new contract sales opportunities.

3.3 Marketing and Sales

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

i. Creation and distribution of a co-branded press release to trade publications

Kimball Office Inc. Marketing team will work with OMNIA Partners Marketing team to develop a co-branded press release to distribute to various trade publications within the first 10 days of award.

ii. Announcement, contract details and contact information published on the Supplier's website within first 90 days

A notification will be sent out within the first 30 days of award announcing the new award to our dealers via our Kimball Office Inc. brand specific websites.

iii. Design, publication and distribution of co-branded marketing materials within first 90 days

Kimball Office will complete a new OMNIA Partners marketing piece for hand out and email distribution to promote the new contract.

iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

Kimball Office Inc. commits to work with OMNIA Partners to secure booth space for all shows that OMNIA Partners will be attending that Kimball Office Inc. believes will impact our success with this contract.

3.3 Marketing and Sales

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

Kimball Office Inc. commits to purchase 10x10 booth space in designated area selected by OMNIA Partners at NIGP Annual Forum and identified regional trade shows where the OMNIA Partners program has focus. Kimball Office Inc. will provide representation to man the booth as well as assist in the marketing plans and give-away suggestions provided by OMNIA Partners.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.) Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

Kimball Office Inc. will continue to promote the OMNIA Partners agreement through publications and websites in identified trade publications.

vii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

Kimball Office Inc. will continue to develop marketing materials in conjunction with OMNIA Partners to promote the master agreement throughout its term (case studies, training materials and end-user presentations.)

viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of contract and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

Kimball Office Inc. agrees to continue to maintain OMNIA Partners dedicated webpages on www.Kimball.com and www.nationalofficefurniture.com. These sites will include the OMNIA Partners logo, copy of the original RFP, copy of the contract and amendments, summary of products and pricing, marketing materials, and a link to the OMNIA Partners online registration. Additionally, Kimball Office Inc. agrees to provide OMNIA Partners the materials needed to develop and maintain current information on their website as well.

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

After detailed training, our Sales Representatives, in conjunction with our Servicing Dealer Network will contact OMNIA Partners participating agencies to announce our new contract. The announcement will initiate contact in many forms – in person presentations, phone calls, ecards, etc. Initially our sales teams will focus on our existing customers – most of these customers will be contacted in person to educate them on our new contract. Our existing customers are familiar with our products and services, these calls will focus on OMNIA Partners education and the benefits associated with our new agreement. In addition to our current customers, we will focus on new opportunities and new customers. Kimball Office Inc. has a long history of being active participants in trade shows like NIGP. We will continue to market our products and services through the OMNIA Partners contract at the trade shows. We will follow up with all leads generated during those trade shows. We will also establish a customer service program. This program will focus on our existing customers – the intent to identify those customers who are not using the contract and provide a list to management so that we can ensure that the customer has been approached and provided the correct information. This program will also afford us the opportunity to work with OMNIA Partners on those customers that we are having problems transitioning. We believe with the commitment and support of Kimball Office Inc.'s entire sales force that the focus and measurements will be in place to market this agreement into success for all parties.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

Kimball Office Inc. will provide OMNIA Partners with its company/corporate logo(s) for use in marketing communications and promotions. Kimball Office Inc. authorizes OMNIA Partners to reproduce such logo(s) in marketing communications and promotions providing the logo and use meet Kimball International's marketing requirements. Kimball Office Inc. will work with OMNIA Partners to make sure this happens.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:
   i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
   ii. Best government pricing
   iii. No cost to participate
   iv. Non-exclusive

Kimball Office Inc. agrees to develop a marketing plan to reach public agencies nationwide participating in the OMNIA Partners program. At the very least, Kimball Office Inc. will develop a direct marketing approach that will communicate the requirements of OMNIA Partners as well as a program to follow up with those agencies.

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
   i. Key features of Master Agreement
   ii. Working knowledge of the solicitation process
   iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
   iv. Knowledge of benefits of the use of cooperative contracts

Kimball Office Inc. sales team is seasoned and have expert knowledge and selling experience with the OMNIA Partners contract. Many of our sales resources have a very positive working relationship with their OMNIA Partners counterparts. A new award will allow Kimball Office Inc. and OMNIA Partners to continue to expand our selling team relationships. All selling teams are trained on the key features of the contract through regular webinars by the program owner. All selling teams have a true understanding of public solicitation processes and how OMNIA Partners eliminates the need for the agencies to go through the bid process, therefore saving time and resources. We continue to work with the OMNIA Partners teams to expand the use of the program via the wide range of public agencies that can access OMNIA Partners.

G. Provide the name, title, email and phone number for the person(s), who will be responsible for:

i. Executive Support
ii. Marketing
iii. Sales
iv. Sales Support
v. Financial Reporting
vi. Accounts Payable
vii. Contracts

H. Describe in detail how Company's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

Kimball Office has Sales Representatives in all 50 States. The direct sales team is divided into separate categories. Representation is primarily structured to focus on Sales and Service to our end customers and to our authorized Dealer Network. Other representation is the Government Sales. We have specialized Sales Representatives that focus entirely on Government business. Another important aspect of our business is the A&D community and we have sales representation focusing on that important link to the sales process. The country is divided into
(10) regions and a Regional manager is assigned to each region. The Sales Team members report to the Regional managers. Leading the Regional Managers are two Director of Sales positions, one for the Eastern half of the country and one for the Western half of the country. A Director of A&D leads the A&D team. In the Government sector, we have a Director of Government Sales. The four Directors report to the Vice President of Sales. The Vice President of Sales reports to the highest Executive level in the in the sales organization. That position is President of Kimball Office.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

Kimball Office Government Sales Managers (GSMs) are the program regional owners and provide program leadership in their respective areas. They work in conjunction with the OMNIA regional managers in their areas to grow the program sales. Together they strategize on targeted accounts, leveraging existing contact relationships. They involve the Kimball Office Region Management team as well as the Market Sales Managers to insure a constant touch and sales process forward action. The GSM's coordinate Dealer Boot Camps for both the Public and Education Sector Region Managers. Together they educate and promote the OMNIA allocating resources appropriately.

J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Kimball Office has developed the following structure to manage the National IPA program through the terms of the agreement:

- A dedicated program owner – Rhonda Hammack
- A dedicated contract specialist – Stacy Huelsman
- Regional Program Owners – Five Government Sales Managers
- A dedicated trained internal government support team providing timely new participant set up.
- A sales reporting structure that provides National IPA monthly sales reporting requirements by registered end-user.
- A marketing specialist that will work in conjunction with National IPA to develop joint marketing and sales pieces.

The Kimball Office leadership team has put the resources in place for continued sales growth. This structure has served us well during the current contract period.
A new contract would allow us to re-train and re-focus for continued sales growth.

K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

Kimball's Public Sector sales volume for fiscal year 2019 $23,642,131.00. Our top 10 accounts are as follows:

Laredo Community College
Cosumnes Community
Service University of North Carolina at Chapel Hill
City of Dallas
Pima Medical Institute-Tucson Campus – AZ
Boston University
City of Stamford
Virginia Tech
West Virginia University Robert C Byrd Health
NAACP

L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

Kimball Office has taken advantage of recent advancements in technology by implementing and making available to our business partners a number of electronic tools. We have partnered
with leaders in the software industry to develop and implement these electronic resources to enhance the Kimball Office experience for our customers. Matched with future advancements in our E-Business capabilities, these tools allow our customers to easily specify and select product, view renderings, submit orders and check order status.

M. If the Supplier wants to guarantee sales, provide the Contract Sales (as defined in Section 10 of the National Intergovernmental Purchasing Alliance Company Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$_100,000_.00 in year one
$_____.00 in year two
$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

Recent and future events in cooperative purchasing landscape may create additional challenges, but Kimball Office is committed to strive for continued annual double-digit contract sales growth. With these uncertainties Kimball Office therefore will only provide a nominal annual sales guarantee.

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

Kimball Office Inc. will lead with OMNIA Partners, however; to clarify that OMNIA Partners does not expect Kimball Office Inc. to walk away from sales opportunities when the end user rejects use of OMNIA Partners, the following changes are requested.

For avoidance of doubt, OMNIA Partners does not expect to be paid an Administrative Fee on sales for which it's use is rejected by the end user and it performs no functions in relation to those sales.

i. Respond to registered and qualified end National IPA end-users with Master Agreement pricing (Contract Sales reported to OMNIA Partners).

Kimball Office proposes the additional language in red to be added to the existing statement above.

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.

Kimball Office Inc. will comply with this request. For clarification, Lower pricing given to OMNIA Partners members due to competitive reasons will be reported to OMNIA under the Master Agreement unless they have an existing standard agreement with Kimball Office Inc. (brand(s)) at time of award. Kimball Office Inc. will then review in detail when existing contract is up for renewal.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).

Kimball Office Inc. proposes to delete the language as set forth on 3.niii:

Commitment of Exhibit A. In lieu of such language in 3.n.iii, Kimball Office Inc. commits as follows:
In the event that the Public Agency refuses to utilize Master Agreement, the Supplier may provide pricing under an alternative agreement. It is considered a refusal if the Public Agency utilizes a bid/RFP/RFQ process or otherwise chooses not to utilize National IPA. Sales under this section of refusal by Public Agency are not considered Contract Sales under OMNIA Partners and Administration Fee is not owed.

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal. In the event of an award of the higher, customer net price, non- OMNIA Partners Master Agreement proposal, sales would not be considered Contract Sales and no Administrative Fee is owed.

Kimball Office Inc. requests the proposed language in red for clarification purposes.

Detail Supplier's strategies under these options when responding to a solicitation.

Kimball Office Inc. will lead with OMNIA Partners as our primary Cooperative Purchasing vehicle in all appropriate sales opportunities through bid processes, face to face communication and marketing strategies. The Administrative fee will be paid on all purchases made by qualified, registered customers as agreed upon within the Master Agreement. In the event, a customer chooses not to use the OMNIA Partners Cooperative Purchasing agreement, pricing will be proposed at equivalent or higher customer net pricing to the customer to avoid the loss of a sales opportunity. Sales under this section of refusal by Public Agency are not considered Contract Sales under OMNIA Partners and Administration Fee is not owed.

Kimball Office Inc. understands and complies with the information within OMNIA Partners Exhibit A in conjunction with the typed responses / alternative language submitted.

OMNIA PARTNERS EXHIBITS
EXHIBIT F- FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned with proposal.

The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. Participating Agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if Participating Agency believes, in its sole discretion that it is in the best interest of Participating Agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by Participating Agency as of the termination date if the contract is terminated for convenience of Participating Agency. Any award under this procurement process is not exclusive and Participating Agency reserves the right to purchase goods and services from other offerors when it is in Participating Agency's best interest.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES SPF Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES SFP Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:
(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES SPF BAA Certification is made on a case by case basis depending on the ~~product~~ mix selected. Initials of Authorized Representative of offeror

PROCUREMENT OF RECOVERED MATERIALS REQUIREMENTS FOR – 2 C.F.R. §200.322

Participating Agency and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines..

Does Vendor agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any books, documents, papers and records of offeror that are directly pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF AFFORDABLE CARE ACT

Offeror understands and agrees that it shall be solely responsible for compliance with the patient Protection and Affordable Care Act, Public Law 111-148 and the Health Care and Education Reconciliation Act 111-152 (collectively the Affordable Care Act "ACA"). The Offeror shall bear sole responsibility for providing health care benefits for its employees who provide services as required by Federal law.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES SPF Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

Offeror's Name:
Kimball International, Inc.

MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

DOC #4

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Doc #4, continued

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

Certification of Non-Involvement in Prohibited Activities in Iran

Pursuant to N.J.S.A. 52:32-58, Offerors must certify that neither the Offeror, nor any of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32 – 56(e) (3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32 – 56(f).

Offerors wishing to do business in New Jersey through this contract must fill out the Certification of Non-Involvement in Prohibited Activities in Iran here: http://www.state.nj.us/humanservices/dfd/info/standard/fdc/disclosure_investmentact.pdf.

Offerors should submit the above form completed with their proposal.

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: U C # 001218 **Bidder/Offeror:** Kimball Office Inc.

PART 1: CERTIFICATION
BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.
FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf. Bidders **must** review this list prior to completing the below certification. **Failure to complete the certification will render a bidder's proposal non-responsive.** If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

PLEASE CHECK THE APPROPRIATE BOX:

☑ **I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed** on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. **I will skip Part 2 and sign and complete the Certification below.**

OR

☐ **I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below.** Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN
You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

EACH BOX WILL PROMPT YOU TO PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, CLICK THE "ADD AN ADDITIONAL ACTIVITIES ENTRY" BUTTON.

Name _____ Relationship to Bidder/Offeror _____

Description of Activities _____

_____

Duration of Engagement _____ Anticipated Cessation Date _____

Bidder/Offeror Contact Name _____ Contact Phone Number _____

ADD AN ADDITIONAL ACTIVITIES ENTRY

Certification: I, being duly sworn upon my oath, hereby represent and state that the foregoing information and any attachments thereto to the best of my knowledge are true and complete. I attest that I am authorized to execute this certification on behalf of the above-referenced person or entity. I acknowledge that the State of New Jersey is relying on the information contained herein and thereby acknowledge that I am under a continuing obligation from the date of this certification through the completion of any contracts with the State to notify the State in writing of any changes to the answers of information contained herein. I acknowledge that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification, and if I do so, I recognize that I am subject to criminal prosecution under the law and that it will also constitute a material breach of my agreement(s) with the State of New Jersey and that the State at its option may declare any contract(s) resulting from this certification void and unenforceable.

NEW JERSEY BUSINESS REGISTRATION CERTIFICATE
(N.J.S.A. 52:32-44)

Offerors wishing to do business in New Jersey must submit their State Division of Revenue issued Business Registration Certificate with their proposal here. Failure to do so will disqualify the Offeror from offering products or services in New Jersey through any resulting contract.

http://www.state.nj.us/treasury/revenue/forms/njreg.pdf

09/28/11

Taxpayer Identification# 351-688-210/000

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Fruscione

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

From: Marilyn Biscotti, Senior Commodity Manager

RE: Kimball International & University of California National Contract 2019.00186
- October 2022 Market Price Increase

This memo will serve as notice that a market price increase for both Kimball Omnia National and UC Agreements has been agreed to by the University of California and will reflect new pricing beginning October 3, 2022. This increase will replace the recently implemented surcharge of 9% which was effective on July 1, 2022.

As supply chain continue to drive cost increases with raw material commodities, labor and freight, this memo reflects an average 10% price increase. The increases ranging from 0%, 5%, 10%, and 12% on all products within the Kimball, National, Etc. and Interwoven brands.

All other terms and conditions of the agreement shall remain in full unless changed, altered, or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Thank you,

Marilyn Biscotti

Kimball International Price Increase

Kimball International Price Increase

EFFECTIVE OCTOBER 3, 2022

The average 10% price increase is outlined as following for the Kimball, National, Etc. and Interwoven brands. These percent increases are the result of the deep analysis we have conducted regarding material and related cost increases, balanced with our goal of maintaining competitive prices and protecting your ability to compete strongly in the marketplace.

We will be implementing a 10% List Price Increase on all series except those noted below:

	Product Category	0% List Increase	5% List Increase	12% List Increase
Kimball	SEATING			Bingo®, Collage™, Event™, Flip®, Jelsen™, Pep®
	CASEGOODS	Everyspace™		Definition®, Fundamental®, LF™ Series, President™, Transcend®, Xsede®

&	ETC.			All Etc. Series
	DAVID EDWARD			All David Edward Collection Series

©2022 Kimball International, Inc.

Kimball International

July 15th, 2022

Dear Valued Customer,

As industry demand recovers, supply chain imbalances and disruptions continue to drive cost increases with commodities, labor, and freight. The following is a summary of recent cost increases we have borne for key materials utilized in the production and shipment of furniture.

Commodity	Inflation
Steel Raw Material	14%
Steel Components	6%
OSB Board	23%
Aluminum Extrusions	6%
Seating Foam	3%
Particleboard	14%
Corrugated / Packaging	11%
Wages	8%
Freight	5%

Due to the continued escalation and volatility of material, freight, and labor costs, we recently implemented a surcharge of 9% effective on July 1, 2022. Today we are announcing a market price increase effective October 3rd, which is intended to replace the current surcharge.

The average 10% price increase is made up of increases ranging from 0%, 5%, 10% and 12% on all products within the Kimball, National, Etc. and Interwoven brands. These percent increases are the result of the deep analysis we have conducted regarding material and related cost increases.

For a detailed listing of price increase by brand, product type, and series please click here.

Continuous improvement and intentional actions to mitigate the escalating cost increases, including supplier diversification, commodity hedging, nearshoring (domestic supplier), insourcing (make vs buy), and expanding freight and warehousing capacity are actively being pursued to help offset the above necessary actions.

Thank you for your continued support of Kimball International.

Regards,

Lisa Schmidt

Harvick edges Hamlin on closing lap

Ellen J. Horrow
USA TODAY

Believe it or not, Kevin Harvick entered the Monster Energy NASCAR Cup Series weekend winless in 2019. The Stewart-Haas Racing driver who won eight times last year and finished third in the championship race had opportunities to win but could never live up to his nickname of "The Closer."

Harvick made sure he closed out the race Sunday at New Hampshire Motor Speedway, holding off Denny Hamlin, who caught him in the final two laps and bumped him twice before Harvick edged him at the line to win the Foxwoods Resort Casino 301.

"(Hamlin) got to me and tried to move me out the way," a relieved Harvick said after climbing out of his car. "I knew that was coming as close as he was. But I just hit the throttle down the back straightaway and I'm like, 'You're not getting under me again.' He drove to the outside, and I waited until he got near me then put a wheel on him."

The victory was Harvick's first in 21 races since he took the checkered flag at Texas Motor Speedway in November.

Hamlin saw the battle the same way Harvick did. "I wanted to just tap him there," Hamlin said, "but I didn't want to completely screw him, I wanted to give him a fair shot. Then he turned right and came up on me coming out of the corner. I don't know, I would have done the same thing. ... It was a great race."

Kevin Harvick celebrates his first Monster Energy NASCAR Cup Series victory in 2019 in the Foxwoods Resort Casino 301. JARED C. TILTON/GETTY IMAGES

Harvick, who won this race last year, benefited from a call by his crew chief. When many of the drivers brought their cars down pit road with 35 laps left for tires, Rodney Childers told Harvick to stay out. "It was really questionable with how that was going to go," Harvick said in victory lane. "It was a heck of a finish, closer than we wanted. Like I said, I would never have (made the call), but that's why he's the one on the box."

Harvick earned his 46th Cup Series win and locked himself into the playoffs.

Erik Jones finished third, Ryan Blaney fourth and Matt DiBenedetto fifth for his second top-five of 2019. Martin Truex Jr., Ryan Newman, Kyle Busch, Joey Logano and Brad Keselowski rounded out the top 10.

Larson's woes: With 37 laps left, Kyle Larson hit the wall for a second time. Larson brought his car to the garage.

Back-to-back yellows: Kyle Busch, who led 118 laps, got loose on lap 214 and slid into the wall, bringing out the caution. On the ensuing restart, Larson tried to pass Alex Bowman on the inside but spun out with the rear of his No. 42 Chevrolet backing into the wall.

Stage 2: Aric Almirola, who stayed on the track after a late-stage caution, won the segment ahead of Logano, Newman and William Byron, who also didn't pit. Kyle Busch, who took tires, was fifth.

Costly crash: Clint Bowyer got loose as cars raced three-wide on a restart with six laps left in the second segment and careened into Truex, sending Truex into the wall and his No. 19 Toyota into Bowyer's No. 14 Ford. Bowyer was eight points above the playoff cut line entering the race. Both cars were able to finish the second stage on the lead lap.

Wall banger: Ricky Stenhouse Jr. slammed hard into the Turn 2 wall on lap 136, ending his day. He cut his left front tire after side-by-side contact with Erik Jones, and when the tire blew, Stenhouse lost control of his No. 17 Ford. Stenhouse, who is winless this year, was one of a handful of drivers trying to creep up into the 16th and final playoff position. The Roush Fenway Racing driver faces a likely must-win situation. "The 20 (of Jones) ran over us," Stenhouse said. "He's been known to do that to us a couple times now lately. He'll get one coming his way before it's over with, or at least before I'm through with it."

Making contact: Daniel Suarez got loose and made contact with Daniel Hemric in Turn 2, sending Hemric's No. 8 Chevy into the wall and the No. 41 Ford of Suarez spinning. NASCAR waved the caution flag on lap 110, and the field headed back down pit road. Jones and Alex Bowman made contact on pit road when Jones was pulling out of his pit box and Bowman was trying to pull into his. Chase Elliott also had an issue on the pit stop. The No. 9 Hendrick Motorsports crew was forced to lift the hood and replace a belt.

First stage: Kyle Busch won his seventh stage of 2019 after taking the lead on a restart following the first caution.

IndyCar night in Iowa 'well worth the wait'

Jim Ayello
Columnist
The Indianapolis Star
USA TODAY NETWORK

NEWTON, Iowa – That Mother Nature has a cheeky sense of humor, doesn't she? Throughout the week leading up to the Iowa 300, we heard from so many members of the NTT IndyCar Series community lamenting the scheduled start time of Saturday's "night" race — about how starting at 7:30 ET would allow the setting sun to scorch drivers' vision, along with the fans in the stands.

Mother Nature chuckled. *Oh, you want a night race? I'll give you a night race.*

Though no rain had fallen in Iowa for weeks, just minutes before green flag time, Mother Nature opened up the skies and let forth a wicked thunderstorm and torrential downpour that soaked the track and delayed the start of the Iowa 300 for more than four hours until the event became a twilight affair, with the green flag flying 10 minutes before the stroke of midnight.

Despite the obvious headaches a delay of that caliber causes – i.e. drying the track, keeping fans safe/entertained and IndyCar teams' mad dash to book local hotel rooms and flights for their crews in case the race was pushed to Sunday – it all worked out for the best.

Well, maybe not for everyone. Surely there were fans who couldn't wait around all night for the race to begin and left disappointed. But those who did stay – and there were plenty (bravo, Iowa fans) – were treated to one of the best IndyCar races of the season.

"For all the fans who stayed out, weathered the storm literally, huge, huge thanks," said third-place finisher James Hinchcliffe. "I think it was well worth the wait. Hopefully everybody that did come and stayed for the race enjoyed the show. Felt pretty exciting from where we were sitting. Imagine from the outside, too."

From the outside, the race was thrilling.

Though the numbers, highlighted by his 245 laps led, indicate Josef Newgarden's eventual victory was a foregone conclusion, a slew of contenders emerged throughout the night looking as if they might challenge him for the top spot on the podium.

Dale Coyne Racing rookie Santino Ferrucci grabbed the early headlines by blitzing the field at the start, jumping up six spots (12th to sixth) and appearing as if he might ambush the front-runners.

Newgarden's Penske teammates, Will Power and pole-sitter Simon Pagenaud, each looked strong as the three ran up front together early on. Ed Carpenter and his teammate Spencer Pigot quickly made a case that they were the class of the pack, as they bounded up the field into the top 10 in a heartbeat.

Hinchcliffe delivered a little deja vu, as he and his car seemed to grow stronger and stronger as the race went on, making it seem like he might have a shot at going back-to-back at Iowa.

Finally there was Scott Dixon, who through some combination of sorcery and strategy managed to go from being a back marker all race to closing the gap to Newgarden in the final stint and finishing second.

Josef Newgarden celebrates after winning the NTT IndyCar Series' Iowa 300. CHARLIE NEIBERGALL/AP

All in all, it was a thrilling race, and one fans who stayed up to watch on TV or stayed at the speedway to watch in person deserved to see.

Did it make a significant difference that it was truly a night race? I bet the fans – not sweating through their clothes in the stands – thought so. I know Newgarden and Zach Veach did.

As we've learned through the first two years of the universal aero kit, the hotter the temperatures, the tougher it is for drivers to hang on to these cars. With track temperatures down, Veach said, they were able to put on a show with nearly 600 on-track passes.

"I think it would have been a much worse race if it was in the day like it was supposed to be," said the young Andretti Autosport driver, who picked up his best finish of the season (seventh). "With the conditions that we had, we gained about 200 pounds of downforce. And honestly, I think it was just right.

"It was still just low enough that we were sliding around and we're struggling and we can't run in a pack at all. But it's good enough that you can feel confident to try and charge and pass people. I felt like we had a good balance, so I'm thankful for Mother Nature for pushing things back."

For Newgarden, it wasn't so much about the quality of racing as it was about the majesty. There's simply something special about Indy cars racing at night, he said.

"I think night is better just because it's always more exhilarating," Newgarden said. "The more races we can have under the lights with IndyCar would be better. They look better. It's obviously cooler in the summertime, easier on the fans, easier on us. I think it's just a lot more fun. It really brings the atmosphere out and makes it exciting."

I'd wager few fans disagree. Hopefully, that means in the coming years we can expect more of what we saw late Saturday night and early Sunday morning. Hopefully it won't be left to Mother Nature to make it so.

You'd have to believe that IndyCar, NBC and the speedway want to put the best possible product in front of their fans. At Iowa that means night racing. True night racing.

We saw its splendor Saturday night. Here's hoping we see it again next year.

Post Web Conference - Consolidated Questions for Proposers

These questions have been consolidated and answer for your convenience. Please note these answers are subject to revision/correction or clarification, if deemed necessary by the UC.

1. Please clarify if you do want the installation rates to be Prevailing Wage or not. There are various locations in the bid on both the National portion and the UC portion that ask for both rates or for the vendor to choose. Answer: A general answer would be, the rates requested are standard rates, unless prevailing wage is required for a portion of the installation (e.g. a portion of the Sample Project Pricing). In the case of the Sample Project, you are provided a specific location and situation for the purpose of developing your quote and providing invoicing which details labor/services with hours and rates charged. Within Tabs 1 &2 of Attachment 2, you are asked to provide the Standard Dealer Labor Rate and the portion which is a markup)
2. What are your expectations of design and installation fees when purchasing through eCommerce site? Answer: Please refer to Question 51.
3. The RFP includes the Five UC Medical Centers. How will this new contract impact the use of Vizient? Is it the UC's intention that medical centers will purchase under this new contract? If both contracts will be available, can you explain how this will work? Answer: The current contract is available to all UC locations. The new contracts will mirror that. There is no mandated use.
4. Are we able to provide attachments to questions where the attachment link does not exist? Answer: As a general answer (w/o specific question #s), we have allowed attachments on many questions, although we desire to receive the least amount of supplemental material (succinct narrative answers should be provided). For some questions, we have allowed for that option, as attachments are not desired. If you feel there is an error, please contact me with specific question noted. If you feel an attachment must be added, you may reference it and add to suppler attachments.
5. Discount tier…says first tier is $100-350K, second tier is +$350K. Should that first tier read $0-350K? Answer: Your Drop ship Pricing is considered to be your first tier discount Rate. We consider orders of 100k or greater to be higher volume purchases.
6. On p. 15, fourth bullet from the top on the RFP Event document, it states the UC would like "A 'program' for regularly monitoring and comparing UC pricing with pricing available from competitors in the Univ of CA market (UC Specific.)" What specifically are you asking a proposer to provide to the UC System? Answer: An example of relevant information would be a comparative report (competitive suppliers increases for that year), done after your company has implemented a price increase. A second would include increases in product available to the UC (meets requirements).
7. On page 15 of the RFP Events & Processes doc, can you please clarify with more specifics what is meant by "catalog development with price discount list noting period of time needed to identify the lines that align UC requirements on the pricing discount list", Are you wanting a custom catalog of products that meet UC requirements showing sample list and net prices for users? Is this catalog to be virtual, printed, or both? Answer: In terms of implementation, this should be a virtual catalog (ready by October 2020) for UC approved product, along with a 'printable' discount list (basically your completed Tab 1& 2 of Attachment 2). The discount list for a national program, would detail all available product lines. For the UC, a product line would be eliminated if the full line does not qualify; otherwise it too, would be listed for purposes of showing the appropriate discount.
8. OMNIA Exhibit A, P.5 | 2.3 Sales Commitment: Please confirm that a Company making good faith efforts to market this Master Agreement will cover the sales commitment requirement in this section. Answer: Yes
9. OMNIA Exhibit A, P.8 | 3.3 Marketing and Sales M: Please confirm that we are not required to commit to a "Guaranteed Contract Sales" and that admin fees will be based on contract sales in this instance. Answer: Correct, you are not committed.
10. OMNIA Exhibit B, P.3 | National Promotion 10: As a National Furniture Supplier, it is not our standard practice to distribute copies of our contracts. Please confirm that maintaining all relevant contract information on our dedicated website such as authorized dealers, pricing, products available, etc. will suffice in lieu of distributing a copy of the actual contract. Answer: This will be consider a public contract when a supplier responds with a proposal. Authorized Dealers Pricing and products available, do not have to be posted to the OMNIA Partner's site, but will be available to agencies requesting information.

11. OMNIA Exhibit B, P.3 | Administrative Fee, Reporting, & Payment 13: We would kindly ask you to reconsider the deadline for payment within 10 business days of the appropriate month end. With the report itself being due by the 10th day, please consider extending the receipt of payment on this report until the 30th day. Please provide 'Exceptions' to the document with your response.
12. Terms and Conditions of Purchase, P. 9 | Article 19 – Audit Requirements: Please confirm that before an audit occurs, the Company will receive reasonable notice. Please provide 'Exceptions' to the document with your response.
13. Terms and Conditions of Purchase, P. 1 | Article 2 – Term and Termination: Please confirm UC's right to obtain Services from a third party is limited to comparable Services, the UC's right to deduct any and all expenses incurred by the UC in obtaining or performing the comparable Services is limited to reasonable expenses, and the Supplier has an opportunity to cure before any re-procurement occurs.–Please provide 'Exceptions' to the document with your response.
14. Terms and Conditions of Purchase, P. 1 | Article 2 – Term and Termination C.: Please confirm full compensation as outlined includes work in progress and the Supplier has a reasonable opportunity to cure prior to termination notice. Please provide 'Exceptions' to the document with your response.
15. Terms and Conditions of Purchase, P. 1 | Article 2 – Term and Termination D: We kindly request that you provide at least (10) business days to the Supplier to cure any failure of performance. Please provide 'Exceptions' to the document with your response.
16. RFP P.14 | V. Termination of Agreement: Please confirm that such termination for convenience rights are given to either party, or not just UC. Answer: A Proposer is afforded termination based on cause. Please provide your request as an 'Exception' to the document with your response.
17. RFP P.4 | Article 8 – Indemnity - Please confirm indemnification is limited to the Supplier's negligent actions. Please provide 'Exceptions' to the document with your response.
18. Terms & Conditions P.8 | Article 17 – Additional Terms Applicable to the Furnishing of Goods A. Price Decreases –Please confirm a price decrease only applies to the extent that the manufacturer's nationally publicized list price decreases. Answer: In terms of the pricing model for this RFP, that would be correct except in the cases of surcharges applied for tariffs, as discussed in the RFP. A supplier should note however, it is the UC's expectation that decreases in cost to a supplier, will translate to a decrease in cost for the UC/end users. Suppliers are encouraged to discuss (in the questionnaire) their processes that ensure best pricing/best value throughout a contract.
19. RFP P.18 | Surcharges and/or Tariffs: Please confirm price adjustments resulting from tariffs that result in a new price list to incorporate the tariff impact will be accepted outside of the standard annual increase window. Answer: Substantiated tariff surcharges are accepted outside standard Pricelist increases. Tariffs, incorporated as a product price increase, are not easily removed and not desirable.
20. Special Products: In order to meet the unique needs of an end user, we have the ability to customize many of our products. These customized products are referred to as 'specials'. These specials are defined as modifications to existing products that will still maintain the primary product function and warranty. For example, if an end user requires a bookcase that needs five shelves instead of four. Specials are uniquely priced based upon the requested modification; as such, the list prices and model numbers of the specials are not published in our catalog or our list pricer. Please clarify if we can offer this 'specials' program upon contract award. Answer: Yes
21. Non-Contract Items: Please confirm that non-contract items can be placed on the same purchase order as contract items as long as they are clearly defined as not on contract. Answer: Clarification is needed in order to answer this question.
22. Subcontractors: Please confirm that subcontractors can be added to the contract at any time without approval from the State. Answer: This is not a State Contract. Suppliers are however, required to list their dealers for approval, as part of this process. Any changes to that list for UC service, would need to be vetted.
23. RFP P.2 | B. Contract Term: Please confirm that any renewal options exercised will be based on mutual written agreement between both parties. Answer: Correct
24. RFP P.11 |O. Pricing and Incentives #4: Please confirm if the 2% rebate is based on product only to UC locations or products and services. Answer: Correct

25. RFP P.11 |O. Pricing and Incentives #4: Please confirm at time of award, it will be decided which campuses will accept the admin fee and which ones will opt out. Answer: Any campus wishing to apply the 2% UC specific rebate to apply to purchases, will be named.
26. RFP P.17 | 2. Product and Pricing – Parts Sales: Please confirm if Manufacturer offers lifetime warranty, minimizing the need to order non-warranty repair parts, it is acceptable for such parts to be prices on a case-by-case basis by Manufacturer's representative? Answer: A supplier should establish a discount off list for repair parts (Attachment 2 – Tabs 1& 2). A request for an 'Exception' can then be requested.
27. RFP P.20 | 5. Services – Response Times: Please confirm Supplier's standard restocking fees apply when returns are at no fault of Manufacturer. Answer: Correct
28. Please confirm that if furniture dimensions are directionally accurate, they will be considered acceptable. Clarification is needed, before answering this question.
29. Page 17 – 2. Product and Pricing | New and Discontinued Products: Please confirm that new model numbers introduced under an existing product series and awarded category can be added to the contract at any time without approval. Answer: Yes, for a national program. For UC accounts, items may be added if they meet minimum requirements.
30. RFP P.28 | Minimum Required Criteria: On page 28, should 1-3 at the bottom of the page be numbered 3-5? If not, could you confirm what requirements are b (1-5)? Answer: Yes and the top item on page 26 should be '6.' This is a formatting error.
31. Attachment 2: Please confirm what is desired by your "quality level." As a Manufacturer of contract grade office furniture, we consider all of our products to be of high quality. Please confirm this description is used to describe materiality and available features and benefits. Answer: Items descriptions on Tab 3, include an example of the quality level of the item being currently used. It is a brand and product line. This is done so you might rate your item relative to that being used.
32. Attachment 2: Please confirm that a minimum delivery requirement can be enforced for installations in remote areas. Answer: A minimum delivery requirement is not acceptable for the UC accounts, although an added fee (dealer only) may apply for remote satellite locations as discussed in question 51. A minimum delivery requirement may be negotiated for national program. A supplier should list this requirement on an exceptions document.
33. Attachment 2: Please confirm if a percentage or an hourly rate is preferred? If so, can you mix the usage considering circumstances such as prevailing wage, union labor, delivery restrictions in major metropolitan markets? Answer: Product category discounts (Tabs 1 & 2) are listed as percentages. Labor is requested as NTE hourly rates. Please note Dealer Standard Labor Rate and the portion which is 'markup' (amount over actual amount paid to the laborer).
34. Attachment 2. Why are there two tabs for pricing? One for National and one for UC --- shouldn't the discounting be the same on both? Answer: A supplier may quote the same for both sets of business, however a separation is provided to suppliers when considering the scope. UC specifications and required service levels, along with a regionally consolidated purchasing base, makes the UC different from a national program.
35. Attachment 2 - Please confirm inside delivery is off-loading from the truck by the driver over the threshold of the dock door/entryway. Answer: As it pertains to a national program, it is defined in Tab 1 of Attachment 2 and is presumably limited to a 'drop area' in close proximity to the truck and dock. This might be slightly further than 'over the threshold' but in close proximity to it.
36. Attachment 2 - Please confirm inside delivery on is not being requested by UC. This is included on the UC tab but not the National tab. Answer: Correct, your definitions are provided on those Tabs, with full service requirements described on Exhibits 2 & 3 of the RFP.
37. Attachment 2: In what instances would installation be quoted at an hourly rate rather than using the established delivered/installed basic or expanded discounts? Would it be more simplified to remove the required delivered/installed discounts and then offer an hourly rate for basic or expanded services? Answer: An example would be a campus that is having product drop shipped to location but desires a limited amount of design work and/or limited hours of installation. Another would be a purchase with basic installation but a need for 2 hours of design or drawings. Certain locations have different needs and preferences.

38. RFP P.9 | Proposal Evaluation and Agreement Award #2 Please confirm how these 5 points will be weighted and awarded. Answer: Weights for the categories listed on that page in order of importance, are: 30%, 23%, 17%, 16%, 14% (respectively).
39. Exhibit 6 – UC Reporting Requirements: We would kindly ask you to reconsider the deadline for reporting within 15 business days of the quarter end to 30 business days. Answer: A Supplier should note items of this nature, list them as 'Exceptions" and uploaded with their proposal.
40. Exhibit 6 – UC Reporting Requirements: With sustainability requirements being provided at the time of bid for all products proposed, can the requirements of weight thru textile certification name and achievement level be removed and provided as requested? This information is all manual and would require extensive efforts to pull together each quarter. Answer: The UC intends to work with awarded suppliers and adjust requirements as needed during negotiations, provided the UC goal can still be met; a purchasing program for qualified furniture and the generation of an annual report containing accurate data as to our Green Spend and Green Preferred requirements. If a supplier can demonstrate all products offered to the UC, meet our minimum or preferred requirements and can block all product that does not, this may suffice to meet the requested reporting. Having said this, a supplier should note the UC currently deems it a reasonable requirement, to request that product certifications (names/types) be tracked. GUIDANCE: Suppliers should note any limitations/lack of capabilities to provide information for all fields requested. These should be listed as 'Exceptions" and uploaded with their proposal.
41. Exhibit 6 – UC Reporting Requirements - Please confirm if the Customer Number is a UC member number or OMNIA number? Answer: This is for UC, therefore a UC number.
42. Our company is actively working toward phasing out expanded polystyrene foam and other materials that are difficult to recycle, but will not meet this by 2020. Please confirm that taking back the product packaging, including any foam materials, will that meet the ban on EPS foam that the University of California has enacted? Answer: A takeback program, in and of itself, will not satisfy the EPS ban. It is, however, pertinent information to assist in supporting an exemption request.
43. Within the UC RFP on pages 27 and 28, there is conflicting guidance surrounding PVC (Poly Vinyl Chloride). The UC Sustainable Procurement Guidelines references the Kaiser Permanente Chemicals of Concern criteria, which does not allow any PVC, while the section on Furniture Sustainability Standard, referencing the BIFMA e3-2019 7.4.4 criteria and part b's chemical class avoidance, and allows for up to 1% PVC by weight. Please confirm that up to 1% PVC composition by weight is acceptable. Answer: 1% PVC compositions by weight is acceptable. Please refer to Question 55.
44. Specials - In order to meet the unique needs of an end user, we can customize many of our products. These customized products are referred to as "specials." These specials are defined as modifications to existing products that will still maintain the primary product function and warranty. For example, if an end user requires a bookcase that needs five shelves instead of four. Answer: yes
45. DUPLICATION – Line reserved
46. Is it mandatory that all awardees join EcoVadis? We currently belong to a similar organization that does essentially what EcoVadis does. Also it's my understanding that EcoVadis also reviews hiring practices, employee work environments, etc…. The United State Department of Labor already has requirements that every US Company must comply with so this particular service seems un-necessary. Answer: At this time, it remains a requirement. A supplier may however, demonstrate the 'equality' of their service during the negotiation of any contract. It would then be reviewed by our Sustainability Committee.
47. Section 2 - Specifications or Requirements, under Subsection "eCommerce, Invoicing, and Settlement": Are we able to host the UC online catalog on our website instead of hosting it on the UC eCommerce System? Answer: A punch-out catalog would be hosted on the supplier's website, but would be integrated with the UC eCommerce system where the purchasing will actually happen. We do not want end-users shopping and purchasing directly on a supplier's website.
48. Are manufacturers able to offer their own tiers for pricing? Answer: We request you utilize the Tiers provided. Alterations may be permitted during negotiations, if added value can be demonstrated.
49. Section K - Proposal Evaluation and Agreement Award, Clause 7: This RFP clause states that "The UC reserves the right to negotiate the modification of proposed pricings and/or terms and conditions with the Proposer offering the best value to the UC prior to the execution of an Agreement. Does this clause suggest that a single furniture Award may be made to a single manufacturer, in contrast to the stated intent of Page 1

of the "RFP EVENT AND PROCESS SUMMARY" to "award approximately three (3) "Broad Line" Manufacturers? If so, is it possible that in the case of a single UC award that multiple "National" awards may still be issued? Answer: It is the intent of the UC to make multiple awards, as stated, although the UC does reserve certain protective rights (e.g. 'to make no award') within solicitations (see 1.K.6).

50. Section P - No Mandatory Use: This RFP clause states that "any procurement that is part of a construction "project" (as that term is defined in California Public Contract Code section 10500) CANNOT be made under any contract resulting from this RFP". A review of Cal PCC 10500 notes that "a "project" includes the erection, construction, alteration, repair, or improvement of any University of California structure, building, road, or other improvement that will exceed in cost, including labor and materials, a total of fifty thousand dollars ($50,000). Does this clause indicate that if there is a furniture procurement associated with a UC building project of >$50K, as described, the furniture purchase would be required to be separately bid? Answer: No, this dollar threshold, by itself, does not dictate the method of purchase. These contracts can and will, be used for large purchases. To the extent possible, they are awarded to prevent the need for all large volume orders to be separately bid.

51. Appendix - ecommerce (p.2) states "All Supplier-provided pricing in any Catalogs, whether Hosted or Punch-Out, will be inclusive of all shipping, handling, fees and charges of any sort, except applicable taxes." Can you clarify what is inclusive in handling, fees and charges? (For example, does handling include installation?) Final price is dependent on many variables such as, service level, tier, building access, time of installation, etc. Answer: Our ecommerce sites are built for product viewing/product purchases, which in this case, are displayed at the 'Drop Ship' Discount Pricing'. All Design, Installation, or other service charges are requested separately by quote which typically includes the requested product (in detail). Currently, these final quotes are then made available to the customer through our 'Quote Retrieval' functionality which is a requirement of this RFP (within 18 months of contracts start date). Quotes are 'retrieved' from the supplier's punch-out site, to auto-populate a UC purchase order. Any quotation would include detail for products (list price & discounted price), separate lines for services, installation (identify standard labor separate from prevailing wage) if applicable), and taxes. Labor detail will note hours billed and labor rate for services. Note: The labor differential (Dealer Labor Rate vs. actual labor rate paid to employee), should be available to customer at any time). In the case of furniture, an example of an added handling fee might be a charge applied for a dealer delivery to a remote UC satellite location that is out of the contracted delivery radius of the Dealer's warehouse (minimum of 50 miles).

52. What will be your centralized eCommerce platform and when is that likely to take place? Answer: There is not currently a plan for a centralized eCommerce platform across all of the UC campuses. There is a shared platform (uBuy) that hosts UC Davis' and UC Merced's eProcurement systems. Some, but not all, of the campuses plan to migrate to this uBuy platform in the future. In terms of platform vendors, the UC Campuses currently use Jaggaer and Perfect Commerce, with some campuses looking at moving to Oracle Fusion.

53. RFP event and process summary states "If a Proposer has Partner Lines of product which they are able to offer within their catalog and under the same terms and conditions (including price controls/price changes, dealers used/services, inclusion in proposer's eCommerce catalog, and management by the "Supplier"), a Proposer may include those offerings within Attachment #2, on the Discount Service Pricing Tabs (1&2). Partner Lines must be identified as such and may not be used to populate the Product Cost Matrix (Tab 3) or for the Sample Project Quote unless approval is granted by the Contract Administrator at least one week prior to submission." Can you define what qualifies as a partner line (are subsidiaries considered a partner line)? Answer: Partner lines frequently, are not subsidiaries. They are separate companies, not owned by the proposer, but with whom the manufacturer has agreements to market product which is not manufactured by them. In order to include Partner lines on Tabs 1 & 2 of Attachment 2, the Partner lines must meet the stated criteria (Scope of work - Goods). Subsidiaries, over which the Proposer (individual manufacturer) has control, do qualify and may qualify for actual population of the Product Cost Matrix, if meeting the criteria in Scope of Work). As a reminder, a Proposer is an individual manufacturer.

54. Please confirm, that as it relates to Partner Brands, brands are considered one if they fall under the same President. Answer: Noting companies may be structured differently, please refer to question 53.

55. If awarded a contract, is the requirement to meet the 2 criteria mentioned in the Sustainable Procurement Guidelines or Kaiser Permanente's EPP? On page 11 of the Sustainable Procurement Guidelines

(https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf) the required Indoor Furniture requirements are GREENGUARD Gold or SCS Indoor Advantage Gold and Free of the 6 classes of chemicals of concern. On page 26 of the RFP EVENT AND PROCESS SUMMARY it mentions Kaiser Permanente's Chemicals of Concern Criteria (Products and packaging shall be free of hazardous additives, including those mixed into the product and those used as surface treatments, unless no feasible alternative exists, and it is determined that the benefit outweighs the risk. Products and packaging must meet all eleven of the Kaiser Permanente Chemicals of Concern Criteria (http://supplier.kp.org/formsreqs/KPEPPStandards.pdf)). Answer: In the event of a conflict in requirements between the Kaiser Permanente's Chemicals of Concern Criteria and the criteria on pg. 11 of the Sustainable Procurement Guidelines (https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf), suppliers should meet the Minimum Required Criteria listed in the RFP on the bottom of pg. 27. That is, all furniture must either be certified under BIFMA criteria 7.4.4 – Targeted Chemical Elimination – of ANSI/BIFMA e-3 Furniture Sustainability Standard (2019 version) or be free of the 5 classes of chemicals of concern described on pg. 28 of RFP.

56. If awarded a contract, is the expectation to obtain the most basic level of certification through EcoVadis or is there a different level we will be required to commit to? Answer: Basic is acceptable.

57. This question references "Free Training" requirements of the RFP - what type of "training" does this reference? Buyer training? End user furniture use and adjustment training? Can you be more specific on this question? Answer: within the 'Services Section", you are required to provide training to UC employees (who will utilize Supplier's software, ordering system, etc.) In addition, you are requested to detail other training offered within specific questions (training on furniture function/adjustments, etc.) and the ability to list 'Free of Charge' services.

58. Questionnaire Section; Company Profile/General Capabilities; Question 19 (eCommerce #7 - Configurable Items: Please provide additional clarification on the following sentence: "Please describe how this is passed back to the eCommerce system and is it customizable for the customer's needs (change wording). What do you mean by "change wording"? Answer: Please disregard. It was an internal note.

59. Are we allowed to partner with another manufacturer to provide a complete solution to all 5 categories? If we are able to, what are the requirements for each manufacturer (Documentation, Information, Etc.)? Answer: No, it would not qualify as a broad line manufacturer. The intent of the RFP is to contract with Manufacturers /Proposers that have full lines (5 main categories). Note, the UC has allowed for some gaps in these categories by requiring only 75% of product listed, be quoted on categories 2-5 of the Product Cost Matrix (Attachment 2). Please note, if a supplier has a gap of a single 'Item type' beyond the requirement, it is possible an exception could be granted. It is not, however, the intent of the UC to accept partnering proposals, in order to meet the basic line requirements.

PRODUCT OR DESIGN SPECIFIC QUESTIONS

1. Please answer these product specific questions:

- Credenza 36W
  Should credenza have only hinged doors or a combination of doors and open shelf? Hinged doors only with adjustable shelf inside.
- Credenza 72W
  What combination of storage types are needed for this credenza? Please confirm dimensions of each. Hinged doors with shelves (adjustable or fixed) and optional drawers.
- Wood Casegoods (private office)
  Would it be possible to provide a 3D image or line drawing of this configuration? Four 18" wide hinged doors with adjustable shelving inside.
- Other Storage
  Please provide an example of the storage combination for the 42H Tower. Hinged doors and inside shelving.
- Conference Table, 144W

Please confirm the power and technology needs for this table, outlets and type of connections needed. 120V power outlet with options for HDMI & UCB Port, and data. Note, the UC typically provides power to the table.

2. Veneer - Due to the enhancement of aesthetic in laminate furniture, and the decreased demand for wood veneer furniture, please confirm that the university will allow laminate as an alternative to veneer, which will be of better durability and value. Answer: The majority of furniture ordered will have laminate surfaces, however, there is still a need for wood veneer items. Therefore, laminate is not an acceptable alternative for all furniture items to be ordered.
3. MDF - What is the university's intent in requesting MDF as the specific core material for laminate and veneer product? Our laminate product meets and exceeds ANSI/BIFMA industry performance standards, carries a lifetime warranty, and has not been subject to excessive issues as it relates to quality and durability. We would like to request that the industry standard of particleboard core on laminate products be considered reasonable and of equal durability. Does the laminate core need to be made of MDF or will like materials with similar testing integrity, etc. be acceptable? Answer: Our general experience and knowledge does not lead us to believe it is an acceptable alternative to MDF, however, if you wish to submit a proposal noting wherever it is used (substituted), along with a report from an independent testing lab that clearly demonstrates equality (per above) in an in-depth comparison, we are willing to consider the material and evaluate the proposed products.
4. Your Conference Table: 42"x96" Hexagon Conference Table, Standard Height; Base-T, Steel Base, MDF/Laminate Surface; Powder-Coat Paint, HPL Laminate. (Example of current UC item is Universal Tables)
    1. Please confirm we can use a special top to accommodate this shape. Answer: Yes, as long as the table top becomes part of the standard line, is available with the same lead time as a standard table top and is priced in line with similar sizes in the standard table top line.
5. Your Conference Table: 144X60, Rectangle; 2 Laminate Bases; Steel Base, MDF/Laminate Surface; Powder-Coat Paint, HPL Laminate; support for power & technology. (Example of current UC item is E-Table)
    1. Please confirm that a variance of +/- 6" on the depth of the top will be acceptable. A width of 54 inches instead of 60 inches may be acceptable in some instances, however a width of 66 inches will probably be too wide in almost all instances
    2. Please clarify what is meant when requesting "2 laminate bases; steel base". Two steel frame bases with laminate finish surface.
6. Your Training Table: 24x48; Rectangle; Fixed Top, Fixed Height; L base, Steel Base, MDF/Laminate Surface; Powder-Coat Paint, HPL Laminate, Casters. (Example of current UC item is Akira Tables)
    1. Please confirm that a T base is also acceptable. Answer: Yes, a T-Base is acceptable.
7. Your Occasional Table: 21x42x15; Wood, MDF/Veneer Surface; Medium Gloss, Water-Based UV finish. (Example of current UC item is Tava) Yes, these are the correct dimensions.
    1. Please confirm that the dimensions are 21" D x 42" W x 15" H.
    2. Please confirm that dimensions of the following variance are also acceptable:
        1. +/- 6" wide Yes
        2. +/- 1" deep Yes
        3. +/- 1" high Yes
8. Your Occasional Table: 18Dx14Wx26H; MDF/HPL Laminate; HPL Laminate. (Example of current UC item is Campfire Personal Table
    1. Please confirm that an 18" round table is also acceptable.) An 18" round table is acceptable in 'addition to', but not as an alternate to the specified table.
9. Your Standard Benching Product: Assembly of a 6-person, dual-sided benching system. Qty 1: 30"D X 72"W dual-sided base; Qty 2: 30"D X 72"W dual-sided extension; Qty 1: 24"D X 60"W end counter; Qty 3: 19"H X 72"W centered screen; Screen Aligners; Power and Data Access Door, Lower Tray. (Example of current UC item is FrameOne)
    1. Please confirm that screen variations of +/- 1" H are also acceptable. Yes, screen variations of +/- 1" high is acceptable.

2. Please confirm that the use of multiple screens to achieve a length of 72” W is also acceptable. Two 36” wide screens are acceptable as an alternate to one 72” wide screen.

10. Your Electric Height Adjustable Desk: 29Dx70W Rectangle, BIFMA Height Range; Steel Base, MDF/Laminate Surface; Powder-Coat Paint, HPL Laminate Finishes. (Example of current UC item is Ology)
1. Please confirm that worksurface depth variance of +/- 1” is also acceptable. A worksurface variance of +/- 1” in depth is acceptable

11. Your Electric Height Adjustable Desk: 58x23x58x23, Worksurface 90-degree, L-Shape, BIFMA Range; Steel Base, MDF/Laminate Surface; Powder-Coat Paint, HPL Laminate Finishes. (Example of current UC item is Series 5)
1. Please confirm this can be achieved by using two worksurfaces joined together. Two worksurfaces may not be used as an alternative. Note, this worksurface is actual a corner rather than L-shape surface (58” wide on each side, 23 “ deep on each side)

12. Your Credenza: 18Dx36Wx28.5H; Leg base, Hinged Door, MDF Core w/ Wood Veneer surfaces; Medium Gloss, Water-Based UV finish. (Example of current UC item is Elective Elements)
1. Please confirm that a credenza with the following variance in dimensions is also acceptable:
    1. +/- 6” deep The credenza may be 6” deeper but not 6” shallower.
    2. +/- 1” high This is acceptable if coordinating pieces are available in the same height.

13. Your Credenza: 24Dx72Wx28.5H; Double storage, MDF w/ HPL Laminate Surface; HPL Laminate. (Example of UC current item is Currency)
1. Please confirm that a credenza with the following variance in dimensions is also acceptable:
    1. +/- 1” high Acceptable

14. Your Wood Casegoods (private office): Propose your top seller/most popular private office application that closely matches to UC item "Elective Elements", Leg Base with Wall Mount Overhead and Desk Return. Include the following furniture items in your proposed pricing, and propose best discount off list for this "private office" package. Description below includes all wood surfaces with square edge and inset pulls. Choice of wood, laminate, finish, etc. reflect most popular.

Leg Base: 24"D x 72"W x 27 1/2"H
Credenza: 27 1/2"H , 36"W Box/File, 36" Open with Technology Trough
Gate Leg: 30"W
Blade Accessory Shelf
Leg Base Tower with Wardrobe Left
24"D x 72"W Straight Technology Worksurface
Single High Overhead - Hinged Doors
Comparison Reference from UC current catalog – See pages 16 in Steelcase Wood Casegoods and Tables Specs guide “THOUGHT STARTERS AND APPLICATIONS"

- Please confirm that dimensional variances as described below are also acceptable:
    - Leg Base: +/- 1” high Acceptable as long as desk meets ADA Guidelines for minimum clearances under the finished desk
    - Credenza: +/- 1” high This is acceptable if coordinating pieces are available in the same height.

15. Your Bookcase: 15Dx42Wx65.5H; Steel Cabinet, 4 adjustable Steel Shelves; Powder-Coat Paint. (Example of current UC item is Universal Bookcases)
1. Please confirm that a bookcase with the following variance in dimensions is also acceptable;
    1. +/- 3” deep An 18” deep bookcase is acceptable, a 12” deep bookcase is not acceptable
    2. +/- 6” wide A variety of bookcase sizes will be used ranging from 30” wide to 60” wide, however 42” wide is one of the most popular sizes so this size must be included.
    3. +/- 1.5” high Acceptable

16. Your Bookcase: 15Dx36Wx48H; Stacking, Open, MDF Core w/ Wood Veneer surfaces; Medium Gloss, Water-Based UV finish. (Example of current UC item is Elective Elements)
1. Please clarify what type of shelving, if any, is required when referencing “stacking, open”. Answer: this bookcase has open shelves which are adjustable.

17. Your Storage Pedestal-Fixed: 24Dx15Wx27H; Steel Cabinet, Steel Full Extension Drawers; 2 box/1 file; Powder-Coat Paint. (Example of current UC item is Universal Storage Pedestal)
    1. Please confirm that a pedestal with the following dimensional variance is also acceptable:
        1. +/- 1” high Acceptable as long as the pedestal fits under a worksurface that meets ADA Guidelines for minimum and maximum heights for work surfaces.

18. Your Storage Lateral File: 18Dx42Wx40H - 3 Drawer, Flush Front; Steel Cabinet, Steel Full Extension Drawers; Powder-Coat Paint. (Example of current UC item is Universal Storage Lateral file)
    1. Please confirm that a lateral with the following dimensional variance is also acceptable:
        1. +/- 7/8” high Acceptable

19. Your Storage Lateral File: 22Dx36Wx27 - 2 Drawer, under worksurface; Steel Cabinet, Steel Full Extension Drawers; Powder-Coat Paint. (Example of current UC item is TS Series Storage Lateral file)
    1. Please confirm that a lateral with the following dimensional variance is also acceptable:
        1. +/- 2” deep Acceptable
        2. +/- 1” high Acceptable as long as the lateral file fits under a worksurface that meets ADA Guidelines for minimum and maximum heights for work surfaces.

20. Your Storage Pedestal: 22Dx15Wx27H; Box/box/file, under worksurface; Steel Cabinet, Steel Full Extension Drawers; Powder-Coat Paint. (Example of current UC item is TS Series Storage Pedestal)
    1. Please confirm that a pedestal with the following dimensional variance is also acceptable:
        1. +/- 7/8” deep Acceptable
        2. +/- 1” high Acceptable as long as the pedestal fits under a worksurface that meets ADA Guidelines for minimum and maximum heights for work surfaces.

21. Your Other Storage: 24Dx15.5Wx42H; Tower, Hinged Door; MDF w/ HPL Laminate Surface; HPL Laminate finish. (Example of current UC item is Universal Tower Laminate Storage)
    1. Please confirm that a tower with the following dimensional variance is also acceptable:
    2. +/- 6” deep An 18” deep tower is acceptable as long as a standard coat hanger will fit inside the tower, however a 30” deep tower is not acceptable.
    3. +/- 2.5” wide Acceptable
    4. +/- 8” high Acceptable as long as height of tower will be no higher than a standard panel.

22. Your Other Storage: 24Dx24Wx52H; Tower, Open side; 1 adjustable Shelf, 3 drawers; Flush front, Steel Cabinet, Steel Full Extension Drawers; Powder-Coat Paint. (Example of current UC item is Universal Tower Storage)
    1. Please confirm that a tower with the following dimensional variance is also acceptable:
        1. +/- 2” high Acceptable as long as height of tower will be no higher than a standard panel.

23. Your Task Chair: Fully-adjustable, with arms; Steel Base, Upholstered Seat & Back; Powder-Coat Paint on Base, Approved Fabric upholstery. (Example of current UC item is Amia)
    1. Please confirm that a poly base is also acceptable. Powder-coated steel base is required.

24. Your Task Chair: Fully-adjustable, with arms; Adjustable seat depth; Steel Base, Upholstered Seat & Back; Powder-Coat Paint on Base, Approved Fabric upholstery. (Example of current UC item is Leap)
    1. Please confirm that a poly base is also acceptable. Acceptable

25. Your Ottoman: 24" Round, 19"H; Upholstered Ottoman; Approved Fabric Upholstery, Metal/Wood Legs. (Example of current UC item is Alight ottoman)
    1. Please confirm that an ottoman with the following dimensional variance is also acceptable:
        1. +/- 6” diameter Acceptable
        2. +/- 2” high Acceptable

26. Your Conference Chair: Hgt Adj. Chair, Swivel base, Fixed Arms; Steel Base, Upholstered Seat, Poly Back; Powder-Coat Paint on Base, Approved Fabric upholstery. (Example of current UC item is Cobi)
    1. Please confirm that a poly base is also acceptable. Powder-coated steel base is required.

27. Your Conference Chair: Hgt Adj. Chair (pneumatic), Non-upholstered Arms; Glass-reinforced nylon; Glass-reinforced nylon finish. (Example of current UC item is Cachet)
    1. Please confirm that a chair with a polymer shell is also considered acceptable. Acceptable

28. Your Lounge Seating: Half Lounge; Upholstered; Approved Fabric Upholstery, Metal/Wood Legs. (Example of current UC item is Campfire Lounge)

1. Please clarify what is required to be considered a "half lounge". Answer: A half lounge item is typically ½ as wide as a full lounge and may be used in combination with other pieces (e.g. corners) to create custom shapes. The width of our current item is below. Note the full lounge dimension of 66".

Width:	~~66″~~ or 33″
Depth:	32″
Height:	29″
Seat Depth:	22″
Seat Height:	16″

29. Your Work Lounge Seating: Upholstered Work Lounge Chair w/ Fabric Surround; Worksurface; Powder-Coat Paint on Base, Approved Fabric upholstery. (Example of current UC item is Brody)

1. Please confirm if a detached side table would be acceptable in place of the "worksurface". Acceptable

Additional Questions 8-15-19 – Consolidated, answered, and listed below

Q: The information contained in the Phase II Mock Up furniture samples page attachment is cut off in its provided format. Can you provide the full text of the original Mock Up notes?

A: Yes, the information is shown below:

PHASE II finalists will be asked to:

1. Provide a sample of the items bordered in red (one individual 8x8 cubicle and one dual sided (2 person) benching system).These are mandatory and shall be the items quoted for your sample project.

2. Provide an innovative item - UC preference is to see a sample of height adjustable desk in wood shroud for use in the private office setting.

Q: In the RFP we noticed a list of locations that would have the non-mandatory option to utilize this contract including: • Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz • Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco • The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C. • The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices. • UC Hastings College of Law • Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California. • Additional centers and offices as further detailed at: http://www.universityofcalifornia.edu/uc-system/parts-of-uc. Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates. The final line (highlighted) calls out “Affiliates”. Please list all current affiliates.

A: The current list contains applicable affiliates

Q: RFP P.11 |O. Pricing and Incentives #4 Is the 2 % rebate calculated on product only? This was asked and answered in the Q&A but it is unclear as to what is correct. (Q&A ref question 24) 24. RFP P.11 |O. Pricing and Incentives #4: Please confirm if the 2% rebate is based on product only to UC locations or products and services. Answer: Correct?

A: The ‘UC Specific Rebate’ of 2% referenced within O.4 Of the RFP Event and Process summary, is applicable to product only.

Q: As part of the UC bid - for the OMNIA Partners Exhibit A 3.0 Supplier Response. Are we also responding to all of the requirements outlined in sections 3.1, 3.2, 3.3? If we are to provide responses to these sections, were will these be loaded on the CalUSource event Page/Questionnaire?

A: OMNIA Partners Exhibits, posted within the Questionnaire section (Exhibits A, F, G) will be downloaded, completed and uploaded within the questionnaire. This should allow for additional attachments, if needed. Where duplication exists (e.g. Breadth of Product for a National program, the supplier is still required to provide an overview narrative and reference to more detail.

University of California (UC)
Request for Proposal # 001218

RFP - OFFICE FURNITURE - UC SYSTEMWIDE – JULY182019

Office Furniture and Related Services

On behalf of the University of California and OMNIA Partners and other government agencies and non-profits

---

RFP EVENT AND PROCESS SUMMARY

SECTION 1 – General Information

A. Purpose & Objectives of the Request for Proposal (RFP):

The purpose of this Request for Proposal (the "RFP") is to invite qualified furniture manufacturers to prepare and submit proposals to the University of California ("UC") to provide Office Furniture ("Goods") and related services, either directly or through a subcontracted dealer network; such services to include (but are not limited to) design/consultation, delivery, and installation ("Services") (together, the "Goods and Services) all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in this RFP. Potential proposers shall note, the UC has partnered with OMNIA Partners, Public Sector to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize. As stated above, this RFP is directed to Manufacturers of Office Furnishings.

The UC system is currently contracted with two manufacturers for the supply of steel and/or wood case furniture (Ergonomic specific contracts, excepted) through October of 2020. The primary contract is delivered through a network of dealers who are integrated with the UC eProcurement platforms for the purchases of Office Furniture and accompanying services. The overall objective of this RFP is to select multiple manufacturers with similar capabilities (detailed herein), to assist the UC, and national participating agencies, in obtaining the best, most cost-effective Goods and Services of the highest quality and standards. Qualified proposers are invited to submit proposals, based on the information provided in this RFP, with the intent to establish a multi-year business alliance with the UC and OMNIA Partners that will maximize the resources of both organizations to most effectively meet the UC's needs and those of national participating agencies'.

UC system-wide annual spend for Office Furniture (Goods and Services) is approximately $55M annually. The bulk of these purchases were placed through a primary system-wide contract (75% including services) with the remainder being placed with other manufacturers, through local contracts/bids or through Office Supply Distribution (including SBE). These purchases do include the 5 main categories of Office Furniture (see below). In addition, in 2017 the UC conducted an Ergonomic Furniture RFP for specific categories of furniture (task seating, tall task stools, adjustable height work surfaces, monitors & keyboards) to meet more stringent UC needs and to provide choice of product for Ergonomist recommended furniture.

Utilizing a two-phased solicitation process (see Section L), it is the intent of UC to award approximately three (3) 'Broad Line' Manufacturers. If advantageous to the UC, it may elect to make 1-2 additional awards in the area of Architectural Elements, and/or Fixed Seating & Higher Education Classroom Furniture. It is the intent of the UC to limit the offerings of those single awards, however any single awardees will be expected to offer their full product line and service to a national program. All proposers shall note restrictions (ordering process requirements) for those two categories (see Section

2.b.). These single awards (if made) will not preclude Broad Line Awardees from offering their product in those categories or other categories, when approved.

Note: There are no minimum or maximum guarantees in this RFP. However, based on the total UC historical spend, the Proposer shall provide the best pricing for this RFP in Goods and/or Services.

B. Contract Term

The UC anticipates resulting contracts to be 'long term', defined as approximately 9 years for purposes of this RFP. Initial contract term, for resulting Agreements, shall be for a period of four (4) years dating from the contract signature date, and will provide for the possibility of five (5) extension years, exercised individually, in combinations, and/or as a single block of 5 years; to be determined by the UC at the time the option years are considered/exercised. Contract implementation is expected to be 'phased'; 1) availability of the contracts as a national program, to begin after appropriate training, resources, and marketing materials are developed (approximately spring of 2020); 2) availability of contracts to UC after development of resources, e-procurement integrations and/or process, marketing materials, site presentations culminating in service by November 1, 2020.

C. Scope of Work

Although this section reflects the needs and requirements of the UC, OMNIA Partners Participating Agencies may have different requirements. The awarded Proposer will have the ability to offer their comprehensive Office Furniture Goods and Services nationally. OMNIA Partners Participating Agencies may sign a supplemental or usage agreement with the awarded Proposer substantially based on the terms and conditions of the UC Agreement. Participating Agencies may elect to negotiate certain terms to conform to their purchasing and contracting requirements. For the purposes of this RFP and understanding UC requirements to be more rigorous in some areas of furniture specifications and service, this RFP will clearly divide UC Product and UC Service requirements, from Standard Product Specifications and Standard Service Requirements which would be applicable to national participants.

Qualified Proposers shall provide proposals encompassing both Goods and Services. For the purpose of this RFP, 'Qualified Proposers' are defined in Exhibit 1 of this document, with further definition supplied here. A 'Qualified Proposer' manufacturers and distributes product covering a minimum of (but not limited to) the five (5) main categories of Office Furniture (Systems, Free Standing Furniture, Storage, Seating, and Tables) which meet RFP specifications (including UC Minimum Sustainability Requirements and Ergonomic Requirements) and is capable of supplying the required services in a consistent manner, either directly or through a dealer network Additionally, they must demonstrate sufficient 'Breadth of Product' within these categories (as an aggregate) to support a national program and offer an adequate product mix meeting UC requirements. This shall be evidenced in two ways; 1) a manufacturer's completion of Attachment #1, a spreadsheet designed to capture your company's offerings and to identify the percentage of products that will satisfy UC requirements; 2) your completion of all Tabs covering the 5 main categories of Attachment #2 – Pricing – Product and Service (Discount and Service Tabs, Cost Matrix Tab, and Sample Project Quote). Awards shall be made to individual Manufacturers as a single contracting entity, even when represented by its agents, Dealers-Authorized Dealer Services Network, and its other business entities within its supply chain for the purpose of supplying goods and services to UNIVERSITY under a contract. The term Proposer, Manufacturer, or Supplier, can therefore be used interchangeably with, Seller, Dealer, Designer, Installer, or any supply chain entity the Supplier utilizes to carry out its duties and obligations under any proposed contract to the customer.

Goods Scope: As stated above, a Proposer must provide qualifying furniture in the 5 main categories of Office Furniture (Systems, Free Standing Furniture, Storage, Seating, and Tables) and will also be afforded the opportunity to include other Office Furniture (categories and related offerings) within the

Attachment #1- Product Categories and Dealer Network and within Attachment #2 – Pricing – Product and Services; all to be uploaded within Questionnaire Section of this RFP. A Proposer's full product line and number of items carried, shall be listed on Attachment 1 and then further delineated as ‘‘Meeting UC Minimum Requirements", "Meeting UC Preferred Requirements", or "Does not Meet UC Minimum Requirements". Breadth of Product will be evaluated utilizing this information. Pricing parameters and instructions for entering that information, is located below in Section O.

Balance of Line/Comprehensive Product Offering is a feature of this solicitation. Each Proposer awarded an item under this solicitation may offer their complete manufactured product and service offering/a balance of line for Office Furniture and Related Service. Pricing for complete product offering/balance of line items will be determined by a percentage discount off the Proposer's retail price list. The pricing percentage discount for these categories/lines should be entered within the Discount & Service Pricing Tabs of Attachment #2 – Pricing – Product and Service, as well as within the Product Cost Matrix Tab 3 (if a Proposer's manufactured product). The UC reserves the right to accept or reject any or all balance of line items offered, which may include specifically limiting categories, for the UC only, if appropriate.

If a Proposer has Partner Lines of product which they are able to offer within their catalog and under the same terms and conditions (including price controls/price changes, dealers used/services, inclusion in proposer's eCommerce catalog, and management by the "Supplier"), a Proposer may include those offerings within Attachment #2, on the Discount Service Pricing Tabs (1&2) . Partner Lines must be identified as such and may not be used to populate the Product Cost Matrix (Tab 3) or for the Sample Project Quote unless approval is granted by the Contract Administrator at least one week prior to submission.

Services Scope: The scope of the services component includes, but is not limited to, the ability to provide field services, design and project management, delivery, and installation services (Basic and Complex/Expanded, as defined within) of Office Furniture. Installation labor may involve standard labor (see definitions) or work requiring prevailing wage. These services are frequently coordinated with a single Customer contact, but may require working in conjunction with various personnel (Project Managers, Architects, Facilities, etc.) for completion of a project. Process requirements, applicable to Fixed seating and Demountable Walls, may require Manufacturer or Dealer to acquire (through UC or an OMNIA Partners Participating Agency, if required) additional clearances/approvals from specific Campus Departments (e.g. Fire Marshall/Design & Construction), prior to placing final sales orders for those items. Specific ordering/process requirements to be determined during the contracting phase.

Descriptions of Basic and Complex or Expanded Installation is found in the Exhibits portion of this document. Pricing for Basic and Complex/Expanded Installation Services, as well as Additional Services, shall be placed within Attachment #2 Pricing - Product and Services.

D. Background and Organizational Context:

University of California

Known for academic excellence, the University of California is a large and complex University system devoted to scholarship, research, and public service. The University of California system currently has ten campuses, five medical centers, and three national laboratories with 238,000 students and more than 190,000 faculty and staff. Additional general information can be found at: http://www.universityofcalifornia.edu/.

Since the opening of its first campus in 1868, the University of California system has been committed to responsible stewardship of its resources and education and innovation for the public good. Today,

its ten campuses and five medical centers are nationally recognized living laboratories of sustainability. UC's institutional sustainability commitment began in 2003 through a student initiative that led to the UC Regents to adopt the Presidential Policy on Green Building Design and Clean Energy Standards in 2004. The now named 'Sustainable Practices Policy' (pdf) has been expanded over the years to include climate protection, transportation, recycling and waste management, procurement, food and water. **As part of this RFP, you will be asked to review the policy, with its latest additions** relative to 'Indoor Furniture' and how it relates to your product line offerings. Information can be found in Exhibit 4 of this document or at https://ucop.edu/sustainability/. University of California locations, are as listed below:

- Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz
- Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco
- The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C.
- The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices.
- UC Hastings College of Law
- Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California.
- Additional centers and offices as further detailed at: http://www.universityofcalifornia.edu/uc-system/parts-of-uc.

  Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates.

OMNIA Partners

The University of California, as the Principal Procurement Agency, defined in the National *Requirements Document* (see OMNIA Partners Exhibit A within CalUsource), has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The University of California is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). The *National Requirements Document*s (Exhibits A-H under Guidelines) contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over $100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Proposer, OMNIA Partners provides marketing and administrative support for the Proposer that directly promotes the Proposer's products and services to Participating Public Agencies though multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Proposer benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Proposer's need to respond to additional competitive solicitations. As such, the Proposer must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Proposer and respond to the OMNIA Partners documents (The *National Requirements Documents – see Exhibits A-H within Guidelines*).

While no minimum or maximum volume is guaranteed to the Proposer, the University of California estimates spending up to 55M annually for Office Furniture equipment, materials, and related supplies and Office Furniture design/consultation, integration, installation and maintenance services. The estimated annual volume of Office Furniture equipment and services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately $200 million, however, no minimum or maximum volume is guaranteed to Proposer under the OMNIA Partners Master Agreement. This projection is based on the current annual volumes among the University of California, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Proposer and OMNIA Partners.

E. <u>Joint or Partnering Responses:</u>

Manufacturers (Suppliers) are required to provide services (as detailed within) attendant to the products they offer to the UC. This will require a joint response as it relates to their Dealers; such partnership proposing to participate jointly in performance of proposed work, providing that to be considered a "Qualified Manufacturer/Supplier", any such joint response must conform to all the requirements of this RFP and be submitted by the proposing Manufacturer as the "Primary Supplier" who will assume principal responsibility for this RFP and/or execution of any future contracts awarded as a direct result of this process. Submission of a proposal by a manufacturer, will guarantee that they as the Primary Supplier, will execute and manage the contract and the Dealers submitted, for service, to the UC, have authorized them to represent them in all matters relating to the ensuing contract and will assume all liabilities of any secondary relationship.

The University reserves the right to negotiate directly with dealers for items not carried by the manufacturers. Note: Non-contracted/awarded product lines, purchased from Manufacturer's Dealers, are not excluded from UC bidding requirements and/or authorization processes.

F. <u>Issuing Office and Communications Regarding the RFP:</u>

This RFP, and any subsequent addenda to it, is being issued by UC Procurement Services on behalf of the University of California. UC Procurement Services is the sole point of contact regarding all procurement and contractual matters relating to the requirements described in this RFP. UC Procurement Services is also the only office authorized to change, modify, clarify, etc., the specifications, terms, and conditions of this RFP and any Agreements(s) awarded as a result of this RFP.

Proposers are not permitted to communicate with any UC employee regarding this solicitation during the period between the RFP issue date and the announcement of awards, unless authorized by UC Procurement Services sole point of contact named below.

All communications, including submission of RFP response and any requests for clarification concerning this RFP, must be submitted via the University of California Proposer registration and sourcing web system (CalUsource) (as further detailed herein).

Yvonne Macon
MRO Commodity Manager
University of California Office of the President
E-mail: yvonne.macon@ucop.edu
Phone: 530-752-5684

If a Proposer is found to be in violation of this provision, the UC reserves the right to disqualify that Proposer from further consideration.

G. RFP Key Dates and Schedule of Events

Proposers interested in submitting proposals in response to this RFP should do so according to the schedule as reflected in Timelines section in the CalUsource portal. A Proposer may be disqualified for failing to adhere to the dates and times for performance specified in the portal. All times are Pacific Time Zone and dates are subject to change at the sole discretion of the UC. For your convenience, dates are consolidated in a table below:

The University reserves the right to modify the above schedule of events and make changes to other provisions in this RFP. It is the Proposer's responsibility to read the entire document, any addendums and to comply with all requirements listed herein.

Estimated Date(s)	RFP ACTIVITY
2019: July 18th (Thursday)	RFP Issuance
2019: July 25th (Thursday)	Pre-Proposal Web Conference 10:00 -11:00 PDT - (This is Optional for Suppliers)
2019: August 21st (Wednesday)	**Proposers' Responses Due by 3:00 pm PDT**
2019: August 22nd to September 13th	Phase 1 - Evaluation Process and Notification to Advancing Suppliers
2019: October 10th-11th (Thurs. & Fri.)	**Phase 2 - On site Mock-ups and Interviews with Finalists (Location TBD)**
2019: Oct 14th – Dec 17th	Negotiations & Contract Development
2019-2020: January 17, 2020	Contracts signed and loaded into CaluSource

Pre-Proposal Conference July 25, 2019, 10:00-11:00 PDT
Attendance is non-mandatory
Location: NON-MANDATORY SUPPLIER WEB CONFERENCE VIA WEB CONFERECE USING ZOOM APPLICATION.
Web Conference Meeting Link: https://UCOP.zoom.us/j/605135682 Dial In option US: +1 669 900 6833 Meeting ID: 605 135 682
Link and number are available during time of Supplier Conference. If a Proposer is unable to attend the pre-proposal conference, recording of presentation will be attached to CalUsource system upon completion

Attendance at this conference is not mandatory. If a Proposer is unable to attend the Pre-Proposal Conference questions may be submitted in writing. The purpose of this conference will be to clarify the contents of this Request for Proposal in order to prevent any misunderstanding of the Request for Proposal. Any doubt as to the requirements of this Request for Proposal or any apparent omission or discrepancy should be presented to the UC at this conference. The UC will then determine the appropriate action necessary, if any, and may issue a written addendum/amendment to the Request for Proposal. Oral statements or instructions will not constitute an addendum/amendment to this

Request for Proposal.

H. Addenda to the RFP

Any changes, additions, or deletions to this RFP will be in the form of written addenda issued by the UC via the CalUsource portal. Any addenda to this RFP will be distributed to all participating Proposers via the CalUsource portal. The UC will not be responsible for failure of any prospective Proposer to receive such Addenda. All Addenda will become part of the RFP.

I. Instructions for Submitting Proposals

Method of Submission

Proposals, in response to this RFP, must be submitted online using CalUsource no later than the time and due date reflected in the CalUsource portal. No mailed, telephone, emailed, facsimiled, or late proposals will be considered**.**

Responses will take time to enter into the CalUsource portal. It is highly recommended that Proposers go through the Proposer Resources at https://CalUsource.net/Proposer-resources/ for guidance on how to navigate and use CalUsource. Proposer's inability to enter their response into the UC's Proposer Registration and Sourcing System will not be accepted as a reason for a late response.

If you have questions about CalUsource, please contact UC Procurement Services Support at support@ucprocure.zendesk.com. For any technical issues, contact GEP Support: 1-732-428-1578 or support@gep.com. Please identify yourself as registering in the University of California network.

Proposal Submission and Structure

Proposers must provide a complete, straightforward, concise response to all Guidelines, Questionnaires, Price Sheets, and any other information requested in the RFP as detailed in the CalUsource portal. Proposers warrant that all information provided is true and accurate. The submission of false, inaccurate, or otherwise misleading information may be grounds for disqualification from the RFP process, as well as jeopardize Proposer's eligibility to participate in future UC business. RFP components, as noted above, are outlined as follows:

1. **Guidelines/Prerequisites Section** (Read and Acknowledge):
   All documents must be read and/or acknowledged (when indicated), as a prerequisite of submitting a proposal.

   - RFP Event and Process Summary (this document including Exhibits 1-6)
   - UC Terms and Conditions of Purchase
   - Appendix ecommerce, Invoice and Settlement
   - Appendix Data Security and Privacy
   - Supplier Sustainability Assessment Requirement (post award)
   - Sample UC Purchase Agreement
   - Supplier Bid Response Quick Reference
   - OMNIA Partners Exhibits (Requiring Acknowledgement)
   - OMNIA Partners Exhibits (Requiring Responses/Uploads)

2. **Questionnaire Section/Graded Criteria** (Respond to each question)

   Questions are categorized for your viewing and responses; such responses to be evaluated and graded. Attachments may be necessary for some questions to further clarify or illustrate a response. In those cases, please label the attachments with your company name to make it easy

for the evaluators to find the referenced attachment**. Attachment Naming Convention Example is provided below:**

- XYZ Company Office Furniture RFP_, Questionnaire-Sustainability, #3

Proposer must not provide superfluous materials such as marketing materials or website links in response to, or in lieu of, specific responses to the questions herein, and may be disqualified for providing superfluous materials.

Program Pricing is also included within the Questionnaire Section of the RFP which contains a Question Category titled "Program Pricing Responses". . A Proposer is instructed to download Attachment #2 – Pricing – Product and Service. Complete Tabs 1-3 (#4 is informational), and upload inside the Questionnaire, where indicated. Sample Project Quote and Sample Project Invoice will also be uploaded there**...** As guidance, Attachment #2 contains the following Tabs:

National Program Pricing – 1 Tab
- Discounts/Services Pricing

UC Program Pricing – 3 Tabs
- Discounts/Services Pricing
- Product Cost Matrix (Market Basket)
- Sample Project – Information for Quote & Invoice requirement

3. **RFP Attachments Section** (Review and/or complete & upload if indicated):
   - **Attachment #1 -** Product Categories and Dealer Network (complete 2 Tabs and upload in Questionnaire)
   - **Attachment #2 -** Pricing – Product and Services (complete 3 Tabs and upload in Questionnaire)
   - **Attachment #3** - Mock-up Furniture Samples Guidance - Phase II Finalists (Informational only)

Collusion among proposers is not allowed. If there is proof of collusion among proposers, all Proposals involved in the collusive action will be rejected.

Proposers must operate within the guidelines of all Federal and State Labor Codes.

Late proposals will not be accepted unless it is the UC's determination that UC technical issues are responsible for the delay or failure.

J. Proposer Questions Concerning this RFP

Each Proposer is expected to exercise their best professional independent judgment in analyzing the requirements of this RFP to ascertain whether additional clarification is necessary or desirable before responding. If there are any discrepancies in, omissions to, or questions about the information provided in the RFP or by any other source, a request must be submitted via the CalUsource "Discussion Forum" by the stated deadline. Responses to individual Proposer questions will be made available to all Proposers that submit a notification via the CalUsource portal of their intent to bid.

K. Proposal Evaluation and Agreement Award

1. Any Agreements(s) resulting from this RFP will be awarded to the most responsive and responsible Proposer(s) whose Proposal, in the opinion of the UC, offers the greatest benefit to the UC when considering the total value, including, but not limited to, the quality of the Services, and

total cost, available volume discounts, and other elements of value to the UC). A responsive Proposer is one whose offer satisfies the Requirements of this RFP. A responsible Proposer is one that is considered capable of performing and is otherwise eligible and qualified to perform in the manner stated in this RFP. Awards shall be made to individual Manufacturers as a single contracting entity, even when represented by its agents, Dealers-Authorized Dealer Services Network, and its other business entities within its supply chain for the purpose of supplying goods and services to UC under a contract. The term Proposer, Manufacturer, or Supplier, can therefore be used interchangeably with, Seller, Dealer, Designer, Installer, or any supply chain entity the Supplier utilizes to carry out its duties and obligations under any proposed contract to the customer.

2. Proposals will be evaluated by the UC using a Best Value Evaluation Methodology which is defined as the most advantageous balance of price, quality, service, performance, and other elements as defined by the University, achieved through methods in accordance with Public Contract Code Section 10507.8 and determined by objective performance criteria that may include price, features, long-term functionality, life-cycle costs, overall sustainability, required services, and the reduction of overall operating costs included in the proposal. The Evaluators will examine each Proposal to determine, through the application of uniform criteria, the ability of each Proposer to meet the UC's specifications. For the purposes of this RFP, Supplier responses, will be evaluated using the following criteria, listed in relative order of importance:

    1. Program Pricing/Cost
    2. Company Profile/General Capabilities
    3. Services
    4. Pricing Terms and Product
    5. Sustainability

    Note: Sustainability of product and service is also incorporated within the mandatory requirements of this RFP

3. The UC may request additional information either from the Proposer or others, utilize site visits, Proposer presentations, sandbox testing, and make any other investigations as it deems necessary to verify the Proposer's qualifications and ability to successfully meet the requirements of this RFP. The UC also reserves the right to obtain Dun & Bradstreet reports, or similar independent reports for further indications of the Proposer's ability.

4. The UC reserves the right to reject any proposal in which the information submitted fails to satisfy UC and/or the Proposer is unable to provide the information or documentation within the period requested. Any submitted proposal that does fails to comply with the requirements of this RFP will be considered non-responsive and will not be evaluated or eligible for award of any subsequent contract.

5. The UC may waive irregularities in a proposal provided that, in the judgment of the UC, such action will not negate fair competition and will permit proper comparative evaluation of Proposals submitted. The UC's waiver of an immaterial deviation or defect shall in no way modify the RFP documents or excuse the Proposer from full compliance with the RFP specifications in the event the Agreement is awarded to that Proposer.

6. The UC also reserves the right, for a national Agreement, to accept or reject any and all proposals, make more than one award, split the award, make no award, award for Goods only, Goods and

Services, or Services only. The UC reserves the right to award any number of local or national contracts at the same time. The UC reserves the right to withdraw this RFP at any time.

7. Any contract awarded pursuant to this RFP will include the requirements and specifications in the RFP, as well as, the contents of the proposal response as accepted by UC and will be in writing. The UC's selection may be made based on the initial proposals (post Phase II) or UC may elect to negotiate with Proposers selected as finalists. The UC reserves the right to negotiate the modification of proposed prices and/or terms and conditions with the Proposer offering the best value to the UC prior to the execution of an Agreement. Agreements shall be direct contracts with awarded manufacturers (template provided in Guidelines Section), however, during the contract execution phase of this sourcing process, Proposers shall provide signed Participating Dealer Letters (through the Manufacturer, to the UC) for all Manufacturer specified dealers who will be serving the UC locations and accepting the terms, as negotiated by the manufacturer/Primary Contracting Entity.

8. Experiences with the UC and entities, that evaluation committee members represent, may be taken into consideration when evaluating qualifications and experience.

L. Multi-Phased Initiative

This Initiative will consist the following separate phases:

1. **Prerequisites:**
   Proposer must acknowledge and agree to all requirements of the RFP as outlined in the Guidelines Section in CalUsource before advancing in the proposal process.

2. **Phase I: Selection of Finalists**
   Submission of Proposals. Finalists will be identified based on the quality and responsiveness of the written proposals.

3. **Phase II: Finalist Mock-ups and Presentations (At UC Discretion)**
   a. Identified finalists, will present mock-up furniture on October 10, 2019 at the UCSD Warehouse/ Central Receiving (off campus location on Trade St.). Mock-ups shall be followed by Finalist interviews on October 11, 2019.
   b. Proposers may be requested to conduct a live presentation regarding the Proposers' ability to provide the Product and Services in a manner consistent with the requirements of this RFP. The UC reserves the right to determine that oral presentations are not necessary. In the event presentations are conducted, information provided during the presentation process shall be taken into consideration when evaluating the stated criteria. The UC shall not reimburse the proposer for the costs associated with the interview process.

M. Proposal Preparation Costs

All costs incurred in the preparation and submission of Proposals and related documentation, including proposer's presentations, demonstrations and provision of the Services to UC for independent testing purposes, will be borne by the Proposer.

N. Proposal Validity Period

All Proposals shall remain available for UC acceptance for a minimum of one-hundred and twenty (120) days following the RFP closing date.

O. Pricing and Incentives

1. Pricing for Goods (all categories) is being requested within Attachment 2 to this RFP (to be completed and uploaded within the RFP Questionnaire Section), however, only pricing for the five (5) main categories is mandated for goods. There are four (4) Tabs for this purpose. In Tabs 1 & 2, Proposers will provide a discount percentage off their published Manufacturer's Suggested Retail Price (MSRP) for each product line offered to the UC and National programs. Tab 3 is the Product Cost Matrix for select product types within each Category. Tab 4 requires a Proposer to quote a Sample Project, providing the quote and sample/ example invoice. This upload is also done in answer to questions within the Questionnaire Section of this RFP. NOTE: If a Proposer has partner lines of product, they may refer to Section C above, for more information**.** which they are able to offer within their catalog and under the same terms and conditions (including price controls/price changes, dealers used/services, inclusion in proposer's eCommerce catalog, and management by the "Supplier"), a Proposer may include those offerings within Attachment #2, Discount Service Pricing Tabs (1&2). A Proposer should note the line of product as a 'Partner Line'. Those offerings should not be used to populate the Product Cost Matrix Form (Tab 3) or within Tab 4 – Sample Project unless approval is granted by the Contract Administrator at least one week prior to submission.

   When completing these Tabs, MSRP shall be defined as the product sales price list published in some form by the manufacturer or publisher of a product and available to and recognized by, the trade. In addition, the discount percentages off National Discount Price List and UC Discount Price List quoted shall be held firm for all future purchases during the duration of the initial agreement.

2. Pricing/Discount Structures resulting from this RFP process, shall remain firm for the initial period of any agreement awarded pursuant to this RFP. In addition, actual prices quoted at the time of this RFP, as based on discount off current Manufacturer's National List Price, shall be held firm for a minimum of one year from contract execution, meaning prices quoted cannot increase during the first 12 months period of the agreement, regardless of any change to the Manufacturer's National List Price. All prices must be verifiable and auditable from the date of the contract award**.**

3. In addition to any decrease in cost during the Contract term, owing to a change in market conditions, a Supplier may conduct sales promotions involving price reductions for a specified lesser period. Supplier may offer Participating Agencies competitive pricing which is lower than the not-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.

4. Earned Incentives and discounts - In addition to OMNIA Partners administrative fees associated with manufacturer's sales under this contract, the successful proposer(s) shall provide a UC specific rebate of 2% of manufacturer's product sales to UC Locations only; to be paid quarterly, directly to the UCs, for the duration of any contract resulting from this RFP process. This rebate will be used by UC campuses in support of implementation, administration, and management of the successful Proposer(s) program. The amount of quarterly rebate provided to each UC location will be calculated based on the total of product and service billed and paid for each location. Note: Each UC location will have the right to modify proposal pricing for an individual campus, up to 2%, in the event a UC location decides not to implement a rebate program.

Note: Any proposed price increases will require a notification period of 60 days prior to the desired date of change. In addition, price increases for any renewal periods must be supported by documented evidence of supplier cost increases. UC shall benefit from any lower price offered to other universities, hospitals, government agencies or entities where the economic and service requirements are similar. If the Proposer's list price is reduced, UC shall benefit from a corresponding price reduction based on the discount levels offered by Proposers.

P. No Mandatory Use

Proposer is advised that there is no mandatory use policy at the University of California for agreements. As a result, UC does not guarantee any specific amount of business forthcoming from this RFP. As an example, some of the campuses currently have a Small Business Program/DVBE in place for purchasing items, including Furniture, from Small Businesses or DVBE. The UC may continue or expand purchasing these items through its current Small Business Program/DVBE depending on the results of this RFP. A winning Proposer may still see some competition at any given UC location for any given service. In addition to the above, no amounts of purchase, either quantity, particular products, or dollar value, are guaranteed. In addition, the University reserves the right to separately bid any single procurement involving an expenditure of $350,000 and any procurement that is part of a construction "project" (as that term is defined in California Public Contract Code section 10500) cannot be made under any contract resulting from this RFP. However, by providing outstanding prices, service, and the overall best total cost and quality to the UC system wide, the winning Proposer is expected to garner a very large percentage of the total available UC business.

Q. Disclosure of Records/Confidentiality of Information

1. All Proposal responses and related documents, submitted to the UC in response to this RFP will become the exclusive property of the UC upon receipt and will not be returned.

2. Proposal response(s), which are incorporated into any resulting contract(s) with the University of California, may be subject to the State of California Public Records Act (CA State Government Code 6250, et. seq.). This Request for Proposal, together with copies of all documents pertaining to any award, if issued, shall be kept for a period of five (5) years from date of contract expiration or termination and made part of a file or record which shall be open to public inspection. Certain private, trade secret or confidential information may be considered exempt from the California Public Records Act. Any trade secret or company confidential information submitted as a part of this proposal shall be clearly marked "Trade Secret Information" or "Confidential Information."

3. Should a request be made of the University of California for access to the information designated confidential or trade secret by the Proposer and, on the basis of that designation, UC denies the request, the Proposer may be responsible for all legal costs necessary to defend such action if the denial is challenged in a court of law.

R. Business Review/Business Reports

Proposer shall meet with the UC for Regular Business Reviews to review contract usage and effectiveness, discuss current Services offerings and provide suggestions and discussion for continuous improvement in Services efficiencies, and address additional topics pertinent to the relationship towards the UC's strategic goals. For each Business Review, the Proposer must provider – pertinent performance and management reports detailing a wide range of information related to the resulting agreement at both the UC-wide level and for each individual UC location.

S. Errors and Omissions:

If the Proposer discovers any discrepancy, error, or omission in this RFP or in any of the attached documents, UC shall be notified immediately, and a clarification/notification will be issued to all Proposers who have access to this RFP. No Proposer will be entitled to additional compensation for any error or discrepancy that appears in the RFP where the UC was not notified and a response provided. All Addendums of Clarification will be distributed to the Proposal Participants via the CalUsource portal

.

T. Order Packaging, Labeling and Invoicing

Each order shall be wrapped with label affixed indicating the following information:

- Purchase order number and/or Procurement card (P-Card) identification numbers
- Order date
- Ship to name & address
- Description, quantity and catalog number of the item(s) ordered (not as a label that is affixed)
- Other information, as requested by the ordering department.
- Material Safety and Data Sheets (MSDS) as needed

Packing slips should be attached to the outside of the package such that it can be inspected at the receiving dock/requesting department. Proposer shall adhere to packing requirements as listed within UC Sustainability Policy, noting efforts for overall reduction of packaging materials, recycling of packaging materials, and bans on the use of polystyrene packaging material. Any exceptions should be noted with your exceptions document, if any.

U. Liquidated Damages (UC specific)

Per Section 2.4, if a Proposer fails to accurately and completely specify Buyer's requirements when placing an order(s) with Manufacturer, Proposer shall bear all liability for damages incurred by Buyer related to such failure by Proposer and liquidated damages may apply, as noted below:

Proposer shall pay Buyer five hundred dollars ($500.00) per day as liquidated damages for every business day beyond the agreed-upon installation date that Proposer fails to install a material amount of product, as defined below. In the event of such failure, Proposer shall use its best efforts to provide temporary furniture for use by Buyer until the delayed furniture is installed. It is the Buyer's choice to accept or not accept temporary furniture and waive or not waive any associated liquidated damages associated with the delayed furniture. Payment shall be made in the following manner: Proposer shall issue a credit memo in the amount of the liquidated damages, and such amount will be deducted from any monies due Proposer by Buyer. Proposer will not be in default or liable to pay liquidated damages if the delay is due to order changes by Buyer, construction/inspection delays at the site, Acts of God, or any other reason beyond Proposer's reasonable control.

A "material amount of product" means the ordered item(s), functional elements and/or accessories that are necessary to allow a workspace to be utilized fully and immediately following the agreed-upon installation date.

Immediately after or during all installations, Proposer agrees to establish a punch list in cooperation with Buyer. A punch list shall consist of an inventory of any and all missing, damaged, mistakenly shipped, or incorrect installation parts, components, or whole pieces of furniture. The Proposer must correct and remedy all the items on the punch list within 30 calendar days. If Proposer fails to correct and remedy all the items on the punch list by the agreed-upon date (if outside 30 days as if silent 30 days is assumed), Proposer shall deduct 2 1/2% of the total value of the order from the final invoice submitted to Buyer, as liquidated damages. If Proposer fails a second time to correct and remedy all the items in the punch list by the second agreed-upon date, Proposer shall deduct another 2 ½% (total of 5%); if Proposer fails a third time to correct and remedy all the items in the punch list on the third agreed-upon date, Proposer shall deduct another 2 ½% (total of 7 ½%); and if Proposer fails a fourth time to correct and remedy all the items in a punch list on the fourth agreed-upon date, Proposer shall deduct another 2 ½% (total of 10%). The foregoing liquidated damages charge is applicable regardless of whether and/or when some items on a punch list are corrected or remedied. All items on a punch list must be corrected and remedied on the agreed-upon date, otherwise, the foregoing liquidated damages shall be applicable. On each installation, Proposer shall hold back from invoicing Buyer 10% of the value of the total order to address timely resolution of punch list issues. The final invoice, if any, shall be submitted after Buyer and Proposer mutually acknowledge, in writing, resolution of all items on the punch list.

V. Termination of Agreement

Any agreement resulting from this RFP may be terminated in whole or in part by University (for cause and/or for convenience) with a written one hundred and eighty (180) day notice without penalty. Any agreement resulting from this RFP may be terminated in whole or in part by Proposer (for cause only) with a written one hundred and eighty (180) day notice without penalty.

W. Order of Precedence

In matters of conflicts of terms, the order of precedence shall be as follows: 1) Final Contract(s) awarded from the RFP; 2) RFP Documents (and referenced documents) as found in CalUsource with any addenda and any written communications evidencing agreement relative to the contract.

X. Exceptions:

The submission of a signed proposal will confirm understanding and acceptance of all requirements, terms and conditions of the RFP unless specific exceptions are taken and alternative language or provisions are offered and approved by the University (or Omnia, only if terms are Omnia specific). Please note, any exceptions to Minimum Mandatory Requirements (as explained below) or the Mandatory Product & Service Requirements (within the Guidelines/Prerequisites and within this document), may disqualify a Proposer's submittal.

SECTION 2 – Specifications and Requirements

A. Mandatory vs. Desirable

All requirements listed in this RFP are to be considered as Mandatory, unless noted as Desirable/Graded or Optional. Mandatory Requirements are defined as standards that if not met or supplied by the Proposer, the UC reserves the sole right to reject proposal(s) without limitation. They can be found within the Guidelines/Prerequisites and all portions of this document. In addition, the University reserves the right to disqualify any supplier without experience in servicing a large/similar account as a primary provider of Office Furniture. Financial Statements may also be required of an Apparent Awardee. Submission of a Proposal evidences a Proposer's statement they meet the mandatory requirements of this solicitation. The Questionnaire portion of this RFP

Graded/Desirable Criteria can be found within the questionnaire portion of this RFP. Each Proposer's submission (for PHASE #1) will be evaluated/assigned quality points based on these questions. Some require completion of attachments. Your responses to the Questionnaire portion of this solicitation, including 'Question Attachments', will comprise your graded score and/or evidence your capabilities or offerings, which are requirements within this RFP. A Proposer is encouraged to complete all questions.

B. Program Requirements

Requirements are divided into sections as listed below:

1. Company Profile/General Capabilities
2. Pricing Terms and Product
3. Services
4. Sustainability

1. Company Profile & Capabilities

Administration - Supplier shall provide the following program administration functions:

- Project Manager to coordinate program implementation (see implementation Plan).
- Account Management for on-going contract monitoring and maintenance
- On-site sales representation on a regular basis to increase sales activity, assist in resolving problems, demonstrate new products, handle returned goods and provide other customer services as required for the efficient operation of the program (UC specific).
- A "program" for regularly monitoring and comparing UC pricing with pricing available from competitors in the University of California market. (UC specific)
- Meetings between supplier's account manager(s) and UC Purchasing Departments to discuss previous month's activities and resolution of any open issues (UC specific)
- Conduct quarterly business review meeting with each UC location (UC specific)
- Keep the contracting departments/customers apprised of any quality issues including recalls, upgrades and product warnings that may affect product performance
- A Proposer is required to provide an implementation plan with their proposal, covering the items below. This will be done within the Questionnaire Section of this RFP. This plan should address the various facets of this RFP and a plan for a phased rollout by November 1, 2020. Any finalist will be asked to further detail this plan in a presentation to Evaluators, at the Phase II Mock-up Event. For the purposes of Phase I submittal, a proposer should more generally outline a plan and timeline for the UC, covering (minimally):
    - Catalog development w/ Price Discount List noting period of time needed (if any) to identify the lines that align UC Requirements (Sustainability and Ergonomics), on the Pricing Discount List
    - Ecommerce Integration
    - Campus Profile Development
    - Testing and Pilots
    - Campus Training
    - Marketing and Business Development
    - Providing reports (as noted on Exhibit 6) as reasonably requested by UC during the term of the agreement at no additional cost to UC. (UC specific)

General

- There shall be no minimum order requirements (quantity, dollar size, etc.). (UC specific)
- Manufacturer must have a Dealer/Distribution network in California and/or direct support having the capacity to deliver and install products for UC systems, meeting UC requirements. (UC specific)
- Manufacturer must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.
- Furniture purchased from Manufacturer and/or Dealer(s) must meet federal, state, regional and local standards and regulations, including, but not limited to: Occupational Safety and Health Administration (OSHA), Business and Institutional Furniture Manufacturers Association (BIFMA) acceptance test levels, Underwriters Laboratory (UL) requirements, Americans with Disabilities Act (ADA), etc. and; current BIFMA standard: https://www.bifma.org/page/StandardsShortDesc
- Manufacturer and/or Dealer must be in full compliance with specific building and fire code restrictions on all jobs.
- Manufacturer/Dealer shall agree to follow protocol (to be established), and to receive authorization prior to orders being placed for Demountable Walls and Fixed Seating (UC specific)

Ecommerce, Invoicing, and Settlement

- E-commerce Platform Orders: (UC Specific) UC orders will be placed directly with a supplier's system using either a hosted (static) or punch-out catalog housed in the UC E-commerce system(s). The catalog offerings will include all charges (exclusive of sales tax), including

installation/assembly services where applicable. Supplier should be prepared to bid for this scenario, implementation required within 18 months of contract signing. Note: National Participating Agencies have the option to enter into an e-commerce platform order solution on a per agency negotiated basis.

- Integration Requirement: (UC Specific) Above Integration is a requirement of this RFP and must be accomplished within 18 months of contract signing **for all Broad Line awardees** (single awards are an exception). E-commerce technology is utilized at each of the UC locations. Appendix eCommerce, has been provided within the RFP Guidelines/Prerequisites Section of this RFP, noting requirements. Proposer and UC shall cooperate in good faith to make available to UC end purchasers and to encourage such end purchasers to use Seller's electronic catalog within each locations e-Commerce platform when ordering Products. Maintenance of the preferred supplier status conferred by any resulting Agreement from this RFP process will be subject to Supplier's development of an acceptable integrated solution to the e-Commerce systems deployed in the UC system within the first 18 months of contract.
- Quote Functionality: (UC Specific) A Supplier is required to provide 'quote retrieval functionality' within 18 months of contract signing, defined as the ability for a customer to request quotes from a dealer and then retrieve them from their e-procurement site to auto-populate a UC PO. Does your platform currently support the ability for a customer to request a quote from a dealer that can then be retrieved, by the customer, through your punchout catalog to populate a Shopping Cart? Please describe your functionality.
- Paperless Invoicing: (UC Specific) is a requirement of this RFP. Any awardee will be required (within 18 months of contract signature) to transmit their invoices electronically in a format that can be imported into various e-commerce and financial systems; cXML and EDI are the preferred invoice transmission methods although a Proposer may elect to utilize an e-invoicing service (e.g. Transcepta or Docufree), which allow the supplier to upload invoice data by multiple methods, including e-mail or direct data entry, for final transmission to a campus in their preferred electronic method. Note: Paperless invoicing can be negotiated on a case by case basis with Participating Agencies if requested.
- Invoice Detail: (UC Specific) A along with standard product line item detail, a Proposer is required to detail charges for project management, design services, and installation (i.e. labor hours and rates, including prevailing wages) on any invoices provided to UC.
- Payment: (UC Specific) The University of California's preferred payment method is by virtual card (PaymentPlus, administered by US Bank) or procurement card (including ghost card for eCommerce). Through these programs, the University of California can extend NET terms, which means that remittance will be transmitted immediately following full approval of an invoice. With PaymentPlus, suppliers receive email remittance information and are able to retrieve a one-time credit card number for the amount of the remittance. Suppliers can utilize their own point of sale solution, or can receive remittance through US Bank at competitive interchange rates. Alternative payment methods for the University include PaymodeX, EFT or paper check, with varying discounts and net terms offered. Note, some federally funded projects may have additional constraints on providing payment within 30 days. Each Proposer will be asked to declare his method of settlement, within the Questionnaire section of this RFP.
- Liquidated Damages (LD) and Missing Delivery Dates: (UC Specific) An acceptable installation date will be established in writing by mutual agreement of Buyer, Proposer and Manufacturer (s) (example: date on PO satisfies this) at the time of order placement. Proposer must receive a complete and accurate order from Buyer, requiring no clarifications or changes prior to the agreed-upon installation date. To the extent, however, Proposer fails to accurately and completely specify Buyer's requirements when placing an approved order(s) with Manufacturer, Proposer shall bear all liability for damages incurred by Buyer related to such failure by Proposer and liquidated damages may apply (see Item U).

National Program

- Manufacturer must complete and upload OMNIA Partners Exhibits A, F, & G, found within the Questionnaire Section of this solicitation and marked as National Program.

- Manufacturer must have a nationwide Dealer/Distribution network having the capacity to deliver and install products nationwide, with some regional exceptions.

2. Product and Pricing

Required Product Categories - all as subject to Ergonomic requirements as listed on Exhibit – 5:

- Panels and Desks/Work Surface (Adjustable and Fixed)
- Storage
- Freestanding
- Seating (task, side, conference room, and stackable, but NOT lab, lounge or lobby)
- Tables Conference (tables, training table, occasional tables , hgt. adjustable tables, other)

Product Purchase Restrictions (UC Specific) - A Proposer should note, there will be special processes put in place surrounding the UC's ordering of Architectural Elements (Demountable Walls) and fixed seating, owing to UC approvals which must be garnered prior to an order being placed. Any awarded Supplier will be required to abide by this process.

Furniture Definitions **-** Required Product Categories and/or items, all as subject to Ergonomic requirements listed on Exhibit 5, are shown below with further definition located within Exhibit 1 – Definitions. They cover the following items:

- **Paneled Systems**
- **Task Seating**
- **Side Chair**:
- **Desk/Work Surface**:
- **Storage**

Parts Sales – A Proposer must offer offer/sell parts for your products to use in UC, and Participating Agencies, in-house repairs. A Web catalog or (acceptable alternative) must be supplied.

New and Discontinued Products –

1. Successful Proposer(s) must communicate and make available any special product promotional offers as requested. A system to communicate promotions shall be established during the contracting phase of this process.
2. New Products - The UC recognizes that products and product line additions to the selected Proposer's offerings are likely to occur during the life of any resulting contract from this RFP. The UC will consider these additions as enhancements. Additions will be considered under the following methods:
    - Products will be categorized with similar products or product lines into existing market commodity codes/product line families previously defined and agreed to by the UC with respect to the discount structure, net price, or total cost of the product.

3. In the event the selected Proposer(s) add a new specialty product line which represents product(s) that are substantially different from the products or brands represented in the existing market commodity codes/product line families, the UC and the selected Proposer(s) may enter into negotiations to establish a discount structure, net price, or total cost for the product(s) if the UC agrees that the product(s) are not covered under an existing market commodity code/product line family. Pricing must be competitive in order to add into the contract. The selected Proposer(s) will provide appropriate documentation to support its position for special pricing. Negotiations must be completed prior to any purchase orders being processed. In the event the UC and Proposer cannot come to agreement the UC may at its sole opinion conduct a separate formal bidding process.

4. Successful Proposer(s) shall notify the UC 60 day's in-advance of any products being discontinued wherever possible.

Cabling - All Manufacturers of cabling products, must comply with Technology Industry Association (TIA-569-C-2012) standards for cabling raceway and data equipment outlet openings.

Warranty –A minimum warranty of ten (10) years is required for 'seating', with a minimum of five (5) years applying to 'other' products. Note an exception for upholstery, which must have a minimum warranty of 3 years. ' A supplier is required to state their warranty on each product listed within the Product Cost Matrix in the Pricing Section of this RFP and will have the opportunity to provide additional information in the graded questions.

Surcharges and/or Tariffs – With the exception of 'Tariff Related Surcharges', there shall be NO surcharges during the term of any resulting contract. A supplier may request temporary surcharges for newly levied tariffs affecting their global supply chain, either directly or indirectly impacting most/critical materials, whether it is finished goods or directly imported materials, or raw materials that their suppliers must purchase from China for use in their production process. Any such charges must be substantiated through appropriate documentation prior to the approval process beginning. Approved charges will be considered as temporary, with the expectation of removal or reduction in accordance with removal or decreases by the government.

FOB - Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.

5. Services

Specific Delivery & Installation Service Standards, have been detailed for the UC System and National Accounts. These required services are aligned with a Proposer's Pricing/Declared Discounts off List. They are found on Exhibits 2 & 3, as well as the Discount Service Pricing Form. All proposers will align their quoted discounts/pricing to those services, while meeting all other mandated requirements.

Prevailing Wages - Proposer understands and acknowledges that prevailing wages must generally be paid for installation services provided under this program to the extent they include modular furniture or any affixing or detachment of goods to or from realty, all as defined by the California Labor Code. Prevailing wages are to be paid for all labor to be performed at the installation/delivery site except for labor related to the following activities (some exceptions noted):

- Delivery of materials that will not be installed by the delivering Supplier
- Assembly of unattached, freestanding furniture
- Delivery and assembly of furniture that is attached only for security purposes (to prevent its theft) or otherwise attached by restraints that are not subject to any regulation pursuant to the California Building Code
- Prevailing wages shall also be paid for all labor associated with the special fabrication of any non-standard, non-catalog furniture components that are manufactured specially and exclusively for installation at the project/delivery site.

Note: Additional information can be downloaded at the following site DIR Website. Rates vary depending on the county in which the work is being performed. Prevailing Wage requirements only apply to the UC and work performed in California. Other Participating Agencies might have their own prevailing wage requirements and can be negotiated on a case by case basis.

Customer Satisfaction and Service Standard Metrics (UC Specific) - Successful Proposer(s) will be responsible for product satisfaction. Proposer(s) will act as a customer advocate and coordinator for communications with the dealer that is responsible for performance and problem resolution. Proposer(s) responsibility for support continues even if the Proposer discontinues selling a product to the extent that resolution is possible. Proposers must take necessary actions with dealers to reduce, minimize and prevent stock-outs of product (i.e. backorders), and to ensure that promised lead-times/ship dates/arrival

dates are accurate. Customer satisfaction will be a determining factor in measuring Proposer(s) performance. Proposer and UC jointly will on a routine basis conduct and monitor customer satisfaction with a formal survey process. Results and feedback will be published on a regular basis in a format to be developed. Proposer and/or Dealer shall provide Toll-free number for order placement and focused customer service team for the UC.

Each Location has means to determine their internal level of customer satisfaction and if dealer is meeting performance metrics. If a dealer falls below the service level expectations it will be escalated to that Location's Materiel Manager and to UCOP to determine a mutually agreed upon corrective action plan to resolve the concern. If the service levels do not improve to the satisfaction of the University the issue may ultimately result in termination of the agreement.

Ship to and Consolidation of Orders (UC Specific) – Required 'ship to' for UC locations will be determined at the time of order. It is the responsibility of the manufacturer and servicing dealer to achieve this in the most efficient manner. For incidental (non-project) orders, UC expects the servicing dealer to consolidate orders and deliveries in a manner such that multiple deliveries to the same campus on the same day should not be charged full freight for each individual item delivery. Servicing dealer shall track, receive, warehouse, and deliver the product to the jobsite and perform final inside deliveries to specific office, suite, work space, lab, job site, etc. at all UC delivery accessible locations. Orders shall be shipped "FOB Destination" and all pricing shall be NET less sales tax.

Storage: First 30 business days of storage required shall be at no cost to UC or participating agencies. UC or participating agencies may require items to be in storage beyond 30 bus days. Your rate for this service is required on Attachment #2 – Pricing – Product and Services

Returns/Damaged product - Products damaged, duplicated, incorrectly ordered by or incorrectly shipped by the manufacturer or dealer shall be replaced or picked up by the Proposer(s) within 2-3 business days after notification at no cost to the UC or participating agencies and thereafter a credit issued (if applicable) within five (5) business days to the satisfaction of the customer. There shall be no restocking charges or additional shipping charges, etc. for these items. If this requirement cannot be scaled to the national level, an exception may be noted for that program.

Trade Fairs at the UC (UC Specific) - If requested a Proposer is expected to sponsor trade and/or manufacturer exhibit/product shows at each of the UC locations and must comply with each campus' policies regarding space rental, advertising and coordination with each campus Materiel Management office.

Training at the UC (UC Specific) - When requested, the successful Proposer(s) will provide in-house "start-up" and/or training sessions to the UC users regarding the Proposer's software, ordering system, etc. at no charge to the UC. Similarly, a Proposer shall participate in developing and delivering Web Training for same.

Manufacturer/Dealer Documentation – A Proposer must provide the following, free of charge; 1) documentation of existing architectural and electrical elements (anything that impacts furniture placement), 2) Data and electrical coordination, including Title 24 documentation, 3) Plans and 3D images in AutoCad and PDF formats.

Material Samples (UC Specific) - A Proposer must provide Material samples to customers, when requested.

Seating Labs-Showrooms (UC Specific) - Various locations have seating labs/showrooms with samples for potential customers to evaluate. Is your firm able to provide samples at no cost for these labs/showrooms? Also, if a customer would like to evaluate a seat in their work environment how quickly could you provide a sample and would it be at no cost?

Response Times (UC Specific) - Proposers must acknowledge the following service standards and provide minimum guarantees to consistently adhere to the standards. Please provide any exceptions to these response times and specify impacted locations or regions beginning with any exceptions to any UC campus...

Response time to return call to clients	within 24 hours (Fri. would be Mon.)
Response time to visit clients*	within 3 business days
Initial design completion and quote meeting	within 10 business days from initial (or 1-2 wk.)
Quote for project	within 5 business days (sm) 10 days (lg.)
Final design to ready order quote	within 2 business days
PO (from UC) to acknowledgement	within 3 business days
Standard delivery	standard shipping and delivery 4-5 weeks
Non –Standard delivery	non-standard shipping & delivery 6-10 weeks
Incidental non-assembly items	deliver 3 business days after receipt of items
Items needing assembly or for projects	deliver and assemble 7 business days (sm) 10 business days (lg.) after receipt by Dealer
Storage	30 business days free
Returns (UC request/error)	20 business days from date of delivery to customer (see above –Damaged/Returned product for Supplier error)
Pick-ups	within 2-3 business days
Credits/Claims	within 5 business days from pick-up
Requests for reports	within 10 business days
Punch list development	within 2 business days after installation walk thru
Punch list closure	within 30 (or 10) business days after both parties agree as to responsible party

The minimum quality of service standards set forth above recognize that occasional errors are likely; however, the Proposer further agrees to use best efforts to achieve 100% quality of service level. Should, however, the quality levels fall below the minimum standards and the supplier does not take corrective action, the UC may terminate the agreement. Please describe your escalation process and contacts for addressing service failures.

6. Sustainability (UC Specific)

Policy pertaining to this RFP - Exhibit 4 of this RFP details all minimum requirements as established by the UC Sustainability Policy for Indoor Furniture. A Proposer must review these prior to completing documents and researching which of their product align.

Take back program: Any Proposer awarded a contract as a result of this RFP, will be required to offer a Some version of an end-of-life take-back or re-use program to the UC, for a reasonable added cost.

Chemicals of Concern – within 18 months of contract signature, any contracted supplier will be required to limit the UC catalog of goods (to the UC), to items which do not contain Chemicals of concern, as noted within Exhibit 4 -, unless an exception for specific product is noted.

EXHIBIT 1 – Definitions
EXHIBIT 2 – National Service Standards (as accompanies pricing)
EXBINIT 3 – UC Service Standards (as accompanies pricing)
EXHIBIT 4 – UC Sustainability Policy and Minimum Standards
EXHIBIT 5 – Ergonomic Requirements
EXHIBIT 6 - UC Reporting Requirements

EXHIBIT 1 – RFP DEFINITIONS

General

Broad Line Manufacturer/Qualified Proposer– a Manufacturer who can supply the required services and is able to provide their manufactured product covering a minimum of (but not limited to) the five (5) main categories of Office Furniture (System, Seating, Storage, Free Standing Furniture, and Tables) which meet RFP specifications (including UC Minimum Sustainability Requirements and Ergonomic Requirements).

Dealer or Dealer Service Network Provider - Subcontractor and/or provider of goods and services on behalf of Manufacturer such as furniture, furniture design, layout design, workspace planning, showroom demonstration, warehouse storing, delivery, installation, customer service, invoicing, payment collections, credit card processing, etc.

Design - Major Revision - A major revision is defined as any modification in which an excess of 30% of the design is revised.

Project Management - Enhanced professional services through a Dealer authorized representative. Dealer authorized representative provided under the Agreement will provide project management services, in which many segments of a project must be professionally coordinated and well-orchestrated by a project manager or team and proper oversight must be maintained and milestones must be adhered to.

Punch List -A term used to describe an inventory list of all corrections, additions, or deletions to an Installation or project which requires an action on the part of the Supplier, to be completed. The Punch list will detail the point of acceptance, rejection or remedial action necessary for any product. Includes, but not limited, to missing, damaged, mistakenly-shipped or incorrect installation parts, components, or whole pieces of furniture as directly related to the original purchase order.

Reconfiguration -A term used to describe the process of disassembly, re-assembly and possible relocation and redesign of existing furniture systems.

Services - Refers to all services provided by the Dealer, including "Value-Added" services, and "Per Hourly-Rate" services as mentioned in this RFP and outlined under Exhibits 2 and 3 in this RFP.

Supplier – Manufacturer and Primary Contracting Entity, as represented by its Dealers/Authorized Dealer Services Network and its other business entities within its supply chain for the purpose of proposing goods and services under this RFP, as a single contracting entity. The term Supplier, therefore, is used interchangeably with Manufacturer, Seller, Dealer, Designer, Installer, or any supply chain entity the Supplier proposes to carry out its duties and obligations in answer to this solicitation.

RFP, Value-Added Services - Includes all enhanced professional services, such as design and installation, provided by Dealer.

Waste Removal/Removal of Debris- Refers to the removal all packaging materials from the University premises by the Dealer at the time of delivery and Installation and recycled or disposed of in accordance with UC's Sustainability Policy

Furniture Items Definitions

Exclusions to below – Any "Product listed or registered with FDA as a medical device or a furnishing that meets a specific clinical requirement for UC clinicians."

Paneled Systems - Pre-fabricated paneled workstations or cubicle office. Includes panels, desk, storage, filing work surfaces, cabinetry, accessories, etc. Task Chair: A task chair is a chair designed for the completion of work tasks that need to be performed while sitting, including paperwork, phones, computer work, or other tasks. A task chair should provide users with an adjustable, stable seating surface that supports the spine, promotes dynamic movement, and can be adjusted to fit a majority of people. All task chairs shall follow the guidelines of Exhibit 5.
CSA- Z412, Guideline on Office Ergonomics, page 161

Task Chair: A task chair is a chair designed for the completion of work tasks that need to be performed while sitting, including paperwork, phones, computer work, or other tasks. A task chair should provide users with an adjustable, stable seating surface that supports the spine, promotes dynamic movement, and can be adjusted to fit a majority of people. All task chairs shall follow the guidelines of Exhibit 5.
CSA- Z412, Guideline on Office Ergonomics, page 161

Side Chair: A side chair is a chair designed for short-term sitting (i.e. guest chair) and is not designed to be used during work tasks. A side chair usually has a fixed seat height, seat angle, and backrest, and it may or may not have arms. The minimum weight capacity is 250 pounds.
ANSI-BIFMA x5.1-2002

Desk/Work Surface: A desk/work surface is a piece of furniture with a surface designed to allow the user to complete their work tasks. Work tasks can include but are not limited to reading, writing, and use of computers, telephones, calculators, and microscopes. Surfaces can be flat or angle adjustable (for example drafting tables). Work surfaces should be designed to support work equipment and task materials while allowing adequate clearance, access, and support for the majority of users. Desks/work surfaces may be freestanding or part of a panel system which is secured to the wall or floor. All work surfaces shall follow the dimension and height adjustability guidelines of Exhibit 5.
ISO 9241-5, Ergonomic requirements for office work with visual display terminals, page 9, 15

Storage: A piece of furniture designed to store items. Storage units shall meet the following requirements:
Adjustment controls should be easy to operate from usual working positions and designed so they encourage correct use
Drawers should be designed to prevent unintentional opening
Drawers should not require undue force to open and close
Drawers should not be able to be pulled out so they unintentionally fall
Casters on mobile pedestal drawers should be chosen to match the floor surface where the pedestal will be used

EXHIBIT 2 – National Service Standards – (as accompanies pricing)

NATIONAL PROGRAM FOR DELIVERY AND INSTALLATION SERVICES

DELIVERY

Drop ship or Tailgate Delivery means product is delivered to the site. Purchaser is responsible for unloading.

Inside Delivery means product is delivered to the site and unloaded.

BASIC INSTALLATION - Includes inside delivery, uncrating, assembly, set-up (if required), installation, removal/disposal of all debris from premises, and vacuuming the premises, installation documents, and the bill of materials per the purchaser's approved plan and specifications.

EXPANDED/COMPLEX INSTALLATION Includes basic installation; field measurements surveyed, documented and coordinated; electrical and telecommunication/data in-feed locations are surveyed, documented and coordinated; attend required coordination meetings with purchaser and other contractors; and creation and implementation of punch list by project manager.

BASIC AND EXPANDED INSTALLATION PRICING PARAMETERS
During normal business hours, M-F, 7:00am-5:00pm local time.
Non-union labor
All necessary tools and equipment required to install per the drawing or quote
Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process
Free and clear access to loading docks and elevators
Job site to be free and clear of debris
Service work not be hindered by other trades, product tools, equipment
Reasonable access to space

Exclusions:

- Any work requiring a licensed electrician is the purchaser's responsibility
- Hardwiring of furniture to the building source
- Connection of phone and data lines to the building source

Additional Cost:

- Union, prevailing wage, overtime, and "after hours" (evenings, weekends, holidays) work.

VALUE ADDED SERVICES

- Value added services as listed on National Product Line Discounts/Services Pricing Form ,

PRICING - Refer to "Attachment #2 – Pricing -Product and Service" for pricing details for Delivery, Basic and Expanded Installation, and Value Added Services

EXHIBIT 3 - UC Service Standards (as accompanies pricing)

UC PROGRAM FOR DELIVERY AND INSTALLATION SERVICES

Drop Ship Delivery has two options:

- Manufacturer ships to any delivery, accessible campus location. This option contains the possibility of multiple delivery points.
- Manufacturer ships to one default location at the campus location. This option highlights the campus capability to receive shipments at a central delivery spot.

Dealer Delivery/Basic Installation Services will include:

- Product is unloaded off the truck and delivered to the point inside a building during normal business hours, M-F, 7:00am-4:30pm local time.
- Furniture wiped down, leveled, and place ready-to-use furniture per customer's instructions.
- Removal and disposal of any packing materials (removed from UC site/property).
- ADA compliance (required)
- Dealer management as it relates to final order-ready quote, exact delivery dates and times, placement/install of the furniture items, correction of any discrepancies between the final quote and customer purchase order, replacing any items short shipped and/or accepting the return of any over shipments and/or missed shipments, and submitting accurate invoice that matches the customer's purchase order.
- Processing of any necessary freight/damage claims.

Dealer Delivery/Complex Installation Services (i.e., project pricing) will include:

- All services described in above Basic Installation.
- Project Management, which are services in which many segments of a furniture project must be professionally coordinated and well-orchestrated through the punch list, proper oversight must be maintained, and milestones must be adhered to.
- Design Services, which are services and processes required to convert a customer's expressed needs into a functional design and an accurate, order-ready specification. Design Services are outlined below.

Design Services

Design Services are usually utilized for a Complex Installation project. These same design services are available when using Drop Ship Delivery or Basic Installation and are quoted as an additional hourly cost. Pricing for design services include, but are not limited to:

- Maximum of Two Designs
- Up to Two Major Design Revisions (changes > 30%)
- Fully-annotated 2D and 3D CAD renderings for initial design and all revisions
- Complete Installation Drawings
- Site Verification and Field Measurements prior to Furniture Order
- Verification of all Critical Measurements taken from Architectural Drawings
- Furniture Electrical Plans (Note: Client/Customer responsible for coordination and implementation of the building electrical/data per furniture plans.)
- Signed Furniture Plans required prior to Specification of Furniture
- Furniture Installation is ADA and California Building Code compliant
- All Finish and Product Samples as needed/as requested; Help and Consultation in the Selection
- Attendance at Required Meetings

Installation Job Site Expectations

- All necessary tools and equipment required to install per the drawing or quote

- Adequate facilities for the delivery, unloading, moving, and staging/storing of the product during the install process
- Reasonable access to the space; Access to hoisting and/or elevator service
- Job site to be free and clear of debris
- Containers for the disposal of packing materials off-site
- Service work not be hindered by other trades, product tools, equipment

Exclusions, which are the customer's responsibility, are:

- Any work requiring a licensed electrician including, but not limited to, hardwiring of furniture to the building source.

- Connection of phone and data lines to the building source

Exclusion, which would incur additional labor and equipment cost, is:

- Any furniture product that must be conveyed via alternative means, including stairs, forklift, access corridors, etc.

Installation Labor
Installation labor for a Basic Install or a Complex Install are expected to be conducted during normal business hours, M-F, 7:00am-4:30pm local time, and confirmed by each UC location. Hourly labor rates are quoted using the appropriate hourly labor application, such as Union rate, Prevailing Wage rate, or your Standard labor rate (not to be less than UC Fair Wage-Fair Work rate (currently $15.00 per hr.), taking into consideration the labor activity required for the installation and the local labor regulations.

The quoted hourly labor rates are required to be displayed in a detail breakdown on the quote, i.e., number of hours, number of crew, etc. and will include any overtime or "after hours" work, such as evenings, weekends, and holidays.

Pricing - Refer to "Attachment #2 – Pricing – Product and Service" for pricing details for Delivery, Basic and Complex Installation, and Value Added Services.

EXHIBIT 4 – UC Sustainability Policy and Requirements (as related to the Indoor Furniture Category)

Below are excerpts and links related to recent revisions made to UC's Sustainable Practices Policy. They are provided for your convenience and are not meant to replace a full review of all materials. Links to the Policy and associated Guidelines are provided below for your review.

- UC SUSTAINABLE PRACTICES POLICY (Sustainable Procurement pg. 12–15 and 27–29): https://policy.ucop.edu/doc/3100155/SustainablePractices
- UC SUSTAINABLE PROCUREMENT GUIDELINES: https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf

UC Sustainable Practices Policy – Sustainable Procurement

E-COMMERCE REQUIREMENTS
Awarded suppliers will be required to clearly identify products with UC-recognized certifications, as defined by the Guidelines, in both hosted and punchout catalog e-procurement environments.

1) Contract items that meet the UC Green and UC Green Preferred criteria as outlined in the Guidelines will be prioritized in all product searches.
2) Unless locations request otherwise, products that do not meet the University's minimum criteria requirements will be blocked in all hosted catalogs and punchout catalogs upon contract award.

PACKAGING STANDARDS
The University is required to outline the UC Standards for packaging materials in all RFPs. Proposers will be required to demonstrate how their standards and practices for packaging materials meet these Standards. Additional consideration during evaluation will be given to Proposers who meet more than one criteria listed in (a) - (e) below, with preference given to bids meeting (b).
All packaging delivered to the UC must be compliant with the Toxics in Packaging Prevention Act (AB 455) as to be free of any intentionally introduced lead, cadmium, mercury or hexavalent chromium, and containing no incidental concentrations of these regulated metals greater than 100 parts per million (ppm) by weight. In addition, the University requires that all packaging meet at least one of the criteria listed below:

a) Uses bulk packaging;
b) Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
c) Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
d) Maximizes recycled content and/or meets or exceeds the minimum postconsumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
e) Uses locally recyclable or certified compostable material.

PACKAGING FOAM BAN
By 2020, the University will prohibit the sale, procurement or distribution of packaging foam.
Packaging foam refers to any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: Ethylene-vinyl acetate (EVA) foam, Low-density polyethylene (LDPE) foam, Polychloroprene foam (Neoprene), Polypropylene (PP) foam, Polystyrene (PS) foam (including expanded polystyrene (EPS), extruded polystyrene foam (XPS) and polystyrene paper (PSP)), Polyurethane (PU) foams, Polyethylene foams, Polyvinyl chloride (PVC) foam, and Microcellular foam.

*Packaging foam does not include easily biodegradable, plant-based foams such as those derived from corn or mushrooms.

ELECTRONIC TRANSFER OF SUPPLIER INFORMATION
Awarded suppliers, when interacting with the University, shall be prohibited from providing hard copies of presentations or other materials. Suppliers will be required to present all information in electronic format that is easily transferable to University staff, who may choose to print their own copies in accordance with

UC Policy if necessary. Materials may be provided if specifically required or requested by a UC representative.

ENVIRONMENTAL MARKETING CLAIMS
All sustainability-related purchasing claims must be supported with UC-recognized certifications and/or detailed information on proven benefits, durability, recycled content, and recyclability properties, in accordance with the Federal Trade Commission's (FTC) Green Guides for the use of environmental marketing claims (https://www.ftc.gov/sites/default/files/attachments/press-releases/ftc-issues-revised-green-guides/greenguides.pdf).

UC Sustainable Procurement Guidelines

GENERAL CHEMICALS OF CONCERN CRITERIA FOR PRODUCTS AND PACKAGING
Products and packaging shall be free of hazardous additives, including those mixed into the product and those used as surface treatments, unless no feasible alternative exists, and it is determined that the benefit outweighs the risk. Products and packaging must meet all eleven of the Kaiser Permanente Chemicals of Concern Criteria (http://supplier.kp.org/formsreqs/KPEPPStandards.pdf), including, but not limited to:

a) Cadmium, mercury, lead, hexavalent chromium, polybrominated biphenyls, and polybrominated diphenyl ethers - All homogenous electronic parts are compliant with all European Union Restriction of the Use of Certain Hazardous Substances (EU RoHS) Directive's restricted limits (excluding exemptions).
b) Polyvinyl chloride (PVC)
c) Prop 65 Chemicals - Does not contain intentionally added chemicals listed by the State of California to cause cancer, birth defects, or reproductive harm that require warning or are prohibited from release to the environment under the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65). If contains Prop 65 chemicals, supplier must disclose Chemical Abstracts Service (CAS) #'s.
d) Persistent, bioaccumulative and toxic chemicals (PBTs) - All homogeneous materials must contain less than 1000 ppm of PBTs.
e) Organohalogen-based chemicals (bromine, chlorine, fluorine, and iodine)
f) Antimicrobial/antibacterial agents - Does not contain intentionally added antimicrobial/antibacterial agents to reduce surface pathogens.

FURNITURE SUSTAINABILITY STANDARDS
These standards are applicable to all new individual (e.g. task chair) and group seating; open-plan and private-office workstations; desks of all types, tables of all types; storage units, credenzas, bookshelves, filing cabinets and other case goods; integrated visual display products (e.g. markerboards and tackboards, excluding electronic display products); hospitality furniture; and miscellaneous items such as mobile carts, freestanding screens, and movable partitions. Movable partitions include office furniture system cubicle panels that are typically integrated with work surfaces, desks, and storage furniture.
These standards do not apply to office accessories, such as desktop blotters, trays, tape dispensers, waste baskets, all electrical items such as lighting and small appliances, and accessories such as aftermarket keyboard trays, monitor stands and monitor arms.
In addition, the following Required Sustainability Criteria apply to the finished product as assembled, unless otherwise specified. For example, compliance with the VOC Emission requirements applies to the finished product as assembled and thus, the applicable third-party certification must be for the finished product as assembled, not the individual components.
The Supplier will be expected to limit product finishes and textiles offerings to those that maintain compliance with these requirements. For example, University end-users should not receive information on surface materials or textiles that would conflict with these requirements or otherwise void a VOC Emission certificate (i.e. some surface materials are not included in a product's VOC certification).

Minimum Required Criteria:

1. All furniture must meet one of the following requirements (either (a) or (b)1-5):
   a) Be certified under BIFMA criteria 7.4.4 – Targeted Chemical Elimination – of ANSI/BIFMA e-3 Furniture Sustainability Standard (2019 version).

b) Be free of the 5 classes of chemicals of concern described below:

1. Flame Retardants: All furniture shall be free of flame retardant chemicals at levels above 1,000 parts per million in both standard and optional components, excluding electrical components.
    a. All upholstered seating subject to TB 117-2013 shall be labeled as not containing flame retardant chemicals consistent with the manner described in Section 19094 of the California Business and Professions Code.
    b. A product may contain flame retardants if required to meet code or regulation (e.g., TB 133 or ASTM E 1537), in accordance with the following criteria:
        i. No halogenated flame retardant chemical may be used at levels above 1,000 parts per million by weight of the homogeneous material, excluding electrical components.
        ii. Products that contain flame retardant chemicals that have been fully assessed using GreenScreen v1.2 (or newer) and meet the criteria for benchmark 2, 3, or 4 will be preferred.
2. Formaldehyde and Volatile Organic Compounds (VOCs): All furniture shall comply with ANSI/BIFMA e3-2014 Furniture Sustainability Standard, Sections 7.6.1 and 7.6.2, using either the concentration modeling approach or the emissions factor approach.
    a. Test results shall be modeled using the open plan, private office, or seating scenario in ANSI/BIFMA M7.1, as appropriate.
    b. Furniture products that additionally meet ANSI/BIFMA e3-2014 Section 7.6.3 and/or California Department of Public Health Standard Method v1.1 (emission testing method for California Section 01350) are preferred.
    c. Products with UL Environment GreenGuard Gold, or Scientific Certification Systems (SCS) Indoor Advantage Gold third party certifications for CA Standard Method v1.1 2010 are automatically compliant.
    d. Salvaged and refurbished furniture more than one-year old at the time of re-use is considered compliant, provided it meets the requirements for any site-applied paints, coatings, adhesives, and sealants.
    e. All composite wood materials, including hardwood plywood, particleboard, or medium density fiberboard, used in office, classroom, or healthcare furniture shall comply with Phase 2 of California's Code of Regulations, Title 17 §93120.2 – Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products. Compliance documentation for this requirement may be satisfied by demonstrating applicable components meet the requirement (as opposed to finished product as assembled).
1. Per and Poly-Fluoroalkyl Substances (PFASs) used as stain/water/oil resistant treatments: All furniture shall be free of any long- and/or short-chain per- and poly-fluorinated alkyl compounds and fluorinated polymers used as stain, water, or oil resistant treatments above 100 ppm by weight of the homogenous material.
2. Antimicrobials: All furniture shall be free of any added or built-in chemical antimicrobials. Antimicrobials added to raw materials for the sole purpose of preserving the product are exempt, with the exception of triclosan and triclocarban which are explicitly prohibited. Antimicrobials may be used in a healthcare setting only if they are registered with the U.S. EPA under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and are part of a comprehensive infection control plan.
3. Polyvinyl Chloride (PVC): All furniture shall be free of polyvinyl chloride (PVC) greater than 1% of product by weight, excluding electrical components. Electrical components that are free of PVC are preferred.

4. All fabrics/textiles utilized on a finished product under this Contract must be cleanable without dry-cleaning chemicals.

Preferred Criteria:

Must meet all of the above Minimum Required Criteria, and have at least one of the following additional certifications or documentation:

- BIFMA Level (preference for Level 2 or 3)
- Cradle to Cradle (C2C) (preference for Silver or Gold)
- Meets the Healthier Hospitals Initiative (HHI) Safer Chemicals Challenge and has published product list on the Healthier Hospitals Healthy Interiors Goal website
- Forest Stewardship Council (for products containing wood)
- Textiles certified by one of the following recognized certifications:
    - GOTS
    - Standard 100 by Oeko-Tex
    - STeP by Oeko-Tex
    - Cradle to Cradle
    - NSF/ANSI 336-2011 (Facts)
- Complete Health Product Declaration (HPD)
- Complete Declare label

Documentation Requirements

Upon request, Supplier will be expected to provide applicable documentation confirming that products meet the University's Sustainability Standards for furniture. As applicable to the individual criteria, documentation will be in the form of third-party certificates, product test results, applicable forms, a formal letter of assurance from the manufacturer stating the product meets individual sustainability criteria, and/or other documentation as needed to meet green building certification documentation requirements (such as for LEED, WELL, Living Building Challenge, etc.). These requests may occur during evaluation of new products to be added to the University standard furniture catalog and/or as part of documentation requests required for LEED or WELL projects.

Definitions

Antimicrobial chemicals:

Chemicals intended to disinfect, sanitize, reduce, or mitigate growth or development of microbiological organisms, or protect inanimate objects, industrial processes or systems, surfaces, water, or other chemical substances from contamination, fouling, or deterioration caused by bacteria, viruses, fungi, protozoa, algae, or slime.

Flame retardant chemicals:

Any chemical or chemical compound for which a functional use is to resist or inhibit the spread of fire. Flame retardant chemicals include, but are not limited to, halogenated, phosphorous-based, nitrogen-based, and nanoscale flame retardants, flame retardant chemicals listed as "designated chemicals" pursuant to Section 105440 of the Health and Safety Code, and any chemical or chemical compound for which "flame retardant" appears on the substance Safety Data Sheet (SDS) pursuant to Section 1910.1200(g) of Title 29 of the Code of Federal Regulations. "Added flame retardant chemicals" means flame retardant chemicals that are present in any covered product or component thereof at levels above

1,000 ppm.

Per- and poly-fluoroalkyl substances (PFASs) (often referred to as PFCs):

Category of compounds that includes long- and short-chain per- and poly-fluorinated alkyl compounds, fluorinated sulfonate compounds, and fluorinated polymers. PFASs include any compound that meets any one of the following definitions:

- Perfluoroalkyl substances: Compounds for which all hydrogen atoms on all carbon atoms (except for carbons associated with functional groups) have been replaced by fluorine atoms.
- Polyfluoroalkyl substances: Compounds for which hydrogen atoms on at least one, but not all, carbon atoms have been replaced by fluorine atoms.
- Fluoropolymers: Carbon-only polymer backbone with fluorine atoms directly bound to the polymer backbone.
- Perfluoropolyethers: Carbon and oxygen polymer backbone with fluorine atoms directly bound to carbon atoms.
- Side-chain fluorinated polymers: Variable composition non-fluorinated polymer backbone with fluorinated side chains.

Volatile Organic Compounds (VOCs):

VOCs are defined by the California Standard Method for Testing and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers as carbon-containing compounds (excluding carbon monoxide, carbon dioxide, carbonic acid, metallic carbides and carbonates and ammonium carbonate) with vapor pressures at standard conditions approximately ranging between those for n-pentane through n-heptadecane. Formaldehyde and acetaldehyde are considered to be VOCs.

EXHIBIT 5 – Ergonomic Requirements

The term 'minimum' as used in this section is not a minimum mandatory requirement, or a 'hard specification', it is considered a target measurement or typical desired range, and therefore some variance will be considered and allowed.

A. Seating

Task Seating

Basic Features:

Chair seat swivels easily on a five-leg pedestal base with casters.
Casters are available for different floor surfaces such as carpet, hardwood, and linoleum -
Adjustment controls - easy to adjust from the sitting position and clearly marked to indicate function
No sharp or hard edges anywhere on the chair or controls
Weight capacity of chair is:

Minimum: At least 250 pounds
Preferred: At least 275 pounds

Five-year minimum warranty
Chair adjustment instructions provided to end user

Seat Features:

Seat height – adjustable at least 4.5 inches within the range of 15 – 22.5 inches from the floor to top of the seat
Seat depth

Minimum: If non-adjustable, seat should be no greater than 17" depth.
Preferred: Adjustable seat depth - provides up to 4 inches of forward/backward seat pan movement, range must include 17" seat depth.

Seat pan angle

Minimum: If seat angle does not adjust, seat is designed with a slight backward or forward angle.
Preferred: Seat angle range has at least 6 degrees of user-controlled adjustability, from leaning forwards to leaning backwards.

Seat pan width minimum of 18 inches/
Front edge of seat is rounded.

Backrest Features:

Backrest height - top of backrest is at least 17.7 inches above the seat (1, pg. 82).
Backrest height adjustability

Minimum: Entire Backrest and /or lumbar support adjustable within the range or 6 - 10.5 inches above the seat 1.
Preferred: Entire backrest and/or lumbar support adjustable from 6-10.5 inches above the seat.

Backrest width - at least 14 inches
Backrest shape

Minimum: Backrest is curved at the lower portion to support the lumbar area
Preferred: Backrest should curve outward towards seated user, especially at the lower portion to support the lumbar area (1, pg. 83).

Backrest angle

Minimum: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to slightly reclined position (105 degrees)
Preferred: Backrest angle is adjustable and tilt range includes upright position (90 degrees) to recline position (120 degrees). User-adjustable headrests are necessary for chair reclining greater than 120 degrees

Backrest angle lock -

Minimum: Backrest can move freely with user-adjustable resistance.
Preferred: Backrest can be locked into various positions.

Armrest Features:

Armrest height

Minimum: adjustable and within the range of 7-10.5 inches.
Preferred: adjustable from at least 7 to 10.5 inches above seat.

Armrest width

Minimum: At least 18 inches of clearance between armrests.
Preferred: At least 18 inches of clearance between armrests and arm-rests adjust in/outwards and pivot.

Armrest shape – smooth, flat, padded with no hard edges or materials.

Value-added Features: Required

Chairs are delivered to campus assembled.
Instructions for warranty and maintenance issues are provided.
Available in fabric and vinyl.
Samples available for Ergonomic Program review and demo rooms.
Speed of delivery/quick ship.

A. Work Surfaces

Free Standing Height Adjustable Table

Basic Features

- Height adjustability minimum from 22 to 48 inches. Prefer entire work surface is user height adjustable (electric or crank system) within the above range.
- Width of top surface: Shall have a minimum of 48 inches of usable desk surface with a minimum of 41 inches unobstructed leg room underneath
- Work surface Depth (with no obstructions for the legs): Shall be a minimum or 24 inches deep. 30 inches or more preferred
- Thickness: No greater than 1.5 inches
- Finish: Matte finish
- Edges: Rounded front edges; no sharp corners, cut-outs, or edges
- Stability: Shall be structurally rigid and stable. Shall support at least 200 pounds

Value-added Features: Required

- Tables are delivered to campus assembled.
- Instructions for warranty and maintenance issues are provided.
- Samples available for Ergonomic Program review and demo rooms.
- Speed of delivery/quick ship.

EXHIBIT 6 – UC Reporting Requirements

Any Proposer awarded a contract, as a result of this RFP, will be required to provide various reports, as reasonably requested for purpose of special projects and/or price auditing. Those request shall be limited. The following reports are required at particular intervals, and pertain to sales of product and service provided to UC Locations/Campuses or to sustainability efforts.

UC System-wide Purchase and Usage Reporting

A UC System Wide Usage/Purchase Quarterly Reports must be provided each quarter, within fifteen (15) business days from the close of the previous quarter. Proposer agrees to collect the usage/ purchase data from Proposer's Authorized Representatives and verify the data accuracy.

These quarterly Usage Reports are to be submitted to the UC Contract Administrator based on the below schedule.

- January: for the prior Oct-Dec quarter
- April : for the prior Jan-Mar quarter
- July: for the prior Apr -Jun e quarter
- Oct: for the prior July-Sept quarter

Sustainability Reporting

Proposer shall submit quarterly usage reports in a Microsoft Excel compatible format to Contract Manager University of California Office of the President, Commodity Manager, Yvonne.Macon@ucop.edu, or University's Contract Administrator.

The usage report shall be submitted each quarter, within fifteen (15) business days from the close of the previous quarter. Proposer agrees to collect the usage/ purchase data from Proposer's Authorized Representatives and verify the data accuracy. It shall contain the following information as separate columns:

- Order number or invoice number (unique identifier)
- Campus Purchase Order Number
- Order date or invoice date
- Customer number
- Campus Contact Name (order contact name)
- Ship To Address
- Product Category (systems furniture, conference, seating, lounge)
- Manufacturer Name
- Manufacturer Product Number*
- Item Model Name*
- Item Description
- Unit Price**
- Extended Price (quantity x unit price)
- Total Weight (lbs.)
- Pre-Consumer Recycled Content per unit (%)
- Post-Consumer Recycled Content per unit (%)
- Hard Surface Material (e.g. laminate, veneer, etc.)
- IAQ Certification Name and Certification Level (e.g. SCS Indoor Advantage Gold)

- Cradle to Cradle Certified and Overall Certification Level (e.g. Bronze, Silver, Gold)
- ANSI/BIFMA level Certification and Certification Level (e.g. one, two, three)
- Meets Healthier Hospitals Safer Chemicals Challenge (Y/N)
- Textile Brand/Manufacturer Name
- Textile Name
- Textile Certification Name and Achievement Level

  *These fields should reflect functional units. For example, the line item would show the model name, quantity and price for an entire desk or chair as opposed to seeing separate line items per component (leg, surface, castor, seat pan, etc.). In other words, however that item is considered a “unit” for the purposes of IAQ certification, Cradle to Cradle certification, recycled content reporting, etc.

  **Installation and delivery charges should not be included in the furniture unit price.

Attachment #1 - Product Categories and Dealer Network TAB 1 - PRODUCT CATEGORIES (BREADTH OF PRODUCT)							
Instructions: Please complete in full and upload as Attachment #1_Company Name_RFP# 001218 inside the Questionnaire Section of this RFP. Note: The first five categories and items are required in order to qualify as a Broad Line manufacturer of Office Furniture, for purposes of this solicitation.

Attachment #1 - Product Categories and Dealer Network **TAB 2 -DEALER NETWORK (INFORMATION)**

Instructions: Please indicate if you sell products directly. Follow that information by detailing your Dealer Network, per headers below; their name, the campuses they are able to service, their status as it relates to your furniture lines (volume/market share within the region covered), and Manufacturer showroom location(s) that would pertain to your recommended dealer(s) from which the work will be done if your firm is awarded a contract as a result of this RFP. After Completion, please upload as Attachment #1_Company Name_RFP# 001218 with submission.

Example Dealer	Campuses covered	Dealer Status (i.e. Primary or Secondary)	Services Offered	Manufacturer showroom location(s)
Best Ever Furnishings & Design Services	UCI, UCLA, UCR, UCSB	Primary Supplier for full product line and all services line close line & open line (Textiles) offerings	Space Planning and Design Services, Project Management, Installation Services)	Los Angeles, Ca.

Proposer Name				
Is UC able to purchase directly?				
Dealer #1	Campuses covered	Dealer Status (i.e. Primary or Secondary)	Services Offered	Manufacturer showroom location(s)
Dealer #2	Campuses covered	Dealer Status (i.e. Primary or Secondary)	Services Offered	Manufacturer showroom location(s)

Labor/Installation -Hourly labor rates are quoted using the appropriate hourly labor application, such as Union rate, Prevailing Wage rate, or your Standard Labor rate (not to be less than UC Fair Wage-Fair Work rate), taking into consideration the labor activity required for the installation and the local labor regulations. Proposer to state your standard labor rate (may quote a range) noting it must equal or exceed UC Fair Work/Fair Wage requirement - currently $15.00 hourly.	**Hourly Rates**	**Comments**
Standard Installation Labor		

Services Associated with Discount off List

Drop Ship Delivery has two options:

- **Manufacturer ships to any delivery, accessible campus location. This option contains the possibility of multiple delivery points.**
- **Manufacturer ships to one default location at the campus location. This option highlights the campus capability to receive shipments at a central delivery spot.**

Dealer Delivery/Basic Installation Services will include:

• Product is unloaded off the truck and delivered to the point inside a building during normal business hours, M-F, 7:00am-4:30pm local time.
• Furniture wiped down, leveled, and place ready-to-use furniture per customer's instructions.
• Removal and disposal of any packing materials (removed from UC site/property).
• ADA compliance (required)
• Dealer management as it relates to final order-ready quote, exact delivery dates and times, placement/install of the furniture items, correction of any discrepancies between the final quote and customer purchase order, replacing any items short shipped and/or accepting the return of any over shipments and/or missed shipments, and submitting accurate invoice that matches the customer's purchase order.
• Processing of any necessary freight/damage claims.

Dealer Delivery/Complex Installation Services (i.e., project pricing) will include:

• All services described in above Basic Installation.
• Project Management, which are services in which many segments of a furniture project must be professionally coordinated and well-orchestrated through the punch list, proper oversight must be maintained, and milestones must be adhered to.
• Design Services, which are services and processes required to convert a customer's expressed needs into a functional design and an accurate, order-ready specification. Design Services are outlined below.

Exclusions, which are the customer's responsibility, are:

• Any work requiring a licensed electrician including, but not limited to, hardwiring of furniture to the building source.
• Connection of phone and data lines to the building source

Exclusion, which would incur additional labor and equipment cost, is:

• Any furniture product that must be conveyed via alternative means, including stairs**, forklift, access corridors, etc.**

UNIVERSITY OF CALIFORNIA

Purchasing Agreement # _____

This is only a sample. **All to be completed per RFP Terms and Negotiations**

The Agreement to furnish certain goods and services described herein and in the documents referenced herein ("Goods and/or Services") is made by and between The Regents of the University of California, a California public corporation ("UC") on behalf of the University of California, and the supplier named below ("Supplier"). This Agreement is binding only if it is negotiated and executed by an authorized representative with the proper delegation of authority.

1. Statement of Work

Supplier agrees to perform the Services listed in the statement of work attached as Attachment A ("Statement of Work") and any other documents referenced in the Incorporated Documents section herein, at the prices set forth in the Statement of Work and any other documents referenced in the Incorporated Documents section herein. Unless otherwise provided in the Agreement, UC will not be obligated to purchase a minimum amount of Goods and/or Services from Supplier.

2. Term of Agreement/Termination

a) The initial term of the Agreement will be from **Date** and through **Date** (Initial Term) and is subject to earlier termination as provided below. UC may renew the Agreement for **Number** successive **Number** -year periods (each, a Renewal Term), by providing Supplier with at least **Number** calendar days' written notice before the end of the Initial Term or any Renewal Term. [Per RFP Terms and negotiations]

b) UC may terminate the Agreement for cause or convenience by giving Supplier at least 180 calendar days' written notice.

c) Supplier may terminate the Agreement for cause by giving the other party at least 180 days' notice to cure a breach of the Agreement (Cure Period).

3. Purchase Order; Advance Payments

Unless otherwise provided in the Agreement, Supplier may not begin providing Goods and/or Services until UC approves a Purchase Order for the Goods and/or Services.

4. Pricing, Invoicing Method, and Settlement Method and Terms

Refer to Statement of Work or Purchase Order for Pricing**.** For systemwide agreements, each UC Location will specify the Invoicing Method and Payment Options that will apply, taking into account the operational capabilities of Supplier and the UC Location. See UC's Procure to Pay Standards http://www.ucop.edu/procurement-services/ files/Matrix%20for%20website.pdf for the options that will be considered. In the case of systemwide agreements, each UC Location will specify these terms in a Statement of Work or Purchase Order, as the case may be.]

For non-systemwide agreements, the Invoicing Method, and Settlement Method and Terms are addressed below.

Invoicing Method

[Per RFP Terms] Notwithstanding the provisions of Article 3 of the Terms and Conditions of Purchase, Supplier will be required to use the following Invoicing Method: **[Per RFP Terms]**

Notwithstanding the provisions of Article 3 of the Terms and Conditions of Purchase, UC will pay freight and shipping/handling as follows: **[Per RFP Terms]**

All invoices must clearly indicate the following information:

California sales tax as a separate line item;
Shipping costs as a separate line item;
UC Purchase Order or Release Number;
Description, quantity, catalog number and manufacturer number of the item ordered;
Net cost of each item;
Any pay/earned/dynamic discount;
Reference to original order number for all credit memos issued;

Supplier will submit invoices following the designated invoice method directly to UC Accounts Payable Departments at each UC Location, unless UC notifies the Supplier otherwise by amendment to the Agreement.

Settlement Method and Terms

[Per RFP Terms] Notwithstanding the provisions of Article 3 of the Terms and Conditions of Purchase, the Settlement Method and Terms will be as follows:

5. Notices

As provided in the UC Terms and Conditions of Purchase, notices may be given by email, which will be considered legal notice only if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – [insert, as the case may be, Supplier name or University of California]. If a physical format notice is required, it must be sent by overnight delivery or by certified mail with return receipt requested, at the addresses specified below. **[Per RFP Terms]**

To UC, regarding confirmed or suspected Breaches as defined under Appendix – Data Security:

6. Intellectual Property, Copyright and Patents [select one]

/___/ The Goods and/or Services involve Work Made for Hire

/__X_/ The Goods and/or Services **do not** involve Work Made for Hire

7. Patient Protection and Affordable Care Act (PPACA) [select one]

/___/ Because the Services involve temporary or supplementary staffing, they are subject to the PPACA warranties in the T&Cs.

/_X__/ The Services do not involve temporary or supplementary staffing, and they are not subject to the PPACA warranties in the T&Cs.

8. Prevailing Wages [Per RFP Terms]

/___/ Supplier is not required to pay prevailing wages when providing the Services.

9. Fair Wage/Fair Work [Per RFP Terms]

/___/ Supplier is not required to pay the UC Fair Wage (defined as $13 per hour as of 10/1/15, $14 per hour as of 10/1/16, and $15 per hour as of 10/1/17) when providing the Services.

10. Federally Funded Contracts, Grants, and Cooperative Agreements

11. [Per RFP Terms]

/___/ Grant or Cooperative Agreement

/___/ Contract

The Prime Award Number is: _____.

11. Restriction Relating to Consulting Services or Similar Contracts – Follow-on Contracts

Please note a Supplier that is awarded a consulting services or similar contract cannot later submit a bid or be considered for any work "required, suggested, or otherwise deemed appropriate" as the end product of the Services (*see* Public Contract Code Section 10515).

12. Insurance

Deliver the PDF version of the Certificate of Insurance to UC's Buyer, by email with the following text in the Subject field: CERTIFICATE OF INSURANCE – **[Per RFP Terms]**

13. Service-Specific and/or Goods-Specific Provisions

[Per RFP Terms – to be added]

14. Records about Individuals

Records created pursuant to the Agreement that contain personal information about individuals (including statements made by or about individuals) may become subject to the California Information Practices Act of 1977, which includes a right of access by the subject individual. While ownership of confidential or personal information about individuals is subject to negotiated agreement between UC and Supplier, records will normally become UC's property, and subject to state law and UC policies governing privacy and access to files. When collecting the information, Supplier must inform the individual that the record is being made, and the purpose of the record. Use of recording devices in discussions with employees is permitted only as specified in the Statement of Work.

15. Amendments to UC Terms and Conditions of Purchase

The UC Terms and Conditions of Purchase, dated 5-19-19 are hereby amended as follows:

[Per RFP Terms and negotiations]

16. Amendments to Appendix – Data Security

The UC Appendix – Data Security, dated _____ is hereby amended as follows:

[Per RFP Terms and negotiations]

17. Incorporated Documents

This Agreement and its Incorporated Documents contain the entire agreement between the Parties, in order of the below precedent, concerning its subject matter and shall supersede all prior or other agreements, oral and written declarations of intent and other legal arrangements (whether binding or non-binding) made by the Parties in respect thereof. **[Per RFP Terms and negotiations]**

a. Prime Contract, including SOW all UC appendices

b. Statement of Work – Attachment A
c. RFP and RFP Response

18. Entire Agreement

The Agreement and its Incorporated Documents contain the entire Agreement between the parties and supersede all prior written or oral agreements with respect to the subject matter herein.

This Agreement can only be signed by an authorized representative with the proper delegation of authority.

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The University of California (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Expedited Mail, Small Ground Freight, Related Products and Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies
through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $100 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Contract if the purchase order is issued prior to the expiration of the Contract. Supplier is responsible for reporting all sales and paying the

applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.1 Company

A. Brief history and description of Supplier.
B. Total number and location of sales persons employed by Supplier.
C. Number and location of support centers (if applicable) and location of corporate office.
D. Annual sales for the three previous fiscal years.
E. Submit FEIN and Dunn & Bradstreet report.
F. Describe any green or environmental initiatives or policies.
G. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program.
H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.
I. Describe how supplier differentiates itself from its competitors.
J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.
K. Felony Conviction Notice: Indicate if the supplier
    a. is a publicly held corporation and this reporting requirement is not applicable;
    b. is not owned or operated by anyone who has been convicted of a felony; or
    c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.
L. Describe any debarment or suspension actions taken against supplier

3.2 Distribution, Logistics

A. Describe the full line of products and services offered by supplier.
B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

C. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.
D. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:
   i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days
   ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days
B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:
   i. Creation and distribution of a co-branded press release to trade publications
   ii. Announcement, contract details and contact information published on the Supplier's website within first 90 days
   iii. Design, publication and distribution of co-branded marketing materials within first 90 days
   iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement
   v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.
   vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement
   vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)
   viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:
      - OMNIA Partners standard logo;
      - Copy of original Request for Proposal;
      - Copy of contract and amendments between Principal Procurement Agency and Supplier;

- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:
   i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
   ii. Best government pricing
   iii. No cost to participate
   iv. Non-exclusive

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
   i. Key features of Master Agreement
   ii. Working knowledge of the solicitation process
   iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
   iv. Knowledge of benefits of the use of cooperative contracts

G. Provide the name, title, email and phone number for the person(s), who will be responsible for:
   i. Executive Support
   ii. Marketing
   iii. Sales
   iv. Sales Support
   v. Financial Reporting
   vi. Accounts Payable
   vii. Contracts

H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

M. If the Supplier wants to guarantee sales, provide the Contract Sales (as defined in Section 10 of the National Intergovernmental Purchasing Alliance Company Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

   $_____.00 in year one
   $_____.00 in year two
   $_____.00 in year three

   To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

   i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
   ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
   iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
   iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

OMNIA PARTNERS

ADMINISTRATION AGREEMENT

THIS ADMINISTRATION AGREEMENT (this "Agreement") is made this ___ day of _____ 20___, between National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), and _____ ("Supplier").

RECITALS

WHEREAS, the _____ (the "Principal Procurement Agency") has entered into a Master Agreement effective _____, Agreement No_____, by and between the Principal Procurement Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the "Master Agreement"), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (the "Product");

WHEREAS, said Master Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (collectively, "Public Agencies"), that register (either via registration on the OMNIA Partners, Public Sector website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit B) (each, hereinafter referred to as a "Participating Public Agency") may purchase Product at prices stated in the Master Agreement;

WHEREAS, Participating Public Agencies may access the Master Agreement which is offered through OMNIA Partners, Public Sector to Public Agencies;

WHEREAS, OMNIA Partners, Public Sector serves as the contract administrator of the Master Agreement on behalf of Principal Procurement Agency;

WHEREAS, Principal Procurement Agency desires OMNIA Partners, Public Sector to proceed with administration of the Master Agreement; and

WHEREAS, OMNIA Partners, Public Sector and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between OMNIA Partners, Public Sector and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, OMNIA Partners, Public Sector and Supplier hereby agree as follows:

EXAMPLE

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Master Agreement.

TERMS AND CONDITIONS

2. The Master Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. OMNIA Partners, Public Sector shall be afforded all of the rights, privileges and indemnifications afforded to Principal Procurement Agency by or from Supplier under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to OMNIA Partners, Public Sector, its agents, employees, directors, and representatives under this Agreement including, but not limited to, Supplier's obligation to obtain appropriate insurance.

4. OMNIA Partners, Public Sector shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Principal Procurement Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by OMNIA Partners, Public Sector solely in its capacity as the contract administrator under the Master Agreement.

5. With respect to any purchases by Principal Procurement Agency or any Participating Public Agency pursuant to the Master Agreement, OMNIA Partners, Public Sector shall not be: (i) construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Principal Procurement Agency or any Participating Public Agency; (ii) obligated, liable or responsible for any order for Product made by Principal Procurement Agency or any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Product; and (iii) obligated, liable or responsible for any failure by Principal Procurement Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. OMNIA Partners, Public Sector makes no representation or guaranty with respect to any minimum purchases by Principal Procurement Agency or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

6. OMNIA Partners, Public Sector shall not be responsible for Supplier's performance under the Master Agreement, and Supplier shall hold OMNIA Partners, Public Sector harmless from any liability that may arise from the acts or omissions of Supplier in connection with the Master Agreement.

7. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OMNIA PARTNERS, PUBLIC SECTOR EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING OMNIA PARTNERS, PUBLIC SECTOR' PERFORMANCE AS A CONTRACT ADMINISTRATOR OF THE MASTER

EXAMPLE

AGREEMENT. OMNIA PARTNERS, PUBLIC SECTOR SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS, PUBLIC SECTOR IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

8. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 12 – 23, hereof and the indemnifications afforded by the Supplier to OMNIA Partners, Public Sector in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners, Public Sector shall have the right to terminate this Agreement, at OMNIA Partners, Public Sector' sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners, Public Sector and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners, Public Sector program by either registering on the OMNIA Partners, Public Sector website (www.omniapartners.com/publicsector), or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners, Public Sector. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners, Public Sector or posts on the OMNIA Partners, Public Sector website. Supplier shall indemnify, defend and hold harmless OMNIA Partners, Public Sector for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners, Public Sector each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "Logo") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners, Public Sector from Supplier in the amount of __ percent (__%) ("Administrative Fee Percentage") multiplied by the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners, Public Sector with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, Public Sector, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("Contract Sales Report"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners, Public Sector by the 10th day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners, Public Sector' sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners, Public Sector at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners, Public Sector designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners, Public Sector' sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, Public Sector, or its designee, in OMNIA Partners, Public Sector' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners, Public Sector receives such report. In addition, OMNIA Partners, Public Sector may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners, Public Sector at the location designated by OMNIA Partners, Public Sector. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners, Public Sector will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners, Public Sector' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners, Public Sector' costs and expenses related to such audit.

GENERAL PROVISIONS

16. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between OMNIA Partners, Public Sector and Supplier, the provisions of this Agreement shall prevail.

17. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any Administrative Fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which it may be entitled.

18. This Agreement and OMNIA Partners, Public Sector' rights and obligations hereunder may be assigned at OMNIA Partners, Public Sector' sole discretion to an affiliate of OMNIA Partners, Public Sector, any purchaser of any or all or substantially all of the assets of OMNIA Partners, Public Sector, or the successor entity as a result of a merger, reorganization, consolidation, conversion or change of control, whether by operation of law or otherwise. Supplier may not assign its obligations hereunder without the prior written consent of OMNIA Partners, Public Sector.

19. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

A. OMNIA Partners, Public Sector:

20. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

21. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be

EXAMPLE

deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

22. This Agreement shall inure to the benefit of and shall be binding upon OMNIA Partners, Public Sector, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

23. This Agreement will be construed under and governed by the laws of the State of Delaware, excluding its conflicts of law provisions and any action arising out of or related to this Agreement shall be commenced solely and exclusively in the state or federal courts in Williamson County Tennessee.

24. This Agreement may be executed in counterparts, each of which is an original but all of which, together, shall constitute but one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile, or by .pdf or similar electronic transmission, will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar electronic transmission, will be deemed to be their original signatures for any purpose whatsoever.

OMNIA PARTNERS EXHIBITS

Exhibit C – MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT, EXAMPLE

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this "**Agreement**") is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate ("**Principal Procurement Agencies**") with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector and/or Communities Program Management, LLC, a California limited liability company d/b/a U.S. Communities (collectively, "**OMNIA Partners, Public Sector**") to be appended and made a part hereof and such other public agencies ("**Participating Public Agencies**") who register to participate in the cooperative purchasing programs administered by OMNIA Partners, Public Sector and its affiliates and subsidiaries (collectively, the "**OMNIA Partners Parties**") by either registering on the OMNIA Partners, Public Sector website (www.omniapartners.com/publicsector or any successor website), or by executing a copy of this Agreement.

Example

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into "**Master Agreements**" (herein so called) to provide a variety of goods, products and services ("**Products**") to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.

2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency's procurement practices. The Participating Public Agencies hereby

acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies' participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable "safe harbor" regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization ("**GPO**") agreements directly or indirectly by enrolling the Participating Public Agency in another GPO's purchasing program, including but not limited to Vizient Source, LLC, Provista, Inc. and other OMNIA Partners, Public Sector affiliates and subsidiaries; provided the purchase of Products through the OMNIA Partners Parties or any other GPO shall be at the Participating Public Agency's sole discretion.

7. The Participating Public Agencies (each a "**Procuring Party**") that procure Products through any Master Agreement or GPO Product supply agreement (each a "**GPO Contract**") will make timely payments to the distributor, manufacturer or other vendor (collectively, "**Supplier**") for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a

Example

Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE OMNIA PARTNERS PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) registration on the OMNIA Partners, Public Sector website or the execution of this Agreement by a Participating Public Agency, as applicable.

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE

In its capacity as a Principal Procurement Agency (as defined below) for National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners, Public Sector"), [NAME OF PPA] agrees to pursue Master Agreements for Products as specified in the attached Exhibits to this Principal Procurement Agency Certificate.

I hereby acknowledge, in my capacity as _____ of and on behalf of [NAME OF PPA] ("Principal Procurement Agency"), that I have read and hereby agree to the general terms and conditions set forth in the attached Master Intergovernmental Cooperative Purchasing Agreement regulating the use of the Master Agreements and purchase of Products that from time to time are made available by Principal Procurement Agencies to Participating Public Agencies nationwide through OMNIA Partners.

I understand that the purchase of one or more Products under the provisions of the Master Intergovernmental Cooperative Purchasing Agreement is at the sole and complete discretion of the Participating Public Agency.

FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;

(b) Is not organized primarily for profit; and

(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the

right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non - Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small

business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

DOC #4

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.

3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Doc #4, continued

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Required Pursuant to N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.

Part I – Vendor Information

Vendor Name:			
Address:			
City:		State:	Zip:

The undersigned being authorized to certify, hereby certifies that the submission provided herein represents compliance with the provisions of N.J.S.A. 19:44A-20.26 and as represented by the Instructions accompanying this form.

_____ _____ _____

Signature Printed Name Title

Part II – Contribution Disclosure

Disclosure requirement: Pursuant to N.J.S.A. 19:44A-20.26 this disclosure must include all reportable political contributions (more than $300 per election cycle) over the 12 months prior to submission to the committees of the government entities listed on the form provided by the local unit.

☐ Check here if disclosure is provided in electronic form

Contributor Name	Recipient Name	Date	Dollar Amount
			$

Certification of Non-Involvement in Prohibited Activities in Iran

Pursuant to N.J.S.A. 52:32-58, Offerors must certify that neither the Offeror, nor any of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32 – 56(e) (3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32 – 56(f).

Offerors wishing to do business in New Jersey through this contract must fill out the Certification of Non-Involvement in Prohibited Activities in Iran here: http://www.state.nj.us/humanservices/dfd/info/standard/fdc/disclosure_investmentact.pdf.

Offerors should submit the above form completed with their proposal.

DOC #7

NEW JERSEY BUSINESS REGISTRATION CERTIFICATE
(N.J.S.A. 52:32-44)

Offerors wishing to do business in New Jersey must submit their State Division of Revenue issued Business Registration Certificate with their proposal here. Failure to do so will disqualify the Offeror from offering products or services in New Jersey through any resulting contract.

http://www.state.nj.us/treasury/revenue/forms/njreg.pdf

OMNIA PARTNERS EXHIBITS
EXHIBIT H- OMNIA PARTNERS ADVERTISING COMPLIANCE REQUIREMENT

Pursuant to certain state notice provisions, including but not limited to Oregon Revised Statutes Chapter 279A.220, the following public agencies and political subdivisions of the referenced public agencies are eligible to register with OMNIA Partners and access the Master Agreement contract award made pursuant to this solicitation, and are hereby given notice of the foregoing request for proposals for purposes of complying with the procedural requirements of said statutes:

Nationwide:

State of Alabama	State of Hawaii	State of Massachusetts	State of New Mexico	State of South Dakota
State of Alaska	State of Idaho	State of Michigan	State of New York	State of Tennessee
State of Arizona	State of Illinois	State of Minnesota	State of North Carolina	State of Texas
State of Arkansas	State of Indiana	State of Mississippi	State of North Dakota	State of Utah
State of California	State of Iowa	State of Missouri	State of Ohio	State of Vermont
State of Colorado	State of Kansas	State of Montana	State of Oklahoma	State of Virginia
State of Connecticut	State of Kentucky	State of Nebraska	State of Oregon	State of Washington
State of Delaware	State of Louisiana	State of Nevada	State of Pennsylvania	State of West Virginia
State of Florida	State of Maine	State of New Hampshire	State of Rhode Island	State of Wisconsin
State of Georgia	State of Maryland	State of New Jersey	State of South Carolina	State of Wyoming
District of Columbia				

Lists of political subdivisions and local governments in the above referenced states / districts may be found at http://www.usa.gov/Agencies/State_and_Territories.shtml and https://www.usa.gov/local-governments.

Request for Proposal
for
001218-May2019

BASIC DETAILS

Event Name
RFP - Office Furniture - UC Systemwide - JULY182019

Description
Solicitation directed to the manufactures of Office Furniture, with the capability/structure to supply product and services to all UCs in one of the following capacities; 1) Broad line supplier (all major categories); 2) Architectural elements; 3) Fixed Seating and Higher Education Furniture. In addition, as it pertains to this solicitation, the UC will serve as a lead agency for OMNIA Partners (GPO), allowing for awards to be extended nationally to other public entities.

STRATEGIC SOURCING

OFFICE OF THE PRESIDENT
1111 Franklin Street. 10th Floor
Oakland, California 94607-5200

DATE: October 25, 2021

TO: Whom It May Concern

FROM: Sean Parker
Acting Associate Director
University of California

SUBJECT: RFP # 001218 Office Furniture and Related Services Evaluation Summary

The University of California, Facilities and Capital Programs Center of Excellence issued RFP # 001218 for Office Furniture and Related Services on July 18th, 2019. Proposals were issued and received within the University of California's e-sourcing platform, CalUsource. Because of this e-sourcing platform, a solicitation at the University of California is made up of multiple documents in various formats and might appear as many combined documents instead of a single RFP document. Proposal were opened on August 21st, 2019 by 3:00PM PST in the University of California's e-procurement platform, CalUsource, from the following suppliers:

- Allsteel Inc.
- Knoll Inc
- Herman Miller Inc.
- Steelcase Inc.
- Kimball Office Inc.
- Krueger International Inc
- Haworth
- The HON Company LLC
- Teknion LLC
- Office Depot

The solicitation was evaluated based on the following evaluation criteria: (Must match the RFP)

- Program Pricing/Cost (30%)
- Company Profile/ General Capabilities (23%)
- Services (17%)
- Pricing Terms and Product (16%)
- Sustainability (14%)

The Evaluation Committee reviewed, evaluated, and scored response based on the evaluation criteria. The scoring of the Evaluation Committee was then combined into a weighted average with the final proposal tabulation scoring resulting in:

Supplier	Herman Miller	Teknion	Steelcase	Allsteel	Kimball
Score (7500 total)	5624	5078	6232	4907	5295
Rank	2	4	1	5	3

Based on the final tabulation. The following suppliers were sent intent to award letters and began negotiations with the University of California with the intent to get to a final contract:

- Herman Miller
- Kimball
- Steelcase

As a result of negotiations, all three firms were award the following contracts for Office Furniture and Related Services:

Supplier	Contract #	Term
Herman Miller	2019.001890	May 28, 2020 – April 30, 2024
Kimball	2019.001896	May 20, 2020 – April 30, 2024
Steelcase	2019.001899	May 21, 2020 – April 30, 2024

with the options to renew the Agreements for five (5) successive years (Renewal Term), exercised individually, in combinations, and/or as a single block of 5 years.

Sincerely,

Sean Parker
Acting Associate Director
Center of Excellence University of California Office of the President

END OF EXHIBIT E

Request for Proposal (RFP) for Furniture

Solicitation Number: 24-22

Publication Date: Tuesday, June 7th, 2022

Notice to Respondent:

Submittal Deadline: Thursday, July 21st, 2022 2:00 pm CST

Questions regarding this solicitation must be submitted to questions@ncpa.us no later than Thursday, July 14th 2022. All questions and answers will be posted to http://www.ncpa.us/solicitations.

It is the intention of Region 14 Education Service Center (herein "Region 14 ESC") to establish a Master Agreement for Furniture for use by Region 14 ESC and other public agencies supported under this contract. This Request for Proposal is issued on behalf of the National Cooperative Purchasing Alliance through a public agency clause, which provides that any county, city, special district, local government, school district, private K-12 school, higher education institution, state, other government agency, healthcare organization or nonprofit organization may purchase Products and Services through this contract. Respondents will be required to execute the NCPA Administration Agreement upon award.

This contract will allow agencies to purchase on an "as needed" basis from a competitively awarded contract. Respondents are requested to submit their total line of available products and services. While this solicitation specifically covers Furniture, respondents are encouraged to submit an offering on any or and all products and services available that they currently perform in their normal course of business.

Responses shall be received electronically no later than the submittal deadline via our online Bonfire portal at ncpa.bonfirehub.com

Immediately following the deadline, all responses will be publicly opened and the respondents recorded. Any response received later than the specified deadline will be disqualified.

Responses will remain sealed by our online Bonfire portal until the bid opening time specified. Responses received outside our online Bonfire portal will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise. Proposal may be rejected for failure to comply with the requirements set forth in this invitation.

Competitive Solicitation by

Region 14 Education Service Center

For

Furniture

On behalf of itself and other Government Agencies

And made available through the

National Cooperative Purchasing Alliance

RFP # 24-22

National Cooperative Purchasing Alliance

Introduction / Scope

- Region 14 ESC on behalf of itself and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and non-profit organizations (herein "Public Agency" or collectively "Public Agencies") is soliciting proposals from qualified vendors to enter into a Master Agreement for a complete line of Furniture.

- Region 14 ESC, as the lead public agency, has partnered with NCPA to make the resultant contract available to all participating agencies in the United States. NCPA provides marketing and administrative support for the awarded vendor that promotes the successful vendor's products and services to Public Agencies nationwide. The Vendor will execute the NCPA Administration Agreement (Tab 2) upon award. Vendor should thoroughly review all documents and note any exceptions to NCPA terms and conditions in their proposal.

- Awarded vendor(s) shall perform covered product or services under the terms of this agreement. Respondents shall provide pricing based on a discount from their standard pricing schedules for products and/or services offered. Electronic Catalog and/or price lists must accompany the proposal. Multiple percentage discount structure is also acceptable. Please specify where different percentage discounts apply. Additional pricing and/or discounts may be included.

- Each product or service proposed is to be priced separately with all ineligible items identified. Services may be awarded to multiple vendors. Respondents may elect to limit their proposals to a single product or service within any category, or multiple products or services within any and all categories.

- National Cooperative Purchasing Alliance (NCPA)
  - The National Cooperative Purchasing Alliance (herein "NCPA") assists public agencies to increase their efficiency and reduce their costs when procuring goods and services. This is accomplished by awarding competitively solicited contracts that are leveraged nationally by combining the volumes and purchasing power of entities nationwide. Our contracts are available for use by any entity that complies with procurement laws and regulations.

- It is the intention of Region 14 ESC and NCPA to achieve the following objectives through this RFP.
  - Provide a comprehensive competitively solicited Master Agreement offering Products and Services to Public Agencies;
  - Achieve cost savings of Vendors and Public Agencies through a single competitive solicitation process that eliminates the need for multiple proposals;
  - Combine the purchasing power of Public Agencies to achieve cost effective pricing;
  - Reduce the administrative and overhead costs of Vendors and Public Agencies through state of the art purchasing procedures.

Instructions to Respondents

- Submission of Response
  - Only responses received via our online Bonfire portal will be accepted. Faxed or mailed responses will not be accepted.
  - Responses may be submitted on any or all items, unless stated otherwise. Region 14 ESC reserves the right to reject or accept any response.
  - Deviations to the terms, conditions and/or specifications shall be conspicuously noted in writing by the respondent and shall be included with the response.
  - Withdrawal of response will not be allowed for a period of 120 days following the opening. Pricing will remain firm for 120 days from submittal.

- Public Bid Opening
  - The public bid opening will be held via Zoom meeting. Interested parties who wish to attend the bid opening should email contracts@ncpa.us by 4:00 pm the day before the bid opening date to receive an invitation.

- Required Proposal Format
  - Responses shall be provided electronically via our online Bonfire portal. Tabs should be used to separate the proposal into sections, as identified below. Respondents failing to organize in the manner listed may be considered non-responsive and may not be evaluated. It's recommended that all tabs, with the exception of Tab 7 (Pricing), be submitted in Portable Document Format (PDF). Please note pricing can be submitted separately in a alternate format (e.g. xlsx, xls, csv).

- Tabs
  - Tab 1 – Master Agreement / Signature Form
  - Tab 2 – NCPA Administration Agreement
  - Tab 3 – Vendor Questionnaire
  - Tab 4 – Vendor Profile
  - Tab 5 – Products and Services / Scope
  - Tab 6 - References
  - Tab 7 - Pricing
  - Tab 8 – Value Added Products and Services
  - Tab 9 – Innovation
  - Tab 10 – Required Documents

Tab 1 – Master Agreement
General Terms and Conditions

- Customer Support
  - The vendor shall provide timely and accurate technical advice and sales support. The vendor shall respond to such requests within one (1) working day after receipt of the request.

- Disclosures
  - Respondent affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.
  - The respondent affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

- Renewal of Contract
  - Unless otherwise stated, all contracts are for a period of three (3) years with an option to renew for up to five (5) additional one-year terms or any combination of time equally not more than 5 years if agreed to by Region 14 ESC and the vendor.

- Funding Out Clause
  - Any/all contracts exceeding one (1) year shall include a standard "funding out" clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity's current revenue only, provided the contract contains either or both of the following provisions:
  - Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract.

- Shipments (if applicable)
  - The awarded vendor shall ship ordered products within seven (7) working days for goods available and within four (4) to six (6) weeks for specialty items after the receipt of the order unless modified. If a product cannot be shipped within that time, the awarded vendor shall notify the entity placing the order as to why the product has not shipped and shall provide an estimated shipping date. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.
- Tax Exempt Status
  - Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the vendor.

- Payments
  - The entity using the contract will make payments directly to the awarded vendor or their affiliates (distributors/business partners/resellers) as long as written request and approval by NCPA is provided to the awarded vendor.

- Adding authorized distributors/dealers

  - Awarded vendors may submit a list of distributors/partners/resellers to sell under their contract throughout the life of the contract. Vendor must receive written approval from NCPA before such distributors/partners/resellers considered authorized.
  - Purchase orders and payment can only be made to awarded vendor or distributors/business partners/resellers previously approved by NCPA.
  - Pricing provided to members by added distributors or dealers must also be less than or equal to the pricing offered by the awarded contract holder.
  - All distributors/partners/resellers are required to abide by the Terms and Conditions of the vendor's agreement with NCPA.

- Pricing

  - <u>All pricing submitted shall include the administrative fee to be remitted to NCPA by the awarded vendor.</u> It is the awarded vendor's responsibility to keep all pricing up to date and on file with NCPA.
  - All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing

- Warranty
  - Proposal should address the following warranty information:
    - Applicable warranty and/or guarantees of equipment and installations including any conditions and response time for repair and/or replacement of any components during the warranty period.
    - Availability of replacement parts
    - Life expectancy of equipment under normal use
    - Detailed information as to proposed return policy on all equipment
  - Products
    - Vendor shall provide equipment, materials and products that are new unless otherwise specified, of good quality and free of defects
  - Construction
    - Vendor shall perform services in a good and workmanlike manner and in accordance with industry standards for the service provided.

- Safety
  - Vendors performing services shall comply with occupational safety and health rules and regulations. Also all vendors and subcontractors shall be held responsible for the safety of their employees and any conditions that may cause injury or damage to persons or property.

- Permits
  - Since this is a national contract, knowing the permit laws in each state is the sole responsibility of the vendor.
- Indemnity
  - The awarded vendor shall protect, indemnify, and hold harmless Region 14 ESC and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the vendor, vendor employees or vendor subcontractors in the preparation of the solicitation and the later execution of the contract.

- Franchise Tax
  - The respondent hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.

- Supplemental Agreements
  - The entity participating in this contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor.

- Certificates of Insurance
  - Certificates of insurance shall be delivered to the Public Agency prior to commencement of work. The insurance company shall be licensed in the applicable state in which work is being conducted. The awarded vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. The awarded vendor shall require all subcontractors performing any work to maintain coverage as specified.

- Legal Obligations
  - It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.
- Protest
  - A protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm CST. Protests shall be filed with Region 14 ESC and shall include the following:
    - Name, address and telephone number of protester
    - Original signature of protester or its representative
    - Identification of the solicitation by RFP number
    - Detailed statement of legal and factual grounds including copies of relevant documents and the form of relief requested

- Any protest review and action shall be considered final with no further formalities being considered.

- Force Majeure

  - If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.
  - The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders and regulation of any kind of government of the United States or any civil or military authority; insurrections; riots; epidemics; pandemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

- Prevailing Wage

  - It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser. It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

- Termination

  - Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

- Open Records Policy
  - Because Region 14 ESC is a governmental entity responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition,

the respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).

- The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 14 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the respondent are not acceptable. Region 14 ESC must comply with the opinions of the OAG. Region14 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. Respondent are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Process

Region 14 ESC will evaluate proposals in accordance with, and subject to, the relevant statutes, ordinances, rules, and regulations that govern its procurement practices. NCPA will assist Region 14 ESC in evaluating proposals. Award(s) will be made to the prospective vendor whose response is determined to be the most advantageous to Region 14 ESC, NCPA, and its participating agencies. To qualify for evaluation, response must have been submitted on time, and satisfy all mandatory requirements identified in this document.

- Contract Administration
  - The contract will be administered by Region 14 ESC. The National Program will be administered by NCPA on behalf of Region 14 ESC.
- Contract Term
  - The contract term will be for three (3) year starting from the date of the award. The contract may be renewed for up to five (5) additional one-year terms or any combination of time equally not more than 5 years.
  - It should be noted that maintenance/service agreements may be issued for up to (5) years under this contract even if the contract only lasts for the initial term of the contract. NCPA will monitor any maintenance agreements for the term of the agreement provided they are signed prior to the termination or expiration of this contract.
- Contract Waiver
  - Any waiver of any provision of this contract shall be in writing and shall be signed by the duly authorized agent of Region 14 ESC. The waiver by either party of any term or condition of this contract shall not be deemed to constitute waiver thereof nor a waiver of any further or additional right that such party may hold under this contract.
- Price Increases
  - Should it become necessary, price increase requests may be submitted at any point during the term of the contract by written amendment. Included with the request must be documentation and/or formal cost justification for these changes. Requests will be formally reviewed, and if justified, the amendment will be approved.
- Products and Services Additions
  - New Products and/or Services may be added to the resulting contract at any time during the term by written amendment, to the extent that those products and/or services are within the scope of this RFP.
- Competitive Range
  - It may be necessary for Region 14 ESC to establish a competitive range. Responses not in the competitive range are unacceptable and do not receive further award consideration.
- Deviations and Exceptions
  - Deviations or exceptions stipulated in response may result in disqualification. It is the intent of Region 14 ESC to award a vendor's complete line of products and/or services, when possible.
- Estimated Quantities

- While no minimum volume is guaranteed, the estimated (but not limited to) annual volume for Products and Services purchased under the proposed Master Agreement is $150 million dollars annually. This estimate is based on the anticipated volume of Region 14 ESC and current sales within the NCPA program.

- Evaluation
  - Region 14 ESC will review and evaluate all responses in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices. NCPA will assist the lead agency in evaluating proposals. Recommendations for contract awards will be based on multiple factors, each factor being assigned a point value based on its importance.
- Formation of Contract
  - A response to this solicitation is an offer to contract with Region 14 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation does not become a contract until it is accepted by Region 14 ESC. The prospective vendor must submit a signed Signature Form with the response thus, eliminating the need for a formal signing process. Contract award letter issued by Region 14 ESC is the counter-signature document establishing acceptance of the contract.
- NCPA Administrative Agreement
  - The vendor will be required to enter and execute the National Cooperative Purchasing Alliance Administration Agreement with NCPA upon award with Region 14 ESC. The agreement establishes the requirements of the vendor with respect to a nationwide contract effort.
- Clarifications / Discussions
  - Region 14 ESC may request additional information or clarification from any of the respondents after review of the proposals received for the sole purpose of elimination minor irregularities, informalities, or apparent clerical mistakes in the proposal. Clarification does not give respondent an opportunity to revise or modify its proposal, except to the extent that correction of apparent clerical mistakes results in a revision. After the initial receipt of proposals, Region 14 ESC reserves the right to conduct discussions with those respondent's whose proposals are determined to be reasonably susceptible of being selected for award. Discussions occur when oral or written communications between Region 14 ESC and respondent's are conducted for the purpose clarifications involving information essential for determining the acceptability of a proposal or that provides respondent an opportunity to revise or modify its proposal. Region 14 ESC will not assist respondent bring its proposal up to the level of other proposals through discussions. Region 14 ESC will not indicate to respondent a cost or price that it must meet to neither obtain further consideration nor will it provide any information about other respondents' proposals or prices.

- Multiple Awards
  - Multiple Contracts may be awarded as a result of the solicitation. Multiple Awards will ensure that any ensuing contracts fulfill current and future requirements of the diverse and large number of participating public agencies.

- Past Performance
  - Past performance is relevant information regarding a vendor's actions under previously awarded contracts; including the administrative aspects of performance; the vendor's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the vendor's businesslike concern for the interests of the customer.

Evaluation Criteria

- Pricing (40 points)
  - Electronic Price Lists
    - Products, Services, Warranties, etc. price list
    - Prices listed will be used to establish both the extent of a vendor's product lines, services, warranties, etc. available from a particular bidder and the pricing per item.

- Ability to Provide and Perform the Required Services for the Contract (25 points)
  - Product Delivery within participating entities specified parameters
  - Number of line items delivered complete within the normal delivery time as a percentage of line items ordered.
  - Vendor's ability to perform towards above requirements and desired specifications.
  - Past Cooperative Program Performance
  - Quantity of line items available that are commonly purchased by the entity.
  - Quality of line items available compared to normal participating entity standards.

- References and Experience (15 points)
  - A minimum of ten (10) public sector references for product and/or services of similar scope dating within past 3 years
  - Respondent Reputation in marketplace
  - Past Experience working with public sector.
  - Exhibited understanding of cooperative purchasing

- Value Added Products/Services Description, (10 points)
  - Additional Products/Services related to the scope of RFP
  - Marketing and Training
  - Minority and Women Business Enterprise (MWBE) and (HUB) Participation
  - Customer Service

- Innovation (10 points)
  - Past Innovation, how it affected sales
  - Future Innovation in the pipeline

Signature Form

The undersigned hereby proposes and agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing. The undersigned further certifies that he/she is an officer of the company and has authority to negotiate and bind the company named below and has not prepared this bid in collusion with any other Respondent and that the contents of this proposal as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any person engaged in this type of business prior to the official opening of this proposal.

Tab 2 – NCPA Administration Agreement

This Administration Agreement is made as of _____, by and between National Cooperative Purchasing Alliance ("NCPA") and _____ ("Vendor").

Recitals

WHEREAS, Region 14 ESC has entered into a certain Master Agreement dated _____, referenced as Contract Number _____, by and between Region 14 ESC and Vendor, as may be amended from time to time in accordance with the terms thereof (the "Master Agreement"), for the purchase of Furniture;

WHEREAS, said Master Agreement provides that any state, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution, other government agency or nonprofit organization (hereinafter referred to as "public agency" or collectively, "public agencies") may purchase products and services at the prices indicated in the Master Agreement;

WHEREAS, NCPA has the administrative and legal capacity to administer purchases under the Master Agreement to public agencies;

WHEREAS, NCPA serves as the administrative agent for Region 14 ESC in connection with other master agreements offered by NCPA

WHEREAS, Region 14 ESC desires NCPA to proceed with administration of the Master Agreement;

WHEREAS, NCPA and Vendor desire to enter into this Agreement to make available the Master Agreement to public agencies on a national basis;

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, NCPA and Vendor hereby agree as follows:

- General Terms and Conditions
  - The Master Agreement, attached hereto as Tab 1 and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.
  - NCPA shall be afforded all of the rights, privileges and indemnifications afforded to Region 14 ESC under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to NCPA under this Agreement including, but not limited to, the Vendor's obligation to provide appropriate insurance and certain indemnifications to Region 14 ESC.
  - Vendor shall perform all duties, responsibilities and obligations required under the Master Agreement in the time and manner specified by the Master Agreement.
  - NCPA shall perform all of its duties, responsibilities, and obligations as administrator of purchases under the Master Agreement as set forth herein, and Vendor acknowledges that NCPA shall act in the capacity of administrator of purchases under the Master Agreement.
  - With respect to any purchases made by Region 14 ESC or any Public Agency pursuant to the Master Agreement, NCPA (a) shall not be construed as a dealer, re-marketer, representative, partner, or agent of any type of Vendor, Region 14 ESC, or such Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Region

14 ESC, any Public Agency or any employee of Region 14 ESC or Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by the Public Agency to (i) comply with procedures or requirements of applicable law, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. NCPA makes no representations or guaranties with respect to any minimum purchases required to be made by Region 14 ESC, any Public Agency, or any employee of Region 14 ESC or Public Agency under this Agreement or the Master Agreement.

- The Public Agency participating in the NCPA contract and Vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the Public Agency and Vendor. NCPA, its agents, members and employees shall not be made party to any claim for breach of such agreement.

- Term of Agreement
  - This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the obligation to pay all amounts owed by Vendor to NCPA through the termination of this Agreement and all indemnifications afforded by Vendor to NCPA shall survive the term of this Agreement.

- Fees and Reporting
  - The awarded vendor shall electronically provide NCPA with a detailed quarterly report showing the dollar volume of all sales under the contract for the previous quarter. Reports are due on the fifteenth (15th) day after the close of the previous quarter. It is the responsibility of the awarded vendor to collect and compile all sales under the contract from participating members and submit one (1) report. The report shall include at least the following information as listed in the example below:

Entity Name	Zip Code	State	PO or Job #	Sale Amount

Total _____

  - Each quarter NCPA will invoice the vendor based on the total of sale amount(s) reported. From the invoice the vendor shall pay to NCPA an administrative fee based upon the tiered fee schedule below. Vendor's annual sales shall be measured on a calendar year basis. Deadline for term of payment will be included in the invoice NCPA provides.

Annual Sales Through Contract	Administrative Fee
0 - $30,000,000	2%
$30,000,001 - $50,000,000	1.5%
$50,000,001+	1%

- Supplier shall maintain an accounting of all purchases made by Public Agencies under the Master Agreement. NCPA and Region 14 ESC reserve the right to audit the accounting for a period of four (4) years from the date NCPA receives the accounting. In the event of such an audit, the requested materials shall be provided at the location designated by Region 14 ESC or NCPA. In the event such audit reveals an under reporting of Contract Sales and a resulting underpayment of administrative fees, Vendor shall promptly pay NCPA the amount of such underpayment, together with interest on such amount and shall be obligated to reimburse NCPA's costs and expenses for such audit.

- General Provisions
  - This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.
  - Awarded vendor agrees to allow NCPA to use their name and logo within website, marketing materials and advertisement. Any use of NCPA name and logo or any form of publicity regarding this contract by awarded vendor must have prior approval from NCPA.
  - If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any administrative fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.
  - Neither this Agreement nor any rights or obligations hereunder shall be assignable by Vendor without prior written consent of NCPA, provided, however, that the Vendor may, without such written consent, assign this Agreement and its rights and delegate its obligations hereunder in connection with the transfer or sale of all or substantially all of its assets or business related to this Agreement, or in the event of its merger, consolidation, change in control or similar transaction. Any permitted assignee shall assume all assigned obligations of its assignor under this Agreement.
  - This Agreement and NCPA's rights and obligations hereunder may be assigned at NCPA's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform NCPA's obligations hereunder
  - All written communications given hereunder shall be delivered to the addresses as set forth below.

Tab 3 – Vendor Questionnaire

Please provide responses to the following questions that address your company's operations, organization, structure, and processes for providing products and services.

- States Covered
  - Bidder must indicate any and all states where products and services can be offered.
  - Please indicate the price co-efficient for each state if it varies.

☐ **50 States & District of Columbia** (Selecting this box is equal to checking all boxes below)

☐ Alabama	☐ Maryland	☐ South Carolina
☐ Alaska	☐ Massachusetts	☐ South Dakota
☐ Arizona	☐ Michigan	☐ Tennessee
☐ Arkansas	☐ Minnesota	☐ Texas
☐ California	☐ Mississippi	☐ Utah
☐ Colorado	☐ Missouri	☐ Vermont
☐ Connecticut	☐ Montana	☐ Virginia
☐ Delaware	☐ Nebraska	☐ Washington
☐ District of Columbia	☐ Nevada	☐ West Virginia
☐ Florida	☐ New Hampshire	☐ Wisconsin
☐ Georgia	☐ New Jersey	☐ Wyoming
☐ Hawaii	☐ New Mexico	
☐ Idaho	☐ New York	
☐ Illinois	☐ North Carolina	
☐ Indiana	☐ North Dakota	
☐ Iowa	☐ Ohio	
☐ Kansas	☐ Oklahoma	
☐ Kentucky	☐ Oregon	
☐ Louisiana	☐ Pennsylvania	
☐ Maine	☐ Rhode Island	

☐ **All US Territories and Outlying Areas** (Selecting this box is equal to checking all boxes below)

☐ American Somoa
☐ Federated States of Micronesia
☐ Guam
☐ Midway Islands
☐ Northern Marina Islands
☐ Puerto Rico
☐ U.S. Virgin Islands

- Minority and Women Business Enterprise (MWBE) and (HUB) Participation
  - It is the policy of some entities participating in NCPA to involve minority and women business enterprises (MWBE) and historically underutilized businesses (HUB) in the purchase of goods and services. Respondents shall indicate below whether or not they are an M/WBE or HUB certified.
    - Minority / Women Business Enterprise
      - Respondent Certifies that this firm is a M/WBE ☐
    - Historically Underutilized Business
      - Respondent Certifies that this firm is a HUB ☐
- Residency
  - Responding Company's principal place of business is in the city of _____, State of _____
- Felony Conviction Notice
  - Please Check Applicable Box;
    - ☐ A publically held corporation; therefore, this reporting requirement is not applicable.
    - ☐ Is not owned or operated by anyone who has been convicted of a felony.
    - ☐ Is owned or operated by the following individual(s) who has/have been convicted of a felony
  - If the 3rd box is checked, a detailed explanation of the names and convictions must be attached.
- Distribution Channel
  - Which best describes your company's position in the distribution channel:
    - ☐ Manufacturer Direct
    - ☐ Authorized Distributor
    - ☐ Value-added reseller
    - ☐ Certified education/government reseller
    - ☐ Manufacturer marketing through reseller
    - ☐ Other: _____
- Processing Information
  - Provide company contact information for the following:
    - Sales Reports / Accounts Payable

      Contact Person: _____
      Title: _____
      Company: _____
      Address: _____
      City: _____ State: _____ Zip: _____
      Phone: _____ Email: _____

- Purchase Orders

  Contact Person: _____
  Title: _____
  Company: _____
  Address: _____
  City: _____ State: _____ Zip: _____
  Phone: _____ Email: _____

- Sales and Marketing

  Contact Person: _____
  Title: _____
  Company: _____
  Address: _____
  City: _____ State: _____ Zip: _____
  Phone: _____ Email: _____

- Pricing Information
  - In addition to the current typical unit pricing furnished herein, the Vendor agrees to offer all future product introductions at prices that are proportionate to Contract Pricing.
    - If answer is no, attach a statement detailing how pricing for NCPA participants would be calculated for future product introductions.

    ☐ Yes ☐ No
  - Pricing submitted includes the required NCPA administrative fee. The NCPA fee is calculated based on the invoice price to the customer.

    ☐ Yes ☐ No

- Cooperatives
  - List any other cooperative or state contracts currently held or in the process of securing.

Cooperative/State Agency	Discount Offered	Expires	Annual Sales Volume

Tab 4 – Vendor Profile

Please provide the following information about your company:

- Company's official registered name.
- Brief history of your company, including the year it was established.
- Company's Dun & Bradstreet (D&B) number.
- Company's organizational chart of those individuals that would be involved in the contract.
- Corporate office location.
  - List the number of sales and services offices for states being bid in solicitation.
  - List the names of key contacts at each with title, address, phone and e-mail address.
- Define your standard terms of payment.
- Who is your competition in the marketplace?
- Provide Annual Sales for last 3 years broken out into the following categories:
  - Cities / Counties
  - K-12
  - Higher Education
  - Other government agencies or nonprofit organizations
- Provide the revenue that your organization anticipates each year for the first three (3) years of this agreement.

  $_____ in year one

  $_____ in year two

  $_____ in year three

- What differentiates your company from competitors?
- Describe how your company will market this contract if awarded.
- Describe how you intend to introduce NCPA to your company.
- Describe your firm's capabilities and functionality of your on-line catalog / ordering website.
- Describe your company's Customer Service Department (hours of operation, number of service centers, etc.)

- Green Initiatives (if applicable)
  - As our business grows, we want to make sure we minimize our impact on the Earth's climate. We are taking every step we can to implement innovative and responsible environmental practices throughout NCPA to reduce our carbon footprint, reduce waste, energy conservation, ensure efficient computing and much more. To that effort we ask respondents to provide their companies environmental policy and/or green initiative.

- Anti-Discrimination Policy (if applicable)
  - Describe your organizations' anti-discrimination policy.

- Vendor Certifications (if applicable)
  - Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing respondent to perform the covered services including, but not limited to, licenses, registrations, or certifications. Certifications can include M/WBE, HUB, and manufacturer certifications for sales and service.

Tab 5 – Products and Services

- Respondent shall perform and provide these products and/or services under the terms of this agreement. The supplier shall assist the end user with making a determination of their individual needs.
- Warranty
  - Proposal should address the following warranty information:
    - Applicable warranty and/or guarantees of equipment and installations including any conditions and response time for repair and/or replacement of any components during the warranty period.
    - Availability of replacement parts
    - Life expectancy of equipment under normal use
    - Detailed information as to proposed return policy on all equipment
  - Products
    - Vendor shall provide equipment, materials and products that are new unless otherwise specified, of good quality and free of defects
  - Construction
    - Vendor shall perform services in a good and workmanlike manner and in accordance with industry standards for the service provided.
- The following is a list of suggested (but not limited to) Furniture categories. List all categories along with manufacturer that you are responding with:

  - Ancillary Furniture Products
  - Audio / Visual Furniture
  - Auditoriums and Theaters
  - Cafeteria
  - Classroom / Educational / Dormitory
  - Conference or Breakroom / Training
  - Healthcare / Medical / Therapy Practices
  - Highmark
  - Lactation Rooms and Furniture Pods
  - Library
  - Lighting
  - Lounge / Reception
  - Office
  - Outdoor
  - Science Lab
  - Seating / Chairs
  - Tables / Meeting Conference Room
  - Work Stations

Tab 6 – References

- Provide at least ten (10) public sector references for products and/or services of similar scope dating within the past three (3) years. Please provide a range of references across all eligible government entity groups including K-12, higher education, city, county, or non-profit entities.

- All references should include the following information from the entity:
  - Entity Name
  - Contact Name and Title
  - City and State
  - Phone
  - Years Serviced
  - Description of Services
  - Annual Volume

- NCPA also accepts Procurated review scores to evaluate relationships with their customers. Vendors without a current Procurated score will be rated based solely on the references provided, and will not be penalized for lack of Procurated scoring. To find out your company's Procurated score please go to https://www.procurated.com.

Tab 7 – Pricing

- Please submit price list electronically via our online Bonfire portal (pricing can be submitted as Discount off MSRP, cost plus, etc). Products, services, warranties, etc. should be included in price list. Prices submitted will be used to establish the extent of a respondent's products and services (Tab 5) that are available and also establish pricing per item.

- Price lists must contain the following:
  - Product name and part number (include both manufacturer part number and respondent part number if different from manufacturers).
  - Description
  - Vendor's List Price
  - Percent Discount to NCPA participating entities

- Not To Exceed Pricing
  - NCPA requests pricing be submitted as "not to exceed pricing" for any participating entity.
  - The awarded vendor can adjust submitted pricing lower but cannot exceed original pricing submitted for solicitation.
  - NCPA requests that vendor honor lower pricing for similar size and scope purchases to other members.

Tab 8 – Value Added Products and Services

- Include any additional products and/or services available that vendor currently performs in their normal course of business that is not included in the scope of the solicitation that you think will enhance and add value to this contract for Region 14 ESC and all NCPA participating entities.

Tab 9 – Innovation

- Please provide details of your most recent innovation and how it affected sales in the public sector.
    - New categories
    - New fabrics and finishes
    - New ergonomics
    - New safety features
    - New performance enhancement
    - Other
- Please outline your timeline for future innovation.
    - New categories
    - New fabrics and finishes
    - New ergonomics
    - New safety features
    - New performance enhancement
    - Other

Tab 10 – Required Documents

- Federal Funds Certifications
- Clean Air and Water Act & Debarment Notice
- Contractors Requirements
- Antitrust Certification Statements
- Required Clauses for Federal Assistance by FTA
- State Notice Addendum

Federal Funds Certifications

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

- Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency and Offeror reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

- Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

- Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions
- Any Participating Agency will include any current and applicable prevailing wage determination in each issued solicitation and provide Offeror with any required documentation and/or forms that must be completed by Offeror to remain in compliance the applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants,

Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

- Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended— Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

- Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

- Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in

compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and all subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.334. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.334 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Participating Agencies will clearly identify whether Buy America Provisions apply in any issued solicitation. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

CERTIFICATION OF ACCESS TO RECORDS

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any non-financial documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents. This right of access will last only as long as the records are retained.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted in the pages above. It is further acknowledged that offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances as applicable.

Contractor Requirements

Contractor Certification
Contractor's Employment Eligibility

By entering the contract, Contractor warrants compliance with the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations. The Contractor further warrants that it is in compliance with the various state statues of the states it is will operate this contract in.

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

The offeror complies and maintains compliance with the appropriate statutes which requires compliance with federal immigration laws by State employers, State contractors and State subcontractors in accordance with the E-Verify Employee Eligibility Verification Program.

Contractor shall comply with governing board policy of the NCPA Participating entities in which work is being performed

Fingerprint & Background Checks

If required to provide services on school district property at least five (5) times during a month, contractor shall submit a full set of fingerprints to the school district if requested of each person or employee who may provide such service. Alternately, the school district may fingerprint those persons or employees. An exception to this requirement may be made as authorized in Governing Board policy. The district shall conduct a fingerprint check in accordance with the appropriate state and federal laws of all contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the district. Contractor, subcontractors, vendors and their employees shall not provide services on school district properties until authorized by the District.

The offeror shall comply with fingerprinting requirements in accordance with appropriate statutes in the state in which the work is being performed unless otherwise exempted.

Contractor shall comply with governing board policy in the school district or Participating Entity in which work is being performed

Business Operations in Sudan, Iran

In accordance with A.R.S. 35-391 and A.R.S. 35-393, the Contractor hereby certifies that the contractor does not have scrutinized business operations in Sudan and/or Iran.

Required Clauses for Federal Assistance provided by FTA

ACCESS TO RECORDS AND REPORTS

Contractor agrees to:

a) Maintain all non-financial books, records, accounts and reports required under this Contract for a period of not less than two (2) years after the date of termination or expiration of this Contract or any extensions thereof except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case Contractor agrees to maintain same until the FTA Administrator, the U.S. DOT Office of the Inspector General, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

b) Permit any of the foregoing parties to inspect all non-financial work, materials, and other data and records that pertain to the Project, and to audit the non-financial books, records, and accounts that pertain to the Project and to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed for the purpose of audit and examination. The right of access detailed in this section continues only as long as the records are retained.

FTA does not require the inclusion of these requirements of Article 1.01 in subcontracts.

CIVIL RIGHTS / TITLE VI REQUIREMENTS

1) Non-discrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, Section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, Section 202 of the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12132, and Federal Transit Law at 49 U.S.C. § 5332, Contractor or subcontractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, marital status age, or disability. In addition, Contractor agrees to comply with applicable Federal implementing regulations and other applicable implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

2) Equal Employment Opportunity. The following Equal Employment Opportunity requirements apply to this Contract:

   a. Race, Color, Creed, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal Transit Law at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable Equal Employment Opportunity requirements of U.S. Dept. of Labor regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor, 41 CFR, Parts 60 et seq., and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may affect construction activities undertaken in the course of this Project. Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, marital status, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

   b. Age. In accordance with the Age Discrimination in Employment Act (ADEA) of 1967, as amended, 29 U.S.C. Sections 621 through 634, and Equal Employment Opportunity Commission (EEOC)

implementing regulations, "Age Discrimination in Employment Act", 29 CFR Part 1625, prohibit employment discrimination by Contractor against individuals on the basis of age, including present and prospective employees. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

c. Disabilities. In accordance with Section 102 of the Americans with Disabilities Act of 1990, as amended (ADA), 42 U.S.C. Sections 12101 *et seq.*, prohibits discrimination against qualified individuals with disabilities in programs, activities, and services, and imposes specific requirements on public and private entities. Contractor agrees that it will comply with the requirements of the Equal Employment Opportunity Commission (EEOC), "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 CFR, Part 1630, pertaining to employment of persons with disabilities and with their responsibilities under Titles I through V of the ADA in employment, public services, public accommodations, telecommunications, and other provisions.

d. Segregated Facilities. Contractor certifies that their company does not and will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not and will not permit their employees to perform their services at any location under the Contractor's control where segregated facilities are maintained. As used in this certification the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion or national origin because of habit, local custom, or otherwise. Contractor agrees that a breach of this certification will be a violation of this Civil Rights clause.

3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding or negotiation, made by Contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligations under this Contract and the regulations relative to non-discrimination on the grounds of race, color, creed, sex, disability, age or national origin.

4) Sanctions of Non-Compliance. In the event of Contractor's non-compliance with the non-discrimination provisions of this Contract, Public Agency shall impose such Contract sanctions as it or the FTA may determine to be appropriate, including, but not limited to: 1) Withholding of payments to Contractor under the Contract until Contractor complies, and/or; 2) Cancellation, termination or suspension of the Contract, in whole or in part.

Contractor agrees to include the requirements of this clause in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

DISADVANTAGED BUSINESS PARTICIPATION

This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, "*Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*", therefore, it is the policy of the Department of Transportation (DOT) to ensure that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in the performance of DOT-assisted contracts.

1) Non-Discrimination Assurances. Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Contractor shall carry out all

applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or other such remedy as public agency deems appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph. (See 49 CFR 26.13(b)).

2) Prompt Payment. Contractor is required to pay each subcontractor performing Work under this prime Contract for satisfactory performance of that work no later than thirty (30) days after Contractor's receipt of payment for that Work from public agency. In addition, Contractor is required to return any retainage payments to those subcontractors within thirty (30) days after the subcontractor's work related to this Contract is satisfactorily completed and any liens have been secured. Any delay or postponement of payment from the above time frames may occur only for good cause following written approval of public agency. This clause applies to both DBE and non-DBE subcontractors. Contractor must promptly notify public agency whenever a DBE subcontractor performing Work related to this Contract is terminated or fails to complete its Work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that Work through its own forces, or those of an affiliate, without prior written consent of public agency.

3) DBE Program. In connection with the performance of this Contract, Contractor will cooperate with public agency in meeting its commitments and goals to ensure that DBEs shall have the maximum practicable opportunity to compete for subcontract work, regardless of whether a contract goal is set for this Contract. Contractor agrees to use good faith efforts to carry out a policy in the award of its subcontracts, agent agreements, and procurement contracts which will, to the fullest extent, utilize DBEs consistent with the efficient performance of the Contract.

ENERGY CONSERVATION REQUIREMENTS

Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plans issued under the Energy Policy and Conservation Act, as amended, 42 U.S.C. Sections 6321 *et seq.* and 41 CFR Part 301-10.

FEDERAL CHANGES

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, listed directly or by reference in the Contract between Public Agency and the FTA, and those applicable regulatory and procedural updates that are communicated to Contractor by Public Agency, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this Contract.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding Contract provisions. All contractual provisions required by the DOT and applicable to the scope of a particular Contract awarded to Contractor by a Public Agency as a result of solicitation, as set forth in the most current FTA Circular 4220.1F, published February 8th, 2016, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor agrees not to knowingly perform any act, knowingly fail to perform any act, or refuse to comply with any reasonable public agency requests that would directly cause public agency to be in violation of the FTA terms and conditions.

NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

Agency and Contractor acknowledge and agree that, absent the Federal Government's express written consent and notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to agency, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract.

Contractor agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms, to the best of its knowledge, the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to me made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to me made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

State Notice Addendum

The National Cooperative Purchasing Alliance (NCPA), on behalf of NCPA and its current and potential participants to include all county, city, special district, local government, school district, private K-12 school, higher education institution, state, tribal government, other government agency, healthcare organization, nonprofit organization and all other Public Agencies located nationally in all fifty states, issues this Request for Proposal (RFP) to result in a national contract.

For your reference, the links below include some, but not all, of the entities included in this proposal:

https://www.usa.gov/local-governments

Request for Proposal (RFP) for Furniture

Solicitation Number: 24-22

Publication Date: Tuesday, June 7th, 2022

Notice to Respondent:

Submittal Deadline: Thursday, July 21st, 2022 2:00 pm CST

Questions regarding this solicitation must be submitted to questions@ncpa.us no later than Thursday, July 14th 2022. All questions and answers will be posted to http://www.ncpa.us/solicitations.

It is the intention of Region 14 Education Service Center (herein "Region 14 ESC") to establish a Master Agreement for Furniture for use by Region 14 ESC and other public agencies supported under this contract. This Request for Proposal is issued on behalf of the National Cooperative Purchasing Alliance through a public agency clause, which provides that any county, city, special district, local government, school district, private K-12 school, higher education institution, state, other government agency, healthcare organization or nonprofit organization may purchase Products and Services through this contract. Respondents will be required to execute the NCPA Administration Agreement upon award.

This contract will allow agencies to purchase on an "as needed" basis from a competitively awarded contract. Respondents are requested to submit their total line of available products and services. While this solicitation specifically covers Furniture, respondents are encouraged to submit an offering on any or and all products and services available that they currently perform in their normal course of business.

Responses shall be received electronically no later than the submittal deadline via our online Bonfire portal at ncpa.bonfirehub.com

Immediately following the deadline, all responses will be publicly opened and the respondents recorded. Any response received later than the specified deadline will be disqualified.

Responses will remain sealed by our online Bonfire portal until the bid opening time specified. Responses received outside our online Bonfire portal will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise. Proposal may be rejected for failure to comply with the requirements set forth in this invitation.

Competitive Solicitation by

Region 14 Education Service Center

For

Furniture

On behalf of itself and other Government Agencies

And made available through the

National Cooperative Purchasing Alliance

RFP # 24-22

National Cooperative Purchasing Alliance

Introduction / Scope

- Region 14 ESC on behalf of itself and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and non-profit organizations (herein "Public Agency" or collectively "Public Agencies") is soliciting proposals from qualified vendors to enter into a Master Agreement for a complete line of Furniture.

- Region 14 ESC, as the lead public agency, has partnered with NCPA to make the resultant contract available to all participating agencies in the United States. NCPA provides marketing and administrative support for the awarded vendor that promotes the successful vendor's products and services to Public Agencies nationwide. The Vendor will execute the NCPA Administration Agreement (Tab 2) upon award. Vendor should thoroughly review all documents and note any exceptions to NCPA terms and conditions in their proposal.

- Awarded vendor(s) shall perform covered product or services under the terms of this agreement. Respondents shall provide pricing based on a discount from their standard pricing schedules for products and/or services offered. Electronic Catalog and/or price lists must accompany the proposal. Multiple percentage discount structure is also acceptable. Please specify where different percentage discounts apply. Additional pricing and/or discounts may be included.

- Each product or service proposed is to be priced separately with all ineligible items identified. Services may be awarded to multiple vendors. Respondents may elect to limit their proposals to a single product or service within any category, or multiple products or services within any and all categories.

- National Cooperative Purchasing Alliance (NCPA)
  - The National Cooperative Purchasing Alliance (herein "NCPA") assists public agencies to increase their efficiency and reduce their costs when procuring goods and services. This is accomplished by awarding competitively solicited contracts that are leveraged nationally by combining the volumes and purchasing power of entities nationwide. Our contracts are available for use by any entity that complies with procurement laws and regulations.

- It is the intention of Region 14 ESC and NCPA to achieve the following objectives through this RFP.
  - Provide a comprehensive competitively solicited Master Agreement offering Products and Services to Public Agencies;
  - Achieve cost savings of Vendors and Public Agencies through a single competitive solicitation process that eliminates the need for multiple proposals;
  - Combine the purchasing power of Public Agencies to achieve cost effective pricing;
  - Reduce the administrative and overhead costs of Vendors and Public Agencies through state of the art purchasing procedures.

Instructions to Respondents

- Submission of Response
  - Only responses received via our online Bonfire portal will be accepted. Faxed or mailed responses will not be accepted.
  - Responses may be submitted on any or all items, unless stated otherwise. Region 14 ESC reserves the right to reject or accept any response.
  - Deviations to the terms, conditions and/or specifications shall be conspicuously noted in writing by the respondent and shall be included with the response.
  - Withdrawal of response will not be allowed for a period of 120 days following the opening. Pricing will remain firm for 120 days from submittal.

- Public Bid Opening
  - The public bid opening will be held via Zoom meeting. Interested parties who wish to attend the bid opening should email contracts@ncpa.us by 4:00 pm the day before the bid opening date to receive an invitation.

- Required Proposal Format
  - Responses shall be provided electronically via our online Bonfire portal. Tabs should be used to separate the proposal into sections, as identified below. Respondents failing to organize in the manner listed may be considered non-responsive and may not be evaluated. It's recommended that all tabs, with the exception of Tab 7 (Pricing), be submitted in Portable Document Format (PDF). Please note pricing can be submitted separately in a alternate format (e.g. xlsx, xls, csv).

- Tabs
  - Tab 1 – Master Agreement / Signature Form
  - Tab 2 – NCPA Administration Agreement
  - Tab 3 – Vendor Questionnaire
  - Tab 4 – Vendor Profile
  - Tab 5 – Products and Services / Scope
  - Tab 6 - References
  - Tab 7 - Pricing
  - Tab 8 – Value Added Products and Services
  - Tab 9 – Innovation
  - Tab 10 – Required Documents

Tab 1 – Master Agreement
General Terms and Conditions

- Customer Support
  - The vendor shall provide timely and accurate technical advice and sales support. The vendor shall respond to such requests within one (1) working day after receipt of the request.

- Disclosures
  - Respondent affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.
  - The respondent affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

- Renewal of Contract
  - Unless otherwise stated, all contracts are for a period of three (3) years with an option to renew for up to five (5) additional one-year terms or any combination of time equally not more than 5 years if agreed to by Region 14 ESC and the vendor.

- Funding Out Clause
  - Any/all contracts exceeding one (1) year shall include a standard "funding out" clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity's current revenue only, provided the contract contains either or both of the following provisions:
  - Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract.

- Shipments (if applicable)
  - The awarded vendor shall ship ordered products within seven (7) working days for goods available and within four (4) to six (6) weeks for specialty items after the receipt of the order unless modified. If a product cannot be shipped within that time, the awarded vendor shall notify the entity placing the order as to why the product has not shipped and shall provide an estimated shipping date. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.
- Tax Exempt Status
  - Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the vendor.

- Payments
  - The entity using the contract will make payments directly to the awarded vendor or their affiliates (distributors/business partners/resellers) as long as written request and approval by NCPA is provided to the awarded vendor.

- Adding authorized distributors/dealers

  - Awarded vendors may submit a list of distributors/partners/resellers to sell under their contract throughout the life of the contract. Vendor must receive written approval from NCPA before such distributors/partners/resellers considered authorized.
  - Purchase orders and payment can only be made to awarded vendor or distributors/business partners/resellers previously approved by NCPA.
  - Pricing provided to members by added distributors or dealers must also be less than or equal to the pricing offered by the awarded contract holder.
  - All distributors/partners/resellers are required to abide by the Terms and Conditions of the vendor's agreement with NCPA.

- Pricing

  - <u>All pricing submitted shall include the administrative fee to be remitted to NCPA by the awarded vendor.</u> It is the awarded vendor's responsibility to keep all pricing up to date and on file with NCPA.
  - All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing

- Warranty
  - Proposal should address the following warranty information:
    - Applicable warranty and/or guarantees of equipment and installations including any conditions and response time for repair and/or replacement of any components during the warranty period.
    - Availability of replacement parts
    - Life expectancy of equipment under normal use
    - Detailed information as to proposed return policy on all equipment
  - Products
    - Vendor shall provide equipment, materials and products that are new unless otherwise specified, of good quality and free of defects
  - Construction
    - Vendor shall perform services in a good and workmanlike manner and in accordance with industry standards for the service provided.

- Safety
  - Vendors performing services shall comply with occupational safety and health rules and regulations. Also all vendors and subcontractors shall be held responsible for the safety of their employees and any conditions that may cause injury or damage to persons or property.

- Permits
  - Since this is a national contract, knowing the permit laws in each state is the sole responsibility of the vendor.
- Indemnity
  - The awarded vendor shall protect, indemnify, and hold harmless Region 14 ESC and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the vendor, vendor employees or vendor subcontractors in the preparation of the solicitation and the later execution of the contract.

- Franchise Tax
  - The respondent hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.

- Supplemental Agreements
  - The entity participating in this contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor.

- Certificates of Insurance
  - Certificates of insurance shall be delivered to the Public Agency prior to commencement of work. The insurance company shall be licensed in the applicable state in which work is being conducted. The awarded vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. The awarded vendor shall require all subcontractors performing any work to maintain coverage as specified.

- Legal Obligations
  - It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.
- Protest
  - A protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm CST. Protests shall be filed with Region 14 ESC and shall include the following:
    - Name, address and telephone number of protester
    - Original signature of protester or its representative
    - Identification of the solicitation by RFP number
    - Detailed statement of legal and factual grounds including copies of relevant documents and the form of relief requested

- Any protest review and action shall be considered final with no further formalities being considered.

- Force Majeure

  - If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.
  - The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders and regulation of any kind of government of the United States or any civil or military authority; insurrections; riots; epidemics; pandemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

- Prevailing Wage

  - It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser. It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

- Termination

  - Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

- Open Records Policy
  - Because Region 14 ESC is a governmental entity responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition,

the respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).

- The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 14 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the respondent are not acceptable. Region 14 ESC must comply with the opinions of the OAG. Region14 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. Respondent are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Process

Region 14 ESC will evaluate proposals in accordance with, and subject to, the relevant statutes, ordinances, rules, and regulations that govern its procurement practices. NCPA will assist Region 14 ESC in evaluating proposals. Award(s) will be made to the prospective vendor whose response is determined to be the most advantageous to Region 14 ESC, NCPA, and its participating agencies. To qualify for evaluation, response must have been submitted on time, and satisfy all mandatory requirements identified in this document.

- Contract Administration
  - The contract will be administered by Region 14 ESC. The National Program will be administered by NCPA on behalf of Region 14 ESC.
- Contract Term
  - The contract term will be for three (3) year starting from the date of the award. The contract may be renewed for up to five (5) additional one-year terms or any combination of time equally not more than 5 years.
  - It should be noted that maintenance/service agreements may be issued for up to (5) years under this contract even if the contract only lasts for the initial term of the contract. NCPA will monitor any maintenance agreements for the term of the agreement provided they are signed prior to the termination or expiration of this contract.
- Contract Waiver
  - Any waiver of any provision of this contract shall be in writing and shall be signed by the duly authorized agent of Region 14 ESC. The waiver by either party of any term or condition of this contract shall not be deemed to constitute waiver thereof nor a waiver of any further or additional right that such party may hold under this contract.
- Price Increases
  - Should it become necessary, price increase requests may be submitted at any point during the term of the contract by written amendment. Included with the request must be documentation and/or formal cost justification for these changes. Requests will be formally reviewed, and if justified, the amendment will be approved.
- Products and Services Additions
  - New Products and/or Services may be added to the resulting contract at any time during the term by written amendment, to the extent that those products and/or services are within the scope of this RFP.
- Competitive Range
  - It may be necessary for Region 14 ESC to establish a competitive range. Responses not in the competitive range are unacceptable and do not receive further award consideration.
- Deviations and Exceptions
  - Deviations or exceptions stipulated in response may result in disqualification. It is the intent of Region 14 ESC to award a vendor's complete line of products and/or services, when possible.
- Estimated Quantities

- While no minimum volume is guaranteed, the estimated (but not limited to) annual volume for Products and Services purchased under the proposed Master Agreement is $150 million dollars annually. This estimate is based on the anticipated volume of Region 14 ESC and current sales within the NCPA program.

- Evaluation
  - Region 14 ESC will review and evaluate all responses in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices. NCPA will assist the lead agency in evaluating proposals. Recommendations for contract awards will be based on multiple factors, each factor being assigned a point value based on its importance.
- Formation of Contract
  - A response to this solicitation is an offer to contract with Region 14 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation does not become a contract until it is accepted by Region 14 ESC. The prospective vendor must submit a signed Signature Form with the response thus, eliminating the need for a formal signing process. Contract award letter issued by Region 14 ESC is the counter-signature document establishing acceptance of the contract.
- NCPA Administrative Agreement
  - The vendor will be required to enter and execute the National Cooperative Purchasing Alliance Administration Agreement with NCPA upon award with Region 14 ESC. The agreement establishes the requirements of the vendor with respect to a nationwide contract effort.
- Clarifications / Discussions
  - Region 14 ESC may request additional information or clarification from any of the respondents after review of the proposals received for the sole purpose of elimination minor irregularities, informalities, or apparent clerical mistakes in the proposal. Clarification does not give respondent an opportunity to revise or modify its proposal, except to the extent that correction of apparent clerical mistakes results in a revision. After the initial receipt of proposals, Region 14 ESC reserves the right to conduct discussions with those respondent's whose proposals are determined to be reasonably susceptible of being selected for award. Discussions occur when oral or written communications between Region 14 ESC and respondent's are conducted for the purpose clarifications involving information essential for determining the acceptability of a proposal or that provides respondent an opportunity to revise or modify its proposal. Region 14 ESC will not assist respondent bring its proposal up to the level of other proposals through discussions. Region 14 ESC will not indicate to respondent a cost or price that it must meet to neither obtain further consideration nor will it provide any information about other respondents' proposals or prices.

- Multiple Awards
  - Multiple Contracts may be awarded as a result of the solicitation. Multiple Awards will ensure that any ensuing contracts fulfill current and future requirements of the diverse and large number of participating public agencies.

- Past Performance
  - Past performance is relevant information regarding a vendor's actions under previously awarded contracts; including the administrative aspects of performance; the vendor's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the vendor's businesslike concern for the interests of the customer.

Evaluation Criteria

- Pricing (40 points)
  - Electronic Price Lists
    - Products, Services, Warranties, etc. price list
    - Prices listed will be used to establish both the extent of a vendor's product lines, services, warranties, etc. available from a particular bidder and the pricing per item.

- Ability to Provide and Perform the Required Services for the Contract (25 points)
  - Product Delivery within participating entities specified parameters
  - Number of line items delivered complete within the normal delivery time as a percentage of line items ordered.
  - Vendor's ability to perform towards above requirements and desired specifications.
  - Past Cooperative Program Performance
  - Quantity of line items available that are commonly purchased by the entity.
  - Quality of line items available compared to normal participating entity standards.

- References and Experience (15 points)
  - A minimum of ten (10) public sector references for product and/or services of similar scope dating within past 3 years
  - Respondent Reputation in marketplace
  - Past Experience working with public sector.
  - Exhibited understanding of cooperative purchasing

- Value Added Products/Services Description, (10 points)
  - Additional Products/Services related to the scope of RFP
  - Marketing and Training
  - Minority and Women Business Enterprise (MWBE) and (HUB) Participation
  - Customer Service

- Innovation (10 points)
  - Past Innovation, how it affected sales
  - Future Innovation in the pipeline

Signature Form

The undersigned hereby proposes and agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing. The undersigned further certifies that he/she is an officer of the company and has authority to negotiate and bind the company named below and has not prepared this bid in collusion with any other Respondent and that the contents of this proposal as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any person engaged in this type of business prior to the official opening of this proposal.

Prices are guaranteed: **120 days**

Tab 2 – NCPA Administration Agreement

This Administration Agreement is made as of _____September 1, 2022_____, by and between National Cooperative Purchasing Alliance ("NCPA") and _____Loftwall_____ ("Vendor").

Recitals

WHEREAS, Region 14 ESC has entered into a certain Master Agreement dated September 1, 2022, referenced as Contract Number ____ 07-102_____, by and between Region 14 ESC and Vendor, as may be amended from time to time in accordance with the terms thereof (the "Master Agreement"), for the purchase of Furniture;

WHEREAS, said Master Agreement provides that any state, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution, other government agency or nonprofit organization (hereinafter referred to as "public agency" or collectively, "public agencies") may purchase products and services at the prices indicated in the Master Agreement;

WHEREAS, NCPA has the administrative and legal capacity to administer purchases under the Master Agreement to public agencies;

WHEREAS, NCPA serves as the administrative agent for Region 14 ESC in connection with other master agreements offered by NCPA

WHEREAS, Region 14 ESC desires NCPA to proceed with administration of the Master Agreement;

WHEREAS, NCPA and Vendor desire to enter into this Agreement to make available the Master Agreement to public agencies on a national basis;

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, NCPA and Vendor hereby agree as follows:

- General Terms and Conditions
  - The Master Agreement, attached hereto as Tab 1 and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.
  - NCPA shall be afforded all of the rights, privileges and indemnifications afforded to Region 14 ESC under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to NCPA under this Agreement including, but not limited to, the Vendor's obligation to provide appropriate insurance and certain indemnifications to Region 14 ESC.
  - Vendor shall perform all duties, responsibilities and obligations required under the Master Agreement in the time and manner specified by the Master Agreement.
  - NCPA shall perform all of its duties, responsibilities, and obligations as administrator of purchases under the Master Agreement as set forth herein, and Vendor acknowledges that NCPA shall act in the capacity of administrator of purchases under the Master Agreement.
  - With respect to any purchases made by Region 14 ESC or any Public Agency pursuant to the Master Agreement, NCPA (a) shall not be construed as a dealer, re-marketer, representative, partner, or agent of any type of Vendor, Region 14 ESC, or such Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Region

14 ESC, any Public Agency or any employee of Region 14 ESC or Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by the Public Agency to (i) comply with procedures or requirements of applicable law, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. NCPA makes no representations or guaranties with respect to any minimum purchases required to be made by Region 14 ESC, any Public Agency, or any employee of Region 14 ESC or Public Agency under this Agreement or the Master Agreement.

- The Public Agency participating in the NCPA contract and Vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the Public Agency and Vendor. NCPA, its agents, members and employees shall not be made party to any claim for breach of such agreement.

- Term of Agreement
  - This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the obligation to pay all amounts owed by Vendor to NCPA through the termination of this Agreement and all indemnifications afforded by Vendor to NCPA shall survive the term of this Agreement.

- Fees and Reporting
  - The awarded vendor shall electronically provide NCPA with a detailed quarterly report showing the dollar volume of all sales under the contract for the previous quarter. Reports are due on the fifteenth (15th) day after the close of the previous quarter. It is the responsibility of the awarded vendor to collect and compile all sales under the contract from participating members and submit one (1) report. The report shall include at least the following information as listed in the example below:

Entity Name	Zip Code	State	PO or Job #	Sale Amount

Total _____

  - Each quarter NCPA will invoice the vendor based on the total of sale amount(s) reported. From the invoice the vendor shall pay to NCPA an administrative fee based upon the tiered fee schedule below. Vendor's annual sales shall be measured on a calendar year basis. Deadline for term of payment will be included in the invoice NCPA provides.

Annual Sales Through Contract	Administrative Fee
0 - $30,000,000	2%
$30,000,001 - $50,000,000	1.5%
$50,000,001+	1%

- Supplier shall maintain an accounting of all purchases made by Public Agencies under the Master Agreement. NCPA and Region 14 ESC reserve the right to audit the accounting for a period of four (4) years from the date NCPA receives the accounting. In the event of such an audit, the requested materials shall be provided at the location designated by Region 14 ESC or NCPA. In the event such audit reveals an under reporting of Contract Sales and a resulting underpayment of administrative fees, Vendor shall promptly pay NCPA the amount of such underpayment, together with interest on such amount and shall be obligated to reimburse NCPA's costs and expenses for such audit.

- General Provisions
  - This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.
  - Awarded vendor agrees to allow NCPA to use their name and logo within website, marketing materials and advertisement. Any use of NCPA name and logo or any form of publicity regarding this contract by awarded vendor must have prior approval from NCPA.
  - If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any administrative fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.
  - Neither this Agreement nor any rights or obligations hereunder shall be assignable by Vendor without prior written consent of NCPA, provided, however, that the Vendor may, without such written consent, assign this Agreement and its rights and delegate its obligations hereunder in connection with the transfer or sale of all or substantially all of its assets or business related to this Agreement, or in the event of its merger, consolidation, change in control or similar transaction. Any permitted assignee shall assume all assigned obligations of its assignor under this Agreement.
  - This Agreement and NCPA's rights and obligations hereunder may be assigned at NCPA's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform NCPA's obligations hereunder
  - All written communications given hereunder shall be delivered to the addresses as set forth below.

Tab 3 – Vendor Questionnaire

Please provide responses to the following questions that address your company's operations, organization, structure, and processes for providing products and services.

- States Covered
  - Bidder must indicate any and all states where products and services can be offered.
  - Please indicate the price co-efficient for each state if it varies.

☑ **50 States & District of Columbia** (Selecting this box is equal to checking all boxes below)

☐ Alabama	☐ Maryland	☐ South Carolina
☐ Alaska	☐ Massachusetts	☐ South Dakota
☐ Arizona	☐ Michigan	☐ Tennessee
☐ Arkansas	☐ Minnesota	☐ Texas
☐ California	☐ Mississippi	☐ Utah
☐ Colorado	☐ Missouri	☐ Vermont
☐ Connecticut	☐ Montana	☐ Virginia
☐ Delaware	☐ Nebraska	☐ Washington
☐ District of Columbia	☐ Nevada	☐ West Virginia
☐ Florida	☐ New Hampshire	☐ Wisconsin
☐ Georgia	☐ New Jersey	☐ Wyoming
☐ Hawaii	☐ New Mexico	
☐ Idaho	☐ New York	
☐ Illinois	☐ North Carolina	
☐ Indiana	☐ North Dakota	
☐ Iowa	☐ Ohio	
☐ Kansas	☐ Oklahoma	
☐ Kentucky	☐ Oregon	
☐ Louisiana	☐ Pennsylvania	
☐ Maine	☐ Rhode Island	

☑ **All US Territories and Outlying Areas** (Selecting this box is equal to checking all boxes below)

- ☐ American Somoa
- ☐ Federated States of Micronesia
- ☐ Guam
- ☐ Midway Islands
- ☐ Northern Marina Islands
- ☐ Puerto Rico
- ☐ U.S. Virgin Islands

- Minority and Women Business Enterprise (MWBE) and (HUB) Participation
  - It is the policy of some entities participating in NCPA to involve minority and women business enterprises (MWBE) and historically underutilized businesses (HUB) in the purchase of goods and services. Respondents shall indicate below whether or not they are an M/WBE or HUB certified.
    - Minority / Women Business Enterprise
      - Respondent Certifies that this firm is a M/WBE ☐
    - Historically Underutilized Business
      - Respondent Certifies that this firm is a HUB ☐
- Residency
  - Responding Company's principal place of business is in the city of Grand Prairie, State of TX
- Felony Conviction Notice
  - Please Check Applicable Box;
    - ☐ A publically held corporation; therefore, this reporting requirement is not applicable.
    - ☑ Is not owned or operated by anyone who has been convicted of a felony.
    - ☐ Is owned or operated by the following individual(s) who has/have been convicted of a felony
  - If the 3rd box is checked, a detailed explanation of the names and convictions must be attached.
- Distribution Channel
  - Which best describes your company's position in the distribution channel:
    - ☑ Manufacturer Direct
    - ☐ Authorized Distributor
    - ☐ Value-added reseller
    - ☐ Certified education/government reseller
    - ☐ Manufacturer marketing through reseller
    - ☐ Other: _____

♦ Pricing Information

➢ In addition to the current typical unit pricing furnished herein, the Vendor agrees to offer all future product introductions at prices that are proportionate to Contract Pricing.

- If answer is no, attach a statement detailing how pricing for NCPA participants would be calculated for future product introductions.

☑ Yes ☐ No

➢ Pricing submitted includes the required NCPA administrative fee. The NCPA fee is calculated based on the invoice price to the customer.

☑ Yes ☐ No

Tab 4 – Vendor Profile

Please provide the following information about your company:

- Company's official registered name.
  Loftwall Inc.
- Brief history of your company, including the year it was established.
  See attached
- Company's Dun & Bradstreet (D&B) number.
  96-202-4472
- Company's organizational chart of those individuals that would be involved in the contract.
  See attached
- Corporate office location.
  - List the number of sales and services offices for states being bid in solicitation.
  - List the names of key contacts at each with title, address, phone and e-mail address.

  See attached
- Define your standard terms of payment.
  Net 30/ Prepay
- Who is your competition in the marketplace?
  Peter Pepper, 3Form, Varidesk

- What differentiates your company from competitors?
  See attached
- Describe how your company will market this contract if awarded.
  See attached
- Describe how you intend to introduce NCPA to your company.
  See attached
- Describe your firm's capabilities and functionality of your on-line catalog / ordering website.
  See attached
- Describe your company's Customer Service Department (hours of operation, number of service centers, etc.)
  See attached

- Green Initiatives (if applicable) See attached
  - As our business grows, we want to make sure we minimize our impact on the Earth's climate. We are taking every step we can to implement innovative and responsible environmental practices throughout NCPA to reduce our carbon footprint, reduce waste, energy conservation, ensure efficient computing and much more. To that effort we ask respondents to provide their companies environmental policy and/or green initiative.

- Anti-Discrimination Policy (if applicable) See attached
  - Describe your organizations' anti-discrimination policy.

- Vendor Certifications (if applicable) See attached
  - Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing respondent to perform the covered services including, but not limited to, licenses, registrations, or certifications. Certifications can include M/WBE, HUB, and manufacturer certifications for sales and service.

Tab 5 – Products and Services

- Respondent shall perform and provide these products and/or services under the terms of this agreement. The supplier shall assist the end user with making a determination of their individual needs.
- Warranty See attached
  - Proposal should address the following warranty information:
    - Applicable warranty and/or guarantees of equipment and installations including any conditions and response time for repair and/or replacement of any components during the warranty period.
    - Availability of replacement parts
    - Life expectancy of equipment under normal use
    - Detailed information as to proposed return policy on all equipment
  - Products
    - Vendor shall provide equipment, materials and products that are new unless otherwise specified, of good quality and free of defects
  - Construction
    - Vendor shall perform services in a good and workmanlike manner and in accordance with industry standards for the service provided.
- The following is a list of suggested (but not limited to) Furniture categories. List all categories along with manufacturer that you are responding with: See attached

  - Ancillary Furniture Products
  - Audio / Visual Furniture
  - Auditoriums and Theaters
  - Cafeteria
  - Classroom / Educational / Dormitory
  - Conference or Breakroom / Training
  - Healthcare / Medical / Therapy Practices
  - Highmark
  - Lactation Rooms and Furniture Pods
  - Library
  - Lighting
  - Lounge / Reception
  - Office
  - Outdoor
  - Science Lab
  - Seating / Chairs
  - Tables / Meeting Conference Room
  - Work Stations

Tab 8 – Value Added Products and Services

- Include any additional products and/or services available that vendor currently performs in their normal course of business that is not included in the scope of the solicitation that you think will enhance and add value to this contract for Region 14 ESC and all NCPA participating entities.

  See attached

Tab 9 – Innovation

- Please provide details of your most recent innovation and how it affected sales in the public sector. See attached
  - New categories
  - New fabrics and finishes
  - New ergonomics
  - New safety features
  - New performance enhancement
  - Other
- Please outline your timeline for future innovation. See attached

Tab 10 – Required Documents

- Federal Funds Certifications
- Clean Air and Water Act & Debarment Notice
- Contractors Requirements
- Antitrust Certification Statements
- Required Clauses for Federal Assistance by FTA
- State Notice Addendum

Federal Funds Certifications

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

- Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency and Offeror reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

- Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

- Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions
- Any Participating Agency will include any current and applicable prevailing wage determination in each issued solicitation and provide Offeror with any required documentation and/or forms that must be completed by Offeror to remain in compliance the applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants,

Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

- Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended— Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

- Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

- Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in

compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and all subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.334. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.334 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Participating Agencies will clearly identify whether Buy America Provisions apply in any issued solicitation. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

CERTIFICATION OF ACCESS TO RECORDS

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any non-financial documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents. This right of access will last only as long as the records are retained.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted in the pages above. It is further acknowledged that offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances as applicable.

Offeror: Loftwall

Address: 2617 N Great SW Pkwy Ste 100

City, State, Zip: Grand Prairie, TX 75050

Authorized Signature: Stephanie Restivo

Contractor Requirements

Contractor Certification
Contractor's Employment Eligibility

By entering the contract, Contractor warrants compliance with the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations. The Contractor further warrants that it is in compliance with the various state statues of the states it is will operate this contract in.

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

The offeror complies and maintains compliance with the appropriate statutes which requires compliance with federal immigration laws by State employers, State contractors and State subcontractors in accordance with the E-Verify Employee Eligibility Verification Program.

Contractor shall comply with governing board policy of the NCPA Participating entities in which work is being performed

Fingerprint & Background Checks

If required to provide services on school district property at least five (5) times during a month, contractor shall submit a full set of fingerprints to the school district if requested of each person or employee who may provide such service. Alternately, the school district may fingerprint those persons or employees. An exception to this requirement may be made as authorized in Governing Board policy. The district shall conduct a fingerprint check in accordance with the appropriate state and federal laws of all contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the district. Contractor, subcontractors, vendors and their employees shall not provide services on school district properties until authorized by the District.

The offeror shall comply with fingerprinting requirements in accordance with appropriate statutes in the state in which the work is being performed unless otherwise exempted.

Contractor shall comply with governing board policy in the school district or Participating Entity in which work is being performed

Business Operations in Sudan, Iran

In accordance with A.R.S. 35-391 and A.R.S. 35-393, the Contractor hereby certifies that the contractor does not have scrutinized business operations in Sudan and/or Iran.

Required Clauses for Federal Assistance provided by FTA

ACCESS TO RECORDS AND REPORTS

Contractor agrees to:

a) Maintain all non-financial books, records, accounts and reports required under this Contract for a period of not less than two (2) years after the date of termination or expiration of this Contract or any extensions thereof except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case Contractor agrees to maintain same until the FTA Administrator, the U.S. DOT Office of the Inspector General, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

b) Permit any of the foregoing parties to inspect all non-financial work, materials, and other data and records that pertain to the Project, and to audit the non-financial books, records, and accounts that pertain to the Project and to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed for the purpose of audit and examination. The right of access detailed in this section continues only as long as the records are retained.

FTA does not require the inclusion of these requirements of Article 1.01 in subcontracts.

CIVIL RIGHTS / TITLE VI REQUIREMENTS

1) Non-discrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, Section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, Section 202 of the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12132, and Federal Transit Law at 49 U.S.C. § 5332, Contractor or subcontractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, marital status age, or disability. In addition, Contractor agrees to comply with applicable Federal implementing regulations and other applicable implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

2) Equal Employment Opportunity. The following Equal Employment Opportunity requirements apply to this Contract:

   a. Race, Color, Creed, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal Transit Law at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable Equal Employment Opportunity requirements of U.S. Dept. of Labor regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor, 41 CFR, Parts 60 et seq., and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may affect construction activities undertaken in the course of this Project. Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, marital status, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

   b. Age. In accordance with the Age Discrimination in Employment Act (ADEA) of 1967, as amended, 29 U.S.C. Sections 621 through 634, and Equal Employment Opportunity Commission (EEOC)

implementing regulations, "Age Discrimination in Employment Act", 29 CFR Part 1625, prohibit employment discrimination by Contractor against individuals on the basis of age, including present and prospective employees. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

c. Disabilities. In accordance with Section 102 of the Americans with Disabilities Act of 1990, as amended (ADA), 42 U.S.C. Sections 12101 *et seq.*, prohibits discrimination against qualified individuals with disabilities in programs, activities, and services, and imposes specific requirements on public and private entities. Contractor agrees that it will comply with the requirements of the Equal Employment Opportunity Commission (EEOC), "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 CFR, Part 1630, pertaining to employment of persons with disabilities and with their responsibilities under Titles I through V of the ADA in employment, public services, public accommodations, telecommunications, and other provisions.

d. Segregated Facilities. Contractor certifies that their company does not and will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not and will not permit their employees to perform their services at any location under the Contractor's control where segregated facilities are maintained. As used in this certification the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion or national origin because of habit, local custom, or otherwise. Contractor agrees that a breach of this certification will be a violation of this Civil Rights clause.

3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding or negotiation, made by Contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligations under this Contract and the regulations relative to non-discrimination on the grounds of race, color, creed, sex, disability, age or national origin.

4) Sanctions of Non-Compliance. In the event of Contractor's non-compliance with the non-discrimination provisions of this Contract, Public Agency shall impose such Contract sanctions as it or the FTA may determine to be appropriate, including, but not limited to: 1) Withholding of payments to Contractor under the Contract until Contractor complies, and/or; 2) Cancellation, termination or suspension of the Contract, in whole or in part.

Contractor agrees to include the requirements of this clause in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

DISADVANTAGED BUSINESS PARTICIPATION

This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, "*Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*", therefore, it is the policy of the Department of Transportation (DOT) to ensure that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in the performance of DOT-assisted contracts.

1) Non-Discrimination Assurances. Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Contractor shall carry out all

applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or other such remedy as public agency deems appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph. (See 49 CFR 26.13(b)).

2) Prompt Payment. Contractor is required to pay each subcontractor performing Work under this prime Contract for satisfactory performance of that work no later than thirty (30) days after Contractor's receipt of payment for that Work from public agency. In addition, Contractor is required to return any retainage payments to those subcontractors within thirty (30) days after the subcontractor's work related to this Contract is satisfactorily completed and any liens have been secured. Any delay or postponement of payment from the above time frames may occur only for good cause following written approval of public agency. This clause applies to both DBE and non-DBE subcontractors. Contractor must promptly notify public agency whenever a DBE subcontractor performing Work related to this Contract is terminated or fails to complete its Work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that Work through its own forces, or those of an affiliate, without prior written consent of public agency.

3) DBE Program. In connection with the performance of this Contract, Contractor will cooperate with public agency in meeting its commitments and goals to ensure that DBEs shall have the maximum practicable opportunity to compete for subcontract work, regardless of whether a contract goal is set for this Contract. Contractor agrees to use good faith efforts to carry out a policy in the award of its subcontracts, agent agreements, and procurement contracts which will, to the fullest extent, utilize DBEs consistent with the efficient performance of the Contract.

ENERGY CONSERVATION REQUIREMENTS

Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plans issued under the Energy Policy and Conservation Act, as amended, 42 U.S.C. Sections 6321 *et seq.* and 41 CFR Part 301-10.

FEDERAL CHANGES

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, listed directly or by reference in the Contract between Public Agency and the FTA, and those applicable regulatory and procedural updates that are communicated to Contractor by Public Agency, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this Contract.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding Contract provisions. All contractual provisions required by the DOT and applicable to the scope of a particular Contract awarded to Contractor by a Public Agency as a result of solicitation, as set forth in the most current FTA Circular 4220.1F, published February 8th, 2016, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor agrees not to knowingly perform any act, knowingly fail to perform any act, or refuse to comply with any reasonable public agency requests that would directly cause public agency to be in violation of the FTA terms and conditions.

NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

Agency and Contractor acknowledge and agree that, absent the Federal Government's express written consent and notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to agency, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract.

Contractor agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms, to the best of its knowledge, the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to me made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to me made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

State Notice Addendum

The National Cooperative Purchasing Alliance (NCPA), on behalf of NCPA and its current and potential participants to include all county, city, special district, local government, school district, private K-12 school, higher education institution, state, tribal government, other government agency, healthcare organization, nonprofit organization and all other Public Agencies located nationally in all fifty states, issues this Request for Proposal (RFP) to result in a national contract.

For your reference, the links below include some, but not all, of the entities included in this proposal:

Tab 4 – Vendor Profile

Brief history of your company, including the year it was established.

Founded by Steve Kinder in 2008, Loftwall began as a provider of architecturally designed, flexible and functional freestanding divider screen products. Now the company offers a wide range of innovative, creative, fully customizable space-defining solutions with premium acoustical products that help companies make space work better. All Loftwall products are made in Grand Prairie, Texas.

Company's organizational chart of those individuals that would be involved in the contract.

Corporate office location.

Loftwall Inc.
2617 N Great SW Pkwy Ste 100
Grand Prairie, TX 75050

List the number of sales and services offices for states being bid in solicitation.

Our headquarters is located in Grand Prairie, Texas. We have more than 20 sales reps across the nation who we are partnered with in helping us promote Loftwall.

List the names of key contacts at each with title, address, phone and e-mail address.

CEO
Bryce Stuckenschneider

What differentiates your company from competitors?

We pride ourselves on exceptional customer service, quick delivery, being American made, and offering many options for customization.

Describe how your company will market this contract if awarded.

Loftwall has a strong marketing plan in place and would be able to leverage the relationships and current campaigns to market the new partnership with NCPA.

While the in-house marketing team at Loftwall sets the overall marketing themes, our two outside agencies carry out the day to day operations. We utilize two agencies to leverage their strengths and to help collaborate in a diverse creative process.

Loftwall has also partnered with up to 20 independent representative groups across the country to have a local presence. These highly trained reps focus on institutional organizations; education, government, and healthcare. They will be instrumental in educating the dealer network of our partnership with NCPA.

Finally, Loftwall has a presence at the largest trade shows in the country. We show our innovative products and solutions at tradeshows like NeoCon, IFMA, and EdSpaces. This allows the principles of Lotwall to interact with the decision makers of facilities. The NCPA partnership will become the main point to simplify the procurement process.

Describe how you intend to introduce NCPA to your company.

We will develop an electronic announcement for our independent representative groups and dealers.

A webinar to our company and inde[endent representative groups, explaining our participation in this contract, and educating them about the NCPA contract.

We have updated our company website to show participation in the NCPA contract.

Describe your firm's capabilities and functionality of your on-line catalog / ordering website.

We provide adaptive solutions that configure, reconfigure and easily move to embrace the unique ways each organization works differently. We have an online catalog that shows the breadth of product offerings, we then use out user-friendly online builder tool for clients to build their ideal divider. Once submitted, the builder sends the requests to our quotes team and the quotes team will contact the customer to gather details.

Describe your company's Customer Service Department (hours of operation, number of service centers, etc.)

The customer service center is available Monday-Friday 8:30am-5:30pm Central Standard Time.

Although we have one customer service center, we have multiple privately owned sales rep firms across the nation who are always eager and ready to help with any questions or inquiry any customer may have.

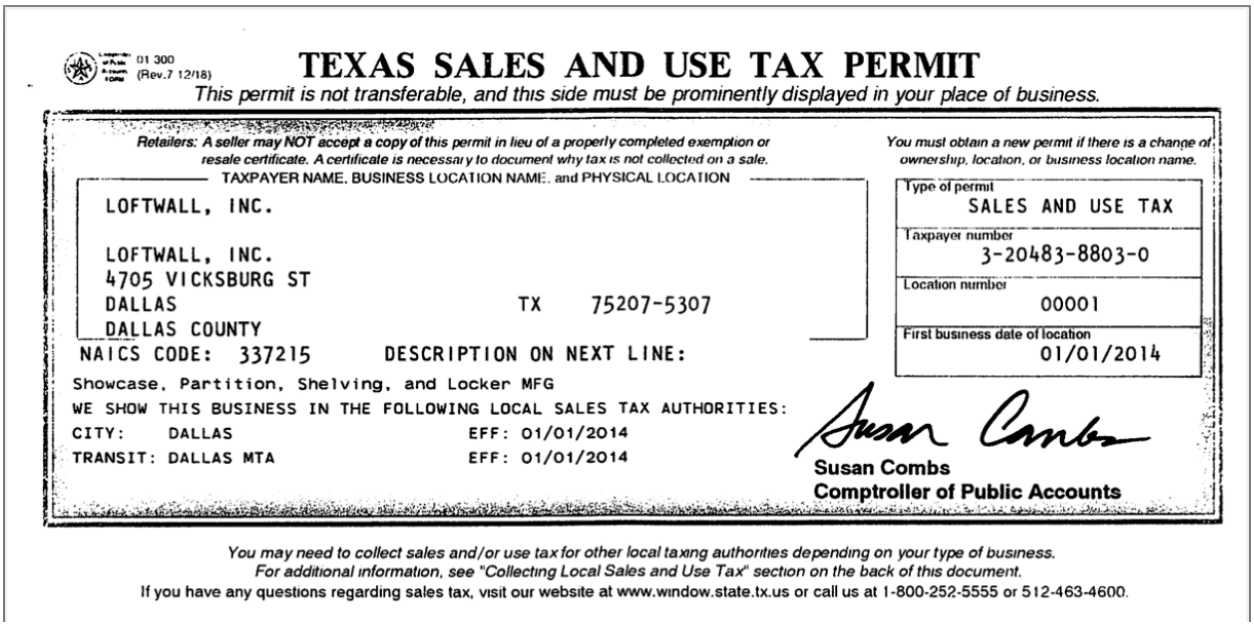
Green Initiatives (if applicable)

Ø As our business grows, we want to make sure we minimize our impact on the Earth's climate. We are taking every step we can to implement innovative and responsible environmental practices throughout NCPA to reduce our carbon footprint, reduce waste, energy conservation, ensure efficient computing and much more. To that effort we ask respondents to provide their companies environmental policy and/or green initiative.

LOFTWALL

LOFTWALL GREEN STATEMENT

LOFTwall is committed to being an environmentally conscious company that contributes to a clean and safe environment. We have evaluated sources of waste generated and created a procedure for elimination or minimization through recycling ,re-engineering, process modification or reduction. Waste not acceptable for recycling is disposed of safely and responsibly within local, state requirements and environmental recommendations. We evaluate our suppliers deliverables and processes for adherence to our company's environmental criteria. In striving for sustainability, LOFTwall's corrugated packaging suppliers have noted that on average, 60% of the goods supplied are manufactured from recycled materials. Our aluminum frames are manufactured from 75% post consumer/post industrial recycled aluminum. In coordination with our vendors, LOFTwall recycles all aluminum, cardboard, and steel accumulated from our internal manufacturing process. LOFTwall has eliminated harmful VOC's produced from liquid paints and spray adhesives, through the use of water based/applied adhesives and powder coating finishes. Powder coating was developed as an environmentally



Anti-Discrimination Policy (if applicable)

Ø Describe your organizations' anti-discrimination policy.

Loftwall is committed to the principles of equal employment. We are committed to complying with all federal, state, and local laws providing equal employment opportunities, and all other employment laws and regulations. It is our intent to maintain a work environment that is free of harassment, discrimination, or retaliation because of sex (including sexual orientation and gender identity), pregnancy (including childbirth, lactation, and related medical conditions), gender, race, religion, color, national origin, physical or mental disability, genetic information, marital status, age (40 and older), sexual orientation, AIDS/HIV status, military service, veteran status, or any other status protected by federal, state, or local laws. Loftwall is dedicated to the fulfillment of this policy in regard to all aspects of employment, including but not limited to recruiting, hiring, placement, transfer, training, promotion, rates of pay, and other compensation, termination, and all other terms, conditions, and privileges of employment.
Loftwall will conduct a prompt and thorough investigation of all allegations of discrimination, harassment, or retaliation, or any violation of the Equal Employment Opportunity Policy in a confidential manner. The company will take appropriate corrective action, if and where warranted. Loftwall prohibits retaliation against employees who provide information about, complain about, or assist in the investigation of any complaint of discrimination or violation of the Equal Employment Opportunity Policy.

Vendor Certifications (if applicable)

Ø Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing respondent to perform the covered services including, but not limited to, licenses, registrations, or certifications. Certifications can include M/WBE, HUB, and manufacturer certifications for sales and service.

01 300 (Rev.7 12/18)

TEXAS SALES AND USE TAX PERMIT

This permit is not transferable, and this side must be prominently displayed in your place of business.

Retailers: A seller may NOT accept a copy of this permit in lieu of a properly completed exemption or resale certificate. A certificate is necessary to document why tax is not collected on a sale.

You must obtain a new permit if there is a change of ownership, location, or business location name.

Tab 5 – Products and Services

Warranty

A Limited Lifetime Warranty applies to all products manufactured by Loftwall. Warranty is given to the initial purchaser and is valid for as long as the product is owned by the initial purchaser. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the product during
the ownership of the original purchaser. If a product is defective, and if written notice of the defect is provided to manufacturer, Loftwall at its option will either repair or replace the defective product with a comparable component or product. Defective product shall be returned at the discretion of Loftwall, and all returns must be authorized in writing in advance including a Return Materials Authorization Number. Loftwall assumes no responsibility for labor charges. Freight charges for defective products and parts will be covered by Loftwall within the 48 continental United States with the method of shipping at Loftwall's discretion. The limited Lifetime Warranty applies to all products or situations except as listed below:

This warranty does not apply to damage caused by a carrier's alterations to the product expressly authorized by Loftwall. It also does not apply to "Customer's Own Material" (i.e. material supplied by the customer that is not a standard Loftwall product offering) used in the manufacturing of Loftwall products. Loftwall does not warranty the matching of
color, grain or texture except to within commercially acceptable standards. A product will not be considered defective and Loftwall will not be obligated to replace it, if the product is not installed or used as recommended by Loftwall.

DELIVERY INSPECTION

Failure to inspect product at time or receipt, note damages on delivery receipt and/or notify Loftwall of damages within 7 days of the original date of receipt constitutes acceptance of products and a waiver of all claims. Neither Loftwall nor the carrier will be responsible for concealed damage claims if shipments are left

unopened. Concealed damage must be reported within 30 days from delivery to be valid. Any concealed damage reported after 30 days will not be accepted by Loftwall and is the responsibility of the customer. Any damages found during inspection must be clearly noted on the delivery receipt. The carriers should be notified, and all packages left in original condition as received for inspection from carrier. Loftwall factory should be notified immediately. Loftwall will notify the carrier in the event of a freight damage claim.

ORDERS APPROVED FOR RETURN
An RMA (Return Materials Authorization) is required for return. All products must be packed as they originally received and returned freight prepaid to our factory unless otherwise noted on RMA. Customer is responsible for any additional damages in transit due to improper packaging.

Furniture categories. List all categories along with manufacturer that you are responding with:

Tab 8 – Value Added Products and Services

LOFTWALL CUSTOMER SERVICE:

We pride ourselves in having a company-wide team who is involved in customer service from our Headquarters to our Sales Representative Groups.

CUSTOM:

We offer various custom products that are priced separately, making our products different from our competitors able to offer custom paint, custom dimensions on certain products, custom graphics, custom fabrics, and custom laminate finishes.

WEBSITE:

Our website offers multiple added services to help make any ordering process easy. (As Listed Below)

TESTIMONIALS:

Our website offers case studies of testimonials from multiple different companies that are using our product to show how our product is beneficial for them.

QUOTE:

Our website makes our quoting process easier by offering a Builder that helps the customer build what they're looking for, and it sends directly to our quotes/sales team so they can further assist in the process.

RESOURCES:

Our website offers unlimited resources supplying downloadable instructions, videos of step by step instructions. Access to the multiple finishes we have. Allows you to find a local Sales Rep/Showcase Dealer.

PHOTOS:

Our website allows access to pictures of projects we have been a part of. Along with photos of custom graphics, custom panels, etc.

ADDITIONAL PRODUCT:

These products below aren't considered wall systems but are great to enhance any space. Loftwall will make all new products available to NCPA and its end users for purchase with this contract.

Shelter / Parallel

Add privacy to any table or desk. These products clamp on to the sides or rear lip of the desk.

Glide

Overhead mounted sliding screen system. For closets, doorways or open spaces.

Tab 9 – Innovation

Please provide details of your most recent innovation and how it affected sales in the public sector.

Rooms:

Rooms is our most versatile architectural solution to date. Offering several sizes of panel to create nearly any width and accommodate the needs of any layout. Rooms gives entities the tools needed to create space for pods, small groups, large groups, and unique spaces using Shapes. With a height of 92”, Rooms gives entities maximum privacy while avoiding the hassles of permits and general contractors. Used in conjunction with our recently released line of new acoustic felt colors, Rooms gives entities 36 finish options to add an accent, or maintain neutrality in their space.

Currently in use at the USDA, Texas A&M University, and New York County Family Courts, Rooms has begun making its way into use in the public sector, with many more projects in the pipeline.

Please outline your timeline for future innovation.

New Categories:

We are actively developing solutions to deliver more privacy throughout the modern workplace. Ceiling mounted acoustic solutions, active noise cancellation, and acoustic wall coverings are specific areas that we are developing currently. We plan to introduce innovations in these categories throughout the remainder of 2022 and into 2023.

New Fabrics/Finishes:

We are always in search of superior materials with a great sustainability story. Currently, we're working with domestic suppliers on elevated acoustic fabrics to use throughout many of our products (most notably, Rooms). Our Product Development

team is evaluating new materials, methods, and assemblies on a monthly basis and works to rapidly deploy these to our thousands of customers once they've passed our rigorous development process.

Dear Stephanie:

Region XIV Education Service Center is happy to announce that Loftwall has been awarded an annual contract for Furniture based on the proposal submitted to Region XIV ESC.

The contract is effective immediately and will expire on September 30th, 2025. The contract can then be renewed annually for an additional five years, if mutually agreed on by Region XIV ESC and Loftwall.

We look forward to a long and successful partnership underneath this contract.

If you have any questions or concerns, feel free to contact m at 325-675-8600.

Sincerely,

Shane Fields
Region XIV, Executive Director

US OPEN 5 THINGS WE LEARNED FROM SUNDAY

Fitzpatrick's work ethic pays off

David Dusek
Golfweek | USA TODAY Network

With his victory in the U.S. Open, Englishman Matt Fitzpatrick has risen from No. 18 to No. 10 in the Official World Golf Ranking. PETER CASEY/USA TODAY SPORTS

BROOKLINE, Mass. – On a chilly, overcast New England day, the lead at the 122nd U.S. Open went back and forth throughout the afternoon.

Matt Fitzpatrick, Will Zalatoris and Scottie Scheffler all reached 6 under during their rounds at The Country Club on Sunday, but only one of them, the Englishman who won the 2013 U.S. Amateur at this course, was able to finish there.

Fitzpatrick becomes the third golfer to win a U.S. Amateur and U.S. Open on the same course, joining Jack Nicklaus at Pebble Beach and Juli Inkster at Prairie Dunes.

Here are five things we learned on Sunday at The Country Club.

Fitzpatrick did it the hard way

Last year, Jon Rahm, one of the most powerful players in golf, won the U.S. Open at Torrey Pines. The year before that, it was Bryson DeChambeau, one of the biggest hitters on the PGA Tour (or LIV Series starting in a few weeks). The year before that, Gary Woodland, another power player, won the U.S. Open at Pebble Beach.

Matt Fitzpatrick has always been an outstanding putter and possessed a solid short game but recently has gotten longer off the tee.

"(My coach and biomechanist Sasho Mackenzie) gave me this speed stick called The Stack. I've been doing that religiously week in and week out," Fitzpatrick said Sunday evening. "It's like going to the gym basically. It's like a training program. I'll be honest, it's worked wonders.

"I feel like maybe three years ago if I was in this position, four years ago, and I was playing with Will in the final group, I'd be concerned that I'm going to be 15, 20 behind him. And I felt comfortable all day that I was going to be past him, which to me gives me confidence obviously going into the next shot knowing that you've got less club."

During the 2018-19 PGA Tour season, Fitzpatrick ranked 151st in driving distance on Tour (287.9 yards per drive), but this season he is up to 298 yards. That's still 108th, but he ranks 40th in driving accuracy, so while he's 11 yards longer, he still hits about 65% of the fairways.

On demanding golf courses like Southern Hills last month during the PGA Championship and this past week at The Country Club, which featured thick rough and fescue along the fairways, he ranked fifth in driving accuracy and was 36th in driving average at 309 yards.

Fitzpatrick is also legendary on tour for his work ethic. He has tracked every shot he has hit in competition and practice rounds for the last 12 years. If he continues to put in the work, more victories could be on the way.

Zalatoris has the pieces but hasn't put them together – yet

It was an odd day for Will Zalatoris because his putter made up for shortcomings off the tee and from the fairway. Typically, that's not the case.

Zalatoris hit just seven of 14 fairways on Sunday, contributing to only 11 of 18 greens in regulation. He came into the U.S. Open ranked No. 1 in strokes gained off the tee. It's tough to win a tournament, especially a major championship, if the foundation of your game doesn't show up on Sunday.

"Considering where I drove it today, the fact I was even under par was obviously pretty nice," Zalatoris said after signing for his 69. "I thought I made a lot of nice putts just to keep myself in it. Stealing one on 9, saving par on 13. I really felt great with the putter all week, and I hit a great putt on 18. It just happened to hang out there."

This is now three close calls in major championships for Zalatoris. He was the runner-up at the 2021 Masters, lost in a playoff last month at the PGA Championship and tied for second at the U.S. Open. He has the prototypical modern game but must put the pieces together for four rounds if he wants to win. He's 160th on the PGA Tour in strokes gained putting (0.227). If he can improve that and just become a tour-average putter, so his putting doesn't cancel out his excellent iron play, he will have a long and successful career.

LIV Golf Series may not be good preparation for majors

At the start of the U.S. Open, there were 14 golfers who either played in the first LIV Series event in London or who announced they are going to play LIV Series events in the future, but none of them were in real contention by Sunday, and most of them missed the cut. Dustin Johnson, the 2016 U.S. Open winner, was the "Low LIV" at 2 over through 54 holes, and he finished Sunday at 4 over (T-24).

The PGA Tour has suspended its members who played in the LIV Series event in London, and golfers who play at the end of June in the next LIV Series event will also assuredly get indefinitely suspended by Jay Monahan, which will dramatically reduce playing opportunities in big events and against elite fields. Remember, LIV Series events are 54 holes, and there is no cut, so while they are lucrative, they may not be the best place for a golfer to get sharp before a major championship. The tough questions about being involved with Saudi Arabia will also surely be a distraction for LIV Series players in majors to come.

USGA really doesn't want a repeat of Shinnecock or Olympic

The Country Club proved to be an excellent venue for the United States Golf Association, and thanks to the wind and cool temperatures provided by Mother Nature, the course was as challenging to play as it was beautiful to see.

After Friday's round, some golf lovers were concerned that 23 golfers were under par. For them, carnage and struggle are what the U.S. Open is all about, but it's now clear that if the USGA is going to make a mistake when setting up courses, it will err on the conservative side. The fairways were narrow, the greens were fast and the rough was thick and lush, but the classic venue never felt tricked out or over the top.

On Wednesday, USGA CEO Mike Wahn talked with the media about anchor sites for USGA national championships, with Pinehurst, Oakmont and Pebble Beach already locked in for numerous events well into the 2040s.

The Country Club should be added to that list. Now.

No one should ever quit at a U.S. Open

It's cliché, but you can win if you make the cut at the U.S. Open. And if you don't win, you can still make a big move.

Hideki Matsuyama and Collin Morikawa did not win this week, but they shot the day's low rounds on Sunday, a 65 and a 66, respectively, and raced up the leaderboard. Both started the day at 2 over par, six shots off the lead, and Matsuyama finished in solo fourth. Morikawa finished in a tie for fifth.

It would be easy to feel dejected on a difficult course like The Country Club, as we saw when Grayson Murray threw his putter and then snapped an iron over his knee, but moves can be made. It felt like the crowd in Boston was trying to will McIlroy up the leaderboard, and while he fell short of winning his second U.S. Open, he finished tied for fifth with Morikawa.

Next year, when you are filling out your U.S. Open pool, remember to pick grinders.

Umpires

Continued from Page 8C

and more a concern with rules."

Until the technical kinks are smoothed out and stakeholders agree the time has come for automation, MLB will be wedded to its "blues." That includes the Cuba-born Hernandez, who unsuccessfully sued MLB for discrimination, claiming he was denied crew chief and postseason assignments based on his race and not performance.

In 2023, Hernandez will mark his 30th anniversary as an MLB umpire

To the players?

Mention his name in private and the reaction is largely ambivalent. "Just another guy," says one pitcher. "If he's working a game in Seattle and I'm here, I'm not thinking about him," offers another.

A hitter opts to cut the conversation short rather than opine. "The game's hard," says one player, letting his forthcoming silence tell plenty about his feelings for Hernandez. "We'll leave it at that."

Factoring temporary call-ups and other substitutes, players will deal with roughly 100 umps behind the plate. The greater enemy, always, is the grind, and within that the hope that over six months and up to 700 plate appearances, the good and bad calls will be a wash come October.

"If your team is winning and you're playing well, it's like all right, whatever, they'll even out," says Rockies third baseman Ryan McMahon. "And if it's going bad, it's like ah, you're getting screwed all the time. But they do even out more than people realize."

"In sports, human error needs to be a thing," says Bassitt. "I think that's what makes the sports in general beautiful is that there is human error, not just from the athletes but the people umpiring and officiating, managers calling the game, general managers ... everybody makes mistakes.

"We're all human. We're all trying to do our best. And I think that's the beauty in it all."

CONFLICT OF INTEREST QUESTIONNAIRE

FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY
Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

NA

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.** (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information is being disclosed.**

MICHAEL LUNA

Name of Officer

4 **Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. Complete subparts A and B for each employment or business relationship described. Attach additional pages to this Form CIQ as necessary.**

A. Is the local government officer or a family member of the officer receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☒ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer or a family member of the officer AND the taxable income is not received from the local governmental entity?

☐ Yes ☒ No

5 **Describe each employment or business relationship that the vendor named in Section 1 maintains with a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more.**

6 ☐ Check this box if the vendor has given the local government officer or a family member of the officer one or more gifts as described in Section 176.003(a)(2)(B), excluding gifts described in Section 176.003(a-1).

7 Michael J. Luna

Signature of vendor doing business with the governmental entity

PURCHASING & CONTRACT SERVICES
PROCUREMENT ANALYSIS

Date: Tuesday, July 18, 2023
To: Mrs. Helen Ramirez, City Manager
From: Mr. Lupe Granado III, Financial Services Director
CC: Mr. Damian Espinoza, Procurement and Contract Manager
Mr. Manuel Chacon, Director of Communications and Marketing

Subject: Agenda Item for the City Commission meeting of Tuesday, August 1, 2023 "Consideration and Action for the Furniture, Fixtures and Equipment for the CMD Building

At the request Mr. Manuel Chacon, Director of Communications and Marketing, the Procurement Division requested to invoke the "Interlocal contract for cooperative purchasing" clause under Local Government Code Section §252.022-(12) (D) Various Cooperative agreements. (Exhibit A).

The Cooperative proposal satisfies Texas Local Government Code Section §252.022-(12) (D) General Exemptions "under an Interlocal contract for cooperative purchasing administered by a regional planning commission established under chapter 391; provides good

PROCUREMENT SUMMARY: Texas Wilson is eligible under this procurement for Furniture, Fixtures and Equipment for the CMD Building in the amount of $162,477.34. (Exhibit A)

UNIFORM CONDITIONS OF SALE

05/01/19 #104A

1. Prices quoted are valid for a period of thirty days (30) unless otherwise indicated.
2. Payments are due upon receipt. Customer agrees to pay Texas Wilson in full for any portion of the merchandise Customer has received. Merchandise held in Texas Wilson's warehouse over 25 days will be invoiced to the Customer.
3. Texas Wilson has the ability to charge interest on any past due invoice amounts at the highest rate permitted by applicable law. In the event that Texas Wilson retains legal counsel to collect any past-due payments, customer agrees to pay reasonable legal or collection fees, plus court costs and other disbursements required for the collection of past-due debt of Customer.
4. A customer representative must be present at time of delivery of goods to sign for and acknowledge count and condition of the merchandise being delivered. After delivery of merchandise all risk of loss or damage shall pass to the customer, including, but not limited to any loss or damage by weather, other trades, other person, customer, fire or other elements. The customer agrees to hold Texas Wilson harmless from loss for any and all reasons.
5. Orders may not be canceled once the manufacturer receives the order unless said manufacturer(s) agrees in writing to accept the cancellation.
6. Texas Wilson continually expedites orders and has influence with manufacturers' delivery schedules, however, we shall not be responsible for manufacturers' lead-times or freight companies' delivery time and shall not be liable for any failure delay or interruption in performance caused by strikes, fires, shortages of labor or materials, or any other cause beyond our control. The Customer cannot cancel any order due to lead-time or delayed delivery unless we receive written authorization from the manufacturer.
7. Merchandise may not be returned for refund of purchase price, credit or replacement except upon the specific written approval of Texas Wilson.
8. Texas Wilson is not liable for any failure, delay or interruption in the performance of this contract, which may result due to causes beyond our control. Delays beyond our control shall not release the customer from their obligations to accept and pay for the merchandise.
9. Pricing for orders is based on shipping product direct to the location designated by the customer where it will be unloaded and installed by Texas Wilson, unless otherwise specified. If the product is diverted to Texas Wilson's warehouse, the cost of the additional handling may be passed on to the customer.
10. If a Customer is not ready to receive or accept the merchandise upon its arrival from the manufacturer, Texas Wilson will store it for a fee of 85 cents per square foot per month or portion thereof. The charge per square foot may be subject to change.
11. Installation, if applicable, will be performed during Texas Wilson's regular (non holiday) business hours and business days. If installation is required outside of these times, the Customer shall be required to pay Texas Wilson additional charges for this work.
12. Texas Wilson accepts no responsibility for the accuracy or practicality thereof, if the products and quantities are specified or inventoried by others.
13. All responsibilities involving medications of the building structure or electrical connection, which incorporates product specified herein, shall be borne by the Customer.
14. All new merchandise sold by Texas Wilson is warranted per manufacturer's stated warranty. If the merchandise is defective due to workmanship or material, Texas Wilson will either repair or replace the merchandise. The Customer must promptly notify Texas Wilson in writing of any claim with respect to defects in the merchandise by specifically noting the alleged defect in the merchandise and affording Texas Wilson and the manufacturer a reasonable opportunity to examine the merchandise and investigate the alleged defect. Under no circumstance shall Texas Wilson be liable for damage beyond the Purchase Price paid by Buyer for such defective merchandise.
15. Texas Wilson will warrant their shop services for a period of 12 months from date of delivery.
16. Texas Wilson carries all insurance coverage common to and considered necessary for the operation of a multi-line office furniture dealership. Certificates of Insurance will be provided upon request prior to contract. Should any additional insurance and/or bid bond coverage be required, cost of such coverage will be invoiced to the customer as a separate charge. Said cost of additional insurance is in no way included in the pricing on our proposals.
17. Title to and ownership of all merchandise is and shall remain in Texas Wilson's name, notwithstanding delivery or possession of the customer, until the entire invoice is paid in full.
18. This agreement shall be governed in accordance with the laws of the State of Texas.
19. This agreement contains all the forms, provisions, conditions and warranties of the purchase agreement and no extension, modification, amendment or assignment of this agreement shall be valid unless approved in writing by an officer of Texas Wilson.
20. The Uniform Conditions of Sale are subject to change at any time at the discretion of Texas Wilson Office Furniture & Services.
21. Credit card transactions will incur a 3% buyer convince fee.

This is to certify that I have read and hereby agree to the **Uniform Condition of Sale** as stated in this document.

TERM CONTRACT TO PROVIDE LIBRARY MATERIALS AND SERVICES FOR THE BROWNSVILLE PUBLIC LIBRARY
 # LMS-70-0523

This Agreement is entered into as of August 1, 2023, between THE CITY OF BROWNSVILLE ("CITY") Baker & Taylor, LLC. ("CONTRACTOR").

1. Documents

(a) The following documents (collectively, "Contract Documents") are hereby incorporated into and made part of this Agreement.

i. Scope of Services to be performed by Contractor and Compensation (Exhibit A)

ii. Certificate of Insurance (Exhibit B)

2. Scope of Services: The Contractor shall perform the following services in a professional manner:

(a) Contractor shall perform all those services as necessary and as described in Exhibit A,

(b) Contractor will perform such services related to the Project in a diligent and workmanlike manner consistent with industry standards and in accordance with the schedule, if any, set forth in the Contract Documents.

(c) By signing this Agreement, Contractor represents that it has thoroughly reviewed the Contract Documents incorporated into this Agreement by reference and that it accepts the description of the Project and the conditions under which the Project is to be performed and completed.

3. Independent Contractor; Personnel

(a) Contractor enters into this Agreement as, and shall continue to be, an independent contractor. All Services shall be performed only by Contractor and Contractor's employees. Under no circumstances shall Contractor , or any of Contractor's employees, look to City as his/her employer, or as a partner, agent or principal. Neither Contractor , nor any of Contractor's employees, shall be entitled to any benefits accorded to City's employees, including without limitation worker's compensation, disability insurance, vacation or sick pay. Contractor shall be responsible for providing, at Contractor's expense, and in Contractor's name, unemployment, disability, worker's compensation and other insurance, as well as any and all licenses and permits usual or necessary for conducting the Services. Contractor shall be responsible for paying all applicable local, state and federal taxes.

(b) Contractor represents and warrants to City that its employees performing work hereunder will have sufficient expertise, training, licensure (if applicable) and experience to accomplish the Services.

(c) Contractor shall not subcontract any portion of the work required by this Agreement, except as provided in the Contract Documents. City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's written consent. In the event Contractor engages any subcontractor in the performance of this Agreement, Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Agreement. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions.

4. Term of Contract

The contract will commence upon City Commission approval and shall expire three (3) years from date of approval. The City of Brownsville reserves the unilateral right to extend the life of the contract for two (2) period of one (1) year term thereafter: if mutually acceptable to the contractor and the City of Brownsville.

5. Compensation.

(a) Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit A. It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services pursuant and related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Service.

(b) Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided. Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the City's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

6. Insurance.

(a) The Contractor shall furnish proof of insurance requirements as indicated below. The coverage is to remain in force at all times during the contract period. The following minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Brownsville, Texas, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

(b) The City of Brownsville shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

(c) The Contractor's insurance must be provided by an A.M. Best's "A-"rated or better insurance company authorized to issue insurance policies in the State of Texas, subject to approval by the City of Brownsville Department of Safety and Risk Management. Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for work contemplated in this solicitation shall be deemed unacceptable and shall be considered breach of contract.

i. Workers' Compensation and Employers' Liability Insurance

Minimum Limits Consistent with Texas Worker's Compensation Act (Section 401):

1. $100,000 bodily injury each accident
2. $500,000 bodily injury by disease policy limit
3. $100,000 Bodily injury by disease each employee

Any firm performing work for or on behalf of the City of Brownsville must provide Workers' Compensation insurance.

ii. Commercial General Liability Insurance

Covering premises-operations, products-completed operations, independent contractors and contractual liability.

Limits: Combined single limit bodily injury/property damage $1,000,000.

This coverage must include, but not limited to:

1. Coverage for the liability assumed by the contractor under the indemnity provision of the contract.
2. Coverage for Premises/Operations
3. Products/Completed Operations
4. Broad Form Contractual Liability
5. Independent Contractors

iii. Automobile Liability Insurance

Covering all owned, hired and non-owned automobile equipment.

Limits:	Bodily injury	$250,000 each person, $500,000 each occurrence
	Property damage	$100,000 each occurrence

7. Termination.

(a) *Termination for Cause.* The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

(b) *Termination for Convenience.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor , for City's right to terminate this Agreement for convenience.

(c) *Cancellation for Non-appropriated Funds.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for non-appropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

(d) *Force Majeure.* The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

i. The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

ii. The excuse of performance is of no greater scope and of no longer duration than is reasonably necessary when considered in light of the Force Majeure;

iii. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

iv. The non-performing party uses its best efforts to remedy its inability to perform.

v. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of sixty (60) days, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

8. Materiality and Waiver of Breach.

(a) City and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9. Indemnification by Consultant.

CONSULTANT AGREES TO DEFEND, INDEMNIFY AND HOLD THE CITY AND ITS RESPECTIVE OFFICERS, AGENTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, FINES, PENAL TIES, COSTS AND EXPENSES FOR ALL PROPERTY DAMAGE OR OTHER HARM OR VIOLATIONS FOR WHICH RECOVERY OF DAMAGES, FINES, OR PENAL TIES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY CONSULTANT'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS CONTRACT, VIOLATIONS OF LAW, OR BY ANY NEGLIGENT, GROSSLY NEGLIGENT, INTENTIONAL, OR STRICTLY LIABLE ACT OR OMISSION OF THE CONSULTANT, ITS OFFICERS, AGENTS, EMPLOYEES, INVITEES, SUBCONTRACTORS, OR SUB- SUBCONTRACTORS AND THEIR RESPECTIVE OFFICERS, AGENTS, OR REPRESENTATIVES, OR ANY OTHER PERSONS OR ENTITIES FOR WHICH THE CONSULTANT IS LEGALLY RESPONSIBLE IN THE PERFORMANCE OF THIS CONTRACT. THE CITY DOES NOT WAIVE ANY GOVERNMENTAL IMMUNITY OR OTHER DEFENSES AVAILABLE TO IT UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

CONSULTANT AT ITS OWN EXPENSE IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS. CITY RESERVES THE RIGHT TO PROVIDE A PORTION OR ALL OF ITS OWN DEFENSE; HOWEVER, CITY IS UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY CITY IS NOT TO BE CONSTRUED AS A WAIVER OF CONSULTANT'S OBLIGATION TO DEFEND CITY OR AS A WAIVER OF CONSULTANT'S OBLIGATION TO INDEMNIFY CITY PURSUANT TO THIS AGREEMENT. CONSULTANT SHALL RETAIN DEFENSE COUNSEL WITHIN SEVEN (7} BUSINESS DAYS OF CITY'S WRITTEN NOTICE THAT CITY IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF CONSULTANT FAILS

TO RETAIN COUNSEL WITHIN THE REQUIRED TIME PERIOD, CITY SHALL HAVE THE RIGHT TO RETAIN

DEFENSE COUNSEL ON ITS OWN BEHALF AND CONSULTANT SHALL BE LIABLE FOR ALL COSTS INCURRED BY THE CITY.

10. Miscellaneous Provisions.

(a) *Successors and Assigns.* All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

(b) *Choice of Law.* The laws of the state of Texas shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

(c) *No Waiver of Governmental Immunity.* NOTHING IN THIS SECTION SHALL BE CONSTRUED TO WAIVE CITY'S GOVERNMENTAL IMMUNITY FROM LAWSUIT, WHICH IMMUNITY IS EXPRESSLY RETAINED TO THE EXTENT IT IS NOT CLEARLY AND UNAMBIGUOUSLY WAIVED BY STATE LAW.

(d) *Assignment.* Contractor shall not assign any of Contractor's rights under this Agreement or delegate the performance of any of Contractor's duties hereunder, without the prior written consent of the City.

(e) *Modification or Amendment.* No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties hereto.

(f) *Venue.* This Agreement and any and all matters arising directly or indirectly here from shall be governed by and construed and enforced in accordance with the Laws of the State of Texas, with the Federal and State Courts of Cameron County, Texas having jurisdiction. (b) If at any time there is a dispute between or among the Parties with respect to any matter arising directly or indirectly from this Agreement (an "Agreement Matter"), the Parties agree that, prior to seeking judicial remedy, they will engage in face-to-face negotiations in an attempt to resolve such dispute and shall, upon failing to negotiate a mutually satisfactory resolution, choose a mutually agreeable neutral third party to mediate such dispute. Mediation shall be non-binding and shall be confidential.

Notices. Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand, or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

If to Contractor: Baker & Taylor LLC.
2810 Coliseum Centre Dr. Suite 300
Charlotte, NC 28217

If to City: City of Brownsville
1001 East Elizabeth St.
Brownsville, TX, 78520

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

(g) *Entire Understanding.* This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

(h) *Unenforceability of Provisions.* If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above.

(a) Please see Baker & Taylor's Category Definitions for full category definitions, which are attached hereto and incorporated herein by reference. Materials produced for TextStream print-on-demand services may fall into any category.

(b) Titles which receive minimal publisher discount will be invoiced at publisher's list price.

(c) Represents publishers with limited sales volume, based upon a semi-annual review. These titles may be of any binding type or publisher of origin.

(d) Represents individual titles which do not qualify for preferred stock status (based upon a quarterly review) and individual titles which qualify for preferred stock status but have limited demand (calculated over a rolling 12-month period). These titles may be of any binding type or publisher of origin.

(e) Titles where Baker & Taylor receives no discount from the publisher or prepayment is required by the publisher or publishers whose titles have limited demand and/or non-commercial publishers will be invoiced at list price.

Also, please note that:

- Publisher's list price is subject to change without notice.
- Except where otherwise noted, book discounts are applied to current publisher's list price at the time of shipment.
- Baker & Taylor reserves the sole right to be the final determinant of product categories, category definitions and price indicators. The discounts vary based on this determination.
- Titles are categorized by Baker & Taylor for pricing purposes by considering the binding, general marketing categories, demand for certain titles, preferred stock status, cost of acquisition, cost of distribution, and the size or type of publisher, as well as factors related to relationships with publishers such as shipping terms, payment terms, publisher's discount, returnability to publishers and other factors.
- Product categories, category definitions and price indicators are subject to change at Baker & Taylor's sole discretion, without notice, based upon the above-described factors for categorizing titles.
- For domestic titles where no publisher list price is assigned by the publisher, Baker & Taylor will assign such titles a price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- For imported titles where no publisher list price is assigned by the publisher for the U.S. market, Baker & Taylor will assign such titles a U.S. dollar price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- For Paw Prints and Follett Bound editions, Baker & Taylor will assign such titles a price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- Titles of limited demand or from small or specialty publishers generally are included in Product Category IX or Product Category XI.
- The discount terms and conditions listed do not apply to Baker & Taylor's Approval Programs.
- Baker & Taylor provides an invoice that identifies the publisher's current list price, the discount offered, and the exact price charged for each title ordered.

Baker & Taylor, LLC
Discount Terms and Conditions of Sale (AUDIO VISUAL MATERIAL)
Brownsville Public Library

Please refer to the following Terms and Conditions of Sale for the discounts offered to the **Brownsville Public Library** for **Audio Visual Material.**

Media Type	Price Range	Discount off Current Producer's List Price
DVD/Blu-Ray	Any Price	28.5%*

    - Standard Price = $3000.00/yr; Award Price = $1500.00/yr

APPENDIX 3

CATEGORY DEFINITIONS

I. **Adult Trade Hardcover Editions (0, C)** *(may include some spoken word audio materials)*
High demand materials from widely distributed publishers designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles are typically released in hardback and can be either fiction or current non-fiction. Publisher promotional/media expenditures and print runs are customarily higher for these titles than for most others. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a trade edition would be: 14th Deadly Sin by James Patterson, ISBN: 9780316404021.

II. **Juvenile Trade Hardcover Editions (J)**
High demand, juvenile materials from widely distributed publishers designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles are typically released in hardback and can be either fiction or current non-fiction. Publisher promotional/media expenditures and print runs are customarily higher for these titles than for most others. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a trade edition would be: Are You Ready to Play Outside by Mo Willems, ISBN: 9781423113478.

III. **Adult Quality Paperback Editions (B, C)**
High demand paperback materials from widely distributed publishers, other than the standard rack size paperback, typically found in bookstores and other retail outlets. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a quality paperback would be: The Boys in the Boat by Daniel Brown, ISBN 9780143125471.

IV. **Juvenile Quality Paperback Editions (G)**
High demand, juvenile paperback materials from widely distributed publishers, other than the standard rack size paperback, typically found in bookstores and other retail outlets. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a quality paperback would be: Tuck Everlasting by Natalie Babbitt, ISBN: 9780312369811.

V. **Mass Market Paperback Editions (P)**
A standard rack size paperback typically found in bookstores or other retail outlets. An example of a mass market paperback would be: The City of Ember by Jeanne Duprau, ISBN: 9780375822742.

VI. **Single Edition Reinforced (R)**
A high quality binding designed to provide a long shelf life in a heavy use environment. Although the binding is fanned and glued it may not be sewn, which is typically found in the publisher library edition. Subject content can include both fictional and non-fiction works appealing to juveniles as well as adults. These bindings are identified by the publisher to Baker & Taylor. An example of a single edition reinforced binding would be: Because of Winn Dixie by Kate DiCamillo, ISBN 9780763650070.

VII. **Publisher Library Editions (Z)**
Fiction as well as non-fiction materials appealing to both juveniles and adults, designed with the rugged durability required of the environment typically found in a library setting. Publisher Library Editions are traditionally of the highest quality, usually fanned, sewn and glued to provide the greatest possible shelf life of any binding. These bindings are identified by the publisher to Baker & Taylor. An example of a publisher library edition would be: Curious George Visits the Library by Margaret Rey, ISBN: 9781599614199.

VIII. **University Press Trade Editions (A)***(may include some spoken word audio materials)*
This category would include any University Press Trade Editions, both adult and juvenile, and are subject to publisher reclassification. An example of a university press trade edition would be: Alexander McQueen: Savage Beauty by Andrew Bolton, ISBN: 9780300169782.

IX. **Text, Technical, Reference, Small Press, and/or Titles of Limited Demand (S, X, N, L, M, V, T, U, W, Letter O, 1, 4, 5, 6, 7, 8)**
Category of materials includes, but is not limited to, text, technical, reference, professional medical, small press, and some university press titles (excluding University Press Trade Editions). It includes titles purchased from publishers on a non-returnable basis, those publishers that extend little discount to Baker & Taylor, and publishers whose titles have limited sales volume based upon a semi-annual review.
It includes individual titles which do not qualify for preferred stock status (based upon a quarterly review) and individual titles which qualify for preferred stock status, but have limited demand (calculated over a rolling 12 month period). Additionally, any publisher which is not in compliance with some of Baker & Taylor's purchasing requirements could be in this category. Materials in this category are both adult and juvenile, may be of any binding and may include some spoken word audio materials.
Examples within this category would be: The Merck Index, ISBN: 9781849736701, Strategies That Work, ISBN: 9781571104816, Beauty and the East ISBN: 9781566563871, Generals of the Bulge: Leadership in the U.S. Army's Greatest Battle ISBN 9780811711999, Frankie Works the Night Shift, ISBN 9780060090951, and Floods, ISBN 9781624030031

X. **Imported English and Non-English Language Editions (F, K, 3)**
Titles produced and distributed outside of the domestic US. These titles may be of any binding type and represent various publishers. An example would be El Angel Caido by Nalini Singh, ISBN 9788490625224.

XI. **Enhanced Service Program Titles (Y/Q)**
This category includes materials where Baker & Taylor receives no discount from the publisher, or prepayment is required by the publisher, or publishers which have restrictions on returns, or books of small or non-commercial publishers with limited sales volume based upon a semi-annual review. Any publisher which is not in compliance with Baker & Taylor's purchasing requirements would be in this category. Materials in this category may be of any binding. These titles will receive no discount and are subject to a service charge. An example within this category would be: Business Income Coverage Guide, ISBN: 9781941627532.

XII. **Spoken Word Audio (H)**
Materials designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles can be either fiction or current non-fiction. An example of a spoken word audio edition would be: The Complete Sherlock Holmes by Sir Arthur Conan Doyle ISBN: 9781491542286.

XIII. **Board Books (I)**
Durable materials from widely distributed domestic publishers designed for young children; pages are manufactured of heavy gauge cardboard to prevent tearing. These editions typically feature few pages, simple themes and colorful illustrations or photographs. An example of a board book would be: Runaway Bunny by Margaret Wise Brown, ISBN: 9780061074295.

XIV. **Novelty Items/Activity Books (I)**
Specially packaged gift set or novelty item related to a book product or attached as an accessory to a book product. These items would include a book with toy, rag books, washable cloth books, books with accessories or kits, electronic sound books, sticker books, tracing books or coloring books. This category also includes any non-book merchandise such as model kits, hobby kits, flash cards or jigsaw puzzles. An example of an item in this category would be: Very Hungry Caterpillar Cookbook & Cookie Cutters Kit by Lara Starr, ISBN 9781452125527.

XV. **Special Programs (D and E as indicated in the Discount Terms and Conditions of Sale)**
Programs, formats, or editions offered only by Baker & Taylor or not included in any other category. These programs include but may not be limited to Paw Prints, FollettBound and Turtleback editions. Examples of items in this category would be: Clifford's Valentines Day by Norman Bridwell, ISBN 9781435201736 (PawPrints prebound edition) and Junie B. Jones is Captain Field Day by Barbara Park, ISBN 9780613337670 (Turtleback prebound edition)

APPENDIX 4
ENHANCED SERVICES PROGRAM

Baker & Taylor is pleased to offer a service that will save your library time and money when procuring titles from small and hard to find publishers. By utilizing B&T's vast publisher and title database, the library can purchase a wide variety of low demand and small print run titles from associations and limited edition, prepayment, and non-returnable publishers.

Baker & Taylor's Enhanced Services Program provides the library with access to millions of active book titles representing over 66,000 imprints. This breadth of coverage is greater than that of any other book industry wholesaler.

The "ESP" program builds on B&T's already outstanding publisher relations by:

- Expanding our vendor relations team responsible for the follow-up of all publisher orders, improving the speed of delivery of all titles to the library;
- Widening our publisher base to include hundreds of small non-commercial publishers formerly considered apply direct by the book industry; and
- Increasing our reporting capabilities by providing order status reports for 100% of all titles not yet published and by supplying anticipated publication release dates for all out of stock items.

This category includes material where Baker & Taylor receives no discount from the publisher or prepayment is required by the publisher or books of small, limited in demand and/or non-commercial publishers. Any publisher which is not in compliance with Baker & Taylor's purchasing requirements would be in this category. Materials in this category may be of any binding. These titles will be invoiced at list price.

For libraries concerned about purchasing these types of titles, B&T's Title Source 360™ can assist the librarian in researching a particular item's category and format. Titles will appear with a Y in the discount code field. Additionally, you may contact your Customer Service representative or Information Services via phone, fax, or email **(btinfo@baker-taylor.com)** to determine titles before placing an order.

As a convenience to the library, B&T can exclude these titles from all orders by adjusting your account profile setup. Please contact your Customer Service Representative for additional information.

APPENDIX 5 - RETURNS POLICIES

INSTITUTIONAL RETURNS
(Revised July 2015)

The following guidelines are required to ensure prompt handling of your return. All product returns (**excluding Book Leasing programs**) require prior authorization from a Customer Service Representative. ***You may contact your appropriate representative via the toll-free number listed on your packing list.***

How to Obtain Return Authorization

Please use the Return Authorization Form from your shipment's packing list to make all returns. Contact your Customer Service Representative for return authorization. ***All claims must be made within 45 days from the date of invoice.***

1. When calling for return authorization, please have the following information available:
   - A. Return Authorization Form
   - B. Your account number and ATS# from the shipment's packing list (located mid-page under the Return Authorization Form explanation)
   - C. Reason for the claim/return
   - D. Action being requested -
     1. Replacement of product
     2. Credit to your account; no replacement product necessary

2. Your Customer Service Representative will assign your return an authorization number (RTA#). To expedite the process, please clearly mark the RTA# on the Return Authorization Form and on the outside of the carton in the upper right corner from the shipping label.

3. Make your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.

4. ***Products incorrectly shipped by Baker & Taylor may be returned with authorization within 45 days of the product's date of invoice.*** Product(s) meeting the definition of Publisher defective may be returned with prior authorization within six months of the product's date of invoice. Products purchased with value-added processing services which have been shipped as ordered are considered non-returnable.

DAMAGED SHIPMENTS: If you receive a damaged carton(s) which resulted in damaged product(s), please hold the product(s), and save the carton for Carrier inspection. If the damage is visible at the time of delivery, bring it to the Carrier's attention and note it on the Bill of Lading. Then, contact your Baker & Taylor Customer Service Representative via the toll-free number listed on the packing list.

CLAIMING SHORTAGES: Please check your packing list or invoice before claiming shortages. ***All claims must be made within 45 days from the product's invoice date.*** Please ensure you have received all cartons of a shipment prior to signing for receipt from the Carrier. Cartons you have signed for as received from the Carrier are not claimable as shortages from Baker & Taylor.

INTERNATIONAL CUSTOMERS ONLY: For information on making returns of damaged, defective, or incorrect products, please contact your local International Sales Office or our International Customer Service Department (internationallibrarycustomerservice@baker-taylor.com). You may also refer to the website http://www.btol.com/international_libraries_details.cfm.

All returns should be sent to:
Baker & Taylor Returns Center
Department R
251 Mt. Olive Church Road
Commerce, GA 30599

AV RETURNS

BAKER & TAYLOR

SCENE & HEARD A/V

Library & Education Account Audio/Video Product Returns Policy
(Revised June 2016)

The following guidelines are required to ensure the prompt handling of your Audio / Video (AV) returns; Music CD, DVD, Blu-ray and 4k disc product. Note; Vinyl product is not returnable, per manufacturer's policies, and is a "one way" sale. All Music CD, DVD, Blu ray and 4K disc AV product returns **(excluding DVD/BD lease return product - please contact AV Customer Service for separate return procedures for your DVD/BD Lease program product)** require prior return authorization from an AV Customer Service Representative. ***Please contact your AV Customer Service Rep at 800-775-1200.***

How to Obtain Return Authorization

Contact your AV Customer Service Representative for return authorization numbers. ***All claims must be made within 45 days of invoice date.***

1. When calling for return authorization, please have the following information available:
   A. Your account number and invoice #s
   B. Reason for the claim/return
   C. Action being requested -
      1. Replacement of product (defective return will receive a replacement of the same title)
      2. Credit to your account; no replacement product necessary for incorrectly shipped items
      3. Overstock return credit requires Customer Service Manager and Sales Manager approval
2. Your AV Customer Service Representative will assign your return an authorization number (RA#). To expedite the process, please clearly mark the RA# on the outside of the carton in the upper right corner from the shipping label and on inserted documents.
3. Ship your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.
4. ***Products incorrectly shipped by Baker & Taylor requires an authorization to be returned. Product should be returned within seven days of invoice date; must be returned within 45 days of the product's invoice date.*** Product(s) meeting the definition of a Manufacturer's defective may be returned with a prior authorization. Products purchased with value-added processing services which have been shipped as ordered are considered non-returnable unless disc is defective. In which case a replacement of same title will be sent (multi disc sets require *all* discs to be returned).

DAMAGED SHIPMENTS: If you receive a damaged carton(s) which resulted in damaged Audio/Video product(s), please hold the product(s), and save the carton for Carrier inspection. If the damage is visible at the time of delivery, bring it to the Carrier's attention and note it on the Bill of Lading. Then, contact your **Baker & Taylor AV Customer Service Rep** via the toll-free number above.

CLAIMING SHORTAGES: Please check your packing list or invoice before claiming shortages. ***All claims must be made within 15 days from the product's invoice date.*** Please ensure you have received all cartons of a shipment prior to signing for receipt from the Carrier. Cartons you have signed for as received from the Carrier are not claimable as shortages from Baker & Taylor.

All returns with RA# should be sent promptly to:
Baker & Taylor Returns Center
Dept. R
251 Mt. Olive Church Road
Commerce, GA 30599

BAKER & TAYLOR

Continuation Services Return Policy

STANDING-ORDER CANCELLATION AND RETURN POLICY

Baker & Taylor Continuation Services is a customized standing-order program designed for public, academic and school libraries. Customers may sign up for series on a standing-order basis, and will automatically receive every publication as they become available from publishers. Due to the nature of this program, only the exact amount of required books is ordered from each publisher on behalf of profiled customers. It is therefore necessary to adhere to a firm cancellation/return policy (described below).

CANCELLATION POLICY

The customer must notify Continuation Services at 800-775-3600 at least 30 DAYS PRIOR TO PUBLICATION DATE to request the cancellation of a title or the deletion of a series from their profile.

To keep customers informed of their backordered titles, Continuation Services shipments include a Backorder Status Report. This report lists titles which a customer can expect to receive within the next three months. NOTE: Backorder Status Reports should be reviewed immediately upon receipt of shipment. Also, Master Profile Reports, a listing of all series on a customer's standing-order profile, are available upon request. Registered users may also view/maintain their standing order profiles and backordered titles via http://compass.btol.com.

RETURN POLICY

The following guidelines are required to ensure prompt handling of your return. All Continuation Services product returns require authorization from your Continuation Services Customer Account Representative in Bridgewater, New Jersey (800) 775-3600.

- Products incorrectly shipped by Baker & Taylor may be returned with authorization within 45 days of the product's date of invoice.
- Product(s) meeting the definition of Publisher defective may be returned with prior authorization within six months of the product's date of invoice.
- Products purchased with value-added processing services, which have been shipped as ordered or property stamped by your library, are considered non-returnable.
- A title, which is ordered and received through Baker & Taylor Continuation Services, cannot be returned if a duplicate is received from another source. These books should be returned to the other supplier.

HOW TO OBTAIN RETURN AUTHORIZATION

Please use the Return Authorization Form from your shipment's packing list to make all returns. Contact your Continuation Services Customer Account Representative at 800-775-3600 for return authorization. All claims for damages and shortages must be made within 45 days from the date of invoice.

1. When calling for return authorization, please have the following information available:
    a. Return Authorization Form – attached to the carton packing list
    b. Your Continuation Services "C" account number, invoice and/or ATS# from the shipment's packing list
    c. Reason for claim/return
    d. Action being requested:
        i. Replacement of product
        ii. Credit to your account; no replacement product necessary
2. Your Customer Account Representative will assign your return an authorization number (RTA#). To expedite the process, please clearly mark the RTA number on the Return Authorization Form and on the outside of the carton in the upper right corner of the shipping label. **Ship returns to: Baker & Taylor Returns Center, Dept. R, 251 Mt. Olive Church Rd. Commerce, GA 30599**
3. Make your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.

DAMAGED SHIPMENTS

If you receive a damaged carton(s), which resulted in a damaged product(s), please hold the product(s) and save the carton for carrier inspection. If the damage is visible at the time of delivery, bring it to the carrier's attention and note it on the Bill of Lading. Then, contact your Baker & Taylor Continuation Services Customer Account Representative via the toll-free number listed below.

CLAIMING SHORTAGES

Please check your packing list or invoice before claiming shortages. All shortage claims must be made within 45 days from the product's invoice date. Please ensure you have received all cartons of a shipment prior to signing for receipt from the carrier. Cartons you have signed for as received from the carrier are not claimable as shortages from Baker & Taylor.

PURCHASING & CONTRACT SERVICES
PROCUREMENT ANALYSIS

Date: Monday, June 26, 2023
To: Mr. John Cowen Jr., City Mayor
From: Mr. Lupe Granado III, Financial Services Director
CC: Mr. Damian Espinoza, Procurement and Contract Manager
Mr. Juan J. Guerra, Library Service Director

Subject: Agenda Item for the City Commission meeting of Tuesday, August 1, 2023 "Consideration and Action to award a term contract to Baker and Taylor, LLC. for the purchase of library materials and services for the Brownsville Public Library Systems. Project **#LMS-70-0523**

At the request of Mr. Juan J. Guerra, City of Brownsville Library Service Director, Procurement Division solicited a formal request for proposals for the aforementioned project.

PROJECT MILESTONES WERE ACCOMPLISHED AS FOLLOWS:

1. The legal advertisements appeared in The Brownsville Herald two (2) times: on Sunday March 19th, 2023, and Sunday March 26th 2023, and were posted on the electronic bid platform Bonfire.

2. There was one (1) addendum issued during the process.

3. Sealed Bids were received for the subject project on Tuesday, April 11th, 2023, at 2:00 P.M. A total of nine (9) submittals were received. Submittal was acknowledged by the Procurement Services staff. Submitting vendor were:

    - ABDO Publishing Co.
    - Baker & Taylor, LLC.
    - Bibliotheca LLC.
    - Ingram Library Services LLC.
    - Jerald L. Hoover Productions LLC.
    - Magazine Subscription Service Agency
    - Midwest Tape LLC.
    - The Penworthy Company LLC.
    - The Reading Warehouse Inc.

PROCUREMENT SUMMARY: Bore and trenching services for the City of Brownsville Texas

1. The Proposals were evaluated and recommends awarding the contract for the Purchase of Library Materials and Services to the responsive and responsible vendor Baker & Taylor for the amounts reflected on Exhibit A
2. The term of this contract shall commence upon approval by City Commission and shall continue until the delivery of the aforementioned.

3. Copies of the proposal submittals received were submitted to the Evaluation Committee for review via Bonfire:

   Evaluation Committee Members were:

   - Lisa Rodriguez
   - Brenda Treviño
   - Cassandra Mendez
   - Elizabeth Cruz

4. Results from the evaluation committee members determined that the top vendor was Baker & Taylor LLC.

Procurement Summary: Baker & Taylor LLC. Is eligible under this procurement for the purchase of library materials and services for the Brownsville Public Library Systems at the prices stipulated. (Exhibit A).

APPENDIX 1 - REVISED

PRICING PROPOSAL
SHELF READY CATALOGING & PROCESSING

(a) Please see Baker & Taylor's Category Definitions for full category definitions, which are attached hereto and incorporated herein by reference. Materials produced for TextStream print-on-demand services may fall into any category.

(b) Titles which receive minimal publisher discount will be invoiced at publisher's list price.

(c) Represents publishers with limited sales volume, based upon a semi-annual review. These titles may be of any binding type or publisher of origin.

(d) Represents individual titles which do not qualify for preferred stock status (based upon a quarterly review) and individual titles which qualify for preferred stock status but have limited demand (calculated over a rolling 12-month period). These titles may be of any binding type or publisher of origin.

(e) Titles where Baker & Taylor receives no discount from the publisher or prepayment is required by the publisher or publishers whose titles have limited demand and/or non-commercial publishers will be invoiced at list price.

Also, please note that:

- Publisher's list price is subject to change without notice.
- Except where otherwise noted, book discounts are applied to current publisher's list price at the time of shipment.
- Baker & Taylor reserves the sole right to be the final determinant of product categories, category definitions and price indicators. The discounts vary based on this determination.
- Titles are categorized by Baker & Taylor for pricing purposes by considering the binding, general marketing categories, demand for certain titles, preferred stock status, cost of acquisition, cost of distribution, and the size or type of publisher, as well as factors related to relationships with publishers such as shipping terms, payment terms, publisher's discount, returnability to publishers and other factors.
- Product categories, category definitions and price indicators are subject to change at Baker & Taylor's sole discretion, without notice, based upon the above-described factors for categorizing titles.
- For domestic titles where no publisher list price is assigned by the publisher, Baker & Taylor will assign such titles a price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- For imported titles where no publisher list price is assigned by the publisher for the U.S. market, Baker & Taylor will assign such titles a U.S. dollar price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- For Paw Prints and Follett Bound editions, Baker & Taylor will assign such titles a price in its electronic catalog which is based upon Baker & Taylor's estimate of market conditions.
- Titles of limited demand or from small or specialty publishers generally are included in Product Category IX or Product Category XI.
- The discount terms and conditions listed do not apply to Baker & Taylor's Approval Programs.
- Baker & Taylor provides an invoice that identifies the publisher's current list price, the discount offered, and the exact price charged for each title ordered.

Baker & Taylor, LLC
Discount Terms and Conditions of Sale (AUDIO VISUAL MATERIAL)
Brownsville Public Library

Please refer to the following Terms and Conditions of Sale for the discounts offered to the **Brownsville Public Library** for **Audio Visual Material.**

APPENDIX 3

CATEGORY DEFINITIONS

I. **Adult Trade Hardcover Editions (O, C)** *(may include some spoken word audio materials)*
High demand materials from widely distributed publishers designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles are typically released in hardback and can be either fiction or current non-fiction. Publisher promotional/media expenditures and print runs are customarily higher for these titles than for most others. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a trade edition would be: 14th Deadly Sin by James Patterson, ISBN: 9780316404021.

II. **Juvenile Trade Hardcover Editions (J)**
High demand, juvenile materials from widely distributed publishers designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles are typically released in hardback and can be either fiction or current non-fiction. Publisher promotional/media expenditures and print runs are customarily higher for these titles than for most others. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a trade edition would be: Are You Ready to Play Outside by Mo Willems, ISBN: 9781423113478.

III. **Adult Quality Paperback Editions (B, C)**
High demand paperback materials from widely distributed publishers, other than the standard rack size paperback, typically found in bookstores and other retail outlets. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a quality paperback would be: The Boys in the Boat by Daniel Brown, ISBN 9780143125471.

IV. **Juvenile Quality Paperback Editions (G)**
High demand, juvenile paperback materials from widely distributed publishers, other than the standard rack size paperback, typically found in bookstores and other retail outlets. Inventory is maintained with preferred stock status (regularly stocked in three to four major warehouses). An example of a quality paperback would be: Tuck Everlasting by Natalie Babbitt, ISBN: 9780312369811.

V. **Mass Market Paperback Editions (P)**
A standard rack size paperback typically found in bookstores or other retail outlets. An example of a mass market paperback would be: The City of Ember by Jeanne Duprau, ISBN: 9780375822742.

VI. **Single Edition Reinforced (R)**
A high quality binding designed to provide a long shelf life in a heavy use environment. Although the binding is fanned and glued it may not be sewn, which is typically found in the publisher library edition. Subject content can include both fictional and non-fiction works appealing to juveniles as well as adults. These bindings are identified by the publisher to Baker & Taylor. An example of a single edition reinforced binding would be: Because of Winn Dixie by Kate DiCamillo, ISBN 9780763650070.

VII. **Publisher Library Editions (Z)**
Fiction as well as non-fiction materials appealing to both juveniles and adults, designed with the rugged durability required of the environment typically found in a library setting. Publisher Library Editions are traditionally of the highest quality, usually fanned, sewn and glued to provide the greatest possible shelf life of any binding. These bindings are identified by the publisher to Baker & Taylor. An example of a publisher library edition would be: Curious George Visits the Library by Margaret Rey, ISBN: 9781599614199.

VIII. **University Press Trade Editions (A)***(may include some spoken word audio materials)*
This category would include any University Press Trade Editions, both adult and juvenile, and are subject to publisher reclassification. An example of a university press trade edition would be: Alexander McQueen: Savage Beauty by Andrew Bolton, ISBN: 9780300169782.

IX. **Text, Technical, Reference, Small Press, and/or Titles of Limited Demand (S, X, N, L, M, V, T, U, W, Letter O, 1, 4, 5, 6, 7, 8)**
Category of materials includes, but is not limited to, text, technical, reference, professional medical, small press, and some university press titles (excluding University Press Trade Editions). It includes titles purchased from publishers on a non-returnable basis, those publishers that extend little discount to Baker & Taylor, and publishers whose titles have limited sales volume based upon a semi-annual review.
It includes individual titles which do not qualify for preferred stock status (based upon a quarterly review) and individual titles which qualify for preferred stock status, but have limited demand (calculated over a rolling 12 month period). Additionally, any publisher which is not in compliance with some of Baker & Taylor's purchasing requirements could be in this category. Materials in this category are both adult and juvenile, may be of any binding and may include some spoken word audio materials.
Examples within this category would be: The Merck Index, ISBN: 9781849736701, Strategies That Work, ISBN: 9781571104816, Beauty and the East ISBN: 9781566563871, Generals of the Bulge: Leadership in the U.S. Army's Greatest Battle ISBN 9780811711999, Frankie Works the Night Shift, ISBN 9780060090951, and Floods, ISBN 9781624030031

X. **Imported English and Non-English Language Editions (F, K, 3)**
Titles produced and distributed outside of the domestic US. These titles may be of any binding type and represent various publishers. An example would be El Angel Caido by Nalini Singh, ISBN 9788490625224.

XI. **Enhanced Service Program Titles (Y/Q)**
This category includes materials where Baker & Taylor receives no discount from the publisher, or prepayment is required by the publisher, or publishers which have restrictions on returns, or books of small or non-commercial publishers with limited sales volume based upon a semi-annual review. Any publisher which is not in compliance with Baker & Taylor's purchasing requirements would be in this category. Materials in this category may be of any binding. These titles will receive no discount and are subject to a service charge. An example within this category would be: Business Income Coverage Guide, ISBN: 9781941627532.

XII. **Spoken Word Audio (H)**
Materials designed for the general consumer, usually dealing with a subject matter having broad mass appeal. These titles can be either fiction or current non-fiction. An example of a spoken word audio edition would be: The Complete Sherlock Holmes by Sir Arthur Conan Doyle ISBN: 9781491542286.

XIII. **Board Books (I)**
Durable materials from widely distributed domestic publishers designed for young children; pages are manufactured of heavy gauge cardboard to prevent tearing. These editions typically feature few pages, simple themes and colorful illustrations or photographs. An example of a board book would be: Runaway Bunny by Margaret Wise Brown, ISBN: 9780061074295.

XIV. **Novelty Items/Activity Books (I)**
Specially packaged gift set or novelty item related to a book product or attached as an accessory to a book product. These items would include a book with toy, rag books, washable cloth books, books with accessories or kits, electronic sound books, sticker books, tracing books or coloring books. This category also includes any non-book merchandise such as model kits, hobby kits, flash cards or jigsaw puzzles. An example of an item in this category would be: Very Hungry Caterpillar Cookbook & Cookie Cutters Kit by Lara Starr, ISBN 9781452125527.

XV. **Special Programs (D and E as indicated in the Discount Terms and Conditions of Sale)**
Programs, formats, or editions offered only by Baker & Taylor or not included in any other category. These programs include but may not be limited to Paw Prints, FollettBound and Turtleback editions. Examples of items in this category would be: Clifford's Valentines Day by Norman Bridwell, ISBN 9781435201736 (PawPrints prebound edition) and Junie B. Jones is Captain Field Day by Barbara Park, ISBN 9780613337670 (Turtleback prebound edition)

APPENDIX 4
ENHANCED SERVICES PROGRAM

Baker & Taylor is pleased to offer a service that will save your library time and money when procuring titles from small and hard to find publishers. By utilizing B&T's vast publisher and title database, the library can purchase a wide variety of low demand and small print run titles from associations and limited edition, prepayment, and non-returnable publishers.

Baker & Taylor's Enhanced Services Program provides the library with access to millions of active book titles representing over 66,000 imprints. This breadth of coverage is greater than that of any other book industry wholesaler.

The "ESP" program builds on B&T's already outstanding publisher relations by:

- Expanding our vendor relations team responsible for the follow-up of all publisher orders, improving the speed of delivery of all titles to the library;
- Widening our publisher base to include hundreds of small non-commercial publishers formerly considered apply direct by the book industry; and
- Increasing our reporting capabilities by providing order status reports for 100% of all titles not yet published and by supplying anticipated publication release dates for all out of stock items.

This category includes material where Baker & Taylor receives no discount from the publisher or prepayment is required by the publisher or books of small, limited in demand and/or non-commercial publishers. Any publisher which is not in compliance with Baker & Taylor's purchasing requirements would be in this category. Materials in this category may be of any binding. These titles will be invoiced at list price.

For libraries concerned about purchasing these types of titles, B&T's Title Source 360™ can assist the librarian in researching a particular item's category and format. Titles will appear with a Y in the discount code field. Additionally, you may contact your Customer Service representative or Information Services via phone, fax, or email **(btinfo@baker-taylor.com)** to determine titles before placing an order.

As a convenience to the library, B&T can exclude these titles from all orders by adjusting your account profile setup. Please contact your Customer Service Representative for additional information.

APPENDIX 5 - RETURNS POLICIES

INSTITUTIONAL RETURNS
(Revised July 2015)

The following guidelines are required to ensure prompt handling of your return. All product returns (**excluding Book Leasing programs**) require prior authorization from a Customer Service Representative. ***You may contact your appropriate representative via the toll-free number listed on your packing list.***

How to Obtain Return Authorization

Please use the Return Authorization Form from your shipment's packing list to make all returns. Contact your Customer Service Representative for return authorization. ***All claims must be made within 45 days from the date of invoice.***

1. When calling for return authorization, please have the following information available:
   - A. Return Authorization Form
   - B. Your account number and ATS# from the shipment's packing list (located mid-page under the Return Authorization Form explanation)
   - C. Reason for the claim/return
   - D. Action being requested -
     1. Replacement of product
     2. Credit to your account; no replacement product necessary

2. Your Customer Service Representative will assign your return an authorization number (RTA#). To expedite the process, please clearly mark the RTA# on the Return Authorization Form and on the outside of the carton in the upper right corner from the shipping label.

3. Make your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.

4. ***Products incorrectly shipped by Baker & Taylor may be returned with authorization within 45 days of the product's date of invoice.*** Product(s) meeting the definition of Publisher defective may be returned with prior authorization within six months of the product's date of invoice. Products purchased with value-added processing services which have been shipped as ordered are considered non-returnable.

DAMAGED SHIPMENTS: If you receive a damaged carton(s) which resulted in damaged product(s), please hold the product(s), and save the carton for Carrier inspection. If the damage is visible at the time of delivery, bring it to the Carrier's attention and note it on the Bill of Lading. Then, contact your Baker & Taylor Customer Service Representative via the toll-free number listed on the packing list.

CLAIMING SHORTAGES: Please check your packing list or invoice before claiming shortages. ***All claims must be made within 45 days from the product's invoice date.*** Please ensure you have received all cartons of a shipment prior to signing for receipt from the Carrier. Cartons you have signed for as received from the Carrier are not claimable as shortages from Baker & Taylor.

INTERNATIONAL CUSTOMERS ONLY: For information on making returns of damaged, defective, or incorrect products, please contact your local International Sales Office or our International Customer Service Department (internationallibrarycustomerservice@baker-taylor.com). You may also refer to the website http://www.btol.com/international_libraries_details.cfm.

All returns should be sent to:
Baker & Taylor Returns Center
Department R
251 Mt. Olive Church Road
Commerce, GA 30599

AV RETURNS

BAKER & TAYLOR

SCENE & HEARD A/V

Library & Education Account Audio/Video Product Returns Policy
(Revised June 2016)

The following guidelines are required to ensure the prompt handling of your Audio / Video (AV) returns; Music CD, DVD, Blu-ray and 4k disc product. Note; Vinyl product is not returnable, per manufacturer's policies, and is a "one way" sale. All Music CD, DVD, Blu ray and 4K disc AV product returns **(excluding DVD/BD lease return product - please contact AV Customer Service for separate return procedures for your DVD/BD Lease program product)** require prior return authorization from an AV Customer Service Representative. ***Please contact your AV Customer Service Rep at 800-775-1200.***

How to Obtain Return Authorization

Contact your AV Customer Service Representative for return authorization numbers. ***All claims must be made within 45 days of invoice date.***

1. When calling for return authorization, please have the following information available:
   A. Your account number and invoice #s
   B. Reason for the claim/return
   C. Action being requested -
      1. Replacement of product (defective return will receive a replacement of the same title)
      2. Credit to your account; no replacement product necessary for incorrectly shipped items
      3. Overstock return credit requires Customer Service Manager and Sales Manager approval
2. Your AV Customer Service Representative will assign your return an authorization number (RA#). To expedite the process, please clearly mark the RA# on the outside of the carton in the upper right corner from the shipping label and on inserted documents.
3. Ship your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.
4. ***Products incorrectly shipped by Baker & Taylor requires an authorization to be returned. Product should be returned within seven days of invoice date; must be returned within 45 days of the product's invoice date.*** Product(s) meeting the definition of a Manufacturer's defective may be returned with a prior authorization. Products purchased with value-added processing services which have been shipped as ordered are considered non-returnable unless disc is defective. In which case a replacement of same title will be sent (multi disc sets require *all* discs to be returned).

DAMAGED SHIPMENTS: If you receive a damaged carton(s) which resulted in damaged Audio/Video product(s), please hold the product(s), and save the carton for Carrier inspection. If the damage is visible at the time of delivery, bring it to the Carrier's attention and note it on the Bill of Lading. Then, contact your **Baker & Taylor AV Customer Service Rep** via the toll-free number above.

CLAIMING SHORTAGES: Please check your packing list or invoice before claiming shortages. ***All claims must be made within 15 days from the product's invoice date.*** Please ensure you have received all cartons of a shipment prior to signing for receipt from the Carrier. Cartons you have signed for as received from the Carrier are not claimable as shortages from Baker & Taylor.

All returns with RA# should be sent promptly to:
Baker & Taylor Returns Center
Dept. R
251 Mt. Olive Church Road
Commerce, GA 30599

BAKER & TAYLOR

Continuation Services Return Policy

STANDING-ORDER CANCELLATION AND RETURN POLICY

Baker & Taylor Continuation Services is a customized standing-order program designed for public, academic and school libraries. Customers may sign up for series on a standing-order basis, and will automatically receive every publication as they become available from publishers. Due to the nature of this program, only the exact amount of required books is ordered from each publisher on behalf of profiled customers. It is therefore necessary to adhere to a firm cancellation/return policy (described below).

CANCELLATION POLICY

The customer must notify Continuation Services at 800-775-3600 at least 30 DAYS PRIOR TO PUBLICATION DATE to request the cancellation of a title or the deletion of a series from their profile.

To keep customers informed of their backordered titles, Continuation Services shipments include a Backorder Status Report. This report lists titles which a customer can expect to receive within the next three months. NOTE: Backorder Status Reports should be reviewed immediately upon receipt of shipment. Also, Master Profile Reports, a listing of all series on a customer's standing-order profile, are available upon request. Registered users may also view/maintain their standing order profiles and backordered titles via http://compass.btol.com.

RETURN POLICY

The following guidelines are required to ensure prompt handling of your return. All Continuation Services product returns require authorization from your Continuation Services Customer Account Representative in Bridgewater, New Jersey (800) 775-3600.

- Products incorrectly shipped by Baker & Taylor may be returned with authorization within 45 days of the product's date of invoice.
- Product(s) meeting the definition of Publisher defective may be returned with prior authorization within six months of the product's date of invoice.
- Products purchased with value-added processing services, which have been shipped as ordered or property stamped by your library, are considered non-returnable.
- A title, which is ordered and received through Baker & Taylor Continuation Services, cannot be returned if a duplicate is received from another source. These books should be returned to the other supplier.

HOW TO OBTAIN RETURN AUTHORIZATION

Please use the Return Authorization Form from your shipment's packing list to make all returns. Contact your Continuation Services Customer Account Representative at 800-775-3600 for return authorization. All claims for damages and shortages must be made within 45 days from the date of invoice.

1. When calling for return authorization, please have the following information available:
    a. Return Authorization Form – attached to the carton packing list
    b. Your Continuation Services "C" account number, invoice and/or ATS# from the shipment's packing list
    c. Reason for claim/return
    d. Action being requested:
        i. Replacement of product
        ii. Credit to your account; no replacement product necessary
2. Your Customer Account Representative will assign your return an authorization number (RTA#). To expedite the process, please clearly mark the RTA number on the Return Authorization Form and on the outside of the carton in the upper right corner of the shipping label. **Ship returns to: Baker & Taylor Returns Center, Dept. R, 251 Mt. Olive Church Rd. Commerce, GA 30599**
3. Make your return via an insured and traceable carrier; Baker & Taylor is not liable for returns lost in transit.

DAMAGED SHIPMENTS

If you receive a damaged carton(s), which resulted in a damaged product(s), please hold the product(s) and save the carton for carrier inspection. If the damage is visible at the time of delivery, bring it to the carrier's attention and note it on the Bill of Lading. Then, contact your Baker & Taylor Continuation Services Customer Account Representative via the toll-free number listed below.

CLAIMING SHORTAGES

Please check your packing list or invoice before claiming shortages. All shortage claims must be made within 45 days from the product's invoice date. Please ensure you have received all cartons of a shipment prior to signing for receipt from the carrier. Cartons you have signed for as received from the carrier are not claimable as shortages from Baker & Taylor.

1. Purchase and provide library materials and supporting services for staff and public use.
2. Term contract is for three (3) years with the option to renew annually for two (2) one (1) year terms.

BROWNSVILLE PUBLIC LIBRARY

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	**APPROVAL** on **SECOND** and **FINAL READING** on **Ordinance Number 235-2023-013**, to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2) to allow a duplex subdivision on 2.048 acres of land in Block 39, Share 27, El Jardin Subdivision, Cameron County, Texas, located at 290 North Central Avenue, Brownsville, Texas 78521, as shown in Exhibit "A". (District 2) (Planning & Redevelopment Department)

Summary:
Property owner, Alonso Cortez, proposes to change the Zoning Designation for 2.048 acres of land in Block 39, Share 27, El Jardin Subdivision, Cameron County, Texas, located at 290 North Central Avenue, Brownsville, Texas 78521. The applicant requests to rezone the subject property from Residential Single Family (R-1) to Residential Suburban (R-2) for the purpose of establishing a duplex subdivision on the subject property.

The predominant land use in the surrounding area is single family dwelling. Additional uses, such as undeveloped land, multi-family development, and civic institution (church) are also present within proximity of the subject property.

The property is located within the Transition Central District. The request is consistent with the Future Land Use Plan.

Project Scope and Analysis:
The subject property is currently vacant and consists of 2.048 acres. A duplex subdivision consisting of approximately 12 lots is being proposed on this property. The applicant is requesting a zoning reclassification due to the current zoning (R-1) only allowing single-family homes. If granted, an (R-2) zoning designation would allow the applicant to build one duplex structure on each proposed lot. The R-2 zoning designation allows a minimum lot size of 2,000 square feet and reduced setbacks. However, the applicant is proposing 5,000 square foot lots. In general, the proposed use would be compatible and would fit within the character of the neighborhood.

Funding:

Source: Fiscal Dept. Approval Not Required

Amount: N/A

Local Contribution if Applicable: N/A

Recommendation:

There was no written or verbal opposition at the Planning and Zoning Commission meeting on June 1, 2023. The Planning and Zoning Commission approves this rezoning from Residential Single-Family District (R-1) to Residential Suburban (R-2).

The item was tabled by City Commission at 1st Reading on June 20, 2023. It will once again be presented as a 1st Reading item on July 11, 2023.

The item was approved by City Commission at 1st Reading on July 11, 2023.

ORDINANCE NUMBER 235-2023-013

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2) for 2.048 acres of land in Block 39, Share 27, El Jardin Subdivision, Cameron County, Texas, located at 290 North Central Avenue, Brownsville, Texas 78521.

Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **July 11, 2023**. Passed at First Reading on **July 11, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 1**, **2023**.

PROPERTY DETAILS

Legal Description: 2.048 acres of land in Block 39, Share 27, El Jardin Subdivision, Cameron County, Texas, located at 290 North Central Avenue, Brownsville, Texas 78521.
Roadway Frontage: The subject property is fronting North Central Avenue, a Secondary Arterial.
Predominant Land Use: The predominant land use within the area is Single-Family Dwelling.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Undeveloped Land, Single-Family Dwelling, and Multi-Family Development
East: Single-Family Dwelling and Multi-Family Development
South: Single-Family Dwelling, Civic Institution (church), and Multi-Family Development
West: Single-Family Dwelling

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Single-Family (R-1)
East: Residential Single-Family (R-1) and Residential Transition (R-3)
South: Residential Single-Family (R-1) and Commercial Corridor (CC)
West: Residential Single-Family (R-1) and Residential Transition (R-3)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Transition Central District. The average residential density should be 2 dwelling units per acre and consist primarily of single-family homes. Commercial uses should be neighborhood and service oriented, and industrial uses could include light and medium industry and warehousing. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the request to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2).

July 17, 2023

Mr. Carlos Lastra, P.E.
Director of Engineering Department
City of Brownsville
404 E. Washington Street
Brownsville, Texas 78520

Re: Exhibit A
Proposal for Engineering and Surveying Services
City of Brownsville Drainage improvements at Villa Los Pinos

Dear Mr. Lastra:

This proposal is presented under the terms and conditions established in the MASTER AGREEMENT BETWEEN ENGINEER AND OWNER (the Agreement), dated June 23, 2017, between Ambiotec Civil Engineering Group, Inc. (Engineer) and the City of Brownsville (Owner) to provide engineering and surveying services for drainage improvements (replacement/re alignment of a storm sewer line) at Villa los Pinos is listed below.

The scope of services, compensation and schedule for the proposed storm sewer replacement improvement project at Villa Los Pinos is presented below. The route is to go along Pino Verde Dr. East, Pino Verde Dr. South and the main entrance being Pine Creek Dr. and East along Arroyo Avenue towards the discharge point at the drain ditch.

SCOPE OF SERVICES

The proposed scope of Basic Services consists of the following. Perform topographical survey of existing storm sewer line; prepare construction drawings for removal and replacement of said storm sewer line; prepare contract documents and specifications; prepare bid quantities; Assist with bidding phase; Attend Prebid conference; answer contractor questions and prepare addendums related to such questions; attend preconstruction meeting.

COMPENSATION

Ambiotec proposes to perform the project scope on a lump sum basis for a total amount as shown below.

Surveying	$18,500
Design and Preparation of Construction Drawings	$44,500
Bidding Phase	$ 5,800
Construction Management	$ 8,500
Total Services	$77,300

In the event that the City requires other additional engineering and surveying services not specifically included under Basic Services, either related to the referenced projects or for additional projects, Engineer will provide a proposal outlining the scope and budget for the requested work. The budget, scope and schedule of the additional services will be negotiated with the City prior to performing the additional services, and will be established either on a time and materials basis, or on a percentage of the estimated construction cost of the proposed project, as applicable.

SCHEDULE

The above design services will be completed within a 90 day period upon which the plans will be ready to go out for bids.

Except as provided herein, all terms and conditions of the Agreement shall continue in full force and effect.

City of Brownsville

Exhibit A

PURCHASING & CONTRACT SERVICES
PROCUREMENT ANALYSIS

Date: Tuesday, July 25, 2023
To: Mrs. Helen Ramirez, City Manager
From: Mr. Lupe Granado III, Financial Services Director
CC: Mr. Damian Espinoza, Procurement and Contract Manager
Mr. Doroteo Garcia, Engineering and Public Works Director

Subject: Agenda Item for the City Commission meeting of Tuesday, August 15, 2023 "Consideration and Action item for Engineering Services for the Professional Engineering and Surveying Services for Drainage Improvements at Villa Los Pinos"

At the request Mr. Doroteo Garcia., Engineering and Public Works Director , the Procurement Division requested to invoke the Texas Local Government Code Section §252.022-(4) **GENERAL EXEMPTION** (4) a procurement for personal, Professional, or Planning Services. Government Code Section §2251.001 (2) (B) (v). **PROFESSIONAL SERVICES**. (2) Professional Services (B) Provided in connection with the professional employment or practice of a person who is licensed or registered as: (v) a physician, including a surgeon.

PROCUREMENT SUMMARY: Ambiotec Civil Engineering Group Inc. is eligible under this procurement for the term of the contract as an Engineering Firm to provide Engineering and compliance services for the City of Brownsville Engineering and Public Works Department. (Exhibit A)

AGREEMENT FOR PROFESSIONAL ENGINEERING AND SURVEYING SERVICES FOR DRAINAGE IMPROVEMENTS AT VILLA LOS PINOS FOR THE CITY OF BROWNSVILLE

DVP-127-0724

This Agreement is entered into as of Friday, July 20, 2023, between THE CITY OF BROWNSVILLE ("CITY") And Ambiotec Group. ("CONTRACTOR").

1. Documents

(a) The following documents (collectively, "Contract Documents") are hereby incorporated into and made part of this Agreement.

i. Scope of Services to be performed by Contractor and Compensation (Exhibit A)

ii. Master Agreement (Exhibit B)

iii. Certificate of Insurance (Exhibit C)

2. Scope of Services: The Contractor shall perform the following services in a professional manner:

(a) Contractor shall perform all those services as necessary and as described in Exhibit A,

(b) Contractor will perform such services related to the Project in a diligent and workmanlike manner consistent with industry standards and in accordance with the schedule, if any, set forth in the Contract Documents.

(c) By signing this Agreement, Contractor represents that it has thoroughly reviewed the Contract Documents incorporated into this Agreement by reference and that it accepts the description of the Project and the conditions under which the Project is to be performed and completed.

3. Independent Contractor; Personnel

(a) Contractor enters into this Agreement as, and shall continue to be, an independent contractor. All Services shall be performed only by Contractor and Contractor's employees. Under no circumstances shall Contractor, or any of Contractor's employees, look to City as his/her employer, or as a partner, agent or principal. Neither Contractor, nor any of Contractor's employees, shall be entitled to any benefits accorded to City's employees, including without limitation worker's compensation, disability insurance, vacation or sick pay. Contractor shall be responsible for providing, at Contractor's expense, and in Contractor's name, unemployment, disability, worker's compensation and other insurance, as well as any and all licenses and permits usual or necessary for conducting the Services. Contractor shall be responsible for paying all applicable local, state and federal taxes.

(b) Contractor represents and warrants to City that its employees performing work hereunder will have sufficient expertise, training, licensure (if applicable) and experience to accomplish the Services.

(c) Contractor shall not subcontract any portion of the work required by this Agreement, except as provided in the Contract Documents. City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's written consent. In the event Contractor engages any subcontractor in the performance of this Agreement, Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Agreement. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions.

4. Term of Contract

Contractor is authorized to commence work under this contract upon execution of the agreement and with notice to proceed from the City. Contractor shall perform and complete its obligations herein in a prompt and continuous manner, so as to not delay the completion of the Project in accordance with the schedules as described in Exhibit A. This agreement shall remain effective for a period which may reasonably be required for the completion of the Project, acceptance by an authorized representative of the City, exhaustion of authorized funds, or termination as provided in this agreement, whichever occurs first.

5. Compensation.

(a) Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit A. It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services pursuant and related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Service.

(b) Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided. Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the City's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

6. Insurance.

(a) The Contractor shall furnish proof of insurance requirements as indicated below. The coverage is to remain in force at all times during the contract period. The following minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Brownsville, Texas, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

(b) The City of Brownsville shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

(c) The Contractor's insurance must be provided by an A.M. Best's "A-"rated or better insurance company authorized to issue insurance policies in the State of Texas, subject to approval by the City of Brownsville Department of Safety and Risk Management. Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for work contemplated in this solicitation shall be deemed unacceptable and shall be considered breach of contract.

i. Workers' Compensation and Employers' Liability Insurance

Minimum Limits Consistent with Texas Worker's Compensation Act (Section 401):

1. $100,000 bodily injury each accident
2. $500,000 bodily injury by disease policy limit
3. $100,000 Bodily injury by disease each employee

Any firm performing work for or on behalf of the City of Brownsville must provide Workers' Compensation insurance.

ii. Commercial General Liability Insurance

Covering premises-operations, products-completed operations, independent contractors and contractual liability.

Limits: Combined single limit bodily injury/property damage $1,000,000.

This coverage must include, but not limited to:

1. Coverage for the liability assumed by the contractor under the indemnity provision of the contract.
2. Coverage for Premises/Operations
3. Products/Completed Operations
4. Broad Form Contractual Liability
5. Independent Contractors

iii. Professional Liability Insurance

Professional Liability Insurance in the amount not less than the projected total amount of the assigned project. This coverage will be adjusted to reflect the scope of work for each project.

iv. Automobile Liability Insurance

Covering all owned, hired and non-owned automobile equipment.

Limits:	Bodily injury	$250,000 each person, $500,000 each occurrence
	Property damage	$100,000 each occurrence

7. Termination.

(a) *Termination for Cause.* The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

(b) *Termination for Convenience.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor, for City's right to terminate this Agreement for convenience.

(c) *Cancellation for Non-appropriated Funds.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for non-appropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

(d) *Force Majeure.* The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

i. The nonperforming party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

ii. The excuse of performance is of no greater scope and of no longer duration than is reasonably necessary when considered in light of the Force Majeure.

iii. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

iv. The non-performing party uses its best efforts to remedy its inability to perform.

v. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of sixty (60) days, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

8. Materiality and Waiver of Breach.

(a) City and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9. Indemnification by Consultant.

CONSULTANT AGREES TO DEFEND, INDEMNIFY AND HOLD THE CITY AND ITS RESPECTIVE OFFICERS, AGENTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, FINES, PENAL TIES, COSTS AND EXPENSES FOR ALL PROPERTY DAMAGE OR OTHER HARM OR VIOLATIONS FOR WHICH RECOVERY OF DAMAGES, FINES, OR PENAL TIES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY CONSULTANT'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS CONTRACT, VIOLATIONS OF LAW, OR BY ANY NEGLIGENT, GROSSLY NEGLIGENT, INTENTIONAL, OR STRICTLY LIABLE ACT OR OMISSION OF THE CONSULTANT, ITS OFFICERS, AGENTS, EMPLOYEES, INVITEES, SUBCONTRACTORS, OR SUB- SUBCONTRACTORS AND THEIR RESPECTIVE OFFICERS, AGENTS, OR REPRESENTATIVES, OR ANY OTHER PERSONS OR ENTITIES FOR WHICH THE CONSULTANT IS LEGALLY RESPONSIBLE IN THE PERFORMANCE OF THIS CONTRACT. THE CITY DOES NOT WAIVE ANY GOVERNMENTAL IMMUNITY OR OTHER DEFENSES AVAILABLE TO IT UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

CONSULTANT AT ITS OWN EXPENSE IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS. CITY RESERVES THE RIGHT TO PROVIDE A PORTION OR ALL OF ITS OWN DEFENSE; HOWEVER, CITY IS UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY CITY IS NOT TO BE CONSTRUED AS A WAIVER OF CONSULTANT'S OBLIGATION TO DEFEND CITY OR AS A WAIVER OF CONSULTANT'S OBLIGATION TO INDEMNIFY CITY PURSUANT TO THIS AGREEMENT. CONSULTANT SHALL RETAIN DEFENSE COUNSEL WITHIN SEVEN (7} BUSINESS DAYS OF CITY'S WRITTEN NOTICE THAT CITY IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF CONSULTANT FAILS

TO RETAIN COUNSEL WITHIN THE REQUIRED TIME PERIOD, CITY SHALL HAVE THE RIGHT TO RETAIN

DEFENSE COUNSEL ON ITS OWN BEHALF AND CONSULTANT SHALL BE LIABLE FOR ALL COSTS INCURRED BY THE CITY.

10. Miscellaneous Provisions.

(a) *Successors and Assigns.* All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

(b) *Choice of Law.* The laws of the state of Texas shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

(c) *No Waiver of Governmental Immunity.* NOTHING IN THIS SECTION SHALL BE CONSTRUED TO WAIVE CITY'S GOVERNMENTAL IMMUNITY FROM LAWSUIT, WHICH IMMUNITY IS EXPRESSLY RETAINED TO THE EXTENT IT IS NOT CLEARLY AND UNAMBIGUOUSLY WAIVED BY STATE LAW.

(d) *Assignment.* Contractor shall not assign any of Contractor's rights under this Agreement or delegate the performance of any of Contractor's duties hereunder, without the prior written consent of the City.

(e) *Modification or Amendment.* No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties hereto.

(f) *Venue.* This Agreement and any and all matters arising directly or indirectly here from shall be governed by and construed and enforced in accordance with the Laws of the State of Texas, with the Federal and State Courts of Cameron County, Texas having jurisdiction. (b) If at any time there is a dispute between or among the Parties with respect to any matter arising directly or indirectly from this Agreement (an "Agreement Matter"), the Parties agree that, prior to seeking judicial remedy, they will engage in face-to-face negotiations in an attempt to resolve such dispute and shall, upon failing to negotiate a mutually satisfactory resolution, choose a mutually agreeable neutral third party to mediate such dispute. Mediation shall be non-binding and shall be confidential.

Notices. Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

If to Contractor: Ambiotec Group
5420 Paredes Line Rd
Brownsville, TX. 78520

If to City: City of Brownsville
1001 East Elizabeth St.
Brownsville, TX, 78520

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

(g) *Entire Understanding.* This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

(h) *Unenforceability of Provisions.* If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above.

Re: Exhibit A
Proposal for Engineering and Surveying Services
City of Brownsville Drainage improvements at Villa Los Pinos

Dear Mr. Lastra:

This proposal is presented under the terms and conditions established in the MASTER AGREEMENT BETWEEN ENGINEER AND OWNER (the Agreement), dated June 23, 2017, between Ambiotec Civil Engineering Group, Inc. (Engineer) and the City of Brownsville (Owner) to provide engineering and surveying services for drainage improvements (replacement/re alignment of a storm sewer line) at Villa los Pinos is listed below.

The scope of services, compensation and schedule for the proposed storm sewer replacement improvement project at Villa Los Pinos is presented below. The route is to go along Pino Verde Dr. East, Pino Verde Dr. South and the main entrance being Pine Creek Dr. and East along Arroyo Avenue towards the discharge point at the drain ditch.

SCOPE OF SERVICES

The proposed scope of Basic Services consists of the following. Perform topographical survey of existing storm sewer line; prepare construction drawings for removal and replacement of said storm sewer line; prepare contract documents and specifications; prepare bid quantities; Assist with bidding phase; Attend Prebid conference; answer contractor questions and prepare addendums related to such questions; attend preconstruction meeting.

COMPENSATION

Ambiotec proposes to perform the project scope on a lump sum basis for a total amount as shown below.

Surveying	$18,500
Design and Preparation of Construction Drawings	$44,500
Bidding Phase	$ 5,800
Construction Management	$ 8,500
Total Services	$77,300

In the event that the City requires other additional engineering and surveying services not specifically included under Basic Services, either related to the referenced projects or for additional projects, Engineer will provide a proposal outlining the scope and budget for the requested work. The budget, scope and schedule of the additional services will be negotiated with the City prior to performing the additional services, and will be established either on a time and materials basis, or on a percentage of the estimated construction cost of the proposed project, as applicable.

SCHEDULE

The above design services will be completed within a 90 day period upon which the plans will be ready to go out for bids.

Except as provided herein, all terms and conditions of the Agreement shall continue in full force and effect.

Exhibit A

End of Exhibit A

INDEPENDENT CONTRACTOR AGREEMENT

FOR AN ON CALL TERM CONTRACT FOR ENGINEERING, SURVEYING, STREET DRAINAGE IMPROVEMENTS AND MISCELLANEOUS SERVICES PROJECTS FOR THE CITY OF BROWNSVILLE RFQ # QES-40-0620

This Agreement is entered into as of Friday, October 2, 2020, between THE CITY OF BROWNSVILLE ("CITY") and. AMBIOTEC GROUP, INC. ("CONTRACTOR").

1. Documents

(a) The following documents (collectively, "Contract Documents") are hereby incorporated into and made part of this Agreement.

i. Schedule of Services and duties to be performed by Contractor (Exhibit A);

ii. Compensation provisions and schedule (Exhibit B).

2. Scope of Services

(a) Contractor shall perform the Services as specified in the Contract Documents and under the general direction of City. Unless otherwise specified herein Contractor and City agree that the scope of services is a description of Contractor's obligations and responsibilities, and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are an integral and inseparable part of the services described in the Contract Documents, the exclusion of which would render performance by Contractor impractical, illogical or unconscionable.

(b) Contractor will perform such Services with[JL1] that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions and in accordance with the schedule, set forth in the Contract Documents.

(c) By signing this Agreement, Contractor represents that it has thoroughly reviewed the Contract Documents incorporated into this Agreement by reference and that it accepts the description of the services and the conditions under which the service is to be performed and completed.

3. Independent Contractor; Personnel

(a) Contractor enters into this Agreement as, and shall continue to be, an independent contractor. All Services shall be performed only by Contractor and Contractor's employees. Under no circumstances shall Contractor, or any of Contractor's employees, look to City as his/her employer, or as a partner, agent or principal. Neither Contractor, nor any of Contractor's employees, shall be entitled to any benefits accorded to City's employees, including without limitation worker's compensation, disability insurance, vacation or sick pay. Contractor shall be responsible for providing, at Contractor's expense, and in Contractor's name, unemployment, disability, worker's compensation and other insurance, as well as any and all licenses and permits usual or necessary for conducting the Services. Contractor shall be responsible for paying all applicable local, state and federal taxes.

(b) Contractor represents and warrants to City that its employees performing Services hereunder will have sufficient expertise, training, licensure (if applicable) and experience to accomplish the Services.

(c) Contractor shall not subcontract any portion of the services required by this Agreement, except as provided in the Contract Documents. City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's written consent. In the event Contractor engages any subcontractor in the performance of this Agreement, Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Agreement. Contractor shall be fully responsible for all of Contractor's subcontractors'

performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions.

4. Term of Agreement.

Contract will commence upon City Commission approval and shall expire October 5, 2021. The City of Brownsville reserves the unilateral right to extend the life of the contract for two (2) periods of one (1) year each thereafter; if mutually acceptable to the supplier and the City of Brownsville.

5. Compensation.

(a) Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit A & B. It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor 's services pursuant and related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of services required by or which can be reasonably inferred from the Scope of Services.

(b) Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided. Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective services that has not been remedied or resolved in a manner satisfactory to the City's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

6. Insurance.

(a) The Contractor shall furnish proof of insurance requirements as indicated below. The coverage is to remain in force at all times during the contract period. The following minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Brownsville, Texas, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

(b) The City of Brownsville shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

(c) The Contractor's insurance must be provided by an A.M. Best's "A-"rated or better insurance company authorized to issue insurance policies in the State of Texas, subject to approval by the City of Brownsville Department of Safety and Risk Management. Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for services contemplated in this solicitation shall be deemed unacceptable, and shall be considered breach of contract.

i. Workers' Compensation and Employers' Liability Insurance

Minimum Limits Consistent with Texas Worker's Compensation Act (Section 401):

1. $100,000 bodily injury each accident
2. $500,000 bodily injury by disease policy limit
3. $100,000 Bodily injury by disease each employee

Any firm performing services for or on behalf of the City of Brownsville must provide Workers' Compensation insurance.

ii. Commercial General Liability Insurance

Covering premises-operations, products-completed operations, independent contractors and contractual liability.

Limits: Combined single limit bodily injury/property damage $1,000,000.

This coverage must include, but not limited to:

1. Coverage for the liability assumed by the contractor under the indemnity provision of the contract.
2. Coverage for Premises/Operations
3. Products/Completed Operations
4. Broad Form Contractual Liability
5. Independent Contractors

iii. Professional Liability Insurance

Professional Liability Insurance in the amount not less than the projected total amount of the assigned project. This coverage will be adjusted to reflect the scope of services for each project.

iv. Automobile Liability Insurance

Covering all owned, hired and non-owned automobile equipment.

Limits:	Bodily injury	$250,000 each person, $500,000 each occurrence
	Property damage	$100,000 each occurrence

7. Termination.

(a) *Termination for Cause.* The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Services to the City's satisfaction; or failure to continuously perform the services in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

(b) *Termination for Convenience.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor, for City's right to terminate this Agreement for convenience.

(c) *Cancellation for Non-appropriated Funds.* The City reserves the right, in its best interest as determined by the City, to cancel this contract for non-appropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

(d) *Force Majeure.* The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any

circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

i. The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

ii. The excuse of performance is of no greater scope and of no longer duration than is reasonably necessary when considered in light of the Force Majeure;

iii. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

iv. The non-performing party uses its best efforts to remedy its inability to perform.

v. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of sixty (60) days, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

8. Materiality and Waiver of Breach.

(a) City and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9. Miscellaneous Provisions.

(a) *Successors and Assigns.* All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

(b) *Choice of Law.* The laws of the state of Texas shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

(c) *No Waiver of Governmental Immunity.* NOTHING IN THIS SECTION XVI SHALL BE CONSTRUED TO WAIVE CITY'S GOVERNMENTAL IMMUNITY FROM LAWSUIT, WHICH IMMUNITY IS EXPRESSLY RETAINED TO THE EXTENT IT IS NOT CLEARLY AND UNAMBIGUOUSLY WAIVED BY STATE LAW.

(d) *Assignment.* Contractor shall not assign any of Contractor's rights under this Agreement, or delegate the performance of any of Contractor's duties hereunder, without the prior written consent of the City.

(e) *Modification or Amendment.* No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties hereto.

(f) *Venue.* This Agreement and any and all matters arising directly or indirectly herefrom shall be governed by and construed and enforced in accordance with the Laws of the State of Texas, with the Federal and State Courts of Cameron County, Texas having jurisdiction. (b) If at any time there is a dispute between or among the Parties with respect to any matter arising directly or indirectly from this Agreement (an "Agreement Matter"), the Parties agree that, prior to seeking judicial remedy, they will engage in face-to-face negotiations in an attempt to resolve such dispute and shall, upon failing to negotiate a mutually-satisfactory resolution, choose a mutually agreeable neutral third party to mediate such dispute. Mediation shall be non-binding and shall be confidential.

(g) *Notices.* Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

Attn: Qualified Firms

RE: Statement of Qualifications for Engineering, Surveying and Misc. Services QES-25-0417

We would like to thank you for your partnership during our previous contracts and your collaboration beyond your current contract requirement. For firms that are new to our rotation of qualified firms, we welcome you to the City of Brownsville as part of the first phase of the qualification procurement process.

City of Brownsville Staff has reviewed all qualifications and has taken into consideration your background to proceed with the second phase of the procurement process. The purpose of phase two is to establish how the financial aspect of this potential partnership will be solidified. The process for requesting your expertise will be similar to how we have done it in the past with the exception of several minor modifications:

1. Submission of work will be labeled as work orders (# will be provided by COB)
2. All work orders/proposals will be sent without terms and conditions
    a. All terms and conditions will be part of the master agreement established/executed

The City believes we have identified a new structure that will assist with projects budgetary accessibility that will build upon our current or new potential partnerships. In doing so, we have concluded that the below breakdown and supplemental information is a viable path that will allow all Firms and the City of Brownsville to continue our partnership into years to come.

1. Fee (construction cost) will be based on Engineering Estimates (not actual bids submitted)
    a. *Small Projects:*
        i. Projects not exceeding $100,000 are on a 8.75%
    b. *Mid-Sized Projects:*
        i. Projects from $100,000 to $3 Million are on a 7.5 %
    c. *Large Projects:*
        i. Projects over $3 million construction cost on a 6.5%

2. Surveying will be negotiated on a case by case basis.

Once again, we thank you for your partnership and we look forward to your response.

Respectfully,

If to Contractor: AMBIOTEC GROUP, INC.
5420 Paredes Line Rd
Brownsville, TX 78526

If to City: City of Brownsville
1001 East Elizabeth St.
Brownsville, TX 78520

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

(h) *Entire Understanding.* This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

(i) *Unenforceability of Provisions.* If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above.

RE: QES-40-0620 Term Contract for Engineering, Surveying, Street Drainage Improvements and Miscellaneous Services Projects for the City of Brownsville

Please be advised that the original contract with Ambiotec Groups, Inc was awarded on October 5, 2020, for a term contract for Engineering, Surveying, Street Drainage Improvements and Miscellaneous Services Projects for the City of Brownsville expired on October 2, 2021.

The City of Brownsville would like to exercise the option under Section 2 of Page 2 of the Contract:

4. Term of Agreement.

The initial contract period shall commence on **October 5, 2020**, and shall end on **October 5, 2021**, **with** two (2) additional one (1) year extension for a total of three (3) years ending on **October 5, 2023**, if mutually acceptable to the supplier and the City of Brownsville. The City of Brownsville reserves the unilateral right to cancel the contract with a 30-day notice.

I would like to officially request to **renew** term contract number QES-40-0620 from October 5, 2022, to October 5, 2023. All cost, terms and conditions shall remain firm from the initial contract period and for the renewal period.

The City of Brownsville would like to thank you for your collaboration throughout this term contract and look forward to any future potential partnerships.

Thank you,

Dr. Antonio L. Caldwell

EXHIBIT "B"

END OF EXHIBIT "B"

EXHIBIT "C"

INSURANCE

Contractor shall obtain and maintain insurance coverage as agreed in paragraph 7 of the City of Brownsville Contract Agreement and ensure that coverage with the parameters contained herein remains in full force at all times during the contract period as follows:

1. **Workers' Compensation and Employers' Liability Insurance**

   Minimum Limits Consistent with Texas Worker's Compensation Act (Section 401):

   1. $100,000 bodily injury each accident
   2. $500,000 bodily injury by disease policy limit
   3. $100,000 Bodily injury by disease each employee

   Any firm performing work for or on behalf of the City of Brownsville must provide Workers' Compensation insurance.

2. **Commercial General Liability Insurance**

   Covering premises-operations, products-completed operations, independent contractors and contractual liability, with a combined single limit bodily injury/property damage of $1,000,000. This coverage must include, but not be limited to:

   1. Coverage for the liability assumed by the contractor under the indemnity provision of the contract.
   2. Coverage for Premises/Operations
   3. Products/Completed Operations
   4. Broad Form Contractual Liability
   5. Independent Contractors

3. **Automobile Liability Insurance**

   Covering all owned, hired and non-owned automobile equipment with the following Limits:

   1. Bodily injury

      $250,000 each person,

      $500,000 each occurrence

   2. Property damage

      $100,000 each occurrence

CITY OF BROWNSVILLE
ORDINANCE NO. 2023-1724

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS, AMENDING CHAPTER 2, "ADMINISTRATION", ARTICLE IV, "BOARDS, COMMITTEES, COMMISSIONS", DIVISION 1, "GENERALLY" OF THE CODE OF ORDINANCES, CITY OF BROWNSVILLE, TEXAS, TO ADOPT SECTION 2-311 THROUGH SECTION 2-322, TO BE TITLED CITY BOARD POLICIES; PROVIDING SAVINGS, REPEALING AND SEVERABILITY CLAUSES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Brownsville, Texas (the "City") is a Home Rule Municipality acting under its Charter adopted by the electorate pursuant to Article XI, Section 5 of the Texas Constitution and Chapter 9 of the Texas Local Government Code; and

WHEREAS, the City is authorized by Texas Local Government Code §51.001 to adopt or amend any ordinance that is for the good government, peace, or order of the municipality or for the trade and commerce of the municipality; and

WHEREAS, the City Commission of the City has previously enacted ordinances and resolutions creating various boards, commissions, and committees ("City Boards"); and

WHEREAS, these City Boards advise the City Commission on matters related to City policies, planning and programming, and/ or fulfilling statutory responsibilities of the City; and

WHEREAS, the City Commission now deems it advisable and necessary to update the City Board policies and codify the aforementioned policies into the City's Code of Ordinances, thereby regulating the operation of and appointment to the City's various boards, commissions, and committees; and

WHEREAS, the City Commission deems it necessary, expedient, and in the best interest of the City to adopt the below revisions.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS:

Section 1. Incorporation of Premises. The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

Section 2. Amendments. Chapter 2, "Administration", Article IV, "Boards, Committees, Commissions", Division 1, "Generally" of the Code of Ordinances, is hereby amended to adopt section 2-311 through section 2-322, to be titled "City Board Policies", to read entirely as follows:

Chapter 2 – ADMINISTRATION

ARTICLE IV. - BOARDS, COMMITTEES, COMMISSIONS

DIVISION 1. - GENERALLY

Secs. 2-311.- Purpose.

To encourage qualified individuals to serve on city boards, to increase the information available to the public regarding service on city boards, and to make the commission aware of qualified individuals who may be willing to serve on city boards. The City Commission recognizes that the City is best served by boards and advisory bodies that reflect the geographic distribution and diversity of the community they serve. The Commission also recognizes that the needs of the City and the agencies are best met when qualified candidates are matched to the boards' individual requirements.

Secs. 2-312.- Applicability.

These rules shall generally apply as follows:

This division shall apply generally to all city boards with the exception that, in the case of a conflict between this division and state law, or the city charter, state law or the city charter shall prevail.

The procedures relating to the Commission's appointment of board members shall apply to all City Boards, including the Brownsville PUB, the GBIC a Type-A corporation, and the BCIC a Type-B corporation.

In the event of a conflict, between this division and any bylaw provision of any internal city board (but not the Brownsville Public Utilities Board,) this division shall control.

If any provision of this division is held unenforceable, then such provision will be modified to reflect the parties' intention. All remaining provisions of this division shall remain in full force and effect.

Secs. 2-313. – Definitions.

The following words shall have the meanings ascribed to them by this section:

(a) ADVISORY BOARD means a City Board that exists to provide the City Commission advice on the subject matter assigned to the board by the Commission or by statute. An advisory board shall provide advice through its annual report, unless another method is established by statute, City Charter, ordinance, resolution, or minute entry. Because such boards are solely advisory in nature, the City Commission has ultimate authority and can accept, reject, or amend such advice.

(b) BOARD or CITY BOARD means a board, committee, or commission of the City which is established by statute, City Charter, ordinance, resolution, or minute entry.

(c) BOARD LIAISON means the city staff member assigned by the City Manager, or their designee, to work and provide support to the board. The board liaison’s role is to:

a. Prepare meeting agendas, staff reports and supporting information to the City Board prior to meetings.

b. Ensure compliance with the Texas Open Meetings Act, where applicable.

c. Prepare board recommendations to the City Commission and make presentations to the City Commission on behalf of the City Board.

d. Respond to board member requests for information related to the business of the board.

e. Board members do not have authority over the work program of city staff. Rather, the liaison acts as an information resource and provides technical assistance. City Board members may not direct city staff in the performance of their commission-related activities, nor can they assign projects or direct the work of staff. A City Board may request staff's assistance on various projects; however, the City Manager, or their designee, must approve all requests which create a substantial demand for a work product.

(d) CHAIR means the presiding officer of a board, whether appointed by the City Commission or elected by the other members of the board.

(e) CONFLICTS OF INTEREST means the Texas Conflicts of Interest Law, V.T.C.A., and Local Government Code Section 171.001 et seq., aimed at local officials' conflict of interest. Under the measure, if a local official (or his/her close relative) stands to gain a financial benefit from a matter pending before a public agency upon which the official serves, the person must publicly disclose his/her interest in such matters and then abstain from voting on it.

(f) GOVERNMENTAL BODY means every deliberative body having rule or quasi-judicial power and classified as a department, agency, entity, or political subdivision of the City.

(g) MEETING means a deliberation between a quorum of a governmental body, or between a quorum of a governmental body and another person, during which public business or public policy over which the governmental body has supervision or control is discussed or considered during which the governmental body takes formal action.

(h) MEMBER means a duly appointed member of a City Board.

(i) REGULAR MEETING means a regularly scheduled meeting established by state statute, City Charter, ordinance, resolution, or minute entry and may be scheduled weekly, monthly, semimonthly, or quarterly, as the responsibilities of the board necessitate, at a location within a building open to the public.

(j) SPECIAL MEETING or SPECIAL CALLED MEETING means a meeting called by the chair at any time, or called by the chair upon written request of members comprising of at least a required number of members per the City Charter, ordinance, resolution or City Board's bylaws.

Secs. 2-314. – Appointment Process for Board Appointment.

(a) Each City Commission member is responsible for making nominations for City Board places assigned to him or her, which corresponds to the City Commission member's place. Individual City Commission members make nominations to the full City Commission for the governing body's approval or disapproval. The City Commission will make every reasonable attempt to ensure that the geographical diversity of the different city districts are fairly represented on all boards. On all boards having six or more appointed members, such board shall consist of a board member from of the respective district: all others may be selected from the qualified candidates as determined by the commission. In the event there fails to be a qualified candidate from an individual district, the commission may, in their discretion, select a qualified candidate from an individual district, the commission may, in its discretion, select a qualified candidate from any other district or, if no residing requirement, from the entire number of qualified candidates regardless of the district they reside. City Commission members may consider an individual's qualifications, willingness to serve, application information in selecting nominations for service, and any prior board service/attendance, as applicable.

(b) The Department Directors shall promptly notify the City Secretary of any current or anticipated vacancies on city boards and committees. The members of the City Commission should also actively recruit candidates who wish to apply for service on City boards and committees.

(c) The City Secretary shall post and advertise on the City's web page current and upcoming vacancies in city boards and committees. All applicants shall complete an application packet containing and execute a conflict of interest statement before being considered for service on any city committee. The City Secretary will gather all applications which meet the minimum eligibility criteria set forth in this division and submit them to the City Commission. The applications will be considered to be on file and effective for one year. The City Commission, during a posted public meeting, may only consider applicants whose completed applications are on file no less than 15 days prior to consideration for appointment to a board or committee.

(d) The members of the City Commission shall make their motions to appoint from the names of qualified candidates who have a valid application on file and who are eligible for a term on said board/committee. The City Commission may also, subject to each commissioner's right to make nominations, in its discretion, vote to consider other applicants who have completed applications and conflict of interest statements on file with the City Secretary's office who may have missed the application deadline.

Secs. 2-315. – Application Process Applicable to Mayoral Appointments.

Texas Law gives the Mayor of a municipality the unilateral authority to make certain appointments. [TLGC Sec. 392.031] The following procedure is advisory only. The Mayor should, any time he/she wishes to make an appointment, notify the City Secretary of the vacancy, who shall post and advertise on the City's web page current and upcoming vacancies in applicable City Boards. Any interested applicant seeking an appointment should complete an application packet containing and execute a conflict of interest statement before being considered for a mayoral appointment for service on any City Board. The City Secretary will gather all applications which meet the minimum eligibility criteria set forth in this division and submit them to the Mayor and City Commissioners for review. The Mayor shall announce the name of the appointee at a City Commission meeting. Such a policy ensures that the Commissioners and the public are informed of who was appointed by the Mayor.

Secs. 2-316. – Eligibility Criteria.

(a) **Written Application**. A signed, current application form is required for consideration for service on a board or committee. Applications are considered current for one (1) year after the original submittal, after which the application will be removed from consideration. The applicant may reapply and submit a new application.

(b) **Residency**. Unless the authorizing ordinance or law creating or otherwise governing a board or committee specifically requires otherwise, appointees should be residents of the City of Brownsville, Texas. However, the City Commission may also appoint an individual to a City Board if otherwise permitted by law, where that individual has established a business in Brownsville, provided significant civic or community service within Brownsville, or who has otherwise demonstrated prior significant willingness to serve the community in Brownsville, Texas. The same shall apply to appointments made for the Greater Brownsville Incentives Corporation (GBIC a Type-A corporation) and the Brownsville Community Improvement Board (BCIC a Type-B corporation) where permitted by state law.

(c) **Criminal Check**. No individual may serve on any city board or committee who has a felony conviction or who has, within the past ten years, been convicted of any crime of moral turpitude.

(d) **Vendors or Grantees**. No individual who is presently a city vendor, or who presently owns a substantial interest in any company which is a city vendor, is eligible to sit on a city board which contracts directly with that vendor. No individual who has obtained business incentives from a city board, or individual who owns a substantial interest in any company which has obtained business incentives from any city board, may serve on that same city board or committee within five years of receiving such incentives.

Secs. 2-317. – Term of Office, Attendance, and Multiple Service.

(a) **Terms of Office.** All terms shall be two (2) years unless otherwise provided by state law or ordinance.

(b) **Appointments**. Appointments shall be made quarterly, and appointments are effective when made, unless the appointment is made for filling a vacancy, in which case the appointment shall be for the remainder of the term filled. The Commission can fill any unexpired term with an appointment from any qualified individual who has an application and conflict of interest waiver on file with the city secretary.

(c) **Attendance**. A City Board member shall attend seventy-five percent (75%) of the regular meetings to be considered for reappointment. Any Board member or committee member who has three consecutive unexcused absences from a regular meeting shall be automatically deemed to have resigned from his/her appointment with no further action by the City Commission. A special called meeting will not reset the three consecutive regular meetings. The following criteria are automatically excused absences: personal or family illness, death of a family member, jury duty, service in the armed forces, testifying before the legislature, attending a seminar involving municipal

matters of importance to the member's duties, or an absence necessary for the member's business or employment. At the request of a member, the board a member serves on may also consider excusing an absence that does not fall within the criteria for automatically excused absences if approved by a majority vote of the members present.

(d) **Term Limits**. The recommended limit for service on a City Board is two (2) consecutive two-year terms; however, the City Commission may appoint a member to a longer term of service if approved by a majority of the City Commission present at a meeting.

(e) **Continued Service**. A City Board member is immediately eligible for all other City Boards upon completion of term limits on the current City Board.

(f) **Multiple Service**. City Board members shall not serve concurrently on more than two City Boards. If members at the time of this section's enactment are serving on more than two City Boards, they shall complete their current terms as provided by their appointments unless otherwise removed from a position in accordance with City Ordinance or state law.

(g) **Family Service**. No spouses or individuals related within one degree of consanguinity or affinity may simultaneously serve on the same city board. Spouses and individuals related within one degree of consanguinity or affinity may serve on different city boards provided they comply with any statutes or rules pertaining to conflict of interest.

(h) **Removal**. The City Commission may remove any board member at any time, with or without cause, including but not limited to the failure to attend seventy-five percent (75%) of board meetings. This shall not apply to Boards whose removal is governed by the city charter or state statute, in which case the city charter or state statute will control. The procedures relating to removal of board members shall apply to all city boards, including the GBIC and the BCIC, whose Board members serve at the will of the City Commission. The procedures relating to removal of board members shall not apply to the Brownsville PUB as the provisions for the removal of Brownsville PUB Directors are established by City Charter.

Secs. 2-318. – Official Notification; Acceptance.

(a) After the City Commission appoints a person to serve as a member of a board, the City Secretary, or Board Liaison, shall notify the person of the appointment. The notification shall contain a form of acceptance of appointment to be returned to the City Secretary by the appointee. Board Members reappointed to City Boards that are advisory in nature will be notified by letter and will be asked to notify the City Secretary's office if they decline the appointment. Board members reappointed to City Boards that are more than advisory in nature must complete and return the "acceptance of appointment" form to the City Secretary.

(b) The appointee must return the signed acceptance of appointment to the City Secretary within 10 calendar days from the date of receiving notice of the appointment or reappointment, as in the case of City Boards that are more than advisory in nature. If the City Secretary does not receive the signed acceptance of appointment within the required 10 days, then that board position shall be considered vacant and a new appointment made.

(c) The appointee must take the required Open Government training and provide certificates of completion to the City Secretary within 90 days of appointment or be subject to removal by the City Commission.

(d) The appointee must submit the required personal finance statement required by Chapter 38, Ethics Ordinance.

(e) A letter of gratitude shall be sent to each retiring member.

Secs. 2-319. – Oath of Office; Orientation and Training.

(a) Pursuant to the City Charter, City Board members are required to take one or more oaths of office. The corresponding Board Liaison is also responsible for ensuring all documents finalizing the appointment processes have been completed before allowing a member to participate in a meeting.

(b) City Board members are required to participate in training session(s) provided by the City. These training sessions will be scheduled as a regular agenda item by the Board Liaison. Members are also required to complete open government training through the Texas Attorney General's Office. Upon completion of training, members must submit a completed certificate to the City Secretary. Board Liaisons are encouraged to meet with "new" appointees well in advance of the first meeting to provide a general overview of the board's responsibilities, agenda/meeting process, and any other issues relevant to the board, commission, or committee.

Secs. 2-320. – Meeting Procedures.

(a) Board meetings are governed by Robert's Rules of Order and the board's bylaws.

(b) Each Board shall adopt the City's standard board bylaws. A bylaw amendment is not effective unless approved by the City Commission after review by the Office of the City Attorney.

(c) Boards may adopt special rules of procedure as required. A board's special rules of procedure may not conflict with state or federal law, the board's bylaws, or the City Charter and Code of Ordinances.

(d) Advisory Boards are not subject to Texas Open Meetings Act ("TOMA") quorum requirements but must post the agenda at least 72 hours before the stated meeting time. All other City Boards must comply with TOMA.

Secs. 2-321. – Nondiscrimination.

The City of Brownsville is committed to providing an inclusive and welcoming environment for all members of our community and to ensuring that board and committee appointments are based on individuals' abilities and qualifications. Consistent with this principle and applicable laws, it is,

therefore, the City's policy not to discriminate in making appointments to its boards and committees on the basis of race, color, gender, national origin, age, religion, creed, disability, veteran's status, sexual orientation, gender identity or gender expression. Such a policy ensures that only relevant factors are considered and that equitable and consistent standards of conduct and performance are applied.

Secs. 2-322. – Nonwaiver

This division is intended as a procedural guide for the City Commission and is not intended to establish any property right or procedural right as to any board appointment, which appointments are totally discretionary with the City Commission. The City Commission shall have the right to modify or change this division.

The right to make an appointment to any City Board is a discretionary right that belongs to the City Commission or, in several cases where required by statute, the Mayor. The City Commission does not, through the adoption of this division, abandon or cede any of its discretionary rights to make appointments.

This division is intended as a guide for the City Boards and shall not create any property right or right to procedural due process or due course of law under the constitutions of the State of Texas or the United States. The City Commission reserves the right to change or eliminate this procedure at any time it feels, at its discretion, if it no longer best serves the interests of the City of Brownsville.

Section 3. Savings/Repealing Clause. All provisions of any ordinance in conflict with this Ordinance are hereby repealed to the extent they are in conflict; but such repeal shall not abate any pending prosecution for violation of the repealed ordinance, nor shall the repeal prevent a prosecution from being commenced for any violation if occurring prior to the repeal of the ordinance. Any remaining portions of said ordinances shall remain in full force and effect.

Section 4. Severability. Should any section, subsection, sentence, clause, phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. Brownsville hereby declares that it would have passed this Ordinance, and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional or invalid.

Section 5. Effective Date. Pursuant to the City Charter, this Ordinance shall become effective upon its second and final reading and passage.

Section 6. Open Meetings. That it is hereby found and determined that the meeting at which this Ordinance was passed was open to the public as required by law, and that public notice of the time, place and purpose of said meeting was given, all as required by Article 551.041, Texas Government Code.

DRAFT

CITY OF BROWNSVILLE POLICY ON BOARD AND COMMISSION MEMBER APPOINTMENT AND ELIGIBILITY
(Approved: October 02, 2018)

I. PURPOSE:

To encourage qualified individuals to serve on city boards, to increase the information available to the public regarding service on city boards, to make the commission aware of qualified individuals who may be willing to serve on city boards. The City Commission recognizes that the City is best served by boards and advisory bodies that reflect the geographic distribution and diversity of the community they serve. The Commission also recognizes that the needs of the City and the agencies are best met when qualified candidates are matched to the boards' individual requirements.

II. APPOINTMENT PROCESS FOR BOARD APPOINTMENT BY THE CITY COMMISSION

The Department Directors shall promptly notify the City Secretary of any current or anticipated vacancies on city boards and committees. The members of the City Commission should also actively recruit candidates who wish to apply for service on City boards and committees.

The City Secretary shall post and advertise on the City's web page current and upcoming vacancies in city boards and committees. All applicants shall complete an application packet containing and execute a conflict of interest statement before being considered for service on any city committee. The City Secretary will gather all applications which meet the minimum eligibility criteria set forth in this policy and submit them to the City Commission. The applications will be considered to be on file and effective for one year. The City Commission, during a posted public meeting, may only consider applicants whose completed applications are on file no less than 15 days prior to consideration for appointment to a board or committee.

All Board members will be elected by the City Commission as provided by state law, the city charter or the relevant bylaws. The City Commission will make every reasonable attempt to insure that geographical diversity of the different city districts are fairly represented on all boards. On all boards having six or more appointed members, such board shall consist of a board member from of the respective district: all others may be selected from the qualified candidates as determined by the commission. In the event there fails to be a qualified candidate from an individual district, the commission may, in their discretion, select a qualified candidate from an individual district, **the** ***commission may, in its discretion, select a qualified candidate from any other district or, if no residing requirement, from the entire number of qualified candidates regardless of the district they reside.***

The members of the Commission shall make their motions to appoint from the names of qualified candidates who have a valid application on file and who are eligible for a term on said board/committee. The Commission may also, subject to each commissioners right to make nominations, in its discretion, vote to consider other applicants who have completed applications and conflict of interest statements on file with the City Secretary's office who may have missed the application deadline.

III. APPLICATION PROCESS APPLICABLE TO MAYORAL APPOINTMENTS

Texas Law gives the Mayor of a municipality the unilateral authority to make certain appointments. [TLGC Sec. 392.031] The following procedure is advisory only. The Mayor should, any time he wishes to make an appointment, notify the city secretary of the vacancy, who shall post and advertise on the city's web page current and upcoming vacancies in applicable City boards and committees. Any interested applicant seeking an appointment should complete an application packet containing and execute a conflict of interest statement before being considered for a mayoral appointment for service on any city board / committee. The City Secretary will gather all applications which meet the minimum eligibility criteria set forth in this policy and submit them to the Mayor and Commissioners for review. The Mayor shall announce the name of the appointee at a City Commission meeting. Such a policy ensures that the Commissioners and the public are informed of who was appointed by the Mayor.

IV. ELIGIBILITY CRITERIA

(a) Written Application. A signed, current application form is required for consideration for service on a board or committee. Applications are considered current for one (1) year after original submittal, after which the application will be removed from consideration. The applicant may reapply and submit a new application.

(b) Residency. Unless the authorizing ordinance or law creating or otherwise governing a board or committee specifically requires otherwise, appointees should be residents of the City of Brownsville, Texas. However, the Commission may also appoint an individual to a city board if otherwise permitted by law, where that individual has established a business in Brownsville, provided significant civic or community service within Brownsville or who has otherwise demonstrated prior significant willingness to serve the community in Brownsville, Texas. The same shall apply to appointments made the Greater Brownsville Incentives Corporation (GBIC a Type-A corporation) and the Brownsville Community Improvement Board (BCIC a Type-B corporation) where permitted by state law.

(c) Criminal Check. No individual may serve on any city board or committee who has a felony conviction or who has, within the past ten years, been convicted of any crime of moral turpitude.

(d) Vendors or Grantees. No individual who is presently a city vendor, or who presently owns a substantial interest in any company which is a city vendor, is eligible to sit on a city board which contracts directly with that vendor. No individual who has obtained business incentives from a city board, or individual who owns a substantial interest in any company which has obtained business incentives from any city board, may serve on that same city board or committee within five years of receiving such incentives.

V. TERM OF OFFICE, ATTENDANCE AND MULTIPLE SERVICE

(a) All terms shall be two (2) years unless otherwise provided by state law or ordinance.

(b) Appointments. Appointments shall be made twice a year, and appointments are effective when made, unless the appointment is made for filling a vacancy in which case the appointment shall be for the remainder of the term filled. The Commission can fill any unexpired term with an appointment from any qualified individual who has an application and conflict of interest waiver on file with the city secretary.

(c) Attendance. A board or commission member shall attend seventy-five percent (75%) of the board meetings to be considered for reappointment. Any Board member or committee member who has three consecutive unexcused absences shall be automatically deemed to have resigned from his/her appointment with no further action by the commission.

(d) Term Limits. The recommended limit for service on a board or commission is two (2) consecutive two-year terms; however circumstances shall allow for longer member service at the discretion of the City Commission.

(e) Continued Service. A board or commission member is immediately eligible for all other boards and commissions upon completion of term limits on current board or commission.

(f) Multiple Service. Board and commission members shall not serve concurrently on more than one board or commission. If members at the time of this section's enactment are serving on more than one board or commission, they shall complete their current terms as provided by their appointments unless otherwise removed from a position in accordance with City Ordinance or State Law. This section will become effective immediately upon the date of enactment by the City Commission.

(g) Family Service. No spouses or individuals related within one degree of consanguinity or affinity may simultaneously serve on the same city board. Spouses and individuals related within one degree of consanguinity or affinity may serve on different city boards provided they comply with any statutes or rules pertaining to conflict of interest.

(h) Removal. The City Commission may remove any board member at any time, with or without cause, including but not limited to the failure to attend seventy-five percent (75%) of board meetings. This shall not apply to Boards whose removal is governed by the city charter or state statute, in which case the city charter or state statute will control. The procedures relating to removal of board members shall apply to all city boards, including the GBIC and the BCIC, whose Board members serve at the will of the City Commission. The procedures relating to removal of board members shall not apply to the Brownsville PUB as the provisions for removal of PUB Directors are established by City Charter.

VI. OFFICIAL NOTIFICATION.

A letter of appointment shall be sent to each member appointed to a board or commission. A letter of gratitude shall be sent to each retiring member.

VII. NONDISCRIMINATION.

The City of Brownsville is committed to providing an inclusive and welcoming environment for all members of our community and to ensuring that board and committee appointments are based on individuals' abilities and qualifications. Consistent with this principle and applicable laws, it is therefore the City's policy not to discriminate in making appointments to its boards and committees on the basis of race, color, gender, national origin, age, religion, creed, disability, veteran's status, sexual orientation, gender identity or gender expression. Such a policy ensures that only relevant factors are considered and that equitable and consistent standards of conduct and performance are applied.

VIII. SAVINGS CLAUSE

These rules shall apply generally as follows:

This policy shall apply generally to all city boards with the exception that, in the case of a conflict between this policy and state law, or the city charter, state law or the city charter shall prevail.

The procedures relating to the Commission's appointment of board members shall apply to all City Boards, including the Brownsville PUB, the GBIC a Type-A corporation, and the BCIC a Type-B corporation.

In the event of a conflict, between this policy and any bylaw provision of any internal city board (but not the Brownsville Public Utilities Board,) this policy shall control.

If any provision of this policy is held unenforceable, then such provision will be modified to reflect the parties' intention. All remaining provisions of this policy shall remain in full force and effect.

IX. NON WAIVER

This policy is intended as a procedural guide for the City Commission and is not intended to establish any property right or procedural right as to any board appointment which appointments are totally discretionary with the City Commission. The City Commission shall have the right to modify or change this policy.

The right to make an appointment to any City Board is a discretionary right which belongs to the City Commission or, in several cases where required by statute, the Mayor. The City Commission does not, through adoption of this policy, abandon or cede any of its discretionary rights to make appointments.

This policy is intended as a guide for the Commissions and shall not create any property right or right to procedural due process or due course of law under the constitutions of the State of Texas or the United States. The Commission reserves the right to change or eliminate this procedure at any time it feels, in its discretion, it no longer best serves the interests of the City of Brownsville.

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	Public Hearing and **ACTION** on **FIRST READING** on **Ordinance Number 235-2023-014**, to rezone from Agricultural (AG) to Residential Suburban (R-2) to allow a duplex subdivision on a 30.67-acre tract of land out of Block 4, Chicago Gardens Subdivision, Cameron County, Texas, located on South Minnesota Avenue, Brownsville, Texas 78521, as shown in Exhibit "A". (District 1) (Planning & Redevelopment Department)

Summary:
Property owner, Rolando Garza, proposes to change the Zoning Designation for a 30.67-acre tract of land out of Block 4, Chicago Gardens Subdivision, Cameron County, Texas, located on South Minnesota Avenue, Brownsville, Texas 78521. The applicant requests to rezone the subject property from Agricultural (AG) to Residential Suburban (R-2) for the purpose of establishing a duplex subdivision.

The predominant land use in the surrounding area is single-family dwelling. Additional uses, such as undeveloped land, public school, and airport are also present within proximity of the subject property.

The property is located within the Employment Hub District. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:
The subject property consists of approximately 30.67 acres located in southern Brownsville within proximity of the airport. Currently, the targeted number of lots is 150; however, this number is subject to change due to lot size requirements, dedicated right-of-way, easements, required detention, as well as other development design standards. As stated, this development will primarily consist of duplex lots; yet single-family homes in the form of detached dwellings and townhomes will also be incorporated. The applicant is requesting a zoning reclassification due to the current zoning (AG) only allowing agricultural uses and single-family homes on large lots (1 acre or more). The proposed (R-2) zoning would allow duplexes and single-family homes

(detached or townhomes). The required lot size for this zoning district is a minimum of 5,000 square feet for detached single-family homes and duplex, and 2,000 square feet for townhomes.

Funding:

Source: Fiscal Dept. Approval Not Required

Amount: N/A

Local Contribution if Applicable: N/A

Recommendation:

There was no written or verbal opposition at the Planning and Zoning Commission meeting on July 6, 2023. The Planning and Zoning Commission approves this rezoning from Agricultural (AG) to Residential Suburban (R-2).

ORDINANCE NUMBER 235-2023-014

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Agricultural (AG) to Residential Suburban (R-2) for a 30.67-acre tract of land out of Block 4, Chicago Gardens Subdivision, Cameron County, Texas, located on South Minnesota Avenue, Brownsville, Texas 78521.

Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **August 1, 2023**. Passed at First Reading on **August 1, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 15**, **2023**.

To the Zoning Department of Brownsville, Texas.

My plan is to subdivide the 30+ acre lot, located on Minnesota Avenue, into roughly 150 lots that are 6,000 square feet or bigger to accommodate duplex and/or townhomes. I have attached a preliminary plot plan that shows the structure of the subdivision, so you may have a better understanding of my plans. The plot is currently broken down into three taxable units that include property tax ID's: 74-2150-0040-0300-10, 74-2150-0040-0300-00, and 74-2150-0040-200-00.

The numbers and data clearly show that Brownsville is growing at an unprecedented rate. Brownsville needs to be ready with affordable housing to allow our growing local population and the thousands of employees that the LNG and SpaceX corporations are bringing to thrive and want to continue to live locally. The subdivision made with duplex housing is just what is needed. Typically, the people that are coming to Brownsville do so with their families or start families once they arrive here. They need somewhere to live so they may truly make Brownsville their home. My 30-acre subdivision will help reduce the strain of the raising local rent rates and will help increase our local tax revenue. I have verbal agreements with a number of local builders for multiple purchases of these lots. Additionally, local real estate agents whom I have spoken to are excited at the prospect of so many lots (specifically for residential duplex use) coming into the market. In the open market today, there very few empty lots where homeowners can build duplexes/townhomes.

The need for this subdivision is clear and I would like to proceed to the next step with this project. With your help, I can rezone this property from Agriculture to Residential Suburban (R-2) and move forward with the planning and development of this project.

Thank you

Rolando Garza

STAFF REPORT

Planning & Redevelopment Department
Zoning Division
1034 E. Levee St. 2nd Floor
Brownsville, TX 78520
(956) 548-6150

APPLICATION DETAILS

Applicant/Representative: Rolando Garza
Property Address: South Minnesota Avenue
Application Type: Rezone
Current Zoning: Agricultural (AG)
Application Date: June 1, 2023
CC Meeting Dates: 1st – August 1, 2023/ 2nd – August 15, 2023
Overlay(s): N/A
No. of Mail-outs: 75

Geo ID: 74-2150-0040-0200-00
Case No.: 235-2023-014
Proposed Use: Duplex Subdivision
Proposed Zoning: Residential Suburban (R-2)
P&Z Date: July 6, 2023
Electoral District: 1
Annexation Year: 1995
Opposition: No Verbal or Written Opposition

PROPERTY DETAILS

Legal Description: A 30.67-acre tract of land out of Block 4, Chicago Gardens Subdivision, Cameron County, Texas, located on South Minnesota Avenue, Brownsville, Texas 78521.
Roadway Frontage: The subject property is fronting South Minnesota Avenue, a local street.
Predominant Land Use: The predominant land use within the area is Single-Family Dwelling.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Undeveloped Land and Single-Family Dwelling
East: Undeveloped Land, Single-Family Dwelling, and Airport
South: Undeveloped Land and Single-Family Dwelling
West: Undeveloped Land, Single-Family Dwelling, and Public School

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Suburban (R-2), Residential Transition (R-3), and Light Industrial (LI)
East: Agriculture (AG) and Light Industrial (LI)
South: Agriculture (AG), Residential Suburban (R-2), Residential Transition (R-3), and Traditional Neighborhood Corridor (TN-C)
West: Residential Suburban (R-2) and Residential Transition (R-3)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Employment Hub District. Land uses in the Employment Hub District are half industrial, with a healthy mixture of all other land uses. Residential land uses should be primarily single family, duplex, and triplex with an average density of 4 dwelling units per acre. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the zoning request from Agricultural (AG) to Residential Suburban (R-2).

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	Public Hearing and **ACTION** on **FIRST READING** on **Ordinance Number 235-2023-015**, to rezone from Agricultural (AG) to Residential Single-Family (R-1) to allow a single-family residence on a 0.333-acre tract of land, out of Lot 1, Block 1, Villa Nueva Subdivision, Cameron County, Texas, located at 2893 Old Military Road, Brownsville, Texas 78520, as shown in Exhibit "A". (District 4) (Planning & Redevelopment Department)

Summary:
Property owner, Joe de la Fuente, proposes to change the Zoning Designation for a 0.333-acre tract of land, out of Lot 1, Block 1, Villa Nueva Subdivision, Cameron County, Texas, located at 2893 Old Military Road, Brownsville, Texas 78520. The applicant requests to rezone the subject property from Agricultural (AG) to Residential Single-Family (R-1) to allow a single-family residence.

The predominant land use in the surrounding area is single-family dwelling. Additional uses, such as undeveloped land, are also present within the vicinity.

The property is located within the Gateway Corridor. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:
The subject property has an approximate area of 0.333 acre and is currently site to a single-family home. Mr. de la Fuente wishes to sell off the subject 0.333 acre from the 6.79-acre parent tract to the family residing in the existing home. To comply with the required minimum lot size, the property must be rezoned from Agriculture (AG), which requires a minimum lot size of 40,000 square feet, to Residential Single-Family (R-1), which requires a minimum lot size of 5,000 square feet.

After an analysis of the area, staff finds that the proposed use would be compatible with surrounding residential uses.

Funding:

Source: Fiscal Dept. Approval Not Required

Amount: N/A

Local Contribution if Applicable: N/A

Recommendation:

There was no written or verbal opposition at the Planning and Zoning Commission meeting on July 6, 2023. The Planning and Zoning Commission approves this rezoning from Agriculture (AG) to Residential Single-Family (R-1).

Commission Pillar:

Planning & Redevelopment

ORDINANCE NUMBER 235-2023-015

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Agricultural (AG) to Residential Single-Family (R-1) for 0.333-acre tract of land, out of Lot 1, Block 1, Villa Nueva Subdivision, Cameron County, Texas, located at 2893 Old Military Road, Brownsville, Texas 78520.

Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **August 1, 2023**. Passed at First Reading on **August 1, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 15**, **2023**.

Application Type: Rezone
Current Zoning: Agricultural (AG)
Application Date: June 2, 2023
CC Meeting Dates: 1st – August 1, 2023/ 2nd – August 15, 2023
Overlay(s): N/A
No. of Mail-outs: 9

Geo ID: 78-6210-0010-0010-00
Case No.: 235-2023-015
Proposed Use: Single-Family Dwelling
Proposed Zoning: Residential Transition (R-1)
P&Z Date: July 6, 2023
Electoral District: 4
Annexation Year: 1999
Opposition: No Verbal or Written Opposition

PROPERTY DETAILS

Legal Description: 0.333-acre tract of land, out of Lot 1, Block 1, Villa Nueva Subdivision, Cameron County, Texas, located at 2893 Old Military Road, Brownsville, Texas 78520.
Roadway Frontage: The subject property is fronting Old Military Road, a local street.
Predominant Land Use: The predominant land use within the area is Single-Family Dwelling.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Single-Family Dwelling
East: Undeveloped Land and Single-Family Dwelling
South: Undeveloped Land
West: Undeveloped Land and Single-Family Dwelling

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Estate (RE) and Commercial Corridor (CC)
East: Agriculture (AG)
South: Agriculture (AG) and Residential Estate (RE)
West: Agriculture (AG) and Residential Estate (RE)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Gateway Corridor. Gateway Corridors are primarily residential and have an average of 0.25 dwelling units per acre on large lots, with some ranch and agricultural uses. Commercial, institutional, community facility, and industrial uses should be minimally intrusive on the landscape and be small in scale and form. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the zoning request from Agricultural (AG) to Residential Single-Family (R-1).

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	Public Hearing and **ACTION** on **FIRST READING** on **Ordinance Number 235-2023-016**, to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2) to allow a duplex subdivision on 23.136 acres out of Block 148, El Jardin Subdivision, Espiritu Santo Grant, Cameron County, Texas, located on the intersection of Robindale Road and Morrison Road, Brownsville, Texas 78526, as shown in Exhibit "A". (District 2) (Planning & Redevelopment Department)

Summary:

Property owner, Sutter Estates, LLC., proposes to change the Zoning Designation for 23.136 acres out of Block 148, El Jardin Subdivision, Espiritu Santo Grant, Cameron County, Texas, located on the intersection of Robindale Road and Morrison Road, Brownsville, Texas 78526. The applicant requests to rezone the subject property from Residential Single Family (R-1) to Residential Suburban (R-2) for the purpose of establishing a duplex subdivision.

The predominant land use in the surrounding area is undeveloped land. Additional uses, such as single-family dwelling and school district facilities are also present within proximity of the subject property.

The property is located within the Transition Central District and Town Corridor. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:

The subject property was originally intended to be a single-family development consisting of 65 lots with an average size of 8,000 square feet. However, due to changes in the market, the property owner wishes to reduce the number of lots to convert the development from single family to duplex. The new approximate lot count could range between 55 to 60 lots with a square footage exceeding the originally proposed 8,000 square feet. The applicant is requesting a zoning reclassification due to the current zoning (R-1) only allowing detached single-family homes. The R-2 zoning would allow the duplex use on each lot. In general, the proposed use would be compatible and would fit within the character of the neighborhood.

Funding:

Source: Fiscal Dept. Approval Not Required

Amount: N/A

Local Contribution if Applicable: N/A

Recommendation:

There was no written or verbal opposition at the Planning and Zoning Commission meeting on July 6, 2023. The Planning and Zoning Commission approves this rezoning from Residential Single-Family District (R-1) to Residential Suburban (R-2).

ORDINANCE NUMBER 235-2023-016

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Residential Single-Family (R-1) to Residential Suburban (R-2) for 23.136 acres out of Block 148, El Jardin Subdivision, Espiritu Santo Grant, Cameron County, Texas, located on the intersection of Robindale and Morrison Road, Brownsville, Texas 78526.

Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **August 1, 2023**. Passed at First Reading on **August 1, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 15**, **2023**.

Applicant/Representative: Sutter Estates LLC. / Oscar Chavez
Property Address: Robindale Road and Morrison Road
Application Type: Rezone
Current Zoning: Residential Single Family (R-1)
Application Date: June 2, 2023
CC Meeting Dates: 1st – August 1, 2023/ 2nd – August 15, 2023
Overlay(s): N/A
No. of Mail-outs: 17

Geo ID: 74-7960-1480-0100-00
Case No.: 235-2023-016
Proposed Use: Duplex Subdivision
Proposed Zoning: Residential Suburban (R-2)
P&Z Date: July 6, 2023
Electoral District: 2
Annexation Year: 2022
Opposition: No Verbal or Written Opposition

PROPERTY DETAILS

Legal Description: 23.136 acres out of Block 148, El Jardin Subdivision, Espiritu Santo Grant, Cameron County, Texas, located at the intersection of Robindale Road and Morrison Road, Brownsville, Texas 78526.
Roadway Frontage: The subject property is fronting Morrison Road, a Secondary Arterial.
Predominant Land Use: The predominant land use within the area is Undeveloped Land.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Undeveloped Land, Single-Family Dwelling, and Extraterritorial Jurisdiction (ETJ)
East: Undeveloped Land and Extraterritorial Jurisdiction (ETJ)
South: Brownsville Independent School District Facility
West: Undeveloped Land and Single-Family Dwelling

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Estate (RE) and Residential Single-Family (R-1)
East: Extraterritorial Jurisdiction (ETJ)
South: Residential Single-Family (R-1) and Residential Transition (R-3)
West: Residential Single-Family (R-1)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Transition Central and Town Corridor. Transition Central recommends an average residential density should be 2 dwelling units per acre and consist primarily of single-family homes. Commercial uses should be neighborhood and service oriented, and industrial uses could include light and medium industry and warehousing. Town Corridors are primarily residential, with an average of 3 dwelling units per acre and consist of single-family homes. Commercial uses should be neighborhood-oriented office and retail, ideally independently owned business, and shops. Town Corridors are highly suitable for adult and child daycare facilities, schools and education and recreation centers. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the zoning request from Residential Single Family (R-1) to Residential Suburban (R-2).

(District 3) (Planning & Redevelopment Department)

Summary:
Property owner, Hosanna World Changers Church, Inc., proposes to change the Zoning Designation for a 7.62-acre tract out of Block 180, El Jardin Subdivision Shares 19 & 27, Espiritu Santo Grant, Cameron County, Texas, located 2400 Dr. Hugh Emerson Road, Brownsville, Texas 78526. The applicant requests to rezone the subject property from Residential Estate (RE) to Residential Transition (R-3) for the purpose of establishing a multi-family development.

The predominant land use in the surrounding area is undeveloped land. Additional uses, such as single-family dwelling, commercial business, and religious assembly are also present within proximity of the subject property.

The property is located within the Employment Hub and the Town Corridor. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:
The subject property has an area of 7.62 acres and is currently site to an existing church. The applicant is requesting a zoning reclassification due to the current zoning (RE) only allowing large single-family estates. A development consisting of 3 units, or more, is categorized as multi-family and requires a minimum zoning designation of (R-3). It is important to point out that the proposed zoning designation (R-3) may allow a density of up to 30 dwelling units per acre if all zoning and commercial requirements are met. A development proposal has not yet been submitted to staff to determine the density. Staff finds that the proposed development

compliments the surrounding commercial, residential, and religious assembly uses. In general, the project would be compatible and would fit within the character of the neighborhood.

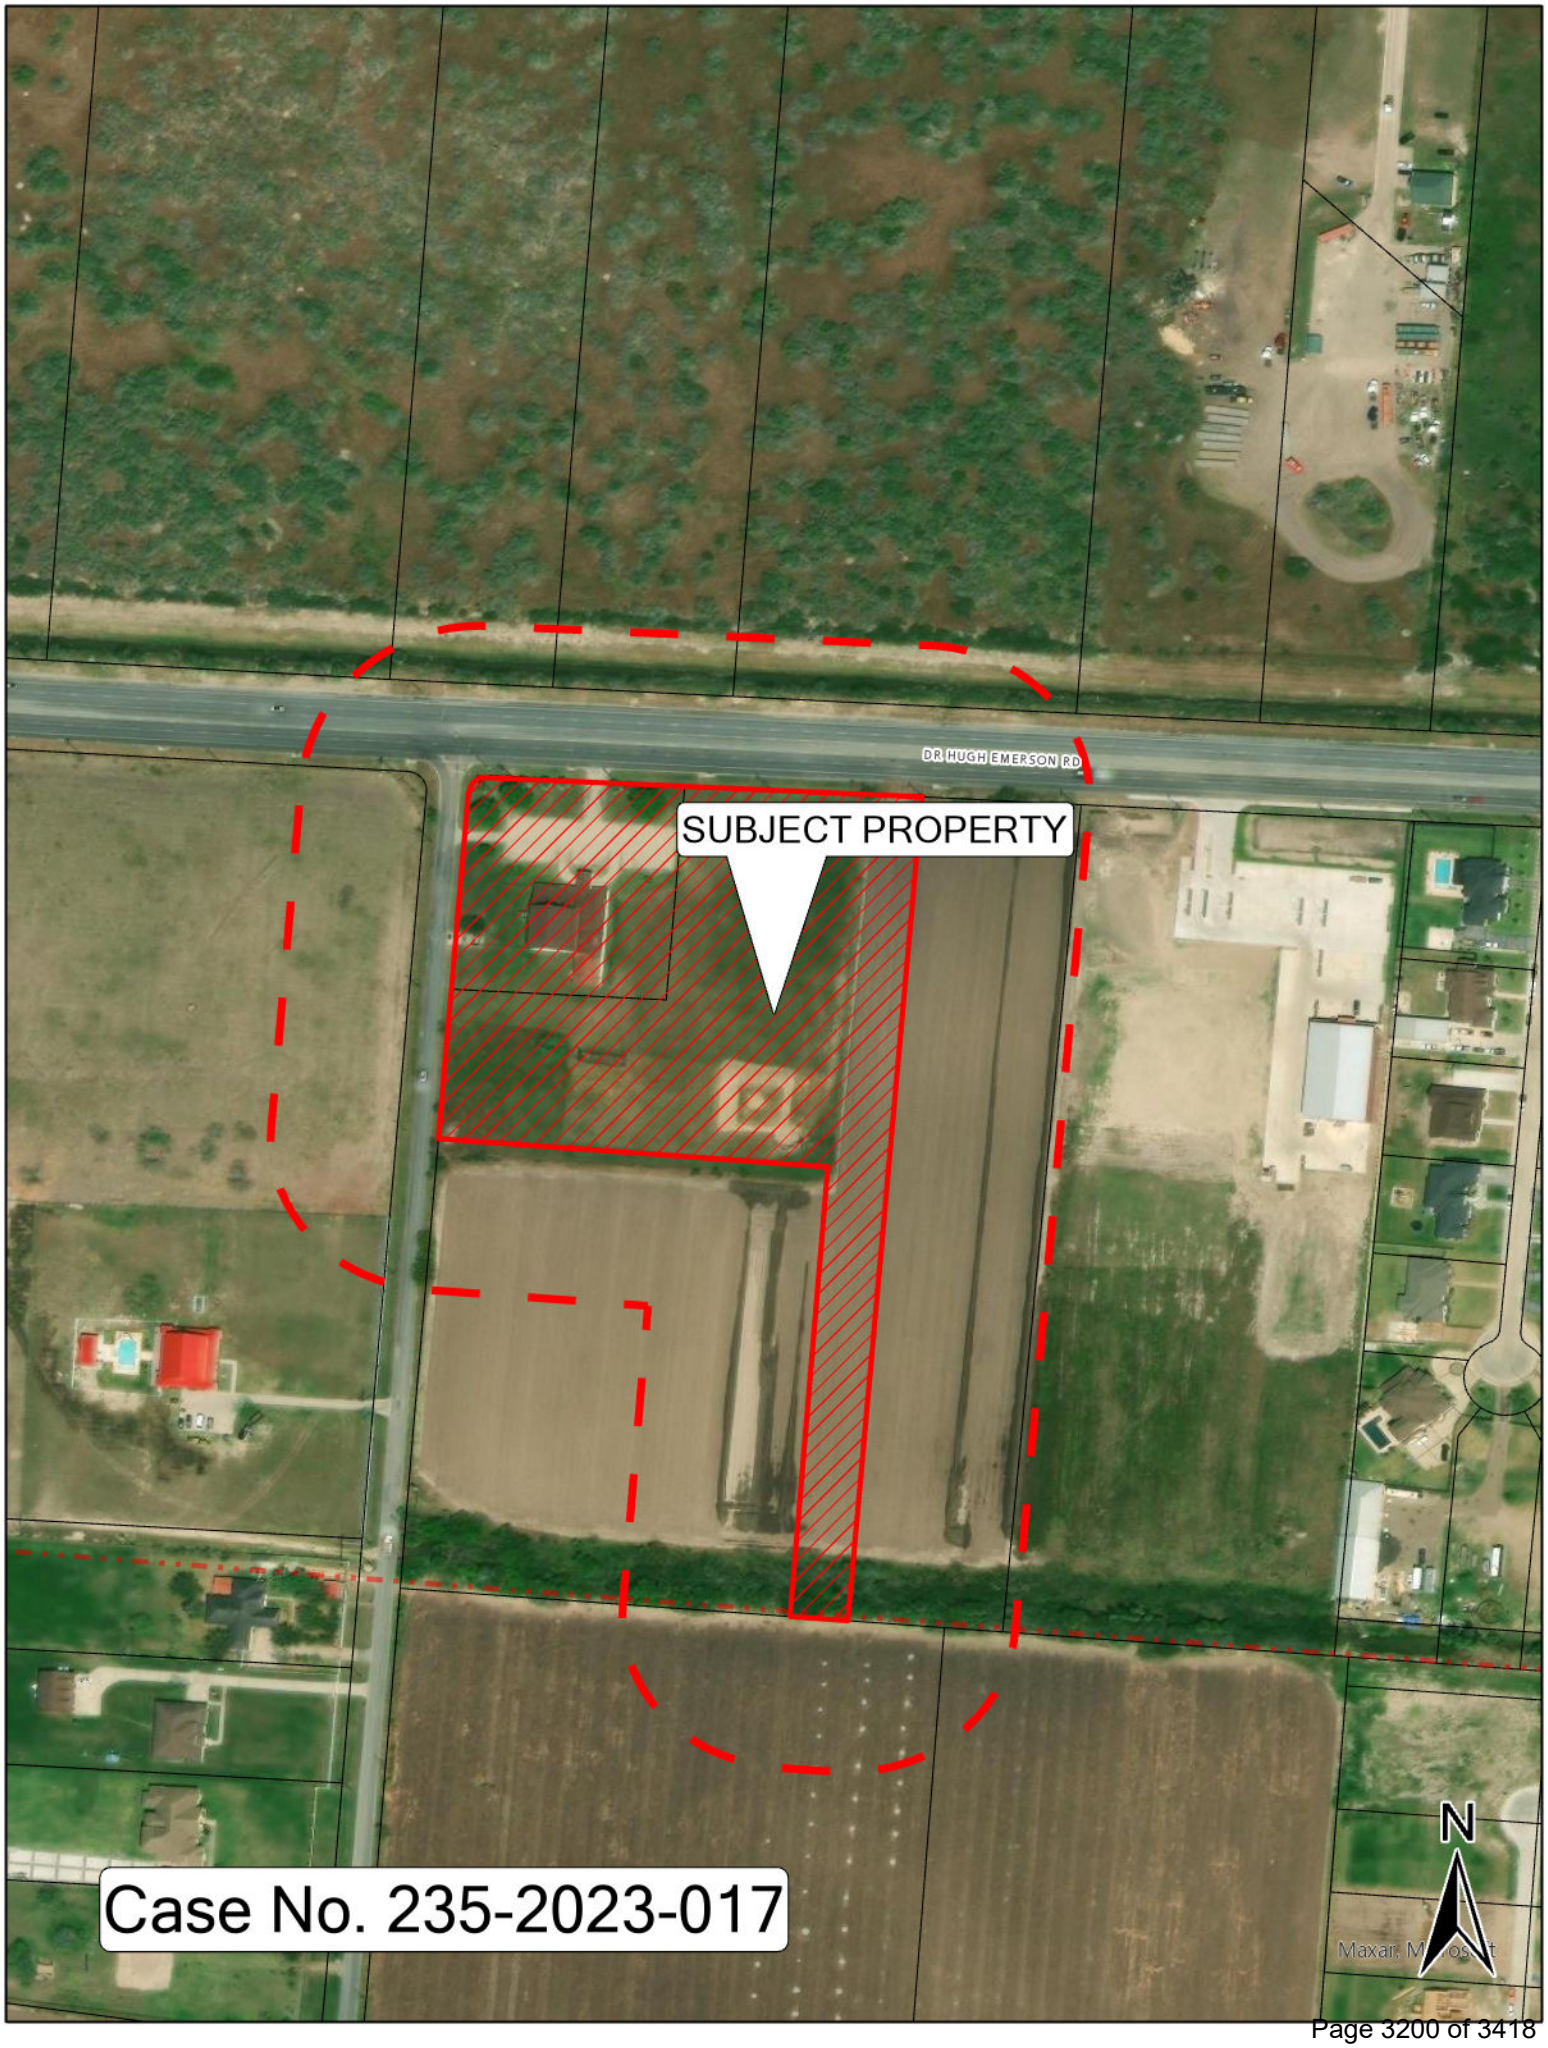
ORDINANCE NUMBER 235-2023-017

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Residential Estate (RE) to Residential Transition (R-3) for a 7.62-acre tract out of Block 180, El Jardin Subdivision Shares 19 & 27, Espiritu Santo Grant, Cameron County, Texas, located 2400 Dr. Hugh Emerson Road, Brownsville, Texas 78526.



Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **August 1, 2023**. Passed at First Reading on **August 1, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 15**, **2023**.

PROPERTY DETAILS

Legal Description: 7.62-acre tract out of Block 180, El Jardin Subdivision, Shares 19 & 27, Espiritu Santo Grant, Cameron County, Texas, Located at 2400 Dr. Hugh Emerson Road, Brownsville, Texas 78526.
Roadway Frontage: The subject property is fronting Dr. Hugh Emerson Road, a Primary Arterial.
Predominant Land Use: The predominant land use within the area is Undeveloped Land.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Undeveloped Land and Commercial Business
East: Undeveloped Land, Single Family Dwelling, Religious Assembly, and Commercial Business
South: Undeveloped Land and Extraterritorial Jurisdiction (ETJ)
West: Undeveloped Land, Single Family Dwelling, and Extraterritorial Jurisdiction

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Single-Family (R-1), Commercial Corridor (CC), Light Industrial (LI), and Heavy Industrial (HI)
East: Residential Estate (RE) and Residential Single Family (R-1)
South: Residential Estate (RE) and Extraterritorial Jurisdiction (ETJ)
West: Residential Estate (RE), Residential Single-Family (R-1), and Extraterritorial Jurisdiction (ETJ)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Town Corridor and the Employment Hub. Town Corridors are primarily residential, with an average of 3 dwelling units per acre and consist of single-family homes. Land uses in the Employment Hub are half industrial with a healthy mixture of all other land uses. Residential uses should be primarily single-family, duplex and triplex with an average density of 4 dwelling units per acre. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the zoning request from Residential Estate (RE) to Residential Transition (R-3).

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	Public Hearing and **ACTION** on **FIRST READING** on **Ordinance Number 235-2023-905**, to rezone from Residential Suburban (R-2) to Residential Single-Family (R-1) to allow a single-family subdivision for El Naranjal Subdivision, Sections 1 to 6, Cameron County, Texas, located on Boca Chica Boulevard, Brownsville, Texas 78521, as shown in Exhibit "A". (District 1) (Planning & Redevelopment Department)

Summary:
This is a City Initiated Case to change the zoning designation for Sections 1 to 6 of El Naranjal Subdivision, Cameron County, Texas, located on Boca Chica Boulevard, Brownsville, Texas 78521. The proposed zoning reclassification will amend the Zoning Map from Residential Suburban (R-2) to Residential Single-Family (R-1).

The predominant land use in the surrounding area is single-family dwelling. Additional uses, such as undeveloped land, duplex, and commercial business are also present within the vicinity.

The property is located within the Town Corridor, Loop Corridor, Secondary Regional District, and Water Management District. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:
As mentioned, the area being rezoned is comprised of 6 phases within El Naranjal Subdivision. It is important to point out that these phases are existing residential single-family subdivisions that were zoned single-family prior to the adoption of the Unified Development Code (UDC-December of 2020). With the adoption of the current code, this area was rezoned to Residential Suburban (R-2) due to an increased creation of lots that would be intended for duplex use. This change would proactively eliminate the need for developers to rezone properties on a case-by-case basis. However, the permissibility of duplex structures began conflicting with deed restrictions established by the developer, primarily for the subject subdivision phases. The mentioned deed restrictions only allow detached single-family homes on lots within phases 1 to

6. For this reason, the subdivision developer proposed to downzone the area back to R-1 so that the zoning would match the deed restrictions that are currently in place.

Funding:

Geo ID: Various-El Naranjal Subdivision Sections 1-6
Case No.: 235-2023-905
Proposed Use: Existing Single-Family Dwelling Subdivision
Proposed Zoning: Residential Single- Family (R-1)
P&Z Date: July 6, 2023
Electoral District: 1
Annexation Year: 1997
Opposition: No Verbal or Written Opposition

PROPERTY DETAILS

Legal Description: El Naranjal Subdivision, Sections 1 to 6, Cameron County, Texas, located on Boca Chica Boulevard, Brownsville, Texas 78521.
Roadway Frontage: The subject property is fronting Boca Chica Boulevard, a Primary Arterial.
Predominant Land Use: The predominant land use within the area is Single-Family Dwelling.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Undeveloped Land, Single-Family Dwelling, and Commercial Business
East: Undeveloped Land and Single-Family Dwelling
South: Undeveloped Land and Single-Family Dwelling
West: Undeveloped Land, Single-Family Dwelling, and Commercial Business

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Residential Single-Family (R-1), Commercial Corridor (CC), Regional Center (RC), and Exterritorial Jurisdiction (ETJ)
East: Exterritorial Jurisdiction (ETJ)
South: Residential Suburban (R-2) and Exterritorial Jurisdiction (ETJ)
West: Agriculture (AG), Residential Estate (RE), Regional Center (RC), and Exterritorial Jurisdiction (ETJ)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Town Corridor, Loop Corridor, Secondary Regional District, and Water Management District. Town Corridors are primarily residential, with an average of 3 dwelling units per acre and consist of single-family homes. The Loop Corridor is commercially dominant, with a healthy mixture of residential, institutional, industrial and community facilities. In Sub Regional Nodes residential and commercial land uses are balanced with a density of 9 dwelling units per acre. Uses within the Water Management District should be primarily community facilities. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff recommends approval of the zoning request from Residential Suburban (R-2) to Residential Single-Family (R-1).

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	Public Hearing and **ACTION** on **FIRST READING** on **Ordinance Number 235-2023-906**, to rezone from Traditional Neighborhood (TN) and Traditional Neighborhood-Mixed Use (TN-MU) to Light Industrial (LI) to allow the expansion of an existing laboratory facility on Lots 1, 2, 10, 11, & 12, Block 71-A, Stillman Extension Subdivision, located at 305 West Levee Street, Brownsville, Texas 78520, as shown in Exhibit "A". (District 4) (Planning & Redevelopment Department)

Summary:
This is a City Initiated Case to change the zoning designation for Lots 1, 2, 10, 11, & 12, Block 71-A, Stillman Extension Subdivision, located at 305 West Levee Street, Brownsville, Texas 78520. The proposed zoning reclassification will amend the Zoning Map from Traditional Neighborhood (TN) and Traditional Neighborhood-Mixed Use (TN-MU) to Light Industrial (LI).

The predominant land use in the surrounding area is single family dwelling. Additional uses, such as commercial business, are also present within the vicinity.

The property is located within the Downtown Node. The proposed use/zoning designation is consistent with the Future Land Use Map.

Project Scope and Analysis:
The lots comprising the area that is to be rezoned is undeveloped in its majority, Lots 10 to 12; however, Lots 1 and 2 harbor an employee parking lot for the laboratory facility. This request to rezone was petitioned by the property owner to re-establish the parcel's pre-UDC zoning, a Light Industrial designation. Staff would like to point out that the area was downzoned to Traditional Neighborhood districts during the adoption of the UDC based on the existing uses within the area, single family homes and some light commercial business. The proposed use for the land being rezoned is the expansion of freight operations servicing the existing laboratory facility.

Funding:

Source: Fiscal Dept. Approval Not Required

Amount: N/A

Local Contribution if Applicable: N/A

Recommendation:

There was no written or verbal opposition at the Planning and Zoning Commission meeting on July 6, 2023. The Planning and Zoning Commission approves this rezoning from Traditional Neighborhood (TN) and Traditional Neighborhood-Mixed Use (TN-MU) to Light Industrial (LI).

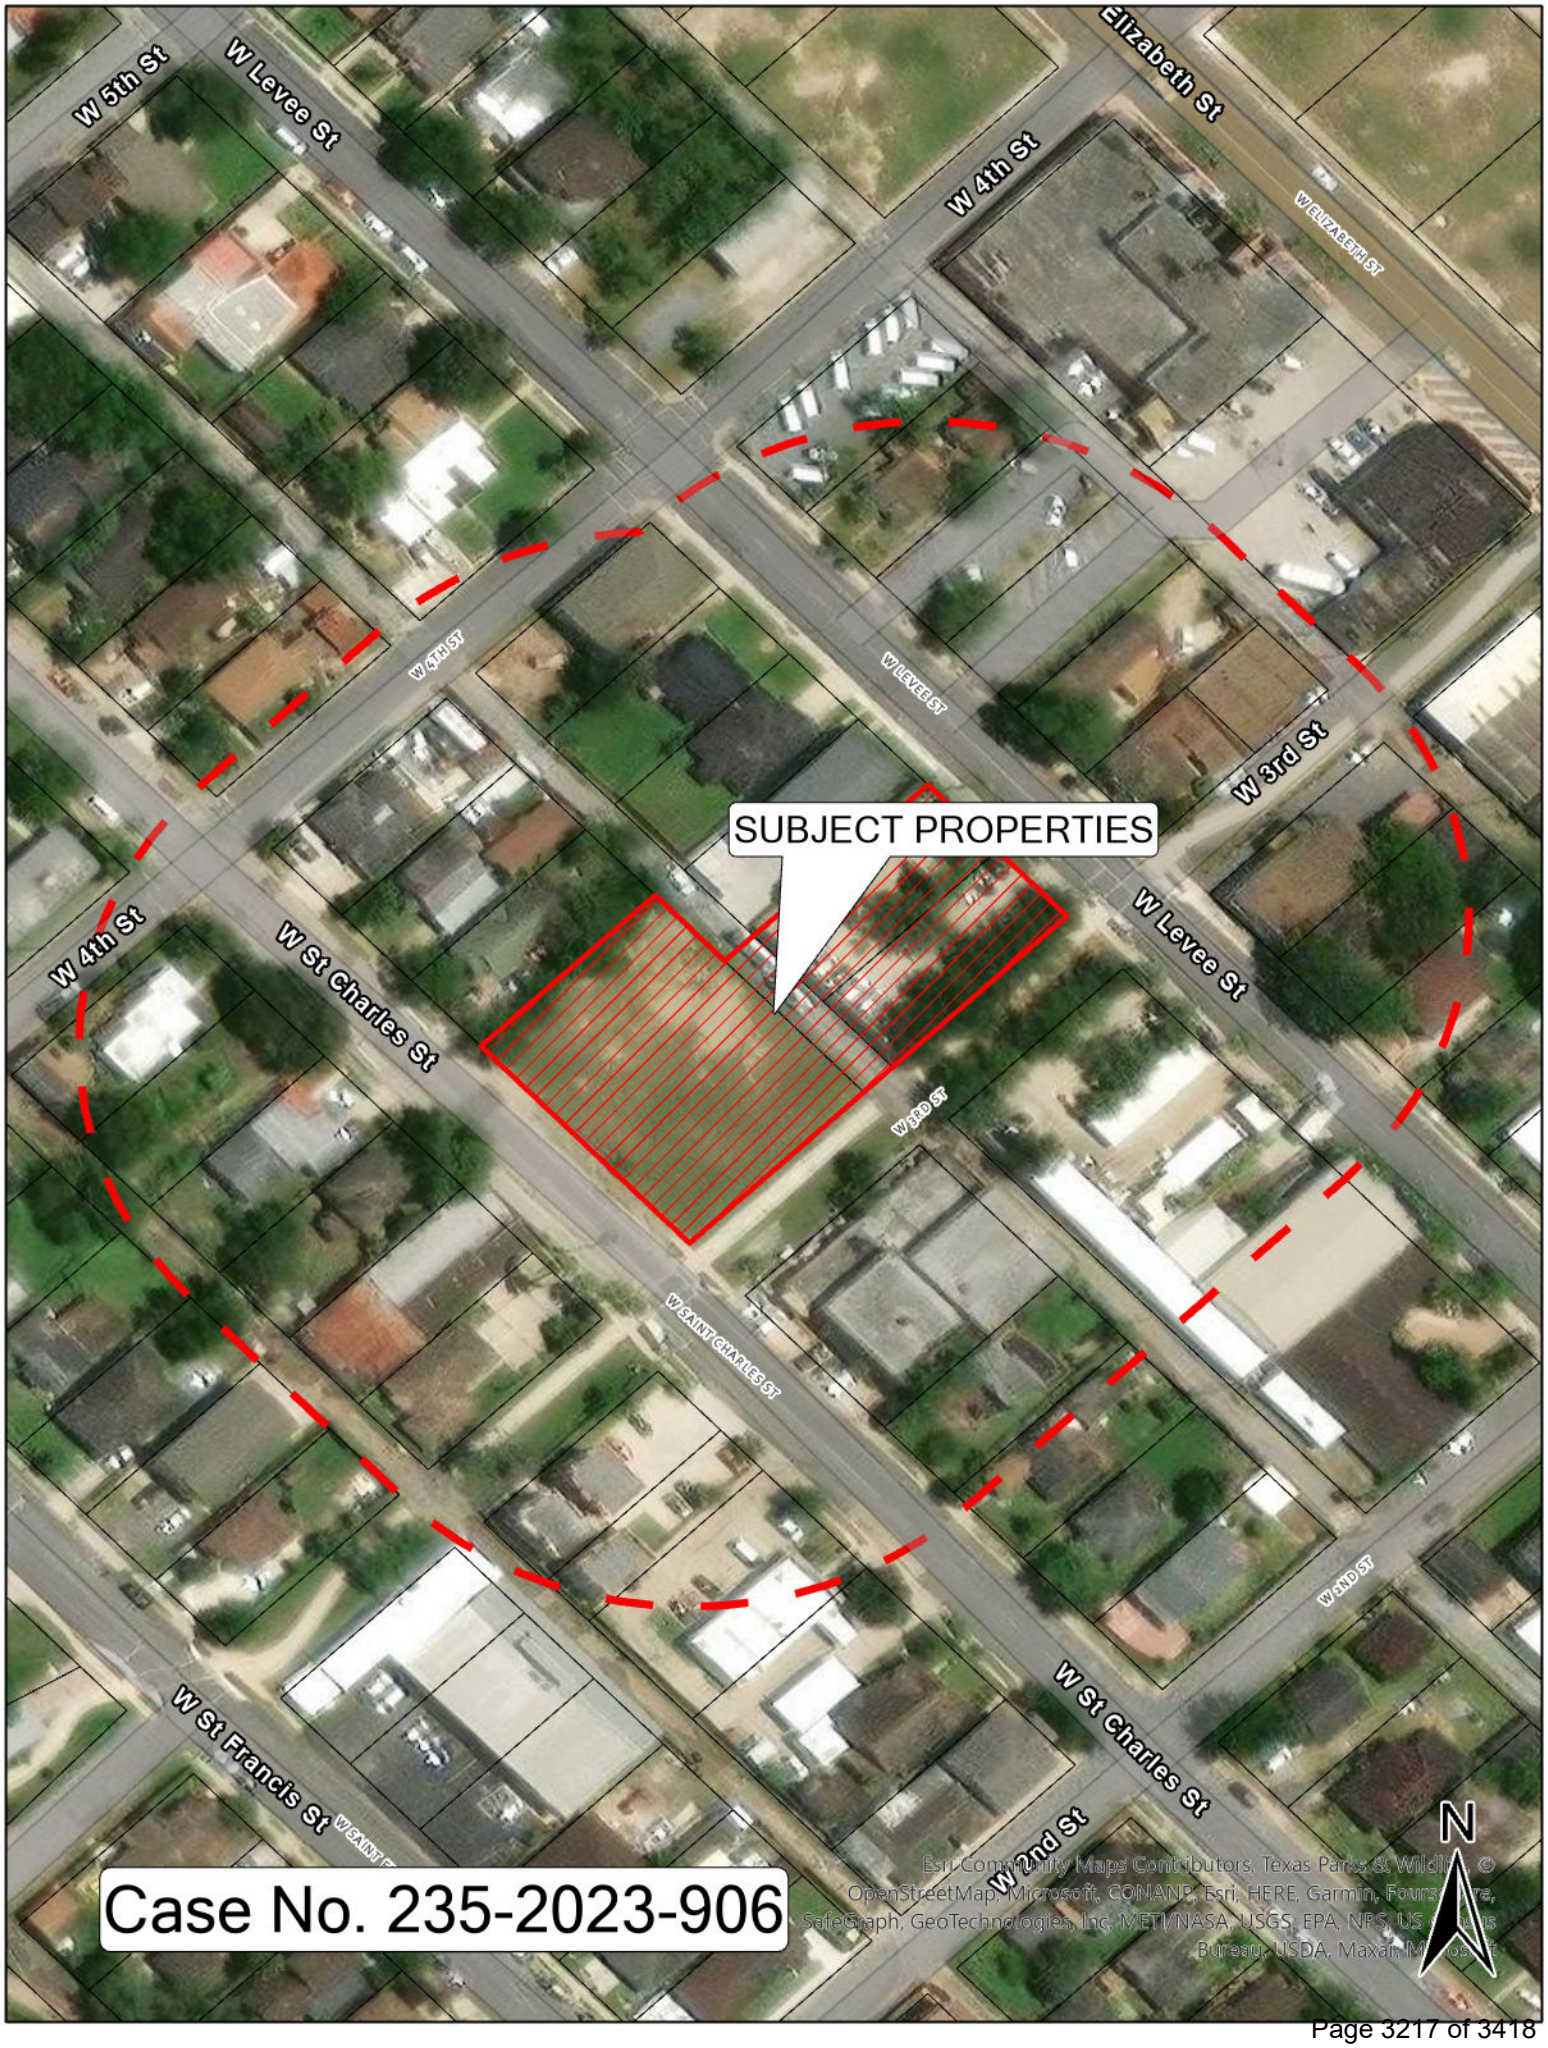
ORDINANCE NUMBER 235-2023-906

AN ORDINANCE AMENDING THE "CITY ZONING ORDINANCE" BY AMENDING THE OFFICIAL ZONING ATLAS; AND DEALING WITH RELATED MATTERS INCLUDING $2000 PENALTIES.

WHEREAS, this ordinance is in accordance with the City's comprehensive plan; is consistent with the existing zoning surrounding the area to be rezoned; and bears a substantial relationship to the public health, safety, morals or general welfare; and all procedural requirements for the passage hereof have been met;

Be It Ordained by the City of Brownsville:

Section 1. That the City Commission of the City of Brownsville, Texas, hereby amends the "City Zoning Ordinance" by amending the Official Zoning Atlas so to rezone from Traditional Neighborhood (TN) and Traditional Neighborhood-Mixed Use (TN-MU) to Light Industrial (LI) for Lots 1, 2, 10, 11, & 12, Block 71-A, Stillman Extension Subdivision, located at 305 West Levee Street, Brownsville, Texas 78520.



Section 2. That all provisions of the City of Brownsville Unified Development Code are incorporated herein by reference and declared to be a part hereof; and that this ordinance shall become effective on the earliest date allowed by law.

INTRODUCED at a public hearing on **August 1, 2023**. Passed at First Reading on **August 1, 2023**. PASSED at Second and Final Reading and ADOPTED, APPROVED, and ENACTED on **August 15**, **2023**.

PROPERTY DETAILS

Legal Description: Lots 1, 2, 10, 11, & 12, Block 71-A, Stillman Extension Subdivision, located at 305 West Levee Street, Brownsville, Texas 78520.
Roadway Frontage: The subject property is fronting West Levee Street, a local street.
Predominant Land Use: The predominant land use within the area is Single-Family Dwelling.

ABUTTING LAND USES (*SEE ATTACHED AERIAL VIEW MAP)*

North: Single-Family Dwelling and Commercial Business
East: Single-Family Dwelling and Commercial Business
South: Single-Family Dwelling and Commercial Business
West: Single-Family Dwelling

EXISTING ZONING DESIGNATIONS (*SEE ATTACHED ZONING MAP)*

North: Traditional Neighborhood (TN), Traditional Neighborhood Corridor (TN-C), and Traditional Neighborhood Mixed-Use (TN-MU)
East: Traditional Neighborhood (TN) and Traditional Neighborhood Mixed Use (TN-MU)
South: Traditional Neighborhood (TN) and Traditional Neighborhood Mixed Use (TN-MU)
West: Traditional Neighborhood (TN)

FUTURE LAND USE PLAN (*SEE ATTACHED FUTURE LAND USE MAP)*

The City of Brownsville Future Land Use Plan indicates that the subject land is located within the Downtown Node. Commercial land uses are the most dominant in the Downtown Node and residential, community facilities, and institutional uses are also present. No industrial land uses should be allowed. The average density of residential uses should be 21 dwelling units per acre. It is the opinion of staff that the request is consistent with the Future Land Use Plan.

REVIEW CRITERIA

After an analysis of the subject property and surrounding area, it is the opinion of staff that the proposed zoning/use would generally be compatible with surrounding uses and would not create significant or burdensome demands on public facilities such as water, wastewater, and transportation. In general, the proposed zoning/use would fit into the character of the neighborhood without having adverse impacts on the area.

STAFF RECOMMENDATION

Based upon the analysis presented in this report and based on observations from the Planning and Redevelopment Department, staff remains neutral and will follow recommendations made by the City Commission regarding the request to rezone from Traditional Neighborhood (TN) and Traditional Neighborhood Mixed-Use (TN-MU) to Light Industrial (LI).

ORDINANCE NO. 2023-1723

AN ORDINANCE OF THE BROWNSVILLE CITY COMMISSION, AMENDING THE CODE OF ORDINANCES, BY REPEALING AND REPLACING, ARTICLE V. – UNSAFE, DILAPIDATED BUILDINGS AND STRUCTURES; DIVISION 2 – BUILDING AND STANDARDS COMMISSION; SECTION 18-238 – APPOINTMENT AND TERM; SUBSECTION (a), TO ESTABLISH THAT THE BUILDING AND STANDARDS COMMISSION SHALL BE COMPOSED OF SEVEN (7) REGULAR BOARD MEMBERS AND FOUR (4) ALTERNATE BOARD MEMBERS, ALL WITH THE SAME POWERS AND DUTIES; AND DEALING WITH RELATED MATTERS.

WHEREAS, the Building and Standards Commission is a quasi-judicial board that hears cases concerning alleged violations of the International Property Maintenance Code and City adopted Codes and Ordinances regarding Chapter 18 – Building and Building Regulations; and

WHEREAS, this amendment will require said Commission to be composed of seven (7) Regular Members and four (4) Alternate Board Members; and

WHEREAS, this amendment will establish the same powers and duties to Alternate Members as those assigned to Regular Members; and

WHEREAS, each Regular and Alternate Board Member shall be appointed by the City Commission, and shall serve a two (2) year term and without compensation; and

WHEREAS, the regulations within the adopted document will govern over any and all conflicting regulations and ordinances.

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF BROWNSVILLE THAT THE CODE OF ORDINANCES IS HEREBY AMENDED, BY REPEALING AND REPLACING, ARTICLE V. – UNSAFE, DILAPIDATED BUILDINGS AND STRUCTURES; DIVISION 2 – BUILDING AND STANDARDS COMMISSION; SECTION 18-238 – APPOINTMENT AND TERM; SUBSECTION (a), TO ESTABLISH THAT THE BUILDING AND STANDARDS COMMISSION SHALL BE COMPOSED OF SEVEN (7) REGULAR BOARD MEMBERS AND FOUR (4) ALTERNATE BOARD MEMBERS, ALL WITH THE SAME POWERS AND DUTIES.

IT IS ORDAINED BY THE CITY OF BROWNSVILLE THAT IN THE EVENT OF ANY CONFLICTS BETWEEN THIS NEWLY ADOPTED AMENDMENT AND OTHER ORDINANCES INVOLVING THE SAME SUBJECT MATTER, THIS DOCUMENT SHALL GOVERN.

IT IS FURTHER ORDAINED THAT THE CODE OF ORDINANCES AS HEREIN AMENDED READS AS FOLLOWS:

PART I. That Article V. – Unsafe, Dilapidated Buildings and Structures, Division 2 – Building and Standards Commission, Section 18-238 – Appointment and Term, Subsection (a), is hereby repealed and replaced, to read as follows:

(a) Upon nomination, the members of the Building and Standards Commission shall be appointed by the City Commission. The Building and Standards Commission shall be composed of seven (7) regular members and four (4) alternate members who shall serve in the absence or resignation of any of the seven (7) regular members of the Building and Standards Commission. All alternate members shall have the same powers and duties as those assigned to regular members. Once appointed, the members may be removed only for cause upon a written charge.

INTRODUCED for First Reading on the 1st day of August 2023. **PASSED** on **SECOND** and **FINAL READING** on the 15th day of August 2023.

ORDINANCE NO. 2023-736-Q

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, REPEALING AND REPLACING CHAPTER 98 – TRAFFIC AND VEHICLES, IN ITS ENTIRETY, OF THE CITY OF BROWNSVILLE'S CODE OF ORDINANCES, PROVIDING FOR A PENALTY CLAUSE NOT TO EXCEED $500; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Brownsville's previous parking meters have become obsolete, and therefore, the City invested in new parking pay stations which permit different payment methods such as credit cards, bills, and coins; and

WHEREAS, the new parking pay stations allow downtown patrons access to the parking pay stations through an application on their mobile devices making paying more accessible; and

WHEREAS, the City Commission of the City of Brownsville recognizes this ordinance is necessary because it allows for growth and aligned funding of (a) events, (b) personnel, and (c) maintenance, operations, beautification, and revitalization, all within the downtown district.

WHEREAS, the City Commission of the City of Brownsville has considered the merits of establishing such changes and believes they will benefit the downtown area and City as a whole; and

WHEREAS, the City Commission of the City of Brownsville has determined that it is necessary to repeal the current ordinance and replace it in its entirety.

NOW, THEREFORE, BE IT ORDAINED by the City Commission of the City of Brownsville that "Chapter 98 – Traffic and Vehicles" of the City of Brownsville's Code of Ordinances is hereby repealed in its entirety, and replaced as follows:

Chapter 98 TRAFFIC AND VEHICLES

ARTICLE I. IN GENERAL

Sec. 98-1. Definitions.

The following words, terms, and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Authorized emergency vehicles mean vehicles of the fire department (fire patrol), police vehicles, public and private ambulances for which permits have been issued by the state board of health, and such emergency vehicles of municipal departments or public service corporations as are designated or authorized by the city commission.

Alley means any street having no regular or official name other than "alley" and being 20 feet or less in width.

Bus means every motor vehicle designed for carrying more than ten passengers and used for the transportation of persons; and every motor vehicle other than taxicabs designed and used for the transportation of persons for compensation.

Bus stop means a section of the roadway along the edge thereof marked by signs reading "bus stop" as a place for the sole use and convenience of the general public to board and depart from any bus.

Business district means the territory contiguous to and including a roadway when, within 600 feet along such roadway, there are buildings in use for business or industrial purposes which occupy at least 300 feet of frontage on one side or 300 feet collectively on both sides of the roadway or any other area so classified by chapter 348 pertaining to zoning.

Commercial vehicle means every vehicle designed, maintained or used primarily for the transportation of property with a weight in excess of 1,500 pounds.

Controlled access highway and *limited access highway* mean every highway to which owners or occupants of abutting lands and other persons have no legal right of access to or from except at such points only and in such manner as may be determined by the public authority having jurisdiction over such highway.

Crosswalk means that part of a roadway at any intersection included within the connection of the lateral lines of the sidewalks on opposite sides of the street, whether marked or not, measured from the curbs or, in the absence of curbs, from the edges of the traversable roadway. The term "crosswalk" also includes any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by lines or other markings on the surface.

Curb means the edge of a street, roadway, or highway.

Curb loading zone means a space adjacent to a curb reserved for temporary 15-minute parking for the exclusive use of vehicles during the loading or unloading of passengers, freight, merchandise, or other material, or for curbside or in-store pickup.

Curbside pickup means picking up an order from a store without having to go inside by remaining in the vehicle and having the order brought out to the customer.

Double parking means the standing of a vehicle, whether occupied or not, upon a street or roadway in the rear of an angle-parked vehicle at the curb of such street or alongside a vehicle parked parallel with the curb of such street.

Driver means every person who drives or is in actual physical control of the movements of a vehicle.

Driveway, private, means any entrance or exit over the sidewalk or sidewalk area of any street affording a means of ingress or egress for vehicles to or from any private property or the entrance or exit of any private garage into or from any alley.

Driveway, public, means any entrance or exit over the sidewalk or sidewalk area of any street affording a means of ingress or egress for vehicles to or from any public property.

Freight loading zone. See *Curb loading zone.*

In-store pickup means picking up an order from a store and having to go inside to pick up the order instead of having it brought out to the customer.

Intersection means the area embraced within the prolongation or connection of the lateral curblines or, if none, then the lateral boundary lines of the roadways of two streets or highways which join one another at, or

approximately at, right angles, or the area within which vehicles traveling upon different streets or highways joining at any other angle may come in conflict. Where a highway includes two roadways 30 feet or more apart, every crossing of each roadway of such divided street or highway by an intersecting highway shall be regarded as a separate intersection. If such intersecting street or highway also includes two roadways 30 feet or more apart, every crossing of the two roadways of such highway shall be regarded as a separate intersection.

Laned street means a street which is divided into two or more clearly marked lanes for vehicular traffic.

Light commercial vehicle means every vehicle designed, maintained or used primarily for the transportation of property with a weight less than 1,500 pounds.

Limit lines means boundaries of parking areas, loading zones, safety or danger zones and lines marked for the purpose of excluding traffic or parking.

Map, official traffic control, means an engineering drawing of such dimensions and scale clearly showing all streets, alleys, speed limits, traffic movement regulations and prohibitions, type of traffic control devices, right-of-way dimensions and names of all streets within the city boundaries.

Motor scooter means the same as motorcycle.

Motor vehicle means every vehicle which is self-propelled and every vehicle which is propelled by electric power obtained from overhead trolley wires, but not operated upon rails.

Motorcycle means every motor vehicle having a saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground but excluding a tractor.

Negligence means the failure to use that degree of care that a reasonable and prudent person would use under the same or similar circumstances.

No parking zone means a space or area on the roadway adjacent to the curb, whether marked by official signs or not, in which no vehicle may be parked.

Official traffic control devices mean all signs, signals, markings, and devices, not inconsistent with this chapter, placed or erected by authority of a public body or official having jurisdiction, for the purpose of regulating, warning, or guiding traffic.

One-way street and *one-way alley* mean any street or alley or any portion of such street or alley on which vehicular traffic is restricted to movement in one direction only.

Park and *parking* means the standing of a vehicle, whether occupied or not, upon a roadway, otherwise than temporarily in obedience to an official traffic-control device or for the purpose of and while actually engaged in loading or unloading merchandise or passengers..

Parking enforcement officer means any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations or to issue citations for parking violations.

Parking pay station, parking meter, pay station, or meter means a device that registers the amount of time purchased for the parking of a motor vehicle in a parking zone.

Parking stall and *parking space and metered space* mean that portion or section of a roadway adjacent to the curbing or edge, set apart, marked, and bounded by lines painted or marked upon the surface of the roadway, and extending into the roadway for the use of parking vehicles; or that portion of any alley marked by official signs showing such space to be a parking zone.

Passenger means any person in or on a vehicle other than the driver, whether or not the vehicle is moving.

Passenger loading and unloading zone. See *Curb loading zone.*

Pedestrian means any person afoot.

Permit or placard means a sign, tag, or notice either affixed to a rearview mirror or displayed on a vehicle's dashboard.

Play street means a street closed to traffic during a specified time to allow safe access in an outdoor space.

Police officer means every officer of the police department, or any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations.

Private road and *private driveway* mean every way or place in private ownership and used for vehicular travel by the owner and those having expressed or implied permission from the owner, but not by other persons.

Procession and *parade* mean a group of pedestrians or vehicles standing or moving on a street and occupying more than 600 feet of such street and having a common destination, purpose, or direction.

Public place means a place where people are assembled or to which people commonly resort for purposes of business, amusement, recreation or other lawful purposes, and the term includes all streets and alleys within city boundaries.

Railroad means a carrier of persons or materials upon cars operated upon stationary rails, including a motorized locomotive with or without cars coupled thereto operated upon rails.

Residence district means the territory contiguous to and including a street or highway not comprising a business district when the property on such street or highway for a distance of 300 feet or more is, in the main, improved with residences or residences and buildings in use for business or any other area so classified by chapter 348 pertaining to zoning.

Right-of-way means, when pertaining to traffic, the privilege of the immediate use of the roadway; when pertaining to land, that portion of land that is publicly owned and primarily designated either all or in part for the use of the public as a street or roadway.

Roadway means that portion of a street or highway improved, designed for, or ordinarily used for vehicular travel exclusive of the berm or shoulder. If a highway includes two or more separate roadways, the term "roadway" refers to any such roadway separately, but not to all such roadways collectively.

Route means a street on which signs are erected giving notice that certain types of vehicles may or may not be operated.

Safety zone means the area or space officially set apart within a roadway for the exclusive use of pedestrians and which is protected or is so marked or indicated by adequate signs as to be plainly visible at all times as set apart as a safety zone.

School bus means every motor vehicle owned by a public or governmental agency or a private person or agency and operated for the transportation of children to or from school.

Sidewalk means that portion of a street between the curblines, or the lateral lines of a roadway, and the adjacent property lines, intended for the use of pedestrians.

Sign and *signal,* when pertaining to a physical object or marking, mean any official traffic control device.

Stand and *standing* mean the halting of a vehicle, whether occupied or not, otherwise than for the purpose of and while actually engaged in receiving or discharging passengers.

Stop, when required, means complete cessation of movement.

Stop, stopping and *standing,* when prohibited, mean any stopping or standing of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic control sign or signal.

Street and *highway* mean the entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Through street means every street, highway or other public way or portion thereof at the entrances to which vehicular traffic from intersecting streets, highways or other public ways is required by law to stop before entering or crossing and when stop signs are erected as provided in this chapter.

Tractor means a motor vehicle other than a truck which is designed, maintained, or used primarily for the pulling, pushing, or dragging of other objects.

Traffic means pedestrians, ridden or herded animals, vehicles, streetcars, and other conveyances, either singly or together, while using any street for purposes of travel.

Truck means the same as a commercial vehicle.

Tunnel and *underpass* mean a complete enclosure through which passes a street, roadway, or walkway.

U-turn means the turning or causing the turning of a vehicle, so that when such turn is completed such vehicle will be headed in the opposite direction from that in which it was headed before such turning was begun, whether or not such vehicle is pulled into a driveway or any space beyond the curbline of the street.

Vehicle means every device in, upon, or by which any person or property is or may be transported or drawn upon a street, highway, or other public way, except devices moved by human power or used exclusively upon stationary rails or tracks.

Walks means areas in public ways designed primarily for pedestrian use.

Zones means areas in public ways designed for limited or specialized use.

Sec. 98-2. Enforcement generally.

It shall be the duty of the police department to enforce this chapter, all other city street and traffic laws and all the state traffic laws applicable to traffic in the city.

Sec. 98-3. Obedience to officers.

No person shall willfully fail or refuse to comply with any lawful order or direction of any police officer invested by law with authority to direct, control or regulate traffic.

Sec. 98-4. Violation of chapter.

Any person who shall violate any of the sections of this chapter shall be guilty of a misdemeanor and, upon conviction, shall be fined not to exceed $500.00.

Sec. 98-5. Authority of fire department to direct traffic.

Members of the city fire department, when at the scene of a fire, may direct or assist the police in directing traffic at the fire or in the immediate vicinity.

Sec. 98-6. Putting rubbish or hazardous material on streets.

(a) No person shall throw or cause to be put any glass, nails, wire, cans, or any other substance likely to cause injury or damage to any person, animal or vehicle upon such highway or street.

(b) Any person who drops or permits to be dropped upon any highway or street any destructive or injurious material shall remove the material or cause it to be removed.

(c) Any person removing a wrecked or damaged vehicle from a highway or street shall remove any glass or other injurious substance dropped upon the highway from such vehicle.

Sec. 98-7. Riding on portion of vehicle not intended for passengers.

It shall be unlawful for any person to ride on any vehicle upon any portion thereof not designed or intended for the use of passengers when the vehicle is in motion. This section shall not apply to an employee engaged in the necessary discharge of duty or to persons riding within a truck body in space intended for merchandise.

Sec. 98-8. Overloading, crowding of vehicles.

(a) It shall be unlawful for the driver of any vehicle to drive the vehicle when such vehicle is so loaded or when there are in the front seat of such vehicle such number of persons as to obstruct the view of the driver to the front or sides or to interfere with the operator's control over the driving mechanism of the vehicle.

(b) It shall be unlawful for any passenger of a vehicle to ride in such position as to interfere with the driver's view ahead or to the sides or to interfere with the driver's control over the driving mechanism of the vehicle.

Sec. 98-9. Boarding or alighting from vehicles.

It shall be unlawful for any person to board or alight from any vehicle while such vehicle is in motion.

Sec. 98-10. Use of roller skates, toys, and similar devices.

No person upon roller skates or riding in or by means of any coaster, skateboard, toy vehicle whether motorized or not, or other similar device shall go upon any roadway except while crossing a street on a crosswalk. When so crossing, such person shall be granted all the rights and shall be subject to all of the duties applicable to pedestrians. This section shall not apply upon any street while set aside as a play street.

Sec. 98-11. U-turns.

The driver of any vehicle shall not turn such vehicle so as to proceed in the opposite direction upon any street in a business district or at any intersection controlled by traffic lights and shall not upon any other street or intersection so turn a vehicle unless such movement can be made in safety and without interfering with other traffic.

Sec. 98-12. Traffic officers.

(a) Traffic officers, the positions of which fall within the scope and authority of the chief of police, are authorized to issue all applicable state and local nonmoving vehicle violations, pursuant to the powers afforded to the city through its Charter and subsequent legislation.

(b) Notice of such nonmoving violations occurs when a duly appointed traffic officer of the city as approved by the chief of police for the city, advises a person in writing by an initial citation, or by mail, that a nonmoving vehicle violation was issued for a vehicle currently registered under that person's name.

Sec. 98-13. Certain uses of motor vehicles on commercial premises without consent of owner prohibited.

(1) *Definitions.* As used in this section, the term "parking lot" shall mean any area in, at or adjacent to a restaurant, drive-in restaurant, retail or wholesale store or business establishment, office building, professional building, recreational building, multi-family residential area, or any public building or space used, designed or intended for the parking of any type of vehicle, including motor vehicles, by members of the general public, and maintained for the convenience of customers, clients, patients, members or patrons of one or more business establishments, public offices or organizations.

(2) *Prohibited acts.*

a. The following acts or conduct of any person upon entering, driving on, parking on, or leaving any parking lot are hereby declared to be unlawful:

1. To enter a parking lot in a motor vehicle of any kind and use such parking lot for racing or as a shortcut to other property or a street.

2. To race the motor of any vehicle, needlessly bring to a sudden start or stop any vehicle, blow the horn of such vehicle needlessly, or to create any loud or unseemly noise, nuisance, or disturbance whereby the quiet and good order of the premises or the adjacent neighborhood are disturbed.

3. For two or more persons to congregate inside or outside of a motor vehicle parked in a parking lot, when not otherwise engaged in a lawful pursuit relating to the use of the premises.

b. For the purpose of this section, the fact that a premise is closed shall constitute prima facie proof that a person is not engaged in a lawful pursuit relating to the use of the premises. Furthermore, if any parking lot is clearly marked by any sign or device declaring time limits or other restrictions relating to parking, then a violation by any person of such restrictions shall be prima facie proof of such owner's nonconsent to any person parking or congregating on such parking lot.

(3) *Penalty.* The penalty upon conviction for a violation of this division shall be as prescribed in section 1-13 of this Code. Each day of violation shall constitute a separate offense.

Sec. 98-14. Use of a wireless communication device; offense.

(a) For purposes of this section:

Operator of a motor vehicle means an individual who drives or has physical control of a motor vehicle.

(b) It shall be unlawful for an operator of a motor vehicle to use a wireless communication device, including a cellular phone or other electronic media device, to view, send, or compose an electronic message or manually engage other application software while operating a motor vehicle upon any public roadway within the city, including when stopped, except as provided in subsection (c)(2).

(c) It is an exception to the prohibition in subsection (b) if:

(1) An operator of a motor vehicle uses a wireless communication device to strictly engage in a telephone conversation, including dialing or deactivating a phone call;

(2) An operator of a motor vehicle uses a wireless communication device while stopped or standing at a position parallel to and as close as possible to the right-hand edge or curb or a roadway where parking, standing, or stopping in a non-emergency situation is not otherwise prohibited; or

(3) An operator of a motor vehicle uses a wireless communication device solely in a voice-activated or other hands-free mode.

(d) It is an affirmative defense to prosecution of conduct prohibited in subsection (b) if:

(1) An operator of an authorized government vehicle uses a wireless communication device to:

a. Operate only a global positioning or navigation system;

b. Obtain emergency assistance by contacting an emergency response service, including a rescue, emergency medical, or hazardous material response service; a hospital; a fire department; a law enforcement agency; a medical doctor's office; or an individual to administer first aid treatment;

c. Obtain emergency assistance to prevent a crime about to be committed;

d. Report a traffic accident or serious traffic hazard; or

e. Communicate with the reasonable belief that a person's life, safety, or property is in immediate danger.

(e) Conflicting regulations. To the extent that any part of this section conflicts with V.T.C.A., Transportation Code § 545.424, regarding the use of wireless communications devices while operating a motor vehicle by minors, or V.T.C.A., Transportation Code § 545.425, regarding the use of wireless

communication devices in school crossing zones, or V.T.C.A., Transportation Code § 545.4251, regarding use of portable wireless communication device for electronic messaging, this section does not apply.

Sec. 98-15. Vulnerable road users.

(a) In this section, a vulnerable road user means:

(1) A pedestrian, including a runner, physically disabled person, highway construction and maintenance worker, tow truck operator, utility worker, other worker with legitimate business in or near the road or right-of-way, or stranded motorist or passenger;

(2) A person on horseback; or

(3) A person operating equipment other than a motor vehicle, including, but not limited to, a bicycle, hand-cycle, horse-driven conveyance, or unprotected farm equipment.

(b) When operating on a highway or street, an operator of a motor vehicle shall pass the vulnerable road user at a safe distance while decelerating speed as is reasonably and safely possible.

(1) For the purpose of subsection (b)(1), a safe distance is achieved by:

a. Vacating the lane which the vulnerable road user is traveling if road conditions and state law permits; or,

b. If vacating the lane in this manner is not possible or permitted by state law, maintaining at minimum of a three-foot space between the side of the motor vehicle and the vulnerable road user.

(c) An operator of a motor vehicle that is making a left turn at an intersection, including an intersection with an alley or private road or driveway, shall yield the right-of-way to a vulnerable road user who is approaching from the opposite direction and is in the intersection, or is in such proximity to the intersection as to be an immediate hazard.

(d) An operator of a motor vehicle may not overtake a vulnerable road user traveling in the same direction and subsequently make a right-hand turn in front of the vulnerable road user unless the operator is safely clear of the vulnerable road user, taking into account the speed at which the vulnerable road user is traveling and the braking requirements of the motor vehicle making the right-hand turn.

(e) An operator of a motor vehicle may not maneuver the vehicle in a manner that:

(1) Is intended to cause intimidation or harassment to a vulnerable road user; or

(2) Otherwise threatens a vulnerable road user.

(f) An operator of a motor vehicle shall exercise due care to avoid colliding with any vulnerable road user on a roadway or in an intersection of roadways.

(g) It is an affirmative defense to prosecution under this section that at the time of the offense the vulnerable road user was acting in violation of the law.

Secs. 98-16—98-40. Reserved.

ARTICLE II. ADMINISTRATION

Sec. 98-41. Temporary traffic control officers.

Under unusual conditions, the chief of police may appoint temporary traffic control officers until such unusual conditions cease to exist. These temporary officers shall have the same authority as regular officers of the police department unless they are specifically limited by the chief of police.

Sec. 98-42. Emergency and experimental regulations.

(a) The chief of police, by and with the approval of the ~~city traffic engineer~~ city manager or designee, is empowered to make and enforce such emergency and/or experimental traffic regulations, for a period not to exceed 48 hours, as may be necessary to prevent or correct any hazardous condition.

(b) The chief of police, by and with the approval of the city commission, is empowered to make and enforce such regulations as may be necessary to cover emergencies or special conditions. No such temporary or experimental regulation shall remain in effect longer than 30 days unless such approval of the city commission is renewed.

Sec. 98-43. Traffic conditions and accidents.

It shall be the general duty of the city manager or designee to conduct investigations and studies of traffic conditions and to conduct investigations and analyses of traffic accidents.

Secs. 98-44—98-100. Reserved.

ARTICLE III. TRAFFIC CONTROL SIGNS, SIGNALS, DEVICE

Sec. 98-101. General powers and duties.

The city manager or designee is authorized and directed to erect and place any and all traffic signs and signals on and along the streets and other public ways in the city in order to implement the terms of this chapter and carry out its purposes within the city.

Sec. 98-102. Intersections where stop or yield required.

The city manager or designee is authorized to determine and designate intersections where particular hazard exists to determine whether vehicles shall stop at one or more entrances to any such intersection, and The city manager or designee shall cause to be erected a stop sign at every such place where a stop is required; or whether vehicles shall yield the right-of-way to vehicles on a different street at such intersection, and The city manager or designee shall cause to be erected a yield sign at every place where obedience thereto is required.

Sec. 98-103. One-way streets and alleys.

The city manager or designee are authorized to determine and designate one-way streets, in which event they shall cause to be erected signs at every such place where a sign is required.

Secs. 98-104—98-130. Reserved.

ARTICLE IV. SPEED RESTRICTIONS

Sec. 98-131. Maximum limits generally.

(a) No person shall operate or drive any vehicle on any street within the city at a greater speed than 30 miles per hour, unless signs are erected designating another speed in accordance with this article.

(b) Notwithstanding any other section of this article, no person shall drive a vehicle on a street at a speed greater than is reasonable and prudent under the conditions and having regard to the actual and potential hazards then existing. In every event, speed shall be so controlled as may be necessary to avoid colliding with any person, vehicle, or other conveyance on or entering the street in compliance with legal requirements and the duty of all persons to use due care.

(c) The driver of every vehicle shall, consistent with the requirements of subsection (b) of this section, drive at an appropriate reduced speed when approaching a hillcrest, when traveling upon any narrow or winding roadway, and when a special hazard exists with respect to pedestrians or other traffic or because of weather or street or highway conditions.

(d) Notwithstanding any other section of this article, no person shall drive a vehicle on a street at a speed greater than is reasonable and prudent under the conditions and potential hazards then existing. When any street is under construction or improvement or is subject to any other hazardous condition existing on a temporary basis, when signs are posted giving notice of the maximum legal speed limit on any street that is under construction or improvement, it shall be unlawful for any person to drive or operate any vehicle at a rate of speed more than such posted limit.

Sec. 98-132. Maximum limits on specific streets.

The city commission may alter the maximum speed limits established by section 98-131 on any street or portion thereof within the city in accord with the provisions of V.T.C.A., Transportation Code § 545.356. Whenever signs are posted giving notice of the maximum legal speed limit so established for a particular street or portion thereof, it shall be unlawful for any person to drive or operate any vehicle at a rate of speed more than such limit.

Sec. 98-133. Established for specific streets.

Pursuant to section 98-132, the following speed limits are established for the streets and portions of streets enumerated:

Street		Extent	Speed
U.S. 83 Expressway			
	West Frontage Rd.	Beginning the center of FM 802, south to a point 1,056 feet north of the centerline of Price Rd.	45
		From such point south to a point 400 feet north of the centerline of State Hwy. 48	35
		From such point south to a point 125 feet northeast of Pierce St.	35
		Then beginning at a point, such point being its intersection with S.E. 11th St., south to its intersection with State Hwy. 4	30
	East Frontage Rd.	Beginning at a point, such point being its intersection with State Hwy. 4, north to a point 400 feet north of the centerline of State Hwy. 48	35
		From such point north to a point 1,056 feet north of the centerline of Price Rd.	40
		From such point north to the north city limit	45

	Main lanes	As determined by state highway commission. That portion of the main lane off ramps not otherwise provided for	35
U.S. Hwy. 281 (Military Hwy.) (Boca Chica Blvd.)		Beginning at a point from the city limit line, such point being 400 feet northwest of the centerline of FM 802, southeast to a point 500 feet northwest of Old Military Rd.	35
		From such point to the intersection of Spur 415	30
		Between Western Ave. and the Old Military Rd.	40
U.S. 281		F.M. 3248 to 255 feet east of F.M. 802	45
U.S. 281		255 feet east of F.M. 802 to 455 feet west of Old Military Rd. (railroad tracks)	40
U.S. 281		455 feet west of Old Military Rd. to Old Military Rd. (railroad tracks)	30
U.S. 281		F.M. 3248 to 2,640 feet west of F.M. 3248	45
U.S. 281		2,640 feet west of F.M. 3248 to 3,960 feet west of F.M. 3248	50
State Hwy. 4			
	East 14th St.	Beginning at Elizabeth St., east to a point 100 feet west of the centerline of Coolidge St.	30
	International Blvd.	Beginning at a point on State Highway 4 (International Boulevard), such point being 120 feet north of the centerline of Coolidge Street, thence northeasterly 1,190 feet to a point:	
		When school flashing speed zone signs are in operation	25
		At all other times	40
		From such point north and east to State Hwy. 48	40
		From such point east to the east city limits line	45
State Hwy. 48 (Boca Chica Blvd.)		Beginning at Spur 415 east to Resaca Blvd.	30
State Hwy. 48		State Highway 4 (Boca Chica Boulevard) to Robindale Road	40
		From Resaca Blvd. to Old Port Isabel Road	40
FM 511		F.M. 1419 to 1,435 feet west of Dakota Ave.	35
FM 511		1,435 feet west of Dakota Ave. to 150 feet east of Dakota Ave.	45
FM 511		150 feet east of Dakota Ave. to F.M. 3068	55
FM 802		From U.S. Hwy. 281 east to State Hwy. 48	45
		From State Hwy. 48 (E. 14th Street) to FM 511	45
FM 802		From U.S. 281 to 160 feet west of Jones Ranch Road	50
FM 802		From U.S. 77/83 to San Marcelo Boulevard	30
FM 802		San Marcelo Boulevard to 200 feet west of Habana Street	40
FM 802		200 feet west of Habana Street to FM 1847	40
FM 802		FM 1847 to State Highway 48	45
FM 803		F.M. 511 to 1,065 feet north of Webb Ln.	50
FM 803		1,065 feet north of Webb Ln. to 575 feet south of Meyers Rd. (current city limits)	55
State Highway (Tejon Road)		Beginning at a point on FM 3248 (Tejon Road), such point being 55 feet west of the city limit, thence westerly 1,005 feet to a point:	
		When school flashing speed zone signs are in operation	35
		At all other times	55
FM 1419 (Southmost Rd.)		From State Hwy. 4 south to the south city limits line	30
FM 1847 (Paredes Line Rd.)		From State Hwy. 48 north to a point 200 feet north of the centerline of Los Ebanos Blvd.	30

		From such point to a point 200 feet north of E. Price Rd.	35
		From such point to a point 400 feet north of FM 802	45
FM 2519 (Billy Mitchell Blvd.)		From State Hwy. 4 south and east 1,836 feet to the end of FM 2519	45
Spur 415 (Central Blvd.)		Beginning at a point 2,798 feet north of the centerline of FM 802 to Los Ebanos Blvd.	45
		From such point to E. Jefferson St.	30

Sec. 98-134. Speed limits—Alleys.

Street	Extent	Existing	Speed
Alleys	All	N/A	10 miles/hour

Secs. 98-135—98-160. Reserved.

ARTICLE V. STOPPING, STANDING AND PARKING

DIVISION 1. GENERALLY

Sec. 98-161. No stopping, standing, or parking near hazardous or congested places.

(a) The city manager or designee is authorized to determine and designate by proper signs places not exceeding 100 feet in length in which the stopping, standing, or parking of vehicles would create an especially hazardous condition or would cause unusual delay to traffic.

(b) When official signs are erected at hazardous or congested places as authorized, no person shall stop, stand, or park a vehicle in any such designated place.

Sec. 98-162. Impoundment of standing or parked vehicles.

(a) Any vehicle which shall be or remain standing or parked upon any public street, avenue, way, alley, or other public place may be removed by or upon order of the chief of police and placed in storage in a privately operated garage or other place designated or maintained by the city, under the following circumstances:

(1) When any vehicle is found upon a street, avenue, alley, way, or public place and a report has been previously made that such vehicle has been stolen or a complaint has been filed and a warrant issued thereon, charging that such vehicle has been stolen or converted in violation of law.

(2) When any city police officer has reasonable grounds to believe that any vehicle has been abandoned.

(3) When a police officer arrests any person driving or in control of a vehicle for an alleged offense and such officer is or may be required by law to take the one arrested immediately before a magistrate or if the arrested one is immediately taken before a magistrate and when the arrested one is the sole occupant or the owner of the vehicle and is immediately placed in custody.

(4) When a vehicle is so disabled that its normal operation is impossible or impractical and the person in charge of the vehicle is incapacitated because of physical injury or other causes to such an extent as to be unable to provide for its removal or custody or cannot be found or is not in the immediate vicinity of such vehicle.

(5) When such vehicle is left unattended upon any bridge, viaduct, or causeway or in a tunnel or tube and constitutes an obstruction to traffic.

(6) When any such vehicle is illegally parked so as to block the entrance to any private driveway, and it is impracticable to move such vehicle from in front of the driveway to any other point on the highway.

(7) When any vehicle constitutes a hazard or interferes with the normal function of a governmental agency or because of any catastrophe, emergency, or unusual circumstance the safety of the vehicle is imperiled.

(8) When any vehicle is left standing or parked unattended for more than 48 hours in violation of any applicable section of this Code, state laws or city ordinances, rules, or regulations. However, if such vehicle is parked or standing immediately in front of or immediately adjacent to property owned by the owner of such vehicle or property rented by such owner, before such vehicle shall be removed, the owner thereof shall be given written notice after the expiration of 48 hours and shall be given an additional 24 hours to remove or cause to be removed such vehicle. The written notice may be given by depositing the notice in the United States mail, addressed to the owner at the address given on the registration receipt of the vehicle or his last known address.

(9) When any vehicle is parked in violation of a metered parking space.

(10) When any vehicle lacking the display of current registration and inspection tags (when applicable) in a lawfully acceptable manner has been parked or placed upon any public street or alley.

(b) In order to obtain possession of a vehicle stored under this section, the claimant must produce satisfactory evidence of ownership or right to possession within 30 days from the date of such storage and, in addition thereto, must pay all charges for storage and removal of such vehicle, in addition to any fine.

(c) If a vehicle removed under this section is not claimed within 30 days from the date of storage, the vehicle may be sold by the city or the garage where the vehicle is stored, for storage charges, as provided by law.

(d) It shall be unlawful to park any vehicle on private property without express permission or authorization from the owner of such property. Any vehicle which shall be or shall remain standing or parked upon any privately owned parking area when the person in charge of or operating the vehicle does not have express permission or authorization to be so parked or standing may be removed by or upon order of the chief of police and placed in storage in a privately operated garage or other place designated or maintained by the city. It shall be the duty of the owner of the private property to erect appropriate signs giving notice that parking is prohibited without express permission or authorization and stating that unauthorized vehicles will be towed away and impounded at the expense of the owner of the vehicle. No regulation of parking of motor vehicles shall be effective unless such signs are erected and in place at the time of any alleged offense.

(e) This section shall not be construed to relieve from or lessen the responsibility of any person who shall leave his vehicle parked on the city streets in such a manner that the vehicle may be impounded, nor shall the city be held as assuming any such liability because of impounding or causing to be impounded such vehicle.

Sec. 98-163. Special parking.

(a) The city manager or designee may issue special permits or placards to allow parking which may be contrary to or in violation of any of the sections of this chapter. The following are exempt from the payment of parking meter fees while conducting official duties or business with or for the city:

(1) The mayor and members of the city commission;

(2) Official vehicles of the United States government, the state, the county and the city;

(3) Unmarked police vehicles;

(4) Brownsville Public Utility vehicles when working in the downtown area;

(5) Board members appointed by the city commission when conducting city business on the applicable board to which they were appointed;

(6) Consul and vice-consul of Mexico;

(7) Private vehicles identified with a city issued permit or placard that has not expired, and placard is properly displayed; or

(8) Disabled veteran vehicles displaying a license plate issued by the state identifying disabled status.

(b) It shall be unlawful for any person to use this special permit or placard for purposes, places, or times other than uses which have been expressly given by the city manager or designee.

(c) It shall be unlawful for any person other than those named in the application to use the special permit or placard for any purpose whatsoever.

Sec. 98-164. Angle parking.

Vehicles may be parked at any angle, not to exceed 45 degrees, to the curb or edge of the roadway at those places and angles where signs or markings clearly indicate that it is permissible and that no part or contents of such vehicle shall protrude into or cause a hazard with other vehicles or pedestrians in the nearest adjacent traffic lane, sidewalk, or crosswalk. In no case is this to exceed 17 feet from the curb in a perpendicular direction where 30-degree parking is permitted or 19 feet from the curb in a perpendicular direction where 45-degree parking is permitted.

Sec. 98-165. Parking in alleys.

No person shall park a vehicle within an alley in such a manner or under such conditions as to leave available less than ten feet of the width of the roadway for the free movement of vehicular traffic. No person shall stop, stand, or park a vehicle within an alley in such position as to block the driveway entrance to any abutting property.

Sec. 98-166. Residential parking restrictions.

It shall be unlawful for any person in charge of or operating a vehicle to allow, permit or park such vehicle habitually on that portion of the street abutting residential property when the person in charge of such vehicle does not own or occupy the residence or a portion of the lot in front of which or alongside of which such subject vehicle is parked.

Sec. 98-167. Parking more than 72 hours.

It shall be unlawful for the owner or operator of any vehicle to allow, cause or permit such vehicle to remain standing or parked on any street, alley, avenue, or public way within the city for more than 72 hours continuously.

Sec. 98-168. Fines or fees.

All fines, costs and fees shall be deposited in the motor vehicle parking system fund of the city, unless otherwise directed by resolution of the city commission.

- MOTOR VEHICLE PARKING SYSTEM FINES

Description of Fines or Fees		Fine
Expired parking meter violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Penalty or administrative fee for processing a citation for three or more unpaid parking meter violations		$25.00
Code 4. Left wheel to curb violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 5. Over 18” from curb violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 6. On sidewalk violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 7. On sidewalk area violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 8. No parking area violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 9. Blocking crosswalk violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 10. Blocking area violation		

	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 11. Blocking alley violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 12. Loading zone violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 13. Extending time beyond legal limit violation		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 14. Other		
	If paid within 10 days	$10.00
	If paid after 10 days	$20.00
Code 15. Doubled parked		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00
Code 16. Parking within 15 ft. of fireplug violation		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00
Code 17. Parking in fire zone violation		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00
Code 18. Parking in taxi zone violation		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00
Code 19. Parking in safety zone violation		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00
Code 20. Between two meter spaces violation		
	If paid within 10 days	$15.00
	If paid after 10 days	$30.00

Secs. 98-169—98-195. Reserved.

DIVISION 2. ADMINISTRATION AND ENFORCEMENT

Subdivision I. In General

Sec. 98-196. Enforcement.

(a) The city manager or designee is charged with the enforcement of this article.

(b) Parking enforcement officers and police officers are empowered to issue parking violation citations pursuant to this chapter.

(b) Code Enforcement Officers are authorized to issue citations for violations of sections 98-165 and 98-167.

Sec. 98-197. Violation.

Parking in a metered space by a vehicle shall be limited to the maximum time on the parking pay station. It shall be a violation of this section for the owner or operator of a vehicle to allow a vehicle to remain in a metered space for a period of time more than the maximum time on the meter. This section shall be enforced by Chief of Police or designee.

Sec. 98-198. Fee for overparking in metered spaces.

(a) The fee for parking in a metered space or stall with the parking pay station indicating no time left (expired) shall be $10.00 if paid within ten days and $20.00 if paid after ten days and before 30 days. Citations unpaid after 30 days shall subject the owner or operator of the vehicle to payment of $35.00 for each violation and court costs, plus an administration fee of $50.00 each for second and third citations if the fine is not paid prior to these citations being sent.

(b) Notice occurs when the city manager or designee advises a person by mail that a parking citation was issued to a vehicle currently registered under that person's name and that the citation remains unpaid 30 days after its initial issuance.

Sec. 98-199. Collection.

The city manager or designee shall process parking violation citations, for the municipal court, for the collection of fees or fines as stipulated in this chapter, or as may be levied by the judge of the municipal court related to this chapter.

Sec. 98-200. Collector's bond.

Each person designated to collect and deliver legal tender from parking pay stations to the designated department, shall, if directed by the city manager , execute a fiduciary bond in the amount of $5,000.00, payable to the city, conditioned for the faithful performance of his duties in collecting and delivering all legal tender. Such bond shall be executed by a corporate surety which has been duly authorized under state law to execute such bonds. The premium for such bond shall be paid by the city.

Secs. 98-201—98-225. Reserved.

Subdivision II. Illegal Parking at Metered Spaces

Sec. 98-226. Presumption.

In any notice requirement or prosecution for an illegally parked car at a metered space, proof that the driver of the particular vehicle described in the parking citation or complaint was either, at the time of such parking, the registered owner of such vehicle or the person to whom the license plates were issued or the person who had possession or control of the vehicle shall constitute in evidence a prima facie presumption that such person was the driver of the vehicle at the point where and for the time during which such violation occurred.

Sec. 98-227. Evidence.

For the purposes of this subdivision, the state department of highways and public transportation's computer-generated record of the registered vehicle owner is prima facie evidence of its contents. The original or any copy of the summons or citation is also prima facie evidence of the facts contained therein.

Sec. 98-228. Citation on illegally parked vehicles in metered spaces.

Whenever any motor vehicle is found parked illegally in any metered parking space, any police officer or parking enforcement officer finding such vehicle shall take its license plate number and may take any other information displayed on the vehicle which may identify its user and shall conspicuously attach to such vehicle a citation in writing, on a form to be provided by the police department or designee, for the driver to answer to the charge against him within ten days within the hours and at a place specified in the citation.

Sec. 98-229. Failure to comply with citation; penalties and mailings.

(a) If, for the third time within any six-month period, a violator of the restrictions on stopping, standing or parking at a metered space under the terms of this subdivision has not appeared in response to three citations affixed to such vehicle within the required period of ten days each, the municipal court clerk or designee, shall at any time thereafter send to the registered owner (the presumed driver) of the motor vehicle to which the third citation was affixed the first and only mailed notice to inform him of this third violation within a six-month period and the requirement for the violator to pay the fines or fees as stated on the citation. The citation shall include a statement to the violator that failure to pay the fines or fees within ten days thereafter causes the director of traffic to have these three violations to be presented to a municipal court judge at a hearing (noting the date certain at which time the hearing will be held) at which time director of traffic shall ask the court to declare the vehicle a nuisance. When so declared as a nuisance the vehicle will become subject to booting and shall be booted instanter without further notice if found. This notice shall be in English and Spanish.

(b) Procedures for penalties and mailings are as follow:

(1) The fee for overparking in metered spaces with the meter indicating no time left shall be $10.00; if unpaid after ten days the fee shall be $20.00.

(2) In addition to each fee of failure to pay within ten days, there is assessed one mailing penalty for not paying two or more overparking fees within each prescribed 20-day period. This penalty shall be $35.00, and this shall be the total owed only if the violator presents himself at the address on the citation and before any municipal court hearing to declare the vehicle a nuisance.

(3) Upon a presentation by the city prosecutor or designee to the municipal court judge to declare a vehicle a nuisance, the judge may require an additional court cost up to $100.00 upon the appearance of the violator. If there is no appearance, there may be an additional mailing fee of $25.00 but only if the judge orders a second mailing by registered mail, return receipt requested.

(4) Once the vehicle has been declared a nuisance and is booted and/or impounded, the judge shall also have the discretion to assess additional fines up to $50.00 each on those unpaid parking citations more than the first three.

(5) The municipal court or designated department shall send out no more than one regular mailing concerning any one vehicle with the same license plate, as long as the license plate continues to be traced back to the same registered owner. The municipal court or designated department shall send out no more than one registered letter, return receipt requested, concerning any one vehicle with the same license plate, and then only if so ordered by a judge which has declared such vehicle a nuisance.

(6) Such immobilization by booting shall be in addition to any other penalty provided by this chapter, and a fee up to $50.00 for such may be set by the judge for the booting alone, irrespective of other fees.

(7) It shall be unlawful for any unauthorized person to tamper with or try to force the device (boot) from the wheel of a vehicle, to remove the booted wheel from a vehicle, to move the booted vehicle, or to disable or damage the booting device.

(8) No additional fees may be imposed by the judge if actual impoundment of the vehicle is required except the actual costs of impoundment and storage.

Sec. 98-230. Nuisance.

A vehicle that has received three or more citations, unresolved, pursuant to this subdivision within any six-month period is declared a nuisance. An unresolved parking citation occurs when a citation is issued under section 98-228 and the driver does not respond within ten days as required in such section.

Sec. 98-231. Procedure for impoundment or booting of vehicles declared nuisance.

(a) After ascertaining that a vehicle has three or more citations unresolved pursuant to this subdivision, within any six-month period, the city prosecutor, after the requisite notice required by this subdivision, shall appear before the municipal court for authorization to impound or immobilize by booting such vehicle, it being declared a nuisance.

(b) At that time, if evidence shall be presented as to the number of unresolved parking citations and that all notice requirements have been met, the judge may declare the vehicle a nuisance solely on the basis of this evidence and that the vehicle shall be immobilized by booting or impoundment instanter, if such vehicle is found to be standing or parked unlawfully or in or upon any regularly designated parking metered space. In addition the judge has the discretion to order, when possible or practical, such as if a license plate check in the United States can identify the driver and his address, the person appearing to attempt to notify the driver by mailing a certified notice, return receipt requested, to the last known address of the driver as shown by the license plate check, informing such driver/owner that the vehicle has been declared a nuisance and has been ordered by the court to be immobilized instanter by booting or impoundment, if the vehicle is found to be standing or parked unlawfully or in or upon any regularly designated parking metered space. The mailing, if ordered, and the failure to receive this letter is in no way a prerequisite to any vehicle being impounded or booted; however, the judge may also order the city prosecutor to withhold enforcing its order for a period not to exceed ten days after the date mailed. If the vehicle is immobilized by impoundment or booting, it shall remain at or be taken to a place of immobilization and there kept until application for its redemption shall be made by the owner or his duly authorized agent.

Sec. 98-232. Right to redeem immobilized vehicle.

When a vehicle is to be immobilized under this subdivision, appendix A attached to Ordinance No. 92-1256 includes a sample of a procedure that may be used by the City to adopt as its procedures. Nothing in the sample shall prohibit the City from adopting a different or similar procedure, with the concurrence of other city departments that are involved, and finally approved by the judge. Until another is adopted, the sample shall constitute the temporary procedure until a different one is adopted. Readoption of a new procedure under this section shall not require an amendment of this section as the sample is strictly advisory.

Sec. 98-233. Right to redeem impounded vehicle.

When a vehicle is impounded under section 98-162, at any time prior to its sale as an abandoned vehicle, the owner or his duly authorized agent shall be entitled to the possession thereof upon the payment of all the costs of removal and storage that may have accrued thereon, plus any fines or costs owed to the city for parking violations, unless the owner/driver posts a bond under the requirements of section 98-236. If the owner or authorized agent posts a bond, the vehicle shall be released.

Sec. 98-234. Notice of violation.

After the vehicle has been impounded under section 98-231 and if no owner or driver appears, a notice shall be prepared and sent certified mail by the municipal court to the owner within 48 hours of the impounding of the vehicle, if the address can be ascertained as shown by a United States license number check. If the automobile

license check is that of a foreign country, the notice shall be published twice within a 30-day period in a locally published newspaper. The notice shall specify the procedures for redeeming an impounded vehicle, including the name, address, and telephone number of the person to be contacted; the bonding procedure; and the right to a hearing. If no owner/driver comes forward to claim the vehicle after all the notices required by this subdivision, the vehicle shall be treated as an abandoned vehicle.

Sec. 98-235. Hearing on impounded immobilized vehicle.

After the impounding/immobilization of a vehicle, the owner/driver shall have the right to a hearing before a municipal court judge to contest the circumstances surrounding the impounding/immobilization of the vehicle or to present any other defense he might have to the actions taken. An expedited hearing shall be held within 48 hours of the impounding or immobilization or the next municipal court working day after the impounding, whichever is the greater time, if the owner requests such an expedited hearing in writing and if there is an agreement between the owner/driver and the city prosecutor on evidentiary procedures.

Sec. 98-236. Bond for impounded vehicle.

The owner or driver of a vehicle which is impounded pursuant to this subdivision may secure release of the vehicle pending the hearing by making an appearance on the unresolved citations and posting a bond in the amount of the fines, court costs, administrative fees, towing fees, and storage fees owed. If the municipal court is closed so that the owner or driver cannot make an appearance, the owner/driver may post the bond and obtain release of the vehicle without an appearance. If the owner/driver cannot afford the bond for his vehicle, he shall be allowed a hearing within 24 hours of his request for a hearing or the next municipal court working day after his request, whichever is the greater time, if there is an agreement between the owner/violator and the city prosecutor on evidentiary procedures. At this hearing, if the owner/driver is found not guilty of the traffic offenses or the court otherwise finds that the vehicle should not be impounded, the court shall order the vehicle released without the payment of any costs or fees. If the owner/driver posts a bond and fails to appear timely at any hearing scheduled to contest the impounding of the vehicle or the underlying traffic violation, the bond shall be forfeited, and all fines deemed paid.

Secs. 98-237—98-265. Reserved.

DIVISION 3. MOTOR VEHICLE PARKING SYSTEM FUND

Sec. 98-266. Established - motor vehicle parking system fund.

(1) *Established.* The City of Brownsville hereby establishes the motor vehicle parking system fund. Said fund shall be maintained in a separate bank account from all other city funds. Revenue derived from parking pay stations shall first be allocated for operations and maintenance costs of the downtown area. Any surplus revenue from this fund is reserved for one-time capital costs for downtown, with city manager's or designee's approval, and city commission's approval when required by law, to include improvement projects such as events, new equipment.

   a. Operations and maintenance costs include but are not limited to the following: personnel expenses, beautification and upkeep, software fees, pay station upgrades or fixes.

   b. Downtown area includes the Historic District of Brownsville up through Palm Boulevard and I69 as well as the Mitte District and Linear Park all through and up to International and the bridges to Mexico.

(2) *Deposits.* All revenue from the city's parking meters derived as a result of issuing citations, non-moving violations, rental of or off-street parking spaces, interest received from investment of said revenue,

and all other incidental revenue derived from operation of the motor vehicle parking system fund shall be deposited in said fund and credited to the motor vehicle parking system fund.

(3) *Authorized expenditures.*

a. Expenditures from the motor vehicle parking system fund shall be limited to motor vehicle parking purposes, including, but not limited to, expenditures for meter and parking lot operation and maintenance, parking pay station replacements, acquisition by rental, lease or purchase of a property to be utilized for parking purposes, construction of parking facilities and issuance and enforcement of parking pay station citations.

b. One-time capital costs will be prioritized for downtown improvement projects. city manager or designee will identify projects that will contribute to further downtown revitalization.

Sec. 98-267. Disposition of money collected.

The city manager or designee will make regular collections of the money deposited in the parking pay stations. It shall be the duty of such person so designated to collect the legal tender as deposited in the parking pay stations and deliver the legal tender to the municipal court or designated department as soon as possible after removal from the parking pay station. It shall be the duty of the municipal court or designated department to count the funds and deposit them to the credit of the city in a special fund called motor vehicle parking system fund which fund shall be disbursed as described herein.

Secs. 98-268—98-295. Reserved.

DIVISION 4. RESTRICTED OR PROHIBITED ON CERTAIN STREETS

Sec. 98-296. Applicability.

The sections prohibiting the standing or parking of a vehicle shall apply at all times or at those times specified or as indicated on official signs, except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

Sec. 98-297. Scope.

The sections imposing a time limit on parking shall not relieve any person from the duty to observe other and more restrictive sections prohibiting or limiting the stopping, standing, or parking of vehicles in specified places or at specified times.

Sec. 98-298. Parking prohibited on certain streets generally.

When signs are erected giving notice thereof, no person shall park a vehicle at any time upon any of the streets described herein.

Sec. 98-299. Parking prohibited on specific streets.

It shall be unlawful for any person in charge of any vehicle to park the vehicle on any of the following streets or parts of streets in the city:

Street	Side	Extent
U.S. 83 Expressway		

	Generally	Both	Within 20 feet of the beginning of the curve along the curb around street corners of all streets and roadways leading off such expressway and its frontage roads
			Between the curbline and the property line on such expressway and its frontage roads
	Main lanes	Both	On any portion within the city, except emergency parking will be permitted on the paved shoulder of the main lanes provided the vehicle is parked to the right only and as far from main lanes as practical
	Frontage Rds.	Both	On any cross street between the frontage roads
2nd St., E.		N.W.	From E. Elizabeth St. to E. Saint Charles St.
4th St., N.W.		East	From N.W. Elizabeth St. to N.W. Levee St.
5th St., N.W.		Both	Between N.W. Elizabeth St. and N.W. Washington St.
5th St., S.E.		East	From S.E. Levee St. to S.E. Washington St.
6th St., S.E.		Both	From Ebony Dr. to S.E. Fronton St.
7th St., S.E.		Both	From S.E. Fronton St. to U.S. 83 Expressway northbound frontage road
7th St., W.		West	Between W. Elizabeth St. and W. Levee St.
8th St., E.		West	From E. Van Buren St. to E. Harrison St.
8th St., S.E.		N.W.	From S.E. Adams St. to Fronton St.
9th St., E.		South	Between E. Tyler St. and E. Harrison St.
9th St., S.E.		N.W.	From S.E. Levee St. to alley between S.E. Levee St. and S.E. Elizabeth St.
9th St., S.E.		S.E.	From alley between S.E. Levee St. and S.E. Elizabeth St. to S.E. Adams St.
9th St., S.E.		S.E.	From S.E. Fronton St. to S.E. Levee St.
9th St., S.E.		S.E.	From S.E. Levee St. to alley between S.E. Levee St. and S.E. Elizabeth St.
10th St., E.		Both	From E. Van Buren St. to E. Harrison St.
10th St., E.		N.W.	From North Frontage Rd. to Filmore St.
10th St., S.E.		N.W.	From S.E. Adams St. to S.E. Elizabeth St.
10th St., S.E.		S.E.	From S.E. Elizabeth St. to S.E. Fronton St.
10th St., S.E.		S.E.	From S.E. Madison St. to S.E. Adams St.
11th St., E.		Both	Between E. Washington St. and E. Adams St.
11th St., S.E.		S.E.	From Fronton St. to Van Buren St.
11th St., S.E.		S.E.	From S.E. Fronton St. to S.E. Madison St.
12th St., E.		Both	U.S. 77/83 northbound frontage road to Levee St.
12th St., S.E.		Both	From southbound frontage road (Filmore St.) to S.E. Levee St.
12th St., S.E.		N.W.	From international boundary and water commission levee to the intersection of S.E. 12th St. and Mexico St.
12th St., S.E.		N.W.	From its intersection with S.E. Fronton St. to its intersection with Mexico St.
12th St., S.E.		S.E.	From its intersection with S.E. St. Charles St. to its intersection with Mexico St.
13th St., E.		Both	U.S. 77/83 northbound frontage road to Levee St.
13th St., S.E.		S.E.	From Filmore St. to S.E. Levee St.
14th St., E.		N.W.	From Boca Chica Blvd. to Security Dr.
14th St., E.		S.E.	From Lincoln St. to north frontage rd.

Woodruff Ave.	Both sides	Between S. frontage Rd. and Greenbriar Ave.
Woodruff Ave.	N.W.	From Greenbriar Ave. to Los Ebanos Blvd.

Sec. 98-300. Parking at City Hall

(a) It shall be unlawful for any person in charge of any vehicle to park or leave the vehicle unattended in the alley situated between Southeast Elizabeth Street and Southeast Washington Street, where it abuts t City Hall(b) Except as provided in this section, it shall be unlawful for any person in charge of a vehicle to park the vehicle on the southeast side of Southeast 10th Street in the city, from Southeast Elizabeth Street to the alley situated between Southeast Elizabeth Street and Southeast Washington Street, and one parking space on the north side of such alley.

(c) There shall be designated parking spaces for all city commission members alongside City Hall on 10th street between Elizabeth and Washington streets. These designated spaces may be used by other appointed board and commission members when not in conflict with a city commission meeting and when said members are at City Hall for their respective meetings, and as approved by the city manager or designee.

Sec. 98-301. Parking time limited on certain streets.

Whenever and wherever the congestion of traffic, the frequency of passage of vehicles or pedestrians or both, the direction of the flow of traffic, the dimensions of the streets are such that the city manager or designee finds it to be necessary for the free flow and the expeditious handling of traffic and the safety of person and property, such authorization determines and allocates parking time limits between the hours of 7:00 a.m. to 6:00 p.m. on any day except Sundays and public holidays designated by the city commission within that portion of the city zoned other than residential and not within a meter zone.

Sec. 98-302. Parking signs required.

Whenever by this division or any city ordinance any parking time limit is imposed or parking is prohibited on designated streets, it shall be the duty of the city manager or designee to erect appropriate signs giving notice thereof, and no such regulations shall be effective unless such signs are erected and in place at the time of any alleged offense.

Secs. 98-303—98-330. Reserved.

DIVISION 5. LOADING AND UNLOADING

Sec. 98-331. Designation of 15-minute loading and unloading zones.

The city manager or designee, subject to the approval of the city commission, is authorized to determine the location of passenger, freight, and curb-side loading and unloading zones and shall place and maintain appropriate signs indicating said zones.

Sec. 98-332. Use of 15-minute loading and unloading zones.

(a) It shall be unlawful for any operator of a passenger or commercial vehicle to stand or park a vehicle in a loading zone for the purpose of loading or unloading passengers or for the purpose of curbside or in-store pickup for a period no more than fifteen minutes.

(b) The use of loading and unloading zones shall be for handling of heavy or bulky merchandise, supplies, and materials as well as for curb-side pickup. All such loading and unloading must be performed in an expeditious manner. No vehicle may remain in a loading and unloading zone longer than necessary to expeditiously load or unload the vehicle or while the operator thereof is engaged otherwise related to the loading and unloading of the vehicle, or for curbside or in-store pickup.

(c) Any vehicle parked unlawfully in the loading and unloading zones will be subject to being towed pursuant to the notice of said enforcement located on the signs at said locations.

Sec. 98-333. Designation of public carrier stops and stands.

The city manager or designee is authorized and required to establish bus stops, bus stands, taxicab stands and stands for other passenger common carrier motor vehicles on such public streets in such places and in such number as determined to be of the greatest benefit and convenience to the public. Every such bus stop, bus stand, taxicab stand, or other stand shall be designated by appropriate signs.

Sec. 98-334. Stopping, standing, and parking of buses and taxicabs.

(a) The operator of a bus shall not stand or park such vehicle upon any street at any place other than a bus stand so designated as provided in this division.

(b) The operator of a bus shall not stop such vehicle upon any street at any place for the purpose of loading or unloading passengers or their baggage other than at a bus stop, bus stand or passenger loading zone so designated as provided in this division, except in an emergency.

(c) The operator of a bus shall enter a bus stop, bus stand or passenger loading zone on a public street in such a manner that the bus, when stopped to load or unload passengers or baggage, shall be in a position with the right front wheel of such vehicle not further than 18 inches from the curb and the bus approximately parallel to the curb so as not to unduly impede the movement of other vehicular traffic.

(d) The operator of a taxicab shall not stand or park such vehicle upon any street at any place other than in a taxicab stand so designated as provided in this section. This subsection shall not prevent the operator of a taxicab from temporarily stopping in accordance with other stopping or parking regulations at any place for the purpose of and while actually engaged in the expeditious loading or unloading of passengers.

Sec. 98-335. Restricted use of bus and taxicab stands.

No person shall stop, stand, or park a vehicle, other than a bus in a bus stop or other than a taxicab in a taxicab stand, when any such stop or stand has been officially designated and appropriately signed. However, the driver of a passenger vehicle may temporarily stop therein for the purpose of and while actually engaged in

loading or unloading passengers when such stopping does not interfere with any bus or taxicab waiting to enter or about to enter such zone.

Secs. 98-336—98-360. Reserved.

DIVISION 6. PARKING PAY STATIONS

Sec. 98-361. Applicability.

This division applies every day of the week between the hours of 8:00 a.m. through 7:00 p.m. , except as to the following:

((1) Use of parking spaces for loading and unloading as provided in section 98-3332;

(2) Parking over length vehicles and vehicles with trailers attached thereto, as provided in section 98-377;

(3) Parking of vehicles in parking spaces designated for the post office;

(4) Parking spaces designated for city commission;

(5) Vehicles exempted under section 98-163; and

(5) Parking spaces designated as handicap.

Sec. 98-362. Standard of time.

All hours of time mentioned in this division refer to and shall be determined by Central Standard Time, as commonly known, except when another standard of time is established or proclaimed by law for an area, including the city, in which case all such hours shall be determined by such officially established or proclaimed standard, so long as the standard remains in effect.

Sec. 98-363. Designation of parking pay station spaces and loading zones.

(a) In any parking pay station zone authorized under this division, the city manager or designee is authorized to create parking spaces and loading and unloading zones to be designated and maintained in parking pay station zones. The city commission may authorize from time to time in accordance with this division.

(b) All spaces for parking vehicles shall be laid out at an angle of approximately 60 degrees to the curb or parallel to the curb, for diagonal or parallel parking, respectively, and shall be designated by lines marked by paint or ceramic buttons on the surface of the street and shall be laid out as one parking pay station space.

(c) Loading and unloading zones for handling of passengers, heavy bulky merchandise, supplies and materials, and curbside and in-store pickup shall be laid out and designated by yellow-colored lines by paint or marked with ceramic buttons on the surface of the street and/or curb.

Sec. 98-364. Lengths of time and rates charged for parking at pay station spaces.

Parking a vehicle in a parking pay station space and the amounts of money charged for such length, respectively, for using parking spaces are established at the discretion of the city commission and are located in the city's master fee schedule.

(1) Employees and/or owners parking shall be designated separate from their customer parking. Employees and/or owners will have access to city parking lots location on St. Charles, Adams St. and Jefferson St. as described by Exhibit "A".

Sec. 98-365. Deposit of legal tender.

(a) When any vehicle is parked in any legal parking space which is a metered space, the owner, operator, manager or driver of such vehicle shall, upon entering such parking space, immediately make the specified payment in the pay station by using either legal tender of the United States or by using a credit card, debit card, smart card or token, prepaid account or other electronic means as is acceptable to the particular device being used to regulate such parking space. Upon making such payment, the metered space regulated by the device to which payment was made may be used by such vehicle during the parking limit provided, for the part of the street in which the parking space is located.

(b) If the vehicle shall remain parked in any parking space beyond the parking time limit for which such deposited legal tender, the Pay Station shall display a sign or signal showing illegal parking. Such vehicle shall be considered as parked overtime and beyond the period of time fixed by this division. Such parking of a vehicle shall be a violation of this division, punishable as provided herein.

Sec. 98-366. Parking meter zones established.

The following described parts of streets and other property in the city are established as parking pay station zones:

Street	Side	Extent
Levee Street	Both	From East 6th St. to E. 13th St.
Washington Street	Both	From East 6th St. to International Blvd.
Elizabeth Street	Both	From East 6th St to Gorgas Dr.
Elizabeth Street	South	From Palm Blvd. to West 2nd St.
Elizabeth Street	South	From East 2nd St. to East 3rd St.
Adams Street	Both	From East 9th St. to International Blvd.
St. Charles Street	Both	From East 7Th St. to East 12th St.
East 8Th Street	Both	From St. Charles St. to Adams St.
East 9th Street	Both	From St. Charles St. to Adams St.
East 10th Street	East	From Madison St. to St. Charles St.
East 10th Street	West	From Madison St. to Jefferson St.
East 11th Street	Both	From St. Charles St. to Madison St.
East 11th Street	West	From Jefferson St. to Madison St.
East 11th Street	West	From St. Francis to St. Charles
East 11th Street	Both	From St. Charles St. to Jefferson St.
Not including East 11th St. between East Washington St. and East Adams St. which is a no parking zone.		
1st Street	West	From Elizabeth St. to Levee St.
International Boulevard	Both	East Elizabeth St. and Jefferson St.
Jefferson Street	East	From East 10th St. and International Blvd.
Jefferson Street	Both	From 14th St. to 15th St.
St. Francis Street	Both	From Sam Pearl to 11th St.
Taylor Avenue	North	From May and East Elizabeth St.
Madison Street	Both	From 9th St. to 16th St.

Not including:
a. between 9th and 10th Streets only that portion which lies 200 feet west of 10th Street;
b. between 10th and 11th Streets only that portion on the south side;
c. between 11th and 12th Streets on both sides;
d. between 12th and 13th Streets only that portion on the south side;
e. between 13th and 14th Streets only that portion on the north side;
f. between 14th and 15th Streets only that portion on the South Side; and
g. between 15th and 16th Streets only that portion on the South Side.
Lots 2, 3, 4, 5, 6, 10, 11, 12, block 85, 86, 90, 96, Original Townsite of Brownsville

Sec. 98-367. Installation, operation, and maintenance of Pay Stations.

(a) The city manager or designee are authorized to install, operate, and maintain parking pay stations at their discretion. The - city manager or designee from time to time shall provide for the regulation, control, operation, and maintenance of such parking pay stations in full workable condition.

(b) Parking pay stations shall be placed in designated parking zones. Each Parking Pay Station shall display a signal showing whether the parking space is legally in use and the time purchased. Pay Stations shall also indicate when time has expired.

(c) The city manager or designee may establish parking pay stations along public street right-of-ways and on parking lots owned and controlled by the city.

(d) A parking pay station must:

(1) be installed on or near the same City block or at the same City-owned or controlled parking lots or facilities as the paid parking space or paid parking zone it monitors;

(2) indicate the maximum uninterrupted time a vehicle may remain parked within the paid parking space or the paid parking zone during any parking occasion; and

(3) either:

(a) measure and store the amount of time a vehicle may remain legally parked after the deposit of payment; or

(b)issue a receipt that indicates the amount of time a vehicle may remain legally parked after the deposit of payment.

(e) A parking meter or a parking pay station shall indicate the hours and days that paid parking time limits are in effect.

(f) A parking pay station shall indicate the amount of the fee for parking a vehicle.

(g) The city manager or designee shall equip parking pay stations to accept coins in denominations appropriate to pay the fee for parking a vehicle.

Sec. 98-368. Report of violations.

(a) It shall be the duty of the parking enforcement officers or police officers to report the following:

(1) The number of each parking pay station which indicates that the vehicle occupying the parking space is or has been parked in violation of any of the sections of this division.

(2) The name of the state and number of the license plate, if any, attached to such vehicle.

(3) The length of time during which such vehicle is parked in violation of any of the sections of this division and to the extent the meter shows the time of over parking.

(4) Any other fact or knowledge of which is necessary to a thorough understanding of the circumstances attending such violation.

(b) Each officer shall attach to such vehicle a citation to the owner that such vehicle has been parked in violation of this division and instructing the owner to report to the municipal court to arrange a court hearing or make payment of the fine indicated on the parking violation citation. Citations shall become delinquent after 30 days.

Sec. 98-369. Overtime parking.

It shall be unlawful for any operator of a vehicle in their possession or control to remain in any parking space while the meter is displaying a signal that vehicle has been parked beyond the period of time paid for. Each half-hour period that a vehicle remains standing at a parking meter showing an expired signal shall constitute a separate offense.

Sec. 98-370. Evidence of illegal parking.

The display of an expired meter shall be prima facie evidence that the vehicle has been parked overtime. The person in whose name a vehicle unlawfully parked is registered shall be presumed to be the operator of such vehicle at the time the vehicle was illegally parked, but he/she shall have the right to overcome such presumption by lawful evidence in any proceeding involving such violation.

Sec. 98-371. Parking in no parking zone.

It shall be unlawful for any operator in charge or control of any vehicle to park the vehicle in any no parking zone.

Sec. 98-372. Parking other than wholly within lines or marks on street surface.

It shall be unlawful and an offense to park any vehicle across lines designating parking spots.

Sec. 98-373. Defacing or destruction of meters.

It shall be unlawful and an offense for any person to deface, injure, tamper with, open or willfully break, destroy, or impair the usefulness of any parking meter installed under this division.

Sec. 98-374. Deposit of fraudulent legal tender.

It shall be unlawful and an offense for any person to deposit in any parking meter any fraudulent legal tender, device, or substitute for the lawful legal tender of the United States required by this division.

Sec. 98-375. Use of metered parking spaces for loading and unloading.

(a) It shall be unlawful for any operator of a vehicle to stop or park the vehicle in a metered parking space for the purpose of loading and/or unloading of merchandise, supplies, and materials, except where the place of business where such merchandise, etc., is to be loaded or unloaded does not have either:

(1) A usable entrance from an adjoining alley; or

(2) An officially designated loading zone on that part of the street adjacent to such place of business the operator of a vehicle may without making deposit in meter or meters, use not to exceed two parking spaces for loading, unloading, construction as such items named above, and give or secure delivery receipt therefore.

(b) Where there is neither a usable entrance to a place of business from an alley nor any officially designated loading zone on that part of the street adjacent to a place of business, the operator of a vehicle uses two parking spaces without depositing legal tender. However, it shall be unlawful for any operator to use more than two parking spaces for such loading or unloading or for a longer time than necessary to expeditiously load or unload such merchandise, etc., and give or secure a delivery receipt therefore.

Sec. 98-376. Vending in meter zone prohibited.

It shall be unlawful for any person to park any vehicle in a parking pay station zone for the purpose of selling or displaying for sale goods or merchandise of any character.

Sec. 98-377. Length of trailered vehicles restricted.

It shall be unlawful for any operator in charge or control of any vehicle which has an overall length of 19 feet or more or of any vehicle having a trailer attached thereto to park the vehicle in any parking meter space. However, this section shall not prohibit the parking of a motor truck for the purpose of loading or unloading, which is expressly permitted under section 98-375.

Sec. 98-378. Downtown parking permits.

The city manager or designee will issue parking permits or placards for a $60.00 monthly fee for downtown business owners and renters as well as downtown residents. The permit or placard will only be valid in city lots demonstrated in Exhibit "B." Conditions for city lot parking permits or placards are:

(1) Each business owner or renter may apply for a maximum of three permits;

(2) Business owners and renters must show proof of current ownership or lease of a downtown business or residence;

(3) Spaces may not be used for commercial use or subleased;

(4) Unutilized spaces may be revoked by discretion of city manager or designee; and

(5) No soliciting in city parking lots.

If found in violation of any conditions the permit holder may be declined a parking permit or placard and could be subject to loss of contract privileges with the city related to downtown parking.

Secs. 98-379—98-440. Reserved.

ARTICLE VI. TRUCK ROUTES

Sec. 98-441. Definitions.

The following words, terms, and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Commercial motor vehicle means any motor vehicle, other than a motorcycle, designed or used for the transportation of property, including every vehicle used for delivery purposes.

Deviating truck means a truck which leaves and departs from a truck route while traveling inside the city.

Motor vehicle means a vehicle, as defined in this section, which is self-propelled, except city-owned buses.

Semitrailer means every vehicle of the trailer type so designed or used in conjunction with a motor vehicle that some part of its own load rests upon or is carried by another motor vehicle.

Trailer means every vehicle without motive power designed or used for carrying property or passengers wholly on its own structure and to be drawn by a motor vehicle.

Truck means any and all truck tractors, van trailers, semitrailers, house trailers, and/or any vehicle designed or operated for the transportation of property, whose body weight or whose rated or licensed combined body load weight exceeds 17,000 pounds (8½ tons), except city-owned buses.

Truck route means a way over certain streets, as designated in this article, over and along which trucks coming into and going out of the city must operate.

Truck tractor means every motor vehicle designed or used primarily for drawing other vehicles, and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

Vehicle means every mechanical device in, upon, or by which any person or property is or may be transported or drawn upon a public highway, including motor vehicles, commercial motor vehicles, truck tractors, trailers, and semitrailers severally, as defined in this section, but excepting devices moved by human power or used exclusively upon stationary rails or tracks.

Sec. 98-442. Applicability.

No trucks within the city shall be operated on streets which are not truck routes as established in this article or shall be operated on streets within the city which have signs posted by the director of traffic which prohibit truck travel thereon.

Sec. 98-443. Authority to designate.

The chief of police and the director of the department of traffic are authorized to determine and designate truck routes in the city and to determine the route trucks shall take in passing through the city. They shall cause to be erected signs at every such place where a sign is required.

Sec. 98-444. Maps.

The city secretary shall keep and maintain accurate maps setting out truck routes and streets upon which truck traffic is permitted. The maps shall be kept on file in the office of the city secretary and shall be available to the public.

Sec. 98-445. Posting of signs.

The chief of police shall cause all truck routes to be clearly signposted to give notice of this article. All city streets shall be designated as nontruck routes unless otherwise posted.

Sec. 98-446. Streets not posted with signs.

No person shall be charged with violating this article because of operating a truck upon a street wherein truck travel is prohibited, unless appropriate signs are posted on such street for truck routes as per section 98-445. Nontruck routes are designated but should not have to be signed for enforcement.

Sec. 98-447. Designated.

Pursuant to this article, the following streets or portions of streets are designated as truck routes:

Street	Extent
Boca Chica Blvd.	From Military Hwy. to the east city limits line
Central Blvd.	From the north city limits line to Boca Chica Blvd.
Elizabeth St.	From its intersection with Palm Blvd. to its intersection with W. 8th St.

Frontage Rd., N.	From its intersection with International Blvd. to its intersection with S.E. 6th St.
Fronton St.	From Palm Blvd. to S.E. 12th St.
International Blvd.	From Elizabeth St. to S.E. 14th St.
Jackson St.	From International Blvd. to S.E. 23rd St.
Levee Street	From S.E. 7th St. to S.E. 10th St.
Lincoln St.	From S.E. 7th St. to S.E. 14th St.
Mexico Blvd.	From Brownsville and Matamoros International Bridge to Palm Blvd.
Old Port Isabel Rd.	From the north city limits line to Boca Chica Blvd.
Palm Blvd.	From its intersection with Mexico Blvd. to its intersection with Elizabeth St.
Paredes Line Rd.	From the north city limits line to S.E. 7th St.
Roosevelt St.	From S.E. 14th St. to S.E. 13th St.
St. Charles St.	From its intersection with S.E. 13th St. to its intersection with Palm Blvd.
St. Francis St.	From its intersection with S.E. 12th St. to its intersection with Palm Blvd.
Sam Perl Blvd.	From S.E. Levee St. to Mexico Blvd.
Southmost Rd.	From S.E. 14th St. to the southeast city limits line
Washington St.	Between International Blvd. and E. 14th St.
6th St., S.E.	From its intersection with Ebony Ave. to its intersection with S.E. Fronton St.
7th St., S.E.	From Paredes Line Rd. to Fronton St.
10th Street, S.E.	From its intersection at alley between Levee St. and Elizabeth St. to its intersection at Levee St.
11th St., S.E.	From its intersection with S.E. Fronton St. to its intersection with S.E. St. Charles St.
13th St., S.E.	From Levee St. to Roosevelt St.
14th St.	From International Blvd. to north city limits line
Alley between Elizabeth St. and Washington St.	From S.E. 7th St. to S.E. 11th St.
	From S.E. 12th St. to International Blvd.
	From East 12th St. to East 6th St.
Alley between Levee St. and Elizabeth St.	From S.E. 8th St. to S.E. 9th St.
Alley between Levee St. and Elizabeth St.	From S.E. 10th St. to International Blvd.
Alley between Levee St. and St. Charles St.	From S.E. 7th St. to S.E. 11th St.
Alley between St. Francis St. and St. Charles St.	From S.E. 7th St. to S.E. 11th St.

Sec. 98-448. Weigh-in.

The chief of police and city police officers shall have the authority to require the person driving or in control of any commercial vehicle not proceeding over a truck route or street over which truck traffic is permitted to proceed to any public or private scale available for the purpose of weighing and determining whether this article has been complied with. Such person's failure or refusal to proceed as required shall be deemed a misdemeanor.

Sec. 98-449. Weights and loads of vehicles; penalties; weighing of vehicles.

(a) *Operation restricted.* Except as otherwise provided by law, no person may drive, operate, or move nor may the owner cause or permit to be driven, operated, or moved, on any highway within the city:

(1) Any vehicle of a size or weight exceeding the limitations stated in this article;

(2) Any vehicle which is not constructed or equipped as required by this article; or

(3) Transport on any vehicle any load exceeding the dimensions or weight prescribed in this article.

(b) *Weight of load.* Except as otherwise provided by law, no commercial motor vehicle, truck tractor, trailer, or semitrailer nor any combination of such vehicles shall be operated over, on, or upon the public highways within the city, having a weight in excess of one or more of the following limitations:

(1) No such vehicle or combination of vehicles shall have a greater weight than 20,000 pounds carried on any one axle, including all enforcement tolerances; with tandem axle weight in excess of 34,000 pounds, including all enforcement tolerances; or with an overall gross weight on a group of two or more consecutive axles produced by application of the following formula:

$W = 500$	$\frac{(LN + 12N + 36)}{(N - 1)}$

Where:

W	=	Overall gross weight on any group of two or more consecutive axles to the nearest 500 pounds
N	=	Number of axles in group under consideration

However, two consecutive sets of tandem axles may carry a gross load of 34,000 grounds each, providing the overall distance between the first and last axles of such consecutive sets of tandem axles is 36 feet or more, provided that such overall gross weight may not exceed 80,000 pounds, including all enforcement tolerances.

(2) No such vehicle or combination of vehicles shall have a greater weight than 600 pounds per inch width of tire upon any wheel concentrated upon the surface of the highway and using high-pressure tires, and a greater weight than 650 pounds per inch width of tire upon any wheel concentrated upon the surface of the highway and using low-pressure tires, and no wheel shall carry a load in excess of a 16,000 pounds on high-pressure tires and 20,000 pounds on low-pressure tires.

(3) In this subsection, an axle load is defined as the total load transmitted to the road by all wheels whose centers may be included between two parallel transverse vertical planes 40 inches apart, extending across the full width of the vehicle. Tandem axle group is defined as two or more axles spaced 40 inches or more apart from center to center having at least one common point of weight suspension.

(c) *Penalties.* Penalties for violation of this section are as follow:

(1) It shall be unlawful and constitute a misdemeanor for any person to drive, operate or move or for the owner to cause or permit to be driven, operated or moved, on any such highway or road, any vehicle or combination of vehicles which in any respect exceeds the maximum axle or wheel loads fixed for any such highway or road by the city commission in accordance with this section. Any person who commits the violation set out in this section shall, upon conviction, be subject to and punished by a fine not to exceed $200.00.

(2) It shall be unlawful and constitute a misdemeanor for any person to violate any of the sections of this article. Any person who violates any section of this article shall, upon conviction, be punished by a fine of not more than $200.00.

(d) *Weighing of loaded vehicles.* The procedures for weighing of loaded vehicles by the police department are as follow:

(1) Any weight inspector of the police department, having reason to believe that the gross weight or axle load of a loaded motor vehicle is unlawful, is authorized to weigh the vehicle by means of portable or stationary scales furnished or approved by the department of public safety or cause the vehicle to be weighed by any public weigher and to require that such vehicle be driven to the nearest available scales for the purpose of weighing. If the gross weight of such vehicle is found to exceed the maximum gross weight authorized by law, plus a tolerance allowance of five percent of the gross weight authorized by law, such license and weight inspector shall demand and require the operator or owner of such motor vehicle to unload such portion of the load as may be necessary to decrease the gross weight of such vehicle to the maximum authorized by law plus such tolerance allowance. Such operator or owner shall forthwith unload such vehicle to the extent necessary to reduce the gross weight thereof to such lawful maximum, and such vehicle may not be operated further over the public highways or roads of the city until the gross weight of such vehicle has been reduced to a weight not in excess of the maximum limit plus such tolerance allowance. If the axle load of any such vehicle is found to exceed the maximum authorized by law, plus a tolerance allowance of five percent of the axle load authorized by law, such officer shall demand and require the operator or owner thereof to rearrange his cargo, if possible, to bring such vehicle and load within the maximum axle load authorized by law. If this cannot be done by rearrangement of the cargo, such portion of the load as may be necessary to decrease the axle load to the maximum authorized by law plus tolerance allowance shall be unloaded before such vehicle may be operated further over the public highways or roads of the city. However, if such load consists of livestock, such operator shall be permitted to proceed to his destination without being unloaded, provided the destination is within the state.

(2) It shall be unlawful for any of the persons, officers or deputies authorized to enforce the weighing and unloading sections of this article to accept or agree to accept any gift, emolument, money or thing of value, privilege or the promise of either from any person or the officers, agents, servants, or employees thereof as an inducement to enforce or attempt to enforce the weighing and unloading sections of this article. Any person who violates this article shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine not to exceed $200.00.

Sec. 98-450. Exceptions.

This article shall not prohibit the following:

(1) *Operation on street of destination.* The operation of trucks upon any street where necessary to the conduct of business at a destination point, provided streets upon which such traffic is permitted are used until reaching the intersection nearest the destination point.

(2) *Detoured trucks.* The operation of trucks upon any officially established detour when such truck could lawfully be operated upon the street for which such detour is established.

Sec. 98-451. Trucks originating outside city.

(a) *One inside destination point.* Every truck entering the city for a destination point in the city shall proceed only over one of the streets designated for truck traffic and shall deviate only at the intersection with the street upon which such traffic is permitted, nearest to the destination point. Upon leaving the destination point, a deviating truck shall return to the truck route by the shortest permissible route.

(b) *Multiple inside destination points.* Every truck entering the city for multiple destination points shall proceed only over one of the streets designated for truck traffic and shall deviate only at the intersection with the street upon which such traffic is permitted, nearest to the first destination point. Upon leaving the first destination point, a deviating truck shall proceed to other destination points by the shortest direction and only upon streets upon which such traffic is permitted. Upon leaving the last destination point, a deviating truck shall return to the truck route by the shortest permissible route.

Sec. 98-452. Trucks originating inside city.

(a) *Outside destination point.* Every truck on a trip originating in the city and traveling in the city for a destination point outside the city shall proceed by the shortest direction and only upon streets over which such traffic is permitted to a truck route as established in this article.

(b) *Inside destination points.* Every truck on a trip originating in the city and traveling in the city for destination points in the city shall proceed only over streets upon which such traffic is permitted.

Secs. 98-453—98-480. Reserved.

ARTICLE VII. PARADES AND PROCESSIONS

Sec. 98-481. Definitions.

The following words, terms, and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Parade means the concerted movement of a body of persons, equestrians, or vehicles, in something approximating military order, over the city streets, sidewalks or public ways.

Sec. 98-482. Exceptions.

This article shall not apply to movements of the military forces of the United States of America or of the state nor to the funeral procession being held as a part of the burial services of a human body.

Sec. 98-483. Permit required.

All parades within the city are expressly prohibited unless a permit for the parade shall have been first had and obtained in conformity with this article.

Sec. 98-484. Application for permit.

Any person or group of persons desiring to engage in or conduct a parade in the city shall make application in writing to the chief of police not less than two hours before the time for holding the proposed parade. The person or group shall state in the application the following:

(1) The probable number of persons, animals, and vehicles to be used in the parade;

(2) The object, time, and route of the parade; and

(3) The names of the persons to be in charge thereof.

Sec. 98-485. Permit issuance.

Upon application for a parade permit, the chief of police shall, without fee or charge, issue a permit or license for such parade unless a permit is refused based on health, safety, or general welfare for such proposed parade under this article, in which event he shall refuse the issuance of such permit to the applicant therefor.

Sec. 98-486. Change of route.

The chief of police is authorized to make such change in the route of any proposed parade as he may deem proper and necessary in averting breach of the peace, public disorder, or traffic congestion within the city.

Sec. 98-487. Driving through procession.

It shall be unlawful for the driver of any vehicle to drive between vehicles comprising a funeral or other authorized parade procession while they are in motion, provided that such vehicles are conspicuously so designated. This shall not apply to intersections where traffic is controlled by traffic control signals or police officers.

Sec. 98-488. Disruption.

It shall be unlawful for any vehicle or person to interrupt, enter or otherwise disrupt the free movement of a parade or procession unless specifically directed to do so by an official law enforcement officer.

INTRODUCED at a **PUBLIC HEARING** and **FIRST READING** on the 1st day of August 2023.

PASSED, **APPROVED** and **ADOPTED** on the 15th day of August 2023.

APPROVED AS TO FORM:

_____
Office of the City Attorney

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Martin Vega, Senior Planner
Date:	Tuesday, August 1, 2023
Agenda #:	**APPROVAL** on **SECOND** and **FINAL READING** on **Ordinance Number 2022-235.102**, to amend the Unified Development Code (UDC), Sec. 5.3 - Signs, and dealing with related matters, as shown in Exhibit "A". (Planning & Redevelopment Department)

Summary:
Sign regulations that are currently in place are intended to prevent visual clutter that is not harmful to automotive and pedestrian safety, property values, and the appearance of the city, while maintaining the effectiveness of signs as a visual medium. However, based on analysis of existing signage throughout the City and recent sign applications, staff have found that provisions within the mentioned ordinance should be more adequately tailored.

Project Scope and Analysis:
To provide some background, staff would like to point out the original version of the proposed amendment to the sign ordinance was presented on November 3, 2022. At this meeting, the Planning Department staff were given direction to include additional changes. Therefore, staff is now presenting an updated version of the proposed amendment by incorporating a new sign type (billboards) within the "permitted sign" section. Additionally, this amendment will adjust the height limitations for the various types of signs outlined in the UDC and will expand the list of zoning districts in which these are allowed.

Local Contribution if Applicable: N/A

Recommendation:
There was no opposition at the Planning and Zoning Commission meeting on May 4, 2023. The Planning and Zoning Commission recommends approval of Ordinance Number 2022-235.102.

The item was supported by the City Commission when presented as a Work Session Item on May 16, 2023.

On June 6, 2023, the Commission approved the subject item at 1st Reading; however, it was requested for the item to be brought back on July 11, 2023, to review the sign inventory data collected by staff.

On June 11, 2023, the Commission requested additional sign spacing analysis.

ORDINANCE NO. 2022-235.102

AN ORDINANCE OF THE BROWNSVILLE CITY COMMISSION, AMENDING THE UNIFIED DEVELOPMENT CODE (UDC), ARTICLE 5 – SUPPLEMENTAL REGULATIONS, SECTION 5.3 – SIGNS, BY REPEALING AND REPLACING ESTABLISHED REGULATIONS FOR BILLBOARDS, MONUMENT SIGNS, MULTI-TENANT MONUMENT SIGNS, AND POLE OR PYLON SIGNS; AND DEALING WITH RELATED MATTERS.

WHEREAS, billboards, monument signs, multi-tenant monument signs, and pole or pylon sings, contribute to the economic development of the community; and

WHEREAS, the City Commission of the City of Brownsville encourages the operation of a competitive market for all advertising types; and

WHEREAS, the UDC will continue to be calibrated to reflect community standards regarding economic development and aesthetic goals; and

WHEREAS, this amendment will provide additional flexibility by more accurately identifying permissible districts and locations as well as sign elevations; and

WHEREAS, the outlined regulations shall preserve the function of signs as devices that are intended and located for maximum exposure to drivers, cyclists, and pedestrians; and

WHEREAS, this amendment will protect the public health, safety, and general welfare of the community.

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF BROWNSVILLE THAT ARTICLE 5 – SUPPLEMENTAL REGULATIONS, SECTION 5.3 – SIGNS, OF THE UNIFIED DEVELOPMENT CODE (UDC) IS HEREBY AMENDED, BY REPEALING AND REPLACING ESTABLISHED REGULATIONS FOR BILLBOARDS, MONUMENT SIGNS, MULTI-TENANT MONUMENT SIGNS, AND POLE OR PYLON SIGNS.

IT IS ORDAINED BY THE CITY OF BROWNSVILLE THAT IN THE EVENT OF ANY CONFLICTS BETWEEN THIS NEWLY ADOPTED UNIFIED DEVELOPMENT CODE AND OTHER ORDINANCES INVOLVING THE SAME SUBJECTMATTER, THIS UNIFIED DEVELOPMENT CODE SHALL GOVERN.

IT IS FURTHER ORDAINED THAT THE CODE OF ORDINANCES AS HEREIN AMENDED READS AS FOLLOWS:

PART I. That Subsection 5.3.4.A – Prohibited Signs of the Unified Development Code, City of Brownsville, be amended by repealing Sign Type #5 – Billboard.

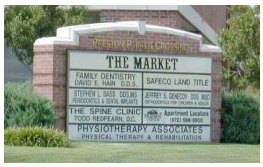
PART II. That Subsection 5.3.4.C.3.b – Monument Sign, of the Unified Development Code, City of Brownsville, is hereby repealed and replaced, to read as follows:

Incorporated text

Existing provisions combined from the Monument Sign and Multi-Tenant Monument Sign subsections

Sub-Sec. 5.3.4.C.3.b – Monument or Multi-Tenant Monument Sign

Definition



A permanent sign with one or multiple tenant panels per face, professionally constructed and installed, made of a durable, weather-resistant product such as brick, stone, metal, acrylic. Monument or Multi-Tenant Monument Signs are freestanding structures with a concrete footing and base that extends across the entire width of the sign.

Permitted Districts

All zoning districts

Figure 5.3-9. Acceptable

Supplemental Standards

The entire sign must sit a minimum of 10 feet from any public Right-of-Way and outside any easement.

The sign must display the address or address range of each building on the lot or development.

Signs in RE, R-1, and R-2 districts are allowed only on a platted lot maintained by an HOA.

Alternative Compliance measures shall be approved as regulated by Sub-Sec. 5.3.4.C.2 – Alternative Compliance

Development on multiple lots requires approval of a Master Sign Plan (see 5.3.5B).

Changeable Copy

An electronic message board or changeable message board may be incorporated into the proposed sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with 4.6.7 Lighting and with Texas Department of Transportation regulations. Distance does not apply when an electronic message board or changeable message board serves a residential subdivision and is approved by an HOA.

Method of Measurement

Monument Signs: Square footage within the primary sign area.

Multi-Tenant Monument Signs: Sum the area contained by the smallest possible square, circle, or rectangle containing all text and symbols of each individual tenant sign.

Note: up to 20% increase to maximum parameters may be administratively approved under Sec. 5.3.5.B.4.f

Maximum Sign Area per Side (max two sides)

Monument Sign: 100 square feet

Multi-Tenant Monument Sign: 700 square feet

Maximum Sign Height

Monument	Multi-Tenant Monument
12 feet on all local streets	12 feet on all local streets
20 feet on collectors and arterials	50 feet on collectors and arterials
50 feet on highway or interstate	85 feet on highway or interstate

Maximum Number of Signs

Monument	One (1) sign per lot or collector/arterial/ highway access drive
Multi-Tenant Monument	One (1) sign per 300 feet of street frontage

Required Spacing

Monument	A minimum of 30 feet between each monument or pole sign base (same or abutting property).
Multi-Tenant Monument	Between signs on the same property: one half (1/2) the length of the longest straight-line diagonal distance between two corners of the property.
	A minimum of 200 feet between each sign base (signage on abutting property).

Acceptable Sign Materials

The cabinet must be constructed of painted or rustproofed metal or concealed by a border of at least three (3) inches of stone, brick, or plaster stucco accent.

The top of the sign must be finished with a cap made of masonry or decorative rustproof or painted bronze or wrought iron.

The base must be completely wrapped in masonry up to a height of at least 10% of the overall height of the sign.

Required Landscaping

Minimum landscaped area of 2 square feet per 1 square feet of sign area abutting the sign base, must be planted with shrubs or native grasses.

Incorporated text

PART III. That Subsection 5.3.4.C.3.c – Multi-Tenant Monument Sign, of the Unified Development Code, City of Brownsville, is hereby repealed and replaced, to read as follows:

Sub-Sec. 5.3.4.C.3.c – Pole or Pylon Sign

Definition

A sign placed on one or more individual poles or pylons for support which, when combined, are narrower than the sign.

Permitted Districts

TN-MU*, TN-C, CC, RC, LI, HI

Note: As identified in the adopted Thoroughfare Plan, pole or pylon signs shall only be permitted along the frontage of highways and major arterials. A pole or pylon sign will not be permitted along local streets or collectors.

Pole or Pylon Signs shall only be permitted along International Boulevard for the **TN-MU zoning district.*

Figure 5.3-10. Acceptable

Sign support wrapped in metal

Sign support wrapped in masonry

Figure 5.3-11. Not Acceptable

Supplemental Standards

The sign must display the address or address range of each building on the lot or development.

The entire sign, including any portion that overhangs the ground, must sit 10 feet from any public Right-of-Way and outside any easement.

Development on multiple lots requires approval of a Master Sign Plan (see **5.3.5B below**).

Changeable Copy

An electronic message board or changeable message board may be incorporated into a Pole or Pylon Sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with **4.6.7 Lighting** and with Texas Department of Transportation regulations.

Method of Measurement

Sum the area contained by the smallest possible square, circle, or rectangle containing all text and symbols of each individual tenant sign.

*Note: up to 20% increase to maximum parameters may be administratively approved under **Sec. 5.3.5.B.4.f***

Maximum Sign Area per Side (max two sides)

3 square feet per foot of property frontage

Each property is allowed a sign with a minimum area of 300 square feet but shall not exceed 630 square feet

Maximum Sign Height

Frontage on Highways	85 feet
Frontage on Major Arterials	50 feet

Maximum Number of Signs

One sign per property frontage on a highway or major arterial.

Required Spacing

Between signs on the same property: A distance equal to the minimum driveway separation on the same frontage.

From pole or pylon sign or multi-tenant monument sign on abutting property: Minimum 200 feet

Acceptable Sign Materials

The sign cabinet or structure must be of painted or rustproof metal construction.

The poles or pylons shall be completely wrapped by one or a combination of the following methods:

1. Masonry material consisting of brick, stone, or stucco from grade to a height that is not less than 25% of the overall height of the sign;
2. Painted or rustproofed metal panel with decorative patterns or reveals.

The entire top of the sign must be finished in masonry or painted decorative rustproof or painted metal.

Incorporated text (this section is entirely new)

PART IV. That Subsection 5.3.4.C.3.d – Pole or Pylon Sign, of the Unified Development Code, City of Brownsville, is hereby repealed and replaced, to read as follows:

Sub-Sec. 5.3.4.C.3.d – Billboard Sign

Definition

A sign with one or more individual support poles and a maximum of two sign faces consisting of an opaque vinyl or fabric sign face stretched over a support structure or an electronic message board, including three dimensional signs. A billboard is defined as displaying an off-premises message.

Permitted Districts

AG, TN-C, CC, RC, LI, HI (only along highways and major arterials)

Examples of Billboard Configurations

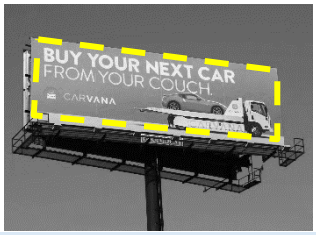
The following is a list of common billboard configurations (variations may be permitted if overall footprint remains consistent).

- **Personal Billboard:** Area: 32 sq. ft. / Elevation: 12 ft.
- **Junior Poster: Area:** 55 sq. ft. / Elevation: 25 ft.
- **Poster:** Area: 210 sq. ft. / Elevation: 40 ft.
- **Bulletin:** Area: 672 sq. ft. / Elevation: 70 ft.

Figure 5.3-12. Acceptable

Figure 5.3-13. Not Acceptable

To be determined by the City Commission



Supplemental Standards

The entire sign, including any portion that overhangs the ground, must sit 10 feet from any public Right-of-Way and outside any easement.

Changeable Copy

An electronic message board or changeable message board may be incorporated into a Billboard Sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with **4.6.7 Lighting** and with Texas Department of Transportation regulations.

Method of Measurement

Square footage within the primary sign area.

*Note: up to 20% increase to maximum parameters may be administratively approved under **Sec. 5.3.5.B.4.f***

Minimum Sign Area per Side (max two sides)

32 square feet per side

Maximum Sign Area per Side (max two sides)

700 square feet per side

Maximum Sign Height

75 feet

Maximum Number of Signs

One sign per property frontage on a highway or major arterial.

Required Spacing (measure linearly on same thoroughfare)

- **1 mile:** Small billboards (area of up to 55 square feet and height of up to 25 feet
- **2 miles:** Large billboards (area of up to 700 square feet and height of up to 70 feet

Acceptable Illumination and Sign Materials

The sign cabinet or structure must be of painted or rustproof metal construction.

The sign face may consist of an opaque vinyl or fabric sign face stretched over a support structure.

Billboard Signs may be illuminated by flood lights, inner-illumination, optic fiber, hologram, electronic message board and/or changeable message board (subject to Texas department of Transportation regulations).

INTRODUCED for First Reading on the 6th day of June 2023. **PASSED** on **SECOND** and **FINAL READING** on the 1st day of August 2023.

4. Bandit Sign and Snipe Sign

Any unauthorized sign placed in the ground or posted on a utility pole, official sign or support structure, traffic signal or support structure, signal box, fence, wall, barricade, tree, or other fixture in the public right-of-way or on public property. Any sign erected or painted on a tree, rock, or natural feature, or sign placed on a vehicle without the consent of the vehicle owner is considered a Bandit Sign. Temporary Signs, including signs made of corrugated plastic, that do not meet the requirements of 5.3.4B below may also be considered Bandit or Snipe Signs.

5. Billboard

a. A sign typically erected in view of a major thoroughfare or highway and with one or more individual support poles and a sign face consisting of an opaque vinyl or fabric sign face stretched over a support structure or an Electronic Message Board.

b. Relocation of an existing Billboard is allowed under the following conditions:

(i) One (1) relocation permit will be issued for every three (3) Billboards removed.

(ii) The maximum size of the sign face area of a relocated Billboard shall not exceed the average of the three removed signs as viewed from one direction.

(iii) The proposed relocation shall not include areas prohibiting Billboards, including the HP Overlay.

(iv) The sign must meet setback requirements of other ground signs from street right-of-way and other signs. In the event of a conflict between applicable regulations, the strictest applies.

c. Upon receipt of a completed application for relocation meeting these requirements, the Planning Director will present the application for relocation to the City Commission. If approval is granted by a majority vote of the City Commission, appropriate permits will be issued by the Building Official.

Repeal of Sign Type #5: Billboard

Monument Signs and Multi-Tenant Monument Sign Types Have been combined

b. Monument Sign

Definition

A permanent sign with one tenant panel per face, professionally constructed and installed, made of a durable, weather-resistant product such as brick, stone, metal, acrylic. Monument signs are freestanding with a concrete footing and base that extends across the entire width of the sign.

Permitted Districts

All zoning districts

Figure 5.3-9. Acceptable

Supplemental Standards

The entire sign must sit a minimum of 10 feet from any public Right-of-Way and outside any easement.

Monument signs in RE, R-1, and R-2 districts are allowed only on a platted lot maintained by an HOA.

Alternative Compliance 1: A single piece of natural stone with 40 square feet of surface area or less may substitute for the separate sign elements listed in 2.k.

Alternative Compliance 2: V-shaped Monument Sign may be approved if the two faces are within 90 degrees or less and measure 40 square feet or less.

Alternative Compliance 3: A sign may be incorporated into a retaining wall may substitute for a monument sign if the message fits into an area of 40 square feet or less.

Method of Measurement

Maximum Sign Area per Side

40 square feet

Maximum Sign Height

Eight (8) feet from the nearest paved surface.

The maximum height includes the sign base and cap.

Maximum Sign Width

No maximum

Maximum Number of Signs

One (1) sign per lot or arterial street access drive.

Required Spacing

Between signs on the same property: A distance equal to the minimum required spacing between driveways.

From monument sign or pole sign on abutting property: Minimum thirty (30) feet between each sign base.

Acceptable Sign Materials

The cabinet must be constructed of painted or rustproofed metal or concealed by a border of at least three (3) inches of stone, brick, or plaster stucco.

The sign must include at least one (1) of the following:

1. A masonry or decorative rustproof or painted bronze or wrought iron cap at least 3 inches in height; or
2. A masonry base at least twelve (12) inches high.

Required Landscaping

Minimum landscaped area of 2 square feet per 1 square feet of sign area abutting the sign base, to include at least one shrub per 20 square feet of required landscape area.

Changeable Copy

An electronic message board or changeable message board may be incorporated into a Monument Sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with **4.6.7 Lighting**.

Monument Signs and Multi-Tenant Monument Sign Types Have been combined. Subsection C - Multi-Tenant Monument Signs was left vacant as a result of the combination. This vacant Subsection was used to relocate the "Pole or Pylon Sign" type.

c. Multi-Tenant Monument Sign

Definition

A permanent sign with multiple tenant panels per face, professionally constructed and installed, made of a durable, weather-resistant product such as brick, stone, metal, acrylic. Monument signs are freestanding structures with a concrete footing and base extending across the entire width of the sign.

Permitted Districts

TN-MU, TN-C, DT-E, DT-G, CC, RC, LI, HI

Figure 5.3-10. Acceptable

Figure 5.3-11. Not Acceptable

More than eight panels

Supplemental Standards

The sign must display the address or address range of each building on the lot or development

The Sign may include no more than eight (8) panels

The entire sign must sit ten (10) feet from any public Right-of-Way and outside any easement.

Development on multiple lots requires approval of a Master Sign Plan (see **5.3.5B**).

Changeable Copy

An electronic message board or changeable message board may be incorporated into a Monument Sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with **4.6.7 Lighting** and with Texas Department of Transportation regulations.

Method of Measurement

Sum the area contained by the smallest possible square, circle, or rectangle containing all text and symbols of each individual tenant sign.

Maximum Sign Area per Side (max two sides)

3 square feet for each linear foot of street frontage

Each property is allowed a minimum of 100 square feet total sign area and a maximum of 630 square feet total sign area

Maximum Sign Height	Maximum Sign Width
50 feet on a major arterial 85 feet on a highway or interstate frontage	No Maximum

Maximum Number of Signs

One sign per 300 feet of street frontage.

Required Spacing

Between signs on the same property: One half (1/2) the length of the longest straight-line diagonal distance between two corners of the property.

From multi-tenant monument sign on abutting property: Minimum 200 feet between each sign base.

Acceptable Illumination and Sign Materials

The cabinet must be made of metal with a brick, stone, or stucco accent.

The top of the sign must be finished with a cap made of masonry or decorative rustproof or painted bronze or wrought iron.

The base must be completely wrapped in masonry up to a height of at least 10% of the overall height of the sign.

Required Landscaping

Minimum landscaped area of 2 square feet per 1 square foot of sign area must be planted with shrubs or native grasses.

The "Pole or Pylon Sign" type was migrated to vacant Subsection C, leaving Subsection D vacant for a new permitted sign type, "Billboard Signs".

d. Pole or Pylon Sign

Definition

A sign placed on one or more individual poles or pylons for support which, when combined, are narrower than the sign.

Permitted Districts

RC

Figure 5.3-12. Acceptable

Sign support wrapped in metal

Sign support wrapped in masonry

Figure 5.3-13. Not Acceptable

Supplemental Standards

The sign must display the address or address range of each building on the lot or development

The entire sign, including any portion that overhangs the ground, must sit 10 feet from any public Right-of-Way and outside any easement.

Development on multiple lots requires approval of a Master Sign Plan (see **5.3.5B below**).

Changeable Copy

An electronic message board or changeable message board may be incorporated into a Monument Sign that is at least two hundred (200) feet from a RE, R-1, or R-2 district in accordance with **4.6.7 Lighting** and with Texas Department of Transportation regulations.

Method of Measurement

Sum the area contained by the smallest possible square, circle, or rectangle containing all text and symbols of each individual tenant sign.

Maximum Sign Area per Side (max two sides)

3 square feet per foot of property frontage

Each property is allowed is allowed a minimum 300 square foot sign but no sign shall exceed 630 square feet

Maximum Sign Height	Maximum Sign Width
50 feet on major arterial	No Maximum
85 feet on interstate highway	

Maximum Number of Signs

One sign per frontage on a highway or major arterial.

Required Spacing

Between signs on the same property: A distance equal to the minimum driveway separation on the same frontage.

From pole or pylon sign or multi-tenant monument sign on abutting property: Minimum 200 feet

Acceptable Illumination and Sign Materials

The sign cabinet must be painted or rustproof metal construction.

The poles or pylons shall be completely wrapped by one or a combination of the following methods:

1. Masonry material consisting of brick, stone, or stucco from grade to a height that is not less than 25% of the overall height of the sign;
2. Painted or rustproofed metal panel with decorative patterns or reveals

External illumination is prohibited

The entire top of the sign must be finished in masonry or painted decorative rustproof or painted metal.

Ordinance Number 2022-235.102

- Originally Presented to City Commission
  - **December 6, 2022**
- Revised ordinance presented as a Work Session item
  - **May 16, 2023**
- Approved at 1st Reading – June 6, 2023
  - **Sign Inventory – June 7, 2023 - June 23, 2023**
    - Deployment of 10 employees
    - 160+ hours of GIS Development
- Inventory Data presented at City Commission – July 11, 2023

Purpose

- **Establish** a **new framework** for **permissibility**
  - Road Type (Traffic Volume)
  - Zoning District (Land Use Intensity)
  - Sign Type (i.e., Pole/Pylon, Monument, Billboard)

Final Judgement: Billboard Signs

- **Agreement** between the **City of Brownsville** and **Lamar Sign Company**
  - Signed on November 21, 2008
- **Ord. No. 2008-1452-C**
  - Adopted to reflect current regulations
- **COB Implementation:**
  - Beginning of 2009

Billboard Signs: Proposed Provisions

- Removal of **3 for 1** rule
- Billboards are permitted
  - **AG, TN-C, CC, RC, LI, HI** (Highways & Major Thoroughfares – subject to TXDOT regulations)
- **Min. Area:** 32 sq. ft. per side
- **Max Area:** 700 sq. ft. per side
- **Max Elevation:** 75 feet (20% administrative discretion)
- **Max Number of Signs:** One per property frontage on highway/major arterial
- **Spacing** (measured linearly on same thoroughfare)**:**
  - Small Billboards (Personal/Junior Poster): **1 mile**
  - Large Billboards (Poster/Bulletin): **2 mile**
- **Permitted Illumination:** Flood Lights, Inner Illumination, optic fiber, hologram, changeable copy (subject to TXDOT regulations)

Sign Inventory

- Billboard Signs (Off-Premise)
  - 110 Signs
- Pylon Signs (On-Premise)
  - 1,090 Signs
- Total Signage along Major Thoroughfares (Billboard & Pylon)
  - 1,200 Signs

Planning & Zoning Commission Recommendation

- P&Z recommends approval of Ordinance Number 2022-235.102.

Recommendations submitted by Lamar Sign Company
(meeting with Lamar, CM, Legal, Planning, on July 27, 2023)

Suggested Billboard Regulations

All Existing Billboards as of the passage of the ordinance are considered grandfathered.

The City of Brownsville will recognize two types of Billboards and issue permits accordingly. New Billboards and Replacement Billboards.

New Static Billboards:

Designated Billboard Sign Roadways

"A" Roadways

- Includes the roadways of US-77
- Must have a TXDOT permit prior to applying for a City of Brownsville permit
- Sign face cannot exceed 672 square feet in one direction
- Extensions cannot include more than 10 percent of the sign face area
- Requires 3000' spacing measured along one side of the road in each direction from any existing billboard
- Must be zoned HI, LI, RC, CC,

"B" Roadways

- Includes the roadways of International Blvd., Boca Chica Blvd., Padre Island Hwy,
- Ruben M Torres Blvd, Alton Gloor Blvd, Central Blvd, Military Hwy
- Must have a TXDOT permit prior to applying for a City of Brownsville permit
- Sign face cannot exceed 242 square feet in one direction
- No extensions allowed
- Requires 2500' spacing measured along the same side of the road in each direction from any existing billboard.
- Must be zoned HC, LI, RC, CC,

"C" Roadways

- Must have a TXDOT permit prior to applying for a City of Brownsville permit
- Includes all other remaining city TXDOT regulated roadways.
- Sign face cannot exceed 72 square feet facing in one direction
- No extensions allowed
- Requires 2000' spacing in both directions on the same side of the road from any existing billboard.
- Must be zoned HC, LI, RC, CC, TN-C

Replacement Billboards:

Replacement Digital Billboards

- Must meet all TXDOT regulations and a TXDot permit must be obtained.
- Required removal of 3 existing static billboards that have existed for at least three years for 1 new Digital Billboard permit.
- Any new digital Billboard allowed for the three for one conversion cannot exceed the square frontage for the larger of the three billboards removed.
- The total number of digital billboards allowed at one time throughout the City cannot exceed 13 faces.
- Maximum NITS output during daylight hours not to exceed 6500 and not to exceed 500 during night time hours.
- Any digital face can be relocated or replaced on a one for one basis at the current size.

Replacement Static Billboards

- Must meet all TXDOT regulations and a TXDot permit must be obtained
- Requires removal of 3 existing static billboards that have existed for at least one year for 1 new Static Billboard permit.
- Any new Billboard allowed for the three for one conversion cannot exceed the square frontage for the larger of the three billboards removed.

Replacement Condemnation Billboards

- Any Billboard removed from condemnation, eminent domain or any other government taking may be rebuilt on a one for one same size basis.
- Must obtain a TXDOT permit prior to receiving a City of Brownsville permit

Prohibited Roadways and Areas

- HWY 550 and FM 511 shall be consider Scenic Byways and no Billboard are allowed
- No Billboards allowed within the Downtown Historic District

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Joel Garza, Mobility Director
Date:	Tuesday, August 1, 2023
Agenda #:	Consideration and **ACTION** on **Resolution Number 2023-108** to set a Public Hearing date for Capital Recovery Fees. (Multimodal Transportation Department)

Summary:
The City Commission of Brownsville, Texas, has proposed a resolution to establish a public hearing date. This hearing, scheduled for September 19, 2023, at 5 pm, will focus on the potential adoption of capital recovery fees for roadway facilities. The resolution also sets an effective date for the implementation of these fees.

Project Scope and Analysis:
The City Commission of Brownsville, Texas, has taken a significant step forward by proposing a resolution aimed at scheduling a crucial public hearing. On the notable date of September 19, 2023, at 5 pm, this public hearing will convene to deliberate on an important matter—the potential adoption of capital recovery fees for roadway facilities. These fees would play a pivotal role in financing and recovering costs related to the maintenance, improvement, and development of essential road infrastructure in the city.

CITY OF BROWNSVILLE, TX
RESOLUTION NO. 2023-108

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS ESTABLISHING A PUBLIC HEARING DATE TO CONSIDER ADOPTION OF CAPITAL RECOVERY FEES FOR ROADWAY FACILITIES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Commission of Brownsville has authorized a study to determine whether to adopt land use assumptions, capital improvement plans, and capital recovery fees for roadway facilities in accordance with Texas Local Government Code Chapter 395; and

WHEREAS, the City Commission has previously approved land use assumptions and capital improvements plans for roadway fees; and

WHEREAS, Chapter 395 requires the City Commission to set a public hearing to consider whether to impose capital recovery fees for roadway facilities.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS:

SECTION 1. That the above recitals are found to be true and correct and they are incorporated herein as findings of the City Commission for all purposes.

SECTION 2. That a public hearing of the City Commission shall be held on September 19, 2023, at 5:00p.m at the City Commission Chambers, located on the Second Floor of the Brownsville City Hall - Old Federal Building, located at 1001 East Elizabeth Street, Brownsville, Cameron County, Texas, 78520 for the purpose of considering the adoption and imposition of capital recovery fees for road facilities.

SECTION 3. That notice of the hearing shall be published in one or more newspapers of general circulation in Cameron County, before the 30th day before the date set for the hearing.

SECTION 4. The City Secretary is directed to have notice, as attached hereto, of such public hearing published in the XX newspaper and/or other standard method of public noticing XX, on or before August 11, 2023. The City Secretary is further directed to send notice of hearing by certified mail to any person who has given written notice to the City Secretary requesting notice of such hearing.

SECTION 5. That copies of the Capital Recovery Fee Report shall be available to the public on the Office of the Secretary at City Hall on and after August 11, 2023.

DULY PASSED AND APPROVED BY THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS, this the 1st of August 2023.

Brownsville City Commission's Resolution to Set Public Hearing for Capital Recovery Fees

Resolution 2023-108

- The City Commission of Brownsville, Texas, has proposed a resolution to establish a public hearing date. This hearing, scheduled for September 19, 2023, at 5 pm, will focus on the potential adoption of capital recovery fees for roadway facilities. The resolution also sets an effective date for the implementation of these fees.

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Efren Trujillo, Assistant Director, Nalleli Trejo, Grant Program Manager
Date:	Tuesday, August 1, 2023
Agenda #:	Consideration and **ACTION** on **Resolution Number 2023-107**, to approve the presentation of the City of Brownsville's Allocation of the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Emergency Solutions Grant (ESG) funding by the U.S. Department of Housing and Urban Development (HUD) for the 2023-2024 One Year Action Plan. (Grants & Community Development Department)

Summary:
The City of Brownsville, as a U.S. Department of Housing & Urban Development (HUD) Entitlement Community, received a total allocation in the amount of $3,839,303.00 for the 2023-2024 regular funding cycle for the Community Development Block Program ($2,581,603.00), HOME Investment Partnerships ($1,028,249.00), and Emergency Solutions Grant Programs ($229,451.00).

Project Scope and Analysis:
The City of Brownsville, as a U.S. Department of Housing & Urban Development (HUD) Entitlement Community, received an allocation for the 2023-2024 regular funding cycle for the Community Development Block Program, HOME Investment Partnerships, and Emergency Solutions Grant Programs. The Grants & Community Development Department has drafted a One Year Annual Action Plan, delineating the projects proposed within the funding scope, based on public participation and project area eligibility.

Funding:

Source: Community Development Block Grant
HOME INVESTMENT PARTNERSHIPS PROGRAM
Emergency Solutions Grant

Amount: $2,581,603.00
$1,028.249.00

$229,451.00

Local Contribution if Applicable:

RESOLUTION 2023-107

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS, APPROVING ENTITLEMENT ALLOCATIONS OF COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG), HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME), AND EMERGENCY SOLUTIONS GRANT (ESG) FUNDING FOR THE 2023-2024 ONE YEAR ACTION PLAN.

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) has announced the allocations of entitlement funding under the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME) and Emergency Solutions Grant (ESG) for the 2023-2024 Program year; and

WHEREAS, the 2023-2024 One Year Action Plan projects are being funded based on such allocations of entitlement funding in the total amounts of $2,581,603.00, $1,028,249.00, $229,451.00 respectfully; and

WHEREAS, the City Commission has determined that a fair and equitable method is in place to allocate funding to such projects listed in the 2023-2024 One Year Action Plan project and adjust as necessary; and

WHEREAS, the City of Brownsville through the Grants and Community Development Department, will submit the 2023-2024 One Year Action Plan to HUD no later than August 15, 2023; and

WHEREAS, funding will become available on or after October 1, 2023; and

NOW, THEREFORE, BE IT RESOLVED that the City of Brownsville approve the 2023-2024 One Year Action Plan.

Adopted on this 1st Day of August, 2023.

_____

John Cowen Jr.
Mayor

Attest:

_____

Yolanda Galarza
City Secretary

Approved as to form and legality on this 1st day of August, 2023.

Tropical Storm Cindy grows as Tropical Storm Bret fizzles

BY RICHARD TRIBOU
ORLANDO SENTINEL

GOES-E | NOAA | TNS

An infrared satellite image of Tropical Storm Bret in the Caribbean and Tropical Storm Cindy in the Atlantic on Saturday.

ORLANDO, Fla. — Two tropical storms were still churning Saturday morning with one gaining strength and another petering out, according to the National Hurricane Center.

As of 11 a.m. Saturday, Tropical Storm Cindy has sustained winds up to 60 mph with higher gusts. It was located about 535 miles east of the Lesser Antilles moving west-northwest at 20 mph.

Its tropical-storm-force winds extend out 60 miles, but for now it's no threat to land.

"On the forecast track, the system is expected to remain well east and northeast of the northern Leeward Islands through early next week," the NHC said.

It's also not expected to become the season's first hurricane, but lose strength as it stays in the Atlantic encountering shear and devolve into a remnant low by the middle of next week.

Already facing a short lifespan is Tropical Storm Bret, which lashed the Leeward Islands on Thursday and Friday as it entered the Caribbean.

At 11 a.m., Bret was located about 55 miles north-northwest of the northern tip of Guajira Peninsula, Colombia moving west at 21 mph. Its maximum sustained winds have fallen to 45 mph with higher gusts with tropical-storm-force winds extending out 140 miles.

"Additional weakening is forecast, and Bret is expected to dissipate over the central Caribbean Sea by tonight," the NHC said.

Tropical Storm Bret formed on Monday while Tropical Storm Cindy formed late Thursday.

The two storm formations from the warmer than usual waters of the tropical Atlantic was a first for the month of June, according to meteorologist Philip Klotzbach at Colorado State University. It's also the first time since 1968 there have been two named systems in June at the same time, he said.

June has produced three named storms so far in what has been a busy start to the hurricane season.

The National Oceanic and Atmospheric Administration seasonal forecast released in May projects 2023 to be an average season with between 12 and 17 named storms. Of those, five to nine would grow into hurricanes, and of those one to three would reach major hurricane strength of 111 mph sustained winds or greater.

The official 2023 Atlantic hurricane season runs from June 1-Nov. 30.

ULA announces fixes needed before 1st Vulcan Centaur launch

ORLANDO SENTINEL

Joe Burbank | Orlando Sentinel | TNS

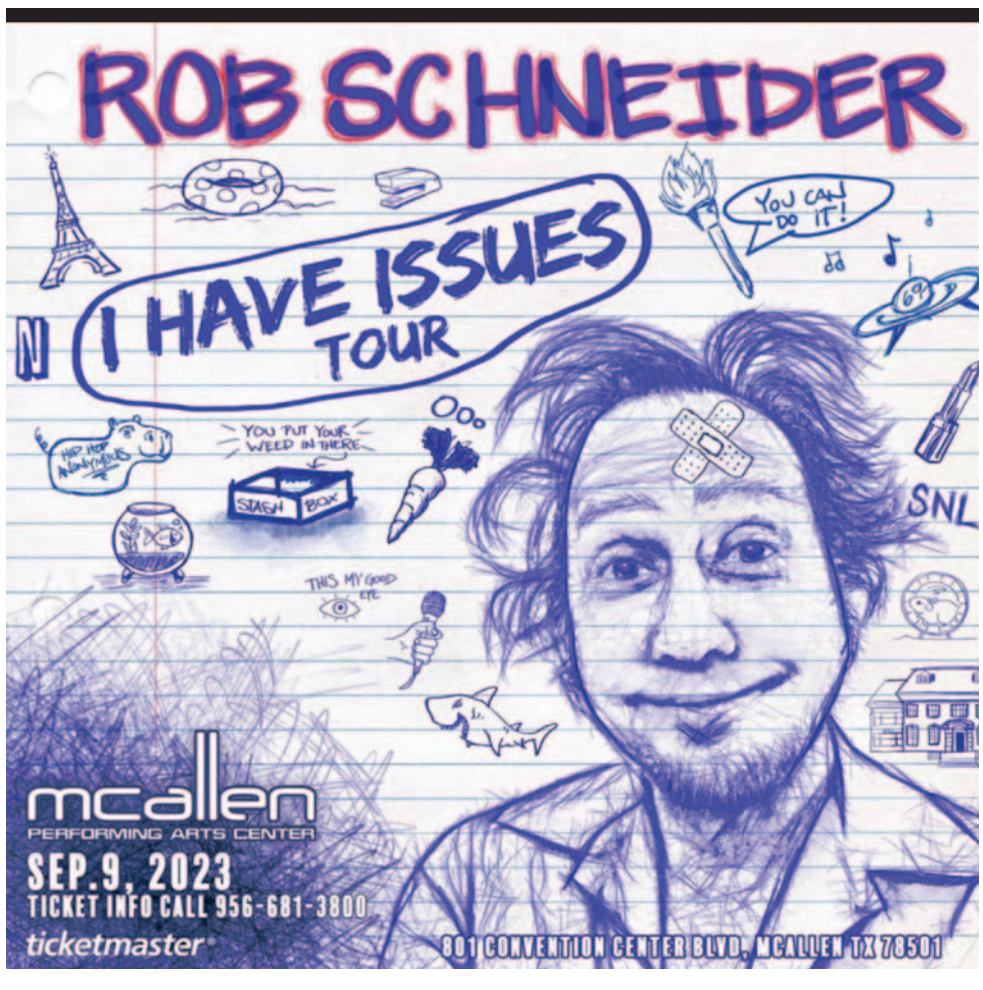
A United Launch Alliance Atlas V rocket launches from Cape Canaveral Space Force Station, Fla., on May 18, 2021.

ORLANDO, Fla. — There's still work to be done, but United Launch Alliance announced a path forward to finally get its new Vulcan Centaur rocket to its first launch.

The company sent an update Saturday announcing it had figured out what went wrong, and what needs fixing at its Alabama test facility this spring that resulted in a fireball that damaged a test article of the Centaur V upper stage.

"Centaur's thin-walled pressure stabilized tanks require minor reinforcement at the top of the forward dome prior to flight," the company stated in a press release.

That means the Centaur currently mated to the Vulcan first stage at Cape Canaveral Space Force Station that is tapped to fly on that rocket's first mission has to head back to Alabama to get that reinforcement.



The first and second stages recently completed a Flight Readiness Firing test at Canaveral's Space Launch Complex 41, and ULA said results of that hot fire hit all of the test objectives.

But now teams will de-stack the combined rocket and send Centaur V to ULA's Decatur, Alabama facility for the fix while the first-stage booster will be stored at ULA's Horizontal Integration Facility at Canaveral waiting for its return.

Just sending Centaur back for the fix isn't the only hurdle before the first launch, though.

What ULA called a "structural test stand anomaly" also damaged the facility at Marshall Space Flight Center in Huntsville, Alabama, on March 29, and there are more tests that need to be performed before ULA will let Vulcan fly.

"We need to repair the stand, whatever it takes to do that," said David McFarland, the ULA Launch Operations Chief Engineer and Anomaly Lead. "But we're looking at, are there alternatives to where we actually do some of the tests? So there's a lot to be established and how we get to the point where our validated testing is completed."

• Emergency Solutions Grant (ESG)	$ 229,451.00
TOTAL FUNDS:	**$ 3,839,303.00**

La Ciudad de Brownsville presentará su Plan de Acción de un año 2023-2024 al Departamento de Vivienda y Desarrollo Urbano de los EE. UU. Oficina de Campo de San Antonio (HUD), Región VI, Oficina de Planificación y Desarrollo Comunitario, H.F. Garcia Federal Building / U.S. Courthouse, 615 E. Houston Street, Suite 347, San Antonio, Texas 78205, alrededor del 15 de agosto del 2023. HUD revisará el Plan de Acción y se espera que apruebe el Plan antes del 1 de octubre de 2023. ***Los presupuestos de todas las actividades propuestas se reducirán o aumentarán proporcionalmente de los niveles de financiamiento estimados para igualar los montos de asignación reales. Todas las actividades propuestas dependen de la disponibilidad de fondos, la elegibilidad y la autorización ambiental, entre otros requisitos del programa de HUD.***

A Soviet WWII-era tank moves along a street during a military parade, which marks the 78th anniversary of the Soviet victory over Nazi Germany in World War Two, in the far eastern city of Vladivostok on May 9, 2023.

Russian war economy awash with bags of cash

BLOOMBERG NEWS

Russian mercenaries killed in Ukraine are inadvertently helping stoke a new cash boom at home in an unusual side-effect of the war.

Money paid in compensation for their deaths — which adds up to 5 million rubles ($60,000) per person, on top of any uncollected wages — usually comes stuffed in bags, according to several women who had to travel to pickup points around the country and requested that only their first names be used to speak openly.

Many are being told to avoid depositing the cash at a bank. Oksana from Chelyabinsk in the Urals region, whose husband died fighting for the Wagner paramilitary group in Bakhmut, needed no instructions, saying she wanted no "problems" with the tax system and lacked any documents stating where the money came from.

"Wagner paid everything it was supposed to," she said. "We already bought an apartment."

Financing for foot soldiers hired by Wagner, which the US estimates had 50,000 personnel fighting in Ukraine, has turned on the spigot of cash that's become one of several sources of paper money oozing through the Russian economy. The volume of rubles is a stark example of the distortions caused by the war that's now in its 16th month.

The amount of currency in circulation has soared at a record pace since September, when President Vladimir Putin announced Russia's first mobilization since World War II, resulting in 2.2 trillion rubles in cumulative excess cash outflows from banks, according to Bloomberg Economics.

Given the restrictions imposed on bank transactions, the use of paper money is becoming more widespread to settle external trade while also extending into occupied parts of Ukraine, where Russia is imposing its own currency as other payment options remain limited.

Headed by Yevgeny Prigozhin, a sanctioned Russian businessman linked to Putin, Wagner deployed to Ukraine as early as March last year and eventually bolstered its ranks by recruiting convicts from Russian prisons.

Prigozhin hasn't tried to hide how his forces get paid. In an audio comment published this month by his Concorde company, he said fighters "get all the money in black cash."

"People from penal colonies went to war so that the people of the Russian Federation could sit at home by the stoves and warm themselves," he said. "And they died for this black cash."

Though the sources of Wagner's funding aren't clear, its involvement has meant that even more outlays on the war flow off the books.

Putin has pledged unlimited spending on the war effort, while the government has classified an unprecedented share of state expenditure. Responsibility for overseeing the system of cash circulation lies with central bank Deputy Governor Sergey Belov, a military officer who's also in charge of special institutions that channel funding from the state budget to frontline troops.

In response to a request for comment, the Bank of Russia pointed to several likely reasons for what it called "elevated demand" for cash since the final quarter of last year.

Among the factors is "possible additional" demand for paper money in Russia's "new regions," it said, referring to parts of eastern and southern Ukraine annexed by Putin last September. The central bank also cited the role of public-sector payments that people tend to withdraw partly in cash and the needs of tourists during the May holiday season in Russia.

Money earmarked for the military, including regular troops, is a major reason why cash is increasingly becoming the medium of choice, according to officials familiar with the Russian authorities' thinking. Tax avoidance is unlikely to play an important role, they said, requesting anonymity to speak openly.

Unlike the 1990s, when employers paid wages in cash to dodge taxes, the mentality now is different, according to Oleg Vyugin, a former top central bank and Finance Ministry official.

"Taxes have stayed at the same level that's acceptable to people and businesses," Vyugin said. What's changed is that "there's now another source of demand for cash, linked to the special military operation," he said, using the Kremlin's preferred term for the war.

Russians hauled cash out of banks in then-record amounts in February 2022, a month that culminated in Putin's decision to invade Ukraine. But the frenzy proved short-lived, as the Bank of Russia drew funds back into the financial system with an emergency hike to interest rates that helped restore confidence.

The dynamics this time couldn't be more different.

Agenda #:	Consideration and **ACTION** to acknowledge the Cameron Appraisal District Chief Appraiser's Certification of the City of Brownsville's 2023 tax roll. (Financial Services Department)

Summary:
The chief appraiser certifies and delivers the appraisal roll to the taxing unit. This includes the estimated value of properties under protest and the values of properties not under protest that are not listed in the certified appraisal roll. The taxing unit's assessor determines the following and submits it to the governing body:

- Total appraised and taxable value of property in the taxing unit
- Total appraised and taxable value of new improvements, and
- Total taxable value of property annexed since the previous year

LUPE GRANADO IIII-FINANCE DIRECTOR

PO BOX 911

BROWNSVILLE, TX 78520

Dear LUPE GRANADO IIII-FINANCE DIRECTOR:

Enclosed you will find your jurisdiction's 2023 Certified Totals and other pertinent documentation received from the Cameron Appraisal District on July 25, 2023. State law requires a tax rate be adopted no later than September 30th by the taxing unit (Texas Property Tax code Sec 26.05). However, **we will require your adopted tax rate to be submitted to our office no later than Friday, September 15, 2023** in order to meet the October 1st statement mail out deadline.

Also, please email our office your tax rate adoption calendar as soon as it is available, so that we may include your district in our technical assistance schedule.

If you have any questions regarding this letter, please contact Ms. Neiva P. Escobar – Property Tax Manager at (956) 589-7078, or contact our office if we can be of any further assistance.

Respectfully,

Tony Yzaguirre Jr. by

Cameron County Tax Office
835 E Levee / PO Box 952
Brownsville, TX 78522

Mr. Camarillo,

Enclosed you will find the following items relevant to the certification of the 2023 Appraisal Roll pursuant to Tax Code 26.01:

- Chief Appraiser's Certification of Appraisal Roll to Assessor
- 2023 Certified Totals Reports
  - Approved Totals, Under Review Totals, Grand Totals, Effective Rate Assumption
- Comparison Report – 2023 Certified vs. 2022 Certified as of Supplement 15

Our new software vendor True Prodigy has developed a Taxing Unit Portal which allows managing the public Tax Transparency website. Taxing units will be able to:

- keep taxing unit's information up to date
- receive feedback from taxpayers
- update rates and hearings
- add and/or update worksheets
- add and share documents with the public

Please email me the name, email address and phone number of individuals needing an account for the Taxing Unit Portal. An account to access the online documentation will also be created for each user.

To access the Taxing Unit Portal, visit https://stage.cameron.trueprodigy-portal.com/login

Sincerely,

Joe L. Orozco

CITY OF BROWNSVILLE
LUPE GRANADO IIII-FINANCE DIRECTOR
PO BOX 911
BROWNSVILLE, TX 78520

Dear LUPE GRANADO IIII-FINANCE DIRECTOR :

The following is being provided for the calculation of your 2023 property tax rate. This is required by Property Tax Code (PTC) Sec 26.04(b) which states that an anticipated collection rate and excess debt collected are to be certified by the collector.

1. For tax year 2023, your unit's anticipated collection rate is **98.2%** and
2. The excess debt is **$ 1,900,900**. (disregard if you only collect M&O taxes).

Additionally, the following information is requested pursuant to PTC Sec 26.16 (a) & (d-1) following the adoption of your tax rate. **Please fill out the next page and send back to us by August 7, 2023.**

Failure to respond to this correspondence and failure to submit this information will not allow us to publish your information as required by Property Tax Code Section 26.16 and will be annotated as "information not provided by taxing unit".

1. Adopted Tax Rate:
2. Maintenance & Operations (M&O) rate:
3. Debt Rate
4. No-New-Revenue tax rate:
5. No-New-Revenue M&O rate:
6. Voter-Approval tax rate:
7. Copy of Tax Rate Calculation forms (signed)
8. Name & official contact information for each member of your taxing unit's governing body.

Also, please confirm your delinquent law firm, attorney rate & commission rate for your taxing unit in the space below.

Sincerely,

Antonio "Tony" Yzaguirre, Jr.-Cameron County Tax Assessor-Collector
Rick Camarillo-Chief Deputy
Ramiro Noyola- Assistant Chief Deputy/Internal Auditor

Property Tax Code Sec 26.16

2023 Tax Rate Calculation Worksheet
Taxing Units Other Than School Districts or Water Districts

Form 50-856

CITY OF BROWNSVILLE	956 548-6019
Taxing Unit Name	Phone (area code and number)
PO BOX 911 BROWNSVILLE TX 78520	www.brownsvilletx.gov
Taxing Unit's Address, City, State, ZIP Code	Taxing Unit's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per $100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements.*

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet.*

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet		Amount/Rate
1.	**2022 total taxable value.** Enter the amount of 2022 taxable value on the 2022 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17).[1]		$ 8,444,740,183
2.	**2022 tax ceilings.** Counties, cities and junior college districts. Enter 2022 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2022 or a prior year for homeowners age 65 or older or disabled, use this step.[2]		$ 871,890,078
3.	**Preliminary 2022 adjusted taxable value.** Subtract Line 2 from Line 1.		$ 7,572,850,105
4.	**2022 total adopted tax rate.**		$ 0.691919 /$100
5.	**2022 taxable value lost because court appeals of ARB decisions reduced 2022 appraised value.**		
	A. **Original 2022 ARB values:**	$ 20,089,387	
	B. **2022 values resulting from final court decisions:**	- $ 16,451,781	
	C. **2022 value loss.** Subtract B from A.[3]		$ 3,637,606
6.	**2022 taxable value subject to an appeal under Chapter 42, as of July 25.**		
	A. **2022 ARB certified value:**	$ 0	
	B. **2022 disputed value:**	- $ 0	
	C. **2022 undisputed value.** Subtract B from A.[4]		$ 0
7.	**2022 Chapter 42 related adjusted values.** Add Line 5C and Line 6C.		$ 3,637,606

City of Brownsville, Texas

Discuss a Possible Tax Rate Increase & Authorize a Public Hearing.

August 1, 2023

Terminology Under SB 2

No-New-Revenue Tax Rate

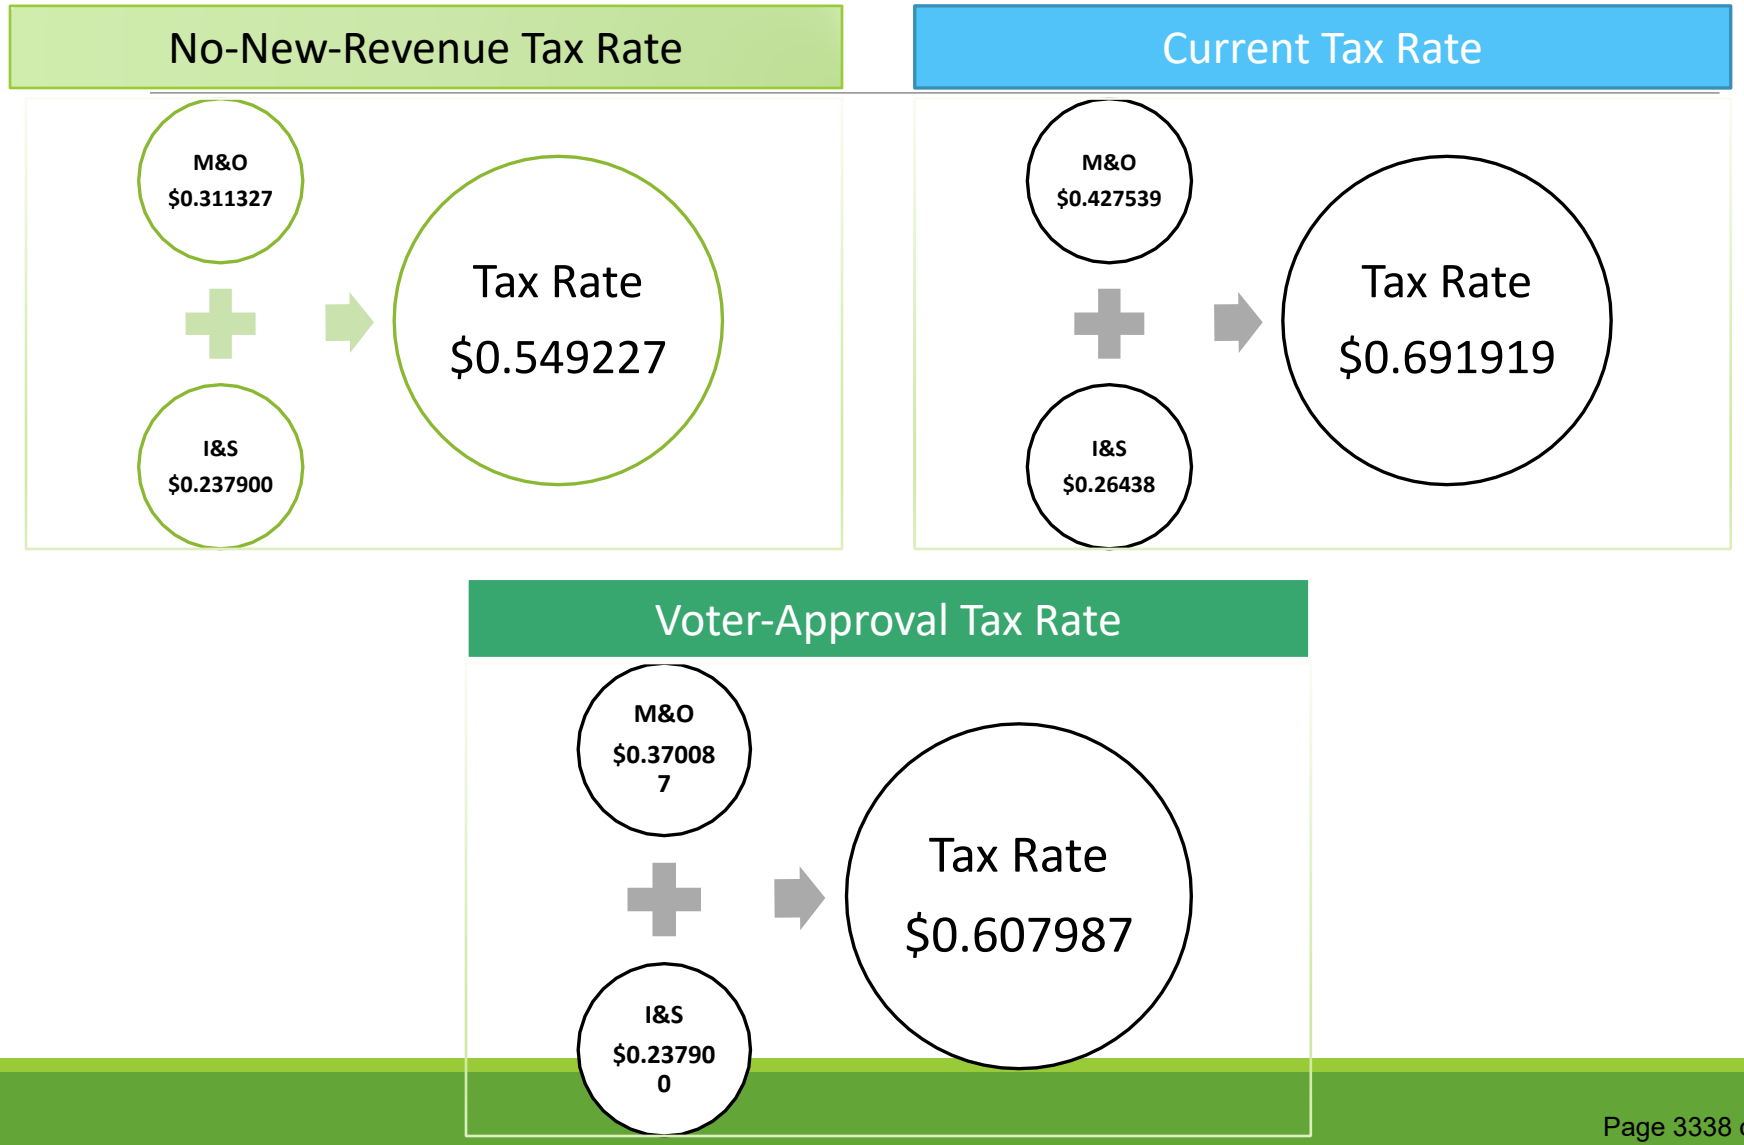
"No-New-Revenue Tax Rate" = (Last Year's Levy - Lost Property Levy) / (Current Total Value - New Property Value) [1]

- Rate that would provide about the same amount of revenue on properties taxed in both years.

Voter-Approval Tax Rate

"Voter-Approval Tax Rate" = (No-New-Revenue Maintenance and Operations Rate x 1.035) + (Current Debt Rate + Unused Increment Rate) [1]

- Maximum rate allowed without voter approval. Rate to retire debt may rise as high as necessary.



[1] Tex. Tax Code §26.04(c)(2)

Significant Impacts Due to SB 2

Pre SB 2	Post SB 2
If city adopted a tax rate exceeding the rollback rate (8% M&O growth), voters could petition for a rollback election.	If city adopts a tax rate exceeding the voter-approval rate (3.5% M&O growth), city must hold an automatic election.
If collection rate was certified at 100% no adjustment for excess collections was necessary.	Debt service is adjusted by the amount by which actual collections exceeded the preceding year's anticipated collection rate.[2]
	Difference between preceding year's voter-approval rate and adopted rate ("Unused Increment") can be recaptured in future years.

[2] Tex. Tax Code §26.04(b)

General (M&O) & Debt Service (I&S) Funds Ad Valorem Tax Rate Distribution

Property Tax Rates 2023 Tax Year

Current Tax Rate = $0.691919

No-New-Revenue(NNR) Rate = $0.549227

- **This rate raises the same amount of property tax revenue from same properties in both 2022 and 2023 tax years.**

Voter Approval Rate = $0.607987

- **This rate is the highest rate City may adopt without holding an election to approve rate.**

Truth-In-Taxation

The Texas Constitution sets out the general requirements for Truth-In-Taxation. Truth-In-Taxation states that if the City is going to propose a tax rate that exceeds the lower of the no-new-revenue tax rate or the voter-approval tax rate, the City must hold a public hearing.

We are proposing tonight that the City Commission announces or authorizes by vote that a public hearing be held on August 16th to discuss a possible tax rate increase that exceeds the no-new-revenue tax rate.

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Lupe Granado, Finance Director
Date:	Tuesday, August 1, 2023
Agenda #:	Consideration and **ACTION** to acknowledge the collector's certification of the estimated ad valorem tax debt collection rate for tax year 2023, and the excess debt tax collections for tax year 2022. (Financial Services Department)

Summary:
Truth-in-taxation laws, as written in the Property Tax Code, state that a taxing unit that levies a debt tax must consider anticipated collections in calculating the debt component of its voter-approval tax rate. The collector for such a unit must certify two items to the governing body:

1. The estimated debt collection rate for tax year 2023, and
2. Excess debt tax collections for tax year 2022.

Property tax code 26.04(h) as amended by Texas Senate Bill 2 of the 86th legislature states that if the anticipated collection rate of a taxing unit is lower than the lowest actual collection rate for any of the preceding three years, the anticipated collection rate is equal to the lowest actual collection rate of those three years. The lowest collection rate in the preceding three years was 98.2%. I, as the designated tax collector for the city, certify that the estimated 2022 anticipated collection rate will be 98.2%. This estimated collection ratio has also been certified by Mr. Tony Yzaguirre, Cameron County Tax Collector. Even though we will not know the precise amount until the period (next year) is over, truth-in-taxation laws require an estimate.

The collector also certify that the excess debt tax collections for tax year 2021 were $1,900,900.

Property Tax Code Sec 26.16

To:	Mayor and City Commission
Through:	Helen Ramirez, City Manager
From:	Lupe Granado, Finance Director
Date:	Tuesday, August 1, 2023
Agenda #:	Consideration and **ACTION** to acknowledge the Finance Director's calculation of the City's No-New-Revenue and Voter-Approval tax rates for the tax year 2023 or fiscal year 2024. (Financial Services Department)

Summary:
The city must calculate the no-new-revenue and voter-approval tax rates according to Property Tax Code Chapter 26, Section 4(c).

The no-new-revenue tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year, based on a tax rate that would produce the same amount of taxes if applied to the same properties taxed in both years. The taxing unit's no new-revenue tax rate is a calculated rate generally equal to the last year's taxes divided by the current taxable value of properties that were also on the tax roll last year. The resulting tax rate is used for comparison and as a benchmark for certain notice requirements. To preserve a taxing unit's ability to pay their debt service, the Texas legislature split the voter approval rate calculations into two components:

Maintenance and operations (M&O) rate

- Is the tax rate that would be needed to raise the amount the taxing unit needs to fund operations.
- Includes salaries, utilities and other day-to-day operations

Debt service rate

- Covers the interest and principal on bonds and other debt secured by property tax revenues
- Also called "interest and sinking" (I&S)

- Does not depend on prior year's debt taxes at all, only what the unit will need for the current year.
- Does not trigger an automatic election when the portion of the overall rate used to retire debt rises.

Taxing Units Other Than School Districts or Water Districts

Form 50-856

CITY OF BROWNSVILLE	956 548-6019
Taxing Unit Name	Phone *(area code and number)*
PO BOX 911 BROWNSVILLE TX 78520	www.brownsvilletx.gov
Taxing Unit's Address, City, State, ZIP Code	Taxing Unit's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per $100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements.*

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet.*

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet		Amount/Rate
1.	**2022 total taxable value.** Enter the amount of 2022 taxable value on the 2022 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17).[1]		$ 8,444,740,183
2.	**2022 tax ceilings.** Counties, cities and junior college districts. Enter 2022 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2022 or a prior year for homeowners age 65 or older or disabled, use this step.[2]		$ 871,890,078
3.	**Preliminary 2022 adjusted taxable value.** Subtract Line 2 from Line 1.		$ 7,572,850,105

27.	**COUNTIES ONLY.** Add together the NNR tax rates for each type of tax the county levies. The total is the 2023 county NNR tax rate. [21]	$ _____ /$100

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Line	Voter-Approval Tax Rate Worksheet	Amount/Rate
28.	**2022 M&O tax rate.** Enter the 2022 M&O tax rate.	$ 0.427539 /$100
29.	**2022 taxable value, adjusted for actual and potential court-ordered adjustments.** Enter the amount in Line 8 of the *No-New-Revenue Tax Rate Worksheet.*	$ 7,576,487,711

31.	**Adjusted 2022 levy for calculating NNR M&O rate.**	
	A. M&O taxes refunded for years preceding tax year 2022. Enter the amount of M&O taxes refunded in the preceding year for taxes before that year. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2022. This line applies only to tax years preceding tax year 2022. + $ 106,799	
	B. 2022 taxes in TIF. Enter the amount of taxes paid into the tax increment fund for a reinvestment zone as agreed by the taxing unit. If the taxing unit has no 2023 captured appraised value in Line 18D, enter 0. – $ 195,171	
	C. 2022 transferred function. If discontinuing all of a department, function or activity and transferring it to another taxing unit by written contract, enter the amount spent by the taxing unit discontinuing the function in the 12 months preceding the month of this calculation. If the taxing unit did not operate this function for this 12-month period, use the amount spent in the last full fiscal year in which the taxing unit operated the function. The taxing unit discontinuing the function will subtract this amount in D below. The taxing unit receiving the function will add this amount in D below. Other taxing units enter 0. +/- $ 0	
	D. 2022 M&O levy adjustments. Subtract B from A. For taxing unit with C, subtract if discontinuing function and add if receiving function. $ -88,372	
	E. Add Line 30 to 31D.	$ 32,304,067
32.	**Adjusted 2023 taxable value.** Enter the amount in Line 25 of the *No-New-Revenue Tax Rate Worksheet.*	$ 9,112,540,692
33.	**2023 NNR M&O rate (unadjusted).** Divide Line 31E by Line 32 and multiply by $100.	$ 0.354501 /$100
34.	**Rate adjustment for state criminal justice mandate.** [23] **If not applicable or less than zero, enter 0.**	
	A. 2023 state criminal justice mandate. Enter the amount spent by a county in the previous 12 months providing for the maintenance and operation cost of keeping inmates in county-paid facilities after they have been sentenced. Do not include any state reimbursement received by the county for the same purpose. $ 0	
	B. 2022 state criminal justice mandate. Enter the amount spent by a county in the 12 months prior to the previous 12 months providing for the maintenance and operation cost of keeping inmates in county-paid facilities after they have been sentenced. Do not include any state reimbursement received by the county for the same purpose. Enter zero if this is the first time the mandate applies. – $ 0	
	C. Subtract B from A and divide by Line 32 and multiply by $100. $ 0 /$100	
	D. Enter the rate calculated in C. If not applicable, enter 0.	$ 0 /$100
35.	**Rate adjustment for indigent health care expenditures.** [24] **If not applicable or less than zero, enter 0.**	
	A. 2023 indigent health care expenditures. Enter the amount paid by a taxing unit providing for the maintenance and operation cost of providing indigent health care for the period beginning on July 1, 2022 and ending on June 30, 2023, less any state assistance received for the same purpose. $ 0	
	B. 2022 indigent health care expenditures. Enter the amount paid by a taxing unit providing for the maintenance and operation cost of providing indigent health care for the period beginning on July 1, 2021 and ending on June 30, 2022, less any state assistance received for the same purpose. – $ 0	
	C. Subtract B from A and divide by Line 32 and multiply by $100. $ 0 /$100	
	D. Enter the rate calculated in C. If not applicable, enter 0.	$ 0 /$100

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

Line	Additional Sales and Use Tax Worksheet	Amount/Rate
51.	**Taxable Sales.** For taxing units that adopted the sales tax in November 2022 or May 2023, enter the Comptroller's estimate of taxable sales for the previous four quarters. [32] Estimates of taxable sales may be obtained through the Comptroller's Allocation Historical Summary webpage. Taxing units that adopted the sales tax before November 2022, enter 0.	$ 0
52.	**Estimated sales tax revenue.** Counties exclude any amount that is or will be spent for economic development grants from the amount of estimated sales tax revenue. [33] **Taxing units that adopted the sales tax in November 2022 or in May 2023.** Multiply the amount on Line 51 by the sales tax rate (.01, .005 or .0025, as applicable) and multiply the result by .95. [34] **- or -** **Taxing units that adopted the sales tax before November 2022.** Enter the sales tax revenue for the previous four quarters. Do not multiply by .95.	$ 14,335,782
53.	**2023 total taxable value.** Enter the amount from Line 21 of the *No-New-Revenue Tax Rate Worksheet*.	$ 9,289,464,629

55.	**2023 NNR tax rate, unadjusted for sales tax.** [35] Enter the rate from Line 26 or 27, as applicable, on the *No-New-Revenue Tax Rate Worksheet*.	$ 0.549227 /$100
56.	**2023 NNR tax rate, adjusted for sales tax.** **Taxing units that adopted the sales tax in November 2022 or in May 2023.** Subtract Line 54 from Line 55. Skip to Line 57 if you adopted the additional sales tax before November 2022.	$ 0.549227 /$100
57.	**2023 voter-approval tax rate, unadjusted for sales tax.** [36] Enter the rate from Line 49, Line D49 (disaster) or Line 50 (counties) as applicable, of the *Voter-Approval Tax Rate Worksheet*.	$ 0.762311 /$100
58.	**2023 voter-approval tax rate, adjusted for sales tax.** Subtract Line 54 from Line 57.	$ 0.607987 /$100

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

Line	Voter-Approval Rate Adjustment for Pollution Control Requirements Worksheet	Amount/Rate
59.	**Certified expenses from the Texas Commission on Environmental Quality (TCEQ).** Enter the amount certified in the determination letter from TCEQ. [37] The taxing unit shall provide its tax assessor-collector with a copy of the letter. [38]	$ 0

[38] Tex. Tax Code §26.045(i)

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate adjusted to remove the unused increment rate for the prior three years. [39] In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020; [40]
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); [41] or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. [42]

Individual components can be negative, but the overall rate would be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit. [43]

Line	Unused Increment Rate Worksheet	Amount/Rate
63.	**Year 3 component.** Subtract the 2022 actual tax rate and the 2022 unused increment rate from the 2022 voter-approval tax rate. **A.** Voter-approval tax rate (Line 67) ..... $ 0.691919 /$100 **B.** Unused increment rate (Line 66) ..... $ 0.000000 /$100 **C.** Subtract B from A ..... $ 0.691919 /$100 **D.** Adopted Tax Rate ..... $ 0.691919 /$100 **E.** Subtract D from C ..... $ 0.000000 /$100

[45] Tex. Tax Code §26.063(a)(1)

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise $500,000, and the current debt rate for a taxing unit. [44]

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit. [45]

Line	De Minimis Rate Worksheet	Amount/Rate
68.	**Adjusted 2023 NNR M&O tax rate.** Enter the rate from Line 39 of the *Voter-Approval Tax Rate Worksheet*	$ 0.354501 /$100

70.	**Rate necessary to impose $500,000 in taxes.** Divide $500,000 by Line 69 and multiply by $100.	$ 0.005382 /$100
71.	**2023 debt rate.** Enter the rate from Line 48 of the *Voter-Approval Tax Rate Worksheet.*	$ 0.237900 /$100
72.	**De minimis rate.** Add Lines 68, 70 and 71.	$ 0.000000 /$100

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.[46]

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year. [47]

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).

Line	Emergency Revenue Rate Worksheet	Amount/Rate
73.	**2022 adopted tax rate.** Enter the rate in Line 4 of the *No-New-Revenue Tax Rate Worksheet.*	$ 0.691919 /$100
74.	**Adjusted 2022 voter-approval tax rate.** Use the taxing unit's Tax Rate Calculation Worksheets from the prior year(s) to complete this line. If a disaster occurred in 2022 and the taxing unit calculated its 2022 voter-approval tax rate using a multiplier of 1.08 on Disaster Line 41 (D41) of the 2022 worksheet due to a disaster, complete the applicable sections or lines of Form 50-856-a, Adjusted Voter-Approval Tax Rate for Taxing Units in Disaster Area Calculation Worksheet. **- or -** If a disaster occurred prior to 2022 for which the taxing unit continued to calculate its voter-approval tax rate using a multiplier of 1.08 on Disaster Line 41 (D41) in 2022, complete the separate *Adjusted Voter-Approval Tax Rate for Taxing Units in Disaster Area Calculation Worksheet* to recalculate the voter-approval tax rate the taxing unit would have calculated in 2022 if it had generated revenue based on an adopted tax rate using a multiplier of 1.035 in the year(s) following the disaster. [48] Enter the final adjusted 2022 voter-approval tax rate from the worksheet. **- or -** If the taxing unit adopted a tax rate above the 2022 voter-approval tax rate without calculating a disaster tax rate or holding an election due to a disaster, no recalculation is necessary. Enter the voter-approval tax rate from the prior year's worksheet.	$ 0 /$100
75.	**Increase in 2022 tax rate due to disaster.** Subtract Line 74 from Line 73.	$ 0 /$100

Agenda #:	Consideration and **ACTION** to discuss a possible ad valorem tax rate increase and to authorize a public hearing on August 15, 2023, to discuss the proposed ad valorem tax rate that will exceed the No-New-Revenue tax rate. (Financial Services Department)

Summary:
The governing body of a taxing unit, other than a school district, may not adopt a tax rate that exceeds the lower of the voter-approval tax rate or the no-new-revenue tax rate until the governing body has held a public hearing on the proposed tax rate. This hearing must:

- Have a quorum of the governing body present,
- Take place within the boundaries of the taxing unit,
- Be conducted on a weekday that is not a public holiday,
- Allow taxpayers an opportunity to express their views, and
- Take place in a public building or, if a public building isn't available, in a building normally open to the public.

A public hearing may not be held before the fifth day after the date the notice of the public hearing is given. Property Tax Code, chapter 26.06(d), expressly authorizes the governing body to vote on the proposed tax rate at the property tax public hearing.

Truth-In-Taxation

The Texas Constitution sets out the general requirements for Truth-In-Taxation. Truth-In-Taxation states that if the City is going to propose a tax rate that exceeds the lower of the no-new-revenue tax rate or the voter-approval tax rate, the City must hold a public hearing.

We are proposing tonight that the City Commission announces or authorizes by vote that a public hearing be held on August 16th to discuss a possible tax rate increase that exceeds the no-new-revenue tax rate.

RESOLUTION NUMBER 2023-088

A RESOLUTION OF THE CITY OF BROWNSVILLE APPOINTING MEMBERS TO THE AUDIT & OVERSIGHT COMMITTEE.

WHEREAS, the Audit & Oversight Committee was reinstated on July 30, 2019, by the City Commission, purpose is to provide oversight of the entity's governance, risk management, and internal control practices in order to ascertain the integrity of its practices therefore providing confidence and transparency through independent structure and systematic oversight.

WHEREAS, by Charter Amendment Election held on the 1st day of May 2021, the committee shall consist of five (5) members, and the appointment of each member shall be approved by a vote of no less than 5 out of the seven (7) members of the Commission. The members of the Committee should collectively possess sufficient knowledge of audit, finance, computer technology, law, governance, and risk and control.

WHEREAS, the City Commission shall appoint each Board member, for a term of two (2) years. A member may not serve more than two (2) terms of two (2) years. Any vacancy occurring on the committee shall be filled by the City Commission and any member appointed to fill a vacancy shall serve only for the unexpired term of his or her predecessor in office. A member who serves the remainder of an unexpired term is eligible to serve two (2) terms of two years following the unexpired term.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS, the following individuals are appointed or re-appointed to serve expired or un-expired terms on the Audit & Oversight Committee and shall serve without compensation.

Section 28A. Audit and oversight committee.

There is established by this Charter the Audit and Oversight Committee.

(a) The Committee shall assist City Commission and management by providing independent advice and guidance on the adequacy of the entity's initiatives regarding values and ethics, governance structure, risk management, internal control framework, oversight of the internal audit activity, external auditors and other providers of assurance, as well as financial statements and public accountability reporting.

(b) The Committee shall provide City Commission with advice and guidance regarding the adequacy and effectiveness of management's practices and potential improvements to those practices.

(c) The Committee shall consist of five members. The appointment of each member shall be approved by a vote of no less than five out of the seven members of City Commission. The members of the Committee should collectively possess sufficient knowledge of audit, finance, computer technology, law, governance, and risk and control.

(d) In discharging its responsibilities, the Committee, and its designees, shall have unrestricted access to members of city management, city employees, and information it deems necessary to discharge its duties.

(e) The Committee shall institute and oversee any special investigations or activities related to its purpose which are necessary in discharging its duties. In conducting such investigations, the committee may compel the attendance of witnesses, the production of books and papers and other evidence, and for that purpose may issue subpoenas or attachments as provided by City Charter.

(f) The Committee shall meet at least quarterly, and all meetings of the Committee shall be posted and conducted in accordance with the Texas Open Meetings Act.

(g) The Committee shall employ a city auditor who shall oversee all administrative and operational functions of the Office of the City Auditor. The city auditor, under the supervision of the Committee, shall develop policies and procedures for implementing the purpose and responsibility of the Committee.

(h) The Committee shall report to the City Commission annually, summarizing the committee's activities and recommendations.

(i) City Commission shall adopt an ordinance implementing the terms of this subsection.

Agenda #:	Consideration and **ACTION** on **Resolution Number 2023-054-A**, to appoint one member to the Ethics Advisory Commission. (Office of the City Secretary)

Summary:
The Ethics Advisory Commission was created by Ordinance 2001-1373. The Ethics Advisory Commission has jurisdiction to review and make findings concerning any alleged violation of the Ethics Ordinance codified as Chapter 38 of the City's Code of Ordinances. The Ethics Ordinance applies to current city officials and employees, former city officials, employees terminated, and persons doing business with the city if a complaint is filed within one year after the date of the alleged violation.

It should be noted that the Office of the City Attorney is currently reviewing the Ethics Ordinance and will recommend amendments to the City Commission on the Ethics hearing process, attorney rotation, and other related provisions that prior experience has shown unfavorable to both the City and complainants.

A RESOLUTION OF THE CITY OF BROWNSVILLE APPOINTING MEMBERS TO THE TRANSIT ADVISORY COMMITTEE.

WHEREAS, The Transit Advisory Committee was created in 1991 and amended by the By Laws accepted January 10, 2003, and further amended by Resolution Number 2006-039 on June 06, 2006; and

WHEREAS, the Transit Advisory Committee shall monitor the performance of Brownsville Metro quality statistical reports, reviews requested and proposed service, policy and procedure changes to assure that user and institutional needs have been addressed;

To provide advice and guidance to the Brownsville City Commission through staff on the development, implementation and operation of the Paratransit and Fixed Route Services consistent with all State and Federal Rules and Regulations, and to further:

1. Monitor the performance of Brownsville Metro quality statistical reports.
2. Monitor users through a statistical report of service productions for Paratransit and Fixed Route operations in order to determine deterioration due to use or abuse.
3. Review requested and proposed service, policy and procedure changes to assure that user and institutional needs have been addressed.
4. Review individual complaints, incidents and/or suggestions as needed to determine applicability to policies and procedures.
5. Provide support to staff on enforcing policies, procedures and practices; and

WHEREAS, the Transit Advisory Committee is composed of seven (7) members, four (4) members shall be reappointed and one (1) member shall be appointed by the City Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BROWNSVILLE, TEXAS, that the following individuals are appointed or re-appointed to serve an expired or un-expired term on the Transit Advisory Committee.

Agenda #:	Consideration and **ACTION** on **Resolution Number 2023-096** to appoint 1 new member to the Bicycle Pedestrian Advisory Committee. (Multimodal Transportation Department)

Summary:
The Bicycle Pedestrian Advisory Committee currently only has 6 members. There is 1 vacant position that needs to be appointed.

Project Scope and Analysis:
The Bicycle Pedestrian Advisory Committee currently consists of six members, with one vacant position waiting to be appointed. They aim to enhance active transportation and promote bicycle and pedestrian-friendly initiatives in the community. The committee seeks a dedicated individual to fill the vacancy and contribute to shaping the future of sustainable mobility, safety, and well-being for community members. Their goal is to advocate for improved bike lanes, pedestrian pathways, and traffic safety measures, fostering a cleaner environment and healthier lifestyle for all residents.
